

Silly Teen 25

Chapter 25

I couldn't stop clenching my fists as I listened to the words come out of his mouth.

I really didn't expect that Guan Dongxuan's father would be so unreasonable. On second thought, Guan Dongxuan had inherited his father's behaviour in all probability. The slap I received from him was still burning on my face. Mr. Lin hurriedly shielded me behind him.

According to Guan Dongxuan's father, in the final analysis, the bad guy was me?

"Teacher Lin, are you going to cover up for this student now?" Guan Dongxuan's father said, holding a cigarette directly in his office, "Teacher Lin, I advise you to think clearly. I don't want to make a big deal out of it anyhow now, but if I call Duan Chang here later, it won't be easy to say."

"You're threatening me?"

Teacher Lin said with a grim face.

"It's not really a threat, I just want you to be sensible. After all, I think you, as the class teacher, know very well what kind of status I am. Now, I just want to teach this person who slandered my son a lesson, and I don't want to start a conflict with the teacher. But if you stand in my way, then I can't guarantee that I will do so."

Guan Dongxuan's father said flatly.

And aside, Guan Dongxuan listened to his dad's voice and looked at me with even more smugness.

"Teacher Lin, hurry up and call this student's parents over now." Guan Dongxuan's dad's tone was completely non-negotiable.

"But his parents are a police officer, and at this point in time, they must have their own business to attend to. And this matter hasn't been investigated yet, how can you conclude that the fault lies with Jin Chao?" Teacher Lin frowned and asked rhetorically.

"So what if it's the police? If I want him to come over, he has to come over! I hate it when someone slanders my son!" Guan Dongxuan's father sneered, "Not to mention that Dongxuan is a good boy at home and helps out with chores when he has nothing better to do. Do you think he would bully his classmates? Or even, or blackmail!"

Teacher Lin's face was also extremely irritated. I was tugging at her sleeve, telling her not to continue arguing with Guan Dongxuan's father.

And Guan Dongxuan looked at me with a 'you're finished' expression.

At this moment, I really wanted to go up and return the slap to Guan Dongxuan in front of his father. But I thought about it and held back. The main reason was that I couldn't do that! After all, Guan Dongxuan's father was a little-known official in our local area.

As for Guan Dongxuan, he was simply a second generation official!

“Alright Teacher Lin, hurry up and call his parents over now, or else I’ll have to call Duan Chang. I’m sure you don’t want to make such a mess of things either!” Guan Dongxuan’s father, however, was dead set on not letting go.

But Teacher Lin didn’t give him a good look: “Whatever you want! Do what you like!”

“Okay, that’s what you said!” Guan Dongxuan’s father said, and took out his mobile phone and called in front of us.

And as Teacher Lin listened to him, she even sat down on her chair with a puff of anger. She asked me to stand beside her, more so to protect me in front of Guan Dongxuan’s dad. But I didn’t want to drag her into the affair. In the process, Guan Dongxuan’s father was talking on the phone while he was looking at me with eyes like he was looking down on ants.

After all, we weren’t even in the same class of people!

Not long after Guan Dongxuan’s dad’s phone call ended, the section leader of our year section arrived in a hurry. The two of them were in our presence, and after a brief shushing and greeting, they just got down to business. After hearing what had happened from Guan Dongxuan’s father, the section leader glared at Mr. Lin, seemingly blaming him for annoying Guan Dongxuan’s father.

Duan Chang looked at me in an unkind manner and asked me, “Jin Chao, tell me clearly why you want to blackmail Guan? I remember you were always the top student in your year before, how come after your grades dropped, you’ve become like this too!”

“Paragraph Leader, this matter is not like that at all.” I hurriedly explained.

“Then what else or what?” Guan Dongxuan’s father was on the sidelines, looking at me with a very unkind look.

“Dad, Duan Chang, you must do something for me! This semester Jin Chao has met a big brother outside and is powerful and has started bullying me too. I never wanted to say anything before, but he’s simply bullying people too much!” Guan Dongxuan got aggravated, “Even if he bullied me, he even complained in front of the teacher.”

Guan Dongxuan said the opposite, and I was even more angry at his words.

“Guan Dongxuan, don’t spit out blood, okay? Who the hell met Big Brother outside, and who the hell said that if I gave him a thousand and three he could get his Big Brother to help me out with Cao Ge?” I said with a clenched fist.

“Definitely not me anyway.”

Guan Dongxuan set himself aside.

And Duan Chang, who was watching the scene from the side, even had a vaguely moved expression of anger. This time, he didn’t even need Guan Dongxuan’s father to say anything, so he directly asked Teacher Lin to call the parents.

During the process, the other teachers did not dare to say a word. Even though they knew that Guan Dongxuan was not a good person, they were afraid that they were more afraid of Duan Chang and also of Guan Dongxuan's father.

Teacher Lin beside me looked at my expression and was also very hesitant. She was obviously on my side, but since Duan Chang had said so, she had no choice but to do as she was told. And after Uncle Chen took the call from Teacher Lin, he hurriedly dropped what he was doing and rushed to the school.

I looked at the police uniform on Uncle Chen and felt even worse in my heart.

"You're the parent of this little bastard, aren't you!" Guan Dongxuan's father asked straightforwardly, and in the process he got to know my situation with Duan Chang. He also knew that I wasn't related to Uncle Chen in any way.

"Little bastard?" Uncle Chen's brow furrowed for a moment, "Aren't you going too far with that?"

"Oh, you're just a grassroots civilian police officer. With just one word from me, I can have you rolled up and out of the police station." Guan Dongxuan's father said with a sneer, "So don't use that tone of voice to talk to me either!"

Uncle Chen was undaunted and said, "Oh? Then I'd like to see it!"

"Then you've brought this on yourself!"

Upon hearing this, Guan Dongxuan's father directly pulled out his mobile phone. He knew what Uncle Chen's name was from Teacher Lin, and had seen the police number on his chest. And it was his phone after that, Uncle Chen's phone, which didn't take long to ring. I saw from the side that it was the chief of police, Uncle Xu, calling.

During the process Uncle Chen listened and frowned for a while, but Guan Dongxuan's father was getting more and more pleased with himself. It seemed he was also enjoying the sense of superiority that came with this power.

And he then walked up to me and raised his hand and landed another slap on my face. A crisp ringing sound echoed throughout the office.

"You"

Uncle Chen was furious.

"What, are you offended? But even if I hit him now, what can you do!"
