Hearing these two people speak, a sudden fury filled Jaiden Lee!

He quickly stood, angrily reprimanding, "Ashlee Pratt, I've already broken up with you, stop debasing yourself for no reason! Get lost!"

The woman known as Ashlee Pratt's face changed immediately, gritted teeth as she spoke, "Jaiden, dare you speak to me like that? Just you wait!" Upon finishing, Ashlee Pratt turned and stomped off.

Jaiden's face took on a harsh look, and he began to sober up rapidly. Ethan Smith casually asked, "Who was that?"

Jaiden replied with a bitter smile, "My ex-girlfriend. I found out she was cheating on me with some guy, so we broke up. I didn't expect to run into her today."

Hearing this, Ethan Smith couldn't help but feel a sense of resonance.

This predicament, wasn't it exactly the same as his?

Ethan Smith patted him on the shoulder, consoling, "You'll meet a much better girl in the future, so perfect that you will hardly believe such a girl exists."

These words were not only for Jaiden but also a reminder for Ethan Smith.

"Thanks, Mr. Smith." Jaiden grabbed his drink and gulped it down.

Ethan Smith said nothing, opting to observe the fight.

On stage, two burly men about one meter eighty tall and weighing around two hundred kilograms were fighting for life.

The feel of every punch striking flesh elevated the atmosphere to its peak.

Ethan Smith sipped his beer, appreciating the brawl underway.

"The skill level of these people is just not up to par." Edward Green couldn't help but shake his head.

Ethan Smith joked, "How long would it take if you stepped up there and fought them?"

Edward Green boasted, "If I can't knock them down within half a minute, consider it my loss."

Ethan Smith simply laughed, neither confirming nor denying.

Just at that moment.

Ashlee Pratt headed their way.

By her side was an extraordinarily muscular man.

This burly man's body seemed almost as big as a small mountain. Standing almost two full meters tall, he was extremely noticeable among the crowd!

Jaiden's face darkened upon seeing the burly man.

"Mr. Smith, we have to go now!" Jaiden grabbing Ethan's arm, he urged. Ethan shook his head, "I'm afraid it's too late now."

Of course, Ashlee Pratt came rushing over and grabbed Jaiden's arm.

"What's the matter? Trying to get away now? Scared?" Ashlee sneered.

Jaiden braved the situation, "Who... who's running? Am I not allowed to go to the restroom?"

"You just stay put!" Ashlee scoffed.

Meanwhile, the burly man had made his way to the table. He scanned the group and asked, "Ashlee, which one's your ex-boyfriend?" Ashlee pointed to Jaiden and answered, "Davis, it's him!"

"So you're this Jaiden Lee?", the man called Davis came to Jaiden's side.

Facing such a menacing figure, it was impossible not to fear.

Jaiden, with quivering lips, demanded, "Who... who are you? What do you want?"

"I'm Davis Brady. Didn't you cuss me out over the phone last time?" Davis sneered.

Upon hearing this, Jaiden's face contorted, and he angrily retorted, "So you're the one who slept with Ashlee last time?"

"Ha ha ha, correct, that'd be me!" Davis sneered.

With that, Davis Brady lifted his massive hand and slapped it down on Jaiden's shoulder, while sneering, "Last time you said you'd kill me. Well, now I'm right in front of you. Why are you shying away now?"

Jaiden's complexion faded, constant curses filling his mind.

How could he possibly stand a chance against such a colossal guy!

“Humph, look at Davis, now look at you. You’re just a loser!” Ashlee Pratt clung to Davis and cooed.

Jaiden gritted his teeth and chose to remain silent.

Seeing this, Ethan Smith’s face mirrored Jaiden’s.

This situation was dauntingly identical to his previous ordeal.

“Davis, stop wasting time talking to him. He insulted me earlier and defended that whore!!” Ashlee roared.

Davis laughed, “Babe, what do you want to do then?”

Ashlee Pratt gritted her teeth and spat, “I want him to lick my shoe soles! As for that whore, you can handle her, Davis.”

At her words, Davis gave a hearty laugh.

He glanced at Ada Pauley and wolfishly grinned, “This little lady doesn’t look that bad. I am just wondering whether she can handle me, Davis?”

Ada’s eyes flashed fear, but she worked up the courage to retort, “What are you trying to do?! I’ll call the cops!”

Davis was taken aback before he burst into laughter.

“The little lady has some fire in her, go ahead and call. Let’s see who’s faster,” Davis mocked.

“If you’ve got a problem, come at me!” Jaiden seemed ready to go all out. He threw a punch at Davis’s body.

With his strength, it was like tickling Davis.

Davis glanced at him and sneered, “Have you missed your meal?”

Jaiden’s face was taken aback, and he forced out a sentence: “If you dare, then kill me!”

Davis’s eyes squinted slyly and he smirked, “Alright, I’ll indulge you.”

Standing on the side, Ethan Smith’s face was icy cold. Glancing at Edward Green, he stated, “I really don’t like this couple.”

Edward Green nodded. He rolled his fists and said, “I understand, Mr. Smith..”
