

I Am Born With A Silver Spoon novel Chapter 8

Xu Nan sneered and said, "It's him!"

Ning Fan immediately took an interest. He was about to shake hands with Chen Hao, but pulled it back.

Instead, he patted Chen Hao's shoulder. "So, you're the famous Chen Hao. I have seen your ex-girlfriend before. Yang Xia is quite pretty. I would like to apologize on behalf of my boy for stealing your girlfriend!"

"By the way, if you come to Jin Ling Street next time, just say my name. You can get thirty percent off!" Ning Fan said sincerely. It seemed that Ning Fan was really trying to be nice.

"Ning Fan, it doesn't matter if he mentioned your name because this poor guy can't even afford anything on this commercial street!"

Several girls beside Zhao Yifan covered their mouths and laughed.

"So that's the truth! Pardon me then. Lu Chen used to tell me that he had a crush on the girlfriend of a poor dude. I thought his girlfriend wasn't pretty, but when I visited your school that day, I saw that she was very beautiful! So, I didn't think you were him." Ning Fan laughed.

"How is it possible?" Xu Nan laughed, "Fan, when you told Lu Chen to ask the beautiful Yang Xia out, he spent only half an hour talking via WeChat to get Yang Xia to agree!" At this moment, Chen Hao's roommate, Yang Hui and the others, were already full of anger. Even Ma Xiaonan was angry.

"What do you mean? Is being rich a big deal?" Yang Hui stood up and shouted.

Ning Fan blinked. "My friend, you guys are right. It's not about money. In this day and age, whoever can give a woman the love she should have deserves to have her! Woman don't need men to take care of them. Let this beauty Zhao Yifan decide whether I am right?"

Zhao Yifan had been paying attention to Ning Fan's temperament.

Ning Fan handled things calmly and was really trying to be an even-handed leader.

In addition, she was starting to like Chen Hao even less now. What a pussy, he can't defend himself at all. She nodded slightly.

She had met Yang Xia before. She could see why Yang Xia would break up with him. A guy like Chen Hao was simply not good enough.

“Do you think the poor doesn’t deserve happiness? Do you think that because you are rich, you can do whatever you want?” Chen Hao, who had been enduring their taunts, stood up at once.

His eyes were red and he clenched his fists.

He looked at Ning Fan angrily.

They always teased and mocked at him. At first, Chen Hao put up with it because today was Xiao Nan’s birthday. But now, Chen Hao couldn’t stand it anymore.

Zhao Yifan looked at Chen Hao in disgust, not only because he was poor, but now because he was acting like a little bitch. He couldn’t even take a few comments or stand-up for himself like a man.

Blondie was enraged. “Chen Hao, what are you doing? How dare you talk in such a rude manner to Ning Fan?” In order to look good in front of Ning Fan, Blondie picked up a bottle and threw it at Chen Hao.

This was not the first time he had tried to beat up Chen Hao. Sometimes he had succeeded, sometimes he had failed.

“Chen Hao, watch out!”

Yang Hui’s eyes were sharp and he quickly pulled Chen Hao aside.

The bottle made a curve and flew passed Chen Hao’s nose, barely missed it.

The large Fengshui fish aquarium outside the door shattered!

Water gushed out. There were shards of glass everywhere and the fish was flopping on the ground. Blondie froze for a moment and his face turned pale.

Even Xu Nan’s and Ning Fan’s eyes twitched. “Holy shit! This Fengshui fish is really expensive!” Xu Nan stared at Blondie. There was a trace of fear in his voice.

Blondie gulped. “Come on guys. I didn’t expect that Chen Hao could dodge it. I didn’t do it on purpose!”

Blondie stared fiercely at Chen Hao after saying that.

“That’s right, we can’t blame Blondie. Chen Hao, what’s the big deal with being hit? We would have compensated you. Why did you dodge or at least try to catch it like a man!”

The girls were terrified and they all blamed Chen Hao for starting it!

“What happened?”

At this time, the waiter who heard the noise came in with a group of security guards.

They all saw the broken Fengshui fish aquarium in the VIP room.

The head of the security guard stared at everyone in the room. “F*cking hell, who did this?”

The guard was pissed. This Fengshui fish was from Malaysia. It had symbolic importance or something but most importantly it was very expensive! But now the tank was now broken and this all happened when he was on duty. The security guards were dumbfounded. “Mr. Biao, it is a misunderstanding! I will go and talk to Mr. Feihong.”

Ning Fan took out a cigarette and gave it to the security leader.

Zhang Biao reached an arm out to block his way. “Well, Young Master Ning, I don’t care if it is a misunderstanding. You know the price of this Fengshui fish aquarium. I can’t help you with this matter. I have to contact the manager immediately!”

Zhang Biao immediately talked on his walkie talkie.

Shortly, a man in his thirties arrived with a group of men.

He was the manager of Imperial KTV, Li Feihong.

“Mr. Feihong!” Ning Fan smiled.

Li Feihong looked at the mess.

He immediately frowned. “Fan, what are you doing? You made a mess in my place.”

“Of course not, Mr. Feihong! One of my brothers accidentally smashed the Fengshui aquarium!” Ning Fan said politely.

Although Mr. Feihong was just a manager of the KTV, everyone in Jin Ling Street knew him. He was once General Manager Li’s assistant and was now one of his most trusted employees.

Blondie gulped and took a step forward. “Mr. Feihong, I was very angry just now so I threw a bottle at him. The bottle smashed the Fengshui fish aquarium because he dodged it!” Blondie point at Chen Hao angrily.

Feihong glanced at Blondie.

In a flash, he kicked Blondie, picked up a bottle and hit his head.

“F*ck you, you little maggot! You want to see angry!”

“Ah!”

All the girls were terrified.

“What should we do about this? This Fengshui fish aquarium hold this room together. The claim against damage is double the cost, which would be 80,000 dollars. But now, in honor of Fan’s father, you just have to compensate for the original price, which is 40,000 dollars! You are lucky I am in a forgiving mood!”

After he said that, Li Feihong walked out with his hands in his pockets.

He left two bodyguards to keep people from leaving the party.

“What should I do? Nan, Fan, I only have 1,000 with me!” Blondie stood up, holding his bloodied head.

Xu Nan counted the notes in his wallet. “I only have 20,00 with me! Damn, that’s my pocket money for next month.”

Ma Xiaonan was very pissed off.

Her birthday had just been ruined.

There was no reason for her to stay out of it. She volunteered. “I still have around 5,000!” Everyone in the room gathered their money. Even Zhao Yifan decided to cough up more than 5,000. But even all together, they could barely scrape together 100,000.

“You’ll try to think of a solution. I’ll go to Mr. Feihong and ask if he can let it slide!” Ning Fan said, and then he slipped out.

Let it slide, ya right. Feihong wasn’t the type of guys to let things slide when it came to money.

The people in the room were in screwed.

“I shouldn’t have celebrated my birthday! I will just call my dad!” Ma Xiaonan said anxiously.

Zhao Yifan stopped her. “Xiaonan, why should you be the one to fork out the money? The one who started this mess should bear the main responsibility!”

She then fixed her gaze at Chen Hao. “Chen Hao, Blondie wouldn’t have hit you if it wasn’t because of your rude attitude toward Ning Fan. Where is your temper now?” Zhao Yifan said coldly.

“That’s right!”

All the girls nodded in agreement. Ma Xiaonan said anxiously, “I beg all of you, please don’t blame it on Chen Hao. All of you don’t have to pay for it. It’s my birthday, so I will pay for it”

Ma Xiaonan started calling her family.

Yang Hui and his dorm mates really wanted to help, but their living expenses were only around 1,000 per month. They just could afford to help.

Chen Hao was extremely angry now, especially at Ning Fan, Xu Nan and Blondie.

However, Chen Hao couldn’t bear to see Ma Xiaonan like this.

Although this shop belonged to him, Li Feihong didn’t know him yet.

It was inconvenient for Chen Hao to call Li Zhenguo in the room.

He said softly, “I’m going to the washroom!” Chen Hao left after that.

After Chen Hao left, Zhao Yifan and the other girls’ eyes widened.

“Oh my god. I had never seen such a coward in my life. He is even worse than a girl. He just ran away like that?” Zhao Yifan said.

As for Chen Hao, he had reached the washroom.

The security guard didn’t care to stop him because he was just one guy.

Inside the washroom, he called Li Zhenguo, “Mr. Zhenguo.”

“Young Master Chen! Just call me Zhenguo, how can I help you?”

“I’m in trouble here.”
