

I Am Born With A Silver Spoon Chapter 365

“Who lied to you? I don’t know what you are talking about!” Qin Nuan rebutted with crossed arms.

At this moment, many people in the investment center were looking at them, so Qin Nuan felt even more embarrassed.

“Then what are you doing now?” Wang Xiaohua took a deep breath before asking.

To his dismay, Qin Nuan turned her head to the side and kept silent.

“You must be Qin Nuan’s childhood friend, Wang Xiaohua. I have heard about you. Why don’t you look at yourself and have some respect? Get lost now!” Li Xiang grabbed the car key of an Audi A6 in his hand and pointed at Wang Xiaohua while insulting him loudly.

“Li Xiang? You came late. I have been waiting for you for a while!”

At this moment, a smartly-dressed staff in a suit and leather shoes trotted toward them and shook Li Xiang’s hand cordially.

“Ming, how are you! It’s been a while since we met, and I’m so sorry to make you wait!”

Both of them had a small talk for a moment.

“No problem. I’ve picked a few strategic locations for you. Come with me and pick your choice. Don’t worry, I’ll give you discounts for the prices!” Ming said.

“Alright. Let’s choose together!”

After that Li Xiang pulled Qin Nuan to the side.

Obviously, Qin Nuan refused to talk to Wang Xiaohua, so she followed Li Xiang to the side.

Wang Xiaohua took the time to compose his emotions. In fact, after listening to Chen Hao’s advice, he was almost completely cooled down. It was just a spike of rage due to the sudden shock that caused him to lose control.

After Chen Hao patted on Wang Xiaohua’s shoulder, they went to the side and sat down.

“Damn! Ming, did you make a mistake? I checked the investment advertisement on the internet and it wasn’t that expensive to bid a place for an office! Has it shot up to such a high price now?!” A few moments later, Li Xiang’s astonished shouts rang from the side.

“Brother, do you think this is expensive? Let me tell you, these venues are the cheapest and their locations are relatively better!”

“It cost more than a million for just a year’s rental. This would kill me!”

Li Xiang was completely shocked by the price.

This was too much for him.

Although his family was wealthy, their assets and property were not infinite. It was over his limit to invest more than a million for just the initial rental.

At the same time, Qin Nuan was also astounded.

The investment price on the internet was just starting from 350 thousand a year.

She did a rough calculation and found the price to be reasonable as the business plaza was popular and it was near the university.

However, she now realized that it was too good to be true.

The bidding price was actually starting from 350 thousand and many areas had reached a million by now.

Realizing this fact, Qin Nuan finally understood that there was no such thing as a free meal! Good things would never come that easily.

A million. She could only afford this amount in her dreams!

“No, Ming. I can’t afford this!” Li Xiang was frightened by the price.

He then turned back to Qin Nuan and tried to convince her. “Qin Nuan, I think we should choose other places. This price is way beyond my budget!”

Upon hearing that, Qin Nuan was overwhelmed with disappointment.

After all, every girl had her vanity.

Zhen Da Business Plaza was a well-known consumer center throughout the country.

In simpler words, it had extremely high status.

More importantly, it was located beside the campus of University City. If they set up an institute here, everyone would envy her and the advertising effect would be great.

Hence, Qin Nuan really liked this place.

But... Sigh!

“Alright!” Qin Nuan nodded depressingly.

Upon hearing their words, Ming started to look at them differently.

He took his materials and left after a simple chat.

“Qin Nuan, let’s go. It’s still early now, so we can look for other places. There are many more places with an annual rental of 70 to 80 thousand!” Li Xiang said.

“I know. But I still want to look around!”

Qin Nuan thought inwardly, Even if I can't afford the rent here, I can still enjoy the investment center with my eyes.

After that, the few girls explored around.

"Manager Zhao, good day!"

Suddenly, there was a commotion in the hall.

A middle-aged man in a suit and leather shoes was walking over here and many customers in the investment center greeted this man.

Because he was none other than the general manager of the investment center.

Naturally, he was deeply respected by everyone.

"He is the general manager of the investment center, Manager Zhao He! He is an impressive man!" Li Xiang explained the identity of the middle-aged man to the three girls including Qin Nuan.

Qin Nuan scoffed inwardly, What is the point of knowing Manager Zhao? He doesn't know you anyway!

At this moment, the crowd wanted to approach Manager Zhao to greet him, but he waved at them to stop them. He seemed rather anxious at the moment. After that, he sprinted across the hall while looking around.

Finally, he found his target.

It was a group of young people.

Upon spotting them, he rushed toward their direction delightedly.

Qin Nuan and Li Xiang were exploding with excitement now, because Manager Zhao was running toward them!

"Mr. Wang? Is Mr. Chen not with you?" As expected, Manager Zhao stopped in front of Li Xiang and spoke reverently with a smile.

This scene caused everyone to sink into silence and focus their eyes here.

"Mr. Wang? Manager Zhao, you must have got the wrong person. My surname is Li, and I am Li Xiang!" Li Xiang's face was flushed with excitement as he replied promptly with a smile.

Qin Nuan was biting her lips out of extreme nervousness as well.

What?

"Oh, my apologies. I've mistaken you for someone else!"

Manager Zhao was mortified.

From the call, he was informed of some information about Mr. Wang Xiaohua. He knew that Mr. Wang was a student in Chengdu University. Most importantly, he was a friend of Mr. Chen, who was greatly emphasized by that big boss from the headquarter through the call he made personally.

Therefore, Zhao He treated Mr. Wang Xiaohua with utmost respect.

“I assumed that you are a student from Chengdu University because you seem like a university student. Well, my important customer is also a student from Chengdu University, so I’ve mistaken you for him,” Zhao He explained with a bitter smile.

“Really? What a coincidence. Manager Zhao, what’s his name? Perhaps I can help you to find him!”

Li Xiang did not expect he could speak directly with Manager Zhao of the investment center, so he offered to help immediately.

Qin Nuan nodded continuously as well. After all, she had extensive connections in the university.

“Oh, I appreciate that! I am looking for Mr. Wang Xiaohua. Is there any chance you’ve seen him around?” Zhao He asked.

“W-Who did you say you are looking for?”

Upon hearing Manager Zhao’s words, Qin Nuan felt as if someone placed a bomb beside her ears. With a deafening boom, her mind was blank at once.

Qin Nuan even thought that she might be hallucinating.

Mr. Wang Xiaohua? Manager Zhao was actually looking for Wang Xiaohua? How is that possible? Why would Manager Zhao, a person with such a high status, look for him?

“Mr. Wang Xiaohua. Do you know him?”

Zhao He could tell from their reaction that they probably did not know Mr. Wang.

He was acting unwisely due to his anxiety, so he decided to call Wang Xiaohua directly.

He had wasted his time as he was led by this guy to think that he knew Mr. Wang.

He then took out his phone immediately.

“Manager Zhao, there’s no need to call. I’m right here!”

At this moment, Wang Xiaohua stood up and told Manager Zhao.☒
