

I Am Born With A Silver Spoon Chapter 616

Chen Hao threw the baton away after the men were all lying on the ground.

Then, Ma Xiaonan ran to the car hurriedly and helped Meng Xi out of the car.

As Meng Xi was a timid and soft girl, the incident just now scared her to death.

She couldn't imagine how she could continue her life if she was humiliated by them.

She would probably commit suicide as she had been doing many bad deeds which went against her conscience during this period of time.

Her mental state had already been greatly impacted by the ordeals that she had to face.

"Miss Ma!" Seeing Ma Xiaonan, tears flowed down Meng Xi's cheeks relentlessly as she pounced into Ma Xiaonan's embrace and wept loudly.

"Miss Ma, you treat me so well! I'm inhumane! I'm nothing!" she cried.

"There, there. I know everything, and I don't blame you for it. If I had anything to blame, it would be you not telling me that your mother had fallen sick and you're facing a harsh situation in the family. Why didn't you tell me that?"

As she was consoling Meng Xi, Ma Xiaonan was quite upset as well.

She could not imagine what Meng Xi—such a sweet young girl—would experience if Chen Hao didn't return to Jin Ling, and if Chen Hao did not come to look for her today,

Her life would be ruined. And she has such a bright future in front of her.

Ma Xiaonan didn't dare to continue thinking about what-ifs.

It was so lucky that everything happened in a fortunate order.

"Teacher, I'm the one who stole the money!" Meng Xi sobbed, telling her everything.

At this point, she couldn't hide anything anymore, so she told them the truth about everything.

"I did not dare to touch those money. No matter how broke I am, I'll be a private teacher, or I'll work for others. I won't touch the money, because I'm the one who stole it. They are dirty money!" Meng Xi cried.

"Alright, that good. I understand your feelings," Ma Xiaonan cooed, trying to console Meng Xi.

On another hand, according to Meng Xi's instructions, Chen Hao walked to a spot next to the door and looked under a piece of tile.

He took the money—which was buried by Meng Xi—out.

There were two hundred thousand of them, not even a single cent less.

Meng Xi's character had undeniably moved Chen Hao.

"Alright, stop crying. Your mother hasn't eaten, so let's prepare some food and send it to the hospital. I want to visit your mother too!" Ma Xiaonan wiped Meng Xi's tears off.

Very soon, they had finished preparing some food and placed it back in the thermos container.

Chen Hao drove and fetched Ma Xiaonan and Meng Xi to the hospital.

As for the bodyguards earlier, someone would go and settle the mess that Chen Hao made with just a phone call from him.

Chen Hao also went to the hospital to assess the condition of Meng Xi's mother. Even though she was seriously sick, there were still some ways out.

In Chen Hao's eyes, this was not even considered a serious disease.

However, a lot of money was needed to cure her completely—this was precisely the point that Meng Xi was troubled with.

Not only did Chen Hao pay all the medical fees for her, he also promised her that her university tuition fees and living expenses would be sponsored by Jin Ling Commercial Group.

As for Meng Xi's mother, Chen Hao would also ask Li Zhenguo to arrange a job for her after she had recovered from her illness.

"Everything will be better," Chen Hao said in an attempt to soothe Meng Xi.

When everything had been settled, it was already nine o'clock in the evening.

As Meng Xi suffered an intense shock earlier today, Ma Xiaonan stayed by her side, chatting with her.

Chen Hao, as a man, didn't know what to say to a young girl like Meng Xi.

Instead, he took out his water bottle and went out to refill his bottle.

At this moment, the jade amulet that was on Chen Hao suddenly had some reactions, making Chen Hao jump.

The reaction showed that the person with extreme Yin body type was around him.

Chen Hao immediately searched for the person around him ecstatically.

However, he was disappointed as the reaction vanished quickly without any traces, as if what he felt just now was just an illusion.

"What's going on? Why is it gone?" Chen Hao asked in surprise and disappointment.

The reaction of the jade amulet was quite strong just now, proving that the person with extreme Yin body type was very close to him.

However, as the reaction subsided, it meant that the person had left.

Chen Hao then ran out of the hospital and searched around the area nearby the hospital, but it brought no results.

When Chen Hao went back to the hospital, he met Ma Xiaonan who was walking out from there.

“Meng Xi has already fallen asleep at the visitor bed. She’s been under great pressure recently lately, so she’s worn out. Let’s take our leave, Chen Hao,” Ma Xiaonan said. “But I’m worried about their safety!”

“Don’t worry about that, I’ve already arranged a few bodyguards to protect them secretly. You don’t have to worry about anything!”

“Okay. Meng Xi said tomorrow she will tell the police about everything that has happened. Chen Hao, I hope you can protect her. She’s already very pitiful, so I don’t want her to be hurt the second time.”

“I’m here to back you up!”

Listening to Chen Hao’s promise, Ma Xiaonan nodded heavily.

A different expression even flashed in her eyes.

As long as Chen Hao was here, she felt extremely safe. Even if the sky were to collapse, Ma Xiaonan would not be afraid because Chen Hao was here with her.

She had even imagined if she was together with Chen Hao, if they could get married and live together, they would be living a blissful life.

She didn’t want anything from him, not even his wealth. She only wanted them to be together.

However, Ma Xiaonan knew that Chen Hao was still concerned about Su Tongxin, who was still missing.

I... can’t be so selfish.

An inexplicable anguish flooded her heart. As Chen Hao cared about her more, the painful feeling became even stronger.

After everything was settled, Chen Hao sent Ma Xiaonan back to her home, and Ma Xiaonan’s mother prepared their meal again. After finishing the meal at her place, only then Chen Hao returned to the Cloud Hill Villa.

“Darling, how did it go?”

On the other hand, Yang Yan asked her husband about their plans coyly.

“F*ck! This is weird. I’m not able to contact Da Tou and the rest, and when I checked the records at the hospital, Meng Xi’s mother was already transferred to another hospital. No matter what, she’s not in that hospital anymore. What is going on here?” Yang Yan’s husband said as he couldn’t help frowning.

“Maybe Da Tou is still enjoying himself and forgot about everything else. And maybe Meng Xi’s mother doesn’t have enough time to collect the money to stay in the hospital, so she’s kicked out from the hospital. Anyway, I’ll call Da Tou shortly to ask him about everything. It’s been so long, even if he takes a long time to enjoy himself, it should be almost over!” Yang Yan said.

“Good. I’ve already used a lot of connections to look into that guy’s background. I’ll find a chance tomorrow to let him understand my power! But it was weird—until now the guys haven’t replied,” Yang Yan’s husband sneered.

At this moment, his phone suddenly received a few new messages, as if they had agreed to send them to him at the same time.

Yang Yan’s husband looked at his phone immediately.

“What the f*ck? What does this mean?”

After looking at the messages, he could not help frowning.

“What’s wrong, darling?” Yang Yan asked flirtatiously.

As long as her husband would get rid of Ma Xiaonan for her, she felt as if she had nothing else to ask for.

“These guys sent the exact same messages to me. There are only four words in the message.” Yang Yan’s husband shook his head.

“Which four words did they send?”

“Wish you good luck!”
