Manager Russell lit a cigarette and looked at Jaiden Lee unhappily.

“Jaiden, it’s only because of your friend that I gave your cousin this opportunity,” Manager Russell said sarcastically.

“Yes, yes, Manager Russell, I understand,” Jaiden Lee hurriedly nodded and agreed.

Manager Russell continued, “But your cousin is really disrespectful, huh? Inviting her to dinner is so difficult!”

Hearing Manager Russell’s words, Ethan Smith couldn’t help but curse inwardly.

Even a fool could see through his intentions!

Jaiden Lee laughed awkwardly, “Manager Russell, my cousin is an honest girl. If you really want to have fun tonight, I can arrange something to make sure you’re satisfied...”

“Go to hell!” Hearing this, Manager Russell angrily threw his cigarette at Jaiden

Lee.

“What the hell are you talking about, Lee? Am I short on money or something?” Manager Russell said with a cold face.

Jaiden Lee stood there, feeling extremely awkward. Although he was angry, he didn’t dare to retaliate.

“Jaiden Lee, to be honest, I just want to have fun with your cousin! And I’m determined to do it!” Manager Russell sneered.

Ada Pauley’s face turned extremely ugly. She looked at Jaiden Lee with worry.

Ethan Smith glanced at Jaiden Lee, seemingly curious about his attitude.

Jaiden Lee stood there for a moment without speaking. He clenched his teeth and said, “Manager Russell, we don’t need this job then!”

Having said that, Jaiden Lee walked over to Ada Pauley and said, “Let’s go!” “Stop!” Manager Russell sneered.

“I’ve decided I want this woman! If you leave now, you’ll lose more than just your job, you’ll also offend me!” Manager Russell said with a threatening attitude.

Hearing this, Jaiden Lee’s face became even uglier.

As the manager of Chuzzle Bank, Manager Russell knew countless powerful businessmen.

If he wanted to target someone, it would be effortless!

“It’s not too late to regret it now,” Manager Russell said indifferently.

Jaiden Lee clenched his teeth. He took a deep breath and said, “Manager Russell, if you want to do anything, just come at me. It’s nothing to do with my cousin.”

Ethan Smith nodded inwardly.

It seemed that this Jaiden Lee was a decent person, at least not one to sell out his friends for personal gain.

“Let’s go,” Ada Pauley whispered to Ethan Smith.

But Ethan shook his head, grabbed Ada Pauley’s arm, and asked, “Do you really want this job?”

Ada Pauley forced a smile, “Of course, I’ve been studying hard for years, finally graduated with a master’s degree, but I didn’t expect to be humiliated like this while job hunting...”

Ethan Smith sighed inwardly.

It was because of people like Manager Russell that it was getting harder for young people.

Ethan Smith patted Ada Pauley on the shoulder and said, “Don’t worry, I’ll make sure you get your wish and join Chuzzle Bank.”

“Enough, stop bragging,” Jaiden Lee couldn’t help but snort.

“What kind of skills do you, an outsider, have?”

Ethan Smith didn’t explain. He walked towards Manager Russell and then sat down on his desk.

Manager Russell was shocked and then shouted angrily, “Are you looking for death? Get off my desk now!”

Ethan Smith stared at Manager Russell and said calmly, "Apologize to my friend now, then properly handle her employment procedures, and I won't hold this against you."

Hearing Ethan Smith's words, Manager Russell burst out laughing, "Where did this fool come from? Not holding it against me? Are you still half asleep?"

Ethan Smith sneered, "This is my last warning to you."

"I'll warn your mother!" Without a second thought, Manager Russell swung a punch at Ethan Smith!

Ethan Smith raised his hand, and with a "pa" sound, he grabbed Manager Russell's fist, immobilizing it!

"You... let go of me now, or I won't let you off!" Manager Russell said, somewhat panicked.

Ada Pauley and Jaiden Lee quickly rushed over.

"Ethan, let go and let's just leave, please?" Ada Pauley said anxiously.

Jaiden Lee also put on a smiling face and said, 'Manager Russell, my friend just came to Chuzzle, and he doesn't know the rules. Please... don't hold it against him...'

Hearing that Ethan Smith had just arrived in Chuzzle, Manager Russell became even more confident.

He cursed loudly, "Dare to act wildly with me? I tell you, I will never let you off!"

"From today, don't even think about surviving in Chuzzle!" Manager Russell snarled.

Ada Pauley and Jaiden Lee's hearts were immediately clouded by despair.

Jaiden Lee angrily said, "If you want to die, go die yourself! Why drag us down?"

Ethan Smith slowly released Manager Russell and then took out his phone, preparing to call Leonard Schultz.

But in Manager Russell's eyes, it seemed like Ethan Smith had gotten scared.

He immediately pointed at Ethan Smith's nose and scolded, "You're scared now? I tell you, it's too late! Even if you kneel down and beg me, I won't spare you!"

Ethan Smith ignored him. He took out his phone and just as he was about to call Leonard Schultz, Leonard Schultz called him first.

As soon as the call connected, Leonard Schultz said on the phone, “Mr. Smith,

I’m already in the office. When are you coming?”

Ethan Smith said in a deep voice, “Mr. Schultz, I’m in your manager’s office right now. He’s harassing my friend and threatening to kick me out of Chuzzle.”

Leonard Schultz paused on the other end, then hurriedly asked, “Mr. Smith, which manager’s office are you in?”

“Manager Russell,” Ethan Smith said.

“Okay, please wait. I’m coming right away,” Leonard Schultz hurriedly said..
