

This is not the end of the book

PLEASE READ

Hi! So there has been a little confusion about the ending of the book! The chapter before this is not the end of the book! I had to take down the last couple of chapters for copyright reasons because Silent Luna is actually a published book!!

So if you want to finish reading the book you have to buy it on Amazon or kindle! I wish I could keep it up here for all of my wattpad followers but I can't!

The next couple of updates are information about the book and things like my social media pages and other fun things!!

Thank you for your support I appreciate each and every one of you!!
