

So Pure 471

Chapter 471: His Name Is Mei Renyi

Entering the clubhouse, Sun San came to a VIP room with Yang Ming. It could be seen that the waiters in the club were very respectful to Sun San, and they were really polite to Yang Ming.

From this point of view, this should be a premise invested by Sun Jia.

"Master San, Mr. Yang, please come in." The waiter opened the door of the private room and said respectfully.

"Well, you can go now. I will call you again if I need anything." Sun San nodded and spoke to the waiter.

"Okay, Master San." The waiter bowed and walked out.

Yang Ming sat on the sofa next to the coffee table in the private room with Sun San.

"Mr. Yang, can you check if it's this person?" Sun San put a portfolio on the coffee table and said, "The photo you provided to us was taken a few years ago. This person now looks different, but the facial shape looked similar..."

Yang Ming couldn't wait to open the portfolio. He took out the photos inside.

Yang Ming's eyebrows frowned. Yes, this person must be Wu Chiren! His appearance had been so deeply engraved in Yang Ming's mind that he would never forget it.

Although Wu Chiren was fatter than before – his face was rounded up and his stomach was fat, the general appearance hadn't changed. Sun San was seeing Wu Chiren for the first time, and he might not be able to compare the similarities between the person on the photo and the real person.

"This person isn't called Wu Chiren. According to my underling's investigation, the name of this person is Mei Renyi..." Sun San said.

"Huh?" Yang Ming was shocked. He almost dropped the photo in his hand to the ground. "Mei Renyi? He is Mei Renyi?"

"En?" When Sun San saw Yang Ming's expression, he felt very curious. "What's wrong? Do you know this Mei Renyi?"

"I don't know him, but I am looking for him." Yang Ming nodded. "Are you sure this person is Mei Renyi?"

"I don't know whether his real name is called Mei Renyi or not. But many people in the underworld knows him. He is the underling of the Four Snakes Gang's Boss Cobra. His character is like a mastermind." Sun San explained.

"Four Snakes Gang?" Yang Ming sneered a little. "Then it's correct! It is him! Hehe, I didn't expect that Wu Chiren is Mei Renyi. These two people are one person!"

“How? You and this Mei Renyi also have hatred?” Sun San asked curiously.

” Hehe , it seems that I can’t avoid this enemy. I didn’t expect these two people to be one person! There are such coincidences!” Yang Ming said with a smile, “This is good! It can save me all the trouble!”

“Mr. Yang, I don’t know who you are, but I still want to remind you that this Mei Renyi is favored by the Cobra... If you want to get him, I am afraid that Cobra won’t agree!” Sun San said, “He’s the one who brought fortune to Cobra!”

“Cobra? His name is Brother Snake?” asked Yang Ming.

” En , everyone in the underworld calls him like this. But for me, he is just a junior. If there was anything you need help with, you can ask me.” Sun San with such an identity wouldn’t easily promise anything to anyone. However, seeing Sun Jie’s attitude toward Yang Ming, Sun San still reminded him. This was also because of Sun Jie.

“Brother Snake? Hehe . He refuses? I am afraid that he has no choice.” Yang Ming sneered twice after listening.

Sun San’s face had no other expressions, but his heart was very shocked. The Four Snakes Gang was definitely not worth mentioning when compared to the Sun Family, but they were also the second-rate gang of Donghai! The young man in front of him didn’t seem to put the Four Snakes Gang in his eyes, and it surprised Sun San!

“Well, you can call me if you need it.” Sun San said calmly.

“Thank you!” Yang Ming nodded to Sun San. “I am very grateful for your help with this matter!”

“You’re welcome. You are a friend of the Miss.” Sun San looked at Yang Ming and said faintly.

Yang Ming didn’t understand what Sun San was actually suggesting. He just felt a little weird. Your Miss has so many friends. Won’t you be busy if they keep bothering you?

Today’s Yang Ming, his heart was extraordinarily steady. Not only did he learn of the whereabouts of Wu Chiren, but he also learned that Mei Renyi was actually Wu Chiren! That’s fine. I don’t have to look for him twice. The previous matters and the latest matters will be dealt with together!

Watching Yang Ming’s Audi R vanish into the night, Sun San fell into deep thought. After a long while, he took out the phone and dialed a number.

“Hello? Lao San, what’s the matter?” A steady voice asked over there.

Only Sun Hongjun or Sun Qingjun could call him Sun San. At the moment, the person who was listening to the phone was Sun Hongjun, the master of the Sun Family.

“Master, there is something I want to tell you about...” Sun San said.

“Is it important? If it isn’t an important thing, talk to me about it tomorrow. I am tired. I’m going to rest.” Sun Hongjun said faintly.

“It’s about the Miss...” Sun San said quickly.

" Oh ?" Sun Hongjun's voice immediately rose slightly. For Sun Jie, her father was still very concerned. "What's the matter? Let's talk."

"A while ago, the Miss asked me to help someone to find a person in Donghai. I didn't care about it at the time. I told the people below me to do it." Sun San said slowly, "But the Miss had urged me many times saying that it was the matter of her very good friend. She asked me to hurry up, so I used the power of our family..."

" En , keep talking..." Sun Hongjun was listening very carefully.

"In a day, that person was found out..." said Sun San.

"What's the matter? Such a small thing, you don't have to report it to me in the future. Xiao Jie has grown up. For the things she instructed, as long as it isn't going too far, I don't object. I have you to double check for me. I'm relieved." Sun Hongjun shook his head and laughed.

"No, sir. I just roughly spoke about the matters. I just saw the Miss' friend in the clubhouse on Zhongjian Road." Sun San continued, "It is a young man."

" Oh ?" Sun Hongjun was interested. "Man? How old?"

"He seems to be about the same age as the Miss... but I didn't ask for the specifics." Sun San replied.

" En , I know... Xiao Jie should make some opposite-sex friends." Sun Hongjun said without a shock.

"Master, I think it should be more than just a friend of the opposite-sex... The man drove the Miss' Audi R. The Miss also said that he is a very good friend." Sun San added.

"Really?" Sun Hongjun muttered and paused for a long time, not sure what he was thinking. Sun San didn't dare to ask, and he just waited on the phone. After a while, he heard Sun Hongjun continue, "Who is that man? What does he do?"

"The man is called Yang Ming. Not sure what's he doing. I heard that he is from Song Jiang." Sun San replied.

"Check. Look up this person named Yang Ming, and then tell me." Sun Hongjun ordered.

"I got it, master." Sun San promised.

"Don't do anything after you check his identity." Sun Hongjun instructed again.

"I understand." Sun San nodded. He had been managing the matters of the Sun Family for so many years. He naturally knew what should be done and what shouldn't be done.

.....

On the way, Yang Ming gave a call to Sun Jie to express his gratitude. Sun Jie smiled indifferently, "You want to thank me, right? Then promise me something."

"What is it?" Yang Ming's mood was very good today. He asked, "As long as I can do it, you say it."

"I can't say it now, but I will regard it as you had promised me!" said Sun Jie.

"You haven't said anything yet, how can I promise that?" Yang Ming had some doubts in his heart. This Sun Jie, is she setting up a trap for me?

"You said it just now. As long as you can do it, I say it!" Sun Jie said, "You can do this, and it is easy!"

"Okay." Yang Ming thought about it but he still nodded. Anyway, Sun Jie helped me a lot. If she really wants something from me, then I really can't refuse.

"That's great! You can call me when you are back to Song Jiang!" Sun Jie said, "I have a phone call here. Talk to you later..."

"Okay, goodbye." Yang Ming put down the phone.

Sun Jie hung up the phone and picked up the incoming call.

"Xiao Jie, it's your father." Sun Hongjun's voice came over the phone.

"Oh? Dad, it's so late now. Why are you calling me?" Sun Jie asked with some doubt. "You should have slept by this time, right?"

"I missed you so I called you. Can't I?" Sun Hongjun smiled in a forthright manner.

Chapter 472: Pretend to be a Ghost Again

"Well, why not?" Although Sun Jie said so from her mouth, she felt uneasy in her heart. *What happened to Dad today?*

"Xiao Jie, remember Jidun City's Guo Jinbiao's son, Guo Dongchuan?" Sun Hongjun said, "Today Guo Jinbiao called me again. Guo Dongchuan was very satisfied with you! When will you both meet again?"

"I guess don't need to? I'm not satisfied with him." Sun Jie directly replied, "Don't mention this matter anymore, okay?"

"Xiao Jie, you aren't young now. Even if you aren't getting married, you should first find a boyfriend. I thought Guo Dongchuan wasn't bad. He seems talented and owns a matching status with you!"

"Dad, how can Guo Jinbiao be compared to our family?" Sun Jie said with some sullenness, "Although our family is involved in the underworld, it's only behind the scenes. His family is purely in the underworld..."

"Isn't it about the same?" Sun Hongjun said with a smile, "It's very difficult for you to find someone with a presence like our Sun Family. It's not easy to be the boss behind the scenes."

"Dad, I don't like him anyway. Don't mention this thing again!" Sun Jie said impatiently.

"Xiao Jie, then do you have a boyfriend? Only then you don't like Guo Dongchuan?" Sun Hongjun tempted.

"I have a boyfriend? Who did you hear it from?" Sun Jie was stunned. "It's got nothing to do with this. No matter if I have a boyfriend or not, I won't be with Guo Dongchuan!"

"If you don't have a boyfriend, you can try to think about Guo Dongchuan. *Oh ya*, he had already gone to Song Jiang to find you." Sun Hongjun said.

"What? You let him come?" Sun Jie was a little depressed. *What's the point of this guy coming here?*

"It wasn't me. He wanted to go himself." Sun Hongjun said with a smile, "However if you have a boyfriend, you can reject him upfront."

"Forget it. Let him come." Sun Jie shook her head. "The situation in Song Jiang was so unclear, and yet he dared to come? Wouldn't he be afraid of being hacked to death?"

The word "hacked to death" was said from Sun Jie's mouth without any pause. We can imagine that Sun Jie would have heard it since her childhood.

"I'm not clear about this. His identity is indeed very sensitive. But he is different from you. Although you are my daughter, you have been staying in Song Jiang and you're a girl. If Guo Dongchuan wants to go, then it's hard to say..." Sun Hongjun smiled. This old fox [1], he was probably not at all optimistic about Guo Dongchuan and Sun Jie, therefore he was indifferent of Guo Dongchuan's visit to Song Jiang.

"Right, I asked Yang Li to bring word to Bao Sanli. However, it seems that the power structure of Song Jiang is very strange. Although Bao Sanli is the person in charge, it doesn't seem that way." Sun Jie said, "I have checked the owner of the Ming Yang Company. It's Hou Zhenhan, the second-in-command of the gang."

"*En*, I have heard this too. Continue to follow up on this matter and see if you can bridge the relationship. This would be of great benefit to our position in Donghai." When it came to business, Sun Hongjun had changed his tone.

"I know. I will continue to inquire. There was still no reply from Bao Sanli." Sun Jie said.

...

.....

Lin Zhiyun was very tired today. Just as she was falling asleep on the bed, she suddenly heard a few regular knocking sounds on the glass, "*dang dang dang*."

In the beginning, Lin Zhiyun didn't care about it. However, the sound was too strange, as if it was right beside her ear. It kept ringing back and forth: *Dang dang dang, dang dang dang...*

Lin Zhiyun opened her eyes in confusion. She looked in the direction of the sound. One look and immediately... God, a grimace was sticking to the window of the room... It was using his yellow palm to knock on the window regularly...

"*Ah*—" Lin Zhiyun screamed, and all her sleepiness was gone. She looked at the window in horror...

"*Xiu xiu xiu xiu xiu*..." Chen Afu let out a weird laugh which he especially practiced. If someone listened to it with only the voice, it would be very weird. However, with the current scene, it was horrifying...

Lin Zhiyun looked at the window in horror and didn't know what it was. She shivered on the bed and wanted to scream, but she didn't dare to scream. She was afraid to provoke that thing to be angry...

" *Ji ji ji ji ji ji ...*" another strange laughter... Chen Afu had been looking for a target for a while already, and only then did he see Lin Zhiyun who was staying alone. The other rooms had either big men or couples, not conducive to Chen Afu's crime.

It's only pleasurable to frighten someone weak! Chen Afu saw Lin Zhiyun's pale and terrified face, and the joy in his heart was indescribable!

Lin Zhiyun had just seen the fragment of Li Daguo's ghost in the movie Country Love. She was a little scared already. Now, there was such a ghost at the window and Lin Zhiyun was even more frightened...

Can it be such bad luck? I just watched a ghost film, and now I really see a ghost...

"Yang Ming—" Lin Zhiyun subconsciously shouted. Now, she really hoped that Yang Ming could appear in front of her... *Yes, could this ghost be Yang Ming pretending?*

Thinking of this, Lin Zhiyun couldn't help but hesitate. *In theory, this possibility didn't exist. Yang Ming wouldn't pretend to be a ghost to scare me.* Intuition told Lin Zhiyun that Yang Ming wasn't such a shameless person.

However, Lin Zhiyun also read it in a novel. It was about a couple who went out to play together. The two people lived in the same room in the hotel, but the relationship between the two people wasn't close to the point where they slept on the same bed.

So the male protagonist took the initiative to state that he would sleep in the bathroom, and then the two went to sleep. But the male protagonist wasn't reconciled. He had been planning for it a long time, and he wanted the relationship to go one step further when they were out together this time. So he thought of this shameless way, which was to pretend to be a ghost to scare her.

So, in the middle of the night, he wore a weird ghostly costume and jumped in front of the window of the hotel to scare people, to the point where the female protagonist was shivering.

This way, the female protagonist was extremely afraid, and she didn't dare to sleep alone. She could only ask for help from the male protagonist. The male protagonist appeared proudly. In order to appease the soul of the female protagonist, the male protagonist righteously slept on the same bed with her, and then something happened naturally...

So, thinking of this, Lin Zhiyun couldn't help but think of this matter. *Could this be planned by Yang Ming? However, this possibility seemed very slim. Yang Ming shouldn't be so shameless, right?*

However, Lin Zhiyun still prompted, "Yang Ming? Is that you?"

" *Xiu xiu xiu xiu xiu...* " Chen Afu naturally couldn't hear what Lin Zhiyun was saying. Since she was speaking, he wanted to scare her again...

"Yang Ming? Is it you?" Lin Zhiyun asked in horror, "If you want to sleep on the bed... In fact, you can do it... No need to do this... Yang Ming?"

" *Ji ji ji ji ji ji...* " Chen Afu continued to laugh and made all sorts of weird moves.

"You... who are you?" Lin Zhiyun saw that the thing outside the window didn't answer her, and she began to be afraid again.

"Yang Ming! Stop playing... I'll let you come to the bed alright..." Lin Zhiyun was almost sobbing. She had hoped so much that this ghost thing in front of her eyes was Yang Ming's act!

But unfortunately, this thing in front of her didn't listen to her words. He was still madly dancing... Lin Zhiyun's sweat had already wet her clothes...

"Ka da ...," it was the sound of the door of the room, and Lin Zhiyun shivered...*No? This thing came in? But it was still at the window of the room...*

"Zhiyun, you called me?" Yang Ming just heard Lin Zhiyun's voice in the corridor, so he quickly walked to the room and opened the door.

Because Chen Afu was now at the back of the hotel, when Yang Ming parked the car downstairs, he didn't notice that there were other individuals on the second floor.

"Ah ? Yang Ming?" Lin Zhiyun's voice had changed. *There was an indescribable joy, but there were also some concerns! If this ghost thing was really not Yang Ming's acting, then what was it?*

Lin Zhiyun pointed at the window and shouted to Yang Ming, "Yang Ming, come quickly... What's that... It scares me..."

Yang Ming quickly raised his head and looked in the direction of Lin Zhiyun's finger. He saw a grimace face pressed on the window, and it was still making some unknown sounds!

Yang Ming wasn't as timid as Lin Zhiyun. When he saw the guy on the window, he couldn't help but frown and look at the guy directly with his special ability. Immediately, Yang Ming turned joyous...

Ha , it's you again...

Chapter 473: I'm Scared...

Ha ! Chen Afu! It's you, this fellow, again! Your freaking grandma, you came again to my doorstep and pretended to be a ghost? It seems that you really need a be taught a lesson! You feel uncomfortable if I don't beat you up, right?

In the room, Lin Zhiyun hadn't turned on the lights so she could see Chen Afu outside through the moonlight clearly. But the Chen Afu's vision of her from the outside wasn't so clear, so when Yang Ming entered the room, Chen Afu didn't see it clearly. He was still there scaring people on his own accord.

Yang Ming walked straight to the window and *"PakPak"* hit the window a few times.

"Ah ?" Chen Afu was shocked. *I was having fun scaring people. How come Yang Ming suddenly came out? When Chen Afu saw Yang Ming he thought, This guy is the fated nemesis of mine. Every time I see him, nothing good will happen!*

Moreover, the most unfortunate thing was that Yang Ming didn't seem to be afraid of ghosts at all. He wasn't affected by his current image! Chen Afu was so scared that he almost fell off from the building. Fortunately, he grabbed the rainwater pipe on the second floor of the window. Otherwise, most probably he wouldn't be able to live.

Yang Ming took the opportunity when Chen Afu was shocked. He suddenly opened the window of the room and jumped onto the windowsill. Then, he launched his foot and kicked Chen Afu downstairs.

Fortunately, this second floor wasn't very high. Chen Afu fell down and landed on the shed below. He didn't suffer much damage. However, it was impossible to escape from having bruises.

Yang Ming jumped directly from the window. This height was a piece of cake for Yang Ming. When he came to Chen Afu's side, Yang Ming lifted him up and said coldly, "Your freaking grandma, what are you doing at the window of my room? Are you itchy – seeking me to beat you up?"

"Wuwu

... I'm a ghost..." Chen Afu knew that Yang Ming wasn't afraid of ghosts, but he still growled subconsciously.

"F*ck off, stop this useless trick on me!" Yang Ming aimed at Chen Afu's butt and gave a kick. This kick made Chen Afu scream aloud in pain...

"What were you doing at the side of my window? I'm asking you again!" Yang Ming asked ruthlessly.

"I... I was just scaring people..." Although Chen Afu was now a ghost, he was afraid of ruthless being like Yang Ming. It was a bit unreasonable to speak with.

"Scaring people?" Yang Ming was stunned. *Does this kid have nothing to do? On a cold day, he came out pretending to be a ghost to scare people? It seems unlikely? It seems Chen Afu is quite afraid of me. Most probably he didn't come here in particular to scare me.*

That means that Chen Afu was aimlessly scaring people! *If at the West Star Mountain Resort for the first time Chen Afu scared Chen Mengyan to retaliate against me, that made sense, but now...*

Thinking of this, Yang Ming frowned and asked, "Do you know who I am?"

"I know... Nope, I don't know. Sir, how would I know who you are?" Chen Afu almost spat it out and he quickly changed words. He wouldn't dare to admit he was Chen Afu. If Yang Ming knew that he was Chen Afu, he would be beaten up until he was half dead!

"If you don't know, why did you scare my wife?" Yang Ming glared.

"How would I know that she is your wife... I just simply found someone to scare..." Chen Afu smiled bitterly. He thought to himself, *Why am I so unlucky? I can actually encounter Yang Ming!*

"You were looking randomly? Are you mentally ill? You don't sleep at night instead of scaring people? Is it fun?" Yang Ming said in anger.

"It's ok." Chen Afu didn't dare to answer it was fun or it was not fun. So, he had to give an ambiguous answer!

"It's ok? I think you're really mentally ill!" Yang Ming gave Chen Afu a slap, almost knocking off the mask on his face, horrifying Chen Afu with his heart shivering.

"Grandfather, please forgive me..." Chen Afu almost knelt down to Yang Ming.

"Go upstairs with me!" Yang Ming grabbed Chen Afu as he finished his sentence coldly. He lifted his legs and walked toward the hotel.

"Grandfather, what are you going to do with me... I wasn't intentional. Please spare me!" Chen Afu exclaimed.

"Go to apologize to my wife, or I will squeeze you into the drain!" Yang Ming gave him a glare.

"I'll go; I will go there. Just don't beat me up..." Chen Afu nodded quickly.

Yang Ming didn't spend much effort and lifted Chen Afu to the door of the second-floor room in a glimpse. In the hotel, the proprietress had already started to fall asleep, so no one noticed Yang Ming at all.

Chen Afu saw Yang Ming lifting him up like little chicken. He was secretly shocked. *Isn't Yang Ming's strength too much?*

Yang Ming took Chen Afu into the room and dropped him on the floor. Chen Afu suddenly fell down with his face facing downward...

"Yang Ming, he..." When Yang Ming went down to catch the ghost, Lin Zhiyun had been looking out at the window. When Yang Ming subdued the ghost, Lin Zhiyun also faintly understood something. That was someone who pretended to be the ghost!

Now, she saw Yang Ming carrying the fake ghost, and she was somewhat inexplicable. Although she knew that the ghost was fake, she was still timid and she took a few steps back.

"What are you thinking about?" Yang Ming launched his kick at Chen Afu's butt and scolded, "Did I bring you up here to sleep?"

"Ah?" Chen Afu almost had an anal fissure from the kick, but he didn't dare not to speak up. He could only endure a huge pain and beg, "Big sister, I'm wrong. I shouldn't pretend to be a ghost to scare you..."

"Damn!" Yang Ming launched another kick and said with displeasure, "You call me grandfather, and yet you call her big sister. She is my wife. Are you messing the title up? Do you want to get kicked?"

"No... no... please don't kick. If you kick me again I will die..." Chen Afu quickly said, "Grandfather, grandmother, is that alright... I'm wrong... please forgive me."

"Alright, get lost!" Yang Ming didn't wait for Chen Afu to get up by himself. When he finished speaking, he threw Chen Afu out of the window and closed it not caring if Chen Afu lived or died.

Yang Ming brought Chen Afu to apologize to Lin Zhiyun for a reason. Lin Zhiyun had just been scared. Although she probably knew that this ghost was a man pretending, the effect wasn't as good as the person who pretended to be a ghost admitting it personally.

In order not to leave any shadow in Lin Zhiyun's heart, Yang Ming brought Chen Afu upstairs.

"You just threw him down. Will he fall to his death?" Lin Zhiyun looked at Chen Afu who was flying out of the window and she couldn't help but ask.

"Do you still care for him? Why didn't he worry about you when he scared you?" Yang Ming said indifferently.

"Why did he scare me..." Lin Zhiyun was still a little bit worried.

"Who knows? Psychopathy?" Yang Ming snorted. "I'm sorry, Zhiyun. I was late, causing you to be scared..."

"Ah ... I..." Yang Ming's words made Lin Zhiyun very embarrassed. *How can Yang Ming, such a decent person, commit such a shameful thing to act as a ghost? I actually blamed Yang Ming for pretending to be the ghost earlier...*

Thinking of this, Lin Zhiyun's face was rolling hot and she said in embarrassment, "It's my bad. I was actually scared by a fake ghost..."

"Well, things are over. The fellow won't dare to come again. Go to bed." Yang Ming smiled and said, "I'm also sleepy."

After finishing the sentence, Yang Ming walked toward the sofa.

"Yang Ming..." Lin Zhiyun looked at Yang Ming's back when he turned around and suddenly shouted.

"What?" Yang Ming turned around and looked at Lin Zhiyun and asked, "Is there anything else?"

"Nothing..." Lin Zhiyun bit her lips and didn't speak further.

"Then go to bed early..." Yang Ming came to the edge of the sofa, sat down on it and closed his eyes...

Lin Zhiyun was lying in bed, but she couldn't sleep. Although she knew that the ghost was someone pretending, it was still a little uncomfortable in her heart.

This was the same as watching a ghost film, knowing that it was purely fictional, but the fear lingered around after watching it! Lin Zhiyun was lying on the bed, as she tossed and turned. As soon as she closed her eyes, she saw Chen Afu's scary face and the big yellow palm...

"Hu ..." Lin Zhiyun took a long sigh of relief, and her heart beat so strongly that there was no way to fall asleep peacefully...

It seemed that what was written on the novel made sense. Lin Zhiyun now had an impulse to let Yang Ming accompany her to sleep! Moreover, this idea was still very strong!

After hesitating for a long time, she finally got the courage...

"You... can you sleep with me?" Lin Zhiyun asked with a blush...

Chapter 474: Pretending Not to Know

"En?" Yang Ming hadn't fallen asleep. He was thinking about Mei Renyi and Wu Chiren. Hearing Lin Zhiyun talking to him, he subconsciously answered "en." But he didn't understand what Lin Zhiyun said. "What did you say?"

"... Can you come... sleep with me..." Lin Zhiyun repeated her words while clenching her teeth.

"Huh?" Yang Ming asked, "Me and you? Sleeping together?"

"I... I mean sleeping on the bed..." Seeing that Yang Ming seemed to have misunderstood something, Lin Zhiyun explained quickly.

"On the bed?" Yang Ming stared at Lin Zhiyun, "Is on the bed not the same as sleeping together?"

"Aiya! I mean, I'm afraid..." Lin Zhiyun hesitated and said, "I don't dare to sleep on my own. Can you lie next to me..."

"Pfff" Yang Ming looked at Lin Zhiyun's shy and cute appearance, he couldn't help but smile, "It turns out that you're afraid!"

"You're still making fun of me!" Lin Zhiyun said with some anger, "If you don't want to accompany me, it's fine!"

"Who said that I'm not accompanying you... You're my girlfriend. Of course, I want to accompany you..." Yang Ming said seriously. His heart was actually happy. *This Chen Afu, he really appeared in the right time. Isn't this creating opportunities for me?*

"Who is your girlfriend?!" Lin Zhiyun whispered.

"Are you not?" Yang Ming looked at Lin Zhiyun with his eyes wide open.

"I..." Lin Zhiyun didn't know how to answer Yang Ming's question. The relationship between them was very complicated. Saying that they were a couple, it seemed that they were not, but can you really say that they weren't? They were now a nominal couple. It seems that in reality, they were also like a couple.

"Oh? Then I'll ask Uncle Lin, what is the relationship between us..." Yang Ming smiled.

"I hate you!" Lin Zhiyun glanced at Yang Ming, "That's good. Come in... but don't take off your clothes..."

"Take off my clothes? On such a cold day, when the hotel's heating system isn't good, do you think I like stripping?" Yang Ming said helplessly.

"Then... you come in..." Lin Zhiyun nodded and said.

Yang Ming smiled, picked up the quilt, went to the bed, and lay side by side with Lin Zhiyun.

"You... won't move when you're sleeping, right?" Lin Zhiyun asked carefully.

"I have always been a very peaceful sleeper. Do we have to learn from Liang Shanbo and Zhu Yingtai and put a bowl of water between us [1]?" Yang Ming joked.

"No need... but I will move around when I sleep..." Lin Zhiyun whispered a word.

Yang Ming was helpless after listening, Lin Zhiyun... *Under the seemingly stubborn and strong appearance, it seems that she also had her lovely side.* The childish Lin Zhiyun made Yang Ming feel more cordial and have an urge to love her...

Feeling the presence of Yang Ming around, Lin Zhiyun finally fell asleep...

Looking at the Lin Zhiyun by his side who was sleeping with a smile on her face and her even breathing, Yang Ming shook his head in exclamation. *Finally, one day, I can sleep with you again. Although, our relationship hasn't broken through to that step... However, at least, Lin Zhiyun has accepted me.*

In fact, Yang Ming was most afraid of the fact that the previous incident caused a psychological shadow for Lin Zhiyun, making her live unhappily. Therefore, after Yang Ming learned of the true identity of Lin Zhiyun, he didn't expose her.

Since Lin Zhiyun wanted to hide it, then he would cooperate with her. In the beginning, when Yang Ming and Lin Zhiyun came into contact, he was cautious. He was afraid that he would make her felt disgusted. But as time went by, Lin Zhiyun seemed to have put down the previous grievances... *Today, I can sleep with her. This is a good sign that Lin Zhiyun is accepting me at the bottom of her heart. She doesn't take precaution against me already!*

He couldn't help but caress Lin Zhiyun's smiling face with his hand. Yang Ming was in a state of blissfulness and he slowly fell asleep...

Since the beginning of Fang Tian's training, Yang Ming woke up very early in the morning. Of course, except for holidays, Yang Ming subconsciously indulged himself during the holidays.

"En?" Yang Ming was shocked to discover that there was actually a person in his arms! At the moment, Lin Zhiyun was curling up in Yang Ming's arms. She was sleeping well. One leg was on top of Yang Ming's body. Yang Ming was dumbfounded.

Yang Ming tried to move his body. Lin Zhiyun didn't allow it. She snorted and mumbled, "Don't move... cold..."

Yang Ming was astounded. He wasn't sure if he should move away before Lin Zhiyun woke up, or just continue to hug Lin Zhiyun... Of course, in Yang Ming's heart, he was more inclined to hug Lin Zhiyun...

Finally, there was a chance to get close, and Yang Ming didn't want to let go easily. Not to mention, Lin Zhiyun was enjoying hugging Yang Ming.

However, if Lin Zhiyun woke up in a while, then it would be a bit difficult... Yang Ming hesitated a bit. His brain was thinking. Finally, he came up with a bad idea. That was pretending to be asleep and let Lin Zhiyun wake up first!

Thinking of this, Yang Ming closed his eyes and covered Lin Zhiyun with the quilt. Both hands were roaming around Lin Zhiyun's body and he pretended to be asleep.

Without knowing it, Yang Ming actually fell asleep ... When he woke up, it was already ten o'clock in the morning.

Yang Ming subconsciously glanced around, Lin Zhiyun was no longer there. Looking at the two quilts that covered him, Yang Ming shook his head. Lin Zhiyun must have covered him.

Just when did she wake up? Why can't I remember anything? It seems falling back asleep was really harmful!

However, this is also good. We avoided the embarrassing moment. Not sure what was her expression when Lin Zhiyun saw us hugging together?

Yang Ming got out of bed and found that Lin Zhiyun wasn't in the room. He wanted to visit Lin Changqing. Yang Ming went to the bathroom and brushed his teeth, then he put on his coat and went out of the room.

Sure enough, Lin Zhiyun was watching TV in Lin Changqing's room. When Yang Ming came in, her face was slightly reddened, "Yang Ming, you're awake?"

"En

, did you sleep well last night?" Yang Ming asked, pretending to know nothing.

"I'm... still fine..." Lin Zhiyun said with a little embarrassed.

"Did I squeeze you last night?" Yang Ming smiled.

"No... no..." Lin Zhiyun looked at her father and even gave Yang Ming a glared so that he wouldn't say such embarrassing words.

"That's good, but I seem to have a dream, dreaming that I was being ridden like a horse..." Yang Ming scratched his scalp and pretended to be casual.

"Ha ha ha ha !" Yang Ming just voiced it out, and Lin Changqing laughed. "Needless to say, it must be Yun Er! This girl is restless when she sleeps. Her legs were always on her mother's body, and her mother always had such dreams..."

"Dad..." Lin Zhiyun looked at her father and quickly stopped him. "Don't say it anymore... I didn't do that..."

"Hehe , Yang Ming isn't an outsider. Why can't I tell him?" Lin Changqing waved his hand.

"OK." Yang Ming saw that Lin Zhiyun was very embarrassed, so he gave up the idea of continuing to tease her. He switched topics and said, "Zhiyun, Uncle Lin, have you eaten?"

"We had eaten breakfast. We bought soy milk in the market downstairs this morning. We haven't eaten lunch yet. We don't have the appetite." Lin Changqing said, "Yang Ming, what about my matters?"

"Don't worry, Uncle Lin. I have found a photo of Mei Renyi. It should be easy to find him now." Yang Ming saw Lin Changqing's appearance and knew that he was worried about his own affairs. If these matters weren't resolved, he couldn't even eat properly!

"That's good; then it's good..." Lin Changqing nodded.

Yang Ming accompanied Lin Zhiyun to watch TV for a while. After picking up a phone call, he got up and went to Hou Zhenhan's room.

It could be seen that Hou Zhenhan was not awake for long, and his eyes were still red.

"Brother Yang, I'm sorry. I slept for so long. Yesterday, I drank so much with Big Cannon until the middle of the night..." Hou Zhenhan saw Yang Ming come in and said quickly.

"Big Hou, what are you talking about? You're doing things for me. What's wrong with sleeping more?" Yang Ming waved his hand, "Next time, you don't have to hold back for me."

"That won't work, Brother Yang. We must have a distinction between the primary and the secondary. You are my boss..." Before Hou Zhenhan's words were finished, Yang Ming had interrupted.

"Alright, Big Hou, don't say this. How is the matter going?" Yang Ming asked, "Have you found out about the headquarters of the Four Snakes Gang?"

"I got some information... but I don't know if that guy was telling the truth..." Hou Zhenhan frowned.

Chapter 475: Misunderstood

"This person is very boastful. He talked exaggeratedly. I don't know which sentence is true. Yesterday, he was boasting extravagantly, as if he was feeling as though he was number one in the world." Hou Zhenhan shook his head and said, "I'm not quite sure where the headquarters of the Four Snakes Gang is, but the Four Snakes Gang have three slightly larger premises in Donghai. One of them is the Jinchunlai Bathing Center in the north of the city, one is the Jiujiu Disco Bar in the city center, and the other is the arcade hall at the top floor of the Donghai Shopping Center."

"Hehe, if he was telling the truth, then this would be enough." Yang Ming said with a smile to Hou Zhenhan.

"Yeah, if their premises were only these three, then the answer is obvious." Hou Zhenhan also smiled and nodded.

"Jinchunlai Bathing Center!" Yang Ming and Hou Zhenhan said at the same time.

Indeed, among the three premises, the arcade hall on the top floor of the Donghai Shopping Center couldn't be used as the gang headquarters, but only as a revenue-generating business location. That left the Jinchunlai Bathing Center and Jiujiu Disco Bar.

However, from the geographical point of view, the city center was a prosperous area. Relatively speaking, the management of public security was much stricter than other places. If there were some layabouts gathering in the long run, it would definitely be spot checked.

The Jinchunlai Bathing Center in the north of the city was different. It was a relatively remote place, and the intensity of the spot checks was naturally weaker than that of the city center. It was just right for some gang members to live there.

Of course, there was another more important reason, the Four Snakes Gang wasn't a big gang. The city center was generally a site controlled by the big gangs. So even if the Four Snakes Gang had premises in the city center, they wouldn't dare to locate their headquarters there. It was equivalent to publicly provoking the others, and there would be no good results.

Therefore, logically speaking, the headquarters of the Four Snakes Gang would definitely be at the Jinchunlai Bathing Center. Of course, this was under the assumption that Big Cannon didn't lie.

"How did he tell you this?" Yang Ming asked after a moment of silence.

"He was boasting about it after drinking too much. Since he boasted to me, I went along with his boasting. He boasted more intensely later on. Then, he told me about some of their gang's affair. For example, after his great achievement, Brother Snake asked him out to eat. Then, he entertained him at the bathing center, which is the Jinchunlai Bathing Center. Of course, it was just a word or two. The rest of it I had asked indirectly." Hou Zhenhan explained.

"Jinchunlai Bathing Center." Yang Ming nodded. "I got it."

"Brother Yang, do you need me to bring people from Song Jiang to help?" Hou Zhenhan asked, "Now, with our strength, it shouldn't be difficult to eliminate the Four Snakes Gang."

"Forget it. I have other ways to deal with it." Yang Ming waved his hand. "If you came to help, it isn't difficult to eliminate the Four Snakes Gang. But, I'm afraid it would cause dissatisfaction from other gangs. After all, we stepped over the boundary. It's not good if we are attacked by multiple gangs."

"That's right." Hou Zhenhan nodded deeply in thought, Now we're afraid of this.

"Oh ya, did Sun Jie contact you through Yang Li?" Yang Ming asked.

"En, Bao Sanli called and told me about it. I also told him to be polite." Hou Zhenhan said, "I didn't say much, just saying that she had a connection with Mr. Y. Although Bao Sanli's temperament was relatively rough, he should also understand the message between those lines."

"En, that's good." As Yang Ming spoke, he took out the portfolio that Sun San had handed over to him last night and handed it to Hou Zhenhan, "This person is Mei Renyi. Yesterday, the butler of the Sun Family handed it to me. It should be more accurate."

"What do I need to do?" Hou Zhenhan asked immediately. In his heart, he was shocked. Yang Ming can actually utilize the butler of the Sun Family? It seems that the relationship between Yang Ming and Sun Jie is really not ordinary!

"For the headquarters of the Four Snakes Gang, I will deal with it. But you have to send people to monitor the remaining premises of the Four Snakes Gang to see if there is any news of this person." Yang Ming commanded.

"I understand. I will send people to do this." Hou Zhenhan nodded.

"Alright, I'm heading out to do something. You need to be careful. Don't expose your identity. We just stabilized Song Jiang. Don't look for unnecessary trouble."

After making clear things with Hou Zhenhan, Yang Ming immediately drove to Jinchunlai Bathing Center at the north of the city.

After setting up the route navigation, Yang Ming drove to a red traffic light according to the voice prompt. As Yang Ming saw that the signal light turned green, he was about to start the car. Suddenly, a yellow Lamborghini came from behind him. The front of the car directly blocked the front of Yang Ming's car. It stopped with a " squeak ."

Yang Ming was stunned. He was somewhat surprised to see the Lamborghini in front of his car. I haven't provoked anyone in Donghai, right? Moreover, the person who can drive such a car is from the class of rich people. Yang Ming knew nothing much about those people.

Did he think that I was Sun Jie? Yang Ming was thinking about it. The automated door of the Lamborghini in front of him slowly opened. A young man wearing sunglasses jumped out from the car, his body dripping with accessories including a thick gold chain on his hand.

This man arrogantly walked to Yang Ming's Audi R and patted Yang Ming's front hood, and gestured with a middle finger.

Yang Ming frowned. This person obviously saw me through the windshield, but why did he still gesture to me? Is he looking for the wrong person? Or, is he coming for me?

In this case, Yang Ming didn't have to endure it. The other's car was already in front of him and the person had arrogantly gestured to him. Yang Ming wasn't afraid of trouble. He directly opened the car door and got out of the car.

"You come out!" The young man said arrogantly.

"Who are you?" Yang Ming frowned and asked, "I don't seem to know you, right?"

"But I know you!" The young man smiled while crossing his arms.

"You know me?" Yang Ming was a bit puzzled. Looking at the person in front of him, Yang Ming seemed to have no impression of him!

"Of course! Young master of the Sun Family! I don't know you, but I know this car! I saw your sister drive it!" The young man said with certainty, "Has your sister lent you the car?"

"What my sister... You mean Sun Jie? You made a mistake. I'm not the young master of the Sun Family..." Yang Ming was a little dumbfounded. It turned out that this guy said that I'm the young master of the Sun Family?

Young master of the Sun Family... Could it be Sun Zhiwei?

"Sun Zhiwei, stop acting. I didn't expect you to be a coward! The only male of the Sun Family turns out to be such a coward!" The young man smiled, " Hahahaha ! You're making me laugh!"

"I said, you must have made a mistake. I'm not Sun Zhiwei!" Yang Ming said with some helplessness, "Is Sun Zhiwei as handsome as me?"

"Ha ! I heard that you're a good for nothing. Stop acting. I know that you're Sun Zhiwei!" The young man said with certainty, "If you aren't Sun Zhiwei, would your sister lend you the car? I heard that your sister had a rule. Her car was never lent to a man. Of course, if you're her younger brother, that must be an exception!"

Yang Ming was a little dizzy, Does Sun Jie still have this rule? Why have I not heard about it? Did I get to borrow the car so easily? Sun Jie didn't have any hesitation... Could it be just a rumor?

Generally, beautiful women have a lot of rumors. It seems that Sun Jie also belongs to this list...

"This little brother, I'm really not Sun Zhiwei. Do you think I'm like that dumb*ss?" Yang Ming could only smile bitterly.

"Ha , don't think that if you scold yourself a little that I will believe you. All is fair in a war. You won't lose much for scolding yourself with a few words, and you can't have missing pieces!" The young man said proudly, "You don't have to act. I know that you're Sun Zhiwei!"

Yang Ming was really helpless. How come this fellow is so strange? Do I really look like Sun Zhiwei?

"Well, then I'm Sun Zhiwei. Do you have anything else? Can you go away? I still have something to do!" Yang Ming said with some impatience.

"Hmph , you finally admitted it!" The young man was delighted as though he had achieved great things. "Nice to meet you. My name is Tian Dongguang. You should have heard of me?"

"No, I have never heard of you." Yang Ming shook his head and said, "This is the first time that I've heard it."

"Damn! How is it possible? Am I really not famous?" Tian Dongguang frowned and scratched the back of his head as he spoke uncomfortably.

"Is there anything else? I'm leaving if there is nothing else." Yang Ming waved his hand and replied.

"I want to challenge you!" said Tian Dongguang as he suddenly put a bad*ss pose while he pointed at Yang Ming.

"Challenge? Are you mentally sick?" Yang Ming looked at the young man in front of him with a weird look, "Are you under some stimulants? You came out to challenge me?"

"Hmph , what about it? Are you not taking advantage of the power accumulated by the older generation of the Sun Family? What are you capable of? Why do you tell us what to do?" Tian Dongguang sneered.

Chapter 476: To Be Your Apprentice

Yang Ming looked at the arrogant child named Tian Dongguang inexplicably. Finally, he sighed with helplessness and said, "Forget it. I'll show you my driver's license. I'm really not Sun Zhiwei!"

As he spoke, Yang Ming reached out and took his driver's license from his pocket and opened it in front of Tian Dongguang.

"You don't need to lie to me. It's useless!" Tian Dongguang said disdainfully, "If you aren't Sun Zhiwei, why did you just admit it?"

"I didn't want to waste time with you!" said Yang Ming as he shook his head.

"Keep pretending!" Tian Dongguang taunted and looked at Yang Ming, "Are you afraid of challenging me? Do you feel timid? Guilty? Are you dispirited? Using a fake driver's license to lie to me? Do you think I will believe you? I really didn't expect that the young master of the Sun Family to be such a coward!"

"Whatever you say..." Yang Ming didn't want to waste time with him. "Let go. I'm leaving."

"Leave? You can't!" Tian Dongguang sat down on the hood of the Audi R.

"Have you finished fooling around? If you keep acting like a bad*ss, I will beat you up!" Yang Ming threatened.

Yang Ming didn't expect Tian Dongguang not to be afraid. Instead, he was very happy and shouted, "Okay, okay, you beat me. As long as you can beat me, I won't stop you!"

When Yang Ming listened to Tian Dongguang's words, he was helpless and smiled. He remembered that beating him would be pleasing him.

"What benefits do I have for beating you up?" Yang Ming, who thought well, asked coldly.

"If you can win over me, I will serve under the Sun Family in the future!" Tian Dongguang said with a strict face.

"Sun Family? Hehe , that doesn't have any benefit for me." Yang Ming said faintly. His intuition told him that this child named Tian Dongguang, his family background was definitely not ordinary. If he could really get Tian Dongguang to listen to him, it wasn't bad.

"Then I will serve under Young Master Sun!" amended Tian Dongguang.

"Young Master Sun? I'm not the Sun Family's young master!" Yang Ming shook his head and put his driver license in front of Tian Dongguang's eyes. "Look clearly. I'm not Sun Zhiwei. My name is Yang Ming!"

"Alright, then Yang Ming, I will serve under you, Yang Ming, in the future. Are you okay with it?" Tian Dongguang didn't know why Yang Ming didn't admit that he was Sun Zhiwei, but he didn't care so much.

"Well, tell me how you want to challenge me." Yang Ming decided to solve this trouble first.

"Let's find a place. If you can beat me with a half or one move, you win." Tian Dongguang said.

"Find a place? No need. I think the roadside is okay." Yang Ming had no time to waste on him.

"Roadside? No way. If we fight on the roadside, it won't be finished for a while. What if the police came?" Tian Dongguang said.

"It won't take so much time, right? One or two minutes is too much already." Yang Ming said faintly.

"Hehe! You need to be self-aware. Do you know how strong you are? I'm a Taekwondo Black Belt Nine Section, hehe!" Tian Dongguang proudly laughed.

Yang Ming pointed at the car and said, "Drive the car to the side. Although this isn't the main road, it also affects traffic."

"Would you run away?" Tian Dongguang looked at Yang Ming with suspicion.

"Don't worry. You have my promise." Yang Ming said.

"No way! What if you drive my car and I drive your car?" Tian Dongguang thought about it.

"Your car is more expensive than my car. Aren't you afraid that I will drive away and not return it to you?" Yang Ming sneered.

"Ugh ... you won't do this, right?" Tian Dongguang hesitated due to Yang Ming's words.

"Okay, we drive our own car!" Yang Ming waved his hand. Not knowing why, but after Yang Ming heard what Tian Dongguang said about Sun Jie not liking to lend her car to a man, Yang Ming didn't want Tian Dongguang to touch the car.

"Okay..." Tian Dongguang had to believe Yang Ming.

Yang Ming didn't run away from him. He parked the car on the roadside and then got out of the car. Tian Dongguang also stopped the car and walked down.

"Can we start?" Yang Ming asked Tian Dongguang with a glance.

"Wait. I need to do a warm-up exercise!" said Tian Dongguang.

"You suddenly challenge someone on the road, and you ask for a warm up?" Yang Ming asked with sarcasm.

"Ugh ... It's enough to deal with you without warming up!" said Tian Dongguang, a little embarrassed.

"Okay, do your warm up. If not, you won't admit it when you lose..." Yang Ming sneered.

"Who says I won't admit it? I'm afraid that you won't have that ability!" Tian Dongguang was angered.

"That's fine. Let's get started." When Yang Ming finished speaking, he stood in the same place.

"Attack me." When Tian Dongguang saw Yang Ming stood still after speaking, he couldn't help but feel dumbfounded.

Logically when two people fight, whoever says start will have more preparation time and reaction time than the other party. It's advantageous. If you said "start," you can often take the advantage, but Yang Ming didn't do this!

"Why didn't you initiate?" Tian Donghua asked, puzzled.

"Are you going to fight? If you don't, I'm leaving." Yang Ming took a look at Tian Dongguang. "It's none of your business if I don't initiate!"

"Hmph, then I won't hold back!" Tian Dongguang's heart condemned Yang Ming as a fool. His body quickly moved up. "Ha!"

A flying leg kick launched toward Yang Ming.

"Stylish but not a practical move." Yang Ming shook his head in disappointment. He grabbed Tian Dongguang's leg and put a little force on the acupuncture point above. Tian Dongguang's leg lost feeling and directly fell on the ground.

"You... how did you do that?" Although Tian Dongguang was in much pain because of the soreness on his legs, he still gritted his teeth.

"Nothing much. Your kick is just too slow, so I was able to hit your numbing point on the leg!" Yang Ming said casually.

"I lost..." Tian Dongguang sighed. Although he didn't see how Yang Ming attacked him, a loss is a loss. Tian Dongguang was particular about this. He wouldn't not admit this.

"Then can I go?" asked Yang Ming.

"You can go. This is my phone number. If you have something, you can always call me!" Tian Dongguang was forthright. He took a business card from his pocket and handed it to Yang Ming.

Yang Ming took the business card, but he saw five big characters on it – Tian Family Second Young Master, then a series of phone numbers. Yang Ming looked at this business card and fell into deep thought!

Such arrogance! He literally wrote whoever of the "Tian Family" directly on the business card... It seems that this Tian Family isn't simple! Now that I think back, in Donghai, the powerful Tian Family, isn't this the one?

Then, after thinking about what Tian Dongguang said before. Your "Sun Family" always... then his identity was obvious! It seems that this is the Tian Family that has been manipulated by the Sun Family!

And this Tian Dongguang, he is certainly not convinced of serving under the Sun Family. He questions why the Tian Family should do things for the Sun family. Then he heard about Sun Zhiwei from the Sun Family from somewhere, and then he happened to see me driving this car. So, he thought I was Sun Zhiwei!

"Well, I'll remember." Yang Ming put the business card away and said, "Right, I'm telling you again. I'm really not Sun Zhiwei. You're looking for the wrong person!"

"Are you really not?" Tian Dongguang was puzzled. If Sun Zhiwei was afraid of being troubled, it would be possible to not admit his own identity. But now, he had won. Why does he still have to hide? That can only explain one question, that is, this person is really not Sun Zhiwei!

"No." Yang Ming said with a strict face.

"Ah?" Tian Dongguang looked at Yang Ming awkwardly. He didn't know what to say. "Why do you drive Sun Zhiwei's sister's car then?"

“Does the person driving the car have to be Sun Zhiwei?” What is this logic? Yang Ming smiled bitterly.

” Ugh ...” Tian Dongguang now thought about it. It seems that what Yang Ming said also makes sense. It is indeed the case. The person who drives it isn’t necessarily Sun Zhiwei. I was just being too subjective.

“Why? Now you regret it? Are you ready to work for me?” Yang Ming smiled a little.

“I’m a man. I won’t eat my words!” Tian Dongguang said, “If I said it, I will do it! The taboo of being in the underworld is lying!”

“Do as you like then, as long as you don’t bother me. I have to deal with some matter.” Yang Ming nodded. He got in the car, started the car and went away leaving Tian Dongguang there with a lost face.

“So bad*ss! So powerful!” Tian Dongguang suddenly clenched his fists. His eyes flashed with a blazing light, and he said very firmly, “I must be your apprentice!”

Chapter 477: Do You Recognize Me

Yang Ming’s inference wasn’t wrong. Tian Dongguang was indeed the second young master of Donghai’s Tian Family, the powerful Tian Family.

Tian Dongguang and his brother had been taught by their family since they were young. When they grew up, they had to take over the business of the Tian Family and became the new generation of managers. The mission of the Tian Family was to assist the Sun Family.

Tian Dongguang’s eldest brother wasn’t very interested in the things about the underworld, but the second young master, Tian Dongguang, was very interested in fighting ever since he was young. But, he was more forthright as he wasn’t as smart as his eldest brother.

Tian Dongguang’s eldest brother had no dissatisfaction with the matter of supporting the Sun Family. That was because he also knew that the Tian Family had their present situation due to the support of the Sun Family! Although the current power of the Tian Family had developed greatly, if it was separated from the Sun family, the situation would be in another form.

Although Sun Hongjun controlled the Tian Family, he was also recognized as the leader of Donghai by other gang organizations. So, Sun Hongjun could completely support another Tian Family and destroy the current Tian family.

However, Tian Dongguang didn’t think like this. He thought that everything in the family now was from the hard work of the people in his parents’ generation. The Sun Family didn’t provide anything. Instead, the Tian Family helped the Sun Family to do a lot of things!

Of course, this wasn’t the primary reason. Tian Dongguang also knew that this was the fate of the Tian Family! However, Tian Dongguang heard gossip saying that the young master of the Sun Family was a super dumb*ss. He wasn’t capable and yet he was pretentious every day!

For this, Tian Dongguang wasn’t satisfied! He believed that the successor of the Sun Family must be Sun Zhiwei undoubtedly since Sun Jie was a woman! If it was Sun Jie, Tian Dongguang was still convinced. However, letting such a good for nothing, Sun Zhiwei, to lead him, he was a bit unwilling!

Ever since then, he was troubled by this matter! My own skill isn't the best, but it is also substantial for me to fight against two or three people. Tian Dongguang admired strength the most. Therefore, he decided to find the opportunity to challenge Sun Zhiwei. If he was really stronger than me, then I will acknowledge it!

Coincidentally, today Tian Dongguang suddenly saw Sun Jie's car on the road, and it was actually a man driving! According to rumors, the Miss of Sun Family never lent the car to a man. Therefore, Tian Dongguang took it for granted that Sun Zhiwei was undoubtedly the driver!

If there were no such rumors, Tian Dongguang couldn't be so sure. But, with this rumor in addition to what he heard about Sun Zhiwei being a good for nothing, the incident where he had mistaken Yang Ming for Sun Zhiwei wasn't strange!

Now, he was defeated by a person named Yang Ming in a single move. Tian Dongguang not only had no hatred, but he was extremely excited! I finally found myself a master. If he is willing to be my master, then am I not invincible in the world?

The Taekwondo coach of mine is really rubbish. What he taught me is just stylish but not practical in the eyes of others! Tian Dongguang was very depressed. He planned to fire the coach as soon as he went home! Let him shut down his business and leave!

In fact, the coach was really wronged. That was the second master of the Tian Family. The coach couldn't scold or beat him. Those who trained with him didn't dare to fight him. It was all perfunctory.

Therefore, Tian Dongguang thought that he was very powerful.

Yang Ming drove to the door of the Jinchunlai Bathing Center. Yang Ming drove around it once and then drove the car away again! There were many people who knew Sun Jie's car in Donghai. Yang Ming didn't want to bring trouble to her.

Yang Ming went around one time and parked the car in a public parking lot. Then, he walked to the Jinchunlai Bathing Center.

Yang Ming wasn't in a hurry to do anything. Like the other customers, he bought a sauna card and then went for a comfortable sauna...

Of course, although Yang Ming was sitting there with his eyes closed, he wasn't slacking. His eyes were constantly looking back and forth at his surroundings with x-ray vision, scanning around...

Yang Ming had met Brother Snake, so it wasn't too difficult to search for him. Soon, Yang Ming found Brother Snake in a room. At this moment, Brother Snake was looking at a document on the sofa...

Yang Ming stood up and walked to the shower room. After getting rinsed, he put on his clothes and walked quickly to the room where Brother Snake was. This time, Yang Ming didn't intend to conceal his own appearance. Anyway, in the end, his identity would be exposed one day.

Moreover, even if I found Wu Chiren, I'll have to use Yang Ming's identity to talk to him. At that time, Brother Snake would know my identity. So this time, he simply didn't wear a mask.

It seemed that the security system of the Four Snakes Gang wasn't very strict. Yang Ming walked in the corridor and no one stopped him. He went to the door of Brother Snake's room very smoothly.

Yang Ming shook his head. Is this Brother Snake overconfident or what? If someone holds a grudge against him, isn't it too easy to retaliate against him?

Undeniably, it was hilarious. Yang Ming knocked on the door in a civilized manner although the things he would be doing in a while wouldn't be very civilized...

"Who is it? Come in!" Brother Snake put down the documents in his hand and answered faintly.

Yang Ming pushed the door open and went in. No matter what Brother Snake said, he came to the sofa and sat down, staring coldly at Brother Snake.

"Who are you? Do you have a problem?" Brother Snake frowned out of alertness. His hand slowly touched his back...

"Don't move. It seems that you have a bad memory..." Yang Ming said sarcastically.

"You... you are..." This voice that Brother Snake was unable to forget, he would never forget it in his life! I wanted to get the gun last time and my hand was pierced...

"Some things you just need to know on your own. You don't have to say it. It's not good for you and me." Yang Ming looked at Brother Snake and said slowly.

"Yes... I wonder big brother... Master, what do you need me to do..." Brother Snake said. Yang Ming's methods in the past had made Brother Snake dare not to have any second thoughts.

"Why? From your tone, I can't ask you to do it?" Yang Ming said with a glare.

"No... No, I don't mean that..." Brother Snake was shocked and replied quickly. His eyes were glued to Yang Ming's hand, fearing that Yang Ming's would suddenly throw something out.

"So what is your hand doing at the back? Do you want to shoot me?" Yang Ming said disdainfully.

"I... I didn't. I forgot to put it back..." Brother Snake heard Yang Ming and quickly took his hand and put it on his head.

Yang Ming smiled and looked at Brother Snake, "Well, I don't want to talk nonsense with you. Mei Renyi, do you know him?"

Brother Snake heard the name of Mei Renyi and he was shocked. At this moment, Mei Renyi was a wanted criminal by the police. In any case, Brother Snake wasn't willing to be associated with him.

"What? You don't want to say?" Yang Ming saw the expression of Brother Snake and knew that he must have some insider information.

"No... No... I..." Brother Snake was a little troubled. If I said it, I will definitely be involved. If I don't say it, I'm afraid that Yang Ming would suddenly cause trouble.

"Just say it. I'm looking for him. I don't care if you cover him up in the past or you joined him in an evil scheme. I'm just looking for him!" said Yang Ming.

"You... Are you looking for him because of the Renyi Company incident?" Brother Snake asked in a probing manner. Brother Snake had already made up his mind. If Yang Ming was investigating this, he must hurry to find a way to get himself out of it!

The person in front of me is a living devil! I can't provoke him or I will be ruined!

"En, this is part of it, but it isn't the main one. As long as he returns the money, I won't say anything else." Yang Ming nodded and confirmed.

"Then, there are other things you are looking for?" Brother Snake breathed a sigh of relief. As long as Yang Ming didn't pursue this matter, it's fine. Although I would have some pain when returning the money, isn't it better than death?

"His real name is Wu Chiren, right?" Yang Ming said faintly.

"Ah?" Brother Snake was surprised, "How did you know?"

After Wu Chiren arrived in Donghai, he changed into the pseudonym, Mei Renyi. Only Brother Snake who knew him well knew of his original name. Now that Yang Ming mentioned it, how could Brother Snake not be surprised?

"I have a little bit of history with him." Yang Ming smiled and said, "It's been many years. It's almost time..."

Although Yang Ming's words were simple, the tone was extremely flat, but in Brother Snake's ear, it sounded creepy...

"I... If I find him for you, can you let me go?" Brother Snake was now planning to give up Wu Chiren. His concern was his own safety. If Yang Ming came back to him afterward, he would be finished...

"Of course, if you're obedient every time, what can I do to you?" In the eyes of Brother Snake, Yang Ming's bright smile turned into a demonic one.

Chapter 478: I Remembered It...

"That's great!" Brother Snake clenched his teeth. "I will bring you to him!"

"This is for the best." Yang Ming nodded. "I hope you don't play tricks. It will only make you suffer more pain."

"I know. I know." Brother Snake said and nodded.

"The design in this room is quite good, but why do you use a security door? It's suffocating isn't it?" As Yang Ming said this, he launched a kick to the security door at the entrance.

Yang Ming used a one-inch kick [1], so the security door that was opened halfway, dropped out directly from the door frame.

However, Brother Snake was shocked by such a scene. Brother Snake also knew that Yang Ming was demonstrating his strength to him, but he couldn't say anything else. He had to smile and say, "Yes, yes, you're right. Such a good kick. I will find someone to change it later..."

Yang Ming nodded and said nothing. He went downstairs with Brother Snake.

"What are you doing?" Yang Ming looked at Brother Snake who was trying to take out his phone. He asked coldly.

"I... I want to call the driver..." Brother Snake was shocked by Yang Ming and almost dropped the phone to the ground.

"You can't drive yourself?" Yang Ming asked coldly.

"I can... I can drive..." Brother Snake nodded again and again.

"Hmph." Yang Ming snorted and followed Brother Snake out the door.

Yang Ming didn't take Sun Jie's car. As the boss of the Four Snakes Gang, Brother Snake must recognize the car of the Miss of the Sun Family. Yang Ming didn't want to cause more trouble.

In Brother Snake's Audi A car, Brother Snake started the car and headed toward the destination.

"Where is he?" Yang Ming asked.

"In the Jiujiu Disco Bar of the city center. It's my asset..." Brother Snake didn't dare to lie. He quickly told Yang Ming.

Sure enough, it's in Brother Snake's territory. Yang Ming nodded secretly. *It seems that my original idea is also correct. If I couldn't find Brother Snake, I can search Wu Chiren in his several assets.*

After half an hour, they came to Jiujiu Disco Bar. Yang Ming and Brother Snake walked in together. No one asked about it. Brother Snake took Yang Ming directly to the second floor and then came to the door of a private room.

"Fatty Wu is inside?" Brother Snake asked the confidant younger brother who was guarding the door.

"Yes. This is?" The confidant younger brother noticed Yang Ming's poker face, then he asked casually.

"Damn it. This is my guest. How can you ask like that?" Brother Snake was furious suddenly. "Pa," he slapped the face of the confidant younger brother.

He was afraid that his underlings would talk indiscriminately, and cause more trouble for him.

"I'm sorry..." The confidant was shocked and quickly nodded.

"Leave first! There is nothing for you here." Brother Snake waved his hand and ordered.

"Yes..." The confidant younger brother hurriedly left.

"Master... Fatty Wu is inside..." Brother Snake saw that the confidant younger brother left, then he spoke to Yang Ming with flattery.

"En." Yang Ming nodded and gently responded. He just saw Wu Chiren's figure with his special ability. At this moment, this guy was lying in bed watching TV. He looked very arrogant.

Brother Snake opened the door and shouted inside, "Fatty Wu, get up. There's an old friend visiting you!"

"Oh? Who's that?" Wu Chiren sat up from the bed and saw Yang Ming standing with Brother Snake as he looked up.

"You are... Yang Ming?" Wu Chiren frowned. He hesitated and asked.

"Hehe, not bad. After so many years, you can still recognize me? You're living quite well here, Teacher Wu?" Yang Ming said with an evil smile.

"I'm, okay, okay..." Wu Chiren couldn't figure out why Yang Ming was here. Wu Chiren saw Yang Ming standing with Brother Snake, but didn't know what his identity was. However, when Yang Ming was in the middle of school, Yang Ming was in the underworld. Now he was probably a boss, so Wu Chiren had to politely welcome him.

"Yes? You are very good, but I am not so good!" Yang Ming launched a kick on Wu Chiren's chest. With a "whoosh

," Wu Chiren's fat body suddenly flew out and fell to the ground heavily.

"Ouch..." Wu Chiren screamed. Apparently, it was a heavy fall. He had no choice. The fatter he was, the heavier he fell...

"You..." Wu Chiren stared at Yang Ming in horror. "What are you doing?"

"What am I doing? I just came here to see you." Yang Ming said innocently, "You were very good to me during that year. Should I not compensate you?"

"Brother Snake... save me..." When Wu Chiren saw Yang Ming coming over again, he quickly called for help.

Save you? Brother Snake shook his head secretly. *I can't protect myself now, and you ask me to save you? If you don't involve me, I will thank god already!* So Brother Snake closed his eyes and pretended to see nothing.

"Get up!" Yang Ming violently grabbed Wu Chiren's neck collar and pulled him up. The two hundred pound body was nothing in Yang Ming's grip.

He threw Wu Chiren on the bed. Yang Ming said coldly, "Was that Renyi Trading Company your idea?"

Yang Ming didn't want to beat him badly yet. After all, he still had something to ask. If he was disabled, it wouldn't be easy to ask questions.

"I..." When Wu Chiren heard that, he quickly looked up and looked at Brother Snake. But he saw that Brother Snake had closed his eyes as though it was none of his business. Wu Chiren knew that he was completely being abandoned!

I bet Yang Ming got to me through Brother Snake! However, Wu Chiren also thought, You, Brother Snake, don't want to speak, right? Can you get out of it by keeping quiet? I can't care much. Let's expose everything. I will tell everything about the plot between me and Brother Snake in starting up Renyi Company to commit fraud.

"Only these?" Yang Ming asked.

"Just these... Yang Ming, it was Brother Snake who told me to do it. It doesn't involve me... I have explained it, and the money I got, I am going to return..." The torment of these past days also left Wu Chiren dispirited. The police pursuit almost made Wu Chiren want to surrender. If it wasn't for Brother Snake stopping him, he wouldn't be able to take it!

Now, being compelled by Yang Ming, Wu Chiren was ready to return money directly.

"What about you?" Yang Ming looked back at Brother Snake.

"Master, I just said, I am going to refund it..." Brother Snake said quickly.

Wu Chiren couldn't help but be shocked after hearing the words of Brother Snake. *No way? It's so easy? Is this the original Brother Snake? Originally, I said that I was going to refund the money, and Brother Snake didn't agree, but now...*

Thinking of this, Wu Chiren had to re-examine the identity of Yang Ming... *He actually makes Brother Snake be so obedient, then he...*

"Wu Chiren, do you know why I am looking for you?" Yang Ming suddenly asked.

"Ah?... Isn't it because of the Renyi Company?" Wu Chiren was dumbfounded. *How did Yang Ming forget after a while?*

"Of course, not! That is just a small matter!" Yang Ming shook his head, "I am looking for you because of one very important thing..."

As Yang Ming said this, he stared directly at Wu Chiren. It put psychological pressure on him.

"You... Why did you look for me?" Wu Chiren was so different now. He had changed from arrogant to humble.

"The letters Su Ya wrote to me?" Yang Ming asked.

"Su... Su Ya?" Wu Chiren said, "What letters did Su Ya write? She... wrote to you. How do I know..."

"Really? Lying isn't a good habit." Yang Ming said faintly, "Do you want to try the taste of a human cannon?"

"I... I really don't know?" Wu Chiren looked blank.

"It can't be, right? You even read the letter in the office?" Yang Ming reached out and slapped Wu Chiren's face, making the sound of " *papa* ."

"Ah?" Wu Chiren hesitated and finally remembered...

"I... I have read it... Sorry... Yang... Master Yang..." Seeing that Brother Snake called him Master Yang Ming, Wu Chiren changed his words quickly.

"What about the letter?" Yang Ming really wanted to kick Wu Chiren, but he knew he shouldn't do it now. He had to know the whereabouts of the letters.

"Letters... I can't remember. It has been so long... I'm not a teacher anymore..." Wu Chiren said with a sad face.

"Really?" Yang Ming grabbed Wu Chiren's hair in one hand and gave him a big slap. Then said, "Do you remember?"

"I... I really can't remember..." Wu Chiren almost cried out. *It hurts. My face must have swollen.*

"Yes? Then you think about it. It's fine. I have time. You think slowly. Don't worry..." Yang Ming said with a smile.

"Well... well... then I'll think about it..." Wu Chiren nodded quickly.

"However, I need to train my body when you're trying to remember..." Yang Ming sneered and looked at Wu Chiren.

"Don't... I remembered..." Wu Chiren screamed fiercely.

Chapter 479: Emptiness In The Heart

"Have you recalled it? That's good. Let's talk about it." Yang Ming released Wu Chiren's hair and sat on the sofa next to him. "Teacher Wu, there was no resentment between the two of us. Why did you want to take my letter? You even read it in the office. Did you think it was so funny, or do you have a psychological problem?"

"I... I... let me think about it again..." The sweat on Wu Chiren's head streamed down from the corners.

"You haven't recalled it yet? Then, you just lied to me?" Yang Ming snorted and slowly looked back at Wu Chiren.

"No... No, I just want to organize my words..." Wu Chiren said quickly.

"Then you should hurry. I don't have that much patience." Yang Ming said faintly.

"I know... I know!" Wu Chiren nodded eagerly. He frowned and began to think hard.

"What are you standing there for? Sit..." Yang Ming looked at Brother Snake who was dumbfounded standing at the side.

"I... I didn't dare to sit. You didn't let me sit..." Brother Snake was sullen, and his heart was faintly inconspicuous. *I'm the boss of a gang. Why am I such a coward? I'm still afraid of him alone?*

If I asked an underling to come in now, can I control him?

Brother Snake struggled and hesitated deep down his heart. *At this moment, the distance between Yang Ming and me are far away. Yang Ming's attention is entirely on Wu Chiren. If I run away now, it should be possible, right?*

However, Brother Snake thought of Yang Ming's speed which was different from that of ordinary people. *If I make any moves, Yang Ming might throw something to greet me. During that time, my life is endangered!*

Therefore, Brother Snake hesitated again and again. He felt that there was still no need to take any risks because at this moment Yang Ming wasn't targeting Brother Snake, but Wu Chiren. Although it was certain that Brother Snake would lose some money, he was heartbroken. There was no way to go about it. *Since the affair had escalated as such, I need to spit out the money so that WuChiren's incident wouldn't involve me.*

In other things, Brother Snake didn't touch Yang Ming's button, so it wasn't necessary to confront him face to face. He wasn't noble enough to stand up for Wu Chiren.

After figuring things out, Brother Snake sat still on the side. He paid no attention to matters outside of him.

"Have you recalled it?" Yang Ming looked at the time. It had been more than ten minutes. This Wu Chiren was still in deep contemplation, so he asked impatiently.

"I recalled... I didn't seem to throw it out at that time. I left it in the drawer of the office. Later, after I was fired, I didn't take those letters when I cleaned my desk... It wasn't only yours. There were some letters from other students which I had thrown together." Wu Chiren said.

"What happened then?" Yang Ming asked.

"Later, after I left, the desk was assigned to a new teacher. Then, I just don't know..." Wu Chiren shook his head.

"..." Yang Ming was speechless for a while. *Isn't it the same even you didn't say it? You didn't take it? Leaving things to someone else? Then, can the others still keep it for you? It seems that those letters have disappeared...*

Yang Ming sighed, and his heart was empty. He didn't know what to do. Although he didn't hold too much hope beforehand, he knew that Wu Chiren wouldn't keep those letters. But, he wasn't willing to give up, and now he had gotten a near-affirmative reply. Yang Ming was somewhat disheartened.

Things had passed for so long. Is there any use for me to keep this matter close to my heart? Su Ya, even if I found her, what can I do? Can we go back to the pure feeling together?

We have grown up. We are no longer the boy and girl who were previously ignorant. As time went by, some people, some things, would be forgotten.

Although Yang Ming believed that he hadn't forgotten Su Ya, what about Su Ya? *Has she not forgotten about me?* Yang Ming wasn't sure, and he didn't want to think of such a complicated problem!

If Su Ya had feelings for him before, then it was true. It was undeniable. Yang Ming was also certain of it! It could be seen from the fact that Su Ya wrote several letters to him.

However, her letters had no response. What would she think? She must have thought that I had forgotten her, and she would lose confidence in me, leading to the weakening of our feelings...

Thinking of this, Yang Ming reluctantly and unwillingly patted his forehead. *Su Ya, at the moment, is probably basking in the romance of another's embrace...*

If she was interested in me, why did she not come to Song Jiang to find me? Although she left, I didn't leave! If Su Ya really had feelings for me, why didn't she come to look for me?

"I'm sorry... Master Yang... I didn't mean it..." Seeing Yang Ming lowering his head and become quiet, and the expression on his face was also unpredictable, Wu Chiren on the side was very worried, not knowing what Yang Ming was thinking. *Please don't vent your anger on me...*

"Forget it..." Yang Ming looked at Wu Chiren with some disgust. "You go and surrender yourself... I don't want to see you again..."

"I understand; I understand..." Wu Chiren actually had the intention of surrendering himself, so he agreed very quickly.

"Wait..." Yang Ming suddenly waved his hand and remembered Xia Xue...

Wu Chiren's case is also a big case, right? Isn't Xia Xue, this violent girl, always wanting to solve a big case? It's better to give this credit to Xia Xue!

However, after thinking about it, Yang Ming gave up on the idea. It's because he suddenly remembered that it was Donghai instead of Song Jiang. *Even if I tell Xia Xue about it, it's still useless. She can't cross the border to capture people. After all, this case is in Donghai.*

"You..." Yang Ming pointed to Brother Snake and then said, "Follow me. I have something for you."

"Me?" Brother Snake quickly stood up and followed Yang Ming's back and left the room.

"Master... What are you looking for?" Brother Snake asked quickly.

"I'm leaving. I have asked all the questions I wanted. The matter between you and Wu Chiren, I don't want to bother with, and I don't have the mood to be concerned with them. You and he decide together." Yang Ming said faintly.

"Oh?" Brother Snake looked happy. What Yang Ming mentioned was also what he most worried about. Although Renyi Company was started by Wu Chiren, it was with his own support that it grew in vigor. If something happened in that time, it was impossible for him not to be uninvolved. Although he could allow some conditions for Wu Chiren to take the blame, if Yang Ming intervened, it was really hard to do!

Now, since Yang Ming said that he didn't want to take care of it, that was to say, I can do it according to my own ideas. How could Brother Snake be unhappy? So, he quickly said, "Thank you, Master!"

“Don’t thank me. You better stay low. Don’t tell anyone that you met me. I hate people speaking nonsense.” Yang Ming glanced at Brother Snake and said, “Do you know the consequence if you speak nonsense? If you let me find out about it, then your tongue won’t be safe.”

“I understand, Master. Don’t worry. I won’t bother you with trouble...” Brother Snake replied immediately.

“It’s good if you understand it. Not bad, I’m very satisfied with today’s matter.” Yang Ming nodded. “I’m leaving. You don’t need to walk me out!”

“Take your time...” Brother Snake looked at Yang Ming’s back with a sigh of relief. This blasphemy was finally sent away. *Motherf*cker, how can I be so lucky? It seems that I need to be honest in the future path of my life!*

Every time something happened, it’s because of my impulses and greed... If I didn’t want to expand, then there wouldn’t so much trouble! Brother Snake couldn’t help but wonder, *Is this guy sent by the God to fight against me? It seems that I should stay under a low profile in the future.*

Back in the room, Brother Snake quickly forcefully settled Wu Chiren with benefits. Brother Snake’s condition was very simple. It was guaranteed that the family and relatives of Wu Chiren would be resettled during his prison sentence. Brother Snake could help him by arranging things so that he wasn’t bullied by other prisoners. After all, Brother Snake was also a gang leader. He had his people in prison. Most likely, Wu Chiren could even be a prison head.

Therefore, although Wu Chiren hated Brother Snake for selling him out to Yang Ming, Wu Chiren also knew that there was no way to go about it. Yang Ming seemed very strong; even Brother Snake was afraid of him!

However, Brother Snake was afraid of Yang Ming but he wasn’t afraid of Wu Chiren. So, Wu Chiren didn’t dare to say anything much. Moreover, the conditions of Brother Snake were already very good. *Even if I involved him in it, there was no benefit.*

Thinking of this, Wu Chiren also put down other thoughts. He agreed to the conditions of Brother Snake and prepared to surrender himself. After all, in order to reduce his sentence, Wu Chiren intended to return the money of the deceived people first.

Chapter 480: Shu Ya’s Interview

Wu Chiren’s plan was still quite good. He made a high-profile appearance first, and then explained the reason for his disappearance. It was because the upstream supplier had problems, so he went to sell the goods.

Regarding the contract losses caused by this side, he would compensate for it one by one. Since Wu Chiren had claimed to be responsible, then those companies that were about to sue the salesmen temporarily gave up their intention to sue.

After all, someone stood up and took responsibility for the matter, so why should they pursue the salesmen? These salesmen were just victims, and it was impossible for them to have a wallet that was big enough to pay for their losses.

This move by Wu Chiren also caused the police to give up the action of arresting him. After all, Wu Chiren had already said very clearly that he didn't disappear after the fraud, but went to sell the goods!

Although everyone held a grudge against him since the matter had developed to this point, there was no direct evidence that Wu Chiren was committing fraud. They could only say that he was hiding from debt.

However, although they didn't catch him, there were still people keeping an eye on him. It was impossible for him to escape.

Afterward, Yang Ming also saw the relevant reports, but he was too lazy to take care of this matter. Before that, Yang Ming's hatred against Wu Chiren was deep, but after seeing him, that kind of hatred couldn't be vented.

What if I really did beat him up? Then can my hatred be resolved? Not necessarily! Do I still have to look for an opportunity to kill him? Yang Ming shook his head. His own state of mind had started to be more open about his previous grudge.

For example, Zhou Jiajia, the way Yang Ming saw her now, there was no hate at all. But his heart was feeling a little awkward. Moreover, Yang Ming had already treated her like a good friend...

Therefore, when Yang Ming saw Wu Chiren today. He indeed had anger that rushed to the head. However, after he told him that the letter couldn't be found, Yang Ming only had regret and didn't bother to teach him a lesson.

Back in the plaza, Yang Ming retrieved Sun Jie's car and returned to the Dafa Hotel.

"Things have been solved." Yang Ming pushed the door of Lin Changqing's room open and smiled.

"Solved?" Lin Changqing was astounded. "You paid the money to them?"

It was natural that Lin Changqing would think so. It was only a short while. Yang Ming came back after leaving for a while. If he went to find Mei Renyi, it should be impossible. So there was only one possibility, Yang Ming paid the two companies that sued.

"The money compensation must be paid, but it wasn't me." Yang Ming shrugged indifferently and sat by Lin Zhiyun's side. "Of course, whoever took the money will be returning the money."

"You mean Mei Renyi?" Lin Changqing was stunned. "How is it possible? Didn't he disappear? He still came back? Is he stupid?"

"I'm not sure if he's stupid. But if he doesn't pay the money, he will face more trouble." Yang Ming smiled and spoke ambiguously.

Lin Changqing was a bit lost, but he heard that Mei Renyi was coming back. He was relieved and happy. Lin Changqing didn't know what was going on, but it didn't mean that Lin Zhiyun didn't know. Yang Ming and she had known each other for so long. She was very familiar with Yang Ming's ruthless means. *Yang Ming probably has used some extreme approach, right?*

Just like the last time, Bi Hai and Ge Xinyao... Lin Zhiyun looked at Yang Ming deeply. Yang Ming felt Lin Zhiyun's gaze and winked at her.

Lin Zhiyun's face suddenly became red, and she quickly looked away and didn't dare to look at him again...

Maybe it was because of last night's embarrassment, or Lin Zhiyun hadn't seen her father for a long time. In short, in the afternoon when Yang Ming came back, Lin Zhiyun was in Lin Changqing's room. Looking at the father and daughter whispering to each other, Yang Ming didn't want to disturb them. He got up and went to Hou Zhenhan's room.

On Hou Zhenhan's side, Yang Ming had ordered him to recall those who went to monitor around. Yang Ming didn't believe that Wu Chiren could run away. It was because even when Yang Ming didn't monitor him, Brother Snake would keep an eye on him!

Brother Snake must not let Wu Chiren run away in order to protect himself. Second, if Wu Chiren really ran away, then would Yang Ming spare him? Therefore, Brother Snake wouldn't let Wu Chiren have a chance to escape. He would keep an eye on Wu Chiren very closely.

It was because Yang Ming had figured this out that he could safely ignore Brother Snake.

Unexpectedly, the matter was solved smoothly. Hou Zhenhan and others who were brought by Yang Ming weren't utilized much.

"Big Hou, go back first. Right, leave your Jetta here. You and your underlings can go back with the minivan." Yang Ming said.

"Brother Yang, aren't you leaving?" Hou Zhenhan asked.

"I need to wait for a while. Uncle Lin still doesn't believe it. I guess the evening news will report this matter. I will wait for the news before coming back. You should do your business first. As for Sun Jie, I'm worried. You help me to deal with her." Yang Ming instructed.

"Okay, then I will go back first. Brother Yang, call me anytime if you need me." Hou Zhenhan said as he packed his bags and got ready to leave.

Yang Ming took Hou Zhenhan's car key and returned to his room. He watched TV out of boredom.

Ha, there's actually Phoenix Television[1] here? Yang Ming didn't really like watching these entertainment programs, but Yang Ming's gaze stopped on the TV screen!

It was because the large font on the screen had displayed a few words – Shu Ya Interview – New Year's Day special program. This program was a replay, not a live broadcast. Now the New Year's Day had passed. However, Yang Ming didn't care. He wasn't a dedicated celebrity fan that he needed to watch a television program bounded by time.

Shu Ya? Yang Ming put down the remote control and stared at the TV screen with interest. For this celebrity, Yang Ming was still concerned about it. If not for anything else but just because he was stupid enough to spend a large sum to buy a ring from her. However, coincidentally, this ring was the one that he gave to Su Ya in the past!

Therefore, Yang Ming couldn't help but pay more attention to this celebrity who had a similar name to Su Ya.

Yang Ming did think that this Shu Ya was the Su Ya from the past, but the difference in appearance between them was really too big, right? Although they were both sweet and pleasing, they were just two different people!

Women change at 18 years old, but at least the outline won't change. On the TV, this Shu Ya had no shadow of Su Ya at that time, so Yang Ming had to give up his guess.

It's just that this Shu Ya wasn't the Su Ya from that year. Just from the fact that she had the ring which he gave to Su Ya meant that there may be some connection between Shu Ya and Su Ya.

So Yang Ming began to pay attention to this person called Shu Ya.

"Later, let us invite our huge celebrity, Shu Ya..." This program was a high-profile variety show in Hong Kong. This host was also popular.

"Hello everyone..." Shu Ya came on the stage leisurely, and then she sat down beside the host.

"Welcome, Miss Shu Ya. Thank you for participating in our XXXX program." The host and Shu Ya shook hands and then began to talk about nonsense topics. It was all about some of the latest information about Shu Ya. After a long time, the topics changed. "Miss Shu Ya, I heard that in the new album that you are about to release, there is a hit song called "Our Commemoration" which was about the ring that you auctioned off before. Is that right?"

"..." Shu Ya was silent for a while and then nodded. "Yes, I personally wrote the lyrics of this song."

"Oh ? It turns out that it is really like this. It seems that the rumors are true!" The host pretended to be surprised and exaggeratedly opened his mouth. "This song is very sad, whether it's the melody or lyrics. I would like to ask Miss Shu Ya. Since the ring is so important to you, why are you selling it?"

"Can I not answer this question?" Shu Ya sighed and smiled reluctantly. "People are impulsive sometimes, right? I am no exception."

"Okay, then we won't discuss this issue." The host also saw Shu Ya's dissatisfaction. This was a live broadcast. She didn't want to influence the atmosphere of the program because of this. "According to the report of XX Weekly, someone saw you and Zhong Xiaotian walking in and out of a three-star hotel. Is this true?"

"Probably wrong?" Shu Ya showed a surprised expression. "There aren't photos. How can this news be believed?"

"Hehe , but anyway, the outside rumors are that you and Zhong Xiaotian are having a relationship. Is this thing true?" The host never forgets to dig into Shu Ya's privacy.

"Of course not. I have already said that my heart belongs to someone." Shu Ya smiled.

"Can you reveal what he does?" The host asked quickly.
