

## I Am Born With A Silver Spoon Chapter 217

“Young Master Liu...”

Li Chao could not help but murmur. A while ago he was showing off the watch on his hand and acting all high and mighty. However, now he immediately stood up with his back straight like a naughty student that suddenly saw his teacher.

“Li Chao, which Young Master Liu are you talking about?”

Just then, the girl next to Li Chao curiously asked.

“Who else could it be? He is Liu Li, from the Liu Family mining business of Ping An County. He is the true son of a wealthy tycoon.”

“So that’s him!”

“I did not expect him to be rather handsome in person!”

At this moment, Li Mingxue, Su Li and a few other girls stared in admiration at Young Master Liu Li who had become the centre of their attention.

The other guys also dared not breathe too loudly, let alone the cashier. She quickly stood up straight and tried her best to force out her most professional smile.

There were four to five people with Liu Li. They walked in proudly and did not even glance at Chen Hao and his friends. They skipped the queue and walked directly to the counter.

“Get me the bill!”

Liu Li coldly said.

“Alright, Young Master Liu. Your total is 7888. You will be given a 70% discount, Young Master Liu!” the cashier said while smiling.

Not only that, she also did not forget to display her cleavage while speaking.

Who knew if her good looks could capture the attention of Young Master Liu?

“Haha, do I look like I need a discount? Checkout with the original price!”

Upon saying that, Liu Li threw a stack of cash onto the counter.

“Yes, Young Master Liu. May I know what kind of free gift you want? We will give you one as well!” the cashier respectfully said.

“Enough nonsense! Hurry up and get me the receipt!”

“Damn! So this is Young Master Liu? He is so domineering!”

The girl next to Li Chao was deeply attracted.

Even Li Mingxue and Su Li could not help but stare in admiration.

They sighed. If only I could have a boyfriend that was so domineering as well.

“Hey, hey, hey, shouldn’t you all line up and queue behind us? We were here first and we are still waiting for our bill. Why do you have the privilege of skipping the queue and checking out first!”

Zhao Tongtong was already pissed at Chen Hao and Chen Hao’s high school classmates.

As such, she could no longer suppress her anger and bursted out upon seeing that someone had cut in front of her.

“Exactly, man. First come first serve. Look, I have been here for such a long time!”

Chen Hao did not expect to bump into Liu Li here. He could tell that the wounds on Liu Li’s face were still there.

After all, Liu Li was beaten up pretty badly that day.

However, only one or two days had passed and he dared to resume partying and drinking again.

He gave a bitter smile.

The cashier snorted. “Shut up, who do you think you are? Young Master Liu is here so move aside and wait!”

The cashier’s bad temper also surfaced.

She rolled her eyes at Chen Hao.

“Damn, such a stupid person. Does he not know who Young Master Liu is? Furthermore, it’s obvious that Young Master Liu is not in a good mood. This Chen Hao, is he trying to piss him off further!” Li Chao sneered and watched on from the side.

Chen Hao on the other hand, was furious that the cashier mocked him and yet Liu Li stood there as if he did not hear what Chen Hao said.

Therefore, Chen Hao lifted up his foot and kicked hard at Liu Li’s buttock. With a loud bang, Liu Li fell on the floor.

Liu Li howled in pain. The wounds on his body ached again.

“F\*ck! Do you want to die?”

Liu Li hit his hand hard on the counter.

Li Chao and the others were all dumbfounded. Chen Hao actually dared to hit Young Master Liu?

Just as Li Chao thought that Chen Hao was going to be beaten up and sent to the hospital, things took a different turn.

Instead, Liu Li who was about to lay his hands on Chen Hao stopped with his fists frozen in mid-air.

“Chen Hao?”

Liu Li was stunned.

Isn't this person in front of me Chen Hao, Young Master Chen, who ordered his henchmen to beat me up in the KTV two days ago?

Not only that, the group of people that beat me up were very skilled.

They threw and smashed multiple things at Liu Li which damaged him badly but there were barely any physical wounds on him.

Furthermore, that was not the end of the story. Later that night, his father was also brought out for a talk by a group of people.

Just as Liu Li thought that his father would seek revenge, his father actually came back hopping and leaping in excitement like an obedient boy.

His father even said that it was worth getting beaten up.

Not only that, his father informed him that it was not any other person that beat him up. In fact, Chen Hao was Young Master Chen of Jin Ling City, the heir to an extremely wealthy family who kept a very low profile.

Liu Li gasped upon hearing that.

He had almost gotten himself into deep trouble.

However, he also thought that despite being beaten up it was worth it as his family business got a small portion of the investment.

Thus, the exact moment he saw Chen Hao, he was astonished, excited yet afraid at the same time.

“Chen Hao, you are also here for a meal?”

Liu Li grinned while holding his buttocks.

Li Chao and the others looking on were bewildered.

What? Liu Li actually knows Chen Hao and the way he addressed Chen Hao was as if they are pretty close?

How could that be possible!

“Yes, if I had not chosen to dine here, how could I have bumped into you cutting queues?”

Chen Hao casually smiled.

I must have been too kind and not harsh enough with my beating that day.

“Oh no! It was mainly due to the fact that my father invested a certain amount in this shop so I was used to it, haha! Don't worry, I will treat you this time around! Every time you drop by to eat here, it will all be free. I will settle all your bills!”

Liu Li said while rubbing his palms together.

“Forget it. This cashier refused to give me any discounts or any promotional gifts. I guess this would be the last time I come to visit this shop!” Chen Hao smiled and said.

“What? Alright, Chen Hao, give me a minute!”

Liu Li glared fiercely at the cashier who was already dumbfounded.

Liu Li clearly understood that this cashier offended Chen Hao.

“Young Master Liu, he is your friend?”

The cashier finally realized her mistake and got scared. Why did I agree to Li Chao's demand and made things difficult for Chen Hao?

It was because Li Chao's family had connections within the Public Health Bureau.

Furthermore, Chen Hao looked like a poor loser thus the cashier did not think twice as well.

Yet, ironically this loser actually knew Young Master Liu!

A loud slap could be heard as Liu Li lifted his hand and gave a hard slap on the cashier's face. He scolded, “How dare you act snobbishly toward a customer? Brother Chen came here for a meal, is he not a customer? You dare to bully him? Go and submit your resignation letter to your manager!”

“Y-Yes!”

The cashier covered her face that had turned red and glared at Li Chao.

Li Chao panicked and hurriedly left the shop right away as if he was just a passerby.

Li Chao gritted his teeth and regretted his actions deeply. However, he could only swallow those regrets.

Chen Hao on the other hand only spoke to Liu Li as a formality and left soon after with Qin Ya and the others.

After all, Liu Li was just a good-for-nothing wealthy descendant and was not a good person as well. Chen Hao had no intentions of getting too close to him.

After Chen Hao and his group left, Li Chao and the others were still staring on from afar.

Li Chao and the others wanted to watch Chen Hao be humiliated yet they were the ones that were humiliated.

Especially Li Chao whose expression was extremely sour.

“Chen Hao actually knew Liu Li!”

Su Li was in shock and her impression of Chen Hao immediately changed.

Li Chao snorted. “Liu Li was just being polite. Didn’t you all see that Chen Hao eventually paid for everything himself? It was just a matter of showing respect. Why would someone of Young Master Liu’s calibre look up to someone like Chen Hao!”

Li Chao was extremely jealous.

Chen Hao on the other hand managed to come up with excuses to brush off the incident with Liu Li.

The group of them then returned back to the hotel.

“Damn! Chen Hao actually stays in such a fancy hotel?”

Zhao Tongtong and the rest of them had not entered the hotel before this. Thus, when they realized that Chen Hao actually stayed here, her younger cousin was immediately shocked.

Furthermore, Chen Hao had spent so much on treating them to a meal just now. He also knew a lot of people which surprised Zhao Tongtong’s distant relatives.

At first, there were a few guys that planned on courting Qin Ya.

However, they were not even comparable to Chen Hao!

Chen Hao casually placed his phone down and left to wash some fruits for them.

“Oh my, Tongtong, take a look at Chen Hao’s phone!”

Her younger cousin picked up Chen Hao’s phone from the coffee table in surprise.

Zhao Tongtong was also shocked. Oh sh\*t! This phone costs around twenty thousand. Chen Hao uses this phone?

Just then, Chen Hao’s phone suddenly rang.

“Beloved Su Tongxin? Who is she?” Chen Hao’s younger cousin saw the contact name and was stunned.☹
