

## I Am Born With A Silver Spoon Chapter 353

Su Tongxin understood well enough by this time.

Chen Xiao's hints were very obvious.

At this moment, Su Tongxin felt her heart squeeze.

She thought everything would be simple, and that she would be with Chen Hao until death parted them.

But now, it seemed impossible.

Back then, Chen Hao hadn't told her everything, so she thought he was just a young master of Jin Ling.

But at the same time, ordinary people would never come close to his true identity and background.

"So Tongxin, after you go back, consider how you want to continue on with Chen Hao!"

Chen Xiao patted her shoulder. "Stay here tonight and I'll send someone to take you back tomorrow. Also, feel free to come to Sky Palace Island in the future! But promise me again Tongxin, don't tell Chen Hao that we met!"

Su Tongxin nodded.

She could tell that Chen Xiao liked her, but Chen Xiao wasn't omnipotent. How this would end depended entirely on what Su Tongxin and Chen Hao did.

Chen Xiao doted on both of them, so she made things clear to Su Tongxin in advance.

Su Tongxin tossed and turned the entire night.

She had wanted to call Chen Hao several times, but it occurred to her that she was always the one who sought help from him.

Up until now, she had never done anything for Chen Hao. He was the giver in this relationship!

For example, she was also relying on Chen Hao in Hong Kong now, or else she couldn't even handle Yang Huali.

To stay with Chen Hao, she had to learn how to be independent. That was how she could help him instead of causing him trouble.

Su Tongxin cautioned herself inwardly...

Meanwhile, Chen Hao had just rolled over on his bed.

He picked up the phone and was about to call Su Tongxin out of habit.

They had not contacted each other for several days now, and he would be lying if he said he didn't miss her.

But then he killed the thought. Su Tongxin might still be angry at him. It might be better if he explained to her in person a few days later in Hong Kong.

He could stay with her for a period of time too.

But he still sent a message, telling Su Tongxin to go to bed early.

Sigh!

Everything was settled. Tomorrow, he would be a transfer student at Chengdu University, and he could investigate that girl.

After the school knew about Chen Hao's true identity, they placed great value on this matter. Of course, Chen Hao requested his transfer to be low-profile and forbade the school from spreading this news. After all, he wasn't really a transfer student.

He was in the same class as Wang Xiaohua.

Wang Xiaohua, who was smart and chubby, was the dirty guide's son.

The next morning, Chen Hao met up with Wang Xiaohua and went to school together.

"Hehe, young master, this is our school! Let me take you around!"

"I'm not a young master, just call me Chen Hao." Chen Hao chuckled resignedly.

"Alright, Young Master Chen Hao!"

Chen Hao was speechless.

Then, they went into the classroom together.

Many students were already in the classroom.

When they saw Wang Xiaohua leading Chen Hao, they immediately knew that Chen Hao was the transfer student that the tutor had mentioned in the chat group this morning.

The tutor was already waiting in the classroom.

"Chen... Chen Hao, your seat has already been arranged. Sit here!" The tutor said.

Chen Hao had already told them that he didn't need special attention. He was only there as a transfer student for a few days.

Though he had said that, the treatment he received was apparently different.

He took a seat that was at the very front.

"Hey tutor, that seat isn't his. It belongs to Liang Fei. Why did you let him sit there?"

Suddenly, a girl stood up and pointed at Chen Hao, expressing her dissatisfaction.

“Xu Yangyang, Chen Hao has just transferred over. How can you say something like that? Let Chen Hao sit here for the time being. When Liang Fei’s competition ends, I’ll arrange another seat for him.”

The tutor smiled helplessly.

“Why?”

Xu Yangyang grew furious and looked at Chen Hao with dislike and anger.

“Xu Yangyang, you’re the monitress, so how can you say something like that? Chen Hao will sit here for now. End of discussion!”

The tutor grinned at Chen Hao and left.

Then, the class began to murmur among themselves.

Most of them said that Chen Hao would have a hard time later on because he had wronged the monitress.

It was normal that every team would have the habit of picking on the newbie.

Be it at school or at work.

So they had an instinctive animosity toward Chen Hao, as if Chen Hao would steal something from them.

But Chen Hao didn’t mind.

His purpose was clear so he didn’t pay attention to these incivilities.

So after he sat down, he didn’t mind Xu Yangyang’s harsh words to him.

When the class ended, Xu Yangyang whispered something to her friends. Then, she eyed Chen Hao and left for the bathroom.

Nearly all of the students were unwilling to speak to Chen Hao.

“Young... Ahem, Chen Hao!”

Only Wang Xiaohua knew that Chen Hao was very rich. If Chen Hao didn’t forbid him to tell others his true identity, Wang Xiaohua would have spoken up when Xu Yangyang was scolding him.

“That monitress is mad, don’t let her bother you!” Wang Xiao Hua explained.

“Ha, it’s alright. Why do you say she’s mad?” Chen Hao asked, laughing bitterly.

“Ahem, she’s easily swayed and she always serves her own interest. No, that isn’t quite right. She doesn’t treat others fairly nor is she selfless. If she’s swayed, she is only swayed by one person. If she’s fair, she’s only fair to one person. As for the others, she looks down upon them and ignores them, for example, me and the other boys in class!” Wang Xiaohua said.

“Oh, don’t tell me that the one in her heart is called Liang Fei?” Chen Hao shook his head helplessly with a smile.

Chen Hao could tell that Xu Yangyang was mad at him for taking Liang Fei’s seat, which was why she scolded him.

“You’re right, it is indeed Liang Fei. Damn, I don’t understand her at all. Liang Fei is rich, but not that rich. He likes to flaunt his wealth. Xu Yangyang has been head over heels for him ever since she was a freshman. She only has eyes for him. Once, her childhood best friend said one bad thing about Liang Fei, and guessed what happened? Xu Yangyang slapped her in the face! Her best friend was so shocked that she froze. So you can see how obsessed she is with Liang Fei. That’s why she treated you like that!”

“It seems like I have to stay away from her!” Chen Hao laughed bitterly.

After all, he came here in search of a person, not trouble.

While he was talking to Wang Xiaohua, Xu Yangyang and her friends had returned...
