

Skeletons Of The Marital Closet by Wen Tang Tang

Chapter 831 - 840

Chapter 831

“Don’t worry, baby, I’m your son. I don’t know what the Wood family is, and I don’t know who my father is. I’ll be where you are. I’ll do whatever you ask me to do.”

Joshua tried his best to comfort Gale’s broken heart.

He knew how sad it was for Gale to lose Nicole temporarily.

Gale pinched his little face, and the depression and pain in her heart slowly disappeared.

“You’re still young, and I shouldn’t be the one to make decisions for you, and you shouldn’t disregard your own real opinions for the sake of me. Joshua, you can choose to follow Mommy or Daddy at any time.”

Joshua also looked at her without blinking his eyes. “I don’t have a father. I have never seen my father since I was born.”

Gale sighed.

Of course, she understood what her son was thinking!

He was so sensible!

“It’s my fault. Why do you have to choose between mom and dad...” Gale lowered his voice, “Why don’t mom and dad live happily and lovingly together so that you can have a complete family.”

This time, it was Joshua’s turn to put on a straight face. “If you say such things again, even if you are my Mommy, I will be angry!”

His cheeks were bulging on purpose, like a bloated puffer fish.

Gale stretched out his hand and poked it. “Okay, okay, do you miss me?”

“In no mood.”

“Lies.”

Joshua asked, “Do you miss me?”

Gale replied, "I think I'll admit it. I'm not like someone who says he doesn't want to but thinks about it terribly in his heart."

Joshua snorted and said, "Women are troublesome. We, men, are not so nasty, thinking about this and that every day."

"Yes, yes, you little boy, you are so cool, you won't admit how much you miss easily."

He looked just like Shawn.

Aurum looked at the mother and son at the side, smiling unconsciously.

Aurum said, "Gale, Joshua lives here with me. It is very safe, and you can rest assured. When you miss him, come and see him at any time, and I will arrange for you to meet."

Joshua nodded again and again. "Yes, yes, Aurum's house is so big, with a lot of people and everything. I live happily. Moreover, Aurum also helped me contact the kindergarten. I go to school every day!"

Gale asked, "Then do you like it here?"

"As long as it's near you, I like it!"

There was so much pain in Gale's heart, and five minutes after seeing Joshua, it was all melted away by

his love and sweetness.

Aurum could not help but sigh with emotion. "This kid. I don't know how many little girls he will coax when he grows up..."

"What is coaxing?" Joshua retorted immediately I am complimenting you from the bottom of my heart!"

"Yes, yes, any girl will be conquered by your sweet mouth!"

Gale said, "Although Joshua has a sweet mouth, he is not flirtatious or sentimental. He is very dedicated. He likes his deskmate, and he still likes her now, and it hasn't changed Isn't it Joshua?"

Joshua hurriedly covered her mouth. "Mommy, why did you even say such a thing! It's so embarrassing!"

Aurum laughed out loud.

The atmosphere became much more relaxed, and Gale's heart was being repaired bit by bit.

"Actually, I don't feel at ease. I'm always worried that something might happen and I won't be able to

make it as it's so far. I'm also worried that if Shawn comes to the door or is discovered by someone who cares..."

Living in Aurum's house was the safest place.

However...

Aurum still had Natalie.

Chapter 832

"I wonder what Natalie would think? she thought.

Gale thought for a while and said, "It's just that Joshua will cause you trouble?"

Aurum said, "You are always thinking of others We have known each other for so many years, and every time I do my best to help you, no matter the trouble, no matter the cost Gale, why are you still being so polite?"

Every time, Aurum stretched out his hand to give her a hand

Every time, Aurum was by her side.

Every time, she owed Aurum a huge favor

It was impossible to pay off in this lifetime!

Gale could only say thank you, but the word thank you was so powerless

"You just do what you want Winnie won't be arrogant for long, and Nicole can't always mistake her for her mother. Shawn will find out the reason, and I'm also looking for it secretly Aurum said

Gale asked softly, "What if Shawn did this?"

Aurum was taken aback.

"Winnie said it herself She said that she succeeded because of Shawn's help Otherwise, with her own ability, how could she get close to Nicole? Well, Shawn deliberately kept her by his side as my substitute." Gale replied.

In order to get Nicole, Shawn could give her up.

How could he, who was so proud, love her humbly and accommodate her all the time?

He would be bored and tired too. He had so many women he could choose from.

There was no shortage of Gale by Shawn's side.

So he gave up on her, but he wanted Nicole.

So, he took Winnie out and fulfilled his plan.

Gale felt a bit of heart-piercing pain.

"Shawn?" Aurum slowly frowned. "Impossible..."

Although he and Shawn always had some disagreements, he believed in Shawn's character and his love

for Gale

Shawn would not do that.

"I don't know if it's him... But Winnie's words are very reasonable. Who else can have this ability? Who is the one who benefits from Nicole staying in Sea City in the end?"

It was Shawn.

"Forget it. The truth will always come out. Mr. Lefting, Joshua won't cause trouble with you, right? Natalie...does she have any objections?" Gale said.

*Joshua lives with Zoe and has nothing to do with Natalie. You don't have to worry."

Gale nodded.

"Mommy, I'm very good." Joshua raised his chin proudly.

"By the way, Mommy, why weren't you dating Aurum back then?"

Joshua's words left both of them speechless.

"I didn't mean to say that Natalie was bad. I just think you two are so good for each other," Joshua explained.

Gale hurriedly covered his mouth. "Don't talk nonsense here. He is getting married at the end of the year. I

... I'm not considered single now, and I haven't divorced yet, understand?"

As she said that, she smiled at Aurum in embarrassment. "Kids..."

"It's okay. I'm... used to it."

Chapter 833

Anyway, Joshua's brain worked much faster than a normal three-year-old's. Aurum will be surprised by his intelligence again and again.

Now...

No matter what Joshua said, he could keep his face expressionless

However, having said that, if he had met Gale earlier, maybe...

He would be moved.

It was getting late.

Gale said, "I'm going back first. Joshua, you have to be obedient. If you miss me, you can call "

"I know, I know, let's go... Hey, wait

"Um?"

Joshua asked, "Where are you going? The hospital? Nicole doesn't know you anymore Are you going to be angry?"

"I'm going back to my grandfather's house I still have my father, your grandfather," Gale replied

Only then did Joshua feel relieved and nod "Okay, I love you, Mommy"

Gale hugged him and kissed him, then waved

Aurum and Joshua just watched her leave.

Joshua sighed.

Aurum asked, "Miss her already?"

"Unfortunately. I regret it."

“Regret?” Aurum patted his head. “You are a child. Do you know what regret is?”

“Uncle, I really think you and Mommy could work. Why don’t you give it a try? Joshua said.

Aurum only thought of him as a child with no scruples and did not take it to heart.

He took Joshua’s hand and walked slowly toward his house.

Aurum said, “I will marry Natalie and only her. If I don’t marry Natalie, there is only one possibility.”

“What’s possible?”

“She has come back.”

Joshua tilted his head. “Her? Who is she?”

Aurum smiled.

It was the little girl in his memory.

She was the real daughter of the Yarn family. 1

She was the love of his life and the person he had missed all his life.

Only if she came back would Aurum give up on Natalie and go all out to pursue his true love.

Aurum did not deny that he was a little tempted by Gale, but it was also because he felt that she and Gale

had similarities.

He has been in love with Natalie for many years. He was a responsible man, and he would not give up.

Joshua asked, “So besides Natalie, do you have someone else you like?”

“Yes.”

“Do you like her more than my mommy?”

Joshua immediately changed his question. “Do you like her more than I like my mommy combined?”

"Well, I love her more than my own life."

"It seems that my mommy has no chance, hey..."

"If Shawn heard what you said, you would be beaten severely, even if it's his own son."

"Tch, I'm even more arrogant in front of him!"

"That's right. After all, he is your father. Shawn is famous for his aloofness and arrogance. You will be just like him."

Joshua curled his lips. "Hmph. No."

Chapter 834

"You'll understand when you grow up."

"Are there some things you will only understand when you grow up? Is that true?" Joshua asked.

Aurum was immediately stopped by the question.

Joshua continued to ask, "According to what you said, when Nicole grows up, she will recognize the real mommy, and won't she treat a bad woman as her mommy?"

"I really don't understand why she can't admit her mistake... Even if they look alike, it's not 100%."

"Mommy is Mommy, and a bad woman is a bad woman. There's a big difference."

Joshua suddenly remembered something. "By the way, the bad woman and my mommy have similar faces, but they can't have the same body shape! Besides, my mommy has a unique mark on her body!"

"Huh? What's the mark on Gale?"

"She has a birthmark!"

Aurum was stunned for a moment, then stopped unconsciously and stayed where he was.

Joshua called him several times. "What's wrong with you?"

"Joshua, you said... your mommy has a birthmark?!"

"That's right. Nicole and I have seen it, and Mrs. Zoe also knows about it. So tell me, if Nicole sees the birthmark on Mommy, will she recognize her again?"

Aurum squatted down and looked seriously into Joshua's eyes.

"Where is that birthmark of hers...? What does it look like? What shape?"

"Well..."

Joshua was about to answer when he suddenly remembered something and kept silent.

It seemed like he could not just tell anyone about it.

Aurum asked, "Is it on the waist?"

Joshua nodded.

"Is it... a heart?"

Joshua's expression became very strange. "Have you... seen it?"

Aurum raised his hand unconsciously and squeezed Joshua's shoulder. "You answer me first, yes or no!"

"Yes." Joshua nodded. "My mommy has a heart-shaped birthmark on her waist, and it's on the thinnest part of her waist. But no one would ever notice it."

Gale's dressing style was also relatively conservative. She never wore clothes that revealed her waist and navel.

Aurum froze.

Joshua was still talking. "Bad women can't imitate this birthmark, right? And you don't know that Mommy has a birthmark, right? Do you think Nicole will recognize the real Mommy if she saw it?"

"Hey, although the faces look alike, there are always differences. Nicole has been confused."

"Although Mommy has a birthmark, you can't just lift it up for others to see..."

Joshua muttered non-stop, but Aurum never recovered.

After a while, he said, "Joshua, are you sure?"

"Ah? Are you sure about what?"

“Birthmark, heart-shaped, on the waist.”

Joshua said, “I’m sure and sure. That’s my mommy. I’m not confused. If you don’t believe me, you can ask Mrs. Zoe!”

Aurum closed his eyes.

The excitement, nervousness, and disbelief in his heart almost swallowed him up!

Although he did not see the heart-shaped birthmark on Gale’s waist with his own eyes, Joshua said it with such certainty that it must exist!

Aurum would never forget that the lost daughter of the Yarn family, the little girl in memory, also had a heart-shaped birthmark on her waist!

Could it be that Gale was the little girl he had been thinking about all this time?

Could it be that Gale was the real daughter of the Yarn family?

The person he had been looking for, the person he had been waiting for, the person he loved deeply, was Gale?

Aurum still remembered that when he saw Gale for the first time, he always had an inexplicable sense of familiarity.

Because of this feeling, he and Gale started dating, contacted, and became friends... Until today, they have become such close friends. 1

Chapter 835

Aurum would do anything for Gale without complaint or regret, but he knew that it was not because of love.

It was because of that feeling.

What if Gale was that little girl?

Aurum really wanted to believe it, but he dared not jump to a conclusion. After all, this matter was too coincidental!

Maybe Gale’s birthmark was different from Jennie Yarn’s?

Although they are all heart-shaped and on the waist, maybe it was a little deformed and the position was slightly off.

"Uncle Aurum? Uncle Aurum? What are you thinking about? You are so distracted, Joshua yelled again and again.

"No...it's nothing. Joshua, are there many people who know about your mommy's birthmark?"

"I can count them on the one hand. Mommy is a girl. How can a girl's body be shown to anyone?"

Aurum nodded.

He wished he could find Gale now and check the birthmark on her body.

However, doing so would be too abrupt.

Although, if he asked to see the birthmark, Gale would agree to him.

After all, he has helped her too much, and she would not refuse him.

Aurum wanted to see it very much but dared not.

He was afraid he would be disappointed that... Gale would just be Gale.

Aurum worried too much and was too cautious.

It was because Jennie Yarn was the love of his life!

However, Aurum would find a way to insinuate and inquire about Gale's life experience!

If Gale was Jennie, then she was not the biological daughter of the Warm family!

He was thinking, immersed in his own thoughts, when Joshua suddenly pointed out, "Aunt Natalie is here."

Aurum was in a daze, looking at Natalie. What came to mind was the little girl's frown and smile in his memory.

"Aurum, you're here. I've been looking for you everywhere." Natalie walked over, pushed Joshua away naturally, and took his arm. "You look ill. What happened?"

Aurum shook his head. "It's nothing."

"It's time to eat. The food will be cold soon."

"Okay. Let's go."

Aurum took two steps, then suddenly turned around and waved. "Joshua, come."

"Okay, Uncle Aurum."

It was this little boy again.

Natalie had seen him several times.

She finally could not help herself, pretending to ask casually, "Aurum, you seem to like him very much. I have seen you playing with him and hugging him several times."

"Well, children are pleasing to the eye. How can I not like him."

Natalie said tentatively, "If you like children so much, we can have one as soon as possible."

Of course, she was willing to have children for Aurum.

It could even be said that this is her dream.

However, Natalie was in poor health, and she had been taking medicine for years.

If she wanted to have children, she would have to wait, as per the doctor's advice.

Aurum was worried about her health, so he never mentioned the matter of the child. In addition, the two of them were only engaged, yet to be an official couple.

It was too early to have kids.

"Don't worry. Take care of your body first. I don't want to drag you down because of the child," Aurum said.

"Actually, it's fine, Aurum. I'm already at this age. If I have a child later, it would be difficult for me to regain my figure in the future."

"Why would I dislike you because of your figure?"

Natalie smiled. "I would despise myself."

"You fool."

Joshua, next to him, suddenly trembled.

"Huh? Are you cold? Or are you bitten by a mosquito?"

He shook his head repeatedly.

“Then what is the matter?”

Chapter 836

Joshua replied, “Yuckie!!!!”

He tugged Joshua’s ear. “You!”

Joshua stuck out his tongue, broke away from his hand, and ran forward quickly. “I’m so hungry. I’m going home first!”

“Slow down, don’t fall.”

“I know!”

Actually, Joshua did not want to see Natalie.

Especially when he saw Uncle Aurum being so close to her, he almost vomited out his last night’s meal!

He just did not like Natalie!

He felt something was off!

Aurum was always worried, staring at Joshua’s back, afraid that someone would bump into him.

Natalie carefully observed his expression and could tell that he really liked Joshua.

However, in her impression, Aurum was usually neutral toward children.

When a relative’s child came to visit, he just asked politely and did not even hug them.

However, for this kid named Joshua...

It is different.

Why?

Was there anything special about this little boy?

Natalie began to pay attention.

Looking back, she had to ask Zoe!

Although she was not married into the Lefting family, she was the one who had control over these

matters!

When Peter saw Gale, he stood up in shock. "Gale, you are back?"

He looked back again and saw that there was no one there.

Just her?

What about Shawn and Nicole?

Peter vaguely guessed something was wrong. "Gale, what happened?"

Looking at her most beloved father, the grievances in Gale's heart flooded.

She could not bear it anymore and burst into tears in front of Peter.

She had no need to pretend to be strong anymore!

Peter hugged her and patted her on the back. "Gale, cry. It feels much better to cry... I am here. No matter what, I am here. You will have a home to return to."

Thank g*d she still had her father.

Otherwise, Gale really had nowhere to go and would be homeless now!

Peter would always be her resort!

Gale did not know how long she had been crying, and her voice was a little h*rse.

"Dad, Nicole doesn't know me anymore. She calls someone else Mommy..." Gale said.

"What?"

Gale cried so hard that she told Peter about the matter.

After hearing this, Peter opened his mouth in astonishment, not knowing what to say.

Why did things become like this...

Peter sighed and said, "It's late, I thought that your good days were coming soon. Even if it's not good enough, you can be mediocre and happy, but in the end..."

"Fortunately, I still have Joshua."

"Thanks to Aurum. He is really a good person. During the four years you were away, he and Sam came the most diligently. Every time he comes, he buys me things," Peter said.

Gale sat on the sofa, her eyes swollen like peaches.

Peter patted her on the shoulder. "Are you hungry? I'll get you a bowl of noodles. You need to eat something."

Gale replied with a hum.

It had been a long time since she had tasted her dad's food.

When the noodles arrived, they were still steaming hot, topped with a poached egg.

Gale picked up the cutlery and ate slowly.

Chapter 837

"I know you are very sad about what happened. Gale, take it easy. No matter what, Nicole is yours. She was just bewitched."

Peter thought for a while before saying, "You and Mr. Wood should have a good discussion about how to deal with it so that Nicole can return to normal. He is very capable, and he will find a way."

Gale replied, "Her name is Winnie. It was she who was brought back to Temperley Hall and is his new favorite. That woman has been under his control all this time, but she suddenly jumped out and pretended to be me."

"You think Nicole suddenly doesn't know you because... Mr. Wood?"

Gale picked up the noodles, and the heat dazzled her eyes.

She did not know whether Nicole became like this because of Shawn.

She did not believe everything Winnie said.

It was just that when she was emotional, she had no place to vent. She could only hate him and loathe

him!

If Shawn was clean and innocent, how could Winnie find a reason to frame him?

“He shouldn’t be the one doing this, but Winnie is the woman he keeps by his side, and it’s because he failed to deal with that rotten woman which led to what happened today.”

Gale asked softly again, “Dad, do you still remember how Mom died? At that time, only Shawn and Mom were in the ward. He did not ring the bell in time to call the doctor, which delayed the best time. The

timing of the rescue...”

From that time on, she had a deep distrust of Shawn.

This man was strong, and his methods were quite ruthless.

If he were ruthless to others, he would only be more ruthless to himself!

It was because of her mother’s death that Gale completely gave up and decided to leave him forever.

Shawn had no heart.

He would be willing to do whatever it takes to get what he wants!

Gale could not spend her whole life with such a person.

Peter looked at her and said, “Gale, there is something that I think I should tell you.”

“Dad, tell me.”

“We really misunderstood Shawn about your mother’s death...”

Gale’s hand holding the fork suddenly paused. “Dad...”

Peter stood up and went to the bedroom without saying a word.

Not long after, he took out a mobile phone.

Gale recognized it at a glance. It was the mobile phone used by her mother when she was alive, and she bought it for her mother herself!

“Back then, when I was sorting out your mother’s belongings, I found her mobile phone and kept it. I

would take it out from time to time, charge it, and look through the photo album. Until one day, I was on my phone and found a recording,” Peter said.

“Recording?”

Peter handed her the phone. "Yes, it's a bit long. Listen to it yourself, maybe... you would find your answer

there."

Gale picked up the phone, trembling slightly.

"Your mother should have recorded it herself. She called Sam at that time, just to tell him something, and she was afraid that she would forget too much, so she recorded it. Unexpectedly, Sam just let's go, and Shawn went to look for her..." Peter said.

Gale started the recording.

Wendy's voice echoed in the dining hall as if she was still alive.

Listening to her mother's explanation to Sam, Gale burst into tears again.

The greatest love in the world was a mother's love for her children.

Chapter 838

She had also become a mother now, and she understood how her mother felt at that time too.

If Gale knew that she would not live long and would leave this world, she would, like Wendy, make arrangements for the child's future, so that she could die with peace of mind.

The recording was very long.

The first half was a conversation between Wendy and Sam... In the second half, Shawn's voice appeared.

Wendy was emotional, and every word she said was harsh, forcing Shawn to get a divorce.

Although Shawn was displeased, he responded slowly. He did not deliberately provoke her, and he kept trying to call the doctor.

It was Wendy who took the initiative to stop him.

Until Gale heard that poisonous oath....

"I only love Gale in this life, I will always treat her well, and I will never change my heart!"

"If I, Shawn, violated it, then I will be struck by lightning, I will die badly, I will have no descendants for life, and the Wood family will go bankrupt. I will go to the eighteenth floor of hell, and I will never be able to recover! I will forever remain a lonely ghost!"

It turned out that he had made such an oath in front of his mother before her death.

It turned out that he did not intentionally piss his mother off.

Shawn even wanted to save his mother and tried to ring the bell repeatedly but was stopped by her.

Gale thought that she had misunderstood him.

She always thought that her mother's death was because of what he said in the ward, which stimulated

her and caused her to attack.

Peter said slowly, "Gale, we...we all thought that your mother's death had something to do with Shawn. After listening to this recording, I realized that we were wrong to blame him."

Gale kept silent

"It's true that he can't be blamed. Your mother's body, at that time, was half a foot into the gate of hell..."

Gale interrupted him, "This recording can only prove that Shawn didn't irritate Mom at that time, nor did he directly cause Mom's death. But don't forget how Mom was hospitalized and how she became ill?"

It was Shawn who ruined the Warm family.

It was Shawn who prevented her mother from taking the special medicine.

Gale remembered all these things.

Peter replied, "Yes, he was wrong, but his fault wasn't killing your mother."

Gale closed her eyes. "Dad, by now, I don't know what is right, what is wrong, what is hate, what is love..."

She felt so tired.

She was so tired that she just wanted to fall asleep and never wake up again.

What did she do wrong to endure so much suffering in this life?

Gale was only in her twenties, but she seemed to have experienced all the ups and downs of life.

“Let the past be the past. Worrying about it will only increase your troubles. The most important thing is to live in the present. Gale, I understand how you feel. I am also very conflicted.”

Gale covered her face with her hands. “Dad, why... why is there such a contradictory person as Shawn? Everything seems to have nothing to do with him, but it has everything to do with him.”

Alex Wood died, and Shawn hated the Warm family deeply and wanted to make them pay.

From his point of view, he was just taking revenge.

However, that led to the ruin of the Warm family and ruined Gale's bright future.

Was Shawn wrong?

He did not know at the time that the person who killed Alex Wood was not Peter.

Chapter 839

Later, Wendy died, and he was the only one present.

He did not kill her mother, but her mother had a cerebral infarction and became a vegetable until she died because she could not accept his cruel methods against the Warm family.

He caused it.

Now, Nicole mistook Winnie for her mother.

That was not what Shawn wanted to see.

However, he was the one who banned her before, and he was the one who brought her back to Temperley Hall, and it was he who wanted to drive her out of Sea City and never show up, but she suddenly appeared in the ward.....

Shawn himself was a contradictory existence.

“Gale...” Peter touched her head with his big palm. “Don't think about it so much, you should have a good rest first. We will think of a solution tomorrow.”

“Okay.”

“Go to bed. I will still be here.”

Gale dragged her tired body to the bedroom.

Peter’s eyes flashed with unbearable sadness.

Peter said to himself, “Gale, if you hadn’t come to me and become my daughter, you wouldn’t have experienced all this. However, at least if you live with us, you have lived a happy childhood and carefree youth. If you live with another family...”

Peter stopped talking just in time.

He said that she had a happy childhood. In actuality, she had suffered since she was a child!

There was a secret, until now, only Peter knew about it.

Maybe this secret would remain a secret forever, and no one would know it, including Gale herself.

After all, so many years have passed...

Peter turned off the light, and the villa fell into darkness.

Not far away, a black car parked quietly on the side of the road.

The window of the driver’s side was lowered, and the man with cold and hard features could be seen.

His bony hand rested casually on the car door, with a cigarette between his fingertips.

Outside the car door, two tall bodyguards were standing with their hands behind their backs and wearing walkie-talkies

“She... went to Aurum’s house today?” Shawn said lightly.

The bodyguard responded immediately, “Yes, Mr. Wood, Madam stayed at his house for more than an

hour.”

Shawn moved his fingers, and the soot fell down. “She met Aurum?”

“She met Aurum and a little boy.”

“Is there any more?”

The bodyguard reported, “We did not dare to get too close for fear that your wife would find out, so I don’t know what your wife and Aurum talked about.”

That little boy...

It should be Joshua.

Aurum was as devoted to Joshua as ever and always took him with him everywhere.

“By the way, Mr. Wood, Gale and the little boy seem to have a good relationship, talking and laughing, and hugging the little boy.”

Shawn let out a questioning hum.

Joshua was sweet-mouthed and flirtatious, and Gale just happened to ‘lose’ Nicole, and felt depressed, so it was reasonable to get closer to Joshua.

If Joshua could make Gale feel better, he would like to take Joshua over to accompany Gale.

Maybe he could temporarily comfort her wounded heart.

However, Joshua lived in Aurum’s house... with Zoe.

Where was his mother?

This woman was really mysterious. She would come and go without a trace. She could leave her son in other people’s homes with no worry.

She has no sense of responsibility as a mother at all.

Shawn took a puff of the cigarette and slowly exhaled the smoke.

Now because of Nicole’s matter, he was already devastated, so he did not have the time and thought to

think about that.

Chapter 840

How to deal with Winnie and make Nicole regain consciousness? That was the most important and urgent thing for him right now!

If this continued, the relationship between him and Gale would become more and more estranged amid repeated suspicions!

No matter how much he loved her, he still could not stand her indifference and hatred again and again!

“Mr. Wood, are you... staying here tonight? Aren't you going to see your wife?” the bodyguard asked cautiously.

Shawn had been here for several hours.

The ground was full of cigarette butts and ash.

He did not have the means to leave as well, nor did he mean to get out of the car!

“No.”

He was here, looking at the window of her bedroom, and already felt at ease.

If they met, they would have another fight.

Shawn did not want to quarrel with her.

When a person is angry, what they say is the most hurtful.

He did not want to get hurt by Gale's angry words.

In the same way, Shawn also understood that most of what Gale said was because of her frustration.

Although he knew she did not mean to hurt him by saying that kind of thing, he felt sad when he heard it.

It was just that when a man was hurt, he would hide it and digest it slowly by himself and would not show

The night was dark.

Then, the sky turned white.

It was daylight again.

Shawn's eyes were bloodshot.

He sat here all night, seemingly in a daze, but in fact, his brain was running at high speed.

He must come up with a countermeasure!

Shawn thought of it!

However...

He was still hesitating.

Shawn knew how to deal with Winnie, manipulate her, and infiltrate her bit by bit, to find out the reason for Nicole's m*tal disorder, but... the price he had to pay was to hurt Gale.

How could he bear to hurt her?

He was willing to hurt himself thousands of times, but he was not willing to hurt her even a single hair!

However, after thinking about it, he wanted to cure Nicole. This would be the best and fastest way he

could think of so far!

Shawn took a deep look at the slowly rising sunrise.

He closed his eyes for a while, rested for a while, then started the car and left.

As soon as Shawn left, the bodyguards followed.

The cigarette butts had been cleaned up before they left

Five minutes later, another black car sped up and stopped at the entrance of the villa.

Aurum got out of the car and strode inside.

Peter got up and went downstairs. As soon as he opened the door, he saw Aurum hurriedly. "Aurum? You're here, come in and sit down. She hasn't gotten up yet."

"Uncle, I'm here to see you."

Aurum came here deliberately at this time.

He knew Peter's work and rest schedule.

"Looking for me?" Peter was taken aback, "What's the matter?"

Aurum looked around with a hesitant look on his face, but he still said, "It is something about Gale. Uncle,

I... have no other intentions, nor any purpose, I just have a question to ask."

Peter still admired and trusted Aurum very much.

Over the years, he has seen everything Aurum has done for Gale.

"Tell me." Peter greeted him and sat under the umbrella in the yard. "I'll get you a cup of tea."

"No need, I'll leave after. There is still a morning meeting at the company."
