

I Am Born With A Silver Spoon Chapter 82

With Han Siyu's invitation, all her classmates and the two or three thousand fans she gained during this period of time rushed into her live streaming room.

Innumerable messages popped up on the public screen.

After she signed the live streaming contract, Han Siyu had learned a lot of things and enhanced her live streaming skills.

She was adept in interacting with the audience as well as performing her talents.

"My darlings, I could really use a round of gifts now! Lots of kisses to all of you!"

"Here is a big kiss for my darlings! Let me sing a song called 'Meow Meow Meow' for my darlings!"

The fans responded, "Wow! Siyu, you are the most beautiful girl! I love your voice!"

"Ordinary Guy! Jiu Jiang! Both our rich bosses! Please show your support to Siyu, the battle will be starting soon!"

"We are waiting!"

Han Siyu smiled sweetly. She used a filter and she appeared as a kitty.

"Let us learn the meows of cats, meow meow meow meow meow, I'll be spoiled in your arms, meow meow meow meow meow..."

Jiu Jiang gifted a rocket!

Jiu Jiang gifted a rocket!

Jiu Jiang gifted a rocket!

At the same time, Jiu Jiang sent the gifts continuously in Han Siyu's live streaming room.

The interaction in the live streaming room was warm and cordial.

The atmosphere was merry.

Chen Hao was watching the livestream. He actually wanted to send her gifts.

However, he felt that Han Siyu had completely changed her style of performance. Her performance was more money-oriented and her purpose of the livestream was obvious.

He could not find the naturality in her livestream that she once had.

Chen Hao felt that it would be a waste to send her gifts.

He would wait a while more.

He lifted his head and took a glance. Meng Cairu was watching the livestream attentively.

Hao Lanlan and the rest also gathered around to watch the livestream in envy.

After all, most girls were vain. They would of course be envious.

As for Chen Hao, he felt that Han Siyu's livestream was boring. He left the live streaming room and entered another female anchor's room.

He came across Zuo Qiaoqiao's room.

This female anchor had an audience of almost ten thousand people. She was undeniably beautiful.

No wonder she had a huge army of fans supporting her.

There were loads of comments in Zuo Qiaoqiao's live streaming room. At this moment, she was looking into the camera and retouching her makeup without uttering a word or interacting with the fans.

Nearly 10,000 people were watching Zuo Qiaoqiao while she put on her makeup.

"When will you start performing?" Chen Hao typed on the public screen.

He was looking forward to seeing this beautiful girl dance and sing.

Chen Hao was a member of this live streaming app. Thus, his comments were emphasized on the public screen, and Zuo Qiaoqiao's live streaming screen trembled.

"The one named Ordinary Guy, are you blind?"

Unexpectedly, Zuo Qiaoqiao frowned and bashed Chen Hao. Her attitude was extremely rude.

"Can't you see that I'm putting on my makeup? Stop prompting! Stay if you want to watch, or else you can leave!" Zuo Qiaoqiao scoffed coldly.

Don't think that you are so awesome just because you bought a membership. I have seen many types of members and I absolutely hate people who are bossy just because they topped up some money.

Furthermore, she had many VIP fans supporting her. These normal fans were nothing to her.

"I was just asking. Aren't you an anchor? Shouldn't you be showing some talent?"

Chen Hao was furious. Who would not be angry if they came to enjoy a livestream but were scolded instead?

However, Chen Hao was muted by the admin of the room right after he commented.

"Get lost! Show my *ss! Ordinary Guy, do you think that you can boss people around just because you have a membership?" The admin berated bluntly.

At this moment, Zuo Qiaoqiao had finished touching up her makeup. She replied, “Nowadays, some losers on the internet think that they can show off and become somebody once they top up some money. It might be useful to those newbies, but it doesn’t work on me. Get lost!”

“How funny! Qiaoqiao is angry. This Ordinary Guy is such a clown. Doesn’t he know that Qiaoqiao is now the most popular anchor in SameCity Live Streaming app?”

“Exactly, Qiaoqiao has over ten VIP fans. I heard that they were the bosses of Jin Ling City! Even Zhuang Yuan, who is the first on the chart, has a Land Rover Range Rover!”

All the fans commented to flatter Zhuang Yuan.

Zhuang Yuan typed, “What happened, Qiaoqiao? Are you lacking gifts? I reloaded 100,000, and I’ll surely cheer you up today! You can just kick this poor loser out of the room!”

“Zhuang Yuan is here!”

Zuo Qiaoqiao immediately pushed her makeup to one side once she saw Zhuang Yuan’s comment. Her actions were lively and adorable.

“Zhuang Yuan, I was so upset. I thought you’ve abandoned me!!” Zuo Qiaoqiao said cutely.

“I would never! How could I miss your livestream?”

“Okay!”

While Zuo Qiaoqiao was speaking with an alluring smile, she clicked her mouse.

Swoop!

Chen Hao was sent out of the room.

“Shit!”

Chen Hao could not take it and swore. He was enraged.

He was utterly furious and frustrated.

He was just trying to enjoy a livestream. Why was it so difficult? He only said two sentences and the female anchor had kicked him out after they were done insulting him.

He might be the first in history to be kicked out after topping up over 100,000 in this app.

He would have let it go in the past, but now that Chen Hao was using another identity, Ordinary Guy, he was still treated cruelly. He could not hold it in anymore!

Should he top up some money and make them pay for their actions?

That would be too easy.

To be honest, when he was helping Han Siyu with her livestream, he had thought of something.

He was considering his potential business developments.

His sister had given him early warnings that he needed to manage everything himself in the future.

Hence, Chen Hao was considering investing in small businesses for practice and to enhance his experience.

Presently, Chen Hao had no knowledge about the markets of real estate and commercial street, but he was familiar and knowledgeable about the internet.

He wanted to try investing in a live streaming platform.

However, his consideration was halted due to the incident of Su Tongxin.

But now... this would be a great opportunity to kill two birds with one stone!

Chen Hao then sneaked into the bathroom and called Li Zhenguo.

He informed Li Zhenguo that he wanted to utilize a sum of money to invest in a live streaming platform.

Of course, Li Zhenguo did not oppose his request and even promised that it would be done within an hour.

Chen Hao got out of the bathroom and saw Wang Yue and the rest were watching the livestream with concentration.

“Chen Hao, Chen Hao! The battle has begun! Han Siyu is such a professional. Her gifts have exceeded 20,000! She even defeated two other female anchors!” Wang Yue said excitedly.

Chen Hao nodded and reentered Han Siyu’s live streaming room.

Han Siyu was elated. She had been winning since the battle began and the gifts from the supporters were increasing tremendously. She was extremely satisfied!

“Kisses to all my darlings! I love all of you! Just hang with me for another round and I’ll be promoted to the next stage!” Han Siyu exclaimed delightedly.

“Victory is yours!” The fans chanted consistently.

The rules of the livestream battle were simple. Two pretty female anchors would carry out a video call on the same screen and there would be a bar below each of them, displaying the number of gifts they received. The winner would be the one who received the most gifts.

This competition was designed by the live streaming platform to lure the audience to purchase more gifts.

The battle continued.

Han Siyu was waiting for her contestant without showing any fear, but when the other female anchor appeared, Han Siyu’s smile disappeared.

Chen Hao was also surprised!²
