Chapter 1601: Zhao Ying's Attitude

"Oh?" Yang Ming was surprised hearing Liu Weishan's words. "Godfather, can you contact this acupuncture master?"

"I have talked to him before during meetings. He is Guan Xuemin, the Dean of the Traditional Chinese Medicine College in the Medical and Medicine University," said Liu Weishan. "Little Guan is a good person. Hehe, he is like me, a person who likes to challenge themselves academically. He does not place much importance on money and power. Otherwise, with so many big hospitals trying to recruit him with high salaries, he would have left this place long ago."

"Guan Xuemin..." Yang Ming did not have any impression of this name. He did not know anything about the medical profession. "Godfather, can you help me contact Dean Guan. I will take Shen Yuxi to visit him."

"This is a trivial matter. Little Guan will give me face." Liu Weishan laughed. "If you are in a hurry, I'll call him. I already have his number. Come to think of it, Old Zhong would have already called him in advance."

"Then, I have to trouble godfather!" said Yang Ming quickly.

"You little kid, it's no trouble at all!" Liu Weishan shook his head with a smile and disconnected the phone.

.....

Yang Ming logged into QQ. During his time abroad, he did not log into QQ at all. It was not that he did not want to log in. It was just that the situation at that time was special. Later, there was the mission from the Supernatural Investigation Bureau. Yang Ming did not want to leave traces in foreign places.

"Didi Didi..." waves of message notifications flooded his computer.

Yang Ming opened each of them one by one, including those from Zhang Bing, Chen Mengyan, Zhao Ying, and Su Ya.

"Bro, we have returned home safely. So, rest assured! Contact me when you return." This was from Zhang Bing.

Yang Ming had texted Zhang Bing when he came back. So, there was no need to reply. Yang Ming closed the chat.

Chen Mengyan's message was also similar. Her messages also contained messages from Zhou Jiajia and Lin Zhiyun. But, it was virtually the same, all saying how they missed him Yang Ming had met them at noon today. So, there was no need to reply.

Su Ya's message was nothing more than telling Yang Ming how busy and exhausted she was. In fact, there was nothing important. Yang Ming replied with a few words of encouragement and an expression of love.

The last one left was Zhao Ying's message.

"Are you there? Really?"

"How come you are not here yet? The spring outing is this weekend. Can you come?"

"Contact me online!!!"

"You won't let me down, right? 😬!"

Yang Ming smiled bitterly. It seemed that Zhao Ying was anxious when she saw that he had not been online for a long time!

He quickly sent a response, "I'm here. I just returned home. Rest assured, I will definitely accompany you to your spring outing!"

Not long after, Zhao Ying replied, "You finally appeared. I thought you disappeared."

"Oh, of course, I must keep my promise to you! Tell me when and I'll be ready. I'm on standby!" Yang Ming replied.

"This weekend, at nine o'clock on Saturday morning. We will meet at the gate of Song Jiang Industry University. Those who have a car can drive on their own, and those without cars will take a bus!" said Zhao Ying. "Do you have a car?"

"Yes," Yang Ming replied.

"Then, can you come to pick me up? I live in Huashang District opposite the university!" said Zhao Ying.

"No problem. Is half-past eight okay?" asked Yang Ming.

"En, yes," Zhao Ying answered briefly.

"See you on Saturday at half-past eight then," said Yang Ming.

Zhao Ying's attitude confused Yang Ming a little. When Zhao Ying was looking for him before, she was a little awkward and not as forthright as this time. What happened?

Actually, the reason why Zhao Ying was so straightforward this time was that she had made up her mind! She could not grasp how she felt about the netizen "There's No True Love In This World". To say that she liked him, Zhao Ying found it hard to believe. How could I like a netizen?

But, to say that she did not like him was untrue as well. Otherwise, those words that Fan Jinzhe spoke in the elevator would not have made her so angry.

So, Zhao Ying also wanted to take this opportunity to determine her feelings! For a long time, Zhao Ying regarded "There's No True Love In This World" as an emotional substitute for Yang Ming.

Zhao Ying also understood that this was a distorted relationship and she knew that she should not act like this. But, she could not control her feelings. “There’s No True Love In This World” and Yang Ming were too similar in certain aspects. So, she could not free herself.

Zhao Ying had thoroughly thought about this spring outing. If she only regarded “There’s No True Love In This World” as an emotional substitute for Yang Ming, then when she met him in person, her feelings would instantly disperse like ashes in the wind!

Nevertheless, he was not Yang Ming at all. No matter how close the resemblance, it was not possible to replace Yang Ming. Things on the Internet were still illusory. When Zhao Ying actually met him, there would be many disparities between him and Yang Ming.

First of all, they would look different. Their habits and style of communication would also be different. Chatting online was just superficial. It was nothing compared to these.

Just the way he worded things resembled Yang Ming. Zhao Ying would never think of him as Yang Ming.

This was why Zhao Ying resolutely wanted to meet “There’s No True Love In This World” this time.

Of course, Yang Ming could not guess all these. If Yang Ming knew about Zhao Ying’s real thoughts, he certainly would not know whether to laugh or cry.

After talking to Zhao Ying, his Godfather Liu Weishan called again. Yang Ming answered the phone, “Godfather.”

“Yang Ming, I have already spoken to Little Guan. He is available tonight. You can bring Shen Yuxi to his house at around five o’clock in the evening! He should have just left work at that time!” said Liu Weishan. “He stays in the villa area of the family compound of the Medical and Medicine University. Before you enter, call his number, and let him know that you are my godson. His phone number is XXXXXXXXX— — ”

“Okay, godfather, I have written it down.” Yang Ming hurriedly created a document on the computer and recorded Guan Xuemin’s phone number.

“En, let’s do that first. Tell me what happens later tonight. I’m going to a meeting now,” said Liu Weishan.

“Okay, godfather.” Yang Ming hung up the phone and smiled wanly. He had just left Shen Yuxi’s house and now had to go back.

However, if Shen Yuxi’s injury could be cured, Yang Ming did not feel that it was any trouble.

Yang Ming sent a text message to Chen Mengyan to let her know that he had to deal with some matters related to Shen Yuxi and might be home late tonight. Chen Mengyan had also learned of Shen Yuxi’s matter and knew she was an employee of Yang Ming’s company.

Although she heard the rumor that Shen Yuxi was Yang Ming’s mistress, Chen Mengyan was not jealous. When she thought about it, she also understood that it was a rumor and not true.

Chapter 1602: A Second Visit

Moreover, considering Yang Ming's personality, if Shen Yuxi was really his woman, then Liu Zhaojun would not be just sent to prison. Chen Mengyan understood Yang Ming's personality very well. So, she was very cordial towards Shen Yuxi. She never said anything about Yang Ming visiting Shen Yuxi.

First of all, Yang Ming and Shen Yuxi had not interacted with each other previously. Secondly, Chen Mengyan would actually believe that there was something between Yang Ming and Jing Xiaolu rather than Yang Ming and Shen Yuxi... This was because these two people came from different social backgrounds and living environments. But Chen Mengyan was still worried that Yang Ming's sympathy and pity towards Shen Yuxi coupled with frequent visits would breed fondness.

Chen Mengyan could not bring up this worry yet. After all, Shen Yuxi was very pitiful. How could I prevent Yang Ming and Shen Yuxi interacting with each other just because of my little concern? It would make me seem narrow-minded. To be on guard against something that had not happened was not the demeanor of a woman who was understanding and tolerant.

Chen Mengyan only now understood how difficult it was to be the main lead of a harem. Before this, she used to feel that she was pretty good and was the absolute number one in Yang Ming's life. But now... Chen Mengyan was both mentally and physically exhausted. Although she was his genuine girlfriend, she could not ignore Lin Zhiyun and Zhou Jiajia's feelings. If she wanted to get along with them, then she must show the necessary magnanimity...and always ensure that she is not too pampered and proud in front of Yang Ming...It was really exhausting.

Chen Mengyan quickly replied to Yang Ming's message, telling him to pay attention to his safety when driving and to inform her if he could not come back for dinner at night.

Yang Ming could discern Chen Mengyan's tolerance and understanding just by looking at her. Chen Mengyan had really grown up, and was no longer the young and naive girl a year ago... While Yang Ming was very happy, he was a bit worried...He did not know why Chen Mengyan could accept Lin Zhiyun and Zhou Jiajia but could not accept Zhao Ying?

Is it because Zhao Ying was her former teacher? But now she is not! Everyone is classmates at this time...

However, these things were no longer important. Yang Ming was not completely confident about this upcoming trip to Yunnan. He was not sure whether he could come back alive, let alone being concerned about whether Chen Mengyan liked Zhao Ying or not. After he left, their conflict would be resolved naturally.

Yang Ming switched off his computer, then left the villa to drive to Shen Yuxi's house. But he unexpectedly met Wang Xiaoyan and Zhao Ying in front of the villa! He had just chatted with Zhao Ying on the Internet and now he met her here... But, Zhao Ying did not know she was talking to him...

"Yanyan, Sister Ying," Yang Ming greeted them with a smile.

"Sister Ying and I are going to school. Are you going too?" Wang Xiaoyan was at ease with Yang Ming, so she greeted him casually. But, Zhao Ying was a bit awkward.

She thought of the appointment she made with a netizen to accompany her to her spring outing. What would Yang Ming think if he comes to know about it? This thought made Zhao Ying regret doing it.

If Yang Ming knows that if I'm going to meet up with a netizen, he will definitely be very angry, right?

This thought made Zhao Ying's expression a little unnatural.

"Sister Ying, I heard that your Economics Department is organizing a spring outing this weekend?" asked Yang Ming, pretending to be casual.

"Ah..." Zhao Ying's heart was tight. Does Yang Ming know something already? Suddenly, her face turned red. "This... It seems like it..."

How did Yang Ming know that the Economics Department organized a spring tour? Oh, yes! Zhao Ying suddenly remembered. Isn't Chen Mengyan also a member of the Economics Department? This spring outing of the Economics Department includes not only postgraduates but also ordinary undergraduates.

Zhao Ying was a little worried when she realized this. What will happen if Yang Ming sees me there? For a while, Zhao Ying was engrossed in her worries about whether her decision was correct...

"Hehe...That's all right. I was just asking." Yang Ming smiled and nodded. "I'm not going to school. I have something else to do. You go ahead."

"That's okay. Pay attention to safety on the road. Come visit me tonight..." Wang Xiaoyan lowered her voice and whispered in Yang Ming's ear.

Of course, Yang Ming understood what Wang Xiaoyan meant. She wanted him to wait for Chen Mengyan and the others to fall asleep, then climb over the wall of the villa to look for her...Why does this sound like cheating? Yang Ming rubbed his nose, smiled faintly and nodded.

When Wang Xiaoyan said this, although her voice was low, Zhao Ying could still hear clearly from the side. But, Wang Xiaoyan did not shy away from Zhao Ying, as Zhao Ying understood her relationship with Yang Ming clearly. Zhao Ying also understood that if Wang Xiaoyan shied away, it would seem intentional instead.

Wang Xiaoyan had always been very cordial, but it made Zhao Ying a little awkward... Zhao Ying felt that maybe she was being a little too cautious? It would be good if she could be bold like Wang Xiaoyan.

Zhao Ying and Wang Xiaoyan walked to the school together. Yang Ming walked silently to the villa's garage. He had initially planned not to go out at night so he parked the car in the garage previously. Unexpectedly, he had to go out not long after coming back.

"Yanyan, why are you so bold? Saying things like that?" Zhao Ying waited for Yang Ming to go away before whispering to Wang Xiaoyan. Wang Xiaoyan's words to Yang Ming just now made Zhao Ying blush.

"Bold...?" Wang Xiaoyan smiled sweetly, but there was a hint of worry and anxiety present in her smile. "Perhaps, I may not have the chance even if I want to be bold in the future..."

Wang Xiaoyan was referring to Yang Ming's trip to Yunnan. Only she and Victoria knew about this. Zhao Ying was unaware as she had not been told. Wang Xiaoyan did not elaborate too much.

However, Zhao Ying thought that Wang Xiaoyan was talking about Chen Mengyan. Yang Ming would need to make a decision sooner or later. At that time, if Chen Mengyan did not welcome Wang Xiaoyan, then what Wang Xiaoyan said would become a reality.

Zhao Ying had misunderstood Wang Xiaoyan's real intention. She nodded, sighed and said nothing. The two then walked quickly towards the school...

Yang Ming drove to Shen Yuxi's home quickly. It was already three o'clock in the afternoon. He needed to pick up Shen Yuxi from her house and take her to Professor Guan's home. It would take about an hour. So, Yang Ming had to speed up.

Within a few hours, he was at Shen Yuxi's house again. Even Yang Ming himself felt that it was a bit uncanny.

He knocked on the door, and Mother Shen's voice came from the house, "Who's there?"

"Auntie, it's me, Yang Ming," Yang Ming said with a grin.

With a click, the door was opened. Mother Shen looked at Yang Ming with a surprised expression. "Mr. Yang, why are you back again?... Ugh, don't get me wrong. It's not that we don't welcome you. It's just unusual..."

Chapter 1603: A Little Awkward

Mother Shen was afraid that Yang Ming would have other thoughts. After all, her previous words could be misconstrued as not approving of Yang Ming's visit.

Therefore, she immediately started explaining as she was afraid that Yang Ming would misunderstand. Of course, Yang Ming would not misunderstand. Yang Ming was obviously clear about Mother Shen's attitude. She just desired her daughter's future happiness.

If Shen Yuxi's legs were not disabled, then even if Mother Shen was aiming for his family's background, there was no need for her to allow her daughter to seduce him this way. After all, Yang Ming already had a girlfriend. Mother Shen knew about this matter.

However, Mother Shen's attitude made it clear that she wanted her daughter to seduce Yang Ming. This was because she knew about how lonely and terrifying it was for Shen Yuxi to be bedridden without anyone to rely on.

My daughter is still young, so the situation is not that bleak. But what about when I am old? When her father and I are old, what should we do when we can't take care of her? Will the three of us be waiting for death in the room?

Hence, Mother Shen had to plan for the long-term. She started welcoming Yang Ming eagerly. She wanted the relationship between Yang Ming and her daughter to be taken to a new level.

Of course, Yang Ming would not despise her mother's selfishness. It was just human nature. Yang Ming could understand her parental feelings.

"Hehe, of course not, Auntie Shen. I can see that you always welcome me," Yang Ming smiled and explained to Mother Shen.

"Yeah, yeah!" Mother Shen nodded her head rapidly. "I want you to come here everyday! But, Mr. Yang, you must be busy with a lot of things to handle. How is it possible for you to come here every day? I am already very happy if you can come here at least once to twice a month."

"Ah, aunty. It's better that you call me Yang Ming. I have mentioned this many times. Don't call me Chairman Yang or Mr. Yang. I find it uncomfortable." Yang Ming felt helpless. He had to remind the people around him multiple times about how he would like to be called.

"How is that appropriate? You are the head of Little Xi's company..." said Mother Shen quickly.

"Then, if you call me that again, I won't come next time." Yang Ming really found it awkward. He and Shen Yuxi were the same age. If Mother Shen addressed him as Mr. Yang or Chairman Yang, then nobody would know about that fact.

"Well, then I will just call you Yang Ming..." Mother Shen immediately changed how she addressed Yang Ming once she heard his words.

Actually, she also wanted to be closer to Yang Ming. However, she was afraid to do so. Since Yang Ming had asked her to address him this way, there should be no problem.

"Auntie, is Yuxi still here?" Yang Ming changed the subject as he was unable to cope with Mother Shen's enthusiasm.

"Yes, yes. She is still in her room. You can go and look for her yourself," said Mother Shen.

"Auntie, the reason I came back so soon is because I have contacted a well-known doctor of Traditional Chinese medicine who is highly skilled in acupuncture and moxibustion [1]. He might be able to improve Yuxi's condition, so I want to take her to him. Is that okay?" Yang Ming had to seek Mother Shen's approval before doing so.

Why would Mother Shen think otherwise? She was extremely happy when she saw Yang Ming handling her daughter's matters meticulously. "Of course, it's okay. Thank you so much, Yang Ming!"

"Auntie, you are too polite." Yang Ming smiled. "I should be helping you with this matter. Okay, I will go in to see Yuxi and tell her about this."

"Okay, sure." Mother Shen nodded rapidly.

Yang Ming turned around and walked to Shen Yuxi's room. He initially wanted to push open the door and just enter the room straightaway. However, it was a bit inconvenient to do so as it was a girl's room. Hence, Yang Ming knocked on the door.

"Come in..." Naturally, Shen Yuxi did not expect Yang Ming to return here after leaving. She thought that it was her mother. *What happened to my mother today. Why did she knock on the door before entering the room?* However, she still responded.

Yang Ming opened the door and entered the room once he heard Shen Yuxi's voice. But, after entering the room, he was immediately stunned when he looked at Shen Yuxi... Shen Yuxi was not wearing anything on her lower part. Her legs were placed on the quilt, and were exposed...

Shen Yuxi was dumbfounded when she saw that the person entering the room was Yang Ming. She did not expect that Yang Ming would return so soon after leaving her house. Initially, she thought that it was her mother. Hence, she was not in the least bit concerned...

Her legs could not move. Naturally, Shen Yuxi did not want her legs to be left still on the bed for a long time and suffer bedsores. Hence, she would put her legs outside every day to catch the sunlight... However, she did not expect... At this moment, she had forgotten to scream out in surprise. She could not tuck her legs back in as she could not move her legs. She was at a loss while staring at Yang Ming stupidly.

Actually, Mother Shen knew that Shen Yuxi had this habit every afternoon. But, when she knew that Yang Ming was the visitor, she was so happy that she did not remind Shen Yuxi. There was no harm done since the ambiguous feelings between Yang Ming and her daughter would increase. Mother Shen definitely would not allow some other guy to break into her daughter's room like this.

"Ugh... sorry. I'll go out..." Yang Ming suddenly felt awkward... Although he could easily see these sorts of things with his special abilities, he never used it for this purpose. Hence his blood still boiled as he did not see such things frequently.

Although Yang Ming did not see clearly, this type of hazy feeling increased his heartbeat...

Shen Yuxi only started to react at this time. She quickly grabbed a towel and covered her lower body. Her face was blushing in embarrassment, "You don't have to go out...I...I...I am just afraid that my legs would suffer from bedsores so I expose it to sunlight every day."

"You don't need to explain. It was my fault." Yang Ming smiled bitterly. "Sorry, Yuxi."

Although Shen Yuxi looked like this now, she was still a pure young girl. Yang Ming felt somewhat guilty for seeing her like this.

"It's nothing, really..." Shen Yuxi did not really care about being seen by Yang Ming. She was a little embarrassed. If Yang Ming was interested in her, she would only be happier.

So, when Yang Ming became embarrassed after seeing her, Shen Yuxi was secretly a little delighted...

"Well, let's not talk about this..." Yang Ming was embarrassed and changed the topic. "Yuxi, I come back to look for you to tell you that my godfather helped me contact a doctor of Traditional Chinese Medicine who is highly proficient in acupuncture and moxibustion. His method of practice might be effective on your legs."

"Really?" Shen Yuxi had already lost hope for her legs. But, when she heard Yang Ming say this, she started to become a little hopeful. "Yang Ming, are you saying that my leg can be healed?"

"It is hard to predict if you will be able to stand up again. However, my godfather said that person is an expert in the field of acupuncture and moxibustion. So, I think that it should be at least possible to restore your sensation..." Yang Ming would not dare to make any guarantee. Naturally, he would not

talk with full confidence. Doing so would only make Shen Yuxi feel greater disappointment if her expectations were not met. However, he could not say that there was no hope at all. That, on the other hand, would diminish Shen Yuxi's confidence in the treatment.

Hence, Yang Ming just said that it should be possible to restore sensation to her legs. This would give Shen Yuxi confidence and make her look forward to it.

Chapter 1604: Shen Kuangniu

Of course, Shen Yuxi was very happy when she heard Yang Ming's words, "Being able to restore sensation to my legs already means there is hope! Yang Ming, thank you very much! I have troubled you with my matters..."

"Yuxi, don't say that. As long as you focus on the treatment, there will be a day when you can stand up again! That is the best way to thank me," said Yang Ming. "Yuxi, it's good as long as you have the confidence."

"En..." Shen Yuxi nodded her head. Her heart was already very happy when she heard Yang Ming say these words. Even if she had no confidence before, she now had it.

"I'll go out first. Go and change your clothes and then we will go to see Professor Guan for your workup." Yang Ming left Shen Yuxi's room after he finished talking. It was inappropriate for Yang Ming to be present while Shen Yuxi was changing clothes.

Since I saw it, then so be it. It was just an accident. But, standing inside someone else's room while they are changing is a different story altogether.

"En..." Shen Yuxi nodded her head as she seemed to recall the previous awkward situation.

Yang Ming left the room and saw Mother Shen sitting on the sofa in the living room. She was looking at Shen Yuxi's room with a gaze full of hope. She moved her gaze away once she saw Yang Ming come out of Shen Yuxi's room.

Yang Ming naturally understood Mother Shen's thoughts. However, he did not say anything but just gave a smile, "Aunty, Shen Yuxi is getting dressed. Please help her."

"Oh, okay..." As soon as Mother Shen heard Yang Ming's words, she quickly got up to help Shen Yuxi get dressed. However, she was a little disappointed in her heart. *Why didn't Yang Ming volunteer to help her get dressed?*

Yang Ming could only smile wryly and shake his head when he saw that Mother Shen did not close the bedroom door. He did not know whether she did it on purpose. Of course, Yang Ming would not peep inside the bedroom. Whether the door was closed or not would make no difference for Yang Ming if he wanted to peep into the bedroom.

But, Yang Ming was not a person who likes to peep at others.

After a while, Mother Shen's voice came from the room. "Yang Ming, Yuxi has finished changing her clothes..."

Yang Ming quickly walked back into the room. Just like he expected, Shen Yuxi was well-groomed and her hair was combed neatly and tied to the back. It was not draped and scattered as before.

She was still beautiful even without a trace of makeup applied on her face.

"Yuxi, let me carry you downstairs." There were no other men in Shen Yuxi's house. Father Shen had gone out to manage the vendor stall. Yang Ming would not allow Mother Shen to carry Shen Yuxi.

"En..." Shen Yuxi nodded shyly as excitement pounded in her heart.

The sweet fragrance of a young girl that emanated from Shen Yuxi's body and the softness of her chest made Yang Ming suddenly lose his focus. It was undeniable that Shen Yuxi was outstanding amongst most of the women Yang Ming had seen.

However, Yang Ming knew that this was not the time to be thinking about such matters. Forget about whether he was able to come back from his trip to Yunnan. Even if he did come back, the most important thing was for Shen Yuxi to be treated. It would be best to consider other matters at a later time.

Mother Shen had a smile on her face when she saw Yang Ming carrying her daughter downstairs. Actually, Mother Shen was quite strong. When Father Shen was not home, Mother Shen was the one carrying Shen Yuxi back and forth. But with Yang Ming around, Mother Shen would not boast about her ability.

I have to pretend that I have no strength even though I can carry her. Otherwise, I am afraid my daughter will hate me.

Mother Shen was naturally relieved when she handed Shen Yuxi over to Yang Ming. It was obvious that Yang Ming was a benevolent gentleman who would not take advantage of her daughter. *But, Yuxi would be happy too if he wanted something, right?* Mother Shen thought in her heart quietly.

Yang Ming put down Shen Yuxi in the front seat of the car. He closed the door for her and then got into the car... However, just as he was about to drive, a young man who looked as strong as an ox suddenly stood in front of the car.

Yang Ming was startled and immediately slammed the brakes. He then looked strangely at the man.

Shen Yuxi also cried out in surprise when she saw the man running over.

"Where are you taking my sister?" The guy standing in front of the car pointed at Yang Ming and asked loudly.

"Your sister?" Yang Ming froze.

"Kuangniu, what are you doing? He is taking me to see the doctor," Shen Yuxi explained to the guy in front of the car helplessly.

The man's name was Shen Kuangniu. He was Shen Yuxi's younger cousin. He had come to visit Shen Yuxi today. But, as soon as he went downstairs, he saw a man carrying his sister to a car and then getting in the driver's seat.

Hence, Shen Kuangniu was immediately anxious. He rushed forward without regard for his life. He knew about Shen Yuxi's past and how some men were drooling over her. He subconsciously thought that Yang Ming was also a man who planned to abduct his sister and do unmentionable things to her.

But, when he heard his sister's words, it seemed that it was like what he had expected. His sister did not seem to have been forced.

Regardless, Shen Kuangniu still did not dare lower his guard. *What should I do if this guy tricked my sister with flowery words? Furthermore, this guy's car looks like it must have cost a lot, right? It's a BMW. Although I don't know its specific price, I know that it is definitely not cheap.*

Logically, there should be no interaction between my sister and such a person. Also, he is taking my sister to see a doctor. This made Shen Kuangniu even more suspicious. *Does he have a hidden plan?*

Logically, my sister's legs are disabled. This person should not be pursuing my sister... But, a broken leg does not mean that her good looks have faded. Although she can not walk, my sister is still beautiful. So, Shen Kuangniu suspected that this luxury car driving young man might have lied to her about taking her to see a doctor. He might be planning to take her to other places and do something despicable to her.

I have to be cautious! Hence, Shen Kuangniu still blocked the car and looked at Yang Ming with suspicion. "Who are you? Where are you taking my sister to see a doctor?"

"This...He is my cousin Shen Kuangniu. He means no harm..." Shen Yuxi hurriedly revealed Shen Kuangniu's identity to Yang Ming as she was afraid that Yang Ming would burst out in anger.

"Oh, so he is your brother." Yang Ming laughed after listening. Shen Yuxi's brother appeared dedicated and responsible. It was normal that he cared about Shen Yuxi. It showed that his sibling relationship with her was very good.

"I am talking to you! Stop smiling mischievously. Do you believe that I won't wreck your car with one punch" Shen Kuangniu saw Yang Ming was not answering his questions. So, he raised his fist and threatened Yang Ming.

"First of all, I'm the boss of your sister's company. She is an employee of the company. It's normal for me to take her to see a doctor," Yang Ming explained with a smile. "Second, you asked about where I am taking your sister to see a doctor. I think it's fine for me to tell you. We're going to the courtyard of Medical and Medicine University to find Professor Guan Xuemin."

"Company boss?" Shen Kuangniu was distracted. He looked at Shen Yuxi confused, and saw her nod. So, Shen Kuangniu also accepted Yang Ming's words. Suddenly, he thought of the rumors he heard before about his sister being the lover of the company's boss...

Author notes:

I recommend two books to you. One is "Very Pure and Ambiguous: The Prequel", which is the prequel of this book. It is finished and you can read it easily.

Another is "Beauty and the Bodyguard". You can read this novel if you want to know what happened after Yang Ming's trip to Yunnan...

Chapter 1605: Stop Pretending

Even though Shen Kuangniu was still at school, he still visited the Nightless Club occasionally to accompany her during her night shift.

He had heard this rumor at the Nightless Club. He did not find it odd at the time. He thought that it was simply nonsense that the boss coveted his sister.

He even asked his sister later if there was such a thing. Although Shen Yuxi hoped that the rumors were true, she felt that it was not good to deceive her younger brother, so she just told him the truth.

Therefore, Shen Kuangniu was even more certain that the boss coveted his sister and made up this rumor to tarnish his sister's reputation to achieve his purpose.

Now, when he heard that Yang Ming was his sister's boss, Shen Kuangniu's heart suddenly tightened.

My sister's legs are paralyzed now. In fact, this matter has nothing to do with the company at all. It happened in the corridor of our apartment building. It is already good enough for the company to give standard workers compensation. There is no reason for him to keep involving himself in this matter.

What's more, it is the company's CEO himself that came to fetch my sister to see the doctor.

Shen Kuangniu was well aware that the Nightless Club was part of a grand enterprise. Aside from the Nightless Club, there were also many other companies owned by this enterprise. *Why would the boss of such a large enterprise group take my sister to see a doctor during his free time?*

If he doesn't harbor any intentions towards my sister, why is he doing these sorts of things? Is this boss running out of things to do?

"Are you the boss of the Nightless Club?" Shen Kuangniu still stopped in front of Yang Ming's car to prevent Yang Ming from leaving.

"You can say that." Yang Ming nodded. "It's one of my business."

So, he really is the big boss behind the scenes! Shen Kuangniu managed to guess Yang Ming's identity from these words. The original owner of Yang Ming's car, Song B88B88, was the boss of the Nightless Club, Bao Sanli. Later, after driving the car for a few days, he let his superior drive it. This was no secret. Even the security guards of the Nightless Club knew about it, so naturally, Shen Kuangniu would also know about it.

So, he could confirm Yang Ming's identity just from the car plate number.

"Why are you taking my sister to see a doctor? You are the boss of a big company. Have you run out of things to do? Even if my sister is an employee of your company, there is no need for you to do this, right?" Shen Kuangniu asked suspiciously.

Shen Kuangniu's question was very pointed but Yang Ming was not enraged. After all, Shen Kuangniu was just concerned about Shen Yuxi's safety. So, Yang Ming would not blame him. "Hehe, my personal relationship with your sister is also not bad."

Personal relationship? Shen Kuangniu was stunned momentarily. But then he saw his sister lower her head in embarrassment...*Is it this man who has a secret relationship with my sister?*

Shen Kuangniu recalled how Yang Ming carried his sister to the car. It seemed very intimate, but his sister did not say anything and just blushed out of shyness. So, Shen Kuangniu could not help but think more. *Could it be that the previous rumors were true and that my sister has an intimate relationship with him?*

Thinking of this possibility, Shen Kuangniu was relieved. If this man was in that type of relationship with his sister, he could be considered as a loyal man as he did not cast her aside after her accident and instead was taking her to see a doctor.

"Kuangniu, stop asking any more questions. Yang Ming means well." Shen Yuxi was afraid that her brother would pursue this matter relentlessly. Hence, she glared at him.

Shen Kuangniu was even more suspicious when he saw his sister's glare.

"Hehe, since you are Shen Yuxi's younger brother, then get in the car. Maybe you can help us out later." Yang Ming invited Shen Kuangniu to get in the car as well as he saw that Shen Kuangniu did not seem to trust him.

Shen Kuangniu heard Yang Ming's invitation and thought that it fit into his plan. If he followed them, he would then be able to see if Yang Ming's real intention was to take his sister to see the doctor. If it was true, he might be able to help out too.

"Alright then, don't mind me," said Shen Kuangniu. He got into the car and sat in the back seat.

Yang Ming smiled, then started the car and drove towards the Medical and Medicine University.

The car's atmosphere was initially quiet but Shen Yuxi took the initiative to break the silence.

"Shen Kuangniu is the child of my younger uncle's family. He is currently in grade 11 at Song Jiang No. 4 High School," Shen Yuxi introduced Shen Kuangniu to Yang Ming. "He often visits me at home to visit me now that he isn't too busy with his studies. Don't blame him. We have been close to each other since he was young. Part of my salary is used to pay for his school fees."

"Oh? Song Jiang No. 4 High School?" Yang Ming was slightly surprised and looked at Shen Kuangniu through the rearview mirror. "You are also from Song Jiang No. 4 High School too?"

"Yeah, I'm from Song Jiang No. 4 High School. What do you mean by too?" Shen Kuangniu was a little baffled.

"Hehe, I also graduated from Song Jiang No. 4 High School," said Yang Ming with a smile. "It has been almost a year since I graduated. By the way, my cousin is also at Song Jiang No. 4 High School. His name is Yang Xiaobo. Do you know him? He's also in grade 11."

"Yang Xiaobo? What? Are you Yang Xiaobo's brother?" Shen Kuangniu's eyes widened in disbelief. He exclaimed. "Are you... by any chance Yang Ming?"

"Kuangniu, you have to call him Brother Yang Ming. Don't simply call him by his name," Shen Yuxi glared at her brother and corrected him.

"You really are Yang Ming! I can't believe it! So, it turns out that you are the legendary character of Song Jiang No. 4 High School!" Shen Kuangniu ignored his sister's glare and continued to say excitedly, "Fighting, skipping school and pursuing the class belle. Your existence is simply legendary!"

"..." Yang Ming rolled his eyes. He initially thought that this guy was going to say something good but he did not expect him to say these things...Yang Ming suddenly broke into a sweat.

Shen Yuxi could not help but cover her mouth and giggle. She could not restrain her laughter and looked at Yang Ming, "I didn't expect that you would have such a glorious history."

In Shen Yuxi's mind, Yang Ming had always been a presence that was positive and uplifting. Whether it was rescuing her in the hotel or the series of matters that happened afterward, Shen Yuxi had a good impression of Yang Ming.

However, she never thought that Yang Ming would be like this when he was in high school.

"Who told you? Yang Xiaobo?" Yang Ming was speechless.

"Yeah, I'm pretty close with Yang Xiaobo! We are buddies! Absolute brothers!" Shen Kuangniu was dancing around excitedly and gesturing with joy. "The little hooligans at school were terrified when they heard your name. With Yang Xiaobo by my side, we are definitely the tyrants in the school!"

"I can see that. No wonder you dared to stop the car..." Yang Ming smiled indifferently. "But, what you mentioned isn't something to be proud of. In the future, don't mention this matter!"

"Hehe," Shen Kuangniu said abruptly. "Brother-in-law, you don't have to pretend anymore. In fact, I already knew about the relationship between you and my sister. In the future, I will call you brother-in-law. Just please don't cast my sister aside!"

"Hey!?" Yang Ming nearly crashed the car into a tree when he heard Shen Kuangniu's abrupt words. *What kind of logic is this?*

Shen Yuxi's face was also blushing. She frowned and chided her brother, "Kuangniu, stop talking nonsense! How could Yang Ming and I have this sort of relationship? Don't simply believe rumors!"

Chapter 1606: Meeting Guan Xuemin For The First Time

"I really don't understand both of you. Fine, I will stop mentioning it. But why do you both keep refusing to admit it!?" Shen Kuangniu's mouth twitched. "Sister, if he is not my brother-in-law, then why is such a big boss like him who is a legend in Song Jiang City taking you to see a doctor during his free time? If you are not his woman, why don't you resist him rather than allowing him to carry you?"

Yang Ming smiled bitterly. He did not expect Shen Kuangniu to be this talkative. His analysis was clear and logical.

"What do you kids know about such a thing? Yang Ming is a loyal person. What does it have to do with what you said?" Shen Yuxi berated her brother.

“Okay, I will stop mentioning this matter. Isn’t that enough?” Shen Kuangniu rolled his eyes. He then said, “Brother-in-law, your car looks good. Can I drive my girlfriend around for a ride in this car one day?”

“Kuangniu, what are you talking about?” Shen Yuxi exploded in rage. “You aren’t doing well in school and yet you already have a girlfriend at such a young age? Who is your girlfriend? I will go and look for her. In the past, I worked hard to pay for your school fees. Yet, you are doing just as you like in school?”

“...” Shen Kuangniu stuck his tongue out. He was caught up in his excitement and had inadvertently blurted out his secret. He had kept this secret from Shen Yuxi in the past but accidentally blurted it out as he considered Yang Ming as his brother-in-law.

“Why did you stop talking? What’s going on?” Shen Yuxi stared at Shen Kuangniu.

“Well, Yuxi, you can’t control this kind of thing. It’s better to let him take care of this matter himself,” Yang Ming smiled and said. “It is okay to do so as long as you put forth the condition that his grades are not affected.”

“Hehe, brother-in-law understands me best!” Shen Kuangniu was somewhat pleased. “I am in the top ten of my class. It is easy for me to get into Song Jiang Industry University!”

Shen Yuxi looked at Yang Ming helplessly but she also knew his advice made sense. It was easier to go with the flow for such a matter rather than enforcing restrictions. There would likely be an intense backlash if she tried to micromanage this matter.

The Medical and Medicine University was located in Songshan City. Songshan City was a second-tier city of average size that was nearby Song Jiang City. It was more prosperous than Song Jiang due to it being developed earlier.

It took an hour’s drive to arrive at Songshan City from Songjiang. There was no expressway between the two cities; only a national highway. Although Yang Ming drove quickly and rushed towards the destination, he only reached the family courtyard of Songshan’s Medical and Medicine University just as the clock was about to strike six o’clock.

The family courtyard had strict security procedures. However, Yang Ming’s car had a special pass. Once the security guard carefully checked the pass, he allowed Yang Ming to enter the premises. Yang Ming parked the car in front of a villa that matched the address provided by Liu Weishan.

“Kuangniu, please wait in the car with your sister for a while. I will go down and scout the area. You can carry your sister out afterward. Can you do this? Do you have the strength?” Yang Ming asked Shen Kuangniu.

“Brother-in-law, don’t you remember what my name is? Shen Kuangniu [1]. Can a mad bull be without strength? My sister is very light. Even if she is twice as heavy, I can still carry her!” boasted Shen Kuangniu.

“Oh, okay...” Yang Ming smiled, then got out of the car and walked to the front of the villa. He saw a man and a woman approaching the villa just as he was about to ring the doorbell. They were both in their twenties and seemed to be a couple.

"Huh? Are you..." The man saw Yang Ming at the door and was a bit puzzled. "Who are you looking for?"

"I'm looking for Professor Guan. Who are you?" Yang Ming guessed that this person was probably a resident of the villa. He should be Guan Xuemin's nephew.

"Oh, you are looking for my father," the man nodded. "Wait here for a while."

After he said that, he took out a key and opened the door of the villa. He then entered the villa and shouted inside, "Dad, someone is looking for you."

"Oh? Little Xiang, we have guests?" Guan Xuemin walked downstairs with a book in his hand, and saw Yang Ming standing at the door. He was stunned for a moment, then said, "You are, Elder Liu's..."

"Hi, Professor Guan. I am Yang Ming, Elder Liu's godson. My godfather informed you earlier about my visit to help my friend with her condition..." Yang Ming explained.

"I know. Elder Liu mentioned it." Guan Xuemin nodded. "Where is your friend? I will take a look at her condition."

"Wait for a while, Professor Guan. I'll bring her here immediately." Yang Ming looked at Guan Xuemin from top to bottom. He was middle-aged, about forty years old. His body was slightly larger, which was a typical body shape for people of Northeast China.

However, he was refined and had an academic demeanor. Guan Xuemin nodded and said, "Little Xiang, go and get some water for our guests. Then, go back to your room and do whatever you want."

"Alright, dad." The young man named Little Xiang nodded. He was about to pour water but the girl beside him interrupted, "Let me do it."

Yang Ming left the villa and gestured to Shen Kuangniu. Shen Kuangniu saw the gesture and carried Shen Yuxi out of the car and into the villa. Guan Xuemin asked him to place Shen Yuxi inside the guest room next to the living room on the first floor.

Inside the room were a bed, a desk and a sofa. Guan Xuemin asked Shen Kuangniu to put Shen Yuxi on the bed and then motioned Yang Ming and Shen Kuangniu to sit on the sofa and wait for him.

At this time, Little Xiang's girlfriend came in with a few cups of tea. She gave both Yang Ming and Shen Kuangniu a cup. As for the remaining two cups, one was given to Guan Xuemin. The other cup was set aside seemingly for Shen Yuxi.

"Uncle, shall I go out first?" The girl asked Guan Xuemin for instructions.

Guan Xuemin nodded, "Close the door."

Upon hearing his instructions, the girl walked out respectfully and closed the door behind her.

Guan Xuemin then proceeded to assess Shen Yuxi. He pricked Shen Yuxi's leg with several sterilized silver needles then asked Shen Yuxi if she felt anything.

When he saw Shen Yuxi repeatedly shaking her head, Guan Xuemin was a little disappointed. He sighed, "This seems to be a serious case!"

Even though Yang Ming did not originally have much hope that Guan Xuemin could cure Shen Yuxi, he still could not help but feel a little down when he heard Guan Xuemin's words. "Professor Guan, are you saying that there is no hope at all?"

"There will always be hope." Guan Xuemin did not mention anything about the situation being hopeless. "However, enabling her to regain sensation in her legs will stretch the limits of my abilities..."

"I am already grateful for such a possibility!" Yang Ming also knew that this matter would take time.

"Oh, Maybe, there will be a miracle," said Guan Xuemin.

"I hope so," Yang Ming nodded. "Professor Guan, thank you!"

"Oh, you are Elder Liu's godson. Why the need to thank me? I have a close relationship with Elder Liu! In fact, I admire him!" said Guan Xuemin. "Don't worry, I will do my best!"

"Then, thank you, Professor Guan. As for the consultation fee..." Yang Ming naturally felt that it was inappropriate not to pay any money. Although Guan Xuemin did not mention it, he could not just let it be!

"No need to mention money, Yang Ming. I am just helping out an old friend. I will be angry if you insist on doing so!" Guan Xuemin did not care much about things like money. So, he straightened his face and started to look serious.

Chapter 1607: Mengyan is Also Joining the Spring Outing?

Shen Yuxi's legs could indeed be healed by acupuncture. But the main problem was that Guan Xuemin's present level of skill was not sufficient to heal her.

Guan Xuemin was also very frank, "I was only able to make some achievements in acupuncture at that time since I was under the guidance of an expert. If that expert comes in person, there is a hundred percent probability that he can heal Shen Yuxi's condition. He is much better than me!"

"This expert is..." Yang Ming asked a little eagerly.

"This expert is very secretive. He has never made a name for himself in the medical world. After making a lot of inquiries, his name should be Lin Dongfang, the Divine Doctor Lin Dongfang!" Guan Xuemin spoke with regret. "My current medical techniques are all due to his advice. I am called the "Leading Scholar of Traditional Chinese Medicine" because of my knowledge of medicinal techniques. If this expert comes in person, won't his ability be on another level?"

"Lin Dongfang... [1]" Yang Ming said the name silently. "Regardless, thank you very much, Elder Guan!"

"Hehe, you're welcome." Guan Xuemin sighed. "If you manage to meet Divine Doctor Lin Dongfang in the future, I will need your help so that I can meet him again. I really want to meet him again. Even if we have nothing to say, I really want to meet him one more time..."

"If this happens, I will be happy to help," Yang Ming nodded and responded to Guan Xuemin's request.

"Well, Shen Yuxi shall live here for a while. It will be more convenient for her to receive treatment. I will do acupuncture on her three times a day. It should have an effect," said Guan Xuemin.

"But...there are a lot of daily tasks that are inconvenient for Yuxi... I'm afraid that she..." Yang Ming implying that when Shen Yuxi wanted to eat or when she needed to go to the toilet, Guan Xuemin would not be able to help her.

"Hehe, it's okay. Nanny Liu stays here," Guan Xuemin laughed. "Nanny Liu is the nanny of our home. She is not at home now. She went out to buy groceries. It will be fine with her taking care of Yuxi!"

Since Guan Xuemin suggested so, Yang Ming stopped being too courteous. After discussing with Shen Yuxi, he left her at Guan Xuemin's house. Yang Ming returned to Song Jiang with Shen Kuangniu.

On the way back, Shen Kuangniu was a little worried. "Brother-in-law, won't my sister be lonely if she is staying there alone?"

"I will visit her often but if you have time, you accompany your sister as well." It was not a problem for now as Yang Ming was able to visit Shen Yuxi during this time. However, Yang Ming was worried about Shen Yuxi's matter after he left for Yunnan.

"Relax, brother-in-law! She is my sister. Of course, I will come and visit her!" Shen Kuangniu nodded.

...

It was Friday night. Yang Ming was about to go online and contact Zhao Ying again but he saw Chen Mengyan packing. He asked her, puzzled, "Mengyan, what are you doing?"

"I am packing the stuff that I need to bring tomorrow!" said Chen Mengyan.

"The stuff that you need to bring tomorrow? What are you doing tomorrow?" Yang Ming was slightly stunned. Is Chen Mengyan going out tomorrow too?

"The Economics Department organized a spring outing which starts tomorrow. I am the chairman of the student committee of the Economics Department. Of course, I have to go, so I need to pack." Chen Mengyan then said with some regrets, "But, they don't allow family and friends to participate. Otherwise, I would bring you, Jiajia and the others along too..."

"You? Tomorrow is the spring outing?" Yang Ming's eyes widened and knew in his heart this would be disastrous. He thought that the participants of the spring tour tomorrow would only be the postgraduates in the Economics Department. He did not expect that the undergraduates would also be going too!

"Yeah, only Sister Lin and I can go..." said Chen Mengyan. "The postgraduates are allowed to bring their families and friends. However, it can't be helped. Why do we have to be undergraduates?"

"Well...how will you leave tomorrow?" Yang Ming groaned silently in his heart.

"Well, at first, I thought of driving there by myself. However, I am the chairman of the student committee. It will be inappropriate for me to drive there by myself. I can only take the bus with everyone," said Chen Mengyan. "But, it's okay. The bus is also very comfortable. And we aren't going to be traveling very far. We are going to the Haishang Mingyue Resort in Donghai!"

Haishang Mingyue Resort? Why is this name so familiar?

Yang Ming thought about it for a while. He had seen an advertisement about this resort on television before. It was a resort near the coast. There were rockeries, sand beaches and a sea nearby which attracted many tourists to the resort...

That's it! Yang Ming suddenly remembered that this was the hotel resort invested in by Zhou Jiajia's mother and Sun Jie!

But now, the one in charge should be Tian Donghua. Yang Ming smiled wryly. He hadn't even been there once. He did not know what the resort looked like! Ever since Father Zhou quit his job as a butler and came back, Mother Zhou had been traveling around the world with him and let Tian Dinghua manage her business.

At this time, both of them were on Island X. It seemed that they meant to settle down over there. Father Zhou had the experience of being a butler and being a butler in Island X was more than enough to meet their needs! It seems that they also understood that money was nothing more than a figure to Yang Ming. Their daughter would not run out of money if she was with Yang Ming. So, what was the point in continuing to manage their businesses? It was better to let it go early and enjoy life!

"Isn't that Jiajia's family resort?" Yang Ming asked.

"En? I think so?" Chen Mengyan also remembered that this seemed to be Zhou Jiajia's family resort. "Isn't that the resort opened by Auntie Hua and Sister Sun Jie?"

Of course, Chen Mengyan knew Sun Jie. Sun Jie was the one who solved the problem faced by the company last time. So, Sun Jie was not unfamiliar to her. Chen Mengyan really admired this successful business woman. Lin Zhiyun admired her even more. She even contacted Sun Jie privately and learned from her experiences.

Hence, during this trip to the Haishang Mingyue Resort in Donghai, Lin Zhiyun had also planned to visit Sister Sun Jie.

Of course, Chen Mengyan did not know about the relationship between Sun Jie and Yang Ming. If she knew about it, she would never visit Sun Jie with Lin Zhiyun.

"En, it should be." Yang Ming pretended to inadvertently ask, "By the way, Mengyan. Are the postgraduates going to the same resort as you?"

"Yeah, what's wrong?" Chen Mengyan nodded.

"It's nothing. I am just asking," said Yang Ming. "A lot of postgraduates are people who are employed in society. With such a huge age gap, it will be hard for them to have fun together with you and the other undergraduates."

"Oh, they won't be staying in the same building as us. I think they will be in their own building?" said Chen Mengyan.

"If that's the case..." Yang Ming breathed a sigh of relief. If the situation was exactly as Chen Mengyan said, then it was still okay. Otherwise, wouldn't he and Zhao Ying be facing Chen Mengyan and Lin Zhiyun directly?

However, even so, Yang Ming had to slightly change his plan. He could never allow Chen Mengyan to run into him and Zhao Ying. Otherwise, a conflict would arise in his home before his departure. He would not be at ease when he left for his trip.

“Mengyan, I’ll go upstairs first. Call me later when you are done. I will be sleeping in your room tonight...” said Yang Ming.

“En...” Chen Mengyan’s face turned red and she naturally knew what Yang Ming meant...

Chapter 1608: A Sleepless Night

This night was destined to be a sleepless one for Yang Ming. Yang Ming did not expect that making his intentions known to Zhao Ying to leave a beautiful impression before he left would be so difficult!

There were also problems with this spring outing. Undergraduates partnering up with postgraduates? Yang Ming smiled wryly.

Yang Ming switched on the computer and quickly logged in to QQ. He found “Wild Female Teacher”, and messaged: “Are you there?”

Wild Female Teacher: “I am here. What’s wrong? Is there anything?”

There’s No True Love In This World: “Nothing. What are you doing?”

Wild Female Teacher: “I’m packing things for tomorrow. What about you?”

There’s No True Love In This World: “Me too. I am packing my luggage for tomorrow...”

Wild Female Teacher: “Speaking of which, I was just about to text you. Will you wait for me at the school gate tomorrow?”

There’s No True Love In This World: “No, just give me your address. I will go straight there.”

How could Yang Ming dare to wait for Zhao Ying at the school gate? Wouldn’t that be waiting to be discovered by Chen Mengyan?

Wild Female Teacher: “What’s wrong? Is there a problem with meeting at the school gate?”

Zhao Ying felt a little strange. She did not want to let a netizen know her home address. After all, this was her real information and was best kept private. Zhao Ying also intended to show her true intentions to “There’s No True Love In This World” tomorrow. She thought that she would not have any feelings for him after they meet up tomorrow.

There’s No True Love In This World: “There may be acquaintances that I know at the door of the school, which will not be very good.”

Yang Ming said ambiguously.

Wild Female Teacher: “Well then, how about you wait for me at the entrance to Huashang District?”

Zhao Ying gave a vague address. Huashang District was very large. Even if she told him this, he would not be able to find her specific location.

There's No True Love In This World: "Please be specific. My car can't just stop right at the Huashang District's entrance, right?"

Wild Female Teacher: "Well, then wait for me near Building Sixteen in Area A..."

Zhao Ying felt helpless. Why does this person ask in such detail?

There's No True Love In This World: "Okay, Building Sixteen in Area A it is then. I will wait for you there tomorrow morning!"

Yang Ming chuckled. Zhao Ying was quite cautious. She stayed at Building Eighteen in Area A, not Building Sixteen. It seemed that she was being cautious.

Wild Female Teacher: "That's great. By the way, I have finished packing. Do you have time now? Play 'Landlord' with me for a while!"

Zhao Ying felt a bit melancholic. If what she anticipated was true, she definitely would not be as carefree without any doubts or misgivings as she was now when she met "There's No True Love In This World" the next day.

The netizens who she had not met were different from those she had met. Now, he could call her "wife" without her refuting. Moreover, he was very similar to Yang Ming, really similar!

She could imagine him as Yang Ming now, but once they meet, she might find that he was completely different. By then, she would never harbor any ideas about him again. Even when she returned to the Internet, he would not be treated as Yang Ming again!

Even though they worded things similarly, it did not mean that everything else would be similar. Thus, when they returned to the internet, both of them might not be estranged like strangers but they certainly would not be as intimate as they were now. At most, both of them could only be ordinary friends!

So, when she thought of this, Zhao Ying felt a bit melancholic. After all, during these days, "There's No True Love In This World" had been accompanying her in her own world. She was thinking that it would not be so in the future...

Zhao Ying could only get him to play "Landlord" again as a final commemoration...

There's No True Love In This World: "Okay, where? You pick the room."

Yang Ming did not have this presumption, because he knew that after they met up, both of them would only be more intimate on the Internet. They could literally say the words that they could not say beforehand after they met up...

Wild Female Teacher: "Server three, Room four, table seventy-two."

There's No True Love In This World: "Coming."

He entered the room, and soon, in came a stupid player called “The one I beat is you”, who was about to lose everything in a while...

En? Yang Ming was taken aback for a while, but the name sounded quite awesome. Yang Ming would play for a while. If Yang Ming lost, then he would know if this person was really whom he suspected!

Wild Female Teacher: “I’m going to call for a card first. Please cooperate!”

There’s No True Love In This World: “No problem...”

Wild Female Teacher: “Why does that “The one I beat is you” want to play a card?”

Zhao Ying did not expect that the later player would be so quick that they actually bid first.

There’s No True Love In This World: “Who knows? He thinks that just because he has a powerful name, he is so powerful?”

Wild Female Teacher: “... We will play and see first. I will send you a screenshot of my card.”

There’s No True Love In This World: “Your card is so bad? Mine is not good either...”

Yang Ming also sent a screenshot of his card to Zhao Ying.

Wild Female Teacher: “Yours is so bad...”

Zhao Ying made a crying expression. Unexpectedly, both of them who cheated together would fumble sometimes.

Although the two of them were cheating with their cards, they did not expect that the “The one I beat is you” held very good cards. The player won quickly. Not only did the player win, but they also made an annoying remark: “I specifically beat cheaters. The one I beat is you!”

The player then left the room. This made Zhao Ying very angry. This player left after playing one game? This player left after winning. Isn’t this irritating?

Especially the player’s last remark. It was obvious the player knew that Yang Ming and Zhao Ying had cheated. That was what the remark was referring to.

Wild Female Teacher: “I’m so mad. I am not playing anymore!”

There’s No True Love In This World: “That guy obviously meant to annoy us...”

Yang Ming had never seen someone like this before. They left after playing and winning a single game.

Wild Female Teacher: “Yeah, I’m going to sleep! See you tomorrow morning!”

Zhao Ying had wanted to make this last memory a good one. The night where she cooperates with “There’s No True Love In This World” to win against all odds. However, “The one I beat is you” had spoiled the fun and left her in a bad mood.

There’s No True Love In This World: “Well then, see you tomorrow morning...”

Yang Ming did not know that Zhao Ying was so disappointed and angry. If he knew, he would definitely get Zhou Jiajia to hack the computer of “The one I beat is you”.

Yang Ming switched off the computer. He reckoned that Chen Mengyan was almost done, and walked to her room...

Early the next morning, Chen Mengyan and Lin Zhiyun went to the school gate to assemble while Zhou Jijia was still busy with Xiao Qing's project. She usually had little time to return home. When she did return, she would leave in a hurry the next morning.

Yang Ming waited for the three of them to leave, then went to the garage to pick up the car. After some thought, he didn't dare to drive his BMWX5. The brand was too obvious. If he parked downstairs at the resort and was noticed by Chen Mengyan and Lin Zhiyun, wouldn't that be looking for trouble?

With this thought, he quickly called Little Wang and asked him to drive to Building Sixteen, Area A of Huashang District and wait for him.

Yang Ming did not look for Wang Lin for a while. Wang Lin was very happy after receiving the call, and quickly drove to the Huashang District where Yang Ming was. He was just a little baffled. Why would Yang Ming ask him to drive to the Building Sixteen, Area A instead of the villa area?

Chapter 1609: You Were Yang Ming All Along?

However, as a driver, Little Wang naturally knew his responsibilities. He knew what he could and could not ask! How could he question the destination designated by his boss?

Little Wang went to the company to pick up the car first. Ever since Yang Ming had seen him drive the company car to take his girlfriend to the class reunion previously, Little Wang had observed the rules more. He stopped using the car for personal matters. Although Yang Ming did not explicitly prohibit it, Little Wang still had to restrain himself. Fortunately, his girlfriend Little Ran was understanding. She knew that his job and position were hard-won and did not trouble him.

Little Wang parked the car near Building Sixteen, Area A. He then called Yang Ming's phone. It did not take long before he saw Yang Ming running over wearing a pair of sunglasses, a peaked cap, and a mask covering his mouth. If not for Little Wang being very focused while waiting for Yang Ming, he would not have recognized the person in front of him as Yang Ming!

Yang Ming pulled the car door open and quickly got in.

Why is the boss dressed like a private detective today?

"Little Wang, you will accompany me to Donghai for the next two days. Is that okay?" Yang Ming asked.

"No problem, Brother Yang." Although Little Wang did have a lot of work, his priority was to accompany Yang Ming. Naturally, he had no objections wherever Yang Ming wanted him to go.

Yang Ming nodded, "Don't simply talk about nor tell anyone about what you see today."

Yang Ming exhorted Little Wang.

"Brother Yang, I know what I should do." Little Wang knew how a qualified driver should behave. In one ear and out the other [1]. He should also pretend that his eyes saw nothing.

Yang Ming was satisfied with Little Wang's straightforward answer. So, he did not say anything more and sent a QQ message to Zhao Ying, telling her that he had arrived.

Zhao Ying replied quickly, "Why do you still use QQ to send messages? I already told you my mobile number. You don't know how to use text messages?"

Yang Ming smiled faintly. *If I texted directly from my mobile phone, wouldn't Zhao Ying recognize that it's me immediately?*

After waiting for a while, Yang Ming saw a brightly-dressed girl walking over while looking around. Apparently, she was looking for something...

Ha... Yang Ming never expected that Zhao Ying could dress up so brightly. Zhao Ying wore an off-white windbreaker with a pair of dark blue jeans and a big travel bag on her shoulder. She looked just like a young woman about to travel.

"*Didi...*" Yang Ming pressed the car horn twice and surprised Zhao Ying who then looked towards the car. She saw a black Audi A8L that was parked a little in front of her.

Zhao Ying was a little stunned, and immediately thought that this might be the car of her netizen friend, "There's No True Love In This World". However, judging from her interaction with him, "There's No True Love In This World" should be a student. *How could he afford to buy the Audi A8? This car is not cheap.* Although Zhao Ying did not drive, she still understood car prices from online advertisements.

Although Zhao Ying was skeptical, she still walked to the Audi A8 because she realized that there were no other cars nearby Building Sixteen except for this one...*Is this really the one?*

As Zhao Ying approached, the door of the Audi A8 suddenly opened. Zhao Ying was scared by it and unconsciously stepped back.

Yang Ming jumped down from the front seat of the car, "Are you Wild Female Teacher?"

Zhao Ying was slightly stunned when she saw Yang Ming's appearance. *What kind of person is this? He is covered from top to bottom like the master detective 008. Is this person really the netizen "There's No True Love In This World" who I am supposed to meet up with?*

However, his voice is somewhat familiar. Also, his body also seems somewhat familiar?

Zhao Ying asked absently, "Are you There's No True Love In This World?"

"That's me!" Yang Ming nodded. He then opened the rear door of the Audi A8, "Please get in..."

"You..." Zhao Ying felt a little weird. *Why is this man covering himself like this? It isn't cold today, is it?*

However, since this person confirmed himself to be "There's No True Love In This World", Zhao Ying got in the car... but she was still a little puzzled. After getting in the car, she asked, "Why are you dressed like this?"

"You will get your answer in a moment..." Yang Ming smiled wryly. "I didn't expect Wild Female Teacher to actually be you... Although I had a hunch for a long time, I still didn't know for sure. But now that it's right in front of my eyes..."

Yang Ming had deceived Zhao Ying this time but he did not dare to tell the truth straightaway. He feared that Zhao Ying would think that he was playing with her all the time. So, Yang Ming used a hunch as a reason.

“En?” Zhao Ying felt somewhat inexplicable. Indeed, “There’s No True Love In This World” has said something inexplicable. What does he mean by this?

“Little Wang, drive now. Park the car at the entrance of Song Jiang Industry University. Don’t get too close!” Yang Ming instructed Little Wang. Although Chen Mengyan and Lin Zhiyun had not seen this car, Yang Ming knew that it was better to be careful. After all, it was always better to be cautious.

“What do you mean by what you said just now?” Zhao Ying saw that “There’s No True Love In This World” did not answer her question, so she asked again, “What do you mean that you did not expect “Wild Female Teacher” to be me? Do you already know me?”

The more Zhao Ying listened to this netizen’s voice, the more familiar it seemed. Apart from feeling strange, the doubts and suspicions in her heart were increasing...

“Sister Ying...” Yang Ming somewhat helplessly took off the mask and sunglasses...

“You...you are...Yang Ming?” Zhao Ying’s eyes widened and she looked at Yang Ming in disbelief. *How could it be Yang Ming?* She just felt that this person was somewhat familiar, but she did not expect him to be Yang Ming!

As Zhao Ying never even thought in that direction, she never even contemplated that her netizen friend “There’s No True Love In This World” was Yang Ming! However, reality was right in front of her eyes. This person was indeed Yang Ming.

“It’s me...but let me introduce myself again. “Wild Female Teacher”, I’m “There’s No True Love In This World”...” Yang Ming smiled wryly and stretched out his hand.

“You... you were Yang Ming all along?” Zhao Ying was incoherent.

“I was Yang Ming all the while, and I am Yang Ming from birth...” Yang Ming did not know whether he should cry or laugh.

“Ugh...” Zhao Ying also found that her question was phrased incorrectly and felt somewhat embarrassed. “I mean...You...Have you used this QQ number before?”

“Yeah, I am still using it.” Yang Ming nodded. “I have been using it since high school.”

“Then, why did you add me? I remember it was you who added my QQ...You didn’t know that this person was me?” Zhao Ying felt a little strange. Was Yang Ming lying to her? Yang Ming added this number himself. If Yang Ming did not know her identity, then he added her randomly? How was it possible for such a coincidence to exist in the world?

“Your QQ number is only one number different to Chen Mengyan’s...” Yang Ming smiled bitterly. “Chen Mengyan’s QQ is XXXXXXX2, and yours is XXXXXXX22...There’s an extra 2...”

Chapter 1610: Showdown With Zhao Ying

"Ah? Just a one number difference?" Zhao Ying suddenly remembered that she did have Chen Mengyan's QQ number and it was indeed different by only one number. Zhao Ying was baffled that such coincidences could occur in the world.

"Yeah," Yang Ming smiled wryly. "At that time, I thought you were Chen Mengyan but later I found out that I added the wrong person. I have been chatting with this account up until now... Later on, I guessed who you were but I didn't dare to confirm it. Actually, my main fear was that if I confirmed it was you, you would stop chatting with me. That's why I only brought this matter up when we met just now."

Zhao Ying was a little infuriated but at the same time, she was helpless. Yang Ming's reasoning was actually believable. Zhao Ying would not believe him if he said that he could not identify her at all. However, Yang Ming admitted that he guessed her identity which made Zhao Ying lose her inclination to be angry.

Zhao Ying felt a little ashamed about this matter. Her behavior on the Internet indicated that she had accepted her online lover "There's No True Love In This World". She addressed him as "Dear", and allowed him to call her "Wife".

This made Zhao Ying feel that she had betrayed Yang Ming! Although both of them were the same person, the main issue was that she did not know about this beforehand! Would Yang Ming have misunderstood her to be a fickle woman? She obviously liked Yang Ming but how could she be maintaining a relationship with a netizen at the same time?

Zhao Ying felt a little wronged. She had no intention of mixing both the Internet world and the real world. Her main purpose today was to have a showdown with "There's No True Love In This World". However, unexpectedly, before the showdown even began, she discovered that the person she wanted to showdown with was Yang Ming. How could she have the showdown now?

When she thought of this, Zhao Ying lowered her head and remained quiet. She was slightly annoyed, but she mainly felt completely at a loss. She did not know what she needed to do to face Yang Ming. This matter had completely perplexed her.

When he saw Zhao Ying keeping quiet, Yang Ming immediately asked cautiously, "Sister Ying, what's wrong with you?"

"It's nothing..." Zhao Ying shook her head.

"Nothing?" Of course, Yang Ming knew that Zhao Ying was not fine. Rather, she found it hard to accept this change from netizen to reality at this time.

Yang Ming sighed. If his trip to Yunnan was not imminent, he would not be so anxious to meet up with Zhao Ying. At least, he would have given her some time to accept the situation.

However, time waits for no one. Liu Yezi had called yesterday and informed him that he was ready to go. But there were still a lot of unfinished matters on Yang Ming's side. It gave him a headache.

"It's okay!" Zhao Ying turned her head and ignored Yang Ming.

"Sister Ying, are you angry?" Yang Ming asked with a grin. At this moment, he had no other choice but to act thick-skinned. With his thick-skinned personality, he could handle anything.

"..." Zhao Ying did not speak.

"Sister Ying?" Yang Ming continued to call her.

"..." Zhao Ying still did not respond.

"Sister Ying, actually...Well, let me tell you the truth." Yang Ming sighed helplessly. He had really run out of time to make Zhao Ying happy. If he did not need to settle matters in Yunnan, Yang Ming would take great pains to appear in front of Zhao Ying every day. Yang Ming believed in the phrase "He who is brazen is invincible".

It was because of his brazen demeanor that he could have several wives. He believed that Zhao Ying was no exception. But the main problem now was that he did not have the time to do so.

In order not to let Zhao Ying or himself be filled with regrets before he left, Yang Ming decided to confess to Zhao Ying. He would not impose anything on her regarding her choice. His main concern was to ensure that neither he nor Zhao Ying had any regrets about this matter.

"The truth? In other words, you admit that you already guessed that it was me, right?" Zhao Ying thought for a while. She had clearly brought up Yang Ming and Wang Xiaoyan's matters many times. Even if "There's No True Love In this World" was stupid, he would still be able to guess that this matter referred to him! Hence, Zhao Ying was skeptical at Yang Ming's explanation of not daring to confirm after guessing.

"Yes, you can say that I have guessed it quite some time ago!" Yang Ming nodded. "I couldn't be completely sure before. However, when I heard you mention the matters between me and Wang Xiaoyan, I was certain that Wild Female Teacher was none other than you, Sister Ying!"

"Yang Ming, keep it down..." Zhao Ying pointed to Wang Lin, the car driver. She was afraid that he would hear Yang Ming's words.

"Brother Yang, my cigarette addiction is acting up. I am going down for a smoke. If you will excuse me..." Wang Lin was sensitive to the situation and opened the door to get off. Anyway, the car was now parked not far from the entrance of Song Jiang Industry University. He could keep up with the tour bus anytime when it leaves. There was no need for him to stay in the car to observe the situation at all times.

However, Wang Lin still admired Yang Ming for having so many beautiful girlfriends. But his admiration was just a daydream. Little Wang had no intention of imitating Yang Ming. He knew that he did not possess the strength and ability to do so. If he tried to imitate, he would just be beaten by his girlfriend, Little Ran.

Of course, Little Wang would keep what he saw today a secret. Such matters could never be revealed to others even if he was pressured to do so!

Wang Lin lit a cigarette, then turned around and walked to a big tree. He squatted on the ground and smoked the cigarette.

"It's fine now. He went down." Yang Ming laughed forcefully a few times. He did not expect Little Wang to do this.

"Well, is it because of you?!" Zhao Ying glared at Yang Ming. "Alright, spill it. I'm listening! I'm going to see how you can explain this to me!"

In fact, although Zhao Ying was angry, she had finally gotten the chance to see Yang Ming and he was prepared to have a showdown with her. Of course, she would not always give Yang Ming this chance. Now that Little Wang got off, Zhao Ying would naturally take the opportunity to give Yang Ming a chance to speak.

"Hehe, Sister Ying. Actually, as I said, I already knew it since before..." Yang Ming smiled. "However, I initially planned to slowly work towards the showdown with you after some time. That way, you will be more receptive and there will be no other emotions..."

"Did you plan this beforehand?" Zhao Ying snorted. Although what Yang Ming said was reasonable, Zhao Ying was still mad about Yang Ming plotting this against her.

"You can say that it was planned." Yang Ming nodded. "Our relationship is quite complicated. Although we have lost our previous teacher-student relationship and became classmates, I think that there has been a misunderstanding between you and Mengyan all along, right?"

Zhao Ying did not speak but nodded in her heart.

"But...I really ran out of time..." Yang Ming smiled wryly. "Sister Ying, I'll be leaving soon."

"Leaving? Where are you going?" Zhao Ying was slightly stunned and looked at Yang Ming, baffled.

"I am going to Yunnan," said Yang Ming.

"Yunnan?" Zhao Ying did not know whether to laugh or cry. "How can you be running out of time if you are going to Yunnan? Don't you travel abroad often?"
