

I Am Born With A Silver Spoon Chapter 158

Han Siyu's style today was different compared to the past. In the past, she would pick the style of an elegant young lady, in which a hint of charm could be seen underneath her warm and gentle disposition. However, she was more inclined toward a mature style currently, even to the point of dressing up as a young married woman.

To be honest, Han Siyu was already a pretty young lady, but she was looking exceptionally attractive with her current style.

Chen Hao for one, was stunned by her appearance.

On the other hand, Han Siyu did not expect her career to be that smooth-sailing.

Sometimes, it was really a matter of opportunity.

If it wasn't for Ordinary Guy, Han Siyu would still be working as a small, unknown anchor.

However, within the span of a few months, she had undergone a huge transformation.

It was so cool to be admired by so many people.

In addition to that, once a person reached a certain level, their personality would undergo a change. The current Han Siyu was a colder person compared to before.

In the past, Han Siyu would welcome her fans with a smiling face whenever they greeted her. Currently, she did not bother to do that anymore.

She opened the door and let the students in.

Then, she crossed her arms and said, "Is everybody here yet? If everyone is here, then Blondie will assign a job to everyone. It is imperative that all of you help me clean this studio today so that the opening ceremony tomorrow won't be delayed. Other than that, the expenses for tonight's Imperial KTV is on me. Just order whatever you guys want to eat or drink."

"Hooray!"

All the students shouted excitedly.

Although Han Siyu was proud of her achievements, it made some people jealous. However, she had the ability to do that because she was able to make Ordinary Guy buy the entire live streaming platform just for her. Who else could be as lucky as her?

Hence, although they were jealous, it did not bubble over to the point of hatred.

Moreover, everybody loved to hang out, especially in a place like Jin Ling Commercial Street.

The moment everybody heard that they could order whatever they wanted in Imperial KTV, they were all thrilled.

Blondie loved to use his position to bully others, hence he was the most delighted of them all.

He loved to take advantage of a situation. Currently, he had managed to curry favor with Han Siyu, and that made him the second-in-command in class.

So, Blondie carried out Han Siyu's orders meticulously, just like what he would do for his own family.

He distributed the jobs in an orderly manner.

Some of the students did not want to help her out. However, that would mean that they were indirectly disrespecting her. It wasn't worth it to offend her like that, so they cooperated.

"What the f*ck! How could I forget about the toilets? I need to find a person to clean the toilets as well."

After assigning all the jobs, Blondie scratched his head and frowned.

"Huh? Blondie, we do not want to clean the toilets. We are happy with our jobs of scrubbing the floors."

Some of the guys in class were afraid that they would be chosen to clean the toilets, hence they quickly gave Blondie a cigarette.

Blondie laughed heartily and took it from them. He did not want to offend anybody in class, but there was one guy that he didn't mind offending.

"Chen Hao, I choose you then. Don't clean the windows anymore. The toilets are all yours. You can have your own little world there all to yourself. I will inspect the toilets after you are done. Haha!" said Blondie as he pointed at Chen Hao who was squeezing the rag cloth.

Pfft! All the students laughed out loud.

"Yes! It should be Chen Hao! He is the best cleaner amongst us. We should give him the job of cleaning the toilets as there isn't a more suitable candidate than him."

"Yes, Chen Hao is the best man for the job!"

All the students chimed in unison.

Chen Hao had not wanted to clean the windows for Han Siyu in the first place. F*ck, she was the one who wanted to hold the opening ceremony, so why did he have to do her dirty work? Where was the logic behind this?

However, since Yang Hui and his roommates did not say anything, and since he wasn't a troublemaker, he decided to clean the toilets.

However, it was obvious that Blondie was bullying him intentionally.

Blondie did not want to offend the other students, but he wasn't afraid to offend Chen Hao. Didn't that mean that he looked down upon him? Hence, on second thought, Chen Hao really wanted to refuse the job.

“Why are you still standing there? You should go and clean the toilets since Blondie has already ordered you to do so. If not, you won’t have anything to eat tonight! Hahaha!” At this moment, a female student who had been following Han Siyu around started ridiculing Chen Hao along with Blondie.

“What the f*ck are you trying to say? How dare you ask Chen Hao to clean the toilets?” said Li Rui agitatedly as he threw down the rag cloth in his hands.

After Yang Hui and Chen Hao helped him out last time, Li Rui considered them to be more precious than his life.

Besides, although Li Rui and Yang Hui did not know Chen Hao’s true powers, they knew that Chen Hao was definitely a powerful person. He could do anything he wanted.

Naturally, he was unwilling to accept the ridicules of the crowd toward Chen Hao.

“Li Rui, Yang Hui, what’s wrong with you guys? Tomorrow is the opening ceremony of Siyu’s studio. I don’t care if you are not helping out, but don’t you dare cause trouble!”

That female student crossed her arms and sneered.

“How dare you?”

“It’s ok, Li Rui and Yang Hui. Calm down, I will go now.” Chen Hao laughed bitterly.

Naturally, it wasn’t worth it if Li Rui and Yang Hui offended them because of him.

It also wasn’t worth it to reveal his identity just to make them look like a fool. It was mainly because he thought that this method was just too old-fashioned.

Anyway, what did he stand to gain from it?

Haha!

So, Chen Hao would rather turn the big problems into smaller ones, and the smaller problems into nothing.

So, he went to clean the toilets immediately.

On the other hand, Han Siyu merely looked on indifferently at the conflict that nearly happened.

When Chen Hao walked past her, she didn’t even bother to lift her eyes to look at him.

So, just like that, Chen Hao started to clean the toilets.

They could continue with their ruckus outside as Chen Hao felt that it was more peaceful cleaning the toilets all by himself

At this moment, Li Zhenguo gave him a call.

He told Chen Hao that the matter with Xu Dayuan was resolved and that Xu Dayuan had all his four limbs broken. It was estimated that he would need to spend several months lying on the hospital bed. Moreover, Xu Dayuan did not dare tell Xu Haishan about this matter.

Why was that so?

It was because Li Zhenguo had evidence of Xu Dayuan falsifying his cousin's company's accounts to launder money.

Anyway, he wouldn't be able to stir up any more trouble for the time being.

Chen Hao heaved a sigh of relief and told Tang Wan the good news.

Naturally, he did not tell her that it was all his doing. He only told her that Haishan Real Estate Group had gotten into a fight with the Jin Ling Commercial Group and that Xu Dayuan was beaten up quite badly. He told her to put her mind at ease and not to worry about it anymore.

The moment he hung up the phone, the toilet doors were pushed open suddenly.

Then, he saw Han Siyu walking in with a dark look on her face. She was currently on the phone with somebody.

"Are you out of your mind? Are you done with your antics yet? I told you that I will never meet you. And why should I? Just who do you think you are?"

"Haha, do you think you are my patron? All you did was give me eighty or ninety thousand. Fine then, if it doesn't work out, just give me your account number and I will return all the money to you. In fact, I will return 100,000 to you. Get lost from my sight. How dare you pretend to be a patron in front of me? Nobody on the Extraordinary platform has heard of your name before. Get lost, you idiot!" Han Siyu was so angry that she hung up the call immediately.

At this moment, Du Yue, the female student who always accompanied Han Siyu everywhere she went, followed her in as well. She was a disgusting, materialistic girl.

"Siyu, is Jiu Jiang harassing you again?" asked Du Yue.

"Yes, he even said that he would pick me up from college and bring me out for a drink. Damn it, just who does he think he is?" said Han Siyu angrily.

"Jiu Jiang? Isn't he the guy who paid special attention to you during your live broadcasting sessions? He did give you a lot of presents during the PK match last time. Besides, didn't he transfer a lot of money to your WeChat account privately?"

At this moment, Chen Hao who was cleaning the toilets chimed in.

Chen Hao had some impression of Jiu Jiang because Han Siyu only had two patrons at that time. One of them was him, and the other one was Jiu Jiang.

He felt that Jiu Jiang loved Han Siyu more than he did. That was because Han Siyu told him before on WeChat that Jiu Jiang was probably pursuing her and that he was constantly sending her money. However, she had refused to accept a single cent.

She had even sent Chen Hao a screenshot of their conversations. Why did she need to do that?

It was because Han Siyu wanted to prove to Chen Hao that she wasn't interested in any other man other than him.

However, after Chen Hao heard Han Siyu cursing Jiu Jiang behind his back, he felt that she was going a little overboard, hence he couldn't help but chime in.

"So what if he did? That person really should look at himself in the mirror first before asking Siyu out. Don't you think he deserves to be scolded? By the way, Chen Hao, how do you know so damn much about Siyu's live streaming? I can't believe that a poor loser like you actually watches a livestream!" exclaimed Du Yue in surprise.

Even Han Siyu glanced at Chen Hao in surprise and suspicion.

Of course, she wasn't surprised at the fact that Chen Hao watched her live streaming sessions. She wouldn't be surprised at all even if Chen Hao masturbated while watching her.

She was actually surprised by Chen Hao's last sentence.

"How did you know that Jiu Jiang was sending me money in private?" asked Han Siyu while staring fixedly at Chen Hao.
