

I Am Born With A Silver Spoon novel Chapter 4

As the door opened, they saw that it wasn't Chen Hao.

"Xu Nan! Why are you here?"

Ma Xiaonan was upset the moment she saw Xu Nan.

They were classmates. Ma Xiaonan had invited Xu Nan before she knew of the incident between him and Chen Hao. After she heard, she personally called Xu Nan and gave him a piece of her mind and told him not to come.

She didn't expect that he would be this thick-skinned and show up anyway. What a piece of work.

"Ma Xiaonan, are you still mad? I was only messing with Chen Hao yesterday. I didn't know that he would take it so personally!"

Xu Nan laughed heartily.

Some of his roommates came too. They even brought gifts.

Ma Xiaonan had a rich family too. She tried to help Chen Hao countless times, but Chen Hao refused to accept her help.

Xu Nan was Ma Xiaonan's classmate in high school.

"Xu Nan, when is this Chen Hao that you wanted me to meet going to get here," Zhao Yifan's beautiful eyes furrowed slightly as she casually asked.

As soon as Xu Nan saw Zhao Yifan, his eyes gleamed. In fact, he had long wanted to be acquainted with Zhao Yifan as she was the hottest girl in the college's broadcasting department.

The truth came out immediately. Xu Nan hadn't come to the party to make amends, he came to get with Zhao Yifan.

When he heard what Yifan said, Xu Nan immediately responded, "Oh, Yifan, Chen Hao is our classmate. He is quite a poor guy. You should have seen him yesterday, crying like a little bitch. HAHA. "

The moment he recalled yesterday's incident whereby Chen Hao had sent Durex to his ex-girlfriend to help her with her sex life, Xu Nan almost laughed himself to death. He told her the entire story in a few words.

"Shut your mouth," Ma Xiaonan immediately flew into a rage and glared at Xu Nan.

Zhao Yifan and her beautiful roommates looked incredulous.

They couldn't believe that there was such a poor and pathetic person who went to this college.

Chen Hao's roommates looked embarrassed. Nothing good ever came out of Xu Nan's filthy mouth.

"Ok, ok, ok. I won't talk about it anymore!"

Xu Nan smiled broadly and said, "Xu Nan, come and see the gift that I bought you."

At this moment, there was a light knock on the door of the private room.

Following that, the door opened. This time, Chen Hao entered with a red-colored plastic bag!

"Chen Hao, here you are!"

Ma Xiaonan immediately stood up and smiled.

Chen Hao nodded his head. He instantly noticed that Xu Nan was sneering at him.

In the past, he felt uncomfortable around trust fund babies, but now, he was the richest of all of them!

He's Chen Hao, Prince of African Oil and Gold.

Zhao Yifan also raised her eyes to look at Chen Hao.

Zhao Yifan really wanted to get a boyfriend. His family might not need to be extremely wealthy. It was even fine for him to be a bit ordinary. However, he still needed to be at least good-looking.

Although she thought Chen Hao was quite good-looking, his entire attire from top to bottom definitely did not exceed 150 bucks.

He was extremely ordinary!

Especially after hearing what Xu Nan had said about him just now, her impression of Chen Hao had sunk to the bottom of the abyss.

Zhao Yifan felt disappointed.

"Chen Hao, this is Yifan and these are her roommates. Let's get to know each other!"

Ma Xiaonan smiled and introduced them to each other.

Chen Hao nodded his head. "My name is Chen Hao, nice to meet you, Yifan!"

Chen Hao reached out his hand in a polite manner.

However, Zhao Yifan did not even look at him. She merely turned her head and continued drinking her fruit juice.

Chen Hao's hand dangled in mid-air, and he could only retract his hand back sheepishly.

Ma Xiaonan knew that her best friend had always been this way. If she was attracted by someone, she would talk a little bit more. However, if she wasn't attracted by someone, then she said nothing.

Chen Hao did not say anything.

He was about to have a sit.

At this moment, Xu Nan's gaze fell on the red-colored plastic bag in Chen Hao's hands.

He smirked in that instant. "Well, Chen Hao, what gift did you bring for Xiao Nan's birthday? Why don't you take it out and let everyone have a look!"

Chen Hao's dorm leader could not stand that anymore. "Xu Nan, why do you always have something against Chen Hao?"

Xu Nan laughed heartily. He always felt a sense of superiority when he ridiculed others.

At that moment, he glanced coldly at Chen Hao and took out his gift first.

It happened to be a black-colored bag of a famous brand.

"Xiao Nan, this is my gift to you, a Hermes bag!"

When Xu Nan took out the bag, he instantly attracted the attention of Zhao Yifan and her beautiful roommates.

"A Hermes Lindy bag? The market price of this bag is 8,999, right?"

All the beautiful girls changed the way they looked at Xu Nan immediately.

This guy was just too generous.

Even the aloof Zhao Yifan gave Xu Nan a second look.

"It's not that expensive, my dad knows the district manager of Hermes very well. I bought it for 7,999 since we were acquainted with each other."

Xu Nan smiled and basked in the crowd's admiration.

Ma Xiaonan really hated Xu Nan, but she knew her place as host and still needed to show the proper gratitude.

"The Hermes Lindy bag is the latest luxury bag launched by Hermes. It is very popular in Hong Kong, Macau and Taiwan. The price of this exact same model is at least 12,000 in those areas!" Zhao Yifan gave the bag a glance as he spoke.

Xu Nan raised his eyebrows. "Yifan, I did not know that you were so knowledgeable in luxury goods."

Zhao Yifan looked at Xu Nan and gave him a light smile. "I wanted to buy this model but the price was a little bit too expensive."

Xu Nan immediately said, "Yifan, I can give one to you as a present when you celebrate your birthday. 8,000 or 9,000 is nothing to me. In addition, the staff of Hermes store near the entrance of our school knows my family very well."

Zhao Yifan remained silent and only smiled.

She had never meet Xu Nan before, but she had heard rumors that he was a vagrant.

But now, he was being a very magnanimous person.

Zhao Yifan's impression of him improved a lot.

After that, Chen Hao's dorm mates also presented their gifts respectively.

Of course they weren't as expensive as Xu Nan's luxury item, but it was still worth around 300 to 400.

Chen Hao did not know what to say. He planned to give his present to Ma Xiaonan after the event.

However at this moment, Xu Nan looked at the red-colored plastic bag in Chen Hao's hand and smiled evilly. He said, "Chen Hao, I begged you to let us see your gift just now, so why don't you take it out and show it to everybody now? Look at the plastic bag you're holding. See how festive it looks!"

"Xu Nan, shut your mouth up. Whatever Chen Hao gives me, I will be happy!"

Ma Xiaonan warned Xu Nan again.

However, Ma Xiaonan still cast a hopeful look in Chen Hao's direction.

Chen Hao felt a little embarrassed.

I thought that perhaps he should have waited the extra half an hour to have the lady wrap the bag properly.

This was supposed to be a simple gathering. Why did Xu Nan come and ruin it for everyone!

"Xiaonan, I bought you a bag!"

Chen Hao stood up and took the bag out from the red-colored plastic bag.

Zhao Yifan's frowned tightly and her roommates also gave him a look of disdain.

This person was such a loser and a disgrace!

"Wow!"

When Chen Hao took out the bag, Xu Nan shouted, "Hermès! Hahaha! Chen Hao bought a Hermès for her as a gift too! It is such a luxurious item!"

"Chen Hao! Say it, where did you buy this bag? It must be quite expensive, right?" Xu Nan's words made all the girls laugh heartily.

Zhao Yifan shook her head slightly.

She initially thought that although Chen Hao was poor, at least he was a person with integrity. Honestly, she could see herself being friends with her.

But now, Zhao Yifan really looked down upon Chen Hao.

"This is Hermès's 200-years Anniversary Collector's Edition bag. There are only 200 pieces of these bags in the entire world. Each bag is worth at least 70,000 dollars!"

The moment Zhao Yifan saw it, she instantly recognized it.

"There are counterfeits sold online and they are priced at approximately 150. Even if you were a prideful loser, nobody would buy it to parade it around the streets. It is shameful to carry around this counterfeit high-end luxury product!"

Zhao Yifan treated him rudely. She looked at Chen Hao squarely. The person in front of her really made her feel gross!

Ma Xiaonan thought that Chen Hao would buy her some small widget. She did not expect that he bought her a counterfeit item to impress her.

But, Ma Xiaonan still said happily, "Chen Hao, anyway, thank you for your gift. Next time you don't have to spend this kind of money anymore, it is still very expensive for 150!"

Chen Hao felt helpless. He wanted to say that this was the real thing. However, when he saw Zhao Yifan and her roommates' scornful gaze, he betted that even if he told them the truth, they would not believe him. And they would look down on him even further.

At this moment, Zhao Yifan looked at Ma Xiaonan and said, "Xiaonan, since when did you become friends with such a phony?"

Ma Xiaonan saw that Chen Hao would soon be placed in an embarrassing situation. Thus, she quickly changed the topic and said, "Well, well, it's my birthday today. We are all friends. Come on, let's toast to this occasion!"

Zhao Yifan and her roommates still looked at Chen Hao with disgust and did not react.

Xu Nan and his dorm mates were smirking.

Chen Hao saw the awkward situation he had put Xun Ma in.

He immediately got up and said, "Happy birthday, Xiaonan. However, I suddenly reminded that I have something to do back in my dorm. I will go back first. Have fun!"

Chen Hao knew that he was unwanted.

He got up to leave.
