Chapter 101 Undercurrent

Meanwhile, Gerald and Jolie were walking in Gerald's community, but at this time, Jolie looked unhappy.

Looking at Jolie frowning, Gerald let out a breath and said, "Jolie, we are both the only children of our parents. We don't have a brother or sister. In my heart, we have always treated you as a sister. That is why I tell you that Drake is not suitable for you."

Jolie frowned and said, "Don't say that I was indeed very close to you before, but I never thought that you would drug and rape a girl. At that time, I was in junior high school. You don't know what my friends said about me"

Gerald was stunned

No wonder Jolie was so hostile to him after he came back.

Gerald sighed and then looked at Jolie "Jolie, I will only explain it once. Believe it or not, I was framed back then. I came back to Sacramento this time to prove my innocence

Jolie paused and then sneered.

Obviously, she did not believe Gerald's explanation.

In her opinion, if Gerald were really innocent, he would not have disappeared for nine years.

She let out a breath and said, "Drake treats me very well. That's enough. You don't need to care about the matters between me and him. My mother went overboard today, so I asked you to come down alone to thank you. I will take my mother away later"

Gerald was about to take out his phone and show Jolie the photo. Hearing this, Gerald frowned and put the phone back.

He knew that if he showed her the photo now, she would misunderstand him.

For example, Jolie would think that Gerald didn't want her to be with Drake and had tailed Drake.

They were silent for a moment. Jolie looked at Gerald and said, "Anyway, I have said what I should say I will go back first"

Looking at her back, Gerald could only nod.

When they got home, Lilia was still talking. Jolie pulled her and said, "Mom, stop it Let's go back. first."

"Humph," Lilia snorted and stood up with Jolie

Yazmin and Mason looked embarrassed. Yazmin opened her mouth but did not say anything.

After Lilia and Jolie left, Yazmin looked at Gerald and said, "Gerald, don't care about what your aunt

said. She just got angry.”

“I don’t care,” Gerald smiled. “I haven’t eaten yet What should we eat tonight?”

“I stewed a chicken,” Yazmin said with a smile.

After dinner, Gerald returned to his room.

After entering his room, he took out his phone and called Leandro. Soon, the call connected. On the other end of the line, Leandro asked, “What’s wrong?”

“Have you found Stephen’s address?” Gerald asked.

“Stephen is quite capable,” Leandro said. “He has a total of three places, including a villa at Redson Garden, a house at Maple Mountain, and a villa at Twilight Oaks near the suburbs. I will send you the specific addresses later. As for where he lives, it is hard to say. He has several lovers. He bought some real estate for those women, so I haven’t made sure where he lives for the time being.”

Gerald pondered.

After nine years, Stephen’s position in the Kenneth family should be getting higher and higher

Of course, Stephen was from a branch of the Kenneth family, so he could only earn some money, and it was still difficult for him to climb to the top of the Kenneth family.

The shares of this kind of family business must be in the hands of the direct descendants.

Gerald frowned and said, “Alright, get someone to find out his specific residence as soon as possible. By the way, do you have any houses in your hands? Give me a bigger one, and its decoration has to be comfortable ”

“No problem.” Leandro nodded. “I’ll get someone to arrange it for you tomorrow

Gerald intended to give his grandmother a house

In Sacramento, the price of a house was relatively high, but for Gerald, it was nothing.

After that, Gerald sat cross-legged and began to cultivate.

It was late at night, but the night in Sacramento was not peaceful. On that night, countless things were quietly happening.

The bar was still brightly lit, and many excited young people were swaying their bodies.

In the crowd, Erik put away a blood-stained dagger in his hand and smiled, “The mission is completed. I can go back to sleep.”

As he spoke, he walked out of the bar

At the same time, in a rural area in Sacramento, the street lights were far apart, and the surroundings were somewhat dark.

A short-haired girl in black clothes with two long sabers on her back stood proudly in the darkness. In her right hand, a long saber had been unsheathed. She stared fixedly ahead. Her eyes were filled with coldness and bloodlust.

There were more than a dozen people wearing the same clothes as the short-haired girl, looking at her nervously. They were all holding sabers in their hands.

Behind them stood a blond person with blue eyes.

“Good,” the short-haired girl sneered. “You pointed your knives at me.”

“Watchman No. 2” At this time, a tall person walked out. He frowned. It was Dennis. He looked at the short-haired girl and said, “This person is not from Blood Lotus. You know he is.

“I don’t care who he is,” Watchman No. 2 said in a cold tone. “He participated in the siege three years ago. Whether it is him or his father, I will kill them. I will take revenge for Watchman No. 7”

“Go back to Night Watch with us first. If there is anything, let’s sit down and talk,” Dennis said with a frown. “Moreover, Gerald also came back to Night Watch.”

“I don’t believe it,” Watchman No. 2 said coldly. “Hide the truth from him, or trick him into leaving Night Watch.”

After saying that, she swung her long saber and continued indifferently, “I will kill this person today
You can’t stop me.”

Dennis frowned and said, “You, Gerald, and Watchman No. 7 are the soldiers I trained. Listen to me. This person can’t be killed. If you insist on killing him, then step over my body.”

“Clank!”

After saying that, he pulled out his long saber and sighed, “For every being who is breathing.”

The dozen or so people behind him stepped forward at the same time and said, “We devote ourselves to the future we want.

“We shall never give up.”

After saying that, all of them raised their hands and pointed their blades at the girl in front of them, looking as if they were unafraid of death.

The blond man smiled and looked at Watchman No. 2, who was not far away. His face was full of sarcasm.

When Watchman No. 2 heard this, she sneered, “This slogan has been insulted by you.”

Dennis frowned. "As I said before, he is now in America, so he can't die here I have to protect him. Go back with us to Night Watch. Let's sit down and talk."

Watchman No. 2 snorted coldly She put away the long saber in her hand and said evenly. "For your sake "

"Are you really not going back?" Dennis' expression changed slightly as he asked.

Watchman No. 2 said indifferently, "I will definitely not go back until I take revenge.

After she finished speaking, she suddenly exerted force and disappeared into the darkness at an astonishing speed.

Behind him, the blonde young man shrugged his shoulders and said casually, "Watchman No. 2 is just so-so."

Dennis turned his head and looked at the man coldly Then Dennis snorted, "Let's go."

The next day, Gerald went to Universe Group and got the key to the house and the address from Leandro. Then Gerald went to Keira's house.

Another day passed.

On Thursday, Mason finally did not wake Gerald early in the morning because this day was Gerald's grandmother's eightieth birthday

Gerald slept peacefully until around ten o'clock before getting up. After washing up, Mason drove his family to the hotel where the banquet would be held.

On the way, Mason and Yazmin were still exhorting Gerald, "Some people might say mean things. later. Don't argue with them."

Gerald could imagine it. He shook his head and smiled, "I see."

Chapter 102 Slander?

As the car drove on, Yazmin was still a little worried.

This was Gerald's grandmother's 80th birthday, so a lot of relatives would definitely come

In fact, they could feel that since Gerald had an accident, many people had bad attitudes toward them, of course, except when borrowing money

The Kenneth family had almost cut off ties with them. Yazmin's relatives were slightly better, but they were also quite unsatisfied

Because Mason was the president of Universe Group, many relatives wanted to get their children into Universe Group. After Mason refused, they were not happy, including Lilia and Jolie

Although they did not say anything, they must be upset in their hearts.

Now that Gerald came back, his matter would inevitably be mentioned by others.

Mason and Yazmin were worried that Gerald would not be able to stand it and would quarrel with others in anger

“Whatever they say, you just need to ignore them,” Yazmin continued.

“Mom, don’t worry. I’m already an adult,” Gerald said with a smile

Yazmin nodded. Then she thought of something and said, “By the way, when we go over this time, your uncle will introduce a girl to you. You can try to get along with her, okay?”

Gerald was stunned and said, “Well I don’t want to.”

Gerald did not tell his parents about his marriage. He chose to hide everything in Los Angeles. If he told them, they would be more worried.

“Come on, you won’t lose anything by meeting her,” Yazmin said. “Maybe the girl is a good person. You should take the initiative. That girl is your aunt’s relative. I have seen her once. She is quite beautiful.”

Gerald was vexed, but he understood his parents.

He was 27 In his parents’ eyes, he had been in prison for nine years, so it was not easy for him to find a girlfriend.

So they just wanted Gerald to find a wife early.

Gerald thought that he should let Keira or Audrey pretend to be his girlfriend.

Otherwise, after dealing with this girl, there would definitely be a next one.

He touched his nose.

At around eleven o’clock, they arrived at the entrance of the hotel on time. Because it was early. there were not many people at the entrance.

At the entrance, there was a line of words

“Congratulations to Rayne Rowe for her 80th birthday

At the door. Jadon, Gerald’s uncle, was standing there. When he saw Gerald and the others coming over, he smiled and greeted them. Jadon patted Gerald on the shoulder and said, “Gerald, I haven’t seen you for so many years. You are getting stronger and stronger

Gerald smiled, “Hello, Jadon.”

Jadon was obviously a person with a high EQ. In front of Gerald, he didn’t mention anything. He smiled and said, “Go in and see your grandmother. She has been talking about you for a long time.”

Gerald nodded with a smile and walked into the hotel with his parents.

On the second floor, there were already many people sitting inside, including Lilia and her family. They were sitting at a table, surrounded by an old woman with grey hair. She was Rayne, Gerald's grandmother.

Jolie, her family, Kyler Cope, and Norah Cope were all there. Kyler and Norah were Jadon's children and Gerald's cousins.

In addition, Drake was also present, and they were talking and laughing.

Gerald walked up to Rayne with a smile. Then he lowered his head and said softly, "Grandma, I'm back."

The crowd that was originally chatting happily suddenly quieted down.

Some people looked at Gerald.

Rayne's wrinkled face instantly froze. As she looked at the smiling Gerald, her eyes began to turn red. Trembling, she stood up and grabbed Gerald's hand, saying, "Let Grandma take a closer look at you."

Gerald was somewhat moved.

He was a person who valued relationships. He would definitely repay those who treated him well.

His grandmother had once been very kind to him, and Gerald had always remembered it in his heart. He smiled and said, "I'm sorry for making you worry about me."

Rayne was in tears. She pulled Gerald's hand and said, "It's good that you're back. I'm so happy. Now, our family is intact."

Kyler pursed his lips and snorted coldly.

"Please sit," Gerald hurriedly said.

Rayne sat down, but she kept holding Gerald's hand, unwilling to let go of it.

Old people were like this. Gerald had disappeared for nine years before returning. It was as if she was afraid that Gerald would run away again.

Gerald smiled, looked at Kyler and Norah, and said, "Hello, Kyler and Norah."

Norah, who had a strange expression, said with sarcasm, "Gerald, luckily, your dad is capable and rich, so my dad is willing to introduce a girl to you. If your family background were a little worse, you would be finished. It's good that you're back now. Be a good person and don't do those illegal things again."

Gerald's expression changed slightly. He did not argue with Norah and sat down next to Rayne.

Gradually, there were more people in the hotel. Most of them were relatives. Because they had not seen each other for a long time, many people did not know Gerald. However, most people knew him. After all, the things that happened nine years ago caused an uproar. When they saw Gerald, they began to privately discuss him. Gerald could naturally hear these rumors, but he did not care too much.

He sat at the table and chatted with his grandmother.

After a while, Rayne pointed at Drake and said, "You don't know him, right? He is Jolie's boyfriend."

Gerald touched his nose and said, "Grandma, I already know him."

Drake chuckled and said in a mocking tone, "Yes, not only do we know each other, but Gerald also made me lose a deal worth more than 16 million dollars."

"Eh?" At the table, everyone looked at Drake.

Jolie pulled the corner of Drake's clothes, yet Drake ignored it. He smiled, "A few days ago, I went to Gerald's house with Jolie and Lilia. After knowing that I was doing business, maybe Gerald was jealous. He didn't want my business to grow, so he ruined my cooperation with Ms. Lange of

Goldsun Group.

"Gerald seems to be close to Ms. Lange," Drake continued. "He called Ms. Lange and told her not to cooperate with me."

Gerald frowned.

Beside him, Jolie's face was sullen. She was about to say something, but Lilia broke in sarcastically. "Gerald has just come out of jail, so he probably won't make much money in his life. Seeing Jolie find such a good boyfriend, Gerald must be jealous."

Rayne was stunned and looked at Gerald.

Kyler looked at Gerald and said, "Gerald, you are a little unkind."

Drake waved his hand and said, "It's okay. It's just worth tens of millions of dollars. As long as I have this project, it's easy to find a partner. I just want to say that it's really not good for you to do this, Gerald."

"Really?" Rayne frowned and looked at Gerald.

Gerald knitted his brows and looked at Drake. "Drake, today is my grandma's 80th birthday. I don't want to have any arguments with you. There are some things you shouldn't say in front of the elders. I'm afraid you will embarrass yourself. Moreover, your lousy company is not qualified to

make me jealous.”

Norah sneered, “What? You’ve done bad things, but you don’t allow others to mention them? Nine years ago, you made your family lose face. Jolie finally found a rich boyfriend. Maybe our whole family will get some benefits. So you can’t bear to see it? Lousy company? Aren’t you relying on Mason? Can you find a job on your own?”

Gerald touched his nose

This entire family sided with outsiders. This was something that Gerald had not expected. Perhaps Jolie’s family had received a lot of benefits since Jolie and Drake started dating

Although Gerald was their cousin, the incident nine years ago had completely ruined their impressions of him.

Gerald pursed his lips and looked meaningfully at Drake and Lilia. Then Gerald took out his phone from his pocket

At this time, Jolie said, “Drake, Mom, stop it. Back then, Drake and I were able to meet Jessica because of Gerald”

“Huh?” Lilia and Drake were both stunned. Obviously, they did not expect Jolie to speak up Gerald

Drake’s expression was somewhat ugly. He stared at Jolie.

for

Jolie pursed her lips and said, “When Drake and I went to see Jessica that day, she mentioned this. Maybe Drake was thinking about the project and didn’t hear it.

Rayne suddenly looked at Lilia and Drake and then said, “Gerald helped you, but you still falsely accused him. How could you do that?”

Drake and Lilia’s faces were full of embarrassment.

Lilia quickly pulled Jolie and said, “What nonsense are you talking about?”

“Be rational.” Jolie shook her head and said, “Gerald did help us with this matter. We can’t slander him.”

Her confirmation made the atmosphere a little awkward again.

Kyler quickly said, “Alright, alright, since you’ve made things clear, there’s no need to continue this topic Today is Grandma’s 80th birthday. Don’t talk about these unhappy things. By the way. Grandma, this is the birthday present I prepared for you.”

Gerald was upset but could do nothing about it. Just now, when Drake mentioned this matter, Kyler even helped to ridicule Gerald. Now that the situation was reversed, Kyler took the initiative to change the topic

Sure enough, the prejudice is still too strong, Gerald sighed silently in his heart.

Chapter 103 Give Rayne a Villa

As Kyler spoke, he picked up a box from the side and opened it. He said, "This is a jade bracelet that I bought with a month's salary

Gerald glanced at it. This jade bracelet was not expensive. It was probably only worth a few hundred dollars. Yet for an ordinary family, this was already good.

Then Jolie also took out her gift and handed it over

Rayne's attention was quickly drawn over

The topic was also changed.

Gerald was a little annoyed. He originally wanted to take out the photo to humiliate Drake. Gerald could take this opportunity to break Drake and Jolie up.

But now that the topic had been changed, Gerald naturally could not continue his plan.

Drake's face darkened.

He always felt that Goldsun Group had not cooperated with him because of Gerald's trick. Drake thought that Jessica had seen him just to humiliate him.

From beginning to end, Drake felt that there was no problem with his game project

Drake guessed that Gerald had done that because when they were at Gerald's home, they said something offensive, which made Gerald hate them.

So just now, Drake wanted to completely ruin the Kenneth family's impressions of Gerald.

However, Drake had never expected that at the critical moment, Jolie would defend Gerald.

That made him and Lilia somewhat embarrassed.

Fortunately, Kyler diverted everyone's attention.

After some people took out their presents, Drake smiled, "Rayne, this is my gift for you."

As he spoke, Drake opened a long box. In the long box, there was ginseng.

Norah's eyes lit up. "This is ginseng? That must be very expensive."

Drake waved his hand slightly and said, "No. It only cost me about 16 thousand dollars. It can improve your health."

Rayne's wrinkled face turned pale with fright. She was very poor when she was a child. Even though her living environment was better now, 16 thousand dollars was a large amount of money for her. She hurriedly waved her hand and said, "I can't accept it. It's too precious."

Drake smiled, "Alas, not at all. When I marry Jolie, we'll be a family. It's only right for me to take care of you. Moreover, Mason promised to introduce me to the big boss of their company. Compared to it, this ginseng is nothing."

Mason's expression changed slightly.

Gerald's gaze suddenly turned cold.

Mason definitely did not promise Drake that

Drake said this so that Mason had to agree in front of Rayne.

In front of so many people, with Mason's character, he would not offend his relatives, so he couldn't deny it. If Mason acquiesced and did not do it, Drake would complain to everyone.

Drake was too sinister.

From the beginning, Drake had used Lilia to attack Gerald, which could show something. Now, in Gerald's eyes, Drake was even more shameless.

However, Lilia was very satisfied with Drake.

Drake was young and promising. For ordinary people, he could be considered a rich man.

Mason would take care of these people's feelings, but Gerald wouldn't do that. Gerald said evenly, "Drake, don't talk nonsense. My dad did not promise that he would introduce you to someone."

Drake frowned. He pursed his lips and did not answer Gerald. Instead, he changed the topic and said, "Gerald, today is Rayne's 80th birthday. You have not seen Rayne for nine years. You must have prepared a gift"

"Don't change the subject" Gerald looked at Drake calmly "My dad didn't promise you anything. Earlier, he introduced you to the investment department of Universe Group. I also introduced Jessica to you. Your project is not good, so they were unwilling to invest in it."

Drake raised his eyebrows and then chuckled, "It doesn't matter if you don't want to help me with this. Today is Rayne's 80th birthday. It's only right for me to give her a gift. As for you, take out your gift."

"Look at him coming empty-handed. How can he possibly have prepared any gifts?" Norah said. disdainfully at the side.

"Gerald, take out the gift you prepared and let us have a look." Lilia had a smug look on her face

The gift Drake prepared was valuable. This made Lilia feel proud. She sneered and looked at

Gerald.

Mason frowned slightly and asked in a low voice, "Gerald, you didn't buy anything?"

Gerald took a meaningful look at Drake, and then a smile appeared on Gerald's lips as he took out a key from his pocket and put it in Rayne's hand. Gerald said, "Grandma, this is my gift to you."

"A key?" Lilia chuckled "Are you going to give a key to your grandma to play with?"

Norah and Kyler also laughed.

Mason and Yazmin's expressions changed slightly. Just as they were about to say something, Gerald smiled, "I thought about it and didn't know what to give to Grandma. I thought that Grandma was old and should enjoy a good life and live in a better house, so I bought a house for

Grandma."

As soon as he finished speaking, everyone instantly fell silent.

It was a house!

In Sacramento, the price of a house was at least tens of thousands of dollars.

A better house was sold for hundreds of thousands of dollars.

They never expected that Gerald would give Rayne a house.

This caused Lilia, who was originally full of pride, to be stunned in an instant.

In comparison, Drake's ginseng was unremarkable.

She said jealously, "Hmph, it was bought with your dad's money, right? You make it sound like you bought it yourself"

Mason also looked at Gerald in surprise

Mason knew that he did not give money to Gerald. Gerald had just returned to Sacramento, so where did the money come from?

Gerald looked at Lilia indifferently and said, "This house is at No. 69, Pondark Road. It's decorated, so you can move in another day

This time, Mason was amazed. He swallowed his saliva and looked at Gerald in shock. "Pondark. Road? Gerald, the properties in that place are the most expensive in Sacramento. Pondark Road is. near the sea, and it is a villa area. Each villa there costs millions of dollars. Where did you get so much money?"

"Oh my!"

Beside him, Kyler could not help twitching his mouth.

It was a seaside villa worth millions of dollars!

This was too scary

This time, no one suspected that the money was given by Mason. After all, Mason did not live in a villa

The corner of Gerald's mouth twitched He asked Leandro to give him a house, but he had never expected that Leandro would give him a villa.

In fact, when Leandro first heard Gerald's request, Leandro thought that Gerald was going to live there Gerald said he wanted a bigger and more comfortable one, so Leandro directly gave Gerald a villa.

Everyone was stunned and looked at Gerald in shock.

These people were the most ordinary people. They were not rich. A villa, not to mention a seaside villa, was something beyond their wildest dreams.

Drake looked at Gerald with disbelief

Drake knew better than others that the villas in that area were worth more than millions of dollars each. Even if Drake sold his company, he might not be able to buy a villa in that place

He gritted his teeth, looked at Gerald, and asked with a fake smile, "Gerald, you just came out of prison. How did you get so much money to buy a villa over there? Did you do something illegal again?"

Lilia quickly chimed in, "Yes, Gerald, you just came out of prison."

As soon as she said this, everyone looked at Gerald with unnatural expressions.

As for Mason and his wife, their faces were filled with worry

Gerald's gift was too shocking.

Facing Drake's repeated provocations, Gerald was ready to have a showdown with him.

Gerald slowly let out a breath and smiled at Rayne He picked up the ginseng box and threw it into Drake's arms. Gerald said calmly, "Lilia, I originally didn't want to embarrass you and Jolie, but you repeatedly targeted me. I can't stand it anymore.

"Huh, are you going to kill me in front of so many people?" Lilia stood up and said loudly.

This time, they attracted the attention of many people.

Yazmin and Mason's expressions changed slightly, and they hurriedly pulled Gerald

Gerald smiled at them and said, "Don't worry, Mom and Dad I didn't do anything illegal

Then Gerald looked at Drake and said evenly, "First, I got this money legally"

As he spoke, he took out a bank card and placed it on the table. Gerald said calmly, "You should know this card."

The moment they saw this blue bank card, everyone who knew New Bank's Diamond Cards was shocked.

Mason, Yazmin, Drake, and Jolie were dumbfounded.

Jolie naturally could not have a bank card from New Bank, but Drake had one, and he showed it to her and introduced the system of New Bank.

So she recognized it too.

Drake felt a chill down his neck. He finally realized why Gerald knew Jessica.

At this time, Gerald looked at Drake calmly. Then Gerald took out his phone and said with a faint smile, "Today, I will teach you a good lesson."

Chapter 104 Showdown

In the hotel, accompanied by Lilia's scream and question, many people turned their eyes to Gerald.

The blue bank card appeared on the table. Many people who knew it changed their expressions slightly. Most people did not know it, but they all knew that this card was not ordinary.

"What is this? How come even Drake's and Mason's faces changed so drastically?"

Someone who knew about New Bank said, "This is a Diamond Card from New Bank. Do you know New Bank? It specializes in serving the rich. The lowest deposit must be 160 thousand dollars.

Moreover, it is the threshold for getting a Silver Card, which is at the lowest level. Above Silver Cards are Gold and Platinum Cards. If you want a Platinum Card, you need to have more than 16 million dollars. This Diamond Card is even more terrifying. It is rarely issued. It is said that in the entire Sacramento, only one person has a Diamond Card. Even people from those wealthy and powerful families don't have one.

"Simply put, rich people do not necessarily have Diamond Cards, but those who have Diamond Cards must be rich people."

"So... it means that Gerald has more than 16 million dollars, right?"

"It seems so. He just gave his grandmother a villa."

"Gerald just came out of jail, didn't he? How could he have this thing?"

A series of discussions resounded behind them.

As for Mason, Drake, and the others, they were all looking at Gerald in shock.

Gerald had explained to his parents that he had not been in jail for this period. Gerald had not told them exactly what he had done, so when his parents saw this Diamond Card, they felt that their throats were a little dry.

Drake, on the other hand, had an incredulous look on his face. He looked at Gerald in amazement and said, "You you must have stolen it. How how could a rapist like you have a Diamond Card from New Bank?"

"You don't need to know how I have it, nor do you have the qualifications to know. I just want to tell you that I have legally-earned money to buy this villa," Gerald said calmly. "You are too sinister. Let me ask you. The real purpose of your relationship with Jolie is to get close to my father, right? You know that my father is the vice president of Universe Group, and you want to build a relationship with Universe Group to get investment. Is that why you pursued Jolie?"

↳

Drake frowned and said, "I don't understand what you are talking about."

Jolie's expression changed slightly. Lilia hurriedly said, "Gerald, don't talk rubbish."

Gerald looked at Lilia with a cold smile and said evenly, "Lilia, I have always respected you. Yet you kept slandering me. I don't want to argue with you, but since you don't appreciate my kindness, don't blame me "

As he spoke, Gerald took out his phone and found the photo he had taken. He handed the phone to Jolie and said calmly to Drake, "I had lunch with my friend yesterday. When I left, I happened to see you walking into the restaurant with a woman, so I took a few photos.

"Also, I heard it clearly. That woman asked you if Jolie knew about the relationship between you and her, and you clearly answered her. You have to find a way to get the investment from Universe Group with my father's help, and then you will break up with Jolie." Gerald's tone was steady.

Drake was stunned. He also saw the photo.

Lilia's face changed greatly.

Ever since Drake and Jolie were together, Lilia had been very proud, showing off that she had a good future son-in-law everywhere.

Now that Drake's purpose had been exposed in public, Lilia instantly felt humiliated. She glared at Gerald and scolded, "Gerald, don't talk nonsense. This is our family matter. It has nothing to do with you."

Gerald glanced at Lilia indifferently and then looked at Drake. Gerald said with a sneer, "Drake, I've said that today, I will teach you a good lesson. No matter how bad Lilia and the others are to me, they are still my and my mother's relatives. They are not people you can mess with. You should not.

have tried to use my father."

When Jolie saw the photo, she burst into tears and put her head on the table.

Gerald glanced at her and thought, it is better to have short pain than long pain.

Then Gerald continued to look at Drake and said, "Mr Hanson of Universe Group has a very good relationship with me. He will unconditionally agree to all my requests, including arranging for my father to work at Universe Group. In fact, I asked Mr. Hanson to do that. Don't even think about getting a single cent of investment from Universe Group. On the contrary.

As he spoke, he looked at Drake coldly and said indifferently, "Your lousy game company will definitely go bankrupt in three days."

When Drake heard this, his face suddenly changed. He looked at Gerald in shock and said, "What are you going to do?"

He really felt scared. This game company was his foundation.

Drake had no doubt about Gerald's words. Not to mention whether the relationship between Gerald and Leandro was as good as Gerald said, just with Gerald's bank card from New Bank, it would be very easy for Gerald to destroy Drake's small company

"Thud." Drake quickly stood up from his seat and knelt on the ground. "Gerald, I was wrong. I was wrong. I should not have played tricks on your family I beg you to be magnanimous."

Gerald's eyes were cold.

"Smack."

At this time, Jolie, who was lying prone on the table, directly picked up the bag and threw it at Drake, saying, "Get lost! Get lost!"

Drake looked at Gerald and said with a pleading face, "Gerald, I really know I was wrong. This game company is my foundation. I really can't lose it."

"Jolie told you to get lost. Don't you understand?" Gerald asked coldly

Beside them, Kyler and Norah wanted to say something, but at that moment, they couldn't say anything. They looked at Gerald in shock. Like most people, they were dazed.

They never expected that things would turn out like this.

They could not understand why Gerald, who had been in prison for nine years, would have these things and why he was so rich.

"If you don't leave, I will throw you out," Gerald said indifferently.

Drake looked desperate, yet at this time, he didn't dare to disobey Gerald at all, so Drake had to leave dejectedly.

At the side, Lilia looked at Gerald with resentment as if she didn't want Drake to go..

Drake was the perfect future son-in-law she recognized. Sometimes, people were so short-sighted

At this time, Mason, who had experienced many big things, played a role. He hurriedly waved his hand and said, "Well, everyone, sit down. It's time to serve the dishes. Lilia, take Jolie to a quiet place and appease her "

Mason said to Lilia.

The crowd slowly calmed down

Mason let out a sigh of relief He looked at Gerald and said, "Gerald, you should have talked about this privately Now that you ve said it in public, with your aunt's character, she will probably hate. you very much.

"Alas," Rayne sighed "It's good to know the truth about Drake early No matter where Gerald said it. it's the same "

She handed the key back to Gerald and said, "But Gerald, I still can't take this house You can keep it for yourself and your future wife

Gerald put the key in her hand and said, "Grandma, don't worry. I have a house to live in Just live in it happily"

"Gerald." At this time, Mason pulled Gerald. "Come here, I have something to ask you."

Gerald comforted Rayne and followed Mason to a place where no one was around. Gerald touched his nose and said, "Dad, I know what you want to ask me. I told you that when I came back, but you probably didn't believe me. I was framed, and then I was taken away from prison. I didn't stay in prison all these years, and for some reason, I couldn't contact you."

"Okay, then I won't ask more." Mason let out a breath. "I called you over mainly because I want your to appease Lilia and Jolie. Your aunt is such a person. She is small-minded, so her words are unkind. Yet your mother and I have few relatives. You can't offend them too much. You can't let yourself live alone after we die, right?"

Mason sighed, "This is the way of the world. People can't live freely forever."

Gerald pondered, exhaled, and said, "Alright, then I'll go and appease them."

Chapter 105 Find a Job for You

On the first floor of the hotel, there were fewer people at this time because the dishes had already begun to be served and most of the people had already arrived on the second floor for the meal.

Jolie broke down. She sat there, her tears flowing down.

Lilia was hugging Jolie with an ugly expression. Lilia gritted her teeth and said, "Jolie, don't be sad Why don't you go ask Drake? : feel that he is a good person after getting along with him if he is willing to cut off ties with that woman, I think you can still be with him"

"Mom, how could you say that? For a little money, you want me to be with a bastard?" Jolie cried, looking at Lilia

Norah quickly said, "Let's not talk about this. Today is your grandma's 80th birthday. Don't be sad. It's really Gerald's fault. This kind of thing should have been said in private. Why did he say it

front of so many people?"

Kyler sneered, "That's right. He is arrogant just because he has some money. I still don't know how he got the money

Jolie gritted her teeth, raised her head, and wiped her tears. "It's not Gerald's fault. He reminded me before that Drake was not suitable for me. Drake dated me just to get close to Mason. Drake was lying to me. You still don't understand, right? Ever since Gerald came back, my mom has been so hostile to him: I don't blame him. I only blame myself for being blind."

At the corner of the stairs, Gerald was stunned for a moment and then touched his nose, feeling a little more comfortable

Among these cousins, his relationship with Jolie was the best when Gerald was young, and not close to Kyler or Norah

It was enough that Jolie understood him.

sat down with a sigh "You are working in Drake's company now Now that Gerald has completely offended him, how can you stay in his company?"

"I will resign." Jolie pursed her lips.

"Gerald is really a jinx. He made us so embarrassed when he came back. He even made you lose your job." Lilia gritted her teeth. Jolie, think about it. It is really difficult for a family like ours to find someone as rich as Drake. If he really

"You know that he is a jerk, but you still ask your daughter to be with him. Lilia, you really care too much about money." Gerald touched his nose and walked down.

Lilia reminded him of Mary

They were both people who only wanted money

Gerald did all this for Jolie s good. Lilia still felt that she had lost a rich future son-law and was somewhat resentful of Gerald.

Fortunately, Jolie and Irene were different

Kyler frowned and said, "Gerald, good for you. You have been in prison for a few years and come back with money, so you start to criticize us."

"That's right. Did you know that Drake promised me and my brother that he would let us go to his company to work? 2,000 dollars a month. Now that you've made a fuss, we will have no jobs." Norah pointed at Gerald.

Gerald looked at Kyler and Norah, rubbed his nose, and said lightly, "No wonder you guys flattered him like that. So it's because of this. I make it very clear that he did all of this just to use you. His real purpose is to get an investment from Universe Group. Compared to the tens of millions of dollars he wants to get, your salary of 2,000 dollars is nothing.

"I also said that if he gets this money, he will dump Jolie," Gerald said indifferently

"Hmph, you have no evidence," Norah replied.

Gerald frowned and walked to Jolie. He looked at Jolie and said, "Jolie, don't be sad. Don't go to Drake's company anymore. He dared to use you to deal with my parents. I won't let him off Don't worry. His company will soon go bankrupt. He will become poor

Then Gerald walked to her and exhaled. Like when he was a child, he rubbed her head and said,

"Then go to Universe Group to work. I will ask Leandro to arrange a job for you."

"Eh?"

When this sentence came out, everyone was instantly stunned.

Jolie raised his head and looked at Gerald

Lilia asked in astonishment, "Really? Can you really let Jolie work at Universe Group?"

Gerald glanced at Lilia indifferently If not for his parents, he would never have interacted with relatives like Lilia. He ignored her and took out his phone to call Leandro. Then he put Leandro on the speaker

"Hello, Gerald, what's the matter?" Leandro asked.

"I have a cousin who has lost her job. She will come to your company tomorrow. Arrange a job for her. It is better to be easy and well-paid," Gerald said over the phone.

Leandro nodded and said, "Okay, then I will let her be your father's assistant Anyway, your father doesn't deal with anything. It is easy And the annual salary is the same as Benning's. 160 thousand dollars after taxes. Is that enough?"

Hearing this, Kyler and Norah, who were beside Gerald, could not stand still and took a step back. at the same time.

They had just lost their jobs with a salary of 2,000 dollars a month and complained about Gerald

And now, Gerald gave Jolie a job with an annual salary of 160 thousand dollars in front of them
Gerald nodded and said, "No problem. Oh, by the way, investigate Drake's game company and find
a way to bankrupt it.

"Okay," Leandro answered.

After hanging up the phone, Gerald ignored the others and looked down at Jolie. "Now, do you believe
me? Are you in a better mood?"

Jolie looked at him in a daze. Then she stared up at Gerald and said, "You. I was bad to you when you
came back. Why are you still so good to me?"

Gerald smiled, "At the very least, after you found out that Jessica was introduced to you by me, you
thanked me. Moreover, we grew up together. There are some misunderstandings, but it will be fine
if they are cleared up."

Jolie pursed her lips and then asked, "So you were really wronged back then?"

Gerald nodded. "Yes, I will prove it after a while. Well, if you are in a better mood, go upstairs.

Grandma is still waiting for us."

Lilia stood at the side with an embarrassed look on her face.

Now, Gerald found such a good job for her daughter, which made Lilia at a loss. She was mean to
Gerald just a moment ago.

Gerald ignored them and helped Jolie up the stairs. Behind him, Kyler and Norah opened their
mouths but did not speak.

Gerald found a job for Jolie in front of Kyler and Norah, yet he did not even mention them.

Kyler and Norah really wanted to ask Gerald to get them into Universe Group, yet a second ago, they
were still accusing Gerald, so now they didn't have the nerve to make this request.

For a moment, Kyler and Norah were full of regret.

Lilia stood there, not knowing what to say, and Gerald ignored her.

The matter was settled well. Gerald was in the limelight before, and those people began to talk about
how he had become so rich instead of his jail time.

Gerald did not explain anything to them and sat down at the table.

Rayne was in a very good mood. For old people, being with their families was a happy thing

After the banquet, they played cards and left. The number of people in the hotel restaurant slowly
decreased. When there were fewer people, Yazmin, Gerald's mother, looked around and asked, "By

the way, Jadon, didn't you say you would introduce a girl to Gerald? Why haven't we seen her yet?"

Jadon's face showed a trace of embarrassment as he said, "She heard that Gerald had committed rape, so she was unwilling to come."

Hearing this, Mason and Yazmin sighed.

Although they believed that Gerald was wronged, it was useless. This label was still stuck to Gerald.

At this time, Jadon looked at Gerald again and said with a smile, "Well, Gerald, I've heard that you found a job at Universe Group for Jolie. Why don't you introduce Kyler and Norah to Mr. Hanson? You have been playing together since childhood, and you are so close to each other. You have to treat them fairly."

Chapter 106 Keira Is in Trouble

When Gerald heard this, his expression changed slightly. He looked at Kyler and Norah.

Obviously, when Kyler and Norah saw that Jolie had found such a good job, they were tempted. Because they had previously been hostile to Gerald, they were too embarrassed to open their mouths. They told Jadon and wanted Jadon to help them.

Gerald smiled bitterly in his heart.

After he was set up and entered Night Watch at the age of eighteen, until three years ago when something happened, he did not worry about money.

Every time the mission was successfully carried out, Gerald would usually get some shares of different companies all over the world, and there were even people who specially took care of his property in Night Watch. Gerald did not know how much wealth he had.

However, after three years of amnesia, Gerald finally realized how cruel this society was.

Many people were snobbish and only believed in money.

Gerald could forgive Jolie. She had a good relationship with him in the past, and her attitude toward Gerald was not bad later. So Gerald found her a job.

Yet why should he help Kyler and Norah?

Since they were young, they had not been close. And today, Kyler and Norah helped an outsider against Gerald.

Even after Drake was exposed, Kyler was still speaking ill of Gerald in private

Gerald was not a saint.

If he had not taken care of his parents' emotions, Gerald would have already told them to stop interacting with people like Lilia.

Gerald sighed, "Jadon, it's not that I don't want to help. Although I have a good relationship with Leandro, I can't owe him too many favors. I just called him and asked him to give Jolie a job. It's really not good to call him again now."

Kyler and Norah both revealed a hint of disappointment in their eyes.

At the same time, there was also a trace of anger mixed with their disappointment.

Perhaps in their hearts, it was a crime that Gerald helped Jolie but didn't help them.

On the side, Mason and Yazmin looked at each other, a trace of worry flashing in their eyes. They were afraid that Jadon would bear a grudge against Gerald in his heart.

Jadon sighed, "I see. Alright then."

In the afternoon, they stayed at the hotel. After eating dinner and being busy for a while, Mason said, "Everything here is done now Why don't we take Mom to see the villa that Gerald gave her?"

The corner of Gerald's mouth twitched. If he set off and then couldn't find the way to the villa, he would be embarrassed. He coughed and said, "Mom, Dad, take Grandma and Jadon there. I have an appointment with a friend for a late-night snack, so I'll leave first.

Mason nodded. "Okay, take care."

After saying goodbye to them, Gerald took a taxi and left.

Of course, he did not have an appointment with anyone to eat a late-night snack, but he planned to go to one of Stephen's residences to test his luck.

If Leandro was unable to lock onto Stephen's position, Gerald would have to use the power of Night Watch.

Just after Gerald left, Mason and a large group of people drove toward the villa at Pondark Road.

No. 69, Pondark Road.

When a large family of more than ten people stopped at the door, they were completely stunned. Looking at the villa in front of them, they were even unable to breathe.

Rayne took out the key shakily Then she swallowed her saliva and said, "Mason, open it."

Mason opened the door to the villa. After entering the villa, all the lights inside were automatically lit up. On the first floor was a spacious living room with very luxurious decorations. The villa was extravagant

Jolie and the others were dumbfounded. This was the first time they had entered a villa in their lives.

Moreover, it was such a luxurious villa.

Mason swallowed his saliva and then said in shock, "This villa is worth at least 16 million dollars."

When Rayne heard this, she was scared silly. She hurriedly said, "Then... I can't take it. It's too expensive. It's too expensive."

After a brief shock, Mason smiled, "Mom, this is what Gerald gave to you. You just need to live here. However, this place is quite big. You can invite Jadon and the others to live here."

Rayne paused for a moment, nodded, and said, "That's fine. In the future, everyone can move in. A lively villa is quite good."

Beside them, Kyler and the others all had happy expressions on their faces.

As the group of people walked around the villa, their faces were filled with amazement.

Only Yazmin and Mason had a hint of worry in their eyes.

This time, Gerald shocked them greatly

He had a Diamond Card from New Bank and bought such an expensive villa.

Gerald had not been in jail for the past few years, so where had he been? Why did he have so much money?

Gerald naturally did not know that the big villa that Leandro had prepared for him scared his parents. At this time, he took a taxi to Stephen's residence at Redson Garden. This place was an area of row houses. When Gerald arrived at the door, he listened carefully and found that there was no one inside.

Of course, he was not in a hurry to leave. After all, it was early, and it was possible that Stephen had not returned yet.

Gerald planned to go to a café, but at this time, his phone vibrated. He took out his phone and looked at it. He found that it was Keira.

She sent over a location.

There was nothing else.

Gerald's heart squeezed. He knew that something had happened to Keira.

He hurriedly got a taxi. After getting in the car, he glanced at the location and said with a glint in his eyes, "Go to Flame Bar"

Keira had mentioned to Gerald before that Henley might attack her or her family.

However, he did not expect it to happen so fast.

There was endless worry in his heart. Gerald did not know what Henley would do.

Anger flashed in his heart, and his gaze slowly turned cold.

Fortunately, Gerald was not far from Flame Bar. Soon, he stopped at the entrance of the bar.

There were some people standing in twos and threes, including Enoch, who had been beaten by Gerald last time. At this time, Enoch's face was still wrapped with thick gauze. When he saw Gerald, Enoch's expression changed slightly. Enoch quickly ordered, "Go and get Armand."

A person hurriedly ran into the bar. Enoch blocked the door of the bar with his people. Gerald walked to the door Enoch sneered at Gerald, "Bastard, you dare to come to our bar again."

At this time, Gerald raised his head, and his cold eyes fell on Enoch. Gerald said indifferently, "Two things. First, get out of the way. Second, tell me where Henley brought her

Under this gaze, Enoch subconsciously took a step back, and cold sweat instantly broke out on his forehead.

"It's none of your business." Right at this moment, a cold snort resounded from behind Enoch.

Then Armand's tall and sturdy body appeared at the door. He frowned as he glanced at Gerald and said, "Last time, for Doreen's sake, I didn't hit you. Don't ask for trouble."

"Keira is Doreen's best friend," Gerald said evenly.

"I know." Armand frowned. "But she schemed against the Zumthor family with someone. The Zumthor family wants to deal with her."

"So you helped them?" Gerald stared at Armand.

Armand sneered, "Gerald, don't push your luck. I've said it's none of your business. Hurry up and get lost."

Gerald let out a breath and slowly swept his eyes over Armand. "I will definitely intervene in this matter."

They did not notice that not far away, a handsome man wearing a hoodie was leaning against a wall. He lit a cigarette and then looked sideways at the entrance of Flame Bar, watching with interest

"Alas, a bunch of idiots. Come and provoke me. I'll beat you up." He took a puff of his cigarette and blew smoke into the sky. "Ah, a master like me is so lonely

Yes, this person was Erik. Tonight, he had a target at Flame Bar

When the smoke dispersed, Erik suddenly saw Gerald's face. Then Erik's pupils contracted slightly.

"Damn, why is it him?"

Erik cursed and quickly threw the cigarette onto the ground. He took out his phone and dialed a number. The phone was quickly connected Erik hurriedly said, "Master I found that guy. He is surrounded by a group of people at the entrance of the bar

“What?” On the other end of the line, a cry of surprise sounded “Okay I will come over immediately

Chapter 107 Who Dares Touch Her!

At the entrance of Flame Bar, Gerald’s eyes slowly darkened.

On the way to Flame Bar, he made two calls. One was for Leandro. From Leandro, he got Sterling Lam’s number, the person in charge of New Bank in Sacramento!

And then Gerald called Sterling!

Sterling was the head of New Bank in Sacramento. He was already the higher-ups of New Bank. Gerald knew this person. When New Bank gave Gerald the Diamond Card, Sterling was also there.

Gerald told Sterling about the matter of Keira. Right now, Sterling should be on his way here

A person like Sterling was absolutely the top existence in Sacramento. If he came out, this matter would be easy to solve!

Gerald considered the rules of Night Watch, so he tried not to expose his strength.

But now, as time passed, he was more and more worried about Keira’s safety. If something really happened to Keira, he would never forgive himself for the rest of his life.

This matter was because of him.

At this time, the so-called rule, that Watchmen could not expose their martial arts in front of too many ordinary people, was not so important.

Armand looked at Gerald and said lightly, “Gerald, don’t be so shameless. I’ll give you ten seconds to get lost!”

A cold glint flashed across Gerald’s eyes. At the same time, everyone felt that there seemed to be a terrifying aura rising from Gerald bit by bit.

“In three seconds, tell me where Keira is.” Gerald stared at Armand, his tone cold.

“Who the hell do you think you are?” Armand sneered, “Humph, today, I will teach you a lesson to relieve the hatred in my heart!”

A squeal of brake sounded.

At this time, a black car suddenly stopped at the door. Then, the door opened and a faint voice sounded from inside, “Armand, you dare to touch the people of my New Bank. It seems that the Cousy family really doesn’t want to stay in Sacramento!”

When Armand heard this voice, his expression suddenly changed. Then, a handsome middle-aged man in a suit with a full beard stepped down from the car. His eyes slowly swept over Armand.

Armand’s burly body couldn’t help but take a step back. His voice trembled as he said, “M... Mr.

Lam.”

Yes, the person who came was the person in charge of New Bank in Sacramento, Sterling!

Sterling’s eyes swept over Armand and finally fell on Gerald. Just as he was about to bow, Gerald shook his head slightly at him.

When Sterling thought of Gerald’s identity, he stopped bowing. Sterling looked at Armand indifferently and said, “Where is Keira?”

“This...” Armand hesitated.

Sterling nodded. “Okay, your Cousy family will definitely go bankrupt within ten days!”

Armand was shocked. He did not doubt that New Bank had such strength. The Cousy family’s industry was quite large. This meant that they had to get some loans in advance from the bank. Once the bank broke off and chased after debts, there would be problems with the flow of money.

They might even be sued and put on the list of people who broke their promises.

This was not something that Armand could withstand.

As for Gerald, the cold aura on his body slowly faded away.

Armand gritted his teeth and said, “Come with me!”

In a private room on the second floor of the bar, the soundproofing of the private room was very good. Even though it was very lively outside, this private room was still extremely quiet.

At this time, many people were standing in the room. Keira was sitting there Her hair was a little messy She clenched her fists and gritted her teeth.

Besides her, another person was sitting there.

This middle-aged man was wearing a black coat. He held a pipe in his hand and a fisherman’s hat on his head. The brim of his hat was very low. He crossed his legs and sat on the other side,

looking like he was watching a good show.

If one paid attention, he would find a red lotus on the man’s wrist.

Yes, this person was Blood Lotus’ Red Card Assassin.

He did not interfere in this matter. He just sat there and raised his head slightly to look over. When he looked at Keira, he occasionally licked his lips and revealed a lecherous look.

“Are you going to say it or not?” Henley stood there and pointed at Keira. “For the sake of Doreen, I haven’t touched you, but don’t challenge my patience.”

Keira raised her head and said, “I won’t say it. Henley, you have to think about it carefully. I am an employee of New Bank. Is the Zumthor family able to bear the consequences of going against

New Bank?”

“Hmph, don’t you know? Because of you, our Zumthor family has terminated all cooperation with New Bank.” Henley sneered and said, “Besides, even if I go against them, what can they do?”

The man with the hat stood up. He shook the smoke from his pipe into the ashtray and slowly stood up.

Step by step, he walked in front of Keira, patted Henley, and said, “Let me do it!”

Henley quickly said politely, “Mr Wilde, I don’t need to trouble you with this.”

“It’s fine. I like this girl.” Daniel Wilde said indifferently, “As a woman, she will tell you everything after she feels good.”

Henley licked his lips and walked to Keira. He grinned and said, “Mr Wilde is right. Keira, I have been coveting you for a long time. Since you don’t want to...”

As he spoke, his hand slowly lifted and landed on Keira’s face

“What are you going to do?” Keira suddenly shrank backward.

“What am I going to do?” Henley grinned and said, “Of course. I’ll let you have a good time!”

“Wait a minute!” At this time, Daniel said indifferently

Henley frowned and looked at Daniel.

Daniel waved the pipe in his hand and said, “Line up.”

Then he said to the other people in the private room, “Guys, don’t worry. All of you here have a chance. I am the first. I’ll be soon since I’m not young!”

Behind them, the people who were standing looked at Keira’s perfect figure. All of them had excited expressions on their faces.

Someone even touched his belt.

Henley frowned. It seemed that he was a little uncomfortable because Daniel was the first. Henley looked at Keira coldly and said, “Keira, this is the last chance. Do you want to say it or not?”

Keira heard their conversation, and tears had already flowed out. However, she still gritted her teeth and said, “Henley, Doreen really misjudged you. You scum, I would rather die than tell you a word!”

“Hold her down for me!” Henley shouted coldly

All of a sudden, a few people revealed lustful looks on their faces. When they pressed her down, they could also take advantage of her.

“Bang!”

At this time, the door of the room was suddenly pushed open. At the same time, Sterling’s slightly angry voice sounded, “I want to see who dares to touch the people of my New Bank today!”

Everyone looked at the door

At the door, Armand led Gerald and Sterling into the private room. The moment Henley saw

Sterling, his expression changed!

Henley suddenly looked at Armand. Armand shrugged and said, “It has nothing to do with me. I don’t know how Mr. Lam knew it.”

“Oh, Mr Lam,” Henley said with a smile.

“Let’s talk in court,” Sterling said lightly.

“Don’t say things like that,” Henley said. “Our family and your bank have completely terminated the cooperation. It is not illegal for me to invite Keira to the bar to have fun, right?”

“Yes!” The people next to him were all Henley’s people. At this time, they also spoke up.

Now they were not on good terms with New Bank and had Blood Lotus as support. Henley felt that there was nothing to be afraid of Of course, he had to be polite to Sterling.

“Keira, Mr. Lam is here. It seems that we won’t be able to have fun today Just go with him.” Henley shrugged his shoulders indifferently.

During the conversation, Gerald walked toward Keira. Henley saw Gerald and extended an arm to block Gerald. He said, “Where did you come from? How dare you enter this room?”

Chapter 108 I Am Watchman No. 0!

“Where did you come from? How dare you enter this private room?” Henley stretched out his hand. to stop Gerald!

Gerald gave him a cold look, bypassed Henley, and came in front of Keira. He reached out and smiled at Keira. Gerald touched her head and said, “Sorry, I’m late!”

“Boohoo!”

The moment Keira saw Gerald, her tense nerves seemed to be completely broken. She threw herself into Gerald’s arms and wailed, “They they want to rape me.

Henley’s expression changed slightly. He frowned and said, “Keira, don’t talk nonsense. We only called you here to drink, and you came by yourself Why do you say something like we did something wrong to you?”

“The Zumthor family has a good son!” Sterling raised his head and looked at Henley. “Henley, just talk to the media tomorrow!”

Henley’s expression suddenly changed.

He had never expected that things would turn out like this.

In fact, when he first set up Keira, Henley did not expect that Sterling would personally stand up for Keira. Keira was not important in New Bank at all!

Henley originally thought that if something happened, it would be a private discussion. At most, they would lose money for this.

However, from the moment Sterling appeared, he looked like he was going to fight to the death. with the Zumthor family for Keira.

Henley swallowed his saliva and subconsciously looked at Daniel, wanting to ask for his help!

However, Daniel lowered his head all the time and did not even speak.

It’s over! Henley felt a surge of uneasiness in his heart!

This matter had completely exceeded his expectations. If news of him completely offending New Bank spread to his family, his family would probably deprive him of his inheritance rights.

At the side, the moment Gerald heard this, a cold light suddenly overflowed in his eyes. Then, he suddenly stood up and threw a punch at Henley’s head.

“Bang!”

Gerald did not use his full strength. After all, this was a public place, but the strength of this punch was definitely not weak!

However, the punch that he swung out was caught by Daniel, who was wearing a bucket hat. Then, Daniel raised his head and smiled at Gerald, “Young man, your strength is not bad!”

Then he looked at Sterling and said indifferently, “Sterling, it should be enough.

Sterling seemed to know Daniel. His expression changed slightly, and he said, “Why are you here?”

The Zumthor family is already

“It’s good that you know,” Daniel said lightly “Since you’re here, this matter ends now. Otherwise, I can guarantee that no one will be able to save that old man of your New Bank”

As a higher-up of the New Bank, Sterling knew about the existence of the underground world and had a deep relationship with it. He naturally knew Blood Lotus.

He also knew that Blood Lotus had the world’s top killers! They controlled many wealthy families, and the assets behind them were extremely terrifying.

Sterling’s face was gloomy. He subconsciously looked at Gerald and found that Gerald had already

retracted his fist Gerald walked to the sofa and picked up Keira.

“Alright, I agree. This matter ends like this,” Sterling let out a breath and said slowly.

He didn’t dare to gamble!

New Bank was mysterious. But compared to the organization of killers like Blood Lotus, he was somewhat afraid.

Gerald did not speak from beginning to end. He held Keira and said softly, “It’s fine. It’s fine. I’ll take you out now!”

This time, Henley and Armand did not stop him. He walked to Sterling and whispered, “Let’s go. now!”

Sterling took a deep look at Henley, and then left the bar with Gerald!

Henley’s face was gloomy He was still worried that Sterling would completely fall out with them.

At that time, Henley had failed to settle the matter and caused big trouble for the family instead. The family would definitely punish him.

Daniel saw him like this, patted him on the shoulder, and said, “Don’t worry. I’ve already said that He won’t dare to do anything to you.”

The corners of his mouth revealed a trace of disdain.

Only then did Henley let out a breath. He looked at Armand and frowned. “Why is Sterling here?”

He knew that Gerald would come. Keira had sent a message, and her phone had been snatched away by him. He even planned to let Gerald come over on purpose to teach him a lesson. However, he did not expect that Sterling, the person in charge of New Bank in Sacramento, would also come

Armand’s face was straight. He was still thinking about what happened just now.

They were different from the Zumthor family. The Cousy family was already in a lot of danger. If New Bank targeted them because of this, it would undoubtedly be a disaster for them.

“How would I know? Gerald wanted to force his way in just now We wanted to stop Gerald, and then he came. How could I dare to offend him?” Armand said reluctantly

Henley had a long face. He waved his hand and said, “Fuck. Forget it Mr. Wilde, let’s go somewhere else!”

Daniel touched his chin and said, “I’ve had desire because of that woman. Take me to vent it!”

“Sure!” Henley smiled and said. “I’ll take you to the top club in Sacramento!”

At the door, Gerald carried Keira and walked to Sterling’s car. Sterling looked at Keira, then looked at Gerald, and said, “The Zumthor family is with those people. I can’t help it.”

Gerald touched his nose and said, “I understand. Send Keira home please.”

Keira was carried by Gerald. When she heard Gerald's words, she subconsciously grabbed Gerald's clothes and said, "No, you send me back. I am afraid!"

Her body was trembling slightly.

Any girl, who had experienced such a thing just now, would be in a state of collapse.

Gerald frowned. He gently patted Keira's neck. Keira slowly closed her eyes and fainted!

A good sleep could help her calm down.

Gerald opened the door and put Keira in. He said, "Add me on Line. I'll give you the address of her home!"

Sterling frowned. He looked at Gerald and asked politely. "You plan to..."

Gerald nodded.

"Alright, be careful," Sterling said. "Right, our boss has been talking about you. He said that you haven't contacted him for three years."

Gerald smiled and said, "When I go to Washington, I will definitely pay him a visit."

"Alright, I will send Keira back first," Sterling said with a smile.

The two of them got contacts on Line. Sterling drove Keira away from the bar. Gerald touched his nose and glanced sideways. He looked at the entrance of Flame Bar. There was a young man in a guard suit. This person had been following him since he entered the bar.

"Who sent them?" Gerald rubbed his nose and ignored that person. He walked to a dark corner, took out a cigarette, lit it, and looked at the door of the bar!

A few minutes later, he saw Henley and Daniel walk out of the bar. When he saw the two, a cold light flashed in Gerald's eyes.

The two of them entered a white sports car, and the sports car started!

At this time, Gerald moved. Like a cheetah, Gerald suddenly rushed out. His speed was much faster than the sports car.

"Fuck, so fast!" Beside him, Erik, who had been following Gerald, changed his expression slightly. He hurriedly wanted to follow but found that he could not keep up.

This road was a straight road without a fork. Gerald walked all the way until he reached a place where no one was there. He saw a road sign in front of him. He exerted strength in his feet and jumped up to the road sign.

In the distance, the white sports car with high beams slowly drove over!

Inside the car, Henley was still bragging about how good the club was!

They did not notice that Gerald was standing on the road sign in front of them, staring at them!

Just as they passed by the road sign, Gerald jumped' Henley suddenly frowned and said, "Huh?"
He saw a figure falling from the front of the car. It was already too late for him to step on the brake!

"Bang!"

suddenly flipped over.

"Bang!"

The car fiercely smashed into the guardrail on the side of the road!

This was Watchman No. 0, the Slaughterer who once terrified the underground world, the god of war of Night Watch!

Gerald's eyes were cold, as he looked at the sports car that was blocked by the guardrail. His eyes were cold, as he slowly walked over again!

Inside the car, Henley and Daniel were both bleeding. Henley could not move at all. He flipped over there and only saw a pair of legs in the distance. They were walking towards him step by step.

"Help Help!"

He wanted to ask for help. But before the sentence came out, Gerald kicked his head again, and Henley directly fainted.

"Bang!"

At this time, the door on the other side opened.

Daniel struggled to climb out. Gerald sneered, walked to him, and squatted down.

Daniel raised his head. He gritted his teeth and looked at Gerald. "It's you. I was wrong. I didn't expect you to be a hidden expert.

Gerald ignored him. He reached out and took out the dagger from his waist

Cold sweat broke out on Daniel's forehead. "Do you want to kill me for an ordinary woman? I am from Blood Lotus. Since you have such skills, you must know about the underworld. Are you sure you want to go against Blood Lotus?"

"Blood Lotus?" Gerald sneered. "Because of my words, Franklin has been hiding all over the world for so many years. How dare Blood Lotus threaten me?"

"You are "Daniel's pupils suddenly shrank!

Gerald sneered, "As you think, I am Watchman No. 0!"

Chapter 109 I Can Find Him

Gerald's voice was as cold as that of a devil.

Daniel collapsed when he heard Gerald's confirmation. He hurriedly said, "I was wrong. Please spare my life. As long as you can forgive me, I will kill Henley and his entire family for you. It was all Henley's idea."

"The Zumthor family?" Gerald looked at Henley indifferently and said, "It's too boring to let him die like this. Sometimes, it's more painful to live than to die! I'll torture him as long as I want!"

Gerald looked at Daniel and said, "As for you.

He flipped his wrist and instantly cut Daniel's throat. Blood soon flowed down.

After doing all of this, Gerald took out his phone and called Valery Soon, the phone was connected. Valery said, "Hey, what's up?"

"I killed a member of the Blood Lotus. Ask Sacramento's Night Watch to come over and deal with it," Gerald said calmly. "I'll give you the address."

Gerald let out a sigh and said, "Help me check where Stephen is."

Valery frowned and asked, "Your voice sounds strange. What's wrong? What happened to you in Sacramento?"

Thinking of what happened to Keira, Gerald was still a bit angry.

"It's settled. I'll send you the address on Line. Ask someone to deal with it as soon as possible. It won't be good if someone finds out," Gerald said calmly.

After hanging up the phone, he threw the dagger next to Daniel. Then he turned around, looking at the end of the road, and disappeared into the night.

At the end of the road, Erik was running desperately. Gerald had disappeared out of his vision.

"Fuck you. Why are you running so fast? Are you a rabbit?" Erik tried his best to keep up with Gerald as he cursed.

"Ding! Ding!"

At this time, his cell phone rang. On the other end of the line, the voice of Watchman No. 2 sounded. "Why are you moving so fast?"

"I am chasing... I am chasing... him. He is running so fast," Erik gasped and said. "Just now there was a loud noise in front. I don't know what happened!"

"Go over there now. I'll be right there!" Watchman No. 2 said and then hung up the phone.

Erik did not dare to stop. He was worried about losing track of Gerald again. He continued to run along the road. After a few minutes, his expression changed. He saw a car flipped over in front of him. He stopped, placed his hands on his knees, and gasped for breath.

When his eyes fell on the fresh blood flowing over there, Erik's pupils contracted slightly. He quickly leaned over and looked at the wheel marks on the road and the collapsed hood of the sports car. His face was full of shock.

"Was the car smashed when he forcefully stopped the car?" Erik swallowed saliva.

He looked around and found no sign of Gerald.

After two minutes, a slim figure quickly approached Erik and soon stood next to him.

She had short hair. Unlike Erik who was gasping for breath, she was breathing naturally. When she arrived, she glanced at the car and saw the handprint on the hood of the car. Her expression changed as she asked, "It is indeed him. Where is he?"

Erik said with a sad face, "I

can't keep up with him. I've lost him!"

The short-haired girl frowned, but she didn't scold Erik. She knew how strong Gerald was. If Gerald wanted to get rid of Erik, it was indeed a piece of cake.

"Do you know why he attacked them?" Watchman No. 2 asked again.

"I might have heard something. It seemed that these two men attacked one of his female friends. It was also related to New Bank. After he rescued the girl, he ran over here to beat them," Erik said.

Watchman No. 2 pondered and looked at Daniel on the ground. She smiled and said, "He helped. you solve the problem. You can leave now. The Night Watch will probably come to deal with it!"

"Then we can't find him this time." Erik smiled bitterly and said, "When can we return to the Night Watch?"

Watchman No. 2 smiled and looked at the night sky. She said faintly, "If it has something to do with New Bank, then I can find him. I will go to New Bank tomorrow!"

Erik was stunned, and then ecstasy appeared on his face.

Gerald didn't care about the dealing of the body, but the Zumthor family was destined to have an uneasy night.

Corbin received a call from the hospital that Henley was severely injured.

After they rushed to the hospital, they found that Daniel, who followed Henley, was missing. They could not contact Daniel through phone calls or on Line.

Blood Lotus was now the only hope of the Zumthor family, who was full of worry now.

Of course, all of this had nothing to do with Gerald. The game between him and the Zumthor family had just begun. He would make Henley watch his family decline bit by bit!

According to Leandro, the Zumthor family was behind what happened back then. Now, to find out who owned the Diamond Card, the Zumthor family even attacked Keira. Gerald had no reason to keep the Zumthor family safe

Of course, no one knew what he had done except for Sterling.

Sterling would not mention this to another person.

Gerald was still the same in the eyes of most people. He was still a criminal who committed rape and suddenly became rich.

No one knew how his money came

Gerald took a taxi and went to Keira's place. After seeing that Keira had fallen asleep, he took a taxi back to his home.

When he got home, it was past eleven o'clock.

However, Gerald's parents did not sleep. When they saw Gerald come back, they quickly stood up with worried faces. Gerald asked in surprise, "Mom, Dad, why haven't you slept yet?"

Mason said, "Gerald, we went to the villa today. It was too big. I thought it was only around 1.6 million dollars, but it looks like worth 16 million dollars. If the decoration, red wine, and other things are added.

Yazmin quickly said, "Gerald, where did you get so much money?"

Gerald was stunned for a moment and scolded Leandro in his heart. He coughed and said, "Okay, Mom, Dad, I'll tell you the truth. That villa was given to me by Mr Hanson. Didn't I say that I hadn't been to prison for the past few years? I am Mr Hanson's friend because I once saved his life. That villa was given to me by him. I don't stay there anymore, so I gave it to Grandma."

Mason was stunned for a moment Gerald's words made sense

Seeing that they still did not believe it, Gerald said, "Dad, if you don't believe it, you can call Mr. Hanson now or ask him when you go to work tomorrow!"

"Okay, I believe you," Mason said. "Then go to bed early. You still have to go to work tomorrow!"

Gerald was anxious. He felt it urgent to move out and live alone.

He washed up and went back to his room. As soon as he lay down, his mobile phone rang. Gerald picked it up and found that Daphne sent him a message.

"Are you busy now?"

Gerald quickly replied: "No. What's up?"

Daphne sent a message and added two emojis of shyness. "Are you free tomorrow? Didn't you promise to be my model? If you are free tomorrow. I want to see you tomorrow"

Gerald replied: "Okay! Send me the address tomorrow."

Daphne's message came again with an emoji: "Good! I'll meet you tomorrow at ten o'clock in the morning!"

Then, she sent the address.

Gerald read the message, put down the mobile phone, and sat with his legs crossed.

At the same time, in the Cousy's home, Doreen was sitting in her big bedroom. She was sitting in front of the desk in the bedroom. She wore a pair of glasses and held a book in her hand. She was reading it word by word

Doreen was a girl with aesthetic taste.

She liked latte art and literature.

"Bang! Bang! Bang!"

At this time, there was a knock on the door

She frowned, turned the book over, and put it on the table. Then she went to open the door.

Seeing Armand at the door, she frowned and asked, "What's up?"

Armand looked at Doreen and said with a frown, "From now on, don't see Gerald anymore."

"What's wrong?" Doreen asked with a frown.

"Something happened to Henley. He is now in hospital with a severe condition," Armand said with a dark face.

Doreen's expression changed slightly "What does Henley's accident have to do with Gerald?"

"Humph, Henley wanted to assault Keira at the bar tonight Gerald and Sterling went to save her."

Armand snorted coldly "Gerald and Henley quarreled, and then Henley had a car accident This was definitely done by Gerald. He is very dangerous. Don't see him anymore.

Armand found that Doreen's face was sullen and her eyes a little cold. Then she asked lightly, "Armand, you mean that Henley intended to assault Keira in your Flame Bar? You helped Henley, right?"

"I..." Armand's expression changed slightly.

"Keira is my best friend!" Doreen looked at Armand and said, "Armand, I am so disappointed in you!"

She picked up the car key on the table, pushed Armand away, and drove out of the house.

Chapter 110 A Visitor to the Kenneth's Home

Soon, Doreen arrived at Keira's home and dialed Audrey's phone number

After the door opened, she hurriedly rushed in and asked, "Keira, are you alright?"

Audrey and Hazel looked at her in confusion..

They did not know what was going on but that Keira had been sent back by Sterling. Sterling only told them that he was Keira's boss, without telling them what happened to Keira.

"Keira has fallen asleep? What happened? Your expression is so weird," Audrey asked suspiciously

Doreen pursed her lips and looked at Audrey and Hazel. She sighed and said, "In order to make Henley cancel the engagement with me, Gerald used his Diamond Card to ask New Bank to sanction the Zumthor family. The procedure was handled by Keira. Henley wanted to find out who owned the Diamond Card and attacked Keira. Today, Keira was tied up by them to Flame Bar..

When they heard this, Audrey and Hazel were shocked, and their pupils contracted.

Hazel's face surged with anger "Henley is so cruel."

Audrey looked at Doreen and said, "Doreen, I always thought that this was your private matter, so I never said anything. But Henley is not a good man. You really can't marry him. Although the banquet has been delayed, you haven't canceled the engagement. Think about it carefully Your family is not short of money. If there is a problem with the business, you can gather some funds and find other companies to cooperate with. Why do you sacrifice your happiness?"

Doreen lowered her head and said, "Don't worry. I don't know when the engagement banquet will be held now My brother just told me that Henley had a car accident and was hospitalized. He almost died."

"He deserved it!" Hazel gritted her teeth and said. "This kind of scum deserves to die"

Doreen frowned and said, "My brother said that it might be Gerald who did it."

A trace of worry appeared on her face as she was worried that Gerald would be imprisoned again.

Gerald was sitting cross-legged in his room when the three girls were chatting in Keira's home.

It was already early in the morning.

At the same time, in the temporary base of the Night Watch, Dennis was sliding his fingers on the phone. He glanced at it a few times, licked his lips, and said, "Oh my! He knocked the car over with one slap. It is indeed a good thing that he doesn't return to the Night Watch. Otherwise, with Triston's personality, I wonder what kind of fight they will have."

Beside Dennis, Hamza frowned and said, "Boss, what about Watchman No. 2? There seem to be different voices about how to deal with No. 2 Dr. Manning seems to have gotten into a fight with those elderly people. We are asked to capture No. 2 secretly If No. 2 resists, we will kill her

Dennis frowned and asked, "What is the old man's attitude?"

"The old man did not say anything. He couldn't," Hamza sighed and said. "We all know the old guy Dempsey must have been involved in the matter three years ago. His betrayal directly led to the death of No. 7, but we have no evidence!"

Dennis cursed, "This is indeed tricky Dempsey is the first winner of the Medal of Star Glory He has great influence. No. 2 should not have killed Dempsey's grandson a few days ago.

Hamza sighed and said, "Alas, I guess this is also the reason why Gerald did not return to the Night Watch. If Gerald knew the truth, he would probably kill them all. At that time, we will all be in trouble."

"Forget it. Let's just put on a show If they ask, just say that we can't beat No. 2 "Dennis rubbed his head and said, "What about Gerald's ex-wife and her mother?"

"They don't want to go!" Hamza said reluctantly "They are really giving me a headache During this period, when they heard from our people that Gerald was very rich and powerful they would wait for Gerald to come back!"

"Why wait for him to come back?" Dennis scolded.

"Irene said she was going to remarry Gerald. She said that Gerald still loved her and so on. I broke out in a cold sweat when I heard so." Hamza rolled his eyes.

"Geez They are really fucking shameless," Dennis cursed.

"Anyway, let it be. Gerald is the one to blame. Wait for Gerald to come back and deal with it himself Hamza laughed and said, "I'm still looking forward to what Gerald will do at that time! There will be a good show!"

Dennis' eyes lit up slightly, and he revealed a wretched smile.

They reached a consensus and stretched out their hands to give a high-five.

The next day, Gerald was woken up by Mason as usual. They arrived at the company. Gerald still used the excuse of buying breakfast for Leandro to sneak away at the company entrance.

However, this time, he did not go directly to Keira's home. He took a taxi and rushed to the address Daphne sent him.

Gerald stopped in front of an office building. It was the Goldsun Group.

This place was the headquarters of the Goldsun Group.

When arriving at the entrance, Gerald saw Daphne carrying the drawing board from far away. There was also a man and a woman beside her. They were each carrying a drawing board on their back. They looked like her classmates.

Gerald was naturally not interested in that man. His gaze mainly fell on the girl.

The girl looked about the same age as Daphne. Her long black hair cascaded down her back. She was tall and quite beautiful. She was as beautiful as Daphne and even looked much livelier.

After seeing Gerald, Daphne waved to him.

Gerald leaned over, looked at the office building, and said, "Didn't you say you wanted to draw? What are you doing in your mother's company?"

"My mother got me a private painting room in their company, so I am generally here on the weekend." Daphne smiled sweetly and then said, "Come, let me introduce you to my best friend,

Ingrid Maddox. She is from Washington."

Gerald looked at her. His expression changed slightly.

She was surnamed Maddox and from Washington. Gerald thought of a family he knew before.

However, Gerald did not come to the conclusion that Ingrid was a member of the Maddox family he knew. The Maddox family in Washington was one of the top three families in America. They were even more powerful than the Kenneth family in Sacramento.

"Tsk, Daphne has been talking about you, saying that you are handsome and have a good figure.

Now I know!" Ingrid smiled at Gerald.

Gerald touched his nose.

At the same time, the man said slowly, "It really is you. I thought it was just the same name."

Gerald frowned and looked at the man.

Gerald frowned slightly.

The man wore gaudy clothes.

His clothes were trendy and colorful.

Somehow, he dyed his hair green, so his hair was extremely eye-catching.

He was wearing earrings and a nose ring.

He might be a real artist.

Seeing Gerald look over, Daphne hurriedly said, "Gerald, this is also my classmate, Ricky Kenneth."

Gerald's heart skipped a beat.

He had an impression of this name. He was Cole's younger brother, the third successor of the Kenneth family.

However, Gerald could not remember Ricky's appearance clearly. When Gerald was taken away, Ricky was only eleven years old. His appearance had changed a lot.

Seeing a member of the Kenneth family, Gerald narrowed his eyes slightly.

Ricky looked at Gerald, revealing a trace of disdain. "Daphne, you don't really know Gerald, right? He is the person who raped Bree nine years ago. He has been in prison for nine years. Justin said that Gerald was released recently and returned to Sacramento. My family is talking about this."

Daphne frowned and said, "Gerald is my friend!"

Hearing Daphne say so, Ricky looked stunned. Then he looked at Gerald with a trace of jealousy in his eyes.
