

Still Loving You Nonetheless Chapter 1497

Ivy cleared her throat. She ruffled Siena's head. "Don't listen to your Daddy. How could I be tired? Furthermore, taking care of you is the happiest and proudest thing I have ever done."

"Really? Mommy, you really like me that much?"

"Ido."

Siena laughed happily.

"Let's go. We'll head home." Ivy held Siena's hand and they walked under the sycamore tree.

"Mommy, has Daddy gone back?"

"Not yet," Ivy said, "Daddy said he wants to give US a surprise."

"Oh, that's great. I don't want Daddy to leave US."

"Why? Do you like Daddy?"

"I have slept for more than an hour. It's enough," Liam said flirtatiously, "I'm afraid if I sleep any longer, I won't be able to sleep at night, and I can't help but torture you again."

Ivy quickly glared at him. "shut up!" Then, she hinted at him with her eyes that Siena was still there.

Liam cleared his throat. He smiled and said, "Yes, Ma'am. I'll pay more attention in the future."

"The chefs are here, but dinner will be done only after a while. You two have some fruits first."

Liam said before turning around and heading to the kitchen. He served them freshly cut fruits.

"Come, Siena, wash your hands and have some fruits."

"Hmm." Siena went to wash her hands.

She sat on the sofa, enjoying the fruits while Ivy was enjoying looking at her. Liam placed a fruit close to her mouth. "Come, you have some too."

Ivy initially did not want to eat, but he was already feeding her, so she could only accept.

After having some fruits, there was some commotion coming from the door.

"I think the guests are here," Liam got up and said to Ivy, "but I think you two should be even more familiar with them than me."
