

Silly Teen 40

Chapter 40

The people at the side of Guan Dong Xuan were still trying to bully and insult me as they had done before. They also wanted to show their superiority over me. This is what they have always done in the past. I have been on the rooftop a few times before because of Guan Dongxuan.

Before that, I was always insulted when I went on the rooftop.

But this time it was different.

They called me over, but Guan Dongxuan didn't dare to say anything, while I stood out and instead hooked my finger at Guan Dongxuan: "Guan Dongxuan, you and your little brother, all of you come over to me!"

"Huh?" The crowd froze for a moment.

"Jin Chao is crazy, right?"

"Nine times out of ten. He's so arrogant as to call Guan Dongxuan over It's either he's crazy or we are!"

And Xu Ying beside me, listening to my words, the corners of her mouth still held that smile. She clasped her hands to her chest, and between her orange-red fingers was a slender cigarette. A curl of smoke rises from her fingers. With her shoulder leaning against the door, she looked right in my direction, to see what I was doing.

The sight of her, more than anything else, made my heart grow a little firmer!

"Guan Dongxuan, I told you to come over, did you hear me?" I followed up with a gulp.

"Jin Chao, you are a bit too arrogant, aren't you?"

"Dongxuan, I want you to be, I can't help it."

The crowd at the side said so, but Guan Dongxuan listened to my words, but he shot a glance with a few of the surrounding minions and walked towards my direction with a reluctant face. How could they not have imagined that this would happen?

They were surprised and dumbfounded.

I, on the other hand, was smug!

"Guan Dongxuan, there was one last ten slaps yesterday, hurry up and finish the fight." Instead, I spoke to Guan Dongxuan in a condescending manner. In the past, this kind of talk was given to me by Guan Dongxuan. But at this moment, I was doing the opposite!

"Didn't you say yesterday to forget it?" Guan Dongxuan's face, all of a sudden, froze.

"Yesterday is yesterday, today is today. And if teacher Lin hadn't come yesterday, do you think I would have let you leave?" I said with a sneer.

“Jin Chao, don’t get too far ahead of yourself!”

Guan Dongxuan said to me very grimly.

“Oh, I’m getting ahead of myself? Think back to yourself, how you treated me before. It was also you who used Cao Ge against me first, and now that Cao Ge has helped me, you’re saying that I’m being overbearing? Guan Dongxuan, can you be more shameless?” I looked at him mockingly.

And Guan Dongxuan’s face sank even further at what I said. He gritted his teeth, and was even more torn about what he should do.

“Guan Dongxuan, did you not hear my words? The last ten slaps! Hurry up!” I increased the volume so that the crowd on the side could hear. It was just that my words were more like a bomb that exploded in the surrounding people at once.

Shock and disbelief spread around the area at once.

At my voice, Guan Dongxuan clenched his teeth, raised his hand and slapped himself on the face. The sound he made with this slap was so loud that the surroundings fell dead silent. As they watched this scene, they were all so shocked that they could not speak.

They could not have imagined that Guan Dongxuan would really slap me just because of a few words.

“Guan Dongxuan, have you forgotten the rules from yesterday? The last ten slaps are for kneeling!” I reminded him.

“Jin Chao, you’ve already disgraced me enough. With so many people watching, can’t you give me some face?” Guan Dongxuan asked me in a gloomy whisper.

“Why should I give you face? Think back, when I didn’t go along with your wishes, did you ever give me face before? I don’t think so!” My tone was once again elevated. I had treated Guan Dongxuan the same way he had treated me in the past, the way he had made me lose face.

He had brought this on himself!

“Are you going to kneel or not?”

I yelled at Guan Dongxuan.

“Dongxuan, are you out of your fucking mind? Are you really going to kneel down for Jin Chao?” The people on the side asked in confusion.

“This matter, you guys stay out of it!”

Guan Dongxuan said through clenched teeth.

And as he said that, he rushed to his knees in my direction. He looked at his palms and hesitated for a moment. Under the urging of my eyes, he this in only then was to exhale the slap towards his face. Because of what happened yesterday, Guan Dongxuan came up and slapped himself in the face with maximum force.

His face, which was already swollen from yesterday, was a few points heavier because of this last ten slaps.

“Jin Chao, I’ve finished these ten slaps, that’s enough!” Guan Dongxuan said, about to stand up.

“Wait, who said the beating was over?” I blocked him, “You clearly have the last three slaps left, it’s not over yet!”

Guan Dongxuan’s little brother hurriedly said from the side, “But Brother Xuan has really finished the fight. Everyone heard it too, it was ten!”

I shot a direct glance over, “Is it my call here, or yours?”

My words made Guan Dongxuan’s little brother not know how to reply. And Guan Dongxuan looked at me with resentment in his eyes, “Okay, three more slaps! When I’m done, it’ll be over, right?”

“Let’s talk after you finish the fight.”

I didn’t give him a clear answer.

Guan Dongxuan was shamefully on his knees again and slapped himself three times. Each one landed on his face with a very crisp, and extraordinarily loud, thud.

It was after the three slaps were over that Guan Dongxuan was about to stand up again. But I stopped him again, “Guan Dongxuan, you still have two more slaps here. Why are you in such a hurry?”

Guan Dongxuan was furious: “Jin Chao, you’re fucking kidding me!”

“Trick you? Does it make sense? I don’t want to waste time with you here.” I just urged Guan Dongxuan.

And in the process, all the people on the side were dumbfounded and didn’t know what to do.

“Two last strokes!” I saw that Guan Dongxuan didn’t respond, and I drank again.

When Guan Dongxuan heard this, he had no choice but to be agreeable. He continued to kneel on the ground, raised his hand, and gave himself two loud slaps. This time, he was in no hurry to stand up. He looked up at me and asked, “Jinchao, is this okay now?”

“It’s OK. But let me remind you, when you see me in class in the future, keep a low profile!” I said in a very forceful manner.

Guan Dongxuan listened and had to give a “hmmm”.

“Speak up! Who can hear you in such a low voice?” I yelled again at a higher volume.

“I know!”

Guan Dongxuan said furiously.

“Alright Jinchao, you’ve almost settled your end, haven’t you?” Xu Ying asked as she stepped forward.

In response, I was nodding my head.

She turned and hooked her hand at me, “Well then, take Guan Dongxuan with you and let’s go to the headmaster’s office!”
