

## I Am Born With A Silver Spoon Chapter 192

From afar, a white Audi A4L sped toward them and screeched to a stop in front of everyone. The windows rolled down, and stepping down from the car was a fashionably dressed boy who looked rich.

“Wang Liang, you’re here. Wait, why are you by yourself? Where are your friends?”

Li Mei asked.

“Oh, them? I told them to reserve the hotel in advance. After I picked up the aunts, we could go sit in the hotel, have lunch and go out afterward!”

Wang Liang said and at this moment, his eyes brightened as he saw Zhao Yifan and Lin Jiao who stood behind Xu Xia.

“Hello gorgeous ladies, are you two Xu Xia’s friends? How will you guys get there?”

Wang Liang asked.

“We were just discussing this. Yang Hui doesn’t have a car so he needs to take a cab to pick up Xu Xia’s mother,” Li Mei said hurriedly.

“Oh, if that’s the case, three more people could fit in my car, why don’t Xu Xia and you beauties hop on?”

Wang Liang as well thought that Zhao Yifan and Lin Jiao were pretty indeed.

So he wanted to please them.

But before Xu Xia and the rest could speak, Li Mei vied. “Hmph, if the car is full, how can I pick up my mother? Moreover, two of my roommates are coming as well!”

Li Mei felt sour when Wang Liang stared at the two girls.

Hence, her attitude was far from nice.

“It’s alright, Li Mei. We can just take a taxi!”

Xu Xia didn’t want Li Mei to argue with Wang Liang because of her, and so she interposed.

“Alright, we could go to the station first. There’s still plenty of time for you guys to take a taxi. Then we can go to the restaurant that Wang Liang reserved. Since most of us are here now, how about we pay for ourselves later?”

Li Mei asked.

“No problem!”

Xu Xia nodded. At this moment, she started to feel a bit competitive.

Once Li Mei’s roommates had arrived, they hopped on Wang Liang’s car and left.

As for Chen Hao and the others, they waited until the taxi arrived and prepared to head to the station.

“Ha, look how smug she is when her boyfriend is driving an Audi A4L. Our Yifan only needs to make one call to get Young Master Zhao here!”

Lin Jiao laughed bitterly.

“Jiaojiao, what are you talking about? I haven’t contacted Young Master Zhao for a long time!”

Zhao Yifan eyed Chen Hao and said embarrassedly.

“Ah, that’s true. I heard Young Master Zhao’s father had only been here for a while before the industry of Jin Ling Commercial Group had all been auctioned off. It’s a shame that such a large commercial group disbanded just like that! But a starving camel is still bigger than a horse; if Young Master Zhao would come, there would be no problem teaching Wang Liang and Li Mei a lesson!”

Lin Jiao said.

What Lin Jiao was talking about was also the reason why Zhao Yifan was a bit cold to Chen Hao.

Jin Ling Commercial Group belonged to Young Master Chen. Zhao Yifan used to be uncertain on whether Chen Hao was Young Master Chen, but she had made up her mind to follow Chen Hao.

But sadly, something like that happened to Jin Ling Commercial Group.

Furthermore, Zhao Yifan didn’t completely believe all along that Chen Hao would be the great Young Master Chen.

So her attitude was less than enthusiastic.

However, Zhao Yifan still stressed on how she would be perceived in Chen Hao’s eyes. It had been a while since she had contacted Young Master Zhao, but Lin Jiao’s words made her seem like there was still unfinished business between them.

What if Chen Hao was mistaken about their relationship?

No matter what, Chen Hao was rich after all.

Meanwhile, Chen Hao had the air of indifference.

He didn’t bother initiating any conversation.

Just like that, the group headed to the station.

It was ten in the morning.

The high-speed train to Jin Ling had arrived.

“Mrs. Xu, I heard from our Mei that your daughter has a boyfriend too. I was too embarrassed to ask back then on the train. What business is his family in? Is he rich?”

Two pretty women left the station together.

They were both nearly forty but they dressed as if they were in their thirties.

They were quite fashionable.

“Xu Xia won’t tell me the specifics. I felt quite worried myself so I came to take a look. Besides, my daughter has her standards so her boyfriend wouldn’t be too bad. After all, Xu Xia had such good grades and won scholarships every year!”

Mrs. Xu replied.

Mrs. Li’s expression was a bit distorted.

To be fair, her daughter was pretty, but so was Xu Xia. Moreover, she had often met Xu Xia and was aware of her excellent academic results as well as her nice personality.

She was indeed better than her daughter.

And so, her boyfriend should be excellent as well.

Mrs. Li knew she could not compete against Xu Xia’s mother so she said, preparing her in advance, “You’re right. Xu Xia’s boyfriend should be better than Mei’s! My child has always come in second to Xu Xia!”

When she raised her head, she saw that Li Mei and Xu Xia were already waiting outside the railway station.

“Mom, was it a smooth journey? Let me introduce my boyfriend, Wang Liang, to you!”

“Hi, Aunt Li. I’m Wang Liang. Let me help you with your luggage. Please, do get in the car!”

Wang Liang was quite observant, and took over Mrs. Li’s luggage and ushered her into the car.

“Wow, Wang Liang, is this your car?”

Looking at the car keys in Wang Liang’s hand, Li Mei’s mother asked in surprise.

“Yes, I just got it last month!”

Wang Liang smiled.

Then, Mrs. Li turned to look at Mrs. Xu.

“Mom, get in the car. Let’s go to the restaurant!”

Xu Xia smiled.

“Huh, why is there a driver inside the car. Is he Yang Hui’s driver?”

Mrs. Xu was quite surprised that Mrs. Li's future son-in-law drove an Audi A4L.

Meanwhile, her son-in-law came with two Magotans. It looked nice but it seemed that there was a driver.

Could it be Yang Hui's driver?

But looking at Yang Hui, he didn't seem like a rich heir.

"Hello? Are you leaving or not? Quickly! I still have work to do!"

A driver said impatiently.

"Um..."

Mrs. Xu and Mrs. Li froze.

"Mom, this is the taxi we called!"

Xu Xia's expression turned ugly.

Yang Hui bowed his head in embarrassment.

"What? You called a taxi? Ahem, I thought he was Yang's driver..."

Mrs. Li was ecstatic.

"Mom, get in the car first. Yang Hui, you sit shotgun!"

Xu Xia knew it would be very embarrassing to stay here and wanted to leave first.

"What shotgun? Tell him to sit in the car behind!"

Mrs. Xu eyed Yang Hui coldly and got in the car huffily.

And they finally left.

"I'm screwed. Totally screwed!"

Sitting next to Chen Hao in the other car, Yang Hui grasped his hair painfully.

Chen Hao patted Yang Hui's shoulder, feeling bad for him. He smiled.

"Don't be sad. You're marrying Xu Xia, not her mother. Besides, you have Li Rui and I. Don't worry!"

"Alright, Chen. One way or another, you have to help me out today!"

Yang Hui really didn't know what to do.

Chen Hao nodded his head and didn't say anything more.

Soon, they arrived at the restaurant. When she knew that her future son-in-law reserved the restaurant, Mrs. Li was exhilarated.

Mrs. Xu, on the other hand, had dampened spirits and felt her reputation was ruined.

“Li, sorry to keep you guys waiting. The aunts have arrived and Li Mei’s classmates are here as well!”

When they entered a luxurious private room, Wang Liang took the lead and introduced everyone.

“Mrs. Li, these are my friends. This is Li, our dorm leader. His family owns a listed company and he is extremely generous to us!”

“Good, good. Hello!”

Mrs. Li smiled merrily as soon as she heard that her future son-in-law knew someone so great.

That dorm leader Li had greeted Xu Xia and the others after greeting Mrs. Li.

But while Li was being introduced by Wang Liang as he shook hands with Yang Hui and the others, he paused in front of Chen Hao.

“Chen Hao?”

This Li exclaimed in surprise.

Chen Hao was shocked as well, damn... enemies were really bound to meet.

“Li Yue, I didn’t expect to see you here!”
