

## I Am Born With A Silver Spoon Chapter 348

Overwhelmed by fury, Liu Yuxiang had intended to act more domineering. With one hand tucked into the pocket of his trousers, he planned to teach Yang Yufei a lesson.

However, he did not expect to miss the target.

At that moment, blood was flowing down from his forehead.

The bodyguards were deeply shocked.

None of them moved an inch.

Yang Yufei's face turned pale in an instant.

Things would be complicated now that blood was shed, especially so as it happened in Chengdu.

"Don't let that girl go! She had beaten Young Master Liu!"

One of the bodyguards shouted while pointing at Hu Huimin.

"I-I didn't!"

Hu Huimin was bewildered. She just wanted to stop them from fighting and did not get physical. However, the bodyguards had already deemed her as the assailant.

The resort staff immediately came over to disperse the onlookers after knowing about this incident.

Medical personnel were sent over to attend to Liu Yuxiang's wounds.

Meanwhile, the resort manager was present at the scene to conduct mediation.

Within seconds, only a few people were left at the scene.

As Wang Wen, Chen Hao and the rest were seen as Hu Huimin's friends, they were not allowed to leave.

"Young Master Liu, we will send you to the nearest hospital to wrap up your wounds."

"Don't let them go!"

Covering his head, Liu Yuxiang was lifted onto a stretcher by the medical personnel.

He shouted at the top of his lungs angrily.

"I didn't do anything. Why am I not allowed to go?!"

Hu Huimin exclaimed furiously. Isn't Liu Yuxiang being too unreasonable?

At that moment, she looked like she was about to leave.

“Miss, I’m afraid all of you would have to stay here until the whole matter is resolved. If you all were to leave like this, we would be held accountable by the Liu family.”

“I am an eyewitness. She didn’t attack him just now, she merely pulled me away from him!”

Yang Yufei nodded subtly at Hu Huimin in appreciation before talking to the manager.

“Miss Yang, we really can’t do anything about this. However, our resort will prevent similar incidents in the future by all means. As to the outcome of this incident, it would be up to the Liu family to decide,” said the manager helplessly.

Although the incident happened within the area of the resort, it was not within the manager’s capability to make decisions.

Wang Jian, who was standing beside them, was so shaken that his forehead was covered with beads of cold sweat. Judging from Liu Yuxiang’s look, Wang Jian reckoned he had never suffered losses in his whole life.

This time around, his head was injured.

Also, he had already accused Hu Huimin of assaulting him.

Moreover, Wang Jian was here together with Hu Huimin. Surely, any enmity would be directed toward him as well.

His family could not afford to offend the Liu family.

Wang Jian was so panic-stricken that he stuttered while talking to his father over the phone.

As for Wang Wen, she broke into tears immediately as she had never encountered such a mess in her whole life before.

After all, she was just a fresh graduate who barely started her career.

She had never come across so many big shots in her daily life.

Obviously, she knew about the Liu family too.

Naturally, she was terrified as to what lied ahead of them.

Even Liang Meng looked like he was on the verge of crying out of fear while talking to his father over the phone as well.

“Don’t worry! After all, you guys never really assaulted him. I will settle everything!”

Yang Yufei supposed that they were all in their early twenties and looked like they had just graduated.

Now, they were involved in this mess because of her.

Therefore, she would feel bad if they were left to shoulder the responsibility themselves.

Most importantly, Yang Yufei knew that Hu Huimin did not do anything.

Hence, she tried to dispel their worry so that they could be less fearful of what was lying ahead of them.

On the outside, she looked undaunted.

To be frank, she was feeling worried deep down inside.

After she spoke, she immediately gave a call to her company and narrated the whole incident.

“Ah? Alright, I understand!”

After ending the conversation, her face turned bleak.

“How was it, Yufei?”

Hu Huimin asked in an anguish tone.

The rest of them surrounded Yang Yufei inquisitively too.

Yang Yufei shook her head and said, “The staff over at my company were trying hard to come up with a solution. They had informed Zhu Ming, Director Zhu already. However, the company is worried that even Director Zhu would not be able to contain this as Liu Yuxiang had suffered quite a serious injury this time. After all, it’s unlikely for Director Zhu to have a fall-out with the Liu family over me since I’m merely an actress in his company. Although Liu Yuxiang is the one who instigated this, he was the one who got injured in the end. Hence, this matter will be a hard nut to crack!”

Yang Yufei, too, started to get concerned.

Zhu Ming would be able to resolve this matter if Liu Yuxiang was not injured. However, it was a completely different case now.

Also, Zhu Ming would rather not disturb the parent company, Chen’s Group, over this matter. Otherwise, he would have no choice but to resign.

Therefore, no one would be willing to take over this hot potato over a celebrity and a few of her fans. This had turned into an awkward situation.

“T-Then, what now?”

Wang Wen said in between sobs.

“Don’t you guys panic, I would have to rely on my own connections now. Miss Liang, do you have any idea who we can turn to?”

Yang Yufei asked her manager, Miss Liang.

After a brief pause, Miss Liang stated, “Other than celebrities, we could probably turn to this person. Your problem would be solved at once if he is willing to help you!”

“Ah? Who’s it?”

Yang Yufei probed immediately.

“It’s Huang Yonghao, Young Master Huang. He asked for your contact number after your performance for that massive party he organized. Didn’t he say that you are welcomed to look for him regarding any problems?”

“Ah! Huang Yonghao. Is he the rich Young Master Huang Yonghao from Suzhou?”

Obviously, Hu Huimin and the rest had heard about Huang Yonghao. They exchanged looks among themselves, looking joyous. It would be best if Young Master Huang was willing to help!

“That’s the only way to go. Young Master Huang acquainted with many big shots. Your performance last time was actually specially prepared for a mysterious rich guy. Therefore, I am sure the young master has various means to help you. With a call, he would be able to solve everything!”

“Very well, I will give it a try!”

Yang Yufei nodded her head.

She sent a voice call request to Huang Yonghao.

Not long after, the request was accepted.

Feeling surprised, Yang Yufei then elaborated the whole matter to him.

She hung up the phone and said with a smile, “Great, Young Master Huang has promised he would pull some strings and help us solve this matter!”

“Ah!”

Hu Huimin and the rest were overjoyed.

Especially so for Hu Huimin, who had to bear some responsibility herself and could not afford to be impeded by any obstacles.

While waiting for Young Master Huang’s call, Hu Huimin and the rest circled around Yang Yufei.

They then heard her talking about the happenings during the party held by Young Master Huang.

It was the first time in their lives to be able to talk at length with a celebrity. Besides, they had gone through something together with her. All of them were very excited.

As for Chen Hao, he was feeling slightly out of place.

He was even ready to offer his help if Wang Wen and the rest were to encounter any problems.

After all, Yang Yufei was working under his company.

He could not just watch them suffer.

Luckily Yonghao was willing to help, and the results would be the same.

Before long, he received a WeChat message.

It was sent by Huang Yonghao.

“Brother, I need a favor from you! Hehe!”

Chen Hao could not help but force a smile. Although he was almost sure what the favor was, he still asked him as though he knew nothing.

As expected, Huang Yonghao had asked Chen Hao to give Li Zhenguo some instructions to appease the Liu family.

For some matters, Huang Yonghao would turn to Li Zhenguo instead of his own father.

However, he found it embarrassing after asking for his help too many times.

Therefore, he could only turn to Chen Hao.

“Okay then!”

After letting out a forced laugh, Chen Hao told Li Zhenguo everything and the latter immediately started taking action.

After around half an hour.

Yang Yufei, who was anxiously waiting for Young Master Huang’s call, was about to send a message to him for an update.

At that moment, the resort manager approached them.

“Miss Yang, I have something to tell you. Just now, Young Master Liu has decided to let the matter go! All of you are allowed to leave now,” said the manager.

“Very well, thanks!”

Yang Yufei heaved out a sigh of relief.

Wang Wen and Hu Huimin exchanged a joyous glance.

Young Master Huang was really impressive!
