Chapter 761 - 770

Chapter 761

At the slenderest part of her waist was a heart-shaped birthmark.

The shape was unique, but the location was relatively hidden, so very few people knew about it.

Only Summer and Shawn knew about it.

In the past... when he was happy and they were in love, he would lower his head and kiss her birthmark.

"Gale, apart from me, no other man knows of its existence, right?"

She frowned and asked, "Why are you asking this?"

Shawn's heart sank immediately. "If you don't answer me directly, then..."

Other men knew!

Who!

How would they know!

Unless she was naked, no one could see it!

Gale replied

waist!"

directly, "Yes. Yes. There is another man who knows that I have a birthmark on my

Jealousy was about to swallow Shawn's rationality!

However, he still managed to keep calm and asked, "It is... my father-in-law? Right?

You're kidding me, Gale."

His father-in-law was also a man, so it was normal to know the birthmark of his daughter.

Gale replied, "Oh, thank you for the reminder. Besides you and my dad, another man knows about it."

Now, Shawn could no longer calm down.

His hands were frozen there, motionless.

Shawn asked, "Who is it? Gale, who is he?!"

Did she have another man in the four years since she left him?

Has she started a new relationship?

Just thinking about it made Shawn almost go crazy!

He could not accept that there were other men who had her!

He would not allow it!

"Who... Is he related to you?"

Gale asked, "Only you are allowed to have someone else like Winnie, and I am not allowed to have other men?"

"Nothing happened to Winnie and me!"

Gale asked, "Must something happen in order for him to know of my birthmark?"

Shawn was at a loss for words.

However, even if nothing happened between Gale and that man, why would he see the birthmark.

on her waist...

Shawn dared not to think any further.

He was afraid that he would lose control of his emotions!
“Gale... You are torturing me.” Shawn pressed his forehead against her shoulder.
“Using your method, you gave me the cruelest torture!”
Gale closed her eyes again and stopped talking.
The man who also knew that she had a birthmark... was Joshua.
Their son.
However, she would not tell Shawn.
Later that night, in a plain apartment, the lights were on.
Natalie stood beside the sofa, looking at Winnie.
She hid Winnie here, and no one knew about it.

Chapter 762

Natalie asked, “What happened? Have you had plastic surgery to look just like Gale?”
Winnie nodded.
“What have you been doing in the past few years since you were blacklisted?”
“Natalie, I’m at a loss now. Only you can help me... I must go back to Shawn. I want to replace Gale! It doesn’t matter whether it’s real Gale or fake Gale. I will squeeze her down!”
Natalie was full of doubts. “Answer my question first. What’s going on!”
“I had plastic surgery to look like Gale, and I was able to move into Temperley Hall. Although Shawn knew that I had plastic surgery, he was greedy for my face, so he kept me there and treated me as a substitute,” Winnie replied.
“It turns out that the rumors everywhere in Sea City about the woman brought back to Temperley Hall by Shawn were actually about you?”
Natalie had heard a little about these things from a few rich wives and famous ladies. However, she did not expect it to be Winnie!
“Yes, everything was going as I wanted until... Gale came back!” Winnie’s emotions suddenly became agitated. “She was resurrected!”
“Natalie, do you know? She also brought a girl with her, saying it was her and Shawn’s daughter! This year is three and a half years old!”
“They lived together in the hospital as a family of three... For Gale, Shawn kicked me out of Temperley Hall and wanted to redo my plastic surgery! I escaped desperately!”
“Then how could it be Gale? Obviously, many people saw her jumping into the sea and found her body!”
Winnie became nervous again. She grabbed Natalie’s hand and squeezed it tightly.
“Hospital? Why are they in the hospital?” Natalie was a little puzzled.
Winnie shook her head. “I don’t know... I went to the ward, Mr. Wood kicked me, and I almost coughed up blood. He would do anything for Gale and only has eyes for her.”
Winnie started muttering to herself repeatedly, saying some incomprehensible crazy words.
Natalie was thinking... What should she do?
Gale’s return gave her a sense of panic.
In particular, as soon as Gale appeared in Sea City, Aurum ran into her.
This was too much of a coincidence.
Natalie wanted to drive Gale out of Sea City and even wanted her to disappear forever,

never to
return!

If she could use Winnie, would she be able to deal with Gale better?

A trace of malice flashed in Natalie's eyes.

She just wanted to see Gale leave with nothing and have a miserable end!

Why was Gale here?

Shawn liked her, which gave her
her power.

Once Shawn hated her, Gale was nothing! Nothing at all!

Natalie said suddenly, "Winnie, calm down. Stop being crazy. Don't you just want to go back to Shawn's side?"

"Yes! Yes! I want to be Mrs. Wood, I want to marry into a wealthy family, and I want to bear children for the Wood family... Natalie, can you help me? Do you have a solution?"

"Of course, there is a way, but how can we accomplish anything with your current state of mind?"

Winnie nodded again and again. "I'm not crazy, Natalie. I'm just emotional! I'm sober! You saved and helped me escape from Shawn's pursuit. I can stop picking up garbage! You are my great benefactor!"

Natalie said, "Okay. You stay here with peace of mind, take care of your body, maintain your appearance, and become a normal person... Leave the rest to me first!"

She wanted Gale to lose everything and leave Sea City, let Winnie replace her, and become Mrs. Wood!

'Gale, you asked for this. Who told you to try to seduce Aurum?' she thought.

Whoever dares to covet Aurum will be targeted by her!

Natalie rolled her eyes and soon had an idea.

The first step she had to figure out why Gale was staying in the hospital as soon as she returned to Sea City.

Only by knowing the enemy can you win every battle!

As the daughter of the Yarn family, Natalie also had connections in Sea City.

Chapter 763

Furthermore, she grew up in Sea City since she was a child. She was very popular and social. It was easy to inquire about anything.

However, Shawn was not an ordinary person, and he protected Gale too well, so no one knew anything.

However, Natalie thought of another trick.

She contacted the nurse in the hospital and paid a bribe. Only one nurse dared to respond.

"Go and ask your colleagues about who is sick and why they are living in the VIP ward."

The nurse quickly agreed to it.

Natalie quietly waited for the news.

Aurum stood by the car door at Sea City Airport, looking toward the exit.

Until a small figure appeared in his line of sight.

Joshua dragged the little yellow suitcase, wearing sunglasses and a hat, walking very co**ly.

Aurum immediately stepped forward.

“Uncle Lefting!” Seeing him, Joshua quickly waved. “Here, here!”
 Aurum took his suitcase. “You’re so small, but the suitcase looks tall.”
 Zoe said, “It’s because he insists on taking it by himself. Gale has always taught him to do his own things, so he does everything himself.”
 “I can move it. I’m a little man with great strength!”
 Aurum bent down to pick him up, sat up directly on the suitcase, and then pushed him to the car. Is this your first time flying?”
 “Right!”
 He smiled. “Is there any place you really want to go? I’ll take you there.”
 “Playground! I play alone without Nicole’s company, and it’s quite boring. Forget it. Let’s meet Mommy first!” Joshua said but soon lost interest.
 “I haven’t told Gale yet, that you’ve come to Sea City.”
 “Then when are you going to tell her? Or do you want to surprise her?”
 Aurum sighed. “Surprise? I think she is more frightened.”
 Joshua replied confidently, “How is it possible? She will be overjoyed to see me!”
 “You go to stay at my house first. I need to discuss it with her.”
 Joshua eagerly looked forward to it. “Can I do it today?”
 www
 “Most likely not.”
 Hearing Aurum’s words, the light in his eyes went out again.
 Joshua did not understand why it was so difficult to see Mommy. Is it possible to see Mommy?
 Aurum patted his head. “You still...”
 “I’m still young, so I don’t understand. I knew you were going to say that again. I’m not young anymore. I’m the pillar of the family!”
 As he spoke, he quickly jumped down from the suitcase, raised his hands above his head, and acted as if he was supporting the sky.
 Aurum was unsure whether to laugh or cry.
 Such a precious child.
 Joshua’s movements were too abrupt, his hat was crooked, and his sunglasses slipped off.
 The airport was crowded with people, and soon someone recognized him...
 “Hey, isn’t this the piano genius Joshua?”
 “Yes, yes, wow, he is cuter than on TV!”
 “His bangs are so cool!”
 “Who would have thought that he could play the most difficult piano piece in the world at such a young age!”
 The crowd gradually gathered and began to surround Joshua.
 Joshua waved his hand very naturally and greeted, “Hi, hello!”

Chapter 764

Aurum reached out to pick him up and quickly carried him into the car!

Even though he was recognized, he stayed to say hello instead of running!

At this time, Aurum suddenly realized...

He was a fool for agreeing to Joshua's coming to Sea City!

This little devil was not as easy to control and obedient as he imagined!

"Don't be nervous, Uncle Lefting." Joshua saw his anxiety and said, "I won't cause trouble, absolutely, absolutely, I swear!"

Aurum warned, "Okay, then you must firmly remember my words. You follow Mrs. Zoe and stay at my house. Don't say that your mother is Gale. When others ask, you just say you are Mrs. Zoe's grandson, your parents are divorced, so you follow grandma."

"I know, I know!"

Aurum was still a little worried, thinking about what he should say.

Joshua leaned over with a playful smile and stretched out two fingers. "Uncle Lefting, I will only be here for two days, and I'll be back on the weekend night, don't worry!"

His heart melted.

Fortunately, Zoe had stayed at his house, and some of the older ser**nts still recognized her and had no doubts about Joshua's origin.

Natalie was so busy scheming against Gale and supporting Winnie that she did not even notice these trivial things among the ser**nts!

Joshua followed Zoe and temporarily stayed at Aurum's house.

Although Aurum already regretted it a little, since Joshua was here, he still had to contact Gale.

He learned his mistake. In the future, he would not soften his heart and be tricked by Joshua.

This little devil was no ordinary kid!

When Gale saw the caller ID, her heart sank slightly.

Fortunately, Shawn was not in the ward, so she hid in the bathroom and answered, "Hello, Mr. Lefting."

"Gale... I have something to tell you."

"Go ahead. I am convenient now, and there is no one around."

"Joshua has come to Sea City. Zoe took him to live at my house. He... wants to see you and Nicole,

Aurum said,

Gale was shocked. "How did he come to Sea City?"

Aurum sighed. "Yes... I picked him up. He made a video call to me, crying and saying that he missed you, and I caved, so I promised to let him come over for two days on the weekend."

Gale gripped the phone tightly.

She knew it was Joshua's trick, but she could not blame him.

Joshua stayed alone and could not see her and Nicole, and it was reasonable for him to miss them.

She also missed her son.

"He's here, but how can we meet? It's not realistic for me to go to your house or for him to come to the ward," Gale asked.

What reason does she have to go to Aurum's house?

What reason did Joshua have to come to the ward?

This was a big problem.

"Gale, I know this would cause you trouble, and I also understand your purpose for keeping Joshua away." Aurum blamed himself. "Next time..."

"Let's not talk about that, Mr. Lefting, I'll think about how to meet up first, and I'll contact you later."

After hanging up the phone, Gale was very flustered.

She expected that this day would come. Joshua was so smart it was impossible for him to stay in the small town.

It was just that she did not expect this day to come so quickly, and Joshua even found Aurum!

Gale was hurting her head, thinking about how to meet.

She could not let Joshua come. She blamed herself for leaving her son alone.

Gale was so restless that she did not even hear Nicole calling her several times.

Chapter 765

Nicole stretched out her hand and shook it in front of her eyes. "Mommy, what's the matter with you?"

"Ah? Oh, I...I'm fine. You're about to have surgery. Are you afraid?"

Nicole shook her head. "I'm not afraid at all because I have you and Daddy!"

"Nicole, your brother is here too. Do you want to see him?"

Nicole's eyes lit up instantly. "I want to meet you! Where is he?"

"Hush... Keep your voice down, this is a secret between us, and no one else should know."

Nicole covered her mouth, and her little head kept nodding.

"Mommy will let you meet your brother. Please wait patiently."

"How long has Joshua been here? Will he go back?"

"He..."

Actually, Gale did not know either.

At this moment, hearty laughter came from outside, accompanied by the sound of the crutches hitting the ground, slowly approaching.

"Shawn, I have grown up in front of a few old friends these days... The feeling of being promoted to be a grandpa is just different."

"When I'm in a good mood, my body becomes stronger."

"Is the time for Nicole's surgery confirmed? All right, everything is going well. I'll return to the temple to pay my respects and pray for safety."

Lucas and Shawn walked in side by side while chatting.

"Great-grandpa," Nicole called obediently.

"Hey, hey!" Lucas seemed to be extra energetic. "We haven't seen each other for a few days, and Nicole is looking so lively again."

He patted Nicole's head, smiling until the creases on his face piled up.

Lucas said, "I'm here this time to give Nicole a gift. Nicole, guess what surprise grandpa prepared for you?"

Nicole looked at Lucas' hand, and it was empty.

She was a little puzzled. "Where is the gift? Grandpa, have you hidden it?"

"Look,"

Lucas took out a key.

Nicole took it, and looked at it repeatedly, but did not see anything to open it with.

"Here, it's the key to the theme park." Lucas had a smug and ostentatious expression. "I bought a theme park for Nicole. In the future, you can play in it whenever you please! Only you are allowed in!"

Gale was listening, shocked.

A theme park?

It was really not a big deal for the Wood family...

Nicole blinked. "Buy? You bought me a whole big playground?"

"Yes! Nicole, do you like this gift?"

This was beyond Nicole's understanding.

The theme park was so big, and there were always so many people. They would have to queue and buy expensive tickets. She never asked to go before, thinking it was very hard for Mommy to make money, so she could not spend it on toys.

Now...

The whole theme park was hers alone?

After being stunned for a few seconds, Nicole jumped up happily. "Wow! I like it! I'm going to play. I'm going now!"

She stayed in the hospital every day and rarely went out. Now, she suddenly received such a big gift, and she could not be more excited.

Seeing her so happy, Lucas was even happier, and he could not close his mouth.

"Go and go. You can go anytime. You are free. Take your wife and children to play," the old man said, raised his crutches and tapped Shawn.

Gale still hesitated. "Nicole's physical condition..."

"I've consulted with the doctor. As long as you don't over-exert, it's fine." Lucas smiled.

"Go for a walk on the weekend. The theme park is in the city center, and there are shopping malls and department stores nearby. Go have fun."

The old man tried very hard to make his great-granddaughter happy and to restore the relationship between his grandson and granddaughter-in-law as soon as possible.

Chapter 766

Nicole could not sit still anymore. She was looking everywhere for her shoes and even changed into a beautiful dress.

"Mommy, I don't want to wear a hospital gown."

"Is it okay for me to wear this hair bow?"

"I want to eat ice cream, and I want to eat barbecue!"

She not only paid attention to her clothes but also pointed at Shawn and Gale. "Mommy and Daddy, you have to change your clothes too!"

"Ah? Why?" Gale looked down at herself. "I'm in good shape."

She looked humble and plain with her T-shirts and jeans.

Gale was often mistaken for a college student when she shuttled around the hospital.

"Stupid Mommy, you have to wear a matching outfit with Dad! In this way, once we go out, people will know that we are a family of three!" Nicole said logically.

She smacked her forehead.

"Yes." Shawn nodded deeply. "Nicole is very reasonable. Let's go to the mall to buy new clothes."

now.”

Nicole ran up to him in a hurry. “Are you going to buy a matching outfit?”

“No.” Shawn bent down and picked her up, “We’re going to get all of us a matching outfit.”

Gale was speechless.

Shawn hugged Nicole with one hand, stretched out the other hand toward Gale, and h**ed his fingers to signal her to hold it.

Lucas was very satisfied.

The shopping malls in Sea City are lavish, bright and luxurious, and they are simply incomparable to the ones where Nicole lived.

Although Nicole is a little girl, her instinct for shopping is deeply rooted in her bones!

“Daddy, this looks good!”

“Ok, buy it.”

“Wow, this is for Mommy!”

“Ok, buy it.”

In the end, Nicole did not need to say anything. As long as she glanced at something, Shawn would ask the salesperson to wrap it up.

Gale could not help, reminding them, “Aren’t we here to buy a matching outfit?”

Shawn raised his eyebrows deeply. “Yes, but let Nicole choose what she likes first. We can go to

the clothing store now if you can’t wait to buy it.

What do you mean she could not wait to buy it?

She could not bear to see Shawn doting on a girl like this!

“It’s not good if you keep thinking about it like this. It will develop her habit of spending money lavishly,” Gale said.

“If you have money, just spend it.”

She was speechless.

In front of the bag section, Shawn picked up one casually and said. “It looks good, and it suits you.

Gale casually glanced at the price.

Fifty-eight thousand dollars.

She hurriedly dragged Shawn away. “We are going to buy matching outfits! Yes! I want to buy it! Can’t wait!”

In the clothing store, it was Nicole who had the final say.

Whichever outfit she chooses, Shawn and Gale will wear whichever.

Shawn has tall legs and long legs, so he fits everything, just like a fashion model.

Gale has a thin waist and fair skin, so she could fit clothes easily too.

After trying on more than a dozen sets of clothes, Nicole finally made a reluctant decision. “Let’s just take this shirt with the little yellow duck pattern!”

Shawn wore it with trousers. It was a look he never wore.

Gale paired it with a skirt.

When she saw this set, the first thought that flashed in her mind was that Joshua also likes little yellow ducks.

Chapter 767

He even had a suitcase full of little yellow ducks.

Thinking of Joshua, Gale suddenly felt upset.
Nicole was spoiled like a princess, coquettish and precious, and she could get whatever she wanted. Joshua could have received such treatment in the first place.
However, because of Gale's selfishness, Joshua could only stay home.
Even if he came to Sea City, they could only sneak around to find opportunities to meet in a hurry.
Did she do something wrong here?
Should she ask Joshua if he wanted to stay home or come to see his father?
Enter title...
"Let's go, Mommy! Let's go to the theme park!" Nicole took her hand and said, "I am so happy!"
Gale withdrew her thoughts.
She thought, 'Forget it, I will think about how to meet Joshua!'
At the same time, in Aurum's home.
Aurum looked at Joshua while Joshua looked at Aurum.
"Uncle Lefting..."
Aurum interrupted him. "Stop. Don't trick me again."
Joshua asked innocently, "What do you mean by that?"
Aurum was speechless.
Aurum said, "I have already called Gale. She is not available for now. However, you will definitely meet before you return home."
"Can't it be today?"
"Probably not."
Joshua rolled his eyes. "Since I can't see her today, why don't we go out to play?"
He quickly ran to Aurum's legs and grabbed his hand. "When you picked me up at the airport, you said you would take me to the theme park! Don't play tricks!"
Aurum replied, "Okay. Of course, I will do what I say."
'Just to play... it shouldn't be a big deal, right?'
No matter how clever Joshua is, he is only a three-year-old child, after all.
It was natural to love to play.
Besides, since they all came to Sea City, he could not keep Joshua at his house all the time.
It was a good idea to go out and play.
"Oh yeah! Uncle Lefting is the best!" Joshua danced happily. "Let's go!"
Aurum was worried that he could not handle him alone, so he asked Zoe to go with him.
He drove the car himself.
There are several theme parks in Sea City, but the one with the best facilities was the one in the city center.
However, Aurum did not know that this theme park had already been bought by Lucas, and it was given to Nicole as a meeting gift!
At the gate of the theme park, Nicole handed the key tightly held in her hand to the staff.
"This was given to me by my great-grandfather. He said that this theme park belongs to me!"
The staff responded, "Yes, Ms. Nicole. This place is only open for you, and you can choose all the items freely, and I will guide you throughout the tour. What would you like to play first?"

Nicole pointed at the carousel. "That!"

"Okay."

The theme park staff, all dressed in uniform, welcomed the arrival of the little princess enthusiastically.

Nicole walked inside, bouncing around.

She still did not forget to say, "Mommy and Daddy, hurry up! Let's ride the carousel together!"

Gale followed, and just after taking two steps, Shawn put his hand on her waist.

With a little force, he brought her into his arms. "Go, don't keep Nicole waiting."

Family outfits, a theme park, a husband's thoughtfulness and gentleness...

Gale felt that she was about to fall.

The life she was living at this moment was one she dreamt of.

An ordinary but beautiful life.

However, at this moment, a car slowly drove up and stopped at the entrance of the theme park.

Chapter 768

The car door opened, and a small boy quickly jumped out of the back seat.

"What a big theme park. It's ten times bigger than the one in our town!"

Hurry up, Uncle Lefting, let's go in!"

He could not wait to run inside.

The security guard at the door stopped him. "Sorry. You can't go in."

Joshua asked, "Why? We can buy tickets!"

The security guard said, "Tickets are not sold anymore. You should visit another theme park."

Aurum stepped forward, frowning slightly. "What do you mean?"

Enter title...

"A private party has bought this theme park, and it will not be opened to the public in the future, so... please leave."

Joshua exclaimed, "What!? Has someone bought the entire theme park?!"

"Yes," the security guard replied.

"Who is it?" Joshua opened his mouth wide, unable to close it for a long time.

This was beyond his cognition!

Too rich!

"It's them." The security guard turned around and pointed to Shawn's family of three who

had just walked in.

Aurum looked up.

Before he could see clearly, Joshua was already angrily shouting, "Hello! Uncle and Auntie, can you let me go to the theme park for a while!!" Joshua has never been afraid of strangers.

He finally arrived here, why would she run away?

'We must find a way to enter the theme park!' he thought.

Joshua's voice was heard far away, and there was no one in the theme park, so both Shawn and Gale heard it.

Nicole heard it too.

"Brother..." As soon as she said a word, Gale covered her mouth! Nicole immediately came to her senses, closed her mouth, and blinked quickly. Only then did Gale let go. Her whole mind was buzzing, and she did not know what to do for a while. The voice belonged to Joshua. She has heard it thousands of times, and she could not be wrong! How could Joshua be in the theme park? Shawn stopped in his tracks. "Someone is calling us?" He turned around, looked back, and looked toward the gate of the theme park. Gale did not dare to look at it, and her heart was almost in her throat! At the door, when Aurum saw clearly who the three members of the family were, he quickly covered Joshua's mouth! He decisively picked up Joshua, turned around, and left. 'Go now. There is still time!' he thought. Joshua struggled hard. "Ah... Uncle Lefting, they turned. I... Hey..." Aurum covered it too tightly, and he could not get another word out! "Go home first! Don't move!" "Why... woo..." In haste, one of Joshua's shoes fell to the ground. "Shoes, your shoes! Do you still want your shoes?" shouted the security guard. Aurum did not turn his head, and he just pretended he could not hear him. So scary, so thrilling. The family of three who bought the theme park turned out to be Shawn, Gale, and Nicole! What a coincidence! Zoe hurried back and picked up the shoes. "I'm sorry... We're leaving first. Sorry to bother you." As soon as he finished speaking, Shawn's voice sounded, "Wait." Zoe stopped her movements, glanced at him, and met his gaze, feeling guilty and flustered. Afterward, Zoe hurried to leave. "I know you. You are... Joshua's grandma, right?" Shawn said. Zoe waved her hand. "No, no, you've got the wrong person!"

Chapter 769

Shawn narrowed his eyes slightly. He would not admit he was wrong because he has a photographic memory! He would be able to recognize someone who he had met once unless he did not care at all! Zoe left a deep impression on him. At that time, it was through Zoe that he could further find out about Molly's situation! Zoe appeared here today, so... Shawn looked and saw Aurum's back and the little boy Aurum was holding. That was Joshua! Enter title... Shawn stood there, motionless, but told the security, "Stop their car, don't let them go."

"Yes, Mr. Wood."

Gale stood beside him without saying a word.

She did not know what to say!

Afraid that she might say the wrong thing, afraid that Shawn would notice something, afraid that she would say too much!

She could only remain silent!

Gale never expected that they would run into each other at the playground... What should they do now?

'I hope Aurum can get away smoothly!'

However, that was not possible.

There was a special parking lot in the amusement park, but the security guards did not let him pass, and the railings at the entrance and exit firmly stopped Aurum's vehicles. Aurum hurriedly h*cked the horn.

The railing still remained down.

His heart sank. "Why are you not letting us go?"

The security guard relayed, "Hello, Mr. Wood asked you to come over. Mr. Wood also said that you can go to the theme park to play."

Joshua responded immediately, "Okay! Go! Mr. Wood is so nice!"

Everyone was stunned.

Did Joshua not recognize who those three people were?

He glanced at Joshua. "Are you sure you want to go?"

"Why don't you go? Mr. Wood said... Uh..."

Joshua suddenly reacted.

He tilted his head. "Mr. Wood? Uncle Shawn? Oh, it's him. I remembered, yes, he has white hair! Very eye-catching and easy to recognize!"

Aurum had a headache.

Joshua could have gone away quietly. Instead, he was shouting and screaming.

"Did Uncle Shawn buy the playground?" Joshua poked his head out of the car window and asked.

"Mr. Wood's grandfather bought it."

Joshua said, "That's the same. I have a good relationship with him, and we can go to the

playground to play for free!"

Aurum touched his forehead.

Well, they had to face it since they could not get away.

He resigned himself to getting out of the car.

Gale kept staring at Aurum's car, watching it stop at the exit and watching the door open.

Aurum, Joshua, and Zoe... got out of the car one after another.

Nicole took her hand, looked up at her, and squeezed her palm.

Gale still did not speak.

It was Shawn who spoke, "Gale, do you still remember... Molly?"

"I don't know." She immediately separated the relationship.

"It's a woman whose design style is very similar to yours. The little boy Aurum is holding is her son."

Gale swallowed nervously. "Oh."

Seeing that she lacked interest and did not really want to know more, Shawn kept silent after.

Chapter 770

As Aurum walked over, he told Joshua in a low voice, "Pretend not to know your Mommy

and sister, do you understand?" "Why?"

"No reason!"

Joshua asked, "Why is there no why?"

Aurum gritted his teeth. ' Did you forget that this Uncle Shawn is looking for your mommy? He also brought you back to the hotel from the interview site and forced you to tell the whereabouts of your mommy?"

Joshua remembered. "Yes, but... Mommy is standing with him now!"

"He doesn't know yet that Gale is your mommy!"

Enter title...

It was too late to say too much. Aurum and Joshua had already walked to the entrance of the theme park.

If he had said anything else, Shawn would have heard them.

Aurum quickly sorted out his emotions and raised a smile. "Mr. Wood, what a coincidence."

"Indeed." Shawn responded deeply, and his eyes fell on Joshua, "Didn't you keep saying

that you have nothing to do with Molly, but why are you holding her son's hand now?"

Aurum replied calmly, "Really? All I know is that Joshua is the grandson of Zoe. Isn't that right, Zoe?"

Zoe nodded next to her. "Yes. It's the weekend, and I wanted to bring my grandson to Sea City to play. Mr. Lefting is a nice person and offered to take him to the theme park. Boys are a little noisier."

Since Gale was by his side, Shawn did not ask any further questions, worried that she would be unhappy.

A woman might not talk much, but her thoughts might be running wild. If he is not careful,

she will be upset.

Moreover, he has no interest in Molly now.

All his thoughts were devoted to Gale.

'But since we met, it was fate after all,' he thought.

Shawn felt that he and Joshua were deeply destined.

"Joshua, do you still remember me?" Shawn smiled lightly.

"I remember, bad uncle!"

"Last time, you got away from me. You are really capable. The first person who can slip away from my nose!" Shawn said.

Still a three-year-old!

Joshua raised his head and folded his arms. "Hehe, you are s*upid."

Aurum coughed twice.

It was the first time someone said that Shawn was s*upid in front of Shawn.

Tsk tsk... As expected of his own son, so bold!

Joshua did not take it seriously and did not think he said anything wrong at all.

He rolled his eyes. "I came to the theme park to play, but the security guard said you bought it. Hey, I made the trip for nothing. You locked me in the hotel last time. As compensation, you have to let me in today."

Shawn raised his eyebrows deeply. "What if I don't let you in?"

"That means you are stingy!"

Shawn replied, "I can't be the decision maker. Because the owner of the theme park is not me, but her."

He looked at Nicole.

Joshua also looked at Nicole.

Shawn squatted down. "Nicole, he wants to go in and play. Do you agree?"

Nicole was at a loss and looked at Gale again.

Gale forced a smile and said, "Nicole, this is yours. You can share it if you want. If you don't want... it's okay. You can decide for yourself."

Of course, Nicole wanted Joshua to play with her.

This is her brother.

Brother!

Although he was usually very annoying and clingy, and he did not let her talk much, she still loves her brother very much in her heart.

"Yes." Nicole whispered and added, "He can come whenever he wants, and I'm willing to

let him play."

Joshua snapped his fingers. ' Did you hear that! Hurry up, let me in!"

He hurriedly rushed inside, not forgetting to grab Nicole. "Come on, let's go ride the carousel!"

A familiar feeling came to her heart all of a sudden.

She loved playing with her brother.
