

Skeletons Of The Marital Closet by Wen Tang Tang

Chapter 801 - 810

Chapter 801

“You called me Auntie...”

“I’m sorry.” Nicole immediately corrected herself. “You are still very young, should I call you Miss?”

The daughter she raised knew manners.

Nicole already knew things very well and was socially adept.

However, this was not the answer Gale wanted to hear.

“You should call me...” Gale suppressed the lump in her throat but still could not say the word.

She never imagined that she would tell Nicole to call her Mommy one day.

Nicole looked up at Winnie and asked, “Mommy, this auntie is a bit strange, is she your friend? Or is it Daddy’s friend?”

“A friend of Daddy’s.”

“Why did she appear here, and Daddy just hugged her.” Nicole said, thinking of something, “Could it be that you and Daddy quarreled because of this aunt?”

Winnie rolled her eyes and nodded, pretending to be pitiful. “Yeah... But don’t worry about these things, as long as you take good care of your body.”

“How can I not care about it? It’s wrong for Daddy to do this, and this aunt is even worse. Daddy, Mommy, and I are a family. She is nothing, and Daddy can’t favor her alone.”

Nicole continued, “As soon as I woke up, I saw Daddy yelling at you so fiercely and beating you. I really hated her Mommy, you are still injured. Let’s go to the doctor. You must be very sick. It hurts.”

“If Daddy quarrels and beats you because of this auntie, I will never like him again. Mommy, let’s go home and not stay here. I don’t want you to be unhappy.”

Every word was to sprinkle salt on Gale’s wound.

She endured the pain in her heart. "Nicole, look into my eyes and then look at her. You can really not tell who is your mommy?"

"Of course, it's me." Winnie answered immediately and held Nicole in her arms, "Stay away from her. Gale, don't even think about doing anything to my daughter!"

Gale asked sarcastically, "Your daughter?"

"Yes, she calls me Mommy, so she is my daughter!" Winnie also asked Nicole. "Are you right, Nicole?"

Nicole was naturally on her side. "Yes."

Gale still braced himself, trying to wake Nicole

Nicole just had an operation. Why did she not know her?

Winnie must have done something!

Therefore, she must find a way to bring Nicole back!

Gale said, "Nicole, your name is Nicole, isn't it?"

Nicole nodded.

"My name is Gale, and your name is Nicole. Our surname is Warm, and we are mother and daughter But

she..." Gale pointed at Winnie and continued, "Do you know her name? Her name is Winnie!"

The last names are wrong!

Nicole was a little confused.

Winnie said, "Gale, don't mislead Nicole here. Who said her name is Warm?"

"Winnie!" Gale gritted his teeth and looked at her. "What the hell have you done!"

"Hehe, Nicole is my daughter. Listen carefully, her surname is not Warm, her surname is Wood. Her name

is Nicole Wood, and she takes her father's surname! Not your surname!"

When Winnie said this, Nicole seemed to understand again. "Yes, I follow my father's surname... My classmates all take my father's surname, and I must be the same."

“Yes, Nicole. Your surname is Wood.”

“Well, yes, Mommy, my name is Nicole Wood.”

Winnie answered with satisfaction, “Yes.”

Her words seemed to have magical powers.

Nicole believed whatever she said.

Chapter 802

Even if Nicole did not believe it, Winnie just needed to emphasize it a few more times, and Nicole would

believe it.

Gale could tell at a glance that something was wrong.

However, she did not know where the problem was!

The emotions in her heart were surging. Gale could not bear it at all, and she was about to faint.

She stared at her fiercely and yelled, “Winnie, what did you do to Nicole! Give back my daughter! Give her back to me!”

After trying so many methods, Nicole still only believed in Winnie, which Gale could not accept.

Her emotions were on the verge of losing control.

Gale pinched Winnie’s shoulders with both hands and kept shaking. “What curse did you cast on her, quickly undo it! Undo it! Otherwise... I will die with you!”

“My daughter who was conceived in October suddenly became yours? Why!”

“Winnie, return her to me quickly!”

Gale could not accept this fact.

Winnie waved her hand away. “Why are you acting crazy?”

“Am I crazy?” Gale was so angry that she almost fainted. “It’s you, what did you do to my Nicole!”

"I didn't do anything. She wants to call me Mommy herself and thinks I'm Mommy. What can I do?"

Gale could not believe how shameless she was.

Slap!

Gale raised his hand and slapped Winnie's face hard.

The force was so great that red slap marks appeared on Winnie's face very quickly.

She covered her face but sneered. "You hit me? Gale, so what if you hit me? Nicole is still my daughter, she calls me Mommy!"

Gale slapped her again!

"Winnie, I will kill you!"

Gale really wanted to kill her!

However, at this moment, Nicole's little hands began to push her. "What are you doing, you bad woman! You hit my mommy. Let go..!"

Although Nicole was not strong, she almost crushed Gale.

She sta**red back two steps and looked at Nicole weakly.

Nicole stood in front of Winnie like a little soldier firmly guarding her and looked at her bitterly. "Bad girl, I don't want to see you!"

Gale's lower lip was bitten with bloodstains.

Uncomfortable, heartbroken, desperate... all rushed into her heart.

Afterward, Nicole turned and looked at Winnie. "Mommy, does it hurt? Why don't you know how to fight back, you should hit her too! Kill her, the villain!"

Winnie was beaten by Shawn, she was slapped twice by Gale.

However, she felt it was well worth it!

This little pain was nothing compared to the future glory and wealth!

Look, Nicole cared about her so much!

She won!

Winnie said, "It's okay. As long as Nicole is with Mommy, Mommy won't be afraid of anything."

As she spoke, she deliberately looked at Gale with provocative eyes.

Nicole grabbed the pillow next to him and threw it at Gale. "Go, why are you still standing here? I don't want to see you again for another second!"

Chapter 803

The pillow hit Gale's body, and fell to the ground again.

She stood there like a wooden figure.

Until Shawn came over and said, "Gale, let's go."

"Go? Where are we going? Shawn, tell me, where else can I go?" she murmured, her eyes so empty.

She could accept that Nicole preferred her father and the prosperity and excitement of Sea City, so she would allow her to stay here.

She could also accept that Nicole needed higher education resources and better living conditions and that staying in the Wood family meant she would inherit hundreds of billions of assets.

However, why did Nicole mistake another woman as her mother and forget about her!?

This was a devastating blow to Gale!

"Things will be resolved. It's useless for you to stay here now. You will only suffer more," Shawn said.

If Nicole's words hurt her again, he was really afraid that she would pass out.

"Walk!"

Shawn forcibly put his arms around her waist and led her out of the ward.

Gale was unwilling to leave and kept turning her head, looking at Winnie and Nicole.

"No, I can't. I can't let Nicole stay by Winnie's side alone! Shawn, let me go..."

She broke his hand, wanting to turn back.

It was a pity that her strength was too weak to fight against Shawn.

She could only watch helplessly as she was pulled away.

“Shawn! How could you make Nicole and Winnie..”

“I’ll call the doctor and nurse over to check Nicole’s condition. Maybe something unexpected happened during the operation that caused her cognitive confusion,” Shawn replied calmly.

Nicole did not lose her memory, and she remembered it all.

However, she just believed Winnie.

What went wrong?

A drug?

Or was there a small mistake during the operation?

Only then had Gale calmed down.

Doctors and nurses came quickly, and a dozen or so people squeezed into the ward.

They surrounded Nicole’s hospital bed.

However, Nicole was very dependent on Winnie, and she always nestled in Winnie’s arms.

After all, that was her dearest mommy.

Shawn and Gale stood at the door of the ward, watching from afar.

Fortunately, Shawn’s arm kept giving her strength. Otherwise... Gale would not be able to stand at all.

She leaned in his arms, and although she did not shed tears, Shawn felt more distressed than when she

was crying.

He did not know how to comfort her, and he could only hug her and let her know...that he was there.

He was always there.

Nicole calling Winnie ‘Mommy’ was not what he wanted to see!

Half an hour later, the doctor came out.

“From the current examination, there is nothing wrong with Ms. Nicole. As long as she is well rested, she can recover and be discharged from the hospital. As for the... cognitive confusion you mentioned, maybe you need to go to a psychiatrist or a brain doctor for a checkup?” said the doctor.

The doctor picked his words carefully.

Within his scope of duties, he had done a good job.

There was no abnormality in the physical index, and it had nothing to do with him.

Mr. Wood could not blame him!

Chapter 804

“Then what’s going on? Why did Nicole wake up calling someone else her mother?” Shawn said with a gloomy face.

“Um...so, I said...I will go check it out...”

Under Shawn’s strong aura, the doctor stuttered and could not speak smoothly.

Gale responded immediately. “Go! Go now!”

She wanted to go in and take Nicole away but was pulled back by Shawn.

Shawn said, “She rejects you very much now because... you beat Winnie just now. Let the nurse take her there. She just woke up, and her body is still weak.”

Gale’s footsteps stopped abruptly.

The doctor immediately called the head nurse over.

The head nurse was good at this aspect because she had rich experience and was a mother.

“Come on, Nicole. Shall we go for a physical examination? I’ll take you there, and you’ll be back soon. You won’t have any pain if you don’t need injections or medicine. Just lay there,” the head nurse said softly.

Nicole shook her head. “No, I don’t want to go.”

“Why? Your body is important. I’ll take you there. I’ll hold you, okay?”

Nicole threw herself into Winnie's arms. "No. I just want to follow Mommy. If Mommy takes me, I'll go.

When the head nurse heard this, a troubled look appeared on her face.

If she could not complete the small tasks assigned by President Wood, she would definitely be punished

later!

Winnie was also very cautious. She asked, "What kind of examination do you want to take Nicole to?"

"Psychiatric..."

Winnie snorted and said, "Why? That's not going to happen."

The head nurse replied, "We are just going to Neurology to take an X-ray, and it will be over very soon."

"Neurology?" Winnie was even more reluctant when she heard this. "Nicole is suffering from leukemia Why should she go to the brain department? Don't try to fool me."

"But..."

"There is no need for us to go!"

Winnie had no care for Nicole's brain!

What she cared about was her own glory and wealth!

What if they found something wrong with her and cured her? She will stop calling her Mommy, and her efforts will be wasted!

The head nurse advised, "For the sake of Ms. Nicole's health, let's go."

"She's fine now, what's the problem?"

The head nurse looked at the door in embarrassment.

Winnie also understood. "Oh, I already guessed your purpose. Nicole and I will be staying here, and we won't go anywhere!"

ou away.

As she said that, she hugged Nicole. "Mommy is right here with you, and I won't let them take your

"Good."

Nicole was a child who had just finished the operation, weak and fragile. She just wanted to cling to her mother and did not want to leave with the head nurse.

If Winnie wanted to take her for an examination, she would cooperate.

Gale was trembling with anger. "Winnie...how could she do this!"

Gale's childhood upbringing kept her from swearing nasty swear words.

The head nurse came out helplessly. "I...I tried my best, I'm sorry. Ms. Nicole is very clingy to that woman now. I could not do anything."

Gale understood but could only silently cry.

Shawn's eyes were heavy as he had no idea what to do.

The door to the ward closed.

Gale suddenly thought of something and asked, "What will she do to Nicole? Will she abuse Nicole?"

Chapter 805

"No, for Winnie, Nicole is now her trump card. She will protect her carefully and make sure nothing

happens to her

Shawn could see through Winnie's thoughts at a glance.

It was just that he did not understand.

At what step did something go wrong, allowing Winnie to take advantage of the situation and cause this situation?

After Nicole finished the operation, Gale only went out for a short while, and he was sleeping on the sofa. Winnie suddenly rushed in and went straight to Nicole with a clear goal.

No matter how Shawn stopped her, she refused to leave. Even if she vomited blood, she would go straight to Nicole.

This was clearly a long-awaited preparation!

Seeing that Nicole had woken up, Winnie was so excited. She kept saying that she was Mommy and asked Nicole to look at her carefully

Then

Things went completely out of control!

What was going on?

Who messed with Nicole?

However, during the days when Nicole was hospitalized, Shawn and Gale were almost inseparable Except for the doctors and nurses, no one else entered the ward!

The food and drink are made by Gale himself!

Heavy fog hid in the truth.

Gale also thought of something and looked at Shawn. "What happened while I was away? What did you and Winnie say in the ward?"

The more she thought about it, the more something was wrong. Her eyes became indifferent "Shawn, if you make me lose Nicole like this, I will hate you even more, I will hate you forever!"

She already hated him.

What was a little bit more hatred?

Shawn met her gaze and explained, "I don't know how such a thing could happen."

"But in the ward, it was only you and Winnie!"

Shawn replied, "I was sleeping, she rushed in suddenly, and then..."

Gale asked, "Then Nicole woke up and saw Winnie, so she called her Mommy? What about you? What are you doing? What did you say? Why is Winnie able to enter and leave the ward so easily?"

She did not believe Shawn.

Something must have happened that she did not know about just within a few minutes of her leaving!

Shawn could not answer.

Yes, why did Winnie suddenly appear?

His men had been searching for days, but they could not find her!

Now she suddenly appeared for Nicole. She clearly came prepared!

Shawn's eyes darkened.

Someone must be manipulating all this behind the scenes!

Gale looked at him desperately and sadly. "Winnie was brought back to Temperley Hall by you, and you said you wanted to drive her away, Shawn... don't want to deal with your romantic partners. Why involve my Nicole!"

She was so sad.

Originally, she thought that Nicole's successful operation would be the end and that life would get better little by little.

This was devastating!

Shawn tried to take a step closer to her and explain, but Gale backed away sharply, unwilling to have any physical contact with him!

The harmony in the ward these days, and the relationship was slowly getting closer...

Finally, at this moment, everything came to a stop.

All of Shawn's efforts were in vain.

"Gale, it's not my fault..."

'Don't blame me.'

Chapter 806

'Don't implicate me.'

'Don't... hate me.'

Gale just bit her lip and looked at him. "Give me Nicole back, Shawn. Give her back to me!"

"I will find a way, it is impossible for Winnie to keep this up forever

As soon as he finished speaking, Summer walked over from the elevator

"Inexplicable..." Summer muttered in a low voice. Seeing Shawn, she quickly asked, "What did you buy?"

"I buy?"

Summer said, "That's right. There was a takeaway for me to get, but I searched around for a long time and waited and waited, but I didn't find anything. Is someone pranking me?"

Shawn's expression immediately became serious. "I didn't order takeaway"

Summer had a strange look on her face. "Who the hell is it then.

"We've all been fooled."

"Fooled?!"

Shawn analyzed deeply, "There is no takeaway at all. It's just that someone is deliberately luring you away. Gale went to the bathroom, and you are the only one at the door of the ward, so they have to find a way to let you go."

Summer felt even more strange. "Why do they want to dismiss me?"

Seeing Gale's red eyes and pale face, Summer was very surprised "What happened? How is Nicole?"

She started to rush into the ward!

Shawn stopped her "Nicole is inside, don't go in for now."

"What's going on?" Summer was so anxious "Why aren't you guys telling me? There are doctors, nurses, and security guards in the hospital. Nicole must be safe. Even if Gale and I are not here, Shawn, aren't you resting in the ward?!"

Gale looked at him. "Yes, he was in the ward from the beginning to the end and never left."

Shawn was at a loss for words.

At that time, Winnie did not expect him to be there at all. When their eyes met, Winnie was obviously very

flustered.

In the corridor, Natalie watched this scene and left contentedly.

It seemed that Winnie succeeded.

Well, it went even smoother than she imagined. Next, it depends on how Winnie performs.

“Gale, your good days are over!”

It was completely dark.

The street lights were on, and there was a lot of traffic. The bustling metropolis was still extremely lively.

Shawn and Gale had been guarding the door of the ward, never leaving for half a step.

Nicole’s little voice could be vaguely heard Although the voice lacked confidence, it still sounded normal

Winnie sat beside the hospital bed, looking at Nicole with greed in her eyes.

This was her backer, her cash cow!

“Mommy, I want to sleep. Don’t go, just stay here with me, okay? Nicole said.

“Okay, get some rest.”

Nicole lay down obediently, still holding her hand and never letting go

In her mind, this was the most reliable and trustworthy Mommy in the world.

Winnie put her to bed and then tucked her in the quilt gently. She did her best as if this was really her child.

When she stood up and turned around, she saw Shawn standing behind her like a ghost.

“Ah... um...”

Winnie was frightened, but before she could scream, Shawn covered her mouth.

Shawn covered her mouth with one hand, dragged her roughly with the other, and forcibly took her out of the ward!

Now that Nicole had fallen asleep, it was time for him and Winnie to settle the score!

Chapter 807

Winnie struggled hard. "Mr Wood, what are you doing... Let go of me, I want to be with Nicole! If she wakes up and doesn't see me, she will cry and be sad!"

"Do you really regard yourself as Nicole's mother?"

Winnie replied confidently, "Since Nicole calls me Mommy, then she is my daughter! I will do my best to treat her well!"

Gale could not bear to listen to it. "Winnie, you are so shameless! Nicole was born of me and was brought up by me alone. Are you ashamed to say that she is your daughter?"

"She called me Mommy Gale, she didn't call you Mommy Winnie smiled triumphantly
"She called you. Auntie, didn't you hear?"

Gale really wanted to tear her mouth and then her face!

Winnie said, "Don't worry, Gale, I won't do anything to Nicole. I will treat her better than you treat her, and I won't let her suffer any grievances. From now on, Nicole is mine. I'm here to take care of her "

Gale could not bear it anymore, rushed forward, and raised her hands high.

Unexpectedly, Winnie did not dodge or dodge at all and even raised her head, showing no fear

Winnie said, "Gale, you go ahead. Did you enjoy the two slaps just now? But in fact, you are more sad and pitiful than me. You hit me in front of Nicole, she saw it, she hated you. She even called you a bad

woman."

Gale's hands began to tremble uncontrollably

Winnie became more and more complacent as she spoke, "Hit me, why don't you do it? Now that you can't see her, she can't see it. You and Shawn can torture and abuse me as much as you want."

Gale gritted her teeth. "Do you think I dare not? Do you think I won't do it!"

Winnie replied, "Of course you dare. You can't wait to peel my skin, cram my tendons, and drink my blood. But before you do it, I still want to remind you that when Nicole wakes up, you must find me When she saw the wound on my body, she asked what had happened... I will tell her that it was you and Shawn who

beat her.”

“Winnie!!”

“Here, there’s no need to call my name so loudly In short, if you want Nicole to hate you even more and think you’re a bad woman, just do it!”

Winnie was filled with confidence now.

Anyway, Nicole was there.

If Shawn and Gale did anything to her, she would complain in front of Nicole!

Winnie said, “Oh, by the way, Nicole just had the operation last night, and she hasn’t recovered. Wouldn’t it

be bad if she makes a fuss, cries and becomes sad, and prolongs the recovery time??”

Gale’s hand shook violently twice, and finally, let her go slowly.

Yes, she could not touch Winnie now!

If Nicole knew, she would hate her even more!

It was because, in the eyes of Nicole, she was a bad woman, and Winnie was the mother!

Chapter 808

“You should reflect on yourself. How do you take care of your children? She can’t even tell her real

mommy from a fake one Winnie brushed her hair and said, “Oh, thanks to me, I am willing to take care of Nicole for you

Winnie’s arrogance grew stronger and stronger

She has suffered so much from Gale’s hands before, and now she finally has the opportunity to vent her anger!

This was just the beginning!

Shawn looked terrifying.

Can he stand his beloved woman being humiliated and bullied like this?

Stretching out his long arms, Shawn pinched Winnie's neck deeply and quickly approached her, pressing her against the wall.

"You." Winnie panicked for a moment but soon regained her composure. "Why, Mr. Wood, you want to do something to me, making Nicole hate you even more?"

"Stop talking about Nicole!"

Winnie replied, "What I said is the truth! Mr. Wood, anyway, Gale and I are similar in appearance, and now Nicole recognizes me as Mommy. How about... we as a family of three, live together?"

Gale took a deep breath.

If this continued, she would really faint.

Winnie's every word was so annoying!

However, she could not refute that Nicole was her lifeblood, and Winnie had a chokehold on her lifeblood!

Shawn sneered. "A family of three, do you deserve it too?"

"I am now worthy!"

"Winnie, why are you so arrogant? You were in the room, yelling for Nicole to wake up. Have you really forgotten I was in the room, watching your every move?"

Winnie's arrogance was suddenly extinguished by Shawn's words.

She said, "You...what do you mean? Mr. Wood, do you still want to do something to me?"

"I can't do anything to you?"

Winnie replied, "Of course not! I am Nicole's mother!"

"You are not at all!" Shawn's eyes flashed with a cruel and bloodthirsty light. "Winnie, listen up, I will make sure you never see Nicole again and disappear from her eyes forever!"

Winnie shook her head. "You No, you won't do that..."

"Really? Then try me."

Shawn's hands tightened suddenly, and the air squeezed out of Winnie's chest.

Seeing that he was serious, Winnie immediately began to shout, "Do you have the heart to let Nicole lose her mommy? She will only recognize me now, and it is impossible to recognize Gale... If you strangle me

to death, if Nicole can't see me, she will collapse!"

"You'd better explain what you did to Nicole... Otherwise, I'll kill you right now!"

Winnie had experienced Shawn's ruthlessness and viciousness before.

She completely lost the confidence she had just now and just kept saying, "Nicole must have me, otherwise she won't be able to survive. If you dare to touch me, you just ignore Nicole's feelings... Mr. Wood, would you be willing to let your daughter suffer?"

"I will make you disappear in front of Nicole forever. Yes, she will be sad and painful, but Gale and I will definitely find a way to make her return to normal! Do you understand?"

"Winnie, do you really take yourself seriously?"

Chapter 809

"You still dare to talk to Gale like that, you are looking for death! Do you think you can sit back and relax because Nicole recognizes you as your mother?"

"I'll deal with you directly, and then I'll find a way to save Nicole!"

Shawn's words had caused Winnie to panic

Shawn could do such a cruel and merciless thing!

If she really died like this, it would not be worth it

"Mr Wood, don't, don't kill me I can take care of Nicole, she she'll go crazy if she doesn't see me, and you...you don't want her to be a a l*tic

Shawn asked deeply, "Speak' What method did you use? Let her only recognize you!"

"...I won't say Anyway, if I die, Nicole will feel that she lost her Mommy, she will go crazy and collapse Cough cough cough.

Gale could not listen anymore

She knew what Shawn wanted to do.

Let Winnie and Nicole never see each other again, and then find a way to correct Nicole's cognitive confusion!

This was also possible!

Instead of letting Nicole keep mistaking Winnie for her mother, it is better to get rid of Winnie first, putting a stop to this!

Short-term pain was better than long-term pain!

“Let go, Shawn, let her go...She’s right, Nicole just finished the operation, and it’s time for her to recover when she’s fragile. Thinking that she suddenly lost her mommy, she couldn’t bear it...” Gale said in a very soft voice.

“Gale, of course, I understand what you said. But, how could I allow Winnie to go on like this?”

“Let’s think of another way... Nicole can’t stand the trauma now.”

Shawn could only let go.

Winnie panted heavily, slid down from the wall, and sat on the ground.

She coughed and then laughed. “You two, you’d better be polite to me. Nicole will care about me. If I’m not okay, you’ll get it!”

“What do you want? Winnie, what do you want? I’ll give it to you, and you give me the truth,” Gale said.

“I want Nicole.”

“I can give you everything except her!” Gale squatted down and looked at her at the same level. “You can do whatever you want me to do, don’t take my daughter away!”

Both hard and soft tactics did not do anything to Winnie.

Gale felt hopeless.

“Hahahahahaha, Gale, are you begging me now? Is this how you beg?”

Gale was startled.

After a few seconds of silence, her knees slowly fell to the ground.

She would do anything for Nicole.

However, the moment her knees were about to hit the ground, Shawn lifted her up, put his arms around her waist, and hugged her

"Gale, how can you kneel down to her?" he said in a deep voice.

"Only she knows how to wake up Nicole..."

"You think she'll tell you?"

Gale replied in despair, "I have no other choice, I don't know what to do, I can only beg her...."

"Please, she won't say anything!"

"Then what can I do?! I just watched Nicole forget who I am?!" Gale asked h**ly

Shawn pursed his lips deeply. "There will be a way."

"What way? Tell me, I will do it now, I am willing, you say it!"

Gale's tears unconsciously slid down the corners of her eyes.

Shawn was deeply distressed, and he could only gently wipe it away for her.

"Heh, Mr. Wood, it's just Gale. How good can she be? She only blames you and cries when things happen. Although she gave birth to Nicole, I can also give birth to some babies for you... Why are you so obsessed with her?"

"Shut up!"

Winnie turned around gleefully. "Mr. Wood, think about it carefully. Gale is not worthy at all!"

Chapter 810

She returned to the ward and slammed the door behind her.

Gale was isolated.

She lived every day in that ward. At this moment, the door was closed to her.

She had no identity and no reason to go in and accompany Nicole.

How ridiculous and absurd...

Why did everything become like this?

Gale said softly, "I know what Winnie wants. She wants to be Mrs. Wood, she wants status and money, and she wants you. Shawn, you can give it to her. I don't want it. I just want Nicole back."

Shawn hugged her deeply. "Let's go home first."

Her eyes were dull. "Home? I have no home."

"Gale, you still have me, I'm always here, I... will always remember you."

She raised her head and looked at him.

"If one day... You forget me too, just like Nicole. Then..."

What should she do?

Would she just lose everything?

No! There was someone else.

She still has Joshua!

Joshua Warm!

At this moment, Gale felt extremely fortunate that she protected Joshua very well and hid him tightly. Otherwise, Joshua will be confused too!

She really had no idea what Winnie had done!

It was already late at night when they returned to Temperley Hall.

After four years, Gale returned to this place again.

Strange and familiar.

Everything here was still the same, but some things had changed.

Gale stood at the door and did not go in for a long time.

Shawn was by her side without urging her.

"Madam

The housekeeper went out to greet her, but when he looked up, he saw Gale. He thought he saw wrong and then thought it was Winnie who had returned.

However, when the housekeeper looked carefully, he found that this was Gale!

'That's right!

The lady is back"

The housekeeper was very excited "Madam, is it really you!?"

"It's me. Housekeeper, long time no see," Gale said.

"You are back!"

She twitched the corners of her mouth, trying to smile, but could not.

The housekeeper said, "It's good to be alive. It's good to be alive. How can a good person like you die so easily?"

The housekeeper laughed again. "I think it's time to tear down that tomb in the back mountain! Mr. Wood, don't you think so?"

"Yes. Tomorrow, I will call someone over to start dismantling," Shawn replied deeply.

"Okay, okay! You can rest assured and leave it to me!"

The housekeeper wiped the corners of his eyes.

He admired Gale sincerely. When Gale first came to Temperley Hall, he also took care of her to the best of his ability

As he watched Mr. Wood missed Gale deeply, he realized he missed Gale deeply too.
