

My Sleeping Beauty Husband by Lyanna Nichols

Chapter 251 - 255

Chapter 251 I Wanted To Catch Him

At the same time , with a sarcastic smile , Cynthia was also watching the online video of her performance crying . _ _ _

She said Smith Group would hold them accountable . They both did n't want to go to jail

, so they panicked . They pleaded that they could hand over the \$ 100,000 Ivan had given

them , or they could help the Smiths expose the Tansy Group . Just do n't send them to prison . _

Cynthia agreed , dropped the charges against her , and paid the two workers for the surgery . Smith Group had gone above and beyond for the two men . As for their end , without the \$ 100,000 , would they be treated kindly by their family ??members , and would they repent ? _ _ She would n't care about any of that , it was all hers

culpa _

” Mrs. _ Smith , the lawyer 's letter has been sent , but there 's no movement from Tansy

Group . They have acceded to this matter , and have not rebutted , nor issued relevant clarification announcements . _ _

Lloyd came in and reported the Tansy Group news . _

Cynthia rubbed her eyes and replied , ” I see . ” _

Lloyd frowned as he looked at the various dark circles on her blond face . ” Mrs. Smith , why doesn't she go home?”

and rest first ? I'll look at it here . _ He has not had a good rest for several days . _ If this continues , you will fall . _

sick _ ”

Cynthia was stunned to hear his words and thought : ” It 's been several days , I'm full of exhaustion , and I have trouble staying awake . _ The most critical moments of the night had passed and _

in a few days there was still a hard battle to fight . _ _ _ I must be full of energy . _ ”

She agreed . ” I see . I 'm sleepy Somebody get the car ready . I'll be right back . ” _ _ _

_ _

A smile appeared on Lloyd's face . ” Okay . ”

Cynthia turned off the computer , picked up her coat from the back of her chair , and was

about to leave when she thought of something , then turned around and said to Lloyd , “ By the way , contact the Instagram staff . Not “

no matter who asks , this video can not be removed . ”

“ Well , I've already contacted them . Don't worry , Mrs. Smith . ”

After Cynthia heard that , she patted her forehead with a smile . ” Why did I forget ? _

You used to be Alston _

personal assistant _ I don't need to remind you of those things . _ _ _ _ He was too worried . _ ”

Lloyd smiled . His usually serious face of him looked very gentle . " Mrs. Smith , she values Smith Group too much , that 's why she is so careful . " _ _

It was after one in the morning when Cynthia returned home , and the house was quiet . _ Mrs. Lewis was already waiting at the door when she heard the noise . Seeing Cynthia get out of the car , she hurried to meet ella _

" Mrs. _ Smith , are you hungry ? Do you want to eat something ? There 's still hot soup in the pot . " _ _

During that time , Cynthia 's appetite worsened . She lost a lot of weight . _ _ _ Mrs. _ Lewis looked at her slender waist , and his eyes were full of anguish . She thought , " During this time , Mrs. _ Smith has worked hard . Wait Mr. Smith will be back soon . _ So that Mrs. Smith does n't work so much . "

When Mrs. _ _ Lewis greeted her , Joyce had served her soup . It was very hot and spicy . _ Cynthia not _

He wanted to eat at first , but the smell made him feel a little hungry . _ _

" Okay , I 'll have a bowl of soup . "

After she finished speaking , Mrs. Lewis and Joyce smiled and stood next to her , watching her eat her soup . _

The soup was pork rib soup . It had been stewed for a long time and the soup was whitish . _ _ _ _ _ Although the pig the ribs were braised , not greasy . _ She felt her stomach warm . _

Joyce's pretty face was full of smiles . " Mrs. Smith , Mrs. Lewis skimmed all the fat out of her soup , so this the soup is not greasy at all , and you will not feel uncomfortable when you have it . "

Cynthia smiled at Mrs. Lewis when she heard that . " Thank you , Mrs. Lewis " .

" This is all I have to do . " Mrs. Lewis smiled . " These days , you are so busy that you do n't have time to eat . You 've been at the company all day . How can your stomach take it ? You are losing weight now " . _ Joyce and I are anxious ... Mr. Smith was like this before , so he also suffered from stomach problems , but he still went out to _

socialize and drink every day . If Greg doesn't find out in time , Mr. Smith might have to go to the hospital . often ... "

Cynthia didn't respond as she listened to his complaints about Alston . Ella _ Ella looked down and took a sip .

sopa _

Joyce noticed that she was depressed and touched Mrs. Lewis , signaling for her to stop .

It was then that Mrs. Lewis realized she had said something she should n't have said and stopped talking . _

Cynthia realized that and looked at Mrs. _ Lewis . " What's up ? " Why did n't you stop ? "

Mrs. _ Lewis pursed his lips and said : " Mrs. _ Smith , I talked too much . I should n't

have talked about Mr.

Smith , what saddened you . _ ”

Cynthia smiled at her words . _ _ ” It ‘s okay . Alston is not a taboo that can not be mentioned . I have always believed that he is still alive , maybe in a place I do n’t know . He must be alive , but he _ _ _ it just hasn’t

He found his way home yet . ”

There was a slight smile on her face , but Mrs. Lewis and Joyce were very distressed when they saw it . They were very sad , but they forced a smile and thought : “ Mrs. Smith is suffering . ”

Outsiders envied Cynthia for marrying a good husband . Her husband ‘s family was the most powerful family in Jadney City . Her family Hers, the Green family , could n’t be underestimated either . _ _ Also , Alston loved her very much . _ _ But Mrs. Lewis and Joyce belonged to the Smith family . After staying for so long , they know the various

hardships they have gone through . _ _ They had been in danger many times and had almost lost their lives , all surrounded by villains . _

It was n’t easy for them to have two lovely children and such good family and friends , but Alston disappeared and they still had n’t found him . _ _

Although everyone was hopeful , who knew where Mr. Smith was now and what he was running into ?

Cynthia ate a small bowl of soup , washed , and lay down on the big bed , but she could n’t sleep . She left the room and went to the nursery of the two boys . _ _

The night light shone . _ The two children were asleep . Cynthia sat by her crib , her eyes filled with tenderness .

while looking at the two babies lying next to each other .

She had been at the company for the last few days and had n’t even had time to take care of the children . _ _ It had only been a few days since she had seen them . _ The two children seemed to have grown a bit . _ _ his face they were plump , their plump hands were exposed , and their breathing was shallow and very sweet .

Desmond was becoming more and more like Alston . Even in her dream of him, her plump face of him was grave . She

He wondered what he was dreaming about , so he frowned .

Keller was much more lively and active than his brother . She slept on her back . _ She had separated her little

mouth , and was still drooling .

Cynthia shook her head with a smile and pulled the blanket over her body to cover her plump tummy . _

She thought : “ She is very lively . If Alston sees that the two babies have grown so much

, they can call him daddy , and he will be very happy . _ _ _

Cynthia was holding onto the bed rail , looking down at the two babies . She was at peace . She had suffered from insomnia for a long time . Now that she was looking at the

babies , she felt a bit sleepy and soon fell asleep . _ _

After a while , Mrs. Lewis and Joyce came in . Seeing them sleep , they sighed .

They worked together to get Cynthia back to bed , covered her with the duvet , and left .

“Mrs. Smith is too tired . We brought her back to the room and she has n’t woken up yet .

” Joyce ‘s eyes were a little red . _ She felt sorry for Cynthia and thought : ” She could have lived freely . ” _ _

Mrs. Lewis also sighed . “ Mrs. Smith has been suffering from insomnia for a while , and since Mr. Smith left , she has not had a good night ‘s sleep . Fortunately he was able to sleep today . ”

Joyce looked at the closed door and said : “ Mrs. Lewis , I ‘ll buy lavender and other bedtime flowers tomorrow and put them by Mrs. _ _ _ _ Smith . I wish I could rest better . There are so many things in the _ _ company _ If you do n’t get a good night ‘s sleep , you wo n’t have the energy to deal with these things . _ _ ”

” That will be great . ” _

In the small , simple room , Gigi got up from the bed and walked into the next room .

The man had made a good recovery after so many days of convalescence , but his memory had not yet returned . He only remembered that his name was Alston !

She thought : ” This name sounds good , like him , with an outstanding temperament . ”

A blush appeared on Gigi’s face at the thought of Alston ‘s extraordinary handsome features . It was too hard for her not to be tempted by such a handsome man , who had been by her side all day . _

She felt that she was already very attached to him . Noticing her informal habits , Gigi felt

more confident that she must have lived in a very wealthy family before and that her family history must not have been _ _

simple _

With perfect looks , a superior family background , and a one – in – a – million personality , this man was just what she dreamed of . _ _ _ It was a pity that she was too

cold . _ _ No matter how nice she was to him, he was still warm to her when she showed courtesy in front of him . _

It made Gigi want him more and more , and tonight was a good chance .

Chapter 252 He Knew His Identity

During that period of time , Gigi tried many ways to get closer to Alston . _ Whether it was a direct or indirect temptation , Alston had never accepted it and would always avoid

it . _ _ He distanced himself from her and _

I even avoided it .

Gigi was unwilling and thought : “ How could this man be different from the men I knew ?

_ I’ve been so initiative , but did not respond . _ _ _ ”

Alston’s indifference and rejection made her insecure for a while , wondering if she was n’t attractive .

enough _

Looking at herself with a good figure and a beautiful face in the mirror , Gigi dismissed

the idea and thought , “ It must be that Alston did n’t notice my kindness before , so he didn’t like me ” .

Before going to bed , Alston asked his father to bring him a glass of milk . _ Dad was his savior From him, and Alston he would not refuse the milk he sent him .

He hid in the doorway and saw Alston drink all the drugged milk .

He got that drug from a friend he used to know . _ _ It had no other effect , it would only make people sleep .

deeper at night , and they would n’t wake up easily . _

If he would only go into his room , undress , lie under Alston ‘s covers , wait all night and pretend to lose his virginity the next morning , and then , whether Alston wanted to or not , he would be married.

her for her father ‘s sake .

Later , when Alston ‘s memory returned , she would be a true noble lady .

Gigi had that idea for a long time and was only planning to implement it that night . _ _

She took out the key that she had prepared beforehand and opened the door of Alston ‘s room . _

She seemed tense and excited , and the door opened .

Just as she was about to unscrew the doorknob , a large hand patted her shoulder , startling Gigi , and _

almost screamed _ _ _

She looked back , and her father was standing behind her , watching her . _

“ Gigi , what are you doing ? ”

Gigi’s heart skipped a beat . She was nervous and did not dare to look at her father From her. _ ” I want to see if Alston is here . _ _

asleep ... ”

” I wanted to ask you something before , but I just remembered ... ” _ _ _

She hesitated and made up an excuse . _ Beau showed disapproval in her eyes . It was obvious that he did n’t believe his words at all .

“ Come with me . I have something to tell you . ” _ _ _

With a majestic voice , he turned around and walked back into the room . Gigi looked towards the door of Alston ‘s room .

and followed behind Beau .

After entering the room , Beau sat on a chair and looked at his daughter with a complicated and helpless look.

expression _

Gigi was raised by him little by little from the time she was a baby , and she couldn’t hide what she was thinking from him at all . She could tell what she was thinking those days .

Gigi liked the man she rescued .

If this man was an ordinary man with potential , then he would n’t stop her . _ _ His daughter was very excellent to him , beautiful and well educated . _ _ Although she had a bit of a temper , she was a very good girl , more than enough.to match those men .

The problem was that the person she liked was Alston . She didn't know what the man had been doing before he lost his memory , nor what his family background was about him, but from his behavior she could tell that Alston was a man of significance . _ _ , even

a somewhat unattainable presence for them .

Also , Alston seemed to have a stronger aura than many of the big shots he had seen . It

was the aura that only a person who had been in a high position for a long time would have . _ _ _

Compared to him , his daughter was no good for Alston . The disparity in strength between the two was too great and it was difficult for them to live a good life together . _

_ _ _ She only had one daughter and she adored her . _

much _ _ He would not let her live a bad life for the rest of her life . _

There were things he had discovered , and he frowned at the thought of them .

“ Gigi , tell me the truth . What do you want to do tonight ? _ _ _

Gigi had stayed there for quite some time , she heard her father 's serious question and wanted to make the same excuse right now .

Bella frowned . “ Don't lie . I have raised you for more than 20 years , and I can tell every

time you lie . ” _

Gigi knew there was no other way , so she had to tell the truth . She looked at Beau , and her voice was _

flirtatious and imploring . “ Dad , I was wrong . I should n't have lied to you , but you also know I like Alston . I like it a lot . But his attitude towards me is lukewarm , so I want to use some means to make _ _ _ _ that he likes it and that he marries me ... ”

” What did you do ? ” _

When Beau saw her hesitant and guilty appearance , he felt worried .

Gigi pursed her lips and said , “ I put some sleeping pills in her glass of milk ... ” _

After finishing speaking , he added : “ This medicine will only make you sleep better , and it has no other effect .

I know his wound has n't healed yet , so I wo n't waste time . What I said is true . ”

” Where did you get it ? ” Beau stood up and asked . _ _

Gigi looked down . “ Carl gave it to me . ” _

He thought : “ Carl ? The one who does nothing when he is twenty years old and spends

the day fooling around , doing bad things everywhere ? ” .

Beau was even angry . “ Didn't I tell you not to mess with these dubious people ? They are not good people . How dare you take the drugs they give you ? _ _ Are n't you afraid

of being in danger ? “

Gigi was a little offended . “ This drug only has that effect , and he is my high school classmate . _ I ca n't ignore him and not talk to him ! ”

Beau looked at her stubborn gaze . _ “ How could you do that ? Why are you so ignorant

? _ _ _

to serve him milk , so he went for that idea . _ _ _ ”

The more she talked , the more embarrassed Gigi felt . She _ She seemed guilty , but she wasn't sorry , like she was before .

Beau knew that she was n't listening , and that she might do those stupid things again in the future .

order

“ Fortunately , nothing bad is happening this time . _ If something really happens , we will all be doomed . Do n't come up with crazy ideas in the future , not everyone can plan . ”

_ _ _

Beau warned her , then his voice slowed and he sighed . _ _ “ Alston is not right for you .

He is not our _

kind , and you will be leaving here soon . ”

After hearing that , Gigi looked at Beau . “ Dad , why are you leaving ? _ Did n't you get your memory back ? Could it be that her family came to him ? “

I was a bit nervous and intended to cultivate a good relationship with him beforehand . If Alston left , she

I would n't have that opportunity . _ He could give them some money , and it would be difficult for her to meet him again .

in the future _

Beau shook his head . ” No , his family still doesn't know he's here . ”

Hearing that , Gigi breathed a sigh of relief . _ _ “ Then why did you say she was leaving ? _ He was surprised . ” _

Beau remembered what happened yesterday , a stunned expression on his face . _ ” I took your watch to the store _

yesterday and asked about it . As soon as I took out the watch , the manager started . _

_ Guess how much that is _

see is it worth it ? ”

” How much ? Gigi was also a bit curious . _ She only knew the brand of that watch , not the price .

Beau seemed a little excited . “ Although the dial is a little scratched , it is a limited edition , there are only five pieces in the world . The conservative estimate is in the tens of millions ! “

“ Tens of millions !!! Gigi exclaimed . _ Her eyes lit up . She thought : “ The watch Alston wore is worth tens of millions ! How rich should you have been in the past ? _ “

She was a little dizzy and she wanted this man more and more desperately . _ _

Beau calmed down at her excited expression . _ _ ” Do n't think about it . He is not of the

same class ” .

like us _ He will not marry you . ”

“ Not now ! _ Gigi was n't too happy because she kept bringing it up . “ Are n't you her savior ? There is no greater grace than saving his life . After we get along for a long time

, he will fall in love with me . He _ _ will marry me . ”

Beau shook his head . “ I just saw it and took it back . If he had n't taken him back , he would n't have died too , and his family would have found him that day . Instead , we

prevented him from going home and __we did stay in such a pitiful place for so many days . _ I investigated and found out who she was . _ _ _ _ ”

” What ? Gigi was stunned . _

“ After leaving the store , I panicked . _ _ _ _ If he was able to get this watch out , it must

be pretty important . I did some research . A friend of mine met me . He has a wide range

of contacts . _ _ _ _ _ He discovered it to me today . _ _ _ ”

“ Her last name is Gu . His name is Alston . He is the head of the Smith family in Jadney City , the president of

Smith Group , and he already has a wife . _ _ “

Chapter 253 Outline

Gigi froze in place . Her mind of hers was filled with thoughts about the president of the Smith family and the head of the Smith family .

I didn't know much , but I still knew about the Smith Group . He was the main existence in Jadney City , and the person his father saved from him happened to be the president of Smith Group . _ _

Gigi had read too many novels about how a poor girl became a trophy wife . He would have imagined it was her , but he had never dreamed that he could happen to her now .

He grabbed Beau 's arm and said , “ Dad , you're amazing . He is a Smith ! _ He is the president of the Smith Group . If I marry him , no one will look down on us anymore ... ”

11

“ Gigi , calm down ! Beau said with a serious expression , “ I just said that Alston has a wife , and his wife has a lot of experience . She is the daughter of the Green family . Both have similar backgrounds . they _ _ are paired . Alston is not someone you can have . ”

Gigi didn't take it seriously . ” What is the problem of getting married ? She can still get a

divorce after she gets married . They all come from wealthy families , so they must have married for wealth . They have no love . ” _ In addition , Alston hasHe lived in our house for so long and I still have n't seen his wife looking for him . _ _ It can be seen that their relationship is not good , and I still have a great opportunity . _ ”

“ That is not the case . I heard Mrs. Smith is hiding the news of Alston 's disappearance

so she did n't go looking for him with much fanfare . My friend knew because he had a connection . They already have . ” _

been looking for it . _ _ It 's only a matter of time before they find us here . ”

Beau looked at his excited daughter , hesitated for a moment and said , “ Gigi , I plan to send Alston to the Smith Group and they will give us a sum of money . When the time comes , we can get out of here . With that money . ” _ , you

You will not be short of money for the rest of your life . ”

Gigi froze , then shook her head . The tears were about to come out .

“ No , Dad , no , you ca n’t send Alston back . _ I like it . If you send him back , we will never meet again . I will die of depression . Dad , without him I would die ” . _
As she spoke , tears welled up in her eyes . Her face was pale and she seemed sad from crying so much . _
Beau was very distressed and cajoled . “ Okay , I wo n’t send it back . Gigi , do you just want to marry him ? ”
Only then Gigi stopped her tears and looked at him sadly . _ _ _ ” Dad , I really want to marry him . _ yes _
It was n’t for him , I’d rather not get married for the rest of my life . _ _ ”
After hearing that , Beau became even more intrusive . “ Are you doing that for the money , or _ _
for him _ _ ”
Gigi was stunned for a moment and then said , “ Of course , it ‘s because of him . I liked him even when I did n’t know his identity . ” _ _
Although at that moment he recognized his watch . _
But Alston was attractive , in his way of speaking and his temper . It was impossible for him to have that look if he was n’t rich . _ _ Then , how was it possible for her to make a separate comment ? Money was just a part of who he was _
Beau thought for a long time and came to a decision . _ _ “ Okay , I ‘ll help you . Listen , we’re very close to Jadney City , and they’ll find us soon . I will find an excuse in these days and I will bring you to leave here ” . and go to a faraway place where the Smith family can get to . _ When you get there , take the time to cultivate a relationship with him . Even if he does get his memory back , as long as you are close to him , he will .
_ don’t quit
tu _ ”
A smile appeared on Gigi ‘s face and she nodded . ” Okay . ”
“ By the way , dad , what method should we use to get him to come with us ? Gigi felt a little worried thinking about it . _ _ _ _
She thought, “Alston was used to making decisions by himself and having his own ideas.
What method
should we use to make him listen to us?”
Sadness came into Beau ‘s eyes , and he looked at Gigi . ” Gigi , there’s one thing I ‘ve kept from myself _ _
for a long time , and now is the time to tell you . _ _ ”
” What ? Gigi was a bit confused . _
Beau hesitated for a long time before saying , “ I had a checkup a few days ago and found out I have liver cancer , which is in an advanced stage . I ‘m afraid I wo n’t live for a few years . ” _ _ _ _ _ ”
” How can it be ?! Gigi grabbed his arm in a panic . _ “ How did you get liver cancer ? Why did n’t you tell me ? _ I can accompany you for treatment earlier . I can ... ”
” There is no way . ” Beau stroked her hair . “ When I was diagnosed , it was already in an advanced stage , and _ _
there was no chance of a cure . _ _ The doctor said that he could only live three years

maximum . _ _ I had been
hiding it before . _ I'm worried about you . I 'm afraid you 'll be sad , but now I have to
tell
you . _ _ _ ”
Gigi couldn't stop crying . She and Beau had trusted each other for so many years and
had a deep relationship . relationship _ She thought that her father would always protect
her from her , but she did not expect that she would have liver cancer .
and would not be able to protect her in the future . _ _
Beau waited for her to calm down , then said , ” I plan to tell Alston about my illness ,
saying that at the last minute . ”
At the time of my life , I want to go to a place with beautiful scenery to recuperate , away
from the Smith family . He
He wo n't just watch me die . _ He will accompany me there . _ When the time comes , I
will entrust you to him before I die , and he will take good care of you . _ _ _ _ ”
She thought : “ This method is good . Alston and I have been together for so many days
.
Although he seemed indifferent and treated me coldly , you could see that he was a
kind
– hearted person . ” _ _ _
” His Savior had entrusted his daughter to him on his deathbed , and he would do as he
was told . ” _
After Gigi heard that , the pain in her heart eased and she even had a slight expectation
. _ _ As soon as that thought came out of her , she felt guilty . _
She thought : “ Dad was very nice to me . It was too much for me to wait for him to die .
”
_ _ _ _
Beau had finished what he had to say and patted her head . ” It's getting late . Go back
to sleep . Starting tomorrow , I wo n't stop you from getting along with Alston . We must
keep his background on him a secret and not
let him know _ _ ”
“ Okay ! Gigi was obedient and left . _
Beau looked at his back and sighed . _
I didn't want to do that , but there was no way . _ _ _ He only had one daughter like that
.
His daughter could not do anything and she was quite beautiful . _ _ _ She would n't
have been happy for the rest of her life with her without him watching _
after her _
So he could only do that and he thought , “ I 'm sorry , Mrs. Smith . You are so rich , you
will be happy without Alston , so I have to let my daughter steal your man now . “
The next day , after Alston got up , he looked at the time . It was already past ten . _ He
frowned , felt strange and thought : “ I got used to my biological clock a long time ago .
Even during the time of the injury , woke up every morning at six . _ But how is it that
today I slept until ten o'clock and was not aware of what was happening outside . ”
” It 's weird , very weird ! ”
He changed his clothes , got up , and was about to open the door , but found that the
door was not locked , and became more suspicious and thought , “ I remembered that I

had locked the door yesterday , so why is the door locked ?” . . unlocked ? ”

“ It ‘s just him and the Arnetts in this house . Could it be them ... ”

Suspiciously , Alston opened the door to find Gigi , who came to call him for lunch . _ _

Gigi raised her hand , pretending to be knocking , saw him open the door , was stunned for a moment , then lowered her hand , a sweet smile on her face . _ _ _ _ _ ” Dinner is

ready . Dad asked me to carry

you to dinner ! ”

” Okay , I ‘ll go wash first ! Alston ‘s voice was cold . _ His back was straight , his

features were handsome , and he was dressed casually . _ _ _ _ _ Even so , he walked through the simple and narrow room as if he were in a _ fashion show , and it was very pleasing to the eye .

Gigi was delighted and her excitement rose as she thought about what her father had told her the night before .

Alston walked towards the bathroom , felt a piercing and burning gaze behind him , and turned his head , Gigi was caught in the act , she narrowed her eyes and smiled at him .

_ ” I just made soup for you . hurry to _ wash up get up and drink it , otherwise the soup will be cold . ”

Alston frowned , nodded , and turned his head . Her eyes deepened from him , and he always felt like something was being hidden from him . _ _ _ _ That feeling made him very irritable .

Over breakfast , Beau revealed his illness according to plan and the atmosphere at the dinner table .

it became boring and sad .

Gigi sobbed . Her eyes were red and she looked very sad and pitiful . _

Beau made a pained expression . “ Alston , the doctor said that she may not live for a few years , so I plan to get Gigi out of here and go to the Southside to recuperate . But

Gigi is spoiled for me . She ca n’t even _ take care of herself _ I ‘m afraid I wo n’t be able to take care of her when she is seriously ill ... ‘ _ _ _ _

Father and daughter hugged each other and cried , looking very pitiful . _

Alston was cold and not very good at comforting people . He planned to leave the Arnett family in a few days to find his own background on him, but he didn’t expect such a thing

to happen . _ _ _ _ _

After all , Beau had saved his life and treated him very well during his recovery period , so it couldn’t be

indifferent _

he said i

a low voice , “ Uncle Beau , I ‘ll go with you ! ” _

The eyes of the father and daughter lit up . They thought , “ It works ! “

Chapter 254 Stain Forever

With so much to deal with at Grupo Tansy , Ivan was so busy that he had been with the company for several years .

dias _

They compensated Smith Group and kept attention to that issue to a minimum . _ At the same time , they launched scandals of many well- known celebrities and suppressed

the
issue of Tansy Group in the trend . _ _ _
he _
The scandals of many well – known celebrities were much more interesting than the
battles of those rich companies , so although the workers ‘ incident caused Tansy
Group
to lose some money , it did not affect its position .
reputation _
Iván and David were very satisfied with this result .
When the General Secretary of Jadney City was brought in to investigate , Ivan sent
someone to send him a message , using his family as a threat , so the General
Secretary did not mention him . _ He perfectly resolved the two major
incidentsconsecutive . .
Ivan watched the heat of the Tansy Group subside and was even more dismissive of
Cynthia .
“ She is a woman . That ‘s all she can do . ” She smiled and looked at David . “ Did I do
a
good job this time ? ”
” In fact , Mr. Ivan can match President Smith in courage and ability . ” _ David praised
without
hesitation _ That time , Ivan made the right decision to preserve Tansy Group ‘s
reputation and minimize _ _
the loss _
Ivan grew even more insolent. He hadn’t been praised much since he was a child, but
he
often heard people
praise Alston. Compared with Alston, he was like a loser. That gap had always been a
hurdle to him, and now
he was finally recognized.
Ivan felt refreshed, and became more complacent when speaking, “Cynthia is still too
lame. She must be very
angry now. Let alone her, even if Alston is still in Smith Group, he can’t do anything to
me.”
David did n’t pour cold water on her , he just smiled and said nothing . Although he was
on Mr. Ivan ‘s side , he could n’t say against his conscience that Ivan was better than
Alston .
Alston was really powerful . When Bryan died , Alston was sixteen years old . _ _ _ Ever
since Bryan left Alston and Stella , many people coveted the Smith Group .
But it happened that Alston led the Smith Group with his own forces , forced his way
through the
business world , and developed the Smith Group which seemed to be in a state of
collapse .
Compared to Alston , Mr. Ivan was still very immature .
At this time , when Tansy Group was excited , Cynthia looked at the information on the
computer and raised her eyebrows . She was n’t as angry as Ivan supposed . _ _ _
On the contrary , things went more or less as she expected . She did n’t think the Tansy

" About time . " _ Cynthia looked at Lloyd .
Lloyd understood and said : " The people at Tansy Group should be very excited by now
. I heard that Ivan is inviting the guests tonight and they are going to celebrate . _ _ _
" Celebrate ! " Cynthia scoffed and thought : " Ivan is an idiot . The matter was still unresolved and he wanted to celebrate first . He does n't take me or Smith Group seriously . " _ _
" But it's good that he was so relaxed , which created an opportunity for us to take the next step . " _
" Lloyd , when you 're celebrating , let 's break the news . " After Cynthia finished speaking , Lloyd could n't help but smile . He said : " Okay . "
He thought : " Mrs. _ _ Smith is too conniving , and she chose to break the news when they were celebrating , and she would definitely take them by surprise . Besides , this news is not as small as the two previous ones , and it will be an opportunity " _ _
blockbuster " _
Lloyd 's eyes flickered . He was looking forward to it . _
At night , the employees of the Tansy Group public relations department had been awake for two full days and were able to leave work on time . _ _ _ _ Everyone was a little excited .
" Everyone , let 's go to dinner after work , Mr. Ivan 's gift . " _ _
When David announced the news , the people in the public relations department cheered and argued .
They went to the largest restaurant in Jadney City and reserved a big box . _ Iván led a group of people in ,
he threw the menu on the table and said : " You can order whatever you want . You do n't need to be polite . "
" That's great ! Mr. Ivan , you are so amazing " .
" Then we will not be polite ! Thank you Mr. Ivan " .
" We are very fortunate to be able to work at Tansy Group . Mr. Ivan is amazing ! _ _ " _
Everyone bragged about Ivan and Tansy Group , Ivan listened with glee and even opened many bottles of expensive red wine . _ _
Because that private room was of a high standard , all the dishes were served soon .
Public relations people . _ _ The department took turns toasting Iván . Ivan was in a good mood and never turned anyone down . Even David , who had alwaysHe had been prudent and reserved , drank heavily , and soon everyone was drunk and the atmosphere was at its height . _
While they were drinking and having fun , another piece of news broke on the Internet , and it was not twelve o'clock at night . _ _ _ _ It was the time when everyone was browsing on their phone . Soon the news was republished thousands of times .
everyone
whoWhen he saw the news , he was stupefied and excited .
But Ivan and his team did n't know it at all .
This disclosure was evidence of tax evasion provided by Jack , the chief financial officer of the Tansy Group . In just two years , more than 14 million taxes had been evaded ,

and that revelation was not without foundation . Over there they were contracts and accounts with the official seal of the company . The evidence was conclusive . no one could _
refute it _ _

However , all previous Tansy Group news has been suppressed . But there was still considerable influence . _ and

That news got netizens talking about it , and even influencers with millions of followers retweeted the news .

News of Tansy Group 's tax evasion of more than \$ 14 million in two years spread across

the Internet overnight . _ _ _

In addition , the previous workplace incident and Ivan 's bribery incident reappeared . _

Netizens who had n't seen that news were getting to know that . _ The news that was suppressed before was once again

on the hot topic .

But this time, Ivan 's team didn't have a chance to suppress it in time .

Outside the box , some waiters heard the sound of a lively chat in the box . _ Everyone got together for _

Waiter A. " Those inside are Tansy Group employees , right ? _ _ _ "

Waiter B. " Yes , the leader is Ivan , the general manager of Tansy Group . "

Waiter A. " Is he the one who bribed the Secretary General ? _ _ _ "

Waiter B. " Yes , it 's him . "

Waiter C. " Things have gotten serious on the Internet . They 're still in the mood to party

."

Waiter B. " Maybe they do n't know anything about it yet ! "

Waiter C. " So , are we going to go in and tell them ? "

Waiter B shook his head . " Don't do that . It was clear that someone was messing with them . It 's none of our business . We just do our job well . If you break the news to them

, what if they take it out on you ! _ _ _ "

Waiter C nodded . " You're right . We should leave him alone , so as not to cause trouble

."

David went out to use the bathroom and saw the waiter giving him a funny look . He considered it strange , but he did n't take it seriously . _ _ After using the bathroom , he went into the box to drink again .

Clare had dinner and was about to go for a walk . _

He bought that villa for his health . _ The surrounding environment was very good .

There were ponds and trees , lush flowers and green grass . _ _ It was a good place for recovery .

Since Stella 's death , he had been collapsing after being tricked by Cherry . _ _ _ _ I had no extra _

energy to run the company and deal with things , so he turned the company over to Ivan and sent David

He went to help Ivan .
David was cultivated by him , and David had excellent ability . _ What Clare was concerned about was whether
Ivan could n't do it right or not. Fortunately , after a few months , Iván managed the company very well and
nothing happened _
David often praised Ivan , which made Clare proud and pleased . All Clare wanted now was a grandchild , and then there would be no regrets in her life . From her.
Clare was thinking as she was walking along the lake shore and saw some old men who
used to play chess . _ _
together , sitting on a bench by the river and whispering .
He went to greet them but stopped when he heard what some men were saying . _ _
One of the old men sighed . _
“ The Tansy Group has such a good foundation , and they were previously part of the Smith Group . I thought they would develop very well and could be as good as Smith Group . I did n't expect this kind of thing to happen . ” _ _ _

“ They evaded more than 14 million in taxes . This will be a stain that this company can never remove ” _ _ _ _ _

Chapter 255 A Rat

Clare was completely stunned . What were more than 14 million ? What was tax evasion
? What was happening ?! _
He had run a company , and he knew that every company had some dirty secrets , except for Alston . _ Alston was too cautious and had paid taxes honestly , so Clare got nothing from him . _
After Clare took people away from the Smith Group , she founded the Tansy Group . It was less strong than Smith Group , _
So he wanted to make a profit as soon as possible . _ _ _ He gambled with taxes , but he did not evade taxes 14 _
millions ?!
” What is more than 14 million ? Where did you see it ? Clare hurried forward to ask with a puffy expression . _
and flushed face , looking eager and fierce .
” Hello ! Clare ! _ Clare 's friends were uncomfortable . They had talked about him , and then he came . _ _
Clare didn't have time to greet them . She _ _ She directly snatched someone 's phone . It was still the same interface . _ Clare flipped through and saw the data that was only available at the top
executives in the company . His head was a little bloodshot , and she swayed for a while
.
A person next to Clare was scared and thought that something would happen to Clare .

So she quickly supported
the _

“ Take it easy . Why don't you go to the company first ? Perhaps your son has already
solved the problem ” . _

It was a consolation. The post had been reposted millions of times, but no one from
Tansy Group had made
any announcements. It was obvious nobody had dealt with it.

Even if it was handled, the company couldn't bury such a big incident but had to wait
passively for the police.

Clare controlled his anger and returned the phone. He went back to the villa and called
Ivan.

Clare called Ivan's office, but no one answered after waiting a long time. He became
more furious.

“What the hell was going on with Ivan? It was a big emergency, but he didn't even
answer the phone. Could he not be in the office?” thought Clare.

Thinking of the evidence of tax evasion, workers' incidents, and bribery, Clare felt
miserable. He was old and
didn't know how to use Instagram.

Besides, Ivan didn't tell him about those problems, and neither did David.

“D*mn it. I hadn't left the company that long, and they dared to hide everything from
me,”

thought Clare.

He kept calling Ivan, David, and the public relations department. But no one answered.

At that time, Ivan, David, and others were drunk and went to karaoke. The music was
deafening. And they

dropped their coats and phones on the couch because the room was hot.

Even though the bell rang, no one heard it.

Clare was about to explode . Finally , she found out from a staff that Ivan was going to
karaoke , so she drove straight to _

find them _ _

At that moment , Cynthia looked at the comments and reposts and smiled . Tax evasion
could affect the public

sensitive nerves , especially with such a large amount in a short time . _ Tansy Group
had stolen the limelight

with great news for the last month . That was interesting .

Especially the netizens had tagged the official and police accounts . It would n't be long
before the police

operations _

Cynthia scoffed , wondering how Ivan would handle it . _ She was looking forward to it .

Clare ran to karaoke . She _ She drove too fast to run many red lights on the way , but
she did n't care . Anger and depression made him explode . _

In the karaoke room , everyone clapped wildly after Ivan sang . He held the microphone
and ordered someone to play him a song with satisfaction .

Seeing them having a good time , David rubbed his sore temples and wanted to know
the time . He could n't take it after staying up late for two days . He would like to go

home and sleep well .

As soon as David unlocked his phone , he saw countless calls . He crashed for a second

And some were from Clare . She was about to knock again when suddenly the door was

kicked open . _
out _

Everyone thought that an ignorant person came to cause trouble . They looked towards the door and were surprised . _

It was n't a drunken man causing trouble, but the president who hadn't shown up at the company for several months !

Standing outside the door and holding a stick , he was wearing crumpled household clothes in slippers with rage .

The loud music was still going on . Holding the microphone , Ivan was drunk with a flushed face .

“ Dad , why are you here ? ”

Clare looked at them . _ The people from the public relations department and David were drunk . Ivan knew nothing about the chaos outside and sang quietly .

Suddenly , Clare exploded in anger . _ _ _

He ruthlessly raised the stick and slammed it against the screen beside him . With a bang , the screen shattered completely with slag flying around .

There was a harsh sound in the room and the music stopped . _

Everyone suddenly sobered up . What was wrong with Clara ? He had always been calm

and gentle . _ they have

I worked for Clare for a long time and I have never seen him angry .

Everyone was dumbfounded and did not dare to make a sound . Only David hurriedly got up and looked _

Clare respectfully , “ President Smith , what happened ? ”

David felt uncomfortable . Clara was very proud . She wore a neat and elegant suit when

she was out . _ _ _ But now she came here with house clothes and slippers . Something big must have happened .

“You are asking me ! Seeing David 's ignorant look , Clare mercilessly scolded him , saying , “ Look at Instagram . Tansy Group is in big trouble this time . ”

David quickly went on Instagram . He was shocked to see the full and specific evidence of tax evasion .

” What is happening ? Ivan also bowed . _ _

” Tansy Group evaded more than 14 million dollars . And the cartel uploaded a lot of conclusive evidence , including duplicate contracts , invoices and various company accounts ... How ... how was that possible ? _ “

Ivan 's microphone fell to the ground . Tips were a shame for Ivan . _ He thought Cynthia

could n't figure out any tricks , so he brought people over to celebrate .

As a result , he asked someone to publish the full evidence of the company 's tax

evasion . He underestimated Cynthia .

" D * mn Smith Group . D * mn Cynthia . She didn't expect them to do that . D * mn ! _ _

_ _

Ivan continued to curse angrily . Clare gave him a hard look : " Now you're worried . It has been republished many times , and perhaps the official has already known about it .

_ If we do not handle it well , Tansy Group will disappear , and you and_I will go to jail !

"

" No. I wo n't go to jail ! Ivan 's face suddenly changed . He had been in prison for a year

and had had enough . He would never go back there . _ _ _

How many years would he be in prison for tax evasion of more than 14 million dollars ?

_

_

Ivan did not dare to think about it . Misfortunes never come alone . Cynthia hated him so much she would kill him ! _ _ _ _

Everyone was angry , and only David noticed something wrong with the evidence : " Mr. Ivan , you ca n't get these materials except for people from our company . There must be

a rat in the company ! " _

" What ! Ivan frowned deeply . _ He recalled that yesterday he had warned the finance department to keep quiet . But some important evidence came to light today . Who could

be the rat ?

" After your reprimand yesterday , I sent someone to monitor those people in the finance department . _ _ They have no possibility of transmitting this evidence . And some data may only be available to people at the supervisory level . " as he said David , he thought of a person . _

It could be Jack Davis . He was the only one absent yesterday . He took his annual vacation at such a bad time when something happened to the company . It must be him

.

He has been in cahoots with the Smith Group for a long time . " _ _ _ ! " "
