Chapter 501: Jian Yichen Causes Trouble (1)

However, in the end, Jian Yichen's words had no impact. Jian Yiling was still evicted from the Jian family.

However, Jian Yiling took note of Jian Yichen arguing for her sake.

And thus, when Jian Yichen visited today, Jian Yiling had opened the door for him.

After knowing that the other person was Jian Yichen, the expression on Zhai Yunsheng's face eased up.

However, he still had a strange look in his eyes as he watched the man in front of him.

As Zhai Yunsheng and Jian Yichen looked at each other, they could see the hostility in each other's eyes.

Then, Jian Yichen suddenly smiled brightly. He deliberately said to Jian Yiling: "Yiling! I'm a bit thirsty. Could you make me a cup of freshly squeezed juice? I don't like to drink water. I like to drink freshly squeezed juice~"

Upon hearing this, Jian Yiling nodded her head.

Then, she turned around and headed to the kitchen.

After Jian Yiling left, Jian Yichen walked over to Zhai Yunsheng's side. His high heels clicked on the ground as he walked over.

As Zhai Yunsheng knew of Jian Yichen's identity, he wasn't as resistant as before.

Once Jian Yichen was close enough to Zhai Yunsheng, he said to him in a quiet voice: "Don't even think of using any shameless means to abduct Yiling! If I'm here, you can completely put that thought back into your stomach!"

Zhai Yunsheng turned his head to look at Jian Yichen. He looked at the smiling and androgynous face of Jian Yichen.

Although Jian Yichen had a smile on his face, his words were full of hostility.

Hmm... Smiling fox... That was indeed a name that suited him well.

"You can try," Zhai Yunsheng replied.

Zhai Yunsheng's aura was not weaker than Jian Yichen's.

The animosity between the two was incredibly obvious.

At this moment, Jian Yiling exited the kitchen. She came back with two glasses of orange juice in her hands. One was for Jian Yichen and the other was for Zhai Yunsheng.

Although Jian Yichen was the one who requested freshly squeezed juice, she had brought a glass back for Zhai Yunsheng as well.

And thus, that showed Zhai Yunsheng's spot in Jian Yiling's heart.

Zhai Yunsheng picked up the glass of orange juice and raised it in his hand. It was as though he was intentionally provoking Jian Yichen.

However, the smile on Jian Yichen's face did not diminish. Rather, he slowly drank the glass of juice. His movements were elegant and feminine.

Although the two men seemed calm on the surface, they were fighting a battle in their hearts.

However, Jian Yiling was unable to understand their small movements and expressions.

After drinking the juice, Jian Yichen said to Jian Yiling:

"Yiling, can I stay with you to eat dinner? It's been such a long time since we've seen each other."

"Okay," Jian Yiling replied.

She didn't want to reject him. Although she didn't know Jian Yichen well, her dreams and memories told her that he wasn't a bad person. At least to Jian Yiling, he did not harbor any bad intentions.

Then, Jian Yichen turned his head slightly to look at Zhai Yunsheng. His eyes looked incredibly smug.

Zhai Yunsheng snorted lightly when he saw this. It seemed as though he couldn't care less about Jian Yichen's actions.

Then, Jian Yichen suggested something else to Jian Yiling: "Hey, why don't you live with me instead? I live incredibly close to Beijing University."

Jian Yiling shook her head when she heard this. "I need to take care of him."

Originally, Jian Yiling also lived very close to Beijing University. However, as she signed an agreement with Master Zhai and Zhai Yunsheng, she ended up living here instead. She needed to take care of Zhai Yunsheng's health.

Jian Yichen knew about Jian Yiling being the primary care physician for Zhai Yunsheng.

That was the 'shameless means' he had been talking about. Zhai Yunsheng had abducted Yiling via these despicable tactics.

As his first suggestion failed, Jian Yichen immediately suggested something else: "Then how about this? I'll also move in with you. This way, I can take care of you. We don't get to see each other much... As we're both in Beijing right now, we should spend more time with each other! When we marry people in the future, we will have even fewer opportunities to spend time together."

Chapter 502: Jian Yichen Causes Trouble (2)

Jian Yichen was making a fair point.

"No," Zhai Yunsheng replied.

"Why not?"

"Because this is my home. Of course, I can say no to your suggestion."

“Well, if Yiling wants me to stay here, shouldn’t you consider what she wants?” Jian Yichen asked with a smile on his face. However, his eyes seemed evil.

If Zhai Yunsheng said that he didn’t care about Yiling’s wishes, then Jian Yichen would have the opportunity to call him out for not caring about what Jian Yiling thought.

And if Zhai Yunsheng said that he did care about Yiling’s wishes, he was going to essentially hand over the decision-making to Jian Yiling.

Of course, Jian Yiling liked Jian Yichen much more than Zhai Yunsheng did. She didn’t harbor hatred towards him.

And thus, it was highly likely that she would agree to his suggestion.

Zhai Yunsheng frowned when he heard this.

On the other hand, the smile on Jian Yichen’s face was blossoming.

If this person wasn’t Jian Yiling’s cousin, Zhai Yunsheng would have kicked him out of the apartment a long time ago. He wouldn’t be fooling around with a smile on his face.

However, he was Jian Yiling’s cousin. As a result, Zhai Yunsheng couldn’t be unreasonable.

As Zhai Yunsheng didn’t reply to him for a while, Jian Yichen turned his head to look at Jian Yiling. Then, he asked: “Look Yiling, Master Sheng doesn’t seem to have an opinion. Will you let me live here?”

Jian Yichen’s voice was pleasant sounding and enticing.

It was as if he was coaxing Jian Yiling to agree to his request.

Jian Yiling didn’t know how to respond to her cousin. She looked at Jian Yichen for a while before she looked at Zhai Yunsheng.

She didn’t know her decision.

Then, Zhai Yunsheng said: “Well, it’s not very convenient for there to be a lot of people living together. Our agreement stated that you’re my private care physician. Does a physician need to bring their family members when they’re taking care of their patient?”

Zhai Yunsheng decided to tackle the situation from another perspective. He didn’t reply to Jian Yichen’s question. Instead, he mentioned the agreement and the duties and obligations of a private care physician.

Upon hearing this, Jian Yiling nodded. She said to Jian Yichen: “This is work. It’s not convenient.”

Sure enough, it seemed as though Master Sheng understood Jian Yiling.

“Ahhh, it’s fine then,” Jian Yichen replied. The smile on his face did not diminish. It was obvious that he was someone that was not easily defeated.

Although his plan to live with them failed, Jian Yichen still stayed to have dinner with Jian Yiling and Zhai Yunsheng.

Whilst Jian Yiling prepared dinner, Jian Yichen helped her out in the kitchen. He refused to let Zhai Yunsheng into the kitchen.

As Jian Yiling and Jian Yichen prepared dinner, Zhai Yunsheng brooded on the sofa.

###

The next morning, when Zhai Yunsheng and Jian Yiling exited the apartment, they saw Jian Yichen again.

This time around, Jian Yichen wasn't wearing women's clothing. Instead, he wore casual clothes and his appearance was rather clean.

Without yesterday's heavy makeup, Jian Yichen was quite good-looking. In fact, he didn't even look that feminine.

Jian Yichen had the smallest frame out of the brothers in the Jian family. He was 1.76 meters in height and was a fair bit shorter than the other males in the Jian family.

His height was considered above average when compared to the rest of the population.

However, he liked to wear women's clothing.

When he saw Jian Yiling and Zhai Yunsheng, Jian Yichen waved at the two of them: "Good morning. I just moved into the apartment opposite yours."

One floor of this high-end residence building was separated into two apartments. Zhai Yunsheng's apartment was numbered 2201. On the other hand, Jian Yichen's new apartment was 2202.

Before this, 2202 had always been empty.

However, it had been bought a few days ago.

And thus, it turned out that the person who bought the apartment was Jian Yichen.

It seemed as though Jian Yichen's visit was not something that he decided on a whim. Rather, it seemed as though he had planned everything out.

Jian Yichen walked over to Jian Yiling and said: "From now on, I will bring you to university every morning."

Chapter 503: Jian Yichen Causes Trouble (3)

Then, he said to Zhai Yunsheng: "Master Sheng, apologies for troubling you previously. Generally speaking, a private care physician is only responsible for their employer's health. As a result, there is no need for you to drive your employee around. You can let me pick up and drop off my sister."

Jian Yichen's eyebrows were crooked as he said this. Although he appeared to be incredibly polite and courteous on the surface level, his stomach was filled with evil tricks.

If Zhai Yunsheng could mention the duties and obligations of a private care physician, he could also mention them!

Following this, the three of them got onto the elevator. After a moment, the elevator reached the underground parking lot.

Jian Yichen directed Jian Yiling to get into his car.

Jian Yiling hesitated for a moment before she got in.

Then, Jian Yichen started the car and drove away.

As he passed by Zhai Yunsheng, he rolled down the car window and gave him a smug smile.

Once the car left the underground parking lot, Jian Yichen turned his head to look at Jian Yiling. Jian Yiling was seated in the front passenger seat.

Her face appeared to be calm and indifferent.

As he glanced at her, the smile in Jian Yichen's eyes disappeared. It seemed as though his eyes were deep in thought.

The image of a tombstone appeared in his mind. There was a black and white photo on that tombstone.

As he thought about this, Jian Yichen reached Beijing University. As Jian Yiling left for class, he sat there and watched her walk away.

For a moment, he wanted to ask Jian Yiling if she could call him 'sister' again. He wanted to ask her whether she could smile as carefree as before.

Finally, he wanted to ask whether their family could go back to what it was...

###

Qin Hongzhi approached Li Zhuojia once again.

Last time, Qin Hongzhi had sent his subordinates to invite Li Zhuojia. However, his subordinates failed to do so.

As a result, Qin Hongzhi decided to go in person this time.

The two of them looked at each other silently. On one hand, there was the Chairman of the Qin Group. He was a powerful man with an intimidating aura. On the other hand, there was an ordinary middle-aged man who didn't look imposing at all.

Based on their appearances, it didn't seem as though the two of them would sit down and have a chat on an equal footing.

This time around, Li Zhuojia didn't refuse the invitation. He agreed to have a chat with Qin Hongzhi.

And thus, the two of them found a suitable spot to sit down and talk.

Li Zhuojia and Qin Hongzhi sat down in a courtyard of the Qin family. The courtyard's design was rather classical.

The tables and chairs in the courtyard carried traces of age.

Once the two of them were seated, Qin Hongzhi got straight to the point: “Mr. Li, I’ve heard that you’ve accepted Qin Hongrui’s case?”

Li Zhuojia replied in a rather calm tone. He didn’t mention anything important in his words: “Mr. Qin, I don’t think you just heard about this. If you’re interested in this matter, you could talk to your cousin about it. He can tell you what you want to know.”

Qin Hongzhi continued to size up Li Zhuojia as he said: “Mr. Li, I’m very happy that you’re accepting my cousin’s case.”

“Well, it’s pretty obvious that you’re not here to talk about your happiness.”

“Yes,” Qin Hongzhi replied. He decided to not beat around the bush anymore: “I want to ask you to make a deal with me. If my cousin gives Lahaisen Hospital the shares that he’s holding as payment, could I pay a high price to buy those shares from you?”

“Mr. Qin, if this is the business you’re talking about, what you want is not yet in our hands. As a result, we really cannot give you an exact answer for something that we do not hold.”

“I understand. However, Mr. Li, I can assure you that Lahaisen Hospital will definitely not suffer losses from this deal.”

Chapter 504: Depends on Our Dean

“As of now, I can’t give you a clear answer on this matter. Our Dean told me to follow the rules. And thus, I will definitely follow the rules of our hospital. Making a deal with Mr. Qin is not in line with our hospital’s rules. As a result, I can’t say yes.”

“Your Dean?”

Qin Hongzhi had always been curious about the Dean of Lahaisen Hospital.

He was interested in meeting the person who could mobilize talented individuals from many different areas. Although Lahaisen Hospital was a rather small hospital, it was still incredibly powerful.

“Can I have your Dean’s contact information? I will contact him directly.”

Qin Hongzhi assumed that it would be useless for him to continue to talk to Li Zhuojia. As a result, he wanted to talk to the Dean directly.

Li Zhuojia smiled as he looked at Qin Hongzhi. He didn’t answer right away.

“What are you smiling about?” Qin Hongzhi asked.

“Mr. Qin, I will not give our Dean’s contact information to outsiders. Furthermore, our Dean is not responsible for contacting outsiders in the first place. And thus, if you have anything that you want to say to our Dean, you can tell me. I will relay what you say to our Dean.”

Qin Hongzhi hadn’t expected such an outcome. It seemed as though Lahaisen Hospital and its staff were incredibly stubborn and headstrong.

Although Qin Hongzhi had personally come to discuss this matter, he still hadn't managed to make a change in their attitude.

However, Qin Hongzhi had to stop the shares from falling into someone else's hands.

As a result, he said: "Please tell your Dean this. I sincerely hope that this deal goes through. I am willing to negotiate with him. Furthermore, Lahaisen Hospital will not suffer any losses from this deal. On top of this, the Qin Group will also provide all sorts of benefits to Lahaisen Hospital afterward."

"Okay."

Li Zhuojia promised to relay Qin Hongzhi's words. However, that was all.

And thus, Qin Hongzhi almost gained nothing out of the conversation.

If he wanted to make a deal with Lahaisen Hospital, it seemed as though he had to get into contact with their Dean.

However, he didn't have much time left. Qin Hongrui was about to be picked up by Lahaisen Hospital.

###

Just like before, Zhai Yunsheng left his office on time and returned to his apartment on time as well.

However, unlike the past two days, his apartment was dark. The lights weren't turned on. And the small figure wasn't waiting there for him either.

Zhai Yunsheng picked up his phone and scrolled down to find Jian Yiling's number. He wanted to call her. However, he stopped himself before he pressed the call button. He didn't want to disturb her.

Zhai Yunsheng knew that Jian Yiling also had her own work to do.

And thus, it was unreasonable for him to continuously call her if she came home late. That would make it seem like he was controlling her.

And so, Zhai Yunsheng waited.

He kept glancing at the time and waited until 8:30 pm. However, Jian Yiling still hadn't come home.

As there was only half an hour until 9 o'clock, Zhai Yunsheng decided to call Jian Yiling.

However, when the call went through, a man answered it.

The man's voice was low and sexy as he said: "Who is this?"

"Who are you?" Zhai Yunsheng asked. One of his hands unknowingly tightened.

"I'm the man that Yiling loves the most," the man replied.

It was a very shameless answer. However, such an answer revealed the true identity of the man.

"Jian Yichen, where did you take Yiling?"

Jian Yichen was the boss of a company. However, in his spare time, he would also be a voice actor. This was because he could imitate many different kinds of voices.

According to the information that Zhai Yunsheng's subordinates gathered, Jian Yichen was also a well-known content creator. As a content creator, his main focus was on characters from anime, comics, and games.

And thus, his changing voices were not a surprise.

As Zhai Yunsheng saw through his disguise, Jian Yichen immediately returned back to his normal voice: "Master Sheng, I don't think I need to tell you where I bring my sister, do I?"

Chapter 505: Burying His Head in Vinegar

"Yiling is currently my private care physician. As a result, she should be present by my side at the specified times. Otherwise, she's not fulfilling her responsibilities and obligations. Do you take Yiling as a person who doesn't keep to her words?"

"Zhai Yunsheng, stop talking about the contract. Yiling is our family's darling. Do you think I will let you abduct her in such a despicable manner?"

Jian Yichen disapproved of Zhai Yunsheng's actions. He shouldn't be using such a reason to keep Jian Yiling by his side.

It was so despicable and shameless! Did Zhai Yunsheng want to become his brother-in-law or something?

Well, there was no way that was going to happen!

"Where is Yiling?" Zhai Yunsheng asked. The anger in his voice was quite obvious.

If it weren't for the fact that this man was Jian Yiling's cousin, then Zhai Yunsheng would have already burnt him to ashes.

"Why are you angry? I'm Yiling's cousin. Do you think I plan to harm her or something? I just took her out to have some fun. She'll be back later."

Jian Yichen knew what was considered appropriate and what wasn't. As a result, he would definitely bring Jian Yiling back home.

However, he wasn't afraid of Zhai Yunsheng's anger. On the contrary, the reason for bringing her back home was because Jian Yiling insisted on it.

Just now, Jian Yiling had mentioned several times that she wanted to return home before nine o'clock.

When Jian Yichen heard this, he was angry yet helpless.

However, he still had to listen to Yiling's wishes. And thus, he needed to send her back on time.

If he didn't, Yiling would be upset at him.

And thus, at nine o'clock sharp, Jian Yiling reached the apartment door.

Jian Yiling was still wearing Jian Yichen's jacket.

When Zhai Yunsheng saw Jian Yiling, his heart was finally at rest.

Then, he glared fiercely at Jian Yichen. Jian Yichen was currently standing behind Jian Yiling.

Jian Yichen's smile was still blooming like a flower. It was as though he couldn't sense Zhai Yunsheng's hostility towards him. He smiled and waved at Jian Yiling: "Good night~ I will come tomorrow morning to pick you up again~"

"Mhmm," Jian Yiling replied as she nodded her head.

Then, Jian Yichen turned around and walked away. He didn't look back as he walked away. Zhai Yunsheng stared at Jian Yichen's infuriating and smug figure as he left.

Then, Zhai Yunsheng closed the door. He lowered his head to look at Jian Yiling...

Jian Yiling also looked up at Zhai Yunsheng. It was as though he wanted to say something to her.

And thus, Jian Yiling waited for him to speak.

However, after waiting for a while, Zhai Yunsheng didn't open his mouth to say anything. Instead, he turned his head and walked into his study.

Jian Yiling didn't understand why he was doing this. And thus, she didn't think much into it. She followed Zhai Yunsheng into the study as well.

The two of them were as quiet as ever.

However, a stomach rumble broke the silence.

Upon hearing the stomach rumble, Jian Yiling turned her head to look at Zhai Yunsheng.

However, Zhai Yunsheng deliberately lowered his head. He refused to look at Jian Yiling.

"You didn't eat dinner?" Jian Yiling asked.

"Mhmm."

"Why didn't you eat?"

"No reason."

"Then, what do you want to eat? I'll make something for you."

Upon hearing this, Zhai Yunsheng finally raised his head. He looked at Jian Yiling and stared into her eyes. All of a sudden, he didn't know whether or not he could continue to be angry.

However, he knew that he wasn't meant to be upset in the first place. Jian Yiling had gone out with her brother.

Yet, the words "I'll make something for you" had completely defused all of his anger in the evening.

"Okay," Zhai Yunsheng replied.

When Zhai Yunsheng saw Jian Yiling get up from her seat, he hurriedly added: "Don't make something that's too complicated. Just cook something that's rather simple. Porridge will be fine."

"Mhmm," Jian Yiling replied.

After Jian Yiling left, Zhai Yunsheng continued to look at the information on his computer. The computer was displaying information on Jian Yichen.

If Yiling's cousin was trying to mess with him, then Zhai Yunsheng had to make sure that Jian Yichen wouldn't remain idle.

Chapter 506: Sister Yichen is So Pretty!

After Jian Yichen returned to his apartment, he didn't stay idle either.

Jian Yichen was a rather busy man. He had a lot of things to do.

However, he still took time out of his life to go out with Jian Yiling. It was as though he was doing things that didn't seem to have much meaning.

However, things that were worth remembering at the end of one's life were typically the things that seemed meaningless at first glance.

The things that he remembered at the last stages of his life were those ordinary and silly memories with his family.

Jian Yichen opened his computer. Then, he hid his profile picture and name before he read someone's messages:

[It's not going to be easy to get Qin Hongrui's shares. Furthermore, it's going to be difficult to get into contact with Lahaisen Hospital as well. On top of everything, I know that Qin Hongzhi will not be willing to let the shares of the Qin Group fall into the hands of outsiders.]

[Well, we have to try.]

[Young Master Yichen, why are you obsessed with the Qin Group? If your actions are discovered by the Qin family, the Jian family will be in danger.]

[Well, I just want to get my hands on their shares. A lot of people out there have the same thought as me. We're all businessmen. Isn't it normal to have this thought anyways? Can the Qin family blame me for having foresight?]

The Qin Group's shares were not valuable because of its market price. Rather, the shares were valuable because the shareholder would have a say in the Board meetings.

As of now, Qin Hongzhi held the largest percentage of shares in the Qin Group. Although Qin Hongrui did not hold as many shares, if Qin Hongrui's shares were held by outsiders, then there would be an outsider's voice in the Board of Directors. This would threaten the absolute dominance of the Qin family. It would also become an unstable factor in the Qin family.

[Hmm... You have a point.]

[Go do your work. Try your best to get those shares. If you can't, I have other plans as well.]

Then, Jian Yichen closed his computer. After that, he walked over to his closet. He took out sexy women's clothing.

After changing, he put on makeup again.

In an instant, he turned into a hot and sexy woman.

Jian Yichen wasn't obsessed with cross-dressing. He didn't have a fetish for women's clothing either.

In fact, a silly girl that had saliva drooling from her mouth had made him wear women's clothing. That was the first time that he ever wore such clothes.

"Silly girl, I'm your brother."

"No! You're my sister!"

Her voice was incredibly babyish.

"I'm your brother."

"No! You're my sister! I want a sister! Everyone else has a sister! Sister Yichen is so pretty! That's why you're definitely my sister!"

She pursed her mouth and stared at him with teary eyes.

It was as though she was ready to cry at any moment.

Upon seeing this, Jian Yichen's mother let out an angry roar: "Jian Yichen! Do you want to get spanked? How dare you make Yiling cry? I will spank you!"

And thus, Jian Yichen helplessly said: "Ahhh okay okay. I'm your sister."

Then, he handed himself over to the little girl in front of him.

The little girl began to tie pigtails with his hair. Then, she added flowers to his hair as decoration. After that, she started to apply lipstick to his mouth.

Finally, she applied makeup all over his face.

Then, she proudly showed everyone her work of art.

Everyone in the family was laughing when they saw him. They said that he was incredibly good-looking in the makeup. Then, they praised the little girl for being clever and skillful.

From then on, he kept getting called 'Sister Yichen'.

However, Jian Yichen didn't care about what other people thought. He didn't care about the way they looked at him.

He never cared about what he looked like in the hearts of those who did no matter to him.

Instead, he only cared about one thing. And that was his family members.

Chapter 507: Jian Yichen Finds Qin Yufan at the Bar

Jian Yichen left his apartment and drove towards a bar.

As soon as he entered the bar, he attracted the attention of a lot of people. In their eyes, he was a hot and sexy girl with an attractive face.

At the bar, Qin Yufan was drinking alone. Suddenly, a slender and graceful woman appeared next to her. The woman took the initiative to greet her:

“Beautiful woman, do you mind buying me a drink?”

It was a young woman’s voice. The woman’s voice was clear and mature.

“I mind,” Qin Yufan replied. She turned her head away and concentrated on her drink.

She didn’t even glance at the other person.

She had visited this bar almost every night in the past week. She sat there alone as she sipped at her drink. Qin Yufan essentially ignored everyone that approached her.

However, the people who tried to strike up a conversation with her were generally men. It was the first time that a woman tried to talk to her.

Even though it was a woman, Qin Yufan remained indifferent. She was cold and detached towards everyone.

Generally, when someone encountered such a situation, they would walk away.

There were many handsome men and beautiful women in the bar. There was no point in talking to someone who wasn’t interested in the first place.

However, the woman next to her was different from everyone else. The woman sat down and ordered herself a drink.

Her slender and fair hands gently twirled the glass of whiskey. As the ice cubes bumped against the glass, it made a crisp noise.

“Do you have something on your mind? Let me guess, is there a conflict at home? Are you not getting along with your loved ones?”

Qin Yufan turned her head around and took a good look at Jian Yichen.

“Do you know me?” Qin Yufan asked.

“Who wouldn’t know the Young Lady of the Qin family?”

“I guess.”

Qin Yufan replied before she turned back to her drink.

“So Miss Qin, is there something bothering you? Why don’t you tell me? I’m a stranger that can listen to your thoughts. Maybe, I can give you some advice as well.”

“No need. I have nothing to say to you,” Qin Yufan replied with an indifferent expression on her face.

“Hmm, then why don’t you let me read your fortune? If Miss Qin thinks I’m right, then you can pay for these drinks. If you don’t think I’m right, I will pay for these drinks.:

These words evoked some curiosity in Qin Yufan.

“Tell me about it,” Qin Yufan said. As she was originally drinking alone, she had nothing to do anyway. And thus, she was curious about what the woman wanted to do.

“Show me the palm of your hand,” Jian Yichen said.

Qin Yufan put the palm of her right hand in front of Jian Yichen.

“Miss Qin, the first half of your life went very smoothly. However, the latter half of your life will be quite bumpy. There will be many conflicts at home and in your love life as well.”

“Well, you know who I am. Shouldn’t you know these things as well?”

Was this woman trying to trick her with just those words?

Everyone who knew about the Qin Group knew that the Qin family had recently brought back an illegitimate child. This caused a lot of conflicts to arise in the Qin family.

“Miss Qin, please do not rush,” Jian Yichen said. Then, he continued: “According to your right palm, the people who you care about will die one after another. You won’t be able to get the things that you want in life. Furthermore, you will soon be imprisoned inside a house as well. In fact, you will be surrounded by no one that you can trust. Finally, at the age of twenty-seven, you will slit your wrists in the bathroom.”

“Are you trying to scare me? How about you make up a decent story first.”

Qin Yufan’s first reaction was to deny such a fortune.

However, something stirred inside of her heart.

“Miss Qin, do you really not sense the doom and misfortune that is slowly approaching you?”

“Heh, what doom and misfortune? I will never put myself in such a situation.”

Qin Yufan did not want to discuss such things with a person that she did not know.

“Well, what if I have a way to help you break free of such a fate?” Jian Yichen asked again.

Chapter 508: Dream: Jian Yichen Pays His Respects

“Haha,” Qin Yufan chuckled softly. Her smile was filled with contempt and arrogance. “Are you trying to scam me or something? First, you say words to scare me. Then, after scaring me, you tell me that you’re going to sell me a way to break free of my fate? So, how much money do you want from me?”

“I don’t want money. Rather, I want a favor.”

“No,” Qin Yufan replied.

She didn’t need to rely on others. That meant that she would not rely on a woman of unknown origin.

Even her own father could become an enemy. And thus, what was the point of trusting other people in the first place?

As of now, the only person that Qin Yufan trusted was herself.

“Okay, that’s fine. If you believe me at any time in the future, please contact me.”

After saying that, Jian Yichen pushed a business card towards Qin Yufan.

Qin Yufan turned her head and glanced at the business card.

There was no name on the business card. However, there was a contact number on it.

Then, she glanced at Jian Yichen.

Jian Yichen had a confident and calm expression on his face. It was as though he knew that she would contact him sooner or later.

Jian Yichen snapped his fingers at the bartender. He paid for both their orders.

Then, he turned and said to Qin Yufan: “I’ll pay for the drinks today. If you find out that I’m right someday, please remember to pay for my drinks in the future.”

After saying that, Jian Yichen left the bar.

Qin Yufan looked at the business card on the table for a long time. Eventually, she picked the card up and put it away.

She didn’t know why she did such a thing. It was more than likely that the woman just now was a scammer.

###

At night, Jian Yiling had a dream again.

This time, she dreamed of a grave.

It was her grave.

Zhai Yunsheng hadn’t kept his promise. He hadn’t scattered her ashes into the sea. Instead, he found a place with good Feng Shui and gave her a burial there.

There was a tombstone and words were engraved onto it. Finally, there was a portrait of her on the tombstone.

In the dream, Jian Yiling was looking at everything around her. It was as though she was suspended in mid-air.

There was a person who came to pay their respects to her.

The person was dressed in black. They held a cluster of white chrysanthemums in their hands.

After he took off the sunglasses, Jian Yiling saw Jian Yichen in front of her. Jian Yuchen had a solemn expression on his face.

Although it was a dream, when Jian Yiling saw the tombstone, she was fixed in place for a long period of time.

She knew that she died in the original novel. However, a completely different feeling filled her heart when she saw the tombstone.

Jian Yichen's fingers gently touched the tombstone. He slowly stroked the photo on the tombstone.

After a long time, he placed down the flowers. He muttered to himself:

"Sorry Yiling. I failed to protect you. You left this world by yourself. I will remember that I owe you in my next life. If there is an afterlife, please remember to come and collect this debt from me."

"Jian Yunnao became crazy after He Yan showed him the video. He completely broke down. Your mother didn't hold up either. After seeing the video, she fell ill."

"Jian Yubo got arrested as well. He stabbed He Yan with a knife. Ahh, he was such an intelligent and witty person as well. Yet, he did something so stupid. When I went to visit him in prison, I asked him why he chose such a stupid way to solve the problem. Do you know what he said to me? He said it didn't matter now. Nothing matters anymore."

"He Yan didn't die. The knife didn't hit any of her vitals. The hospital saved her life. However, she ended her marriage with our second uncle. She still managed to get half of the family's assets though."

"And I guess, a lot of things happened during this period of time. These things completely destroyed the Jian family."

Everyone outside of the family believed that the reason for the downfall of the Jian family was because they had always spoiled and pampered Jian Yiling.

Chapter 509: But I Lost My Family Members

Everyone said that they shouldn't have raised and pampered Jian Yiling to such an extent. Jian Yiling had messed with the wrong people. That was why her fate and her family's fate ended up like this.

They said that this was the Jian family's punishment. They deserved to be punished for their actions.

If the Jian family hadn't spoiled Jian Yiling, these things wouldn't have happened.

However, Jian Yichen did not care about any of those things. Although Jian Yiling did do a lot of bad things, she was still his sister! She was still part of their family!

"Yiling, I never thought that it was your fault that our family turned out this way. It has nothing to do with whether or not you messed with the Qin family. In fact, we can only blame ourselves for not being capable enough. We can only blame ourselves for not knowing people's hearts and true intentions."

"Yiling, I know that you hate us. However, I hope that you won't hate Grandpa Jian. He's been through a lot. I know that he loves you the most as well. However, even though he loves you, he is still the head of our family. Back then, he had to protect the entire family. As a result, he couldn't protect you. Back then... Back then, if Grandpa Jian hadn't done such a thing, my father would have died. He didn't want all of us to suffer... That was why he evicted you from the family."

"I hate the Qin family. In particular, I hate Qin Chuan. Everyone tells me that the Qin family did nothing wrong. However, I lost my family members and I lost what I call home."

Jian Yichen stayed in front of the tomb for a long time.

When he was leaving, he ran into Jian Yuncheng.

The two of them ended up fighting.

Although the two of them were wearing suits, they still wrestled and grappled around like children.

After the fight, the two of them decided to lie on the ground. They stared at the sky with their red eyes.

Although they were fighting the other person, the person that they hated the most was themselves.

###

Early in the morning, Jian Yichen was woken up by a call from work.

Jian Yichen rubbed his eyes as he struggled to get up. He was wearing plaid pajamas. His hair was a mess and had no makeup on his face. He looked nothing like the sexy woman in the nightclub. In fact, he had a bit of a babyface.

His eyes were hazy as he listened to the person on the other end of the call. The person was telling him about the troublesome things that his company had encountered.

In fact, all of a sudden, there were multiple things that were troubling the company.

Jian Yichen's sleepy head was smacked awake by the pile of trouble that came out of nowhere.

Damn. What was all of this?!

Just looking at the trouble gave him a headache.

After he hung up the phone, Jian Yichen got up to wash his face and rinse his mouth. Then, he changed his clothes. As he did this, he thought about the pile of trouble that came out of nowhere. The more he thought about it, the stranger it seemed.

Why did so many tedious things suddenly appear?

No way. Did that bastard living in 2201 do this?!

Ahh, there was indeed that possibility.

Tch. In order to take up his sister's time, he really did despicable things...

Ahhh, that man was really capable of doing anything.

Yiling was still so young though! He wasn't allowed to take her away from them!

After Jian Yichen came to this realization, he wasn't hurried and anxious any more.

He changed into casual clothes and walked out of the door with a smile.

He appeared in front of Zhai Yunsheng and Jian Yiling at the same time as yesterday.

"Yiling, I'll send you to university! I will introduce you to someone that I know. He's handsome and has an incredibly promising future as well. In fact, he's a decent and honorable human being."

Jian Yichen placed specific emphasis on the last part of his sentence.

It was as though Jian Yichen was suggesting that Zhai Yunsheng was not handsome and capable enough.

However, Zhai Yunsheng could hear the intention behind Jian Yichen's words.

How immature.

And thus, Zhai Yunsheng wasn't bothered to argue with Jian Yichen on this matter.

Jian Yichen continued to speak: "By the way, that person is quite famous. He's a singer! He used to be in the same band as Jian Yumin. His name is Luo Xun. He's a reliable man."

Luo Xun... It was a name that Zhai Yunsheng and Jian Yiling both remembered.

Three years ago, at a Jupiter concert, Jian Yiling gave Luo Xun a gift. It was a hand-knitted woolen hat.

Chapter 510: Encounter at Qin Hongrui's Residence (1)

Upon hearing this, Zhai Yunsheng pulled Jian Yiling closer: "I need to do my checkup tonight. And thus, my private care physician should be present."

"Okay," Jian Yiling replied.

Jian Yichen's eyes were filled with scorn as he said: "Hmmm, my sister should have time off no? She doesn't have to accompany you whenever you say you have something on right?"

"Well, she's doing her own things during the day. She's not accompanying me for the twenty-four hours a day," Zhai Yunsheng replied.

If she wasn't fulfilling her obligations during the day, shouldn't she fulfill them in the evening? This was still considered a job!

Jian Yichen's smile did not fade: "It's fine. I'll organize a time on the weekends. You won't be so stingy and refuse to give my sister a day off right?"

"Well, perhaps I am," Zhai Yunsheng replied. He had the same smile on his face.

Although they were both smiling, their eyes were filled with hostility.

Although Jian Yichen's behavior seemed rather childish, he had thoroughly considered his actions.

He knew about Zhai Yunsheng's health. He knew that Zhai Yunsheng could die at any moment.

If his sister really fell in love with him, what would she do if he died?

Jian Yiling shouldn't have to face such things.

Jian Yichen also knew that Zhai Yunsheng treated Jian Yiling well.

He knew that Zhai Yunsheng had saved Jian Yiling's life three years ago. He had heard his family mention it.

He was actually incredibly thankful to Zhai Yunsheng.

However, Jian Yiling was a part of his family. Jian Yichen was a selfish man. He wanted the best for his family members.

He couldn't stand by and watch his sister become a widow.

And thus, it would be best for his sister to keep her distance from Zhai Yunsheng.

###

Qin Hongrui's Residence

In a western-styled villa on the outskirts of Beijing.

Elder Yun came to visit Qin Hongrui. Jian Yiling accompanied Elder Yun on this visit.

Elder Yun and Qin Hongrui were acquaintances. Although they were not very familiar with each other, Elder Yun still came to visit because he was a medical expert. Due to this reason, he could provide a bit of advice on Qin Hongrui's illness. And thus, Qin Hongrui's wife had invited him to come over.

Qin Yufan was also seated in the living room.

Every second day, Qin Yufan would come over to visit Qin Hongrui.

However, she hadn't expected to run into Jian Yiling today.

Recently, Qin Yufan felt that she ran into Jian Yiling a bit too much. What did she do to deserve this?

When Qin Hongrui's wife saw that there was a little girl following Elder Yun, she was filled with curiosity:

"Greetings Elder Yun. Who is this little girl? She's rather lovely."

Qin Hongrui's wife was a lady in her fifties. She was dressed in an elegantly patterned cheongsam. Her hair reached the back of her neck. Furthermore, there was a gentle smile on her face as she spoke in a courteous manner.

Qin Hongrui's wife looked at Jian Yiling. Her eyes were filled with curiosity and happiness.

This little girl was rather lovely. She had a small figure and wore a white chiffon top with black shorts. Her legs were fair and exquisite as well.

Elder Yun answered the question for Jian Yiling: "This is my little friend. She's a genius in the medical field. She came along with me to see how the patient is doing."

Upon hearing this, Qin Hongrui's wife couldn't help but praise Jian Yiling:

"You must not be an ordinary genius if you're called a genius by Elder Yun. You must be incredibly talented. I look forward to hearing about you in the future."

Her words praised both Elder Yun and Jian Yiling.

Elder Yun smiled meaningfully when he heard this.

Then, he mentioned that he was going to go upstairs to visit Qin Hongrui.

“Thank you for being concerned about my husband. Now that he knows that he can have surgery, he’s in a much better mood. He looks so much better than he did a few days ago.”

As she said this, Qin Hongrui’s wife led them upstairs.
