Chapter 1621: Acting (B)

"Are you lying? You can't lie like this, right?" Fan Jinzhe was angered and his eyes opened wide, "It only cost one thousand yuan to buy a new tire. Are the materials you use to patch a tire more expensive than a new tire?"

"The rarer it is, the greater the value!" Little Ma said plainly, "If you aren't going to patch it up, then forget it. It doesn't matter. You just have to find some ways to take the car away."

"You..." Fan Jinzhe pointed to the skull-vest man, "Okay, okay. I give up. So it's ten thousand yuan! I'll give you the money!"

Fan Jinzhe felt like that was enough acting. It should be quite believable, right? Now that he behaved like an angry and cheated customer, Yang Ming should no longer feel that he was related to this store.

As Fan Jinzhe talked, he took out his wallet which had more than ten thousand yuan. After giving the money away, the wallet collapsed immediately.

"Sir, it's not enough," Little Ma said after taking the ten thousand yuan.

"Not enough? Didn't you say it's ten thousand yuan?" Fan Jinzhe was stunned. He was wondering how to create a conflict, but he didn't expect Little Ma to find something first. This was exactly what Fan Jinzhe needed.

"Sir, please take a closer look at the bill. It is ten thousand yuan for a tire. You damaged four tires in total, so you have to pay forty thousand yuan!" said Little Ma.

"Forty thousand? Wow, why didn't you just go and rob others?" Fan Jinzhe was completely "angered" this time, tearing the bill in Little Ma's hands and shouting, "Do you know who I am? I'll bear ten thousand, but you want to cheat forty thousand yuan from me? You don't want to live? Do you know that Chief Lee of the Bureau of Industry and Commerce is my friend? Do you want to close down this repair shop?"

"Boy, anything can be discussed. You don't give face but you still want to cause trouble?" Little Ma smiled coldly, "I don't care what connections you have. Today you are going to give me forty thousand yuan for this thing to be settled. Otherwise, don't even think about taking your car away!"

"Huh? I want to see who won't let me take the car away!" Fan Jinzhe also sneered, "Moreover, why would I take the car away? I'll leave my car here and go find someone now. Wait for me if you dare!"

"If you don't take out forty thousand yuan, you can't go either!" said Little Ma sternly.

"What? You still want to rip me off?" Fan Jinzhe couldn't bear it anymore and slammed the table, "Do you think I'm scared? You won't let me leave? Then try and stop me!"

"Is that so?" Little Ma clapped his hands casually then said, "Boss, someone is causing trouble!"

As soon as Little Ma said these words, five burly macho men rushed into the lounge. The leader had a fleshy face and a large wrench in his hand, while the others were holding big hammers used to flatten metal sheets or iron rods from the jack. In short, they were all holding aggressive and lethal car repair tools.

“Who dares to cause trouble on Brother Zhadan’s territory? Do you not want to live?” The leading macho man patted his hand on the large wrench and scanned the people in the lounge.

“This...” Fan Jinzhe was also a little “dumbfounded”. He didn’t expect that he could attract a group of brothers from the underworld with just a word. He didn’t know what to do, “I... I didn’t cause trouble...”

“Didn’t cause trouble?” Niu Zhadan sneered, “Little Ma, what’s the matter?”

“Brother Zhadan, this is the case. This kid called and asked us to bring a tow truck and patch his tires. I patched the tires but this kid was reluctant to give money. He found it too expensive and didn’t want to pay. He even threatened us by saying that he has a friend at the Bureau of Industry and Commerce and that they would close our repair plant. He even wants to leave without paying money...” Little Ma added additional details as he explained.

“Oh? It looks like you’re awesome, aren’t you kid? Is that it? My repair plant has been here for five years, and no one dares to be so arrogant in front of me!” Niu Zhadan sneered, “Boy, I can tell you for sure! You can’t leave today!”

“This...” Fan Jinzhe was obviously a little scared, “I... I can just give money. It’s only forty thousand. Big brother, I’m blind to the fact, please don’t be offended... I’ll pay now!”

“Pay? It’s too late!” Niu Zhadan ignored Fan Jinzhe, “You embarrassed me in my territory. If I let you go like this, won’t people laugh at my inability?”

“This... Brother Zhadan, then how would you let us go...” Fan Jinzhe was anxious, “You can just treat us as useless and let us go...”

“Let you go? Okay!” Niu Zhadan waved his hand, “Go on, beat them until they don’t even know each other, then take all their money before sending them away!”

“Brother Zhadan, please don’t... Don’t beat me, don’t beat me!” Fan Jinzhe knelt on the ground, “Brother Zhadan, don’t hit me. I’ll be okay with anything else! Tell me, what can I do for you to let me go? I beg you...”

“Brother Zhadan, over there! Doesn’t that girl seem to be good looking?” One of the macho men reminded Niu Zhadan.

“Oh?” Niu Zhadan narrowed his eyes and looked at Zhao Ying, then nodded, “Yes, she is really good looking! Well, then I will change my method. If I’m satisfied, I’ll release you all!”

“What is it? Brother Zhadan, please tell me. As long as you don’t hit us, we can do anything!” Fan Jinzhe nodded quickly.

“I don’t really have any hobbies, but I like to watch reality shows!” Niu Zhadan said, “So, go and act out a reality show with that pretty girl, and make it exciting. If I’m satisfied, I will let you go! If I’m not satisfied, I will beat you all up until you all don’t recognize each other!”

“Ugh... this... is not appropriate, right?” Fan Jinzhe scratched his head, looking embarrassed.

“Then get ready for a beating! Go ahead!” Niu Zhadan waved his hand and said, “Break both the guy and the girl’s limbs! Beat them to death!”

“Don’t... don’t...” Fan Jinzhe quickly waved his hand to stop, “Brother Zhadan, I’ll listen to you, I’ll listen to you...”

After he finished speaking, Fan Jinzhe looked at Zhao Ying embarrassedly, “Zhao Ying, in order to save our lives, let’s just pull through, okay? You also heard that if we don’t obey Brother Zhadan, he will break all our limbs and definitely kill us! With so many of them holding weapons, we are definitely not their opponents!”

“Huh? Why would she act with you? Can’t she act with me?” Yang Ming interrupted and asked Fan Jinzhe.

“This... of course you can perform...” Fan Jinzhe was stunned for a moment, but then looked at Niu Zhadan for help.
