

I Am Born With A Silver Spoon novel Chapter 9

Chen Hao retold the incident.

Li Zhenguo promised to settle the incident immediately.

“Zhenguo, do you know a person named Ning Fan? His family runs a restaurant on the Ji Ling Street.”

Zhenguo described a nice, hard-working family that worked its way from the bottom. Ning Fan wasn't a bad person at all. Chen Hao frowned, why couldn't Ning Fan just be a jerk.

After all, Ning Fan was the one who purposely persuaded Lu Chen and Xu Nan to snatch Yang Xia away from him, and he did play him like a fool.

Chen Hao wondered what would happen if Ning Fan and his gang became poor one day.

“His dad is one of my employees. That restaurant business is actually under your property. Did he offend you?”

Li Zhenguo asked seriously.

After a while, Li Zhenguo said, “I know what to do, Mr. Chen. Leave it to me!”

Chen Hao remained silent.

He didn't know what Li Zhenguo had planned. Chen Hao actually had no idea what he wanted as well.

This was the first time Chen Hao could use his connections to help others. Although he hated them, he wanted to work things out for the others.

Chen Hao didn't want to think about it.

After he pocketed his phone, he left the washroom and made his way back to the room.

However, something unthinkable was about to happen in the room.

Just a few moments ago, Zhao Yifan and Ma Xiaonan were calling their friends and families for help.

Then, Li Feihong dashed into the room.

He bowed to everyone in the room, looking extremely apologetic.

There was no need for them to compensate for the damages of the Fengshui fish aquarium anymore.

Everyone was dumbfounded, until they saw Ning Fan enter the room. “Ning Fan, have you settled the incident?” The girls asked with full of admiration.

Ning Fan was puzzled. He was actually trying to get the hell out of there, but when he saw Li Feihong rushing into the room, he followed him.

He had no idea that the problem had solved itself!

Ning Fan took the opportunity. He smiled and said, “Mr. Feihong and my dad are friends after all!”

“Wow, Ning Fan you are the best!”

“Ning Fan, you’re so coll!”

The bevy of beauties had all become his fans, cheering for him.

Zhao Yifan now could only look at Ning Fan.

She was totally smitten by him.

He was one of the business owners on Jin Ling Street. Surely, he received a lot of respect and so would she if she dated him.

Suddenly, the door of the room opened and Chen Hao entered.

The girls stared at Chen Hao and scoffed, “This coward is back once the problem has been solved!”

Disgust was written all over Zhao Yifan’s face.

“Xiaonan, I wonder why you are friends with this person.” Zhao Yifan sneered coldly.

Only then did Chen Hao realize that Li Zhenguo was so efficient that he had already settled everything.

Of course it had been settled quickly. It was his property.

However, looking at the gaze from the crowd, Chen Hao quickly understood that they thought it was Ning Fan who solved it.

Should he explain what happened to them? Chen Hao didn’t think there was a need for him to do so.

He had initially thought that Zhao Yifan was quite good looking, but now, he had no interest in her at all. This time, he only wanted to help Ma Xiaonan.

Also, who would believe his story!

Chen Hao didn't want to put himself in another humiliating situation.

"Let's forget it. Since everything is square, let's go for another round! My treat!"

Ning Fan still didn't know what happened and continued to brag, clapping his hands.

He looked at Zhao Yifan and the pretty girls beside her.

"Sure! Let's go!" The girls agreed happily, and Zhao Yifan smiled shyly.

Compared to Xu Nan, she thought Ning Fan was not only handsome, but also mature and reliable. She also learned how important it was to have connections and a solid network.

Ning Fan had an amazing network!

But Ma Xiaonan's face darkened. "Another round? It's almost four o'clock in the afternoon. Let's go home."

After the incident, her mood was completely ruined.

Yang Hui nodded. "Yes. We are heading home too. Enjoy yourselves."

Chen Hao's friends left the party a little disappointed. They thought they could make friends with the pretty girls in Zhao Yifan's dormitory on Ma Xiaonan's birthday party. Maybe even get a little action. But now, it was obvious that Chen Hao and his dorm mates' presence were unwanted.

"Well, fine. The place that we're going to next isn't a place that you can simply enter. I can't bring too many of you at once. It's better that you don't want to join!" Ning Fan said coldly while glancing at Yang Hui and Chen Hao.

"Where are we going to? Are we going to your family's hotel?" the girls raised their heads and asked.

Ning Fan wagged his finger. "No. We're going to the Hot Spring Villa. Have you heard of this place before?"

"The Hot Spring Villa?"

Zhao Yifan blinked her eyes in disbelief. "Do you mean the most popular place on Jin Lin Street. The spa where only the richest can go?"

Zhao Yifan was from a decently wealthy family as well and her father was able to bring her there once through a connection with a wealthy relative.

She never thought that Ning Fan had such privilege that he could go whenever he wanted!

"Ladies, I'm going to bring my car. Wait for me at the entrance!" Ning Fan waved to them and left.

Zhao Yifan's beauty really took Ning Fan's breath away. Ning Fan couldn't wait to get with this girl. He knew that his money would be more than enough to get her into bed.

"Xiaonan, don't be such a killjoy. Come and join us. It's your birthday after all. Didn't you say that you have always wanted to go to the Hot Spring Villa? This is a golden opportunity!" Zhao Yifan clung to Ma Xiaonan's arm.

"That's right. We have never been to the Hot Spring Villa too. Let's go together. We got this chance because of you! Don't worry, Ning Fan is with us. He will look after us no matter what happens on this street. You saw for yourself?" Xu Nan said with a hopeful smile.

But Ma Xiaonan frowned. "I don't understand. Zhao Yifan, don't you feel strange about what happened just now?"

Zhao Yifan frowned slightly. "What do you mean? Are you talking about the fish thing?"

"Yes!" Ma Xiaonan continued in disbelief. "Li Feihong was so angry and dismissive in the beginning. He didn't show any courtesy to Ning Fan, and even Ning Fan was terrified by Li Feihong."

"But ten minutes later, Li Feihong's attitude toward us changed thoroughly! He even came to apologize and bow to us. Don't you find it strange?"

After hearing to Ma Xiaonan, everyone in the room remained silent.

Yang Hui said, "You're right. I find it strange as well. Li Feihong is not a man to be trifled with. Ning Fan's father and him are on the same level financially. It's impossible that he would change his attitude in such a short amount of time. He even bowed to us."

"Do you mean someone else helped us?"

Ma Xiaonan's argument really started to make sense. Zhao Yifan felt that it was weird as well. But, she quickly forgot everything when she say Ning Fan again.
