

MRS. AND MR. SMITH

Chapter 70: I Hope You Cut Off The Loan!

70 Chapter 70: I Hope You Cut Off The Loan!

Mrs. Schultz looked somewhat bewildered at her surroundings, as if she hadn't quite grasped the situation.

"Mom, you're awake!" Seeing Mrs. Schultz awake, Jonathan's face was tear-streaked with excitement, and he cried uncontrollably!

Leonard quickly rushed over and embraced his wife!

"Honey, you're awake, that's great, that's fantastic..." This middle-aged man cried like a child in his teens at this moment.

Mrs. Schultz rubbed her forehead. She tried to move her limbs and exclaimed in surprise, "I...I don't seem to be in pain anymore..."

"Really?!" Leonard wiped his tears and quickly said, "Honey, let me help you get out of bed!"

"No need." Mrs. Schultz stopped him with her hand.

She got out of bed on her own.

Perhaps due to not having walked for a long time, Mrs. Schultz's steps were somewhat heavy.

Father and son of the Schultz family closely followed her, fearing that something might happen to her.

A few minutes later, Mrs. Schultz exclaimed, "I'm really cured, really!"

The family of three tightly embraced each other.

Looking at this reunion scene, Ethan Smith was also somewhat moved.

At this moment, Leonard remembered Ethan.

He hurriedly walked to Ethan and knelt down with a thump.

"Mr. Smith's immense kindness, I, Leonard Schultz, will never forget for the rest of my life!" Leonard said with an excited face.

"I was blind not to recognize Mt. Tai before, please forgive me." Jonathan also knelt down.

Ethan quickly helped them both up and laughed, "Mr. Schultz, there's no need to be so polite."

"Mr. Smith, thank you for saving my life." Mrs. Schultz also came forward and slightly bowed.

Ethan hurriedly returned the courtesy with a smile on his face.

"Mr. Smith, don't leave tonight, I'll cook myself, let's have a drink!" Leonard said with some excitement.

Ethan didn't want to dampen the mood, so he nodded and agreed.

Not far away, Matias Howe's face was extremely ugly. He simply couldn't believe that Ethan had actually cured Mrs. Schultz!

"Where did this kid come from..." Matias wondered in his heart.

At this point, Jonathan walked up to him and said coldly, "Give my money back and get lost."

Matias smiled awkwardly, "Mr. Tenny, even though I didn't cure the disease, you still used two bottles of my medicine, so this money..."

"Shut your f***ing mouth!" Jonathan roared!

"I'm already being nice not going after you." Jonathan said coldly.

With no other choice, Matias could only return the two million.

Nightfall.

Leonard and Jonathan cooked a table full of dishes themselves.

Leonard even took out his collection of fine wine from many years and drank with Ethan.

After three rounds of wine,

Leonard looked at Jonathan and said, "Bring out the prepared gift."

"Okay." Jonathan immediately nodded.

A few minutes later, Jonathan came back with a gift box in his hand.

Before even opening the gift box, Ethan smelled a strong fragrance of herbs.

"This is..." Ethan sniffed his nose hard, and couldn't help but get excited.

Leonard said, "Miss Taylor told me that you have a penchant for herbs. This is a Changbai Mountain Wild Ginseng given to me by a good friend a few years ago. I hope Mr. Smith will accept it with a smile."

Ethan quickly took the gift box and opened it. He sniffed hard.

A touch of excitement arose on his face!

This ginseng must be over thirty years old! It was almost the best herb Ethan had ever seen!

"Mr. Schultz, then I won't be polite!" Since Ethan needed herbs at the moment, he accepted it directly.

Leonard then laughed loudly, "How can a mere herb compare with my wife's life? Mr. Smith, if you need anything in the future, just let me know!"

This reminded Ethan.

He handed the herbs to Edward Green and then said solemnly, "Mr. Schultz, I have a favor to ask of you, actually."

"Mr. Smith, just let me know. As long as I can do it, I won't refuse!" Leonard patted his chest and said.

Ethan hesitated for a moment, a touch of cold flickering in his eyes.

Afterward, Ethan slowly said, "Has the Hill family recently taken out a loan from Chuzzle Bank?"

Leonard was taken aback and then nodded, "Indeed, Stephen Hill just applied for a 20 billion loan to my bank for a period of three years. I have agreed to it."

Ethan said coldly, "Mr. Schultz, I want you to cut off his loan, reject his application, and never approve a loan for the Hill family again!"
