

I Am Born With A Silver Spoon Chapter 113

Obviously the girl knew Chen Hao.

Chen Hao was startled when he saw the pretty girl in front of him.

“Jiang Weiwei?”

Ever since the incident of beating Wang Yang, the relationship between Chen Hao and Jiang Weiwei had ruptured.

Jiang Weiwei had been secretly in love with Wang Yang for so long. Even if Chen Hao had given her expensive clothes as a present before, in her eyes, he was still incomparable to Wang Yang.

Moreover, Jiang Weiwei was almost dismissed as the president of the student council because of him and therefore, she had been shooting daggers at him when she bumped into him these days.

Who knew that they would meet here today?

“Chen Hao, what’re you doing here?” Jiang Weiwei said differently.

“Chen Hao, do you know each other?” Zheng Yue came to Chen Hao’s side immediately and asked flirtatiously.

“I know her. We’re in the same department!” Chen Hao smiled bitterly.

He then looked at Jiang Weiwei and said, “I’m here to meet Zheng Yue’s parents.”

“Meet her parents? Why?” Jiang Weiwei’s face darkened.

Meanwhile, the rest of the Jiang family members also looked at Chen Hao.

“Chen Hao is my boyfriend. Why do you think he is here to meet my parents?” Zheng Yue didn’t beat around the bush.

She really wasn’t interested in the guy named Jiang Ziqiao at all.

Zheng Yue hadn’t realized that her standards for a boyfriend had become higher after she met Chen Hao. I know someone who is more powerful. Even if you’re really excellent, you are nothing compared to Young Master Chen.

This was Zheng Yue’s mentality now when choosing a boyfriend.

However, her reply was like a bomb which astonished everyone, especially those from the Jiang family.

They were excited to meet Zheng Yue as they heard that she was related to the Jin Ling Commercial Group. She was pretty and came from a family with similar social and economic standing.

Overall, it would be great if she could be the daughter-in-law of Jiang’s family.

Unexpectedly, Zheng Yue had already gotten a boyfriend and they only found out now. They had even brought their son here for the blind date.

“Mr. Zheng, what’s going on?” Jiang Weiwei’s uncle asked in a displeasing tone.

The guy named Jiang Ziqiao also looked at Chen Hao with hostility.

He liked Zheng Yue very much!

Meanwhile, he quickly scanned Chen Hao from head to toe to find his strongest point so that he could compare himself to him.

Zheng Yue’s parents apologized in a hurry, saying it was all a misunderstanding.

However, they were cursing Chen Hao viciously in their heart, Why was this loser here? He’s messing things up!

“Dad, calm down. Just like Uncle Zheng said, it might be a misunderstanding. Besides, this guy is Weiwei’s classmate!”

Jiang Zicheng raised up his hand to show off his watch, smiling nonchalantly.

“Haha, classmates? Chen Hao, now I know why you have been behaving so gloriously. It turns out that you have become someone’s boyfriend. To be frank, although I was irked that you became rich after winning the lottery, I thought that you were not as disgusting as before because you’ve given me expensive clothes as a present, even though I still hate you.”

“But now, you are more disgusting than I could ever imagine!”

“I didn’t understand how you became so rich. You’ve just won a lottery but your money never seemed to run out, but I finally get it now. You’ve been provided for. As expected, there’s something going on between the two of you!”

Jiang Weiwei had kept silent all the while after she entered the room.

It slowly dawned on her that the girl was Zheng Yue.

She was the girl whom Xu Chao was pursuing. The other day, Xu Nan and Lin Jiao had caught her red-handed with her boy toy, Chen Hao, in her car.

She had witnessed the incident with her own eyes but Jiang Weiwei thought it was impossible after she observed further.

From her point of view, she would never keep a scum like Chen Hao as her boy toy if she really wanted to.

But now, this girl had admitted that Chen Hao was her boyfriend!

Therefore, Jiang Weiwei didn’t care about courtesy anymore when she talked.

She stared at Chen Hao proudly and thought, You think you're superb, huh? Hahaha, you're just a boy toy, and nothing else!

Listening to her words, Zheng Yue's parents were humiliated.

Jiang Weiwei had implied that he was a freeloader.

Zheng Yue's mother pointed at Chen Hao and asked her daughter, "Zheng Yue, tell me, who is this Chen Hao? Is he really your boy toy?"

"Mum, no! Listen to my explanation!" Zheng Yue said anxiously.

She never knew that this simple act to refuse the marriage would turn into a mess.

She was speechless toward Jiang Weiwei. She had appeared at the worst possible time.

"I don't want to listen to your excuses. Tell me, yes or no?" Zheng Yue's mother asked firmly.

Crossing her arms, Jiang Weiwei walked up to Jiang Ziqiao's side and said with a smile, "Brother, you don't have to worry. Do you remember what I told you about this poor dude in our department? He is so poor that he doesn't even have dignity, and so poor that his ex-girlfriend dumped him. The ex-girlfriend immediately dated a rich heir after that."

"Later on, he kept bragging after he won some lottery. Do you still remember him? Hahaha, that's him!"

Jiang Weiwei thought, Since I have fallen out with you, it can't get any worse now.

You, Chen Hao, have made me suffer a lot.

Initially, I wanted to become your friend, thinking that you have become rich.

Before I found out that you weren't really wealthy, I even wanted to become your girlfriend, especially when you gave me the piece of clothing which cost about 50,000 to 60,000. Although you said that it was to thank me for my help, you were still willing to give me such an expensive item.

It's a lie if I said I wasn't touched by that.

But now, you're just a jerk! It's useless even if you have money!

She purposely said it in public so that Zheng Yue would be aware of his previous behavior and dump him.

Jiang Ziqiao's eyes glimmered at that moment. If Chen Hao was really that poor dude, he had nothing to worry about.

"Zheng Yue, tell me! Is Weiwei telling the truth? Is he just a poor loser?"

Zheng Yue's mum asked forcefully. What a shame! What an embarrassment!

"I..." Zheng Yue had no idea what to say.

She didn't know how to answer her mum.

"Yes, I was poor before, but I didn't lose my dignity because of poverty. I just wanted to earn money for my living expenses so that I could study hard and have a bright future. Is that wrong?"

Chen Hao was triggered by Jiang Weiwei's disdainful remarks.

He couldn't help it but vent it all out.

"Why do you guys always judge me? Although I'm poor, I have never done anything to offend you. Why do you all keep bullying me?" Staring at Jiang Weiwei, Chen Hao growled in fury.

For the past three years, the number of times Jiang Weiwei had humiliated him were as many as Lu Chen and his gang.

She never cared about his pride or dignity at all even in public. There was once, she bumped into him walking out of the classroom with Yang Xia.

She actually scolded him in front of everyone, "Chen Hao, how can a poor loser like you get a girlfriend? Oh my gosh, I'm really speechless!"

"By the way, go clean the lecture hall. There's no need for you to eat with your girlfriend. Besides, it doesn't matter whether you go to the cafeteria or not. You're just a poor scum who can't even afford to eat once you stop working part-time!"

"What? Are you going against me?" Slap! She had slapped him on his face. "Believe it or not, I'll stop your student subsidies and kick you out!"

This happened when they were still in their first or second year in college. Jiang Weiwei treated him that way in front of Yang Xia.

Yang Xia even had several arguments with her because of this.

As for Chen Hao, he felt like he was repressing a demon that had possessed him. He had been bearing all the grievances in his heart.

Things got better in his third year. It was because Jiang Weiwei was too lazy to even scold him. Haha...

Chen Hao remembered everything she had done and said to him. He never mentioned it but it didn't mean that he had forgotten.

"Hmph! So you really are a poor loser! Stop wasting my daughter's time. You better get out now!"

Zheng Yue's mother was trembling in anger. Suddenly, she grabbed a cup of hot tea from the table and splashed it on Chen Hao's face...????????
