

Still Loving You Nonetheless Chapter 1479

The school was not far. Siena stood at the school gate and waved goodbye to them. "Goodbye, Uncle Liam, Aunt v!"

"Okay. See you tonight." Ivy waved back.

As Siena walked into her school, Liam took Ivy's little hand. "Let's go back."

Ivy asked as they walked, "where are we going next? To see the nurse?"

"Yes. You'll visit the nurse while I meet someone else."

"Who are you meeting?" Ivy was curious.

"Someone." Liam smiled at her. "I can't tell you yet."

"It's that mysterious?"

"Mm." Liam was unsure about the result and afraid that he would disappoint Ivy after giving her hope, so he did not plan to let her know so soon.

Ivy did not pursue and said, "okay. Then let's split up."

"Huh? What?" The couple was stunned and looked at each other.

Liam said, "I believe you know my wife likes Siena very much and wants to adopt her. I wonder if you'll agree to it."

"No. No way." The woman immediately waved her hand.

"Why not? Because of the child support in Siena's account?"

The couple felt guilty.

"May I know who gave the funds? Was it Siena's parents?"

"Yes."

"Who are her biological parents?"

"We don't know." The couple shook their heads.

"Then where did you adopt Siena from?"

"From...a friend, but she has passed away, and she has not told us more."

Liam looked at them, then took out a contract from his wallet. "Take a look at this. As long as you let US raise Siena, we'll not only not take away the support fund under Siena's account but also give it to the two of you. We'll also give you this amount of remuneration. If you agree, you can sign it, and I'll process the finances."
