

So Pure, So Flirtatious

Chapter 36: Erotic Dream

-- --

“How’s the thing going?” Wang Zhitao cheerfully finished peeing and gave his body a shake. His bladder was finally relieved.

Zhang Biao said, “It’s already done. I have caught the person with knockout drops. She is in the private room upstairs.”

Wang Zhitao asked worriedly, “Have you found out who she is? Even if my dad is powerful in this small land of Song Jiang, I don’t want to cause any trouble for my father because of such a thing.”

“Don’t worry, master. Monkey and the guys caught her at the hospital entrance. She must have a hospitalized family member because she was delivering a meal.” Zhang Biao said, “If you think about it – if they were rich, they would have stayed in the special ward with three meals provided. Why would they deliver it themselves?!”

Wang Zhitao scolded, “Bulls***! I remember last time when I had my circumcision that my mom delivered soup to me!” Obviously, Wang Zhitao was very different from other playboys. He was much smarter.

Zhang Biao said, “Master, I, Biaozi, am not stupid. I have investigated very thoroughly! This girl came off a bus and was wearing unfashionable clothes. She is definitely from a poor family.”

Wang Zhitao pointed at Yang Ming. “En, this is acceptable. Let’s go. You carry this guy upstairs. He looks quite solid. I can’t move him.”

“Since I’m here, master, you don’t have to do it!” As Zhang Biao carried Yang Ming on his back, he thought, I’m not as strong as you but what can I do since you’re my master?

Nearly all the hotel staff recognized Wang Zhitao. They greeted, “Master, Master” and Wang Zhitao nodded his head slightly. The most

“Is it her?” Wang Zhitao pointed at the girl on the bed. “She looks quite pretty. This treat is really nice for Yang Ming!” Wang Zhitao sniffed the girl. “Looks like she is still a virgin. There is still some body scent on her.”

Zhang Biao smiled lewdly. "Master, do you want a taste first? We are going to frame this guy anyway!"

"F*** your a**. Your police title is just a title is it?" Wang Zhitao was pissed and looked at Zhang Biao. This man is loyal but he is just too stupid.

Zhang Biao didn't expect his suggestion to backfire so he immediately shut up.

"Find a waiter to take off her clothes. We should go out." Wang Zhitao finished speaking and walked toward the door. "Oh yeah, Zhang Biao, since he was so drunk, will the drug still be effective?"

Zhang Biao explained, "Master, you don't have to worry. This drug was brought back from Japan by Monkey's friend. Even a dead man will wake up and f*** a woman!"

Wang Zhitao nodded.

Yang Ming felt really dry and hot. His lower part was already erect. What is happening? I didn't have such strong lust when I was drinking last time!

Although Yang Ming was a virgin who had some lust for sex, he never had such a strong reaction when he watched porn.

When Yang Ming opened his eyes, he first saw a woman's body without any clothes, then he saw the hotel room!

How is this possible? Yang Ming felt it was impossible. Wasn't I drinking with Wang Zhitao just now? Why am I here all of a sudden? Yes, this must be a dream, a damn erotic dream!

Yang Ming stared firmly at this little girl! Yang Ming saw naked women in porn too but a real person was very different from porn. The strong sensation caused his penis to be fully erect.

Such a perfect body together with a slight body fragrance and especially her pure, breathless beauty intensified Yang Ming's sinful thoughts.

Yang Ming thought, It's just a dream anyway. It would be a waste if I don't take the opportunity. Why does this face look so familiar to me? But everything looks familiar in dreams. Yang Ming didn't think too much more.

Yes, this was a scene that no man could resist! Yang Ming jumped on her like a hungry wolf. He forcefully pierced the little girl's body.

The little girl seemed to feel something. She grimaced in pain.

The warmth wrapped around him made Yang Ming feel ecstatic. Isn't this dream just too real? But only a few things can be logical when a man is lustful. At this time, Yang Ming was obsessed with the little girl. Yang Ming held onto the little girl's soft breast and molded it into different shapes...

"It's about time. Let's call the police!" Wang Zhitao stubbed out his cigarette and said to Zhang Biao, "Go prepare a digital camera and take photos later when Yang Ming is brought out by the police. Hehe, I want to know – would Chan Mengyan still be in contact with a rapist?!"

Zhang Biao had forgotten his mistakes once he was out. "Master, isn't it better if we just take them inside the room?"

"Big brain!" Wang Zhitao pointed at his own brain. "Please, can you think before you speak? Take a photo inside? If this photo is out, do you think we can still get away with it? It can be a coincidence when you snap them as he gets caught by the police. If we went inside, then it was obviously our plan!"

After Zhang Biao heard this, he quickly nodded and agreed, "Master, you're right, that's why you're the master and I'm just a chauffeur."

Wang Zhitao heard his far-fetched speech and smiled while shaking his head. Then he took out a mobile phone and inserted a new sim card.

"Good evening. This is the 110 police service center."

Wang Zhitao said, "Good evening. I want to report a case. I'm a customer of Tavern Heaven on Earth. I heard the sound of a woman struggling for help and the moans of sexual intercourse!"

"Sir, are you sure that it was a call for help?" The person had heard of Tavern Heaven on Earth and couldn't refrain from asking more. Tavern Heaven on Earth was an entertainment venue so a prostitute in there wouldn't be a secret anyway. Even if there was woman moaning, it wasn't easy to make a conclusion.

Wang Zhitao had prepared his speech. "Yes, my friend said that the customer in room 315 was drunk and he dragged a drunk school girl with him.

"Alright, thank you for your information." The person immediately reported this to the police on duty. The police on duty heard the words 'school girl' and realized the case wasn't that simple, so they rushed to Tavern Heaven on Earth.

Chapter 37: The Second Visit

-- --

“Dong, Dong, Dong!” The ferocious sound of door knocking woke Yang Ming up. It was followed by a smooth growl then Yang Ming spurted out as he breathed heavily.

“We are the police! People inside, quickly open the door for our investigation!” Loud shouting spread from outside the door.

Yang Ming wasn't fully conscious yet from the multiple shocks. He heard “dong” and the door was forced open by a few people wearing uniforms.

“Why didn't you open the door?” A female police officer approached and dragged Yang Ming away from the young girl. Then, she put towels on them and spoke to another female police officer beside her. “Wrap the girl up with the towel.”

Yang Ming's consciousness only returned at this moment. “What are you doing?”

The policeman asked, “What is your relationship with this girl?”

Yang Ming was numb as he replied, “I don't know her...” The effect of the alcohol surged into his brain making him unable to recall what happened.

The two police officers nodded their heads simultaneously and said, “Let's talk about it again after we arrest him.”

Both of the police officers were aware that this case may be similar to what had been reported by the caller. It would be a rape case! Of course, it would be a criminal case in the end.

The young girl had awakened long ago but the intense pain and the shame that was brought upon her caused her to keep her eyes shut.

It was at this moment that the young girl dared to open her eyes as she heard that the police had arrived. Yang Ming's back was facing her. Thus, she couldn't catch a clear sight of the man who stained her purity.

“Save me...” The young girl managed to mumble a weak call for help before fainting...

The two police officers were quite sure of the nature of the case. It was beyond reasonable doubt that the girl was the victim! The policewoman used a simple head cover made from the newspaper to cover her face. The reason behind this was because the young girl was a victim. As such, this kind of case involved the issue of privacy. If her identity was exposed, it would gravely affect her future.

On the other hand, Yang Ming was pushed out without a head cover and was handcuffed before boarding the police car.

Wang Zhitao and Zhang Biao were hiding in the crowd. They picked the right time to snap a few shots of Yang Ming at the moment he was put into the police car.

“Little brat, it was actually you!” In the police car, Xia Xue finally recognized that the suspect was Yang Ming who just came into the police department two days ago!

The cold breeze outside that blew on Yang Ming sobered him up. After staring at the female officer for a long while, he finally recognized her, “It is actually Officer Xia.”

Xia Xue finally let out her spitefulness from a few days ago, “You haven’t forgotten me yet! Hum!Hum! I already had an impression that you weren’t a good person. Captain Chen actually trusted you and let the chief give you the Good Samaritan award! This time you finally got caught by me. What else can you say now?!”

“What did I do?” Yang Ming was a bit baffled. Was it that he was still in a dream? But this dream seemed to be quite long and strange.

Xiao Xue left a sarcastic smile as she said, “Hum! What did you do? Yang Ming, you have raped a girl and your courage really isn’t small. You committed murder just a few days ago. In these few days, you also got involved with rape. Don’t tell me that this is also your act as a ‘Good Samaritan!’”

“I raped a girl?” Yang Ming ferociously slapped himself on the head. Each of the scenes that happened just now had flashed by him quickly – the painful moan from the young girl, the knitted eyebrow and the scarlet but desolate plum blossom print on the bed sheet...

Yup, it seemed like I had sexual intercourse forcefully with the young girl, but wasn’t that just a dream? Could it be real? Looking at the Tavern Heaven on Earth that was brilliantly illuminated with the crowds just outside the car window, Yang Ming finally realized that he had done something stupid.

Wang Zhitao! It must be Wang Zhitao. This little brat set me up! Yang Ming raged as he secretly cursed from the bottom of his heart. It was obvious that this fellow did not have any good intentions in the first place. Why would I be so carefree? Now, I finally got caught up in his trap.

Yang Ming envisioned Wang Zhitao’s delighted face with a big smirk. That expression was akin to saying, “Little brat. You dared to fight me for Chen Mengyan. Stay in prison for the rest of your life.”

“Damn!” Yang Ming ferociously smashed the car door with his hand that wasn’t cuffed! The car door was dented by Yang Ming’s smash with a “pang”. It was obvious how mad Yang Ming was.

“Little brat, you are still dishonest even in a police car!” Xia Xue was angered and she hit Yang Ming with her baton as she saw him cursing and even smashing the car.

Yang Ming felt an intense pain in his back. As he turned his head around, he stared at Xia Xue fiercely. He never thought a female police officer would be so violent. But damage like this was considered nothing for someone like Yang Ming who often got into fights.

Xia Xue felt guilty from Yang Ming’s intense stare. “Why are you staring at me? Would you believe that I can hit you again?!”

You rebellious girl. You dared to hit me! Yang Ming swore secretly deep down his heart that he must take revenge on Xia Xue because she did as she pleased! But he wouldn’t dare to assault a police officer. He was in the situation where it would be tough to clear his name. If the assault on a police officer was added, Yang Ming would need to stay in the prison for the rest of his life.

“Okay, Xia Xue, if you injured him, money would be spent for his treatment.” The other police officer was wary of Xia Xue actually hitting Yang Ming’s head with the baton.

“Treatment. So be it!” Xia Xue said in a whisper.

The police must have lots of experience. There weren’t any words spoken on the journey and that made Yang Ming uncomfortable.

The police car went into the police department in Song Jiang City. The moment it arrived, Yang Ming was separated from the young girl. Yang Ming was brought into the questioning room again.

From then on, Yang Ming was already someone who had been twice arrested.

Same place, same people. The difference was that this case seemed to be lighter compared to the murder case before. In actuality, however, this time it was more severe.

When Chen Fei saw Yang Ming, he couldn’t help but frown. Chen Fei couldn’t imagine that Yang Ming would turn into a rapist when he stopped others from molesting a girl.

His intuition told him that there must be some hidden story behind this case!

Chapter 38: Framed

Once Chen Fei entered the interrogation room, he could smell the stench of strong alcohol. Chen Fei shook his head. Alcohol is a catalyst for sex. The saying that alcohol would make us lose our control was obviously right!

“Let him drink some sobering medicine!” Chen Fei ordered the policeman who had just brought Yang Ming over.

Actually, Yang Ming was pretty sober. It was just that he didn't know how to open his mouth. It was only a few hours and it felt like he was in another world. Everything was so dream-like that Yang Ming wasn't able to gauge whether these things were real or not.

Yang Ming took the policeman's sobering tea and drank a mouthful of it, then he formed his words. “Captain Chen, I was framed by somebody!”

“What are you saying? Framed by someone! What actually happened?” Chen Fei was startled. As he heard Yang Ming, he realized the severity of the case. To be honest, he also wasn't willing to see Yang Ming as a rapist.

“Captain Chen, this is the situation. I have a classmate who invited me to have a meal at Tavern Heaven on Earth. Then, I drank quite a lot of alcohol and I passed out. However, after a while, I felt like my whole body was on fire, and there was a strong sense of desire. The moment I opened my eyes, there was a girl not wearing any clothes next to me. I thought I was dreaming so...” explained Yang Ming.

“Dreaming! You shouldn't just have sex with others even when you are dreaming! Why do you have such bad self-control!” Chen Fei shook his head as he heard Yang Ming. Chen Fei grasped a large part of the situation. Even though Yang Ming was possibly framed, the fact that he raped a girl was sufficient to prove that he committed a crime.

“I also don't know... Captain Chen, I won't lie to you. At that time, it felt like I ate some aphrodisiac. I couldn't really control myself!” Yang Ming said while being slightly embarrassed.

“Little Zhang, give him a urine test!” Once Chen Fei heard that Yang Ming had ingested some aphrodisiac he thought of something and immediately gave an order to the policeman beside him.

“Yes.” The policeman stood up then passed a disposable paper cup to Yang Ming.

“What?” Yang Ming was puzzled.

“Pee!” Chen Fei said, “You just reminded me. I suspect that your classmate gave you a form of aphrodisiac or something similar to it!”

“Then... I pee here?” Yang Ming stared at the disposable paper cup.

“We are all men. What are you afraid of?” Chen Fei laughed.

“Alright! Yang Ming knew Chen Fei did this for his own good. He didn’t hesitate, opened his pants and started peeing into the disposable paper cup.

“Captain Chen, the girl’s statement is out...” The door to the interrogation room opened. Xia Xue was holding a document as she walked in. Then she saw Yang Ming who was holding his little thing peeing. She was dumbstruck and then eventually shouted, “Barbarian!”

Yang Ming was shocked when she rushed in like that and then she suddenly shouted. His hand shook and half of his urine spilled to the floor.

“Xia Xue! How many times must I tell you that before you come in you must knock on the door?” Chen Fei complained. “What barbarian? According to your logic, if you were to enter a guy’s washroom, would you call everyone there a barbarian?”

“I... hmph!” Xia Xue gave Yang Ming a fierce stare but then her vision went down to Yang Ming’s lower part. Her face couldn’t help but turn a bit red. However, the moment she remembered how Yang Ming used that thing to bully the young girl, she really wanted to rush over there and destroy that thing.

Yang Ming immediately zipped up his pants, scared that this violent girl might do something to him.

“Xia Xue, do a urine test for him and give me the results.” Chen Fei pointed at the disposable cup in Yang Ming’s hand.

“Me?” Xia Xue was obviously reluctant to do so especially when she saw how the side of the cup was all stained by his pee. She really didn’t want to touch it, however, she had no choice but to follow the captain’s order.

Yang Ming intentionally pushed the paper cup into Xia Xue’s hand, spilling urine on her hand.

“You!” Xia Xue was so angry that she wanted to just spill the pee on his face but noticing how her leader was still beside her, she would have gotten quite some punishment if she did that.

All police agencies have a specialized testing facility, therefore, the urine test results were ready in ten minutes. The result was positive that Yang Ming’s urine contained a large amount of aphrodisiac, the type that a Japanese prostitute would use on her client.

“It seems that you really were framed by your classmate. Xia Xue, you and Little Zhang go to Tavern Heaven on Earth now and take all the glass bottles from the Purple-Gold Pavilion for examination!” Chen Fei said as he made a prompt decision.

However, Chen Fei was too late. Everything in the Purple-Gold Pavilion was all cleared away. Even the table was cleaned thoroughly. Therefore, all the evidence was eliminated!

“Bring Wang Zhitao back to assist in our investigation immediately!” Chen Fei ordered Little Zhang and Xia Xue their second tasks.

Shortly thereafter, Little Zhang called back and said, “Captain Chen, Wang Zhitao wasn’t willing to follow me back.”

“What? If he’s not willing, don’t you all know how to make him come here?” Chen Fei asked in reply.

“Wang Zhitao’s family is having a meal with a few leaders. Wang Zhitao said if there was anything else we would have to speak to his lawyer. I was scolded by the leaders too because they said we disturbed them.” Little Zhang said in mild despair.

“It’s fine. Both of you come back now.” Once Chen Fei had heard that Wang Zhitao actually had a lawyer, he knew this case wouldn’t be so simple. Moreover, all the evidence that was against Wang Zhitao was eliminated. If he insisted on not admitting it, Chen Fei couldn’t do anything to him anyway.

Moreover, Wang Zhitao’s family must be pretty special if they were able to have dinner with these leaders. His parents would definitely be people with power in the Song Jiang City society. Even if there was evidence, for Wang Zhitao, this type of crime would have been settled by some cash. Long story short, Chen Fei could only make him admit that he dropped an aphrodisiac into Yang Ming’s drink but whatever happened after that was actually Yang Ming’s responsibility!

Chen Fei shook his head as he read the statement that Xia Xue jotted down.

The victim’s name was Lin Zhiyun who was 18 years old this year. She studied in a high school attached to Song Jiang City’s university. When she was bringing a meal to her father, she was rendered unconscious with a drugged handkerchief. After she woke up, she was raped by Yang Ming.

Chapter 39: First Experience in the Detention Center

--- ---

“Yang Ming, although the urine test can prove that you were drugged, any evidence against Wang Zhitao is gone. From the law’s perspective, we can’t press charges on Wang Zhitao.” Chen Fei shook his head, “You should understand this. With the help of a lawyer for such a case, Wang Zhitao will cast away any suspicions.”

“Captain Chen, you said it too. I was drugged. I thought I was dreaming at that time...” When Yang Ming heard that he could be charged with rape, he was alarmed! Rape was a serious crime. It was common to go to jail for almost 10 years!

“Yang Ming, although I pity you, you must know that our National Criminal Law, section 236, has regulations for rape.” Chen Fei stopped for a while and continued, “However, the law doesn’t exist for negligent rape. So in any situation, it always violates the will of the victim! Besides, your subjective view also proves that you intended to have sexual intercourse. The aphrodisiac can’t be your excuse for exoneration. You thought you were dreaming; this is just your thought, but it is not a rationale to excuse yourself! So I’m not sure about the judgment. You’ll have to wait for the court’s decision!”

Yang Ming took a deep breath. He had calmed down at that moment. Yeah, no matter what reason, I made a mistake and the girl was innocent. I should blame myself for trusting Wang Zhitao so easily for having a dinner! Yang Ming finally understood the idiom, “Getting a larger loss by going for the small gain”. The best example was he.

“Captain Chen, how many years do you think the court would decide?” Yang Ming had given up; he had to face reality. Yang Ming was in remorse for disappointing his parents. Worse still, he couldn’t face Zhao Ying and the others anymore! However, Yang Ming felt he really owed much more to the girl. She was obviously the victim of this grudge between him and Wang Zhitao.

Chen Fei explained, “I said that I’m not sure about it. Based on my experience, the testimony of the victim was the most important basis. The key point was the victim’s statement of the process about you. It’s possible for only one sentence to have an effect. Then the court will base the judgment on how much damage was done to the girl.”

“Can I meet... the girl?” Yang Ming didn’t want to ask for forgiveness from her, but he hoped that she could understand that he was being framed.

“I don’t think it’s possible. There is no precedent for a suspect to meet with the victim. But I will still explain your situation to the victim and hope she could forgive you. Hopefully, she would understand and say something good in her testimony.” Chen Fei said, “This is all I can do for you, kid. Don’t give up, your journey is just starting – “All roads lead to Rome” [1]. There are many pillars of society who came out of jail too!”

Yang Ming nodded and lightly gave his thanks.

Even though Xia Xue detested Yang Ming, the case could affect Yang Ming's future. She didn't dare to be sloppy as she patiently explained Yang Ming's framing case to Lin Zhiyun.

Lin Zhiyun's temperament was very bad and agitated however. She didn't listen to Xia Xue and insisted that she wanted to bring Yang Ming to justice.

When Xia Xue told Yang Ming the results, he smiled bitterly. He knew it would turn out like this. Why would she empathize with him?

Xia Xue suddenly felt that Yang Ming was really pitiful. As she looked at Yang Ming's sad face, she couldn't refrain from sympathizing with him. He had a good future, but it was because of such an accident that it had to turn to a different path.

The case was concluded very quickly. Yang Ming was very cooperative as he admitted his crime. Next, he just had to wait for his transfer to the detention center.

Yang Ming met his parents in an isolation room at the police station.

When Yang Ming's father found out about it, he obviously looked more pale. His sideburns had already turned white.

Father Yang's attitude was calm. "Big Ming, your mother and I don't want to blame you. You walk your own path; I hope this can teach you a lesson. Your mom and I will be waiting for you to be reformed."

Mother Yang tearfully comforted him. "Big Ming, mom believes in you, but the law is the law. The national law is ruthless. Don't blame yourself and others too much!"

"Dad, Mom, I don't blame anyone. I created all these problems, I should be responsible for it. But... I have let you all down." Yang Ming shook his head. He thought it over. It wasn't a big deal. It was just going to jail. Besides he didn't have to worry about his future. He had a special ability, so he wasn't afraid that he couldn't earn money!

Father Yang nodded. "Good, Big Ming. Since you can understand the reason, we are relieved. Your fortitude is like that of a real man. It's alright. No matter what the court's judgment is, you can reform confidently. After you come out, you can take over my work at the factory. It's not bad to be a car factory worker!"

Yang Ming didn't let his parents tell the school and teacher about this case. He didn't want to hurt Zhao Ying. Moreover, he didn't want Wang Zhitao to get anything he desired. He just wanted to keep it hidden for as long as possible!

After that, Yang Ming was transferred to the detention center and waited for the date of the open court session.

“Get in!” Yang Ming was pushed into a shady and moist room. “Pang!” The steel door closed.

Everyone knew that the conditions in the detention center were bad. There were many people who chose to go to jail rather than the detention center. First, the conditions were really bad. Second, the management was chaotic. There was a large variety of people. Fights and brawls happened from time to time...

After the police left, a strong tower-like man stared at Yang Ming and said coldly, “Kid, which f***ing way are you walking?”

Yang Ming looked at him and ignored him. He didn’t want to be entangled with the people here.

A thin bamboo-like man jumped up and clutched Yang Ming’s shirt. “Damn, Brother Bao was speaking to you. Are you f***ing deaf?!”

“Let go. Are you trying to touch me?” Yang Ming said disdainfully. You wanted to act cool with this build but obviously, you’re just a sandbag.

After Yang Ming spoke, immediately, “Hu La”, another two people stood up. Together with the bamboo stick, there would be three people. They were covetously looking at Yang Ming. There was an old man sitting on his bed. He seemed indifferent to all this.

“Wait!” The tower-like man signaled to the bamboo. “You let him go.”

“Heh!” Bamboo hummed coldly and let Yang Ming go.

Chapter 40: Brother Bao

— — —

“Little brat, what have you done? What crime have you committed that brings you to this place? It is better for you to say it clearly. I don’t care about what you did outside but inside here you must follow my rules!” The tower-like man was known as Brother Bao. He stretched his neck and furiously cracked his knuckles that rattled with “klik, klak” sounds.

At this moment, a person who knew the details whispered a few words into Brother Bao’s ear. Yang Ming remembered that he had met this fellow in the hearing room. This guy was here because of robbery.

“Rape? Haha, damn, I can’t really see it. Do you have the guts?” Brother Bao laughed as he approached Yang Ming. Then, he delivered a punch to Yang Ming’s crotch.

Yang Ming was a good fighter. How could he let Brother Bao hit him so easily? Brother Bao initially thought that he could break Yang Ming into tears with a hit. It never occurred to him that Yang Ming could immobilize him by firmly gripping his wrist.

“You motherf*****!” Brother Bao was enraged. He launched a kick toward Yang Ming.

Yang Ming left a cold sneer as he launched himself toward Brother Bao. Yang Ming used his knee to kick at Brother Bao’s crotch. You want to assault my crotch. What lack of manners! Let me make you feel comfortable.

“Ah~~!” A screeching moan was heard. Brother Bao curled his body like a huge prawn and huddled up on the ground. He was sweating heavily with his eyes wide open as he gasped for air.

“Brothers, kill him!” The Brother Bao’s right-hand man, a wizened man, prepared to gang up on Yang Ming when he saw Yang Ming crush his boss.

“Motherf*****, don’t move!” Yang Ming grabbed Brother Bao’s throat and ferociously yelled, “If any of you here moves a single step, I will choke him to death! I have already murdered someone. I don’t mind having another death by my hand!”

Yang Ming knew that those who were in the detention center were usually punks. If he didn’t dominate them, he would have lots of trouble. Therefore, he brought up the case of the murder.

“Mur... murder?” Brother Bao was in a difficult situation as he uttered, “You... Didn’t you commit rape?”

“Have you heard of Ji Shuisheng?” Yang Ming strengthen his hand as he said, ” He was the one that I killed!”

Brother Bao was involved with the underworld so naturally, he heard of the name Ji Shuisheng. Ji Shuisheng was the best fighter of the Province S gangsters. He had great martial arts but he was a bit perverted as a person. As such, he offended a boss’s woman and afterward, his path spiraled downhill.

“Old... Ji?” Brother Bao couldn’t believe the person in front of his eyes was that one that murdered Ji Shuisheng! After realizing that, it wasn’t shameful to be held hostage by Yang Ming and he yielded. He was afraid that he could actually die on the spot. In fact, it was pretty common to have cases where criminals were beaten to death in jail.

“Sorry... brother, old Bao failed to recognize such a great person. I made a mistake... ” Brother Bao gnashed his teeth as he admitted his defeat. Deep in his heart, he was secretly cursing the fellow who told him the secret.

“Hmph!” Yang Ming left a cold humph as he released his hand. Originally, he didn't intend to cause any trouble but situations like these were unavoidable in the end. He knew that it would be the same in prison. Although the prison was stricter, prison bullies and tyrants still existed. If he wasn't ruthless, the days ahead of him would be harsh. “I'm in a bad mood. If anyone would like to let me vent out my anger, do come forth.”

“Er, brother, just now I was a bit rash. You see, we all belong to the underworld. Song Jiang City is a small territory and we would eventually come across each other. Can we just let it be?” Those who were in the underworld look up to strength and power. Brother Bao recognized Yang Ming's fighting ability and decided to befriend him. “I'm Bao Sanli. Those who are in the underworld and respect me call me 'Brother Bao' [1]. What is your name, brother?”

“Since it was a misunderstanding, let's forget about it!” Yang Ming didn't know how many more days that he would be locked up but a friend was always better than a foe. Thus, he generously waved his hand and said, “I'm Yang Ming.”

“Alright, cool! Brother Yang is it?!” Bao Sanli clapped his hands. Suddenly he stared at the informant with sharp eyes and kicked his butt as he scolded, “Little Dazi, you motherf****, don't you want to honor Brother Yang? Damn, you would frame Brother Yang as a rapist. Are you seeking death?”

Little Dazi mumbled as he dragged himself in front of Yang Ming. He didn't know that Yang Ming was such a ruthless person. Even Brother Bao wasn't a match for him. At this moment, he was filled with regret in his heart. Why had he been mouthy? However, he remembered Yang Ming came here because of rape. Could it be that he remembered incorrectly? He didn't dare talk too much. People in here were not those who he could mess around with. The guy that came in recently seemed like a strong figure. Without further hesitation, he spoke apologetically, “Brother Yang, you are a great man. Please be generous with me. You see, I'm too chatty and always talk about nonsense that doesn't amount to anything!”

“Damn, I knew you're mouthy!” Bao Sanli slapped the back of Little Dazi's head.

“Let it be, Brother Bao.” Yang Ming grabbed Bao Sanli's hand and said, “Don't hit him. What he said wasn't wrong!”

Bao Sanli was using a lot of strength but he couldn't get out of Yang Ming's grip. He was astonished. Therefore, he went with the flow and pretended to call it off by saying, “Since Yang Ming has spoken for you, I will just let it go. You'd better thank Yang Ming immediately.”

“Thank you, Brother Yang. Thank you, Brother Yang!” Little Dazi quickly nodded his head.

“Brother, you mentioned that Little Dazi wasn’t wrong. What do you mean? Could it be that you came in here for that?” Bao Sanli asked in a curious manner.

“Sort of!” Yang Ming nodded his head. Since he had nothing to do and Bao Sanli was quite cool, Yang Ming decided to reveal the matter where he had gotten framed.

“Damn!” Bao Sanli was furious after listening to the whole story. He jumped up from the floor as he condemned, “I look down on people who are incapable of getting their own women and frame others! Be assured that when I, Bao Sanli, am released from this place, I will murder him!”
