

## Sign In To Become a God

### #Chapter 11: Of course I want it all - Read Sign In To Become a God Chapter 11: Of course I want it all

Wang Yi was a little uncomfortable, and suddenly realized whether he had made the wrong decision to attend Lin Youyu's birthday this time.

But when he turned his head and saw the bright and sweet smile on Lin Youyu's face, he calmed down again.

who cares.

Wang Yi found a place to sit down and looked around. He was alone here except Lin Youyu and Gao Yurong, and he didn't know anyone else, so he looked a little out of the crowd.

Wang Yi's face was very calm.

He was here just to bless Lin Youyu. As for the thoughts of these people, to be honest, how could Wang Yi care about the thoughts of unrelated people.

But he hasn't been clean for too long. Gao Yurong and Lin Youyu soon came to him together, and sat down next to him.

Wang Yi could feel this moment, and looked around with surprise and curiosity.

Especially when Gao Yurong and Lin Youyu, the two most outstanding girls in the audience, sat next to Wang Yi, many people couldn't help whispering in private.

"Wang Yi, how did you meet Yu Rong?" Lin Youyu asked curiously, sitting on the right side of Wang Yi, with big and moist eyes as big and small as a deer.

Wang Yi of course would not hide, "Ms. Yu Rong and I have known each other about a year ago. At that time, I just became a senior student in the martial arts gym and needed a tutor. Ms. Yu Rong was my target of teaching at that time."

"It turns out that Wang Yi, you are usually so tired. Did you go to Yurong's house every day as a tutor?" It was the first time that Lin Youyu knew about Wang Yi's usual life, a little regretful, "I knew I..." Her voice stopped abruptly.

"Huh?" Wang Yi looked at her curiously.

Gao Yurong on the side of        said at this time: "Do you also want to ask Wang Yi to be your tutor, but I remember Yuyu, don't you like being alone with boys or practicing martial arts?"

Lin Youyu subconsciously said: "Wang Yi is of course different, how can other boys compare to him." As soon as she said the words, she noticed something was wrong, and her face flushed.

"Oh, I see, it turns out that the target is Wang Yi. It seems that you like Wang Yi a lot." Gao Yurong said with a joking tone, but looked at Wang Yi with a smile.

Wang Yi was already uncomfortable when he was sandwiched between the two girls. Hearing what they said, he felt like ants crawling all over his body, a bit like sitting on pins and needles.

"Yu Rong, it's not what you said." No matter how Lin Youyu likes Wang Yi, it's only a private matter. Gao Yurong is now ruthlessly debunked by Gao Yurong, only to feel a gust of steam coming out of his face. The red ones are very cute like prawns. "If you joke like this again, I will ignore you."

Lin Youyu said as if protesting, but secretly glanced at Wang Yi next to her. What disappointed her was that Wang Yi seemed to be wandering away from the sky at the moment. His eyes were always looking at the sky, as if he hadn't heard their conversation, and his little mouth could not help but Wei Wei Beep up.

"That's good." Gao Yurong shrugged her shoulders. This boyish action appeared on her for the first time, but it made people feel her straightforwardness even more.

"Wang Yi, I ask you." Gao Yurong looked at Wang Yi and said in a natural tone: "If I and Youyu let you be a tutor, who would you choose?"

Lin Youyu subconsciously tightened when he heard Gao Yurong's words, and couldn't help but look at Wang Yi.

Wang Yi was startled, and then subconsciously said: "Of course I want it all."

One family tutor is one hundred and five for one hour, and two two hours is three hundred. Double work and double happiness. Normal people know how to choose.

Gao Yurong and Lin Youyu stay at the same time.

Gao Yurong then asked: "What if you are asked to choose one of them?" She stared at Wang Yi tightly, as if she wanted to see through his innermost thoughts.

Wang Yi said in a puzzled way: "Why do I have to choose? Is your relationship okay?" It doesn't look like it. The girl's mind is really strange, and she always asks this weird idea that she has been single for eighteen years. Wang Yi thought to himself.

"Of course not, but..." Gao Yurong herself didn't know how to say it, she was a little angry, Wang Yi didn't wink at all, she didn't understand girls' thoughts at all, she was really a wooden head, why she liked Gao Yurong in the first place. This kind of boy.

Well, he was originally a piece of wood.

Lin Youyu also noticed that Gao Yurong seemed to be interested in Wang Yi, but Wang Yi's incomprehensible answer made Lin Youyu feel relieved. It seems that the relationship between the two of them has not yet reached that stage.

Lin Youyu is also a bit annoyed. UU Reading [www.uukahnsu.com](http://www.uukahnsu.com) has always secretly liked Wang Yi. Seeing that the college entrance examination is coming soon, the two of them may share things after the college entrance examination. This birthday party is also Lin Youyugu. She was courageous and wanted to show her thoughts to Wang Yi, but she didn't expect that her only best friend for many years would also know and like Wang Yi. She was a little confused.

Of course, Wang Yi is not so stupid that he can't see that the two girls in front of him are interesting to him, but he doesn't know how to deal with this situation. Gao Yurong and Lin Youyu are both good girls. He said in his heart that having no good feelings is false. But if you want to talk about who you like better, Wang Yi probably doesn't know.

He is burdened with secrets that are difficult to tell others, and he still doesn't know what will happen in the future, so he naturally chose to avoid emotional matters in his heart.

The three of them did not speak, and fell silent, and the atmosphere fell into a slight embarrassment for a while.

Lin Youyu was afraid that Wang Yi would be left out, and often came to him to speak with him, which made the faces of a middle-aged couple not far away look a bit unpleasant.

In the corner of       , a middle-aged woman who is vaguely similar to Lin Youyu took Lin Youyu's hand, "Girl, who is he?"

"Mom, you have asked twice. Didn't I say, he is my friend." Lin Youyu was a little embarrassed.

She also knew that her parents' suspicion was aroused. At home and at school, she was a good girl who kept her self-sacrifice, but when she saw Wang Yi and Gao

Yurong sitting together, she didn't know why she always couldn't help but leaned over, otherwise she felt very uneasy.

Wang Yi didn't know this yet, only felt that there always seemed to be a few eyes around him secretly looking at him.

Even his sensitive hearing as a warrior heard some murmurs, and he smiled bitterly.

Ugh. People are too popular and not good.
