

I Am Born With A Silver Spoon Chapter 285

“Hmph! I don’t care who she is! Of course I slapped her! She spilled soup on me! She’s just a little waitress, so what’s the big deal?” Lin Yue retorted.

Of course Lin Yue dared to make a scene in the restaurant because she knew Yu Qiang, who had a powerful connection, would cover her back. She had been feeling very depressed watching Wang Min stealing the limelight since the morning. And now, a lobby manager was snapping at her when she simply taught the waitress who spilled soup on her a little lesson! What the heck? Lin Yue was in rage.

“Jun Yue, don’t cry. I’m calling Manager Wang now. We’ll let your father deal with it!”

The father of Wang Junyue was the manager of the scenic zone’s Foreign Investment Department. He was also the chief planner for events in the scenic zone. Since he was sent here from Jin Ling, he was quite an influential man who was more powerful than the managers in the scenic zone itself.

Wang Junyue wanted to gain some working experience by becoming a waitress here at the restaurant as a part-timer during her free summer holiday. She even had to beg her father for the job. But unfortunately, she got slapped on her first day at work.

“Go ahead! Just make your calls! I’ve got Qiang on my back! I’m not afraid of you guys!” Lin Yue wrapped her arms around Yu Qiang’s arm.

Everyone looked at Yu Qiang; Yu Qiang took pride in himself especially when he knew that Lin Yue was being unreasonable due to his influence.

So, Yu Qiang stood up coldly and said, “Well, looks like the restaurant has some powerful backups. Very well then, I’ll see who that person is! Lin Yue, don’t be afraid! I’m sure I can settle everything with just a simple call!”

The staff in the restaurant continued making their calls while Lin Yue kept rattling on in anger.

Soon, three black Audi A6 arrived at the entrance of the restaurant.

“Damn! Who the hell slapped my daughter? You must be tired of living!” A middle-aged man in a suit marched in with about seven to eight people following behind him; they looked extraordinarily fierce like someone with a mafia background.

Looking at those people, Lin Yue was frightened and she turned to Yu Qiang for help.

“President Wang, it was her who slapped Jun Yue!” the lobby manager said, pointing at Lin Yue.

“Damn! How dare you slap Jun Yue! Grab her!” President Wang waved his hand and his bodyguard was about to make a move when Yu Qiang stood up and walked toward him. “Well, you must be Manager Wang. I’m afraid we have a misunderstanding here. How about I give Assistant Manager Wang a call? It was the manager of the scenic zone who let us in here. I suppose you don’t want any trouble here, do you?” Yu Qiang said in a diplomatic tone.

Yu Qiang thought that he had a powerful backup; he wanted to know what Manager Wang had to say after he had introduced his connection.

“Goddammit! Li and Wang are both nothing to me! How dare you use them to threaten me? Open your goddamn eyes and see!”

Smack! Manager Wang raised his hand and slapped Yu Qiang’s face; it was a slap hard enough to make Yu Qiang stumble.

“Yu Qiang!”

“Qiang!”

Both Wang Min and Lin Yue called out to Yu Qiang simultaneously.

“Hmph! I wonder why these people are so arrogant. They think that the scenic zone is under the control of Manager Li and Assistant Manager Wang. But what they don’t know is that both of them still need to listen and take orders from you, President Wang!” the lobby manager sneered.

“What?” Yu Qiang, who was about to retaliate, was stunned when he heard the lobby manager’s words. Assistant Manager Wang also needs to take orders from him?

Suddenly, Lin Yue screamed as two bodyguards came over and pulled her hair, then slapped her repeatedly; the restaurant was in chaos.

“Let me tell you something. Things are not over yet because you people bullied my daughter today. I’ll make sure all of you pay for what you did! No one will escape!” Manager Wang said, his eyes turned red in fury. He was extremely angry as his precious daughter was bullied on her first day at work.

It was unbelievable that a lunch would turn out to be a chaos like this; even innocent people like Wu Qian were not spared.

“Manager Wang, we are not the ones who slapped your daughter!” Wang Hao said in panic.

The bodyguards beat them up badly.

Wang Min, who was older than Chen Hao and his friends, was frightened by the bodyguards too.

Chen Hao remained seated and watched the mayhem before him calmly. Well, I’m not a saint, so I’ve no obligation to help everyone who’s in trouble, especially the two strangers like Lin Yue and Yu Qiang. Besides, Lin Yue had always been looking down on me. Plus, it serves her for being such an arrogant, rude and spoiled brat, Chen Hao thought to himself while feeling that Manager Wang looked rather familiar.

Wu Qian was about to get beaten up by the bodyguards when a team of people dashed into the restaurant; they were the staff of the scenic zone.

“President Wang, please stop it! Stop hitting them! Stop it!” a leading female staff shouted, bringing with her a bunch of people who dashed into the restaurant together behind her.

She was the female attendant from the ticketing counter earlier, who seemed to be one of the lesser leaders of the scenic area; her face was full of anxiety.

“Humph! Liu, it’s you. What’s the matter? Why can’t I continue?” Manager Wang asked angrily.

The female attendant rushed toward Manager Wang, then she whispered a few words in his ear and Manager Wang's face grew paler and paler... "What did you say? It was the big boss who made the arrangements for them to enter the scenic zone?"

"Yes, President Wang. The security guard told me that the VIP had some kind of troubles here. That's why I came here as soon as possible," the female attendant explained while nodding her head.

Manager Wang gasped in fear.

The female attendant had related the whole matter to him clearly. Initially, the group could not get the tickets to enter the zone. Then, the group leader, Yu Qiang called his father to help them enter the zone. Yu Qiang's father then called her to let those people in, but since she had to follow the rules, she did not agree to let them in. However, she received a call from Manager Li who told her that he received a call from the General Manager, Li Zhenguo's right-hand man, saying that those people were VIP's. Now, even Manager Li and Assistant Manager Wang were rushing back from their business procurement trip.

Manager Wang was very worried and confused with the situation after listening to the female attendant, so much so that he broke out in a cold sweat. He looked apologetically at Yu Qiang on the ground.

"Well, Young Master, why didn't you say it clearly just now? You should have told me that it was that Manager Li who arranged your trip here."

From Manager Wang's point of view, a big boss like the General Manager, Li Zhenguo, was a very different man from the unimportant Manager Li from the scenic zone. Manager Wang could only smile friendly, but extremely fearfully at Yu Qiang.

The bodyguards realized their mistakes and took a step back nervously. A 180-degree change occurred at the scene; suddenly, Yu Qiang and his group turned the tables on Manager Wang and his bodyguards.

Wang Min was even more surprised by Yu Qiang. "Oh my! Who is he actually to be so influential?"

Wu Qian was ecstatic for having survived the chaos; she thought that Yu Qiang was awesome!

Lin Yue's eyes simply widened with surprise. She then burst into laughter. "Ha! Idiots! How dare you hit me? Go to hell you idiots!"

Lin Yue stood up immediately and slapped the bodyguards across their face several times. Smack! Smack! Smack! Nothing made Lin Yue more pleased than having the opportunity to avenge herself, even though she was slapped before, all thanks to Yu Qiang's incredible influence.

"Young Master Yu, may I ask who your father is?" Manager Wang asked fearfully.

"Hmph! My father is Yu Delong. He and my mother are people from the Ping An County's government bureau. They knew Assistant Manager Wang here!" Yu Qiang said arrogantly.

Hmmm... I know about Li Zhenguo's social network. But who is this Yu Delong to Li Zhenguo? Why would Li Zhenguo do him a favor? It doesn't sound right, Manager Wang wondered curiously.

“Hmph! So now you are afraid. You gave me a slap just now. I’d like to settle the score with you right now!” Lin Yue marched menacingly toward Manager Wang.

At the same time, Chen Hao raised from the table with one hand in his pocket and smiled. “Manager Wang Biao, long time no see!”
