

Still Loving You Nonetheless Chapter 1505

Back in the bedroom on the second floor, Liam pulled Ivy into the bathroom to take a bath together.

Ivy allowed him to take off her clothes and pulled her to stand under the water.

Liam helped her take a bath and asked, "How is it? Is everything okay?"

"It's not bad." Ivy said, "I didn't expect your parents to welcome me so warmly."

Liam looked at her proudly, with the water still flowing down from his head. "Of course! You should thank the guy that has good taste. How can they dislike a girl of my choosing?"

Ivy smiled and said, "Okay, previously..."

"Don't mention the previous things, let them pass." Liam interrupted her.

Ivy was stunned for a moment, then nodded. "Okay, it's all over."

"Yes. From now on, there is only happiness." Liam lowered his head and whispered in her ear, and kissed her lips...

Meredith and Josiah listened in shock to Liam and Ivy's story, while watching the three children chasing and making trouble outside the floor-to-ceiling window.

Ivy coughed dryly, and said a little embarrassedly, "Can we not talk about the past? I'm embarrassed."

"V, I don't mean to blame you, I mainly blame Josiah, the idiot." Liam took her into his arms and comforted her.

Ivy said, "It's okay, I know what I've done. If I'm wrong, I'm wrong. I'll apologize to Joe and Meredith."

"Then let's go tonight. Our family of three will invite your family of four to dinner tonight," Liam said to Josiah and Meredith.

Meredith nodded in agreement. "Okay, let's have dinner together. There's no need to apologize. Everyone faces difficulty, and everyone gets into trouble. We really don't mind it."

Josiah nodded in agreement. "Yes, as long as everyone is happy. Let the past be the past."

"Okay." Ivy smiled helplessly.

Josiah looked at the children outside the floor-to-ceiling window and said, ' With the children, I think we would need a larger private room for our dinner."

"Yes, I didn't expect US to have such a lively time." Meredith sighed.

She and Ivy looked at each other, got up, and walked out the door.

Outside the door, the three children, Nia, Cooper, and Siena, were chasing a kite. Their pretty little faces were full of happy smiles.

The scene was as beautiful as a flower, a tree, and a sunset...
