## **Chapter 671**

Chapter 671

Joe stared at him with his arms folded. “Hey! What did you call me?”

“Brother!”

Joe was so happy that he could not close his mouth, smiling from ear to ear.

Someone actually called him brother!

He was still young!

Joe was very proud and pointed at Shawn. “So, what do you call him?”

Joshua said, “Uncle. If he becomes my father, I will change his title.”

“Why did you call me Brother but him Uncle?”

Joshua blinked and answered, “Because his hair is gray. Our hair is black, and you are young, so you are an elder brother to me!”

Joe laughed, leaning forward and backward.

As expected of Shawn’s spawn, the kid was really clever and interesting!

Shawn glanced at him coldly. “Is it funny?”

Joe said, “Of course. Shawn, you can dye your hair black when you have time.”

“Mind your own business.”

Shawn stared at Joshua again. “I won’t be your father, but I must meet your mother.”

“Why not. At least think about it!”

“No.”

Joshua shook his head and sighed again and again. “Oh, I’m so sad. Then I can’t take you to see my mommy.”

Shawn frowned deeply. “Why not?”

“Only Daddy can see Mommy. I’m sorry, Uncle. Since you disagree, I can’t agree to your request. This is called fairness!”

Joe was holding back his laughter until his stomach almost hurt.

Guess Shawn never thought in his life that he would fall into the hands of a three-year-old child!

Wait, no, he fell into the hands of his own son!

Joshua was quick thinking and Shawn could not keep up.

When Shawn proposed to meet his mother, he did not immediately refuse, but instead asked Shawn if he could be his father.

When he could not?

That was a shame, he could not see his mother.

Clever!

“Fair?” Shawn raised his eyebrows and said, “I’m being fair here.”

“Uncle, what do you want to do...”

Shawn said, “I only have one wife in my life, and I won’t marry again. No matter how interested I am in Molly, I will never marry her, let alone be your father. But I must meet Molly.”

Joshua realized that something was wrong and immediately stopped playing around.

He turned and ran through Shawn’s leg.

However, Shawn grabbed his collar after he took two steps.

Shawn easily picked him up with one hand.

“Hey, hey, let go!”

Joshua looked like an octopus, with his hands and feet flailing non-stop.

“You’re strangling me... Cough cough!”

“I can’t breathe!”

Joshua deliberately tilted his head, stuck out his tongue, and made a hung expression.

Shawn simply carried him on his shoulders.

He said, “Follow me. If you want to go home, ask your mommy to come pick you up.”

“Wow, no! Let me go!”

Shawn carried him and walked out.

The reporters held their microphones and watched this scene...all dumbfounded.

Just now, they seem to have heard Joshua call this man... Dad!

More than once!

Could it be that this man was Joshua’s father?

Joshua came from a single-parent family background, but when he won the championship today and became famous all over the country. Did his father come to him?!

Wh\*\*ps, big news!

## **Skeletons Of The Marital Closet by Wen Tang Tang**

### **Chapter 672**

Chapter 672

This story will be at the top of the headlines!

The reporters all packed up their computers and left quickly, returning to the company to stay up late and work overtime to catch up on the press release!

\*Joshua! Joshua!” Seeing this scene, Zoe hurried to catch up. “Who are you? Give me back the child!”

“Security, stop him. I don’t know him. Why is he taking my grandson away!”

Zoe was so anxious that tears came out. “Help, my child is being kidnapped in broad daylight!”

However, few people believed Zoe’s words, thinking she was old and spewing nonsense.

After all, Shawn has an extraordinary temperament and looks like a big shot, so how could he do such a thing as kidnapping a child?

Zoe chased after them crying but watched Shawn put Joshua into the car.

The car drove away!

No matter how hard Joshua struggled, he was small, and his legs were not as strong as Shawn's.

Shawn stuffed him into the car easily.

Joshua stepped on the seat with his hands on his hips. "Hmph, Uncle, don't think that you can bully me like this because you helped me. Bring me back quickly, or I will call the police and get the police to arrest you as a bad guy!"

Shawn was expressionless and calm. "How will you call the police?"

"7

1..."

He did not have a cell phone!

Joshua immediately attempted to lower the window, wanting to call for help.

However, the windows were locked.

When he was about to shout, Shawn kindly reminded him, "The glass is soundproof, so they can't hear you from the outside."

Joshua swallowed the words abruptly.

"What on earth do you want?" Joshua sat down, crossed his legs and arms, and looked at him co\*\*ly. "Why do you bring the matter of a woman in between us men?"

"Woman?"

"My mother is a woman!"

Shawn replied, "It's something between her and me that got you involved."

Joshua did not answer. "You haven't seen my mommy, let alone know her!"

"Your mommy is Molly."

- "That's right."

Shawn replied slowly, "I'm looking for Molly." The car stopped at the entrance of the five-star hotel.

Shawn picked up Joshua again and entered the presidential suite on the top floor.

When he arrived at the room, he put Joshua down and sat leisurely on the sofa with his legs crossed.

As soon as Joshua's feet touched the ground, he immediately ran to the door.

He pulled the doorknob vigorously, but there was no sign of the door opening.

He was almost hanging on the doorknob, but it was useless.

Joshua said, "Hmph! Uncle, I'll get angry if you do this!"

"What's your mommy's phone number?"

"I don't remember!"

Shawn nodded and said, "Okay. Then we'll wait together, wait for you to remember."

Joshua also realized that he could not get out.

He said to Shawn, "If you continue to behave like this, I won't like you anymore, and I won't let father!"

you be

my

"I never planned to be your father."

"You..."

Shawn handed him the phone. "Think carefully. I know you must remember Molly's number."

Joshua turned his head away, angry, with his mouth raised high.

He looked kinda cute.

Shawn did not intend to make things difficult for him at first, as he just wanted to lure Molly out.

"Don't worry. I'm not a bad person, and I won't hurt you." He stretched out his hand, wanting to touch Joshua's head.

Joshua immediately avoided him, not letting him touch his head.

His hand was empty.

His heart... suddenly felt empty.

## **Chapter 673**

Chapter 673

Shawn withdrew his hand. “I just want to see Molly, I have no other intentions.”

“My mommy will see you whenever she wants.”

“She will come to you and pick you up. I will be able to see her, won’t I?” Shawn said.

“I will run out!”

“You can try.”

Joshua jumped up and down in the room, groping in various ways, and almost set off the fire alarm. He was really loud.

Shawn just looked at him and let him do whatever he wanted.

In the end, Joshua was sweating all over but could not find a solution.

“Bad uncle!”

“Did you remember the phone number?”

“I won’t tell you if I remember it!”

Shawn replied flatly. “It’s okay, I have plenty of time and... means.”

Joshua raised his head and said, “I’m not afraid of you. I won’t succumb to your violence! I’m a man, and I

stand upright. I want to protect Mommy, the best Mommy in the world. Bad uncle, take this!”

He dug out a water gun from nowhere and started squirting water on Shawn!

The water was mixed with paint!

Shawn’s suit was dyed in various colors.

Joe came in and saw this scene just in time.

“This is... What game are you playing?” he said.

“Who’s playing.”

The two said in unison.

Joe replied, “Then, this is...”

Joshua said, “Down with the bad guy! Brother, save me!”

Joshua threw the water gun and ran to Joe’s side, hugging and climbing onto him.

If it were any other child, Joe would have picked him up and thrown him out.

However... this was Shawn’s son!

He bore it and tolerated it!

Several footprints soon appeared on Joe’s trousers.

Joshua h\*\*ed his neck. “Brother, he is a bad guy. He wants to lock me up here. Take me away quickly and go find the police uncle to arrest him!

“Bad guy.”

“He is!”

2/2

Joe leaned into his ear and whispered, “Actually, his brain is not very good.”

Joshua’s eyes widened. “Is he crazy?”

Joe said, “Yes, you can take it as such. You didn’t notice he looks young but is his hair all white?”

Joshua nodded. “Did his hair turn gray because of his illness?”

“Yes. It’s okay. Calm down. I’m here. I’ll rescue you, so don’t say anything. This is a little secret between the two of us, and no third person should know, okay?”

“Okay.”

Joe quietly shook hands with Joshua.

Only then had Joshua gotten off him and sat on the single sofa, no longer tossing or causing damage. Shawn was surprised.

He asked Joe, “What did you tell him? He became so obedient all of a sudden?”

“Children are basically the same as women. You can just coax them, and you’ll be fine.”

“How to coax them?”

Joe had an inscrutable expression on his face. “That’s my exclusive secret. I won’t let it out.”

Shawn pressed his brows deeply. “He won’t give me Molly’s phone number. Now I can only wait for Molly to come to him.”

After all, Shawn took Joshua away in front of so many people. Someone would have told her.

Waiting.

It was currently the only way.

“Knock, knock...” There was a sudden knock on the door.

“Come in.” The waiter came in, pushing a small cart full of snacks.

There are three full shelves.

The first shelf had potato chips, cola drinks, chocolate, and so on.

## **Skeletons Of The Marital Closet by Wen Tang Tang**

### **Chapter 674**

Chapter 674

The second shelf had fried chicken, burgers, roast duck, pizza, and steak.

On the third shelf, there were barbequed ribs, which were still glistening!

“Mr. Wood, here is what you asked for. Is there anything else you need?”

“Get out.”

“Yes, call me if you have any other requests.”

Joshua looked at the cart with his eyeballs about to pop out.

Who could stand this!

It was so fragrant!

The smell of freshly barbequed ribs, mixed with the delicious smells of pizza and fried chicken, soon permeated the room.

Joshua kept salivating.

From the start of the competition to now, he had not eaten anything. He originally planned to go out for a big meal with Mommy and the others, but now he was stuck here and could not get out!

He was very hungry.

It smelled so good.

Joshua stared at the food, unable to move his eyes away.

“Do you want to eat?” Shawn asked deeply.

“Yeah!”

“Do you remember your mommy’s phone number?”

Joshua immediately shook his head. “I don’t want to eat.”

Shawn pointed at the corner of his mouth. “Your saliva is coming out.”

He raised his hand to wipe his mouth.

“These are all prepared for you. As long as you recite the phone number, you can eat it right away,” Shawn said.

Joshua’s small face was full of confusion.

He was not afraid of being threatened but... using food as blackmail!

His stomach was growling, and the smells were tantalizing. He could not hold on any longer!

“Brother...” Joshua looked at Joe pitifully.

Joe covered his face.

He did not expect Shawn could come up with such a dangerous move!

Five minutes passed.

Ten minutes passed.

There was already a puddle of saliva on the floor in front of Joshua.

2/2

However, he still bit his tongue.

No way!

Absolutely not!

Seeing that his perseverance was so strong, Shawn picked up his utensils and slowly started to eat in front of him.

“This fried chicken is good. It’s crispy on the outside and tender on the inside. The chicken is delicious and juicy.”

“Hmm... the steak is of good quality.”

Shawn deliberately ate slowly, chewing bite by bite. He placed it near Joshua’s mouth and let him smell it.

In fact, he is usually not interested in such high-calorie food and usually would not take a bite.

However, he went all out for Joshua today.

Joe could not stand it anymore and said, “Shawn, behave.”

“What do you mean?”

“You plan to fight a war with him.”

Shawn said, “It’s just a child. Come on. What else can I do?”

Joe stroked his chin, his mind spinning rapidly.

This little kid should not be deceived by the delicious food...

He has to find a way to let Joshua go but pretend that Joshua slipped away by himself.

This should be well-planned.

At the same time, Zoe rushed back to the hospital.

Zoe pushed open the door of the ward, panicked. “Gale, something happened to Joshua! Joshua was – taken away!”

Gale had just put Nicole to sleep when she heard the news. Her face turned pale.

“What?”

She subconsciously thought of Shawn!

He suddenly appeared at the main entrance of the competition site in a hurry. Did he come for Joshua?

Gale asked hurriedly, “Who took Joshua away? Why did he take him away? Didn’t you stop him?”

Zoe spat out, “It’s a young man with white hair! He seemed to be friends with Joshua, and the two were chatting. It was normal at first, but then, I don’t know what happened. He suddenly picked up Joshua and left!”

## **Skeletons Of The Marital Closet by Wen Tang Tang**

### **Chapter 675**

Chapter 675

“Then what happened!”

“I ran after him, but he had already gotten into the car. The car was driving so fast that I couldn’t catch up at all! The people next to me didn’t believe that man was a bad person, and no one helped me! I have no choice but to come back and look for you!” As she spoke, Zoe began to cry with guilt.

Gale was weak and leaned against the wall.

Joshua was taken away by Shawn... She had roughly guessed what was going on.

Shawn must have known that Joshua was Molly’s child. In order to find Molly, he used her child to force Molly to show up!

It had been four years. Why was Shawn still so shameless?

Gale took a deep breath and said, “Okay, Zoe, I see. You’re not to blame for this. I’ll find Joshua, and you stay and take care of Nicole.”

“How do you do that? You know who that man is?”

“Yeah.”

Zoe was very worried. “Gale, is that man... is your ex-boyfriend? Will your identity be exposed?”

Gale patted Zoe on the shoulder. “I have my ways. Don’t blame yourself. Joshua is fine.”

“Do you want to find Aurum?”

Gale shook her head. “I can do it myself.”

There are two paths to choose from; she could go to see Shawn.

Joshua was in his hands.

Nicole needs his bone marrow.

Gale never expected that Shawn would discover the two children just like that.

It was wishful thinking to want to hide the child.

It was fate.

Gale has already decided to look for Shawn!

Anyway... given Nicole’s illness, she will have to see him sooner or later.

She just did not expect it to happen so soon.

Joshua was exposed now, and she had no more cards left.

Gale felt unspeakably uncomfortable, but she had no way to vent it, and there was no place to vent it!

Pulling herself together, Gale went to the hotel at night.

According to Shawn’s style, he will pick the most high-end and luxurious place.

So, she went straight to the most luxurious five-star hotel in the city and reported Shawn’s name at the front desk. “I am his friend.”

“Mr. Wood lives in the presidential suite on the top floor. Do you need me to lead the way?” the front desk asked.

“No.”

“Okay, the elevator is over there.”

Gale felt like a walking dead.

She pressed the elevator, walked in, and selected the floor with her mind muddled.

She could not believe they would meet again... What was she going to say to Shawn?

They have not met for such a long time.

Shawn would not have expected them ever to meet again.

The elevator door opened, and the room number of the presidential suite was 8888.

Gale knew that Shawn was inside.

She had to go in.

It was as though she was walking into the lion’s den.

Her finger rested on the doorbell.

She could not bear to press it down.

Why? It had been four years, and she still had to take the initiative to find Shawn and beg him!

Gale’s hands kept shaking, but she still could not press it down.

She was afraid.

Just when she was hesitating, the door suddenly opened!

Gale was so frightened that her heart missed a beat. She took two steps back and almost lost her balance and looked up.

She thought it was Shawn because it was his room!

However, it was not!

It was Joe!

## **Skeletons Of The Marital Closet by Wen Tang Tang**

### **Chapter 676**

## Chapter 676

Joe was also shocked.

When he opened the door and looked up to see Gale standing there, he thought for a moment that he had seen a ghost!

This was too startling!

Gale was startled. "You..."

Joe reacted quickly, covering her mouth with one hand, closing the door with the other hand while dragging her, and hiding in the utility room next to her!

The utility room was small, just big enough for two people to stand!

Joe was still in shock and stared straight at her. "You... you are Gale."

She smiled helplessly. "Mr. Winter, don't you know me?"

"I just wanted to be sure. I always feel like I'm dreaming!"

"I also feel like I'm dreaming. Life is like a dream..."

Joe asked, "Why are you here? Are you looking for Joshua?"

Gale nodded. "That's right. Shawn took him away, so I came to get my son back."

"Then you've thrown yourself into a trap!"

Joe was afraid for a while.

Fortunately, he was the one who opened the door.

If it were Shawn... he could not even imagine that scene!

Gale asked, "What can I do? Being a coward all the time? Nicole needed his bone marrow, and Joshua fell into his hands. I have no other choice!"

"You have already decided to go back to Sea City with Nicole and complete the bone marrow transplant?"

Gale gave a long sigh and said, "I'm still waiting for the news from the bone marrow bank, and the results will be available next week. If it's not available, I was already planning to see Shawn and ask him to save my daughter."

However, she would not choose to return to Sea City if there were other options.

She just had no other choice!

Joe was about to say something when footsteps came from outside.

Immediately afterward, Shawn's voice sounded, "Did someone from the front desk say someone called Molly is looking for me?"

"Mr. Wood, not yet."

Gale dared not let out a pip.

It was because Shawn was outside!

She was almost able to smell the cologne on him!

Gale even felt that her heartbeat was so loud that Shawn would hear it!

"Well, keep searching. Don't relax," Shawn said.

"Yes." The footsteps slowly receded.

Shawn went back to his room.

Gale clutched her heart. Her whole body was on the verge of a nervous breakdown.

After a few more chance encounters like this, she might go crazy.

Fortunately, when she went to the front desk, she never mentioned her name, and she was wearing a mask, hat, and sunglasses to cover her tightly.

Joe frowned. "Are you here just to pick up Joshua, or do you want to talk to Shawn about Nicole's illness?"

"Nicole has to go back to Sea City, but Joshua... I want him to have his own life instead of being bound by the destiny to inherit the Wood Group."

Joe said, "I understand. You go to the back door of the hotel and wait. I will find a way to let Joshua escape.

"How?!"

"Don't worry. It's too dangerous here for you!"

"Okay."

Gale still trusted Joe very much.

He knew all her secrets.

Yet, he chose to help her.

Gale left.

Joe returned to the presidential suite.

Shawn glanced at him deeply, propped his chin with one hand, and continued to look out the window.

- Joshua was eating a salad.

After all, Shawn could not starve him to death, so he gave him some fruits and vegetables. Even the chicken breast was fried without oil.

Joshua gobbled it all up.

He wanted to eat the food on the cart!

Joe moved closer to him. “Joshua, I just saw your mommy.”

Joshua immediately looked at him happily, but then he looked worried again.

## **Skeletons Of The Marital Closet by Wen Tang Tang**

### **Chapter 677**

Chapter 677

‘Why is Mommy here!

‘Can’t let the bad uncle see her!

“Your mommy is waiting for you at the back door. Wait a minute, I will pretend to fall

asleep, and you sneak in and steal the room card. The room card is in the inside pocket of my suit jacket,” Joe said.

He also specifically pointed it out to Joshua.

“Once you get the room card, you can open the door I will send the bodyguards away in advance, but I don’t guarantee that you can escape Joshua, the rest is up to you”

Joe could not let anyone know that he had let Joshua go.

He still wanted to be Shawn’s friend!

He could only help to a certain extent!

For the rest, it will be up to Joshua!

Joshua responded, “Okay. I understand.”

Joe patted his head, feeling a burst of emotion in his heart.

They are obviously a family, and blood is thicker than water, but they have their own concerns and do not recognize each other.

“Oh, I’m sleepy. Shawn, Molly hasn’t shown up yet. What should I do?”

“Wait.”

“Okay, then wait, I’ll go to sleep first. I don’t know what you want me to do. This town is small. How can it compare to Sea City,” Joe said, yawning and walking toward the bedroom.

However, he was thinking in his heart that he was so glad he had come!

Otherwise, he would not know how today would have ended!

It turned out that he existed to help Gale’s mother and son, not to help Shawn at all!

Shawn probably never expected that he would shoot himself in the foot.

Joe entered the bedroom.

Joshua remembered what Joe had said just now.

He rolled his eyes and deliberately dropped the vegetable salad on the ground. “What is this? I don’t want to eat it!”

Then, he jumped off the sofa and announced, “I’m going to wash my hands.”

Anyway, Joshua could not leave this room.

He will wait until dark.

He did not believe that Molly would never show up!

In this round, Shawn was very confident that he would win for sure!

Joshua washed his hands and slipped into the bedroom when Shawn was not paying attention.

Joe was lying on the bed, leaving his suit jacket aside, and was fast asleep with his eyes closed.

Joshua quickly got the room card.

Before leaving, he said in a very low voice, "Thank you, Brother.

Joe's eyelids moved, but he did not open them.

Joshua knew he had heard it.

Walking out of the bedroom, Shawn was standing in front of the window, looking at the heavy traffic below.

"Joshua," he suddenly called out.

Joshua was so scared that he responded reflexively. "Here!"

"Aren't you sad that Molly had not come to pick you up?"

It turned out he was asking a question.

Joshua thought that this weird uncle had found out that he had stolen the room card!

False alarm!

Joshua said, "I'm not sad, you are a bad person, and I don't want Mommy to fall into your hands. Even if you lock me up for a day, I won't reveal Mommy's phone number and address!"

"So, how about I bring you back to Sea City?"

"Sea City? Is it the most beautiful seaside city in the country? I heard it's warm like spring all year round."

Shawn nodded. "Yes. Do you want to go?"

Joshua directly refused, “No. No matter how beautiful a place is, it’s meaningless without Mommy!”

Shawn fell silent, put one hand in his trousers pocket, and continued to look into the distance.

Seeing that he had relaxed his vigilance at this moment, Joshua seized the opportunity, ran to the door quickly and opened the door.

## **Skeletons Of The Marital Closet by Wen Tang Tang**

### **Chapter 678**

Chapter 678

Beep! The door was unlocked!

Joshua immediately pulled down the doorknob!

It was only when he heard the sound that Shawn realized that something was wrong and quickly turned around to look at the door.

He only saw Joshua’s small figure zipping out of the door! Gone!

What happened?

How did Joshua open the door?

“Stop!” Shawn’s pupils shrank, and he immediately chased after him. “Joshua! Stop!”

He was tall with long legs and reached the door in two or three steps.

Joe in the bedroom heard the movement, got up immediately, and pretended not to know anything. “What’s the matter? What happened?”

Shawn did not have time to answer him and disappeared in a swish.

Joe thought he had to follow... to cause trouble.

He had to stop Shawn from catching Joshua!

Joe ran behind.

Joshua ran extremely fast.

Shawn roared, “Stop him! Trash, what are you still doing!” The bodyguard was carrying two bags full of fruit, and upon hearing Shawn’s order, he was not sure if he should throw it away.

Mr. Winter asked him to buy this for Shawn.

The bodyguard wondered if it would be bad if he dropped the fruits.

Joshua took advantage of the bodyguard’s hesitation, and he had already run to the stairs. He was smart enough not to take the elevator.

Only by using the stairs and the complex terrain could he escape successfully!

By the time the bodyguard reacted and dropped the fruit to catch Joshua, the little devil had already slipped into the stairwell swiftly.

The sound of treading footsteps sounded hurriedly.

“Mr. Wood...”

“Shawn!”

Shawn chased after him without saying a word.

He could not believe it. With so many people, Joshua could escape from under his nose!

Joe stood by the banister of the stairs, looked down, and could see Joshua descending the stairs at such a high speed that most people could not catch up with him.

The young man was very quick, not bad.

Although Shawn was also chasing after him, he was always separated by a flight of stairs.

After all, children are smaller and more flexible.

Moreover, Joshua jumped, put his upper body on the handrail of the stairs, and slid down.

“Mr. Wood!” The bodyguard wanted to catch up but was stopped by Joe. “Let’s... take the elevator to the first floor to intercept him.”

“Yes, Sir.”

Joe turned around and walked slowly toward the elevator.

The elevator was still on the eighth floor, and it had to go up before going down.

Joshua did not know how many floors he had gone down.

The stairs twisted and turned as if there was no end to it.

The sound of Shawn's chasing footsteps was still heard behind him, making Joshua not dare to relax.

He pr\*\*ed up his ears and listened carefully for other voices.

Finally, on the first floor, he heard a ding, followed by the elevator door closing slowly.

This was the time!

Joshua ran out of the stairway and went straight to the elevator. "Wait a minute!"

When the elevator door was about to close, he successfully jumped into the elevator with his short stature!

By the time Shawn caught up, the elevator had closed and was heading downward!

"D\*\*n it!"

Shawn slammed his fist on the wall!

## **Skeletons Of The Marital Closet by Wen Tang Tang Chapter 679**

Chapter 679

He would be a laughing stock if he allowed Joshua to escape this way.

They chased him to the first floor.

At the elevator door, Joshua was the first to run out nimbly, heading straight for the back door.

'Mommy, here I come!'

Gale was waiting at the back door.

When she heard the sound of running footsteps, her eyes lit up. "Joshua? Is that you?"

“It’s me!” he yelled before he saw his mother.

Gale waved her hand. “Joshua, hurry up. I’m here! I’ll take you home!”

Joshua flew himself into her arms.

Gale picked him up without hesitation, turned around, and ran toward the car parked on the side of the road.

They jumped in the car and prepared to escape!

The moment she was about to start the car, Shawn ran out.

He saw the small white car at the back door at a glance.

Also, Joshua was lying on the car window and making faces at him.

He was mouthing at him, “Bad uncle, goodbye. My mommy is here to pick me up!”

He glanced at the driver’s seat.

He vaguely saw a graceful silhouette in the cab.

That was Molly!

Molly was wearing a cap with a lock of hair hanging on the side of her face, and her red lips were slightly pursed.

The car drove away and passed by in a flash.

Shawn only saw the rear of the car.

Terrible!

To let the mother and son escape from his palm like this!

He must give chase!

Shawn stopped a car, pulled the driver out, and sat in.

“Hey, hey, what are you doing... Why are you stealing my car!” The driver pulled the door to prevent Shawn from leaving.

“Let go!” There was no opportunity to delay any longer. Otherwise, Molly and her son would

escape!

Joe ran out at this time. “Shawn... where is he?”

“Come on, get in the car!”

Joe hesitated, “This is someone else’s car.”

He was deliberately dawdling, delaying time.

Shawn directly took off the ring on his little finger and threw it to the driver. “I’ll borrow yours for now. Here!” The driver saw that the ring was made of pure gold and immediately agreed cheerfully. “Okay, you can borrow it for a few days!”

Shawn used to be a race car driver.

He should be able to catch up.

Unless Molly’s driving skills are better than his!

Joe had just gotten in, and before the car door had time to close, Shawn had already stepped on the gas pedal.

The car drove out like a fast-shooting arrow.

Joe was almost thrown out.

He quickly closed the car door and quickly fastened his seat belt. “Shawn, I don’t want to end

my

little life yet. I’m not married and have no children. I don’t want to die now!”

“No one will let you die! That white car is right in front!”

“Is that Molly’s car?”

Shawn responded, “Yes!”

He held the steering wheel with both hands. His eyes were sharp and focused, he kept overtaking and changing lanes, and the car shuttled nimbly.

The distance between the two cars closed in.

Joshua noticed something was wrong. “Mommy, there’s a car following us!”

Gale glanced in the rearview mirror.

It was Shawn.

With a serious expression on her face, she stepped on the accelerator a little more, and the car’s speed instantly increased.

## **Skeletons Of The Marital Closet by Wen Tang Tang**

### **Chapter 680**

Chapter 680

She had to stay calm.

These moments called for calmness so she could act sharp!

“Joshua, sit down and put on your seat belt.”

“Alright, Mommy! You can concentrate on driving and leave me alone!”

Gale also started to overtake cars, change lanes, and speed up.

She was much more familiar with this city than Shawn.

In the past two years, she often accompanied her boss on business trips and inspected various stores, so she was familiar with them. She did not need to turn on the navigation to go wherever she went, and she remembered the way.

Joshua said, “I believe you can get rid of him! Mommy, do you remember that there is a fork in the road ahead?”

“Yes.”

“There we are. You can get rid of him!”

Gale nodded. “Okay!”

Even after the fork, Shawn was still chasing after them.

Joe rubbed his chin, thinking, ‘It’s impossible to go on like this.’

He had to figure it out again.

Ugh.

He was so tired of fixing this mistake.

He had already betrayed Shwan! They were brothers for many years! Joe felt terrible.

What a predicament!

“Shawn, are you sure you can catch up?”

“Shut up and watch her car closely.”

Joe replied, “My words don’t affect my staring at Molly’s car. Be careful! There is a car on the right!”

Shawn turned the steering wheel to the left.

After making a slight turn, he sped up and directly left the car on the right behind forcefully and domineeringly.

Soon, the car came to another fork in the road.

This was a thr\*\*ay intersection, and it was also the road with the heaviest traffic and the most cars.

Shawn ordered, “Joe, look carefully. Which fork in the road did she take?”

He could not see her car. He relied on Joe.

He trusted Joe enough.

Not knowing that Joe had lied many times.

Joe clearly saw Molly’s car driving up the middle lane.

In the end, he opened his eyes and lied, “Left, go to the far left. She entered the left lane.”

“Okay.”

Joe said silently in his heart, ‘I’m sorry, Shawn.’

I’ll buy you more drinks later to relieve my guilt!

Just when Shawn was driving into the left lane, Joe suddenly said, “No, in the middle, just now Molly kept changing lanes. I thought she was going to the left lane but ended up in the middle!”

However, Shawn has now entered the left lane!

It was too late!

He could not turn around!

Shawn slammed on the brakes!

A car crashed into them with a bang.

There was a rear-end accident.

Shawn punched the steering wheel hard and roared angrily, “Joe!”

Joe fell silent.

Shawn asked deeply, “I told you to watch the car. Joe, don’t you know how important this matter is!”

It was all right now.

The car was gone.

Both Molly and Joshua fled.

After so much effort today, it ended up for nothing!

Joe remained silent.

He did it on purpose. How dare he refute it.

Not even an explanation!

Shawn punched the steering wheel again. “Joe, are you an undercover agent sent by Molly?”

Joe replied, “I’ve never seen Molly before...”
