#Chapter 12: Shock - Read Sign In To Become a God Chapter 12: Shock

Time passed slowly, when Lin Youyu finished making a wish and was dividing the cake.

Wang Yi's cell phone ringing suddenly rang not far away.

Regardless of the gazes of others, Wang Yi walked to the back and took out the cell phone his parents had bought for him. He saw that the caller ID was his father. He was a little puzzled. Normally, family members would not call him unless what's the matter. Before he came out tonight, he had told his family that he would go to his classmate's birthday, and his father smiled and asked if it was a female classmate's home.

Wang Yi answered the phone, and his father's voice came through the phone.

Wang Yi's expression changed as soon as he heard a few sentences.

Sitting in the chair, Wang Yi stood up and said excitedly to the mobile phone, "Dad, what did you say? Mom passed out suddenly and is now sent to the hospital?" After listening to his father's call, Wang Yi put away the mobile phone. , Glanced at Lin Youyu, who was surrounded by the crowd with a bright smile, hesitated, finally edited a message and sent it out, then turned around and walked outside quickly.

Although it is very rude to leave without saying goodbye, he does not want to ruin Lin Youyu's birthday mood tonight because of his personal affairs.

I can only apologize later.

Wang Yi seemed to hold a fire in his heart, and the speed was getting faster and faster.

Gao Yurong, who was talking to Lin Youyu, was a little surprised to see Wang Yi leaving without saying hello. The relationship between Wang Yi's person and Lin Youyu would not leave suddenly without saying goodbye. It should have happened. What happened.

But Lin Youyu didn't bring his mobile phone with him, so he didn't realize that Wang Yi was no longer there.

"Wang Yi!"

Wang Yi, who had just walked out of Lin Youyu's house and was about to speed up his run, suddenly heard someone calling him behind him.

He looked back and saw Gao Yurong in a lavender dress chasing him.

"Why did you leave without saying a word? What happened?" After all, Gao Yurong was also a person who exercised all the year round and had very good physical fitness. He quickly ran to Wang Yi and gasped slightly.

Wang Yi glanced at her and calmed down. "I still have something to do at home, I want to go back to deal with it, please go back and say sorry for me and Lin Youyu."

"What the **** is it? Can I help?" Gao Yurong stood in front of Wang Yi.

Wang Yi and her sparkling eyes met. He didn't want to tell Gao Yurong, but he blurted out—"My dad just called and told me that my mom was hospitalized. I have to go to the hospital to see my mom right away."

"Um..." Gao Yurong was a little dissatisfied with Wang Yi's move to leave without saying goodbye. Hearing Wang Yi's explanation, the dissatisfaction disappeared.

Since Wang Yi's mother was hospitalized, Wang Yi's anxiety is excusable.

"Where, I have a car, I'll take you there." Gao Yurong is not a messy person, said immediately.

"Thank you." Wang Yi said gratefully.

Gao Yurong gave Wang Yi a white look, "What is our relationship?"

Gao Yurong's eyes are extremely charming, with the look of a little daughter that she has never seen before, and her coquettish tone makes Wang Yi's heart tremble slightly.

Under the heavy night, Wang Yi and Gao Yurong ran fast together on a quiet tree-shaded road.

Gao Yurong took out his mobile phone, dialed a call, quickly said a few words to the person opposite, and then looked at Wang Yi. "The car is just outside. We can ride to the hospital when we go out. I hope Auntie is fine."

Wang Yi nodded, feeling more grateful to Gao Yurong in his heart.

Gao Yurong seemed to think of something, and then said: "You left without saying a word just now, but Youyu was terrified. She thought you were angry and almost didn't cry just now." Her tone was strange.

Wang Yi was also a little bit ashamed. He did ignore Lin Youyu's thoughts a bit, but when he heard the news of his mother's hospitalization in his mind at that time, he had no other thoughts in his mind, he just wanted to leave soon.

Lin Yuyu must be sad.

"I will tell her." Wang Yi whispered.

"You guy." Gao Yurong glanced at him, sighed softly, but didn't know what to sigh.

Wang Yi and Gao Yurong quickly rushed to the main entrance of the community. There was a black car parked on the side of the road. A driver was standing by and saw them rushing out and quickly opened the rear door.

Wang Yi and Gao Yurong sat in. Gao Yurong already knew where Wang Yi's mother was hospitalized, and said directly to the driver, "Go to the district people's hospital as quickly as possible."

"Yes, miss." The driver responded, and the car started immediately.

Under the night, a black car drove fast on the road.

In the car, Wang Yi and Gao Yurong were sitting together.

Gao Yurong looked sideways at Wang Yi. The boy lowered his head slightly. The outside light cast a shadow from under his bangs, illuminating the sharp outline of the boy's water chestnut. He could not see the specific expression, only his slightly tight lips.

"Don't worry, Auntie will definitely be fine." Gao Yurong could only comfort Wang Yi like this.

"Yeah." Wang Yi replied in a low voice, but he blamed himself.

His mother was sick and was hospitalized, but he went to a classmate's house to reunite.

Although he knew it was not his reason, Wang Yi still couldn't forgive himself.

"I'll call Youyu and tell her the reason you left, otherwise she must not sleep tonight. UU reading www.uukanshu.com" Gao Yurong took out her mobile phone.

"Help me say sorry to her." Wang Yi said.

"I think it would be more sincere for you to apologize to her personally." Gao Yurong glanced at him again. "Youyu has been very sensitive since she was a child,

and she rarely interacts with people. If she cares about you, she will be especially mindful of her heart. I think her appearance this time should be in a dead end. "

Wang Yi was a little speechless.

Gao Yurong has said so clearly, and directly picks out Ming Lin Youyu's feelings for him. At this time, he can't just pretend to be confused.

Wang Yi is still not there yet.

But how to deal with the girls like Lin Youyu, Wang Yi was a little confused.

Gao Yurong and Lin Youyu spoke for a while, then turned to say to Wang Yi. "You Yu said she will come back later."

"Isn't she still celebrating her birthday? Is this really good?" Wang Yi's heart was warm, but he didn't want Lin Youyu to do this kind of thing in front of relatives and friends for him.

Gao Yurong shook her head, "She is not here, I can't persuade her."

Gao Yurong looked at Wang Yi, "How about it, isn't it very touching?"

"..." Gao Yurong said so directly, Wang Yi opened his mouth, but didn't know what to say.

Many thoughts in Wang Yi's heart turned around in an instant, and it was only a moment, and his heart became firm. In this world, he will experience great dangers and horrors. I don't know how many, even the love of the son and daughter in front of him is indecisive and indecisive. , How will he face those big winds and waves in the future, and compete with those ancient existences that last forever.

The driver driving in front watched his nose, nose and heart, as if he hadn't heard the conversation between the two people behind him, and drove the car seriously. Soon, the car came to the District People's Hospital.
