

## I Am Born With A Silver Spoon Chapter 527

“Did I see it wrongly?” The old man was in doubt.

He wanted to remind him, but Young Master Mo was a proud person. He seemed a little dissatisfied with him when he glared at him previously. If he added further comments, it might upset Young Master Mo even more.

I must have seen it wrongly! the old man thought.

Regardless, the Mo Family finally got hold of Chen Hao after a year. Chen Hao was the key for them to have control over the Chen Family in the Southern Region, and now, they finally got hold of him. Hence, the Mo Family in Long Jiang was extremely elated about this.

“This little brat is really good at hiding! We only managed to arrest him one year later after using a huge number of connections and financial resources!”

“Haha, our Mo Family in Longjiang could finally rule the roost in the whole of Asia. Chen Hao was the only son in the Chen Family, and Chen Jindong loved his son greatly. Let’s see, we’re close to the day to obtain the assets of the Chen Family!”

Everyone in the Mo Family began to talk about this.

One of the bodyguards from the Long Family overheard their conversation while visiting the Mo Family as a guest, so an idea flashed across his mind, and he quickly ran toward a room.

“Miss, I have something important to tell you!” said the bodyguard after he opened the door.

A girl was putting on her makeup meticulously in the room, and she was none other than Yang Xia.

There was a huge problem happening in the Lu Family and the Mo Family, hence the negotiation was cancelled. Yang Xia was temporarily living with the Mo Family, while waiting for her opportunity.

“What is it?” Yang Xia asked.

The bodyguard gulped. “It was about Chen Hao. The Mo Family had arrested Chen Hao today, who had been on the run for a year!”

Bang! After hearing this, the makeup box in her hands fell onto the ground instantly as Yang Xia’s body trembled in shock.

“What did you say? Chen Hao? Is he the guy who had been actively appearing in the Lu Family these few days? He is the son of the Chen Family?” Yang Xia stood up immediately.

“Yes, you’re absolutely right. Everyone in the Mo Family is talking about it now. I heard that Chen Hao is already half-dead!” the bodyguard replied.

Yang Xia clenched her fists slightly; her feelings were extremely complicated at this moment. Did she hate Chen Hao?

Absolutely, Yang Xia hated him.

If Chen Hao was willing to be in a relationship with her, she wouldn't need to rely on the Long Family. In addition, he dumped her right after he became rich. Putting all the reasons aside, in a nutshell, Yang Xia still hated him.

However, when she heard that Chen Hao was arrested and half-dead, Yang Xia felt sorry for him. After all, this man used to be deeply and completely in love with her. This was the exact same thought that she had when she previously decided to let Chen Hao go.

"What should we do? The Mo Family would definitely kill Chen Hao!" Yang Xia paced back and forth.

"Even if they don't kill him, he wouldn't live any longer. When they got hold of him, he was already on the verge of dying. He's now locked up in the Mo Family's dungeon!" the bodyguard said.

Yang Xia walked anxiously for a few rounds. Then, she took a deep breath and a fierce look appeared in her eyes. "Hmph! I've made it clear that I would break all ties with him when I decided to let him go. Regardless of whether he's alive or dead, it has nothing to do with me anymore!"

Yang Xia sat down again with her back straight. Why did she put in so much effort in these few years? Wasn't it because she wanted to live a life better than his? Since he was on the verge of dying, this should be a good news for her!

"Miss, if you wish to see him for the last time, I have an idea!"

"What's the idea?" Yang Xia asked immediately. Then, she immediately realized her improper behavior and said, "Why would I wish to see him? However, I would be interested to see his agonizing look before he dies! Haha!"

"The key of the dungeon was kept by the butler of the Mo Family. I know the son of the butler. He can lend you a hand!" the bodyguard explained.

"Okay, please connect him with me!" Yang Xia replied.

"No way! Chen Hao is a very important person in the Mo Family. Even my dad didn't have the rights to see him. In addition, the security is extremely strict. Forget about the Long Family, many people from the Mo Family can't even get in!"

The son of the butler was ugly-looking. When he heard about Yang Xia's request, he shook his head hard like a rattle drum.

"I believe that you'll definitely have a way to let me in for a second. What's your condition? Please feel free to tell me!" Yang Xia requested as she stared at him.

The son of the butler stared at Yang Xia with his shining eyes; his expression was one that obviously showed that he had indecent thoughts in his head.

Yang Xia seemed to have sensed his intentions, so she immediately took a few steps back.

"Miss Yang, I heard that your husband is a man with intellectual disability. Don't you feel lonely on ordinary days?" The son of the butler then caught Yang Xia's wrist lightly. "To be honest, I was attracted

by your beauty the first time I met you, Miss Yang. At that time, I swore to myself that I would be willing to die for you if I could get intimate with you!" the son of the butler said.

"Please behave yourself, Young Master Mo! If you're truly fond of me, please be generous with me and allow me to visit Chen Hao. I would be eternally grateful to you!" Yang Xia retracted her hands from him.

The son of the butler frowned and asked, "Why are you always talking about Chen Hao? What's your relationship with Chen Hao, Miss Yang? Why must you visit him?"

"Let me be honest with you, Young Master Mo Qiang. Chen Hao was my ex-boyfriend in university. Since he is on the verge of dying, I want to visit him and take revenge on him at the same time. I would never have the same opportunity again if I missed it!" A hint of hatred flashed across Yang Xia's eyes.

"Hahaha! I see. It turns out that you have a past relationship with Chen Hao, Miss Yang! I can risk my life to help you out on this matter, Miss Yang. However, you should compensate me with some benefits after this, shouldn't you?" Mo Qiang said in a malicious tone.

Yang Xia turned her head away from him in silence for a moment, then she said, "It's that time of the month for me, but I'll express my gratitude to you in the future!"

Mo Qiang sensed an opportunity as he heard this. "I understand, it's normal for girls to have the time of the month!" He smiled wickedly. "I can get the keys from my dad tonight. However, you have only five minutes. Otherwise, I would be in trouble!" Mo Qiang said.

"Okay, five minutes is enough. Thank you so much, Young Master Mo!" Yang Xia turned around and left hastily after saying those words.

"Yang..." Mo Qiang wanted to tease her sexually, but Yang Xia left in a hurry. So, he could do nothing but let out an icy-cold smile. "I've been eyeing you for a long time, pretty girl. I'm going to eat you up in a few days! Hahaha!"

At night, Yang Xia was dressed in sports attire, with a sweater and a cap as she arrived at the dungeon.

"You have only five minutes, hurry up! I'll keep watch for you outside!" Mo Qiang said.

Yang Xia caught a glimpse of Chen Hao lying on the floor of the dungeon. "Chen Hao!" It had been a year since she met Chen Hao, and he looked terrible; all the hatred in her heart disappeared when she saw him.

"Wake up, Chen Hao! Are you really going to die?" Yang Xia ran to the side of Chen Hao and started shaking his body. However, Chen Hao's face was pale and he did not respond...
