Chapter 821 - 830

Chapter 821

*"Female... **?"*

"Yes, I'm asking the guards about it."

Natalie's expression was a little unnatural for a moment.

'Isn't that Winnie?"

She immediately looked at the security guard with a warning in her eyes, warning them not to forget what she told him that day!

Natalie was in charge of the household affairs and had the right to make decisions, and the housekeeper reports solely to her, so she still has great prestige in the Lefting family.

*After a short period of panic, Natalie quickly calmed down. "Aurum, why did you suddenly ask about such a trivial matter? She's just a **. Send her away, or let the security guards not come near next time they see her,"*

"Have you seen her?" Aurum asked.

Natalie shook her head. 'No. I've been busy with various things for our year-end wedding, so I'm not at

home much."

Aurum did not doubt her and looked at the security again. "Answer my question."

The security guard gulped and said, 'Mr. Lefting...That's just a crazy person, I will do my best to drive her away... She was rummaging through the trash can, and she stunk. I didn't even go near her."

"Then what?"

The security guard said, "Then she... she ran away. Maybe I was too aggressive and scared her, and she never appeared again."

After speaking, the security guard took a look at Natalie.

Natalie nodded slightly.

Aurum frowned. "None of you have spoken to her?"

"Yes, Mr. Lefting."

How would the security guard dare to tell the truth? Natalie was standing right here!

He was just a little security guard!

It was clearly Natalie who took that crazy woman away and told him not to speak about it!

Natalie said softly, "Aurum, what's going on? What do you want to do with a crazy woman?"

"She's not a crazy woman. She's Winnie, your... formal best girlfriend."

Aurum fixed his eyes on her.

Natalie replied calmly, "Oh, so it's her! Aurum, Winnie and I haven't been in touch for a long time. I haven't seen her since she was banned and left Sea City. You also said it, she is just a former best friend."

Aurum just pressed the center of his eyebrows, with a very tired expression on his face.

*Natalie asked considerately, "Are you tired? Go and rest first. I don't know why you are looking for Winnie. She is crazy and **disturbed. Maybe she ran away with someone or fell into the river and drowned.*

"She is now terrible. Not only is she not dead, but she is also arrogant and lawless.

"Really? What happened to her?" Natalie asked the question knowingly.

Winnie got where she was today because of her, and she knew what had happened better than anyone.

else!

However, she had to pretend she did not know anything!

you

"It's a long story Aurum lowered his eyes and patted Joshua's head. "Go to bed first, and have school tomorrow."

Joshua agreed. It was rare for him to be this obedient.

Zoe hurried forward and led Joshua away.

Natalie asked, "Is this kid... just living in our house? Zoe has resigned for so many years. Why did she suddenly come back with her grandson?"

Aurum replied casually. "There was some accident in her family, and she came to me for help. After all, she is the nanny who took care of me, so it's okay to help."

"Well, I'll ask the housekeeper to give her some money."

"You can decide these things." Aurum thought for a while. "Natalie, if Winnie finds you, don't avoid her and try to restore the relationship with her. After all, you were such good friends once."

He thought that Natalie could dig for some information from Winnie.

"Okay Aurum, I will definitely do what you asked me to do."

Natalie flung herself into his arms coquettishly, wrapping her arms around his waist like an innocent little

woman in love

Chapter 822

At this moment, she does not have the viciousness and cruelty when she was with Winnie at all!

Who would have thought that it was because of her that Nicole acted that way, and she was the one who hid Winnie!

No one thought that she was the mastermind behind the scenes!

Aurum had no idea that the woman next to him was the scariest one of them all!

In the maid room.

Joshua sat cross-legged on the bed.

Zoe asked, "Still awake? What are you thinking about? Joshua, when the time is right, Mr. Lefting will definitely take you to see Mommy and Nicole."

"Mrs. Zoe, I was thinking of something else."

"What?"

Joshua touched his chin, looking like a mature young man. "Aurum asked the security guards about the mad woman today, I think... that security guard was not telling the truth."

Zoe was a little puzzled. "How do you know that?"

Joshua analyzed, "I saw it! When the security guard was about to answer at the beginning, his eyes were a little flustered, but he didn't dodge or flinch. But when Natalie appeared, the security guard's expression changed!"

"Also, the security guard is clearly answering Aurum's question, but he keeps glancing at Natalie from time to time! Natalie is also watching the security guard!"

"I think that the security guard definitely had an encounter with the crazy woman, and Natalie was right.

there!"

As he spoke, Joshua sighed. "But these are just my guesses, I have no proof."

Because he was so small, he could raise his head and observe everyone in the living room.

No one noticed him at all.

No matter how shrewd Natalie was, she would never have thought that Joshua would have such meticulous observation skills at such a young age!

In Joshua's heart, Natalie has already been classified as a scheming girl.

No matter what, he did not want Aurum and Natalie to get married.

It was because Natalie was not worthy!

Joshua needed to lay and wait to strive for one day to catch Natalie's handle and let Aurum see her true face!

In the hospital, in the ward.

Shawn stood by the hospital bed, with his hands hanging by his sides, standing straight, unable to do anything.

It was because Nicole did not let him touch or hug her.

Winnie was busy feeding her medicine.

She was now the person Nicole relied on the most.

Shawn said, "Nicole, I'm Daddy. Why do you even reject me?"

Nicole flattened her small mouth, lowered her head, and twisted her fingers.

Shawn slowed down his tone. "Nicole, if you have something on your mind, speak up. You don't need to hide it from me."

"I... I'm afraid if I say it, you will be unhappy, and Mommy will also be unhappy."

"It's okay, I won't be angry."

"Mommy she..."

Shawn glanced over.

Winnie smiled coquettishly. "It's okay, Nicole. There are only three of us here, so feel free to speak up if you have anything to say."

Her words and her smile made Shawn frown in disgust.

However, there was nothing he could do!

Nicole glanced at Winnie and then at the door of the ward.

Shawn looked back, and the door was closed.

However, Gale was there.

Gale knew that Nicole did not want to see her, but she could not bear to leave, so she could only watch at the door every day.

Nicole whispered, "Daddy, that auntie is outside every day, right?"

He was startled. "Well, she cares about you very much

Nicole said, "I don't need her to care for me. Daddy, don't bother with her."

"Why?"

"Because you stay with that woman every day. What will Mommy do? Do you want her and not Mommy? My heart is with Mommy. If you don't love her, I won't love you either."

Only then did Shawn understand why Nicole was so indifferent to him.

It turned out to be because... he and Gale were too close.

However, how would he explain it to Nicole?

The auntie outside was Nicole's real mother.

Winnie in front of her was just a counterfeit, a stand-in!

"Daddy, I hate that you are with her. You beat Mommy, you don't care about Mommy anymore. You are indifferent to her. You are not a good husband."

After a pause for a few seconds, Nicole said again, "She is a vixen."

Shawn's eyes immediately became stern.

He stared at Winnie fiercely. "What did you teach her?!"

Winnie replied, "What's wrong? I did not use that word!"

"How could Nicole come up with words like vixen? You were the one talking nonsense in front of her! Instilling such thoughts!"

If Gale heard it, it would break her heart again!

Winnie had no reason to quibble and became hesitant. "I... I just casually... mentioned something casually."

"Keep your mouth clean in front of Nicole!"

Winnie said, "Gale is a vixen! She seduced you!"

"Shut up!" Shawn yelled deeply, with such force that Winnie shrank her nose and dared not speak

anymore

Nicole was also frightened.

However, soon, Nicole said, "Daddy, don't be cruel to Mommy! If I said that woman is a vixen, you would not be happy. You should be angry at her! You really love her, not Mommy. I hate you even more!"

"Nicole..."

Shawn sighed deeply, and his forehead twitched.

How could he bear to blame Nicole?

Nicole was just bewitched, just delusional, and cognitively confused.

She loves Mommy, and she mistook Winnie for Mommy.

"I won't talk to you anymore." Nicole looked at him. "Daddy, I will forgive you if you apologize to Mommy, break off ties with that woman, and never stay with her again!"

Winnie smiled triumphantly.

Look, she did not have to do anything. Nicole would naturally protect her and stand up for her!

Shawn pursed his lips deeply. "Nicole, that's not a random woman."

*"Yes! She is the woman who came to ***you from Mommy!"*

Nicole was sure that Gale was the third party who destroyed her family.

It was obvious that Winnie instilled this idea in her!

Just as Shawn was about to answer, the door of the ward opened suddenly, and Gale rushed in.

Her eyes were red, and there were tears on her eyelashes.

Obviously, she heard it all from outside and cried.

Nicole shouted loudly when he saw her, "Bad woman, you are a bad woman. Get out! I don't want to see you, don't come into my ward, get out quickly... Mommy, get rid of her!"

Gale did not say anything but bit her lip firmly.

She could not take it anymore.

Chapter 824

If this continued, her heart would be riddled with holes,, and she would not be able to bear it anymore before Nicole regained consciousness.

She did not want to face Nicole's indifference and rejection every day, and she did not want to see Winnie take over her identity!

Gale bent down, picked up Nicole, and left.

Gale said, "Nicole, you will remember me. From now on, you can only stay with me. I could not let you and Winnie live anymore... I know this is going to hurt you. It is a kind of torture. But it is better for us and better than me guarding the door every day!"

She could not sit still and wait for death. She did not want to go on like this anymore!

"You can only look at me. If you look at me every day, maybe you will remember... Otherwise, Winnie will continue brainwashing you. When will you be able to remember me!"

Nicole struggled violently.

Nicole shouted, "Let me go... Don't take me, Mommy! Daddy! Where is this bad woman taking me? Come and save me!"

Nicole's feet kept kicking, and soon there were dirty shoe prints on the hem of her clothes.

Shawn did not move.

Winnie wanted to go forward but was stopped by Shawn.

He knew what Gale wanted to do....

There was no way around this.

Let Gale try it later. Otherwise, if this continued, he could not imagine what she would be like!

However, Nicole kicked and kicked again and again, but she would not let go.

Seeing that Gale was still walking out with her in his arms, Nicole bit Gale's shoulder in desperation!

"Gale!"

"Ahh!"

Shawn and Winnie rushed forward at the same time.

There was a huge pain in her shoulder, and Nicole's sharp teeth pierced through the fabric of her clothes. and pierced into her skin.

Soon, there was blood,

Gale closed her eyes.

It hurt, it hurt, but far less than the pain in her heart.

Nicole, who used to bring her a Band-Aid worriedly when she accidentally cut her hand while chopping vegetables, now bit her.

However, Gale was still reluctant to let go, fearing that she would fall.

This was Nicole, her daughter.

Nicole just did not remember her, but Nicole still loved her.

Nicole's love for her has always been there, but it has only been transferred to Winnie.

"Nicole, how can you bite someone!" Shawn could not hold back and said to her fiercely.

It was the first time Nicole had seen him like this. She was frightened and froze. She let go, opened her mouth halfway, and remained motionless.

Gale endured the pain and said, "Shawn, you scared her. I'm fine."

"You are bleeding!"

"Just a small injury."

*At this time, Winnie rushed forward, reaching out to **Nicole.*

Winnie said, "Let go. Give back my daughter! Don't take her away from me!"

Naturally, Gale would not give Nicole to her!

Even though the pain on the shoulder became more and more obvious, Gale endured it, holding Nicole tightly with both hands.

"Impossible! Winnie, you could not take her for yourself!"

Gale refused to let go.

Winnie reached out to grab Nicole.

The two competed for Nicole.

Gale hugged Nicole, refusing to let go.

However, Nicole stretched out her hands toward Winnie and kept shouting, "Mommy, save me, Mommy..."

Chapter 825

Winnie took advantage of the situation and grabbed Nicole's arms.

Therefore, Nicole's lower body was on Gale's side, but her upper body tilted to Winnie's side again.

*Winnie pulled hard. All she wanted was to **Nicole away! She did not care if it would hurt Nicole*

Soon, red marks appeared on Nicole's arms.

"Wahhh..." Nicole could not hold back and cried in pain, "Bad woman, vixen, let go. I want to go back to my mommy's arms, don't take me..."

Winnie echoed, "That's right! Let go!"

The more she talked, the harder she pulled!

Gale looked down and felt that Nicole's arm was about to be dislocated!

"Wahhh..." Nicole cried louder and louder, "It hurts. It hurts so much, please let me go..."

This scene stabbed Gale's heart.

Even if she wanted to take Nicole away again and prevent Winnie from seeing Nicole, at this moment, she could not bear to see Nicole being dragged.

If this continued, Nicole would really get hurt!

Winnie was reluctant to let go. Only Gale, her real mother, would love her own daughter and let go!

Gale had no choice but to let go of Nicole little by little.

Seeing her strength slowly disappearing, Winnie triumphantly pulled Nicole over and hugged her!

*Nicole **her neck and buried her in her arms. "Mommy.*

Winnie coaxed, "Don't be afraid, don't be afraid. I am here, I will not let anyone take you away, and I will definitely not let this bad woman get her way!"

Gale stared blankly at Nicole's arm.

The red marks are very obvious.

It was from Winnie's forceful pull.

In fact, it was clear at a glance who was the real mother and who was the fake.

Only Gale would worry about Nicole getting hurt and having to let go.

What about Winnie?

Even if Nicole's arm was dislocated and her whole body was injured, she would take Nicole away at all

Costs!

Could it be that Gale really could not beat Winnie?

No, it was her soft heart. It was her heart that hurt!

"Winnie..." Gale's eyes were bloodshot "Give me back my Nicole, you give me back my Nicole

"Hehe, Gale, do you really think that my strength alone can make Nicole stick to me so much?"

Gale instantly became serious "What do you mean?"

"Nicole is here. I don't want to say it."

*Gale asked, "Who is helping you? Who helped you ****Nicole?"*

Winnie smiled and asked, "What do you think? Aren't you very smart? Think about it for yourself!"

After finishing speaking, Winnie carried Nicole back to the hospital bed, coaxing softly, "Don't be afraid, don't be afraid, Nicole will stay here. Mommy will go out and have a talk with Daddy and Auntie."

Nicole stopped her. "Don't go, Mommy. They will hurt you."

"Mommy will protect herself. You wait for me obediently."

"Then I'll go with you."

Winnie shook her head. "No way, Nicole. You will distract Mommy."

This picture of a loving mother and filial piety cut Gale's heart with one knife after another.

Winnie seemed to be very kind to Nicole, but in fact, it was only for herself.

At the critical moment, Winnie did not care about Nicole's feelings at all!

*Just like when she ***Nicole just now, Winnie only wanted to win. She would not let go, and she did not care that Nicole was crying in pain!*

If it were another woman...

Maybe Gale would leave her daughter to Shawn, stay in his house, and go back home for Joshua.

However, this woman was Winnie...

Winnie would not treat Nicole well!

Chapter 826

After comforting Nicole, Winnie stood up. "Get out, don't talk in front of the child."

Shawn was a little surprised that she was so cooperative and willing to talk.

He had always been cautious and only felt that Winnie's anomaly was very strange.

He was afraid she had come up with some new tricks!

"What do you want to talk about? Are you blackmailing us with Nicole?" Shawn asked.

*Winnie smiled. "Didn't Gale ask me who would ***Nicole away from her? I plan to answer her question!"*

"How can you tell the truth!"

Shawn saw through her trick immediately!

Winnie shrugged. "Forget it. Let's not talk about it. Mr. Wood doesn't believe me, so I don't need to speak."

Gale looked at her fixedly. "Say it."

"Okay."

Winnie walked outside the door.

Gale raised his foot to follow, but Shawn held her back. "Gale, she's not that kind, don't be fooled by her."

"Shawn..." She pushed his hand away. "I really don't know what else I can do."

He pursed his lips and could only warn, "Don't believe everything she says."

"You should listen too."

Gale wanted to know whose name Winnie would drop.

Who could succeed when she was guarding Nicole day and night!

Who has such great ability!

In the hallway.

Gale said, "Don't go around the bush."

Winnie looked at Shawn, winking,

Her fingers twisted deliberately around her hair, around and around.

Getting Nicole was her first step.

The second step was naturally to get Shawn and have a child of her own!

Only then would her position be completely stabilized

However, Shawn's expression was as cold as ice.

He only felt that Winnie was disgusting!

This woman should be skinned and killed!

Winnie said. "Actually Gale, who can do it? You should have a list in your heart. You, of all people, should

know better'

Of course, Gale had doubts.

Apart from the doctors and nurses, the people who went in and out of Nicole's ward were only her and Shawn.

Other family members and friends came very rarely.

When they were there, Gale was always there, and they did not have the need to harm Nicole.

So...

After doing the elimination method, the only object of suspicion left in the end was... Shawn!

Gale suddenly opened her eyes wide..

Was it him?

Well... he would have a motive!

He wanted Nicole, he wanted his child to live with him forever!

Moreover, Shawn gave Nicole shares!

"Have you thought about it?" Winnie watched her expression change. "Say it boldly, Gale, trust your own intuition and judgment."

Gale slowly turned his head and looked at Shawn.

Shawn's deep eyes flickered slightly. "Gale... You suspect it's me?"

Gale said, "The only people who can get close to Nicole at will are you and me, and I never guard against you. Nobody comes close to her."

Chapter 827

"But Shawn, you are the only person I have let my guard down."

"You are the one who has the best chance of attacking... I can't kill my own daughter myself, right?"

Shawn asked deeply. "Why would I harm my own daughter?"

"You want a child!" Gale's voice rose unconsciously. "You gave Nicole shares, and the old man also gave her his. You want to keep her, you..."

Her voice choked, and she trembled unconsciously.

"Gale, do you know what you're talking about?"

"Only you could do it. Winnie is the woman who is by your side... You join hands with her to take away my Nicole..."

This thought completely crushed Gale.

Her last glimmer of hope was completely shattered.

If the person manipulating all of this was Shawn... What could she do?

What chance could she have of getting her daughter back?

She was totally desperate!

Shawn was about to speak, but Winnie was one step ahead. "Congratulations, Gale, you have finally been enlightened."

"Winnie!" Shawn roared angrily, "You're sowing discord!"

He knew that Winnie had no good intentions when she suddenly wanted to talk.

It turned out to be true!

She was talking nonsense, saying that he had caused Nicole's cognitive disorder!

Absurd!

However, Gale seemed to believe it.

Winnie walked to him with a coquettish smile and took his arm. "Mr. Wood, Nicole only recognizes me and hopes that we will be together... Things have already happened. It's over. Stop acting."

If Shawn's eyes could kill, Winnie would have died thousands of times, and no bones would be left!

However, Winnie continued, "You, Nicole, and I live happily together as a family of three. Mr. Wood, I will love you, listen to you, manage this family well, and be a good wife and mother."

"I know you want Nicole. After all, she is your only child. Don't worry. I will treat her as my own. Even if I have your child in the future, I will still not treat Nicole badly."

"Mr. Wood, why are you still hesitating... Don't you just want to forget about Gale? Then, Nicole would only belong to you."

"I remember what you said before."

Shawn's eyes were dark, and Winnie was afraid, but she still managed to finish her sentence.

She has sowed the seed of discord!

Even if Gale did not believe it, she would still quarrel with Shawn, and his relationship would be in

shambles!

Looking at Gale's expression, it was not far from the truth.

Gale looked at him and asked, "Shawn... It's you?"

"How is it possible! Gale, I told you just now, don't believe what Winnie said!"

Gale asked, "Then tell me now, who is helping Winnie? How did she do it? Where does she have this ability? And you... You are Shawn! How many people in the city can sneak up and play tricks under your nose?"

Gale pointed to his nose and yelled, "Only you! Only you! Shawn! In order to force Nicole to stay, you would do anything to this extent!"

Shawn looked at her with deep eyes. "Gale, do you think I will do such a thing?"

It turned out that he was such a lowly man in her heart.

Chapter 828

Was he that despicable and shameless to this extent?

Gale's eyes glistened with tears. I really want to believe you, but I can't. I can't convince myself... You

wanted her. I discussed it with you... Let Nicole make her own choice! Whyvince myself...You

on the surface but do this kind of thing behind my back!"

did you promise me verbally

Winnie snorted. "Gale, why do you blame him? Don't you see what you have done? You jumped into the sea and came back to life. You gave birth to a daughter with your own surname, and you don't want to return her to the Wood family. You are nothing but a selfish person!"

She began to defend Shawn, "Mr. Wood just wants to get back his daughter. Don't make it seem like the whole world is sorry for you. You want Nicole so much because she is from the Wood family. You don't want to lose your glory and wealth!"

However, Shawn said nothing.

Although he was powerful, he was also human.

His heart was also made of flesh.

All Winnie needed to say was a few sentences, and Gale just believed it.

She completely ignored his previous talk and everything he had done for her!

He had seen how fragile her trust in him was!

From the day she came back to Sea City, Shawn only loved her, only tolerated, understood, and

accommodated.

He would rather be heartbroken and sad than let her have the slightest bit of unhappiness.

In the end?

The results of it?

After all, he was no match for Winnie's provocations!

Gale held back her tears. "Why...Shawn?"

He said, "Why? Gale, I said it wasn't me. I didn't do it."

"How dare Winnie talk nonsense in front of you?"

*"She is a ***. Did you just know her today!"*

Gale asked, "Then you refute her. Show evidence to prove it's not you! You don't want Nicole, and you didn't do anything to Nicole!"

In the past few days, Gale has also been in a trance.

She was too tired and sad, and the pain in my heart could not be expressed in words.

"Why why... You wanted Nicole, and I didn't say that I had to take her away. I clearly told you to ask for Nicole's opinion, but you still have to do it... she murmured.

"However, Nicole still recognizes Winnie as her mother... Before that, Winnie was always in your hands."

"When Nicole woke up after the operation, it was only you... Only you and Winnie were in the ward!"

Too many coincidences and evidence, all pointing directly at Shawn!

She could not accept this reality... She really wanted to believe in Shawn, but she could not do it for the time being.

Unless, he came up with evidence!

Gale took a deep look at him, then turned around suddenly, quickly wiped the corner of her eyes, and ran away!

"Gale..."

Just as Shawn said a word, Winnie held his arm tightly.

"Mr. Wood, stop chasing her. The more you dote on her, the more lawless she will become."

"I want her to be lawless. What's wrong with that?"

*Winnie asked, "But what did you get in return for being kind to her? She ***on your sincerity repeatedly. The more you held her in front of her, the more she threw it on the ground. How I wish to receive your sincerity!"*

Chapter 829

Chapter 829

Shawn followed Gale's back closely

Actually, what Winnie said also makes sense

If he had caught up now, Gale would not pay attention to him and would only hate him!

He would let his bodyguard watch over her!

It would be fine, just as long as nothing happened to her!

"Mr. Wood Gale doesn't love you. Why do you continue to chase after her? Just look at me. I look similar

to her I have what she has, and now Nicole also ah!"

Winnie was slapped hard, and her forehead hit the wall with a bang.

Shawn withdrew his hand

“Have you ever looked at yourself in the mirror?”

Winnie covered her face. “Mr. Wood, if you hit me, Nicole will hate you even more when she sees my slap print and the wound on my forehead!”

Shawn’s eyes were about to burst into flames.

He wished he could kill this woman right now!

“Winnie, who told you to talk nonsense in front of Gale, saying that Nicole recognized you as a mother. and I did it? What’s the point of you framing me like this! Shawn asked sharply

He grabbed Winnie’s hair and pulled it back violently.

Winnie screamed again in pain but was quickly ***by Shawn.

Nicole could have heard them!

Winnies

features were wrinkled in pain, but she still smiled triumphantly. “Yes, I’m framing you. I’m just talking nonsense How could you help me to harm your daughter?”

But Mr Wood Gale, that idiot, she believed it

“What should I do, she is the person in your heart, but she is so brainless in the end”

“She would believe everything I say Hehehe, I cant help it”

Winue really deserves a beating to the extremel

Shawn reached out and pushed her to the ground looking down at her

Winnie propped herself up on the

Tell me Mr. Wood why do you fall in love with such a ***woman ground Since she is so easy to deceive. I will continue to feed her **

Shawns forehead was bulging with blue veins “You are looking for death

"You can't touch me Winnie held her head up. I'm going to talk nonsense, and I'm going to provoke your relationship with Gale Anyway you can't do anything to me!"

Nicole was her amulet to avoid death

Shawn pinched her chin, his words filled with murderous intent "Winnie, one day you will die without place to bury you!"

He slammed Winnie away, wiped his hands in disgust, and strode away!

Winnie smiled, stood up, and shouted, "Gale will not end well! You won't have it, and she won't either. Just stay away from each other!" The further, the better!"

Shawn walked away without looking back.

The more he looked at Winnie, the dirtier he felt!

Gale walked aimlessly along the streets.

She did not know where she was going, and she did not know where else she could go.

She seemed to have... nothing.

A passer-by accidentally bumped into her. She took two steps back and suddenly fell to the ground, scratching her palms.

"Sorry..."

Chapter 830

Gale stood up and continued walking forward.

It was dark by the time she arrived at a door.

She realized she was at Aurum's house

Gale blinked. "Have I walked this far? I actually came to Aurum's house...."

She remembered again that Joshua lived here.

Her Joshua, mischievous but clever son!

Gale called Aurum, then sat on the bench by the lake, waiting quietly.

A small voice was heard. "Mommy!"

Joshua ran toward Gale.

If it were before, Gale would definitely have a straight face, pretending to be serious, saying, "Run slowly. lest you fall."

However, seeing her son running toward her, seeing the joy and expectation in his eyes, Gale's heart softened instantly.

"Joshua..."

She opened her arms and caught Joshua, who was rushing toward her.

Her son, her baby!

Raising a son was completely different from raising a daughter. Gale pampered Nicole, like a little

princess.

She had higher requirements and stricter requirements for Joshua, hoping that he could become a real man, stand upright, and have enough broad shoulders to bear the ups and downs of life in the future.

"I knew you would come to see me." Joshua raised his head from her arms. "Mommy, you don't blame

me, do you?"

Gale patted his head. "You never blamed me from the beginning to the end. How can I have the heart to blame you?"

Joshua was sensible and did not care about it. She was an adult, so why should she care?

She knew that Joshua staying in Sea City was not for fun, but for her and Nicole.

Joshua said, 'I stayed with Aurum because I wanted to go back to Sea City with you. Actually... that time at the playground, I felt that Nicole was not the same Nicole she used to be I felt that she would leave us'

Gale's heart ached. "Really? How did you find out?"

"She likes and relies too much on Uncle Shawn Of course, I don't mean that Nicole is bad. She is a girl, and she must be better off living in a wealthy environment. I understand her, and I don't blame her. It's okay. Mommy. I'm still here I won't leave you, never will."

Joshua held her hand tightly, speaking extremely sincerely and earnestly.

"I won't abandon you either, Joshua, never

They would have to depend on each other for life.

"Mommy, why don't you let Nicole live with Uncle Shawn? Let's go back and never come to this place. again. You still have me."

He has always emphasized that he was with her.

Just like... Shawn also kept saying in her ear, 'Gale, I'm here.'

There were too many similarities between father and son.

Joshua climbed onto her lap and sat down. "Aurum told me everything. I know what you're going through. Mommy, it's not that Nicole doesn't love you. She just doesn't know you. When she recovers and wakes up, you will still be her favorite mommy!"

"Joshua..." Gale sighed softly. "You have experienced so much at such a young age, and I don't know whether it is a good thing or a bad thing."

"The more I experience, the faster I grow, and I can grow up earlier to protect you."

Gale smiled.

This was the first time she felt warmth in a while.

Gale hugged him. "Fortunately, there is still you, Joshua. Perhaps, I should be selfish for once. If I bring you and Nicole to meet him, I really would have nothing left."
