"Yes, I said that." sienna nodded.

"That's enough. Eat your food now." After Ivy finished speaking to him, she said to Siena, "Siena, I'll send you to school later."

"It's fine. I want to send you."

"Oh, okay."

After breakfast, Ivy sent Siena to school, and Liam followed. After all, Sycamore Road was beautiful in the morning, and it was also very comfortable to walk along the pathway.
