Chapter 531

Chapter **531**

“I haven’t finished yet. I wish you a lifetime of me.”

He owned her, and she also had him!

This was the best blessing!

Gale still just smiled, raised her glass in respect, and drank the red wine with her head raised.

She only intended to take a sip because she was still pregnant with the baby and could not drink alcohol.

However, Gale realized that it was not red wine!

It was grape juice!

What happened? Did the waiter get the wine wrong?

She subconsciously looked at Shawn, but he took a sip as normal without showing any strangeness.

So...

Shawn was indeed drinking red wine, but she was drinking fruit juice!

The waiter changed her wine!

Gale’s heart became calmer.

The waiter was a respectful person!

Aurum was really careful. He even considered that she could not drink and arranged for the waiter to come in and help her.

Gale looked at the yacht Aurum was on.

It was too dark, and she could not see very clearly, but she could vaguely see Aurum’s figure on the deck, and a graceful woman was standing beside him.

Natalie.

She was there too.

When the steak was served, the aroma was overflowing, but Gale had no appetite.

She rested her chin, admiring Shawn's cutting of the steak.

The Wood family had always given him an elite education, and he was very proficient in various etiquette, including dining etiquette.

Therefore, watching Shawn eat had always been a kind of enjoyment.

He was cutting slowly and gracefully, and the jeweled cuff buttons on the cuffs of his shirt glowed dimly.

"Why are you watching me?" Shawn forked a small piece of steak into his mouth. You don't want to eat?"

"I am full just watching you eat."

"Oh?"

Gale smiled. "It's delicious."

Shawn's eyes fell on her. "Gale, you are seducing me."

She was really different tonight.

It was completely different from Gale before!

"Do you like it? I'm different than usual," Gale asked.

"If I say I like it, will you be like this every day?"

Gale blinked. "I'm afraid you won't be able to bear it."

Shawn paused. "Try and see if I can bear it."

She laughed and stood up suddenly.

Gale did not even wear shoes. She stepped on the deck with bare feet, and the wind blew up her skirt as she walked to Shawn's side slowly.

"The most important thing is to have a full stomach." She put her hand lightly on his shoulder. "I don't want to cut it. I'm lazy. You can feed me."

Shawn liked that she was teasing him.

See her blushing with shyness, see her coquettish appearance.

Unexpectedly, there would be a day when Gale teased him.

Shawn enjoyed it very much.

He did not know that the warmth and happiness at this moment would turn into sharp injuries in an hour, cutting his heart one by one!

How happy he was now was how miserable he would be later!

Shawn smiled deeply. “Hey, you. Do you want to eat mine?”

“Your one looks tastier.” As he spoke, Gale bent down, held his wrist directly, picked up a piece of steak, and put it into her mouth.

Chapter 532

“Well, it tastes good, tender, and juicy. Continue to feed me.” She nodded in satisfaction. As soon as the words fell, Shawn wrapped her waist and brought her into his arms.

Gale let out a low cry and sat down on his lap.

“Gale, that’s what you said.” Shawn’s lips pressed against her earlobe. “Don’t blame me for being rude if you seduce me like this.”

She smiled and fell into his arms.

“What are you doing? Well, it won’t be good when someone comes over and sees it later.”

“Who dares to disturb us?”

Gale made a gesture to get up. “You are shameless, but I am still shy.”

Shawn tightly wrapped her hands around hers. “Since you’re here, don’t even think about leaving.”

He just hugged her and slowly cut the steak.

He ate one and fed her another.

In *the* past, Gale would never do such a thing even if she was beaten to death.

What a shame.

However, when she thought it was the last time they were spending together anyway, she powered through it.

Gale was only a girl in her twenties, she also longed to be pampered, to feel favored, and she also wanted to be a child who was taken care of.

“Shawn.”

“Huh?”

“You have said several times that you love me. Sometimes I wonder, what is love?” Gale leaned into his arms, listening to his powerful heartbeat. “Now I think this is love.”

She was sleepy, her eyes half-closed, like a kitten.

“Love is being together, doing many, many boring things.” Gale found the most comfortable position in his arms. “It seems childish and ridiculous, but when two people do it together, they will be very happy and satisfied, just like we are now.”

Shawn replied, “I can accompany you to grow old like this.”

“It’s too far away to say old.”

“It’s so long. When we can be together, we must cherish every minute and every second.”

She murmured, “Yeah, a lifetime will pass in the blink of an eye...”

“So, you must stay by my side.” Shawn bowed his head deeply and kissed her. “I don’t want to lose you.”

Gale did not answer.

“Do you still eat, my lazy little kitten,” he asked.

She shook her head. “I’m a little tired, I want to eat fruit.”

“Okay.”

Shawn picked up the cherry next to him and was about to feed Gale. At that time, she was one step ahead of him and offered to feed him one.

“Is it sweet? Try it for me.”

Shawn took a deep bite, and the juice of the fruit pulp burst in his mouth. “It’s very sweet.”

Gale ate one.

With half of her cherry in her mouth, she slowly approached Shawn.

The lips of the two gradually touched.

Of course,

Shawn knew what Gale wanted to do. He remained motionless, waiting for her next move.

Her red lips and cherries were stuck to his lips.

Gale asked vaguely, “Would you like it?”

Shawn did not answer but lifted her chin and kissed her before eating the cherry together.

The sweet taste spread in their mouths.

They have kissed many times, but none of them have been this passionate.

It was as if body and soul were fused together!

Shawn initially kissed her very cautiously, but when Gale’s hand hooked his neck and kissed him back, he completely lost control and went crazy!

She was responding to him!

This made Shawn fall more deeply!

The endless sea, the luxurious yacht, the beautifully furnished deck, and the rich spread on the dining table... and then kissing.

Gale had never been so forward with him before.

It turned out that it was such a wonderful feeling to give one's heart and soul to love and

Chapter 533

Even if it was only a few minutes, it was enough for her to remember it for a lifetime.

Gale really wanted to love to the fullest, but she had no chance.

In this life, she would never experience this feeling again.

In the distance, another yacht, Aurum quietly looked into the distance.

He could only see Shawn's back from where he stood.

However, the woman's hand on the man's neck, her slender white and tender calf, her feet without shoes,

the raised skirt entangled with the man's trousers...

Aurum knew exactly how close they were right now and what they were doing.

He knew that Shawn and Gale were husband and wife.

However, when he saw this scene with his own eyes, he felt an indescribable feeling in his heart.

"Aurum, you have been absent-minded today. What are you looking at?" Natalie said.

"I'm sorry, Natalie."

She asked, "Why are you apologizing to me... You invited me to have dinner on the yacht last night, but you haven't looked at me properly since you got here."

Aurum replied, "Because I have more important things

Natalie finally could not take it anymore. She turned around and followed Aurum's gaze to look carefully.

Soon, she found Shawn and Gale on the biggest yacht.

No wonder Aurum sat in this position. He could see this scene very directly.

Her back was facing them, and she could not see them without deliberately turning her head.

Natalie felt a little uncomfortable, but she was overjoyed when she saw what those two people were doing.

“Aurum, that’s Mr. Wood and Mrs. Wood. They...are kissing. They are not afraid of being seen at all, so showy. Their relationship seems very....open,” Natalie deliberately emphasized.

“Mmmhmm.”

“Mr. Wood is so romantic. He chartered a yacht and set up a date.”

Aurum looked away. “Let’s eat.”

He glanced at his watch.

It was getting late.

He thought that after Gale invited Shawn to go on a yacht, they would quarrel and argue and then jump directly into the sea in anger. It seemed that everything was logical and very natural.

What he had not expected was that Gale chose such a tender way.

In her heart, she must be deeply in love with Shawn.

However, the reality was too cruel, and she could not stay with her lover.

Shawn... was not a qualified lover!

It was not worth her time!

Natalie looked at him. “Dear, you have something on your mind. Can you tell me?”

“Nothing”

Natalie asked persistently, “Is it related to Gale? Did you see her and her husband kiss? Your expression is unnatural.”

Aurum said, “Natalie, everything will be over soon. Don’t overthink my relationship with Gale. My fiancée. is you, and I will marry you. My only woman will be you.”

“If Gale divorced, wouldn’t you be moved?”

Aurum’s expression changed. “Natalie, do you know what you’re talking about?”

Natalie bit her lips, and eye circles began to turn red. “Aurum, you know what, I think you like Gale.”

He was startled and immediately denied, “How is that possible!”

“We grew up together, and we got engaged after graduation, we have known each other for many years... I know you too well. How you look at Gale differs from how you look at others.”

“Natalie, you overthink.”

“But...”

Chapter 534

Chapter 534

Aurum raised his voice and could not help scolding, “Stop talking!”

Tonight was a very important night.

The time was getting closer and closer, any mistake in any step would make all the efforts in vain!

Aurum could not take it lightly.

Natalie kept talking about these things, distracting him!

“Aurum, you raised your voice at me...” Tears slipped and fell from Natalie’s eyes. “You raised your voice. at me for Gale.”

She had always been the jewel in the Yarn family. She was always gentle and nobody ever said anything harsh to her.

So, how could Natalie bear this?

She immediately stood up, turned around, covered her face and ran away.

“Natalie!” Aurum wanted to follow up, but he glanced at the yacht opposite, and stopped abruptly.

He still had a lot of time in the future to coax Natalie and explain.

However, Gale had only now.

Aurum sat down again.

On each yacht, there was a joyous scene of singing and dancing, and the atmosphere was warm.

Gale felt that her lips were going to go numb, so she slowly pulled away.

A thread of silver appeared between them.

Her face became hot.

“Gale...” Shawn raised his hand and wiped the saliva from the corner of her lips. “For the first time, you responded to me.”

She lowered her head and pressed her forehead against his chest.

“Do you like me like this?”

If Gale treated him like this every day, he would leave everything behind and die in her arms.

From then on, he would not even work.

“In the past...we always quarreled, argued, and hurt each other with the sharpest words. There is a sea of blood and deep hatred between us. The dead child, and now, my dead mother...” Gale said.

“I want to love you very much, but I hate you so much.”

“It’s helpless, Shawn, words are so powerless, but they are so powerless in expressing love. When you express your hatred, it’s so sharp.”

He wrapped his hands around her waist and held her in his arms. “Gale, you don’t need to express anything. Just stand in front of me...Just let me love you.”

She stood there quietly and smiled at him; he was willing to put everything in front of her!

“Shawn, do you love me that much?”

“Yes”

“Then why did you hurt me so much before?”

This was Gale’s doubt.

Before Shawn said, 'I love you', before he admitted that he fell in love with her unconsciously...
He was always harsh on Gale!

Shawn sighed softly.

His big
hand landed on the top of her head, gently rubbing her soft long hair. "At that time, I didn't know
what love was, let alone how to love someone. I thought I should hate you, but now I hate myself."
f."

"So, I tortured you even harder, thinking I could get rid of my feelings."

"But I found out that I hurt, every time I hurt you."

Gale lowered her eyes, and her fingers passed through, tightly interlocked with him.

"So, Shawn, the way you express your love is to hurt me."

"It won't happen in the future. Even if I hurt myself, I won't let you hurt a little," he promised.

Gale looked at their clasped hands.

Chapter 535

Chapter 535

His hands are so big, and her hands are so small.

"Shawn, before me... have you ever loved someone else?"

"Never."

Gale looked up at him. "Have you never experienced love?"

"Gale, my parents divorced when I was young, and my father married Paula. My mother left Sea City and never showed up again nor contacted anyone," Shawn replied.

This was from the bottom of Shawn's heart.

About love, about family.

"No one taught me how to love, and no one told me what love is." He stroked the back of her hand with his fingertips. "What I study every day is a lot of homework, the etiquette rules of wealthy families, and interpersonal communication. It's a game."

"Love, for the Wood family, was on the lowest on the priority list. Marriage is just a means of joining forces to achieve higher interests."

"After I met you, I realized that love is such a wonderful experience in life."

Lucas taught him that only success would bring him happiness.

Shawn had always felt the same way.

However, he did not think so anymore.

Everyone has their own life trajectory. Prosperity and wealth are worthy pursuits that last a

lifetime.

Having a lover and children, the most ordinary happiness, is actually the rarest!

Gale listened quietly.

As strong as Shawn, there was also such a weak and ordinary side, which was only shown to her.

She ticked the corner of his suit. "But we can't go back."

His adam's apple rolled. "Gale... Let's try it. If you haven't tried it, how would we know?"

Gale sat on his lap. Her skin was dazzling and fair.

The man's hand fell on her knee, contrasting her complexion..

It was like a movie scene.

"I tried it." Gale shook her head and said, "It's not very good."

Shawn frowned deeply. "When did you try it?"

Why had he not known about this?

Gale raised her hand to caress his brows and eyes but said nothing.

There was a voice in her heart saying... 'Shawn, I tried in my heart to love you, to let go of the past, but I couldn't do it.'

'So, I can only leave you.'

'This will be the end of both of us!'

"Shawn, let me dance for you. You probably don't know that I can dance," Gale said softly.

A surprise flashed in his eyes. "You never dance in front of me. I had no idea you knew how."

"Well, I was forced by my parents to learn for two years, and I cried and refused to continue learning as it was too hard and tiring. They love me so much, so they let me go."

Gale said and stood up from his lap.

She had not danced for many years, she was a little rusty, and she did not quite remember some movements.

However, at this moment, she wanted to show Shawn her most beautiful side.

Let this last time, the last moment, in his memory be beautiful and light!

Gale stood barefoot on the deck.

Every time she took a step, the skirt swayed endlessly, forming an elegant arc.

Gale studied ballet.

Learning ballet was very tiring, and basic skills such as raising her legs and tiptoeing could be torturous.

However, no matter how tiring it was, it was not as tiring as living.

Gale was like an elf at midnight, wearing a long skirt, fluttering in the wind, her hair hanging behind her, standing on tiptoe, dancing gracefully.

She danced the moves from 'Swan Lake', a very famous dance in ballet.

Shawn watched quietly.

Chapter 536

Looking at her light figure, he felt she was flying away from him.

Shawn stretched out his hand, wanting to grab her. "Gale."

Gale turned around, avoiding his hand, and looked at him with a smile. "Shawn, did you pay attention to my dance..."

"Yes."

"Does it look good?"

"It looks good." The dance was beautiful, and the person was even more so.

However, Shawn preferred the sense of security that she was in his arms!

Gale's laughter was like silver bells, echoing in the sea breeze. At the end of the dance, she had already forgotten what she was dancing. She was circling happily, holding the hem of her skirt, so elegant and charming.

"I'm so happy. Shawn, the two of us have never been so happy together..." she said.

She ran casually on the deck, her hair brushing her cheeks, and her slender neck had a beautiful curve when she looked up.

"Gale."

Shawn walked toward her quickly.

He wanted to grab her, hug her tightly, closing the distance between them!

Shawn directly reached out to circle her waist.

"What are you doing..." Gale fell into his arms with a smile and put her hands on his chest. "I agreed to dance."

He replied in a low voice, "I'm afraid that others will see you."

"It's just the two of us here."

"People on other yachts will see it."

There were no walls on the deck, and the lights were bright. Shawn just cherished her charming and affectionate appearance and could not bear having anyone else to see!

Only he could appreciate it!

Gale looked **at** him with bright eyes. “Shawn, if there is **a** next life, can we be together?”

“Okay. We will be together forever,” he replied.

“But in this life, in this life...” Gale was smiling just now, but now she burst into tears.”

That’s it.”

She cried for a while and laughed for a while as panic grew in Shawn’s heart.

From the moment she came on the yacht, he felt **that** Gale was so beautiful tonight that it was unreal.

However, she was so real in his arms.

He hugged her harder and harder as if he wanted to integrate her into his flesh and blood. “Gale, Gale...”

What Shawn did not notice was that the phone he left on the dining table was lighting up.

There are several unread messages.

After a while, seeing no reply, the call rang again.

However, the sea breeze whistling and the sound of the sea covered the ringing of the phone.

The name ‘Joe’ was displayed on the screen,

Joe was going crazy!

He stood by the sea, holding his mobile phone, calling Shawn over and over again.

“No reply to messages or calls... Shawn, what the hell are you doing!”

In the end, he felt that he could not do anything and just watched.

Without Gale, he could not imagine what kind of crazy Shawn would become!

Joe was on the phone while looking at more than a dozen yachts on the sea, looking for Shawn and Gale.

However, it was already dark, and there were so many people. How could he find them!

The more anxious he became, the more confused he became. His eyes were dazzled, and he kept walking back and forth on the coast.

His call was still not getting through.

Chapter 537

“She’s going to die!”

Joe glanced over, and he actually found Aurum!

Aurum was here!

With a frozen expression, he quickly searched around Aurum, but he could not see Gale.

What happened?

Are they not on a yacht?

What about Shawn?!

Joe wished he could take off his clothes and jump into the sea to swim there!

According to what he found about Aurum’s secret operations, seaside, yachts, divers... In addition, Gale suddenly asked Shawn to have dinner on the yacht tonight. After contacting each other, Joe already guessed the rest!

His heart was about to jump out of his throat!

Summer’s voice suddenly sounded, “Hello, Joe. It’s late at night. Why did you call me to the beach?”

He suddenly replied, “Summer, you came just in time!”

“What’s wrong?”

“Hurry up, contact Gale now to see if she will answer your call!”

Summer looked at him strangely. “Why are you looking for Gale?”

After a pause, he said, “She is with Shawn. I can’t get through to Shawn’s phone.”

“So you are looking for Shawn.”

“Yes.”

Summer curled her lips. “What do you have to say for yourself? Joe, why have you turned into a workaholic all this time! You kept calling me when Dr. Lighton and I were eating dinner, and now you are still looking for the big boss, Shawn... How much salary does he pay you for working so hard!”

Joe was in so much pain that he could not tell.

He knew too much!

In this case, he could not say anything.

He felt suffocated!

How!

Time was running out!

At this moment, a passer—
by suddenly exclaimed, “Ah! Look, is that person trying to commit suicide by jumping into the sea?”

Joe and Summer looked at the sea together.

They saw a figure standing unsteadily on the railing of the yacht.

She was like a cardboard figure. As long as the wind blew, she would fall down!

The sea at night was so deep and so dark it could swallow a person in an instant!

Summer screamed, “God! Gale! That’s Gale!”

Suddenly, she ran straight toward the sea like crazy.

Joe pulled her back. “Summer!”

“It’s too late!” Summer’s entire face was extremely pale. “What is she going to do... Don’t think about doing stupid things! What should we do? Joe, do you have a solution!”

She grabbed Joe's hand and said, "Quickly, take me to the yacht. I'm going to persuade Gale!"

At this time, the yacht was floating on the sea, and it was not safe.

They would have to take a boat.

Joe looked around. "Follow me!" The beach was already full of people discussing that beautiful but extremely dangerous figure!

Shawn's mind went blank for a while.

He quietly looked at Gale, who climbed up the railing. His whole body felt as if he had fallen into a cellar of ice, bone-chillingly cold.

||

"Gale..." He could not understand why this happened. "Just now, we...we..."

Shawn's thin lips were trembling, unable to utter a complete sentence.

Obviously, everything was fine. She danced as he watched.

He hugged her, and she stayed in his arms obediently.

Although Shawn was very disturbed, he was immersed in the beauty of that moment.

Chapter 538

Chapter 538

Unexpectedly, a beautiful moment turned into endless fear!

Gale went straight to the railing at a speed that he could not have imagined and stood on it!

There was no protection around her!

As long as she fell, she would fall into the sea and be completely submerged!

Shawn tried to approach her. "Gale, come down. It's dangerous to be so high, and the wind is strong."

His voice was extremely soft and gentle, pretending that nothing had happened, pretending that he did not know what she wanted to do.

Get her down first!

Shawn stretched out his hand and said, "Gale, you are so thin, you are easily blown by the wind. Come here. Give me your hand, be careful."

Gale gently opened her lips and said, "Don't come any closer."

"I'm helping you..."

"Shawn, stop! Unless you want to see me jump right now!" she said.

Shawn stopped immediately.

The wind blew up Gale's skirt. The skirt was so close. As long as Shawn stretched out his hand to grab it, he could touch the thin gauze.

The hem of his suit was also blown by the wind.

What a strong wind... It would mess up his and her life!

Shawn looked at her deeply. "Gale, dear. Come down first."

Gale shook his head.

"Don't lie to yourself. Shawn, you know exactly what I want to do now. Take a look at me and look at me, okay?"

"Gale..."

Gale smiled. "We finally reached this point."

Shawn closed his eyes deeply.

He looked straight into his heart, and he understood.

When he opened his eyes again, his eyes were full of red blood.

"You are so abnormal tonight, and you are different from usual. I have already guessed that something is wrong. But I don't want to think about it, and I want to keep tonight beautiful."

"You are so beautiful, and you smiled at me so sweetly. It took away all my soul and made me addicted to it, unable to extricate myself."

“I thought, at least tonight, you belong to me. But, tonight, you gave me such a fatal blow...”

Shawn never expected that after the ultimate beauty, what Gale gave him would be a farewell forever!

She wanted to jump into the sea!

In an instant, he completely understood.

He understood why she acted like a baby with him, nestled in his arms, and asked him to feed her.

Understand why she wanted to dance for him.

He also understood... she had done all this because she planned to leave him forever!

“Gale, I can’t lose you anymore.” Shawn raised his hand, and the veil of his skirt brushed the back of his hand. “I can’t bear the pain of losing you!”

She jumped into the lake for the first time.

It was he who jumped down desperately and rescued her.

The second time, after the miscarriage, she took the knife and aimed it at his heart but stabbed herself with the backhand!

At that time, it was Shawn, who had quick eyes and quick hands, who grabbed the blade and stopped her abruptly!

The third time, Susan kidnapped her.

Shawn saved her at the cost of a crippled arm!

It was said that one had no more than three lives.

He never thought that such a near-death incident would happen to Gale for the fourth time!

“Gale, why don’t you cherish your life like this! Come down!” Shawn roared deeply.

She stood tall and looked down at him.

She also remembered all that had happened between them.

Scene after scene, like a movie, flashed before her eyes.

“Shawn, who wouldn’t want to live a good life? You only have one life, and who would want to die again and again? It was you who pushed me to this point again and

again. Why do you blame me?”

“I don’t force you anymore, Gale. Just come down!”

Chapter 539

Gale remained motionless. “My only choice is to jump.”

“No, what do you want? Let’s talk it out. I promise you everything. I agree to all your conditions!” Shawn tried to comfort her.

“I have one condition. You know what I want.”

Divorce.

She just wanted a divorce.

Shawn’s hand froze in mid-air and then slowly fell to his side.

He got it.

“Okay.” Without hesitation, Shawn nodded deeply. “Gale, I promise you a divorce. As long as you come down now and stop doing s*upid things, I will promise a divorce and let you go!”

Gale looked at him sadly. “If you had agreed earlier, why would I be standing here at this moment... Shawn, it’s already too late.”

“It’s too late!”

“It’s too late...” she murmured.

“You are lying to me. You will deceive me, then put me under house arrest, send people to monitor me day and night so that I could only live by you... It’s all fake!”

“No, it’s true. I promise you. We’ll go to the Civil Affairs Bureau to undergo divorce procedures tomorrow!”.

Gale smiled, shaking her head while laughing. “If only you had promised me earlier. It’s gone. Shawn, have you noticed that it’s always like this between us, always one step late.”

The repercussions lasted a lifetime.

“It is not too late. Come down, please. What do you want to believe that I will divorce! “Shawn repeatedly emphasized.

He wanted her to live, to live well.

He would not allow her to jump into the deep sea in front of her like this!

The sea was so vast he could not even catch Gale’s body!

“I want to believe you, but I don’t have time. Shawn, I just told you that if there is a next life, we will be together again. This sentence is sincere, and there is no

deception,” Gale said.

She would get acquainted with him step by step normally, get to know each other, and fall in love with him in her next life.

Follow the steps that all couples follow when they fall in love.

Then, get engaged, get married, have children, and grow old.

“Shawn, in the next life, let’s not be like this life where we met as enemies...”

Love and hate.

He looked at her with eyes full of pain. “Gale, don’t punish me like this.”

“What should I do if you jump off?”

“Every night from now on, whenever I close my eyes, I will dream about this scene.”

“You hate me so much that you would rather die than be with me...”

Shawn could not accept it. How could he live without Gale?

She chuckled and said, “I am beautiful tonight, and I think it would be a good last image of me.”

“This punishment is too harsh, too harsh... Gale.”

Gale looked at him and said, “You treated me even harder. Have you forgotten? Now, I will use my death to let you remember my life and make you feel guilty for the rest of my life. I am also cruel this time, Shawn. I can’t always be sad and in pain.”

She took a step back.

There was only a little space above the railing, and her feet were hanging in the air when she stepped back!

“Gale!”

Shawn subconsciously took a step forward.

He stopped, thinking he would quicken the process if he took a step forward!

He kept shaking his head. “Don’t, don’t jump. I beg you, Gale, come down, don’t jump, don’t die...”

“I promise divorce. I promise you everything!”

“So, for you, death is easier than staying by my side?”

Gale replied, “Yes. If I die, I will be free.”

“I only want you to live, I don’t want anything else! Gale, you can still discuss it. There is still time! If you jump off, you will really have nothing...” With a plop, Shawn bent

his knees and knelt directly on the ground.

“Gale, please, come down...”

He was so humble.

He just hoped she stayed alive.

Chapter 540

Chapter 540

Tears rolled down Gale's cheeks, and she raised her hand to wipe them away slowly.

Shawn regretted not agreeing to the divorce earlier.

She spent too much time and energy planning all this.

When she stood on this, she had to jump.

For the kids, Gale had no second choice.

She shook her head and said, "Shawn, don't kneel to me. I can't bear it."

"Please, Gale, give me your hand, and I'll help you down..."

Gale backed off a little.

"Tonight is the last memory I will give you, Shawn. If you miss me in the future, just think about tonight. What I want you to remember is what I am like tonight.

"The last sentence I leave to you is a blessing... to find someone you love fully with your heart and never leave each other."

Such irony.

The last entrustment left by the wife to the husband was to hope that he would love someone else and never leave her.

Shawn's heart was cut like a knife.

He yelled at her, "Gale, I will never love another!"

"There are *so* many people in this world. You will meet someone and I will be in your memory."

Gale opened her arms.

There was the sound of the roaring wind in her ears.

"Gale!"

She looked up at the dark sky.

Behind her was the dark sea.

The sky and the sea seemed to blend into one.

For her, the love and hatred in this life really came to an end, and it was over.

The future was a new beginning.

There was no Gale in the world anymore.

This life was too tiring, and she did not want to be with Shawn every day and night.

Gale closed her eyes.

“Farewell, Shawn.”

She fell backward, her feet completely leaving the railing.

Her body was like a kite with a broken string, falling straight from the yacht without the slightest pause!

“Gale!”

Shawn’s heart—
piercing voice echoed in the wind, drifting far, far away... Shawn rushed forward, the fastest he had ever moved, trying to catch her.

He caught it.

However, all he grabbed was the hem of her skirt.

There was a tear.

It could not stop Gale from falling.

In just two seconds, with a plop, she had already fallen into the icy seawater.

The salty and cold sea water completely surrounded her body!

“Gale...” Before Shawn could react, Gale had already jumped off.

What was left in his hand was a piece of pink fabric.

Only a piece of fabric from her skirt was left behind!

He looked at the pitch-black water with no end in sight, and without any hesitation,

he climbed over the railing and was about to jump down.

He can save her. He can!

Just like before!

His Gale would not leave him like this!
