

## I Am Born With A Silver Spoon Chapter 460

“Grandpa!” Wei Qingyin quickly ran to him.

“Mr. Chen, this way please.” Wei Fu came out with Chen Hao with a smile on his face.

Wei Qingyin noticed that her grandfather looked much better in just an hour.

“Don’t worry, Qingyin. Mr. Chen is confident that he can cure my illness. According to Mr. Chen, there’s a high possibility for me to recover completely after some time!” Wei Fu said respectfully.

“Congratulations in advance, Mr. Wei. However, since my Senior Brother has just helped you, I wonder if you could help him in return?” Zuo Zhongtao said.

“Oh? Anything that I can help Mr. Chen with?”

“Well, we have heard that there is a King of Ginseng at the border of the Southwest Region where the Wei family lives. This ginseng is extremely rare, and my Senior Brother has been searching for it for a long time. It would be great if Mr. Wei could lend us a hand in finding it!” Zuo Zhongtao said.

Chen Hao slightly widened his eyes too.

He indeed had plans to make connections with the Wei family from the Southwest Region. He intended to ask them for help in their search for the King of Ginseng after curing Wei Fu’s illness.

He had searched for the ginseng for quite some time in the Southwest Region. However, it was difficult for him to do it alone.

Thus, he thought of getting help from them.

He had heard from Uncle Qin that the King of Ginseng would help to nourish his blood. If he had the chance to take it, he could be as powerful as Uncle Qin and it would be a piece of cake for him to defeat Mo family.

Moreover, he didn’t have to be so wary anymore. He had been overcautious as he was worried that the Chen family would be menaced by the Mo family.

With his abilities, he wouldn’t have any problem protecting himself. But he couldn’t bear the consequences of putting his own family in danger.

Zuo Zhongtao was at the scene too when Uncle Qin told him about the King of Ginseng. Chen Hao was touched that Zuo Zhongtao had been keeping that in mind until now.

“Oh, I see. So Mr. Chen is also looking for the King of Ginseng. I thought of taking it too when I was seriously ill before this, but I couldn’t find it even though I searched for it for a long time. Furthermore, some people say that it can’t be taken by just anyone, for it may cause the blood vessels to rupture. I gave up searching for it two years ago!” Wei Fu said.

“But since you really need it, it is not a big deal for our family to help out. Once I go back, I’ll immediately get my people ready to look for the ginseng!”

"Thank you, Mr. Wei! I appreciate that!" Chen Hao thanked Wei Fu gratefully.

"Great. Then I have to hurry back to the border of Southwest Region after taking my prescription to start the preparation of the search! From now on, Qingshu will stay by your side to serve you!"

After the incident, Xiaonan was about to check out from the hotel, her luggage in her arms. Since Chen Hao said he had to go back to Jin Ling to settle a few matters, she asked, "Chen Hao, are we going back to Jin Ling together?"

"Yes, let's go back together!" Chen Hao said with a smile.

Not only had he thought of going back to Jin Ling, he wanted to go to the Southern Region as well to have a look.

It was because he heard that Mo Jian, the third young master of the Mo family who got Siyu injured, recently appeared in Jin Ling.

Chen Hao felt bad if he didn't take revenge for Han Siyu, who had gone through so much suffering in order to find him.

"That's great! We can look after each other now!" Ma Xiaonan said happily.

"Oh, put all these luggage down. You don't have to carry them by yourself. I'll ask Wei Qingshu to take care of it!" Chen Hao pointed at Wei Qingshu who was standing at the side with his hands in his pockets.

"Are you asking me to carry these?" Wei Qingshu asked, displeased.

"Why? Are you going against my orders?" Chen Hao stared at him fiercely.

"It's just some luggage. Piece of cake!" Wei Qingshu swallowed his anger and said.

He then carried the luggage and went downstairs in a fury.

His car was here. Naturally, he had to be Chen Hao's driver.

As soon as they got into the car, Chen Hao suddenly said, "Wait a minute!"

"What is it this time?" Wei Qingshu asked, annoyed.

Chen Hao looked out the window and saw a fleet of cars stopping at the foot of Meng Mountain. He saw two women walking out from the cars, making him stare in surprise.

"Haha, Mr. Chen, don't tell me that you have never seen beautiful ladies before. But I have to admit that these two ladies are really beautiful!" Wei Qingshu said with interest while stroking his chin.

"Shut up!" Chen Hao's gaze grew intense.

Obviously, these two beauties were someone he knew.

He never thought that he would meet both of them in this town.

They were Fang Jiannan and Fang Yi.

Chen Hao hadn't seen them for about half a year since he left the Southwest Region.

He only got to know about his relationship with the beautiful Fang Jiannan after his dad told him about it.

It turned out that she was the bride chosen for him by his grandfather when he was young.

Chen Hao had no say in that. But it was a popular practice to join forces among strong families back then.

Of course, Chen Hao didn't ask Wei Qingshu to stop the car just to see pretty girls or to say hi to Fang Jiannan.

However, it seemed like Fang Jiannan and Fang Yi were being stalked, for he noticed two figures staring at them stealthily not far away.

At once, he felt something was off.

"Have you had enough of staring at them? Mr. Chen, they have gone up the mountain!" Wei Qingshu said.

"I'm waiting for them to do so. Alright, wait for me here!" Seeing that the girls had gone up the mountain, Chen Hao immediately opened the car door and walked toward the suspicious men.

"Damn it, don't tell me that he's going to hit on the pretty ladies!" Wei Qingshu sensed something was wrong.

"You guys wait here! I'll go and see what he is doing!" Wei Qingshu got out of the car after Chen Hao.

Seeing Wei Qingshu walking toward his direction, Chen Hao quickly beckoned and said, "You came at the right time. See those two men? They look like they have some skills. You go to them, pick a fight and lead them to the alley over there!"

"Why?"

"Just go. Quick!"

Chen Hao shoved Wei Qingshu forward.

Wei Qingshu then went to the men while swearing angrily.

After all, Fang Jiannan and Fang Yi were people Chen Hao knew.

However, Chen Hao was not the kind of person who liked to stick his nose in other people's business. He didn't decide to intervene just because Fang Jiannan was the bride chosen by his grandfather.

It was mainly because Aunt Mengxin and Ziyue were blood relatives of the Fang family.

In other words, the Fang family could be considered relatives of the Chen family now.

Therefore, Chen Hao wondered if it was the doing of the Situ family, who was once his rival.

Meanwhile, Wei Qingshu was very experienced in picking a fight.

Soon, he managed to provoke the two men and they chased after him into the alley.

“Hold on, it might be a trick to lure us here!” Two of the men noticed something was wrong once they reached the alley.

As they turned to retreat, they saw a shadow flash in front of them.

Before they could react, they felt a sharp pain in their chests.

With a miserable scream, both of them were heavily thrown onto the ground in the alley.

“W-W-Who are you? Don’t you know who we are?” they warned, covering their chests and trying hard to get up.

“I don’t know who you are, but I know that you’ll turn into corpses soon if you don’t answer my question honestly!” Chen Hao squatted down in front of them with one hand in his pocket, and warned them coldly.

His words sent shivers down their spines...
