

So Pure 701

Chapter 701: Invitation to Join

After talking with Shen Yueping for a while, Yang Ming told Shen Yueping about the idea to have Lin Zhiyun go to the company and help. Shen Yueping was supportive of it.

"Yun Er, when you go to Little Yang's company, you must learn with humility. You can't take advantage of being Little Yang's girlfriend and act spoiled and arrogant. You must keep a normal heart!" Shen Yueping said without fear, "You have such a unique opportunity. You must cherish it!"

"Mom, don't worry. I won't..." Lin Zhiyun's face was slightly flushed. Her character was also destined not to act spoiled and arrogant.

"En, it is great that you understand." Shen Yueping nodded and said, "Although the company is opened by Little Yang, it is a partnership between two people, not his own family."

"Auntie Shen, you can rest assured that Zhiyun isn't such a person. I know it best, otherwise, I can't put her in this position." Yang Ming explained with a smile.

Shen Yueping listened to Yang Ming's words and she was relieved. She still believed in Yang Ming's words.

Since the matter was discussed, Shen Yueping would no longer be a third wheel, so she got up and said, "I will go to the kitchen to wash vegetables. You two can play around."

After Shen Yueping left, Yang Ming hesitated for a long time and felt that the matter about Li Dadong should be discussed.

"Zhiyun, what do you think of Li Dadong?" asked Yang Ming.

"En? Why do you suddenly ask this?" Lin Zhiyun was embarrassed. "Didn't I say it? I always thought of him as my big brother."

"Hehe, I'm not asking you this. What are you nervous about!?" Yang Ming looked at Lin Zhiyun with a smile. "I mean, what do you think of Li Dadong's character?"

"Oh..." Lin Zhiyun was a little shy as she misunderstood the meaning of Yang Ming's words. She lowered her head in response. "Brother Dadong has a great character. He is a good person without sly intentions..."

"En, I also observed him carefully and thought that his character is still good." Yang Ming continued, "If I let Li Dadong come to the jewelry company to help, what do you think?"

"Ah? Let him come?" Lin Zhiyun was caught off guard and blurted out, "Will you be at ease?"

"Why wouldn't I feel at ease?" Yang Ming smiled and looked at Lin Zhiyun's blushed face.

" Ugh ... I mean... that..." Lin Zhiyun stammered. The words she just blurted out was unintentional. Now, it was too flirtatious as she thought about it. She quickly explained, "I mean, aren't you afraid that Brother Dadong would deliberately do something to damage the company's affairs...?"

However, when this was said, Lin Zhiyun felt that something was wrong. *I have already said that Li Dadong's character is good without sly intention. At this moment, aren't I contradicting myself?*

Sure enough, she heard Yang Ming say, "Zhiyun, you can't lie, right? Didn't you say that Li Dadong has a great character? Why did you turn around and say that he would cause damage?"

"I... I... Ai , anyway, I mean, Brother Dadong, the way he sees me... You should understand. With that, can he work well?" Lin Zhiyun forced herself to say it.

"Some matters can never be solved without facing it." Yang Ming smiled and said, "Let Li Dadong accept this fact more quickly, and save him from despair. This is the best way to go about it."

Yang Ming did this with another purpose. It was to show his strength in front of Li Dadong. In fact, it was also good for Li Dadong, letting him know that he couldn't reach Yang Ming's height in any way. It would absolutely shut off his intentions for Lin Zhiyun.

"Maybe you're right... Well then, when I meet Brother Dadong next time, I will ask for his thoughts."

The time was almost up. After giving a call to Zhao Sisi, Yang Ming learned that the company had been restored. Yang Ming and Lin Zhiyun were ready to leave for the company.

Just as Yang Ming left the house, he saw Li Dadong and his two friends approach in his direction. The three of them were talking loudly. Li Dadong seemed to be worked up as he didn't notice Yang Ming and Lin Zhiyun who weren't far away.

"Zheng Zetao, if you're still my friend, don't mention it again! I, Li Dadong, knew myself that I might not be a gentleman, but I would never do what you said!" Li Dadong said loudly, "It's too wicked. The damage to Zhiyun would be huge!"

"Dadong..." Zheng Zetao saw Lin Zhiyun not far away and quickly warned Li Dadong.

It was unexpected that Zheng Zetao was interrupted by Li Dadong. "Don't say it again. I would never agree! Don't bring up the methods from the underworld again... Zetao, did you mingle with your brother in the bathing center too much? You seem to be contaminated by the habits from these punks. You were not like this previously!"

"Dadong, look at who is in front of you?" Yao Yang noticed that Li Dadong's words would easily reveal it, and he quickly patted his shoulder.

" Ah ?" Li Dadong looked up and saw Yang Ming and Lin Zhiyun approaching. He was surprised, "Yang Ming, Zhiyun, you..."

"Li Dadong, I really didn't misjudge you!" Yang Ming walked over and patted Li Dadong's arm gratifyingly. "You knew what is right and wrong. That is great!"

Yang Ming wasn't stupid. From Li Dadong's words, he probably grasped it somehow. Zheng Zetao probably wasn't a good person at first glance. How could his advice be any better? It was nothing more

than lobbying Li Dadong to use some despicable means to get Lin Zhiyun. But Li Dadong had refused it resolutely, indicating Li Dadong, was a person with strong principles and a strong sense of justice and was not tempted by interests.

“Damn, who are you, kid?” Zheng Zetao was just upset. If it wasn’t Li Dadong stopping Zheng Zetao, Zheng Zetao would have given Yang Ming a lesson. Now, Yang Ming’s words meant that Zheng Zetao was evil, and Li Dadong was good. How could he be not angry?

“Li Dadong, let me advise you, this kind of friend, just forget about them. Don’t think that he is helping you. He is killing you!” Yang Ming threw a cold gaze at Zheng Zetao and said, “The sh*t idea he gave you, it will ruin you.”

What Yang Ming said was true. If Li Dadong dared to have any ill thoughts about Lin Zhiyun, he would die badly.

“Zetao was also doing it for my sake...” Li Dadong was troubled. Yang Ming lectured Zheng Zetao directly, putting him in a dilemma.

“F*ck off. How many years of friendship do you have with Dadong? What kind of thing are you? Let me tell you this. If Dadong was asking for your grievance, today I would let you lie down! You won’t know your worth if I don’t cripple you!” Zheng Zetao said loudly.

Yang Ming squeezed the fist of his right hand and then let go again. He shook his head and said, “I have already said what I needed to. You think about it. As for your friend, I don’t want to say anything more. In Song Jiang, there are really few people who dared to talk to me like this!”

And the only few were Yang Ming’s parents and his women.

Zheng Zetao had a disdainful face. He had seen madness, but had never seen such madness as Yang Ming! Moreover, those people who were mad had their capability. What did Yang Ming have? He only had a bigger fist. In a one-on-one duel, Zheng Zetao was definitely not Yang Ming’s opponent. Therefore, Zheng Zetao didn’t dare to make a move first without help. So, he only stood aside and sneered.

“Right, Brother Dadong, I’m going to Yang Ming’s company to take a look. You can also come along with us to visit.” Lin Zhiyun suddenly remembered what Yang Ming had said at home before, so she invited him.

“Company? Okay...” Li Dadong didn’t think much about the company or what the company did specifically. Just because Lin Zhiyun invited him, he subconsciously agreed.

And Zheng Zetao over there was full of mockery. “What company? Dadong, don’t listen to him fooling around!”

“Right, Zhiyun, what the hell is going on? What company?” Li Dadong reacted at this moment, asked Lin Zhiyun, baffled.

“Dadong, didn’t you notice it? Your Sister Lin and her boyfriend are fooling you with their words!” Zheng Zetao said sourly.

“No, Brother Dadong, what I said is true...” Lin Zhiyun noticed she was suspected and she became worried.

“Let’s go, Dadong. Let’s go and take a look at what kind of company it is in the end!” Zheng Zetao decided that this was just a lie coming from Yang Ming and Lin Zhiyun, or maybe Lin Zhiyun was the victim! Zheng Zetao was worried about not having a chance to retaliate. At this moment, he felt that he had gotten an opportunity and he wanted to embarrass Yang Ming.

Although Yao Yang didn’t speak, his heart also had a general idea. At this time, after listening to Zheng Zetao’s words, he nodded and agreed.

“If this is the case, then let’s go together.” Yang Ming glanced at Zheng Zetao and Yao Yang. How can he not know their intentions? But, Yang Ming didn’t point it out clearly.

Chapter 702: A Change

“Brother Dadong, this...” Lin Zhiyun was a little embarrassed. She only invited him at first, but the two that Yang Ming hated the most had to follow him.

“Zhiyun, if they want to follow then let them follow!” Yang Ming naturally understood the thoughts of these two guys. He noticed Li Dadong’s awkward expression, so he simply allowed them to follow.

“I’m sorry...” Li Dadong smiled bitterly.

Yang Ming didn’t say anything. He held Lin Zhiyun’s hand and walked out of the alley.

“Are we going to take the bus?” Zheng Zetao said in a peculiar manner. Yang Ming’s direction wasn’t toward the main street. Under normal circumstances, there would be no taxis passing by. Therefore, Zheng Zetao said, “We don’t want to squeeze in the bus. How about you tell us the place? We will take a taxi ourselves!”

“Zetao... Ai .” Li Dadong was helpless, but he had no way to go about it at all. Zheng Zetao had changed. He was no longer the person Li Dadong met in school, the Zheng Zetao, who emphasized the brotherhood code! The current Zheng Zetao had become very arrogant.

Yang Ming didn’t bother with him. He walked out of the alley and directly took out the car remote control, and unlocked the door of the BMW.

Zheng Zetao and Yao Yang were obviously shocked. Even Li Dadong was a little surprised. He didn’t expect Yang Ming to actually have a car! And it was a luxurious BMW X5! Lin Zhiyun was clear about the background of Yang Ming, so she didn’t feel anything unnatural.

He first opened the front passenger’s door and let Lin Zhiyun go in. Then he said to Li Dadong and the other two, “Big Winter Melon [1], get in the car. *Oh* , yes, aren’t you two going to take a taxi?”

Zheng Zetao found it unbelievable at the moment, but at this point, he had to admit that he misjudged Yang Ming. *It is no wonder that Yang Ming is so calm. It turns out that he has the capital to be calm!*

Zheng Zetao originally was the kind of person who bullied the weak and feared the strong. Now that he saw Yang Ming had power, he began to worry. *I have ridiculed him for a long time. Will Yang Ming hold a grudge against me? Now, it is imperative to find out Yang Ming's background to see how capable he is.*

Thinking of this, he quickly said, "Since there is a car, why should we still take taxi?!"

It was true that Zheng Zetao was overestimating Yang Ming. Would Yang Ming hold a grudge? This little character wasn't worthy of Yang Ming holding a grudge.

If people are shameless, they are invincible. Yang Ming didn't expect Zheng Zetao to change so quickly. Although he was baffled, it was inappropriate to say anything. Anyway, it was just a few of them. Since they were willing to squeeze in the back, then let them squeeze.

"Bro, what does your company do?" On the way, Zheng Zetao couldn't hold it anymore. He was the only one who stirred up the most trouble just now. Yang Ming's sole target to find fault with would be Zheng Zetao. Yao Yang barely spoke.

Therefore, he started his attempt to figure out Yang Ming's background. When he saw Yang Ming's luxury car, he understood that the company that Yang Ming talked about was really true.

Yang Ming snorted and said with disagreement, "See it for yourself later if you have eyes."

Zheng Zetao had suffered a loss but he didn't dare to be angry. He usually met a lot of people in his own big brother's bathing center. He also met a lot of ruthless characters, so he didn't dare to be dissatisfied with Yang Ming.

Yang Ming stopped the car on the business street, parked the car in the parking lot in front of the jewelry company, and then he got out.

"Brother Yang!" A few black-shirted youths greeted Yang Ming.

These people were security guards sent by Bao Sanli. They had already recognized Yang Ming's photos previously. However, even if they didn't know Yang Ming, they could still recognize Hou Zhenhan's previous car.

Yang Ming nodded and smiled. "Thank you for your hard work."

In the coldest time of the year, these people were frozen on the street for the jewelry company's safety. Yang Ming naturally had to ask out of concern.

"This is what I should do, Brother Yang!" said the lead black-shirted man. Apparently, he roughly knew Yang Ming's identity. He was particularly surprised by Yang Ming's praise.

"What is your name?" asked Yang Ming.

"Yang Guolong," said the black-shirted man.

"We are from the same family. Do it well, and I won't treat the brothers unfairly." Yang Ming patted Yang Guolong's shoulder and spoke.

"Yes, Brother Yang!" Yang Guolong replied in a hurry. His eyes filled with excitement.

Yang Ming at this moment set off a storm in the heart of Zheng Zetao! He finally believed that Yang Ming wasn't ordinary! However, he began to worry again. It seemed that Yang Ming's strength was definitely not weak.

"Those are also our brothers?" Yang Ming looked at the black-shirted men who were patrolling in all directions.

"Yes, all of them were sent by Brother Bao. They are the brothers of the security company." Yang Guolong replied.

"There are so many people. It is not needed." Yang Ming thought about it and said, "Let's have some of the brothers go to rest first."

"Brother Yang, how can that be? The safety of the company is the first priority!" Yang Guolong said.

"They should go and take a break. If anything happens, they can still manage to arrive on time. Let them carry a walkie-talkie with them all the time. If there is a situation, support them immediately." Yang Ming informed, "Taking shifts like this won't be too tiring, okay?"

"But..." Yang Guolong knew that Yang Ming was telling the truth, but Brother Bao's order was that everyone had to guard in a formation. None of them could take a break.

"What's wrong? Is there a problem?" Yang Ming looked up at Yang Guolong and said, "Is it Bao Sanli?"

"Yes, Brother Bao ordered us to guard in a formation..." said Yang Guolong.

"Didn't Bao Sanli tell you to listen to my arrangement when you are here?" Yang Ming said with a serious tone.

"Yes, Brother Yang! I know what to do!" Yang Guolong said quickly, "Brother Yang, I thank you on behalf of our brothers."

"It is me who should thank you guys. Aren't you guys protecting my company?" Yang Ming waved his hand and smiled.

Li Dadong didn't know who the so-called "Brother Bao," Bao Sanli, was, so he didn't feel anything. But Zheng Zetao was different. His big brother was running a luxury bathing center, so he often had access to the underworld's happenings. The name "Bao Sanli" had a huge reputation!

Therefore, Zheng Zetao was dumbfounded instantly. If the Bao Sanli that Yang Ming spoke of, was that Bao Sanli, then it was a simple matter to kill him!

When Yang Guolong left, Zheng Zetao moved slowly to face Yang Ming with fear and trepidation. Then he whispered, "Yang... Brother Yang, the Bao Sanli, Brother Bao that you guys mentioned, is it that... that... Brother Bao?"

Yang Ming looked at Zheng Zetao's appearance and smiled. "Probably, he is the one you said. He's running the Nightless Club."

"Ah!" Although he was already aware of it, Zheng Zetao was still scared at this moment. Such a big shot, like Bao Sanli, how could he have a chance to contact him? However, after the panic, he quickly

said, "Brother Yang, what you said is right. I have just drunk a lot of alcohol so I was a little confused. Just now, in Brother Yang's BMW, I was sobered up by the wind outside. If I said anything wrong, Brother Yang please just think that I was bullsh*tting just now..."

"I didn't seem to open the window before, right? I remember that I turned on the heater, right?" Yang Ming smiled.

"It's the same... Whether it is the southeast wind or the northwest wind, as long as it can wake me up, it is a good wind!" said Zheng Zetao.

"Okay, I know your intention. You are afraid that I'm still holding a grudge and will take revenge on you, right?" Yang Ming looked at Zheng Zetao and said.

"Hehe ..." Zheng Zetao's thoughts were exposed, and he laughed hollowly.

"Don't worry. I'm too lazy to care about you." Yang Ming waved his hand and said, "I have so many things to handle each day. I don't have time to look for you for trouble."

"Thank you, Brother Yang..." Zheng Zetao was joyful as he said quickly.

Logically, Zheng Zetao was a bit too flattering. But if you understand the current situation of the Zheng Family, you wouldn't say so. The Zheng Family relied on running the bathing center to get rich. It didn't have a deep background. It was just well-managed and it encountered the opportunity to grow. Moreover, under the management of the Zheng Family's boss, who was also the elder brother of Zheng Zetao, it had known a lot of dignitaries. Therefore, the bathing center was growing. Now it had become a full-service club.

The Zheng Family's club was open in Donghai. However, there had been some problems recently because there was a little bit of a trivial matter with a son of a dignitary from Donghai. But this son had a background. He was known as one of Donghai's four young masters.

Originally, they thought that they could solve it using a lot of money, and the boss of the Zheng Family had found some reputable men to help them, but the mediation failed. Because the other party had only one condition, it was to have the Zheng Family's club close. Zheng Zetao knew the background and relationship of Yang Ming. He was suddenly moved. Maybe he could start with Yang Ming to see if he could find some connections. Maybe he could have the Donghai young master let go of the Zheng Family.

As a result, bad things might become a good thing! Therefore, Zheng Zetao was particularly flattering.

Chapter 703: The Company's Composition

"Zhao Sisi, how is it?" Yang Ming walked through the company's door and saw the busy Zhao Sisi.

"Yang Ming, you're here." When Zhao Sisi saw Yang Ming, she put down her work, looked up and said, "It's almost done. I will finish up right away."

After Zhao Sisi said that, she said to the people who were cleaning up, "You all should work faster. You all should be acquainted. This is the company's General Manager Yang."

"Hello, Manager Yang!" These employees quickly greeted as they heard that the CEO of the company was here.

"Everyone can get on with your work!" Yang Ming nodded to these people.

Seeing the size of Yang Ming's company, Zheng Zetao was even more convinced that Yang Ming was someone with a solid background, so he took the initiative to pick up the extra rags and help the employees.

However, Yang Ming frowned. *Is this Zheng Zetao a bit too diligent? If he is afraid that I would retaliate against him, I already said that I won't cause him trouble. Now when he is still like this, it's hard for me to say anything.*

The one who was unaccountably solicitous was hiding evil intentions. Yang Ming thought a little about it and understood Zheng Zetao's intentions. This guy must be taking the opportunity to seek connections with Yang Ming, but Yang Ming didn't expect that Zheng Zetao wanted to smooth relationships for his family through Yang Ming.

Li Dadong was a straightforward person who didn't know how to be tactful. He couldn't help but wonder about Zheng Zetao's sudden change which was somewhat inexplicable. "Zetao, what's wrong with you?" Before that, whatever Zheng Zetao told Yang Ming was said behind Li Dadong and Yao Yang's back.

"Ha

, it's nothing. I am idle anyways, so I thought I can help out with something!" Zheng Zetao said with laughter.

"Right, Zhao Sisi, this the Lin Zhiyun that I've mentioned to you. She is also from our school, and she is studying economics. She is here to help me take care of the company." Yang Ming ignored Zheng Zetao. Since he was willing to torment himself, Yang Ming just let him be. Instead, he turned and introduced Lin Zhiyun to Zhao Sisi.

"Hello, Lin Zhiyun. I'm Zhao Sisi. You can call me Sisi from now on." Zhao Sisi reached out with a friendly hand. She vaguely knew about Lin Zhiyun's identity from Zhang Bing. Naturally, she needed to be friendly toward this girl who had an undefined relationship with Yang Ming.

Although as a woman, she didn't agree with Yang Ming's approach, Zhao Sisi was the kind of girl who had a sense of the overall situation. Moreover, everything she did now was centered around Zhang Bing, and Yang Ming was Zhang Bing's best friend. She naturally wouldn't embarrass Yang Ming.

"Hello Sisi, then you can call me Zhiyun." Lin Zhiyun quickly shook hands with Zhao Sisi.

To be honest, Zhao Sisi's strength lay in advertising and public relations. She wasn't good at the management of the company. Zhang Bing was the one who managed it a while ago. After all, Zhang Bing had the help from his father who was also a boss, so dealing with the problems of some company operations wasn't difficult. Zhao Sisi had just been assisting.

But these days, Zhang Bing was hospitalized. The entire company's burden was all on Zhao Sisi's shoulders which made her feel a little helpless. This time, Zhao Sisi saw that Yang Ming had found a helper who was studying economics at school. She was naturally very happy.

"Li Dadong, how about you? Would you like to stay and help with the company?" Yang Ming asked Li Dadong, who had a blank expression. The name for him had also changed from the original "Big Winter Melon [1]" to the current Li Dadong.

"Ah? Me?" Li Dadong was stunned, thinking that he didn't hear it clearly. "You mean you want to hire me? To come to your company?"

"Yeah." Yang Ming smiled and nodded. "Do you have this idea?"

"This company?" Li Dadong asked with uncertainty.

"Yes, this is the company." Yang Ming replied.

"Lin Zhiyun, too?" Li Dadong still didn't believe it.

"She is also here," said Yang Ming affirmatively.

"Then why are you still hiring me for?" Li Dadong was even more inexplicable. *Logically, others try their best to hide from their enemy. They would do anything to keep their love rival as far away as possible! But this Yang Ming actually put me next to Lin Zhiyun? What does this mean?*

"I'm hiring you to the company to help!" Yang Ming shrugged. "I am hiring you at the company, naturally, to help."

"But..." Li Dadong was confused. He didn't understand what Yang Ming wanted to do. *Is he really sincere, or is he testing me? Or is there any conspiracy?*

"Li Dadong, don't think too much." How could Yang Ming not see Li Dadong's concerns? So, he said, "Actually, Zhiyun always regarded you as her brother, now and always. Both of you can't be lovers, but that doesn't mean both of you can't be each other's loved ones! All this while, you haven't been to Zhiyun's house, right? You've been avoiding Zhiyun?"

"This isn't the result that Zhiyun and I are willing to see. Now our generation is basically single-child. There aren't brothers and sisters in the family. Moreover, if Zhiyun can have you as a big brother who is closer than her big brother, it is also a kind of happiness.

"Now, you're destroying this happiness! Therefore, I have created an opportunity for you. I hope you can hold on to it. Of course, whether you're willing or not, you have to think about it yourself. I won't force you."

"This... let me think about it..." Li Dadong couldn't help but feel moved when he heard Yang Ming's words. Yang Ming was telling the truth. *During this time, I was indeed avoiding Lin Zhiyun!*

Because he was very awkward, he didn't know what to say after meeting her! Li Dadong regretted his recklessness. On that day, if he didn't impulsively confess his feelings for Lin Zhiyun in front of her boyfriend, then this awkwardness right now could've been avoided.

Looking back now, in fact, the relationship and feelings between me and Zhiyun were actually quite good. Zhiyun was very dependent on me and regarded me as her big brother. I just thought that this brother and sister relationship would slowly evolve into love.

However, the rapport and goodness of all these things were gone, so Li Dadong found his high school friends to drink with when he reached an extremely depressed point.

Now, Yang Ming gave him a chance to repair his relationship with Lin Zhiyun, but Li Dadong was hesitant. After all, this was Yang Ming's company. Although Li Dadong didn't see Yang Ming as the kind of person who would conspire in the shadows, Li Dadong still felt weird.

"Well, I will give you time to think about it. Once you've made up your mind, give me a reply," said Yang Ming.

After letting Li Dadong go back to think about it, Yang Ming was staring coldly at Zheng Zetao who hesitated to leave. "What? What's the matter?"

"No... nothing... Brother Yang, can you give me your contact details?" Zheng Zetao asked carefully.

"Contact details? What do you want my contact details for?" Yang Ming frowned.

"That... that... it's like this. I noticed Li Dadong go in a hurry and you didn't leave your contact information. Didn't you let him think about it? Once he has made up his mind, how is he going to let you know if he doesn't have your contact details?" Zheng Zetao said in a serious manner, "I am thinking about asking for him."

"So it's like this." Yang Ming noticed Zheng Zetao's selfishness, but he still gave his cell phone number.

Zheng Zetao quickly saved the number in his cell phone, and only then did he reluctantly get up to leave.

The designer invited by Old Buffon wasn't ordinary. The jewelry designed was noble and elegant. Zhao Sisi had transferred some completed samples from the computer and discussed it with Yang Ming and Lin Zhiyun.

"I think these are all good. Let's hurry up and let the factory work. It's going to be Valentine's Day soon. Although we are taking the high-end route, there are still a lot of rich couples." Yang Ming said, "In the future, both you and Zhiyun can make these decisions. Zhang Bing and I will be the hands-off bosses!"

"Zhang Bing? I can't let him be as leisurely as you are. After he gets released from the hospital, I have to let him come." Zhao Sisi smiled and said.

"Those are your family's matters. I won't meddle." Yang Ming waved his hand.

Lin Zhiyun's ability to adapt and learn was very strong. Although she didn't like to talk much, she had the demeanor of a strong businesswoman. Of course, this was just a look. Lin Zhiyun's character wasn't that ruthless.

This kind of person can do business, but her ability to handle the subordinates wasn't as great. She could only use her personality and charm to influence them, but she couldn't treat her subordinates too harshly, because Lin Zhiyun couldn't be ruthless. This was her weakness.

Li Dadong, however, was just enough to make up for Lin Zhiyun's weakness. As it could be seen from the usual contact, Li Dadong was the kind of person who wasn't crooked. It was just right for managing the company's personnel and discipline.

This kind of iron-faced god[2], I believe that anyone would be afraid after encountering him.

As Yang Ming thought about the company's matters, Li Dadong was also beginning to worry about today's happenings. Should he or should he not accept Yang Ming's invitation?

Chapter 704: Do You Know Yang Ming Too? (A)

Li Dadong was hesitant. It wasn't because of his academic problems. People who went to university knew that the personal time at the university was quite loose. Moreover, some subjects weren't managed strictly. The lecturer wouldn't take roll call. As long as the exam was passed, they would turn a blind eye to it. Therefore, working at Yang Ming's company wouldn't take up Li Dadong's study time. For Li Dadong, this was also a great opportunity!

With the saturation of college graduates, finding a job had become a serious problem! With the popularization of university education, society wasn't as welcoming toward the original high-level intellectuals of college students. There was almost no difference between college students looking for work and junior college students or even secondary school students who had never attended college.

A diploma didn't represent anything. With a saturated job market, there weren't many jobs available for graduates to go to work in, not to mention the numerous graduates from the past and unemployed youth.

Although Li Dadong hadn't looked for a job, he heard it all day long. It was even reported on TV and newspapers frequently. He also understood the current situation.

Therefore, Yang Ming's invitation made him tempted. Moreover, Li Dadong also understood that Yang Ming didn't create the opportunity for him to pursue Lin Zhiyun but rather helped him face his relationship with Lin Zhiyun and the shadow of his feelings.

"Brother, where are you?" Li Dadong hesitated for a long time and couldn't make up his mind, so he decided to call his cousin to discuss it.

Nowadays, all the families basically only had one child, and the cousin was the closest brother and sister. Li Dadong had a good relationship with this cousin since he was a child. Usually, if he had any knots in his heart, he would look for his cousin to discuss it.

"Big brother, it's you. What's the matter?" Li Dadong's cousin picked up the phone and asked.

"Brother, are you free? Big brother wants to discuss with you a little bit..." Li Dadong said.

" Oh

? That works. You wait for me. I need to ask for a leave from my leader.” Li Dadong’s cousin said.

“Then I’m waiting for you. Come to my house and drink two glasses with me!” Li Dadong said.

“Do you have any food at home? Forget it. Your Dad – my uncle – will be scolding us again!” Li Dadong’s cousin said, “Let us go to the food stall behind the business street and let me treat you! Today, I just got my commission and we can celebrate.”

“That is fine. I will arrive in twenty minutes.” Li Dadong said.

“I am similar as well. Let us just meet at Old Man Wang’s Barbecue Stall!” Li Dadong’s cousin said.

Hanging up the phone, Li Dadong’s cousin turned around and walked into the manager’s office next door. “Manager Liu, my older brother just called. He needs me for something. I will take an earlier leave today. Is that alright?”

“No problem. Go ahead if you have something!” Manager Liu nodded with a smile.

“Thank you, Manager Liu!” Li Dadong’s cousin thanked Manager Liu before he turned around and left Manager Liu’s office.

Some people might have guessed it. Indeed, Li Dadong’s cousin was Li Dagang, a good buddy at Yang Ming’s High School. Manager Liu, recently also vaguely learned of Yang Ming’s background, so he took extra care of Li Dagang.

After Yang Ming bought the house, there were a lot of small things and procedures that he had no time to attend to, so he sent Bao Sanli to do it. Since Bao Sanli didn’t do well at the previous incident, he was worried that Yang Ming wouldn’t put him in his eyes. This time, when he noticed Yang Ming had things for him to do, he quickly worked on it.

Originally, Bao Sanli wouldn’t personally do these petty matters. He could just delegate to an underling, but because it was Yang Ming who was ordering it, Bao Sanli had to be cautious.

Manager Liu might not know certain people in Song Jiang but he couldn’t miss Bao Sanli! Bao Sanli personally came to manage the matter of the certificate of property ownership which made Manager Liu looking at him blankly! No wonder Yang Ming was a bad*ss in the past as he sat there and said nothing. Even Miss Xu’s boyfriend was scared!

What is the use of having an underworld background? The biggest underworld head of Song Jiang is Yang Ming’s errand boy!

Manager Liu was full of cold sweat. Fortunately, he didn’t speak for Miss Xu the other day, otherwise, he would be finished.

When Li Dagang arrived at the food stall, Li Dadong just arrived as well. Li Dagang was familiar with this place. When he was at school, he was drinking here with Yang Ming and Xu Peng.

“Brother, you’re fast!” Li Dagang’s company wasn’t close to here, so Li Dadong commented as such.

“Wouldn’t I be fast if I came by taxi?” Li Dagang smiled. “What’s wrong? By your expression, you seem depressed. What’s the matter?”

"Let's sit down and talk about it..." said Li Dadong undecidedly as he found an empty chair and sat on it.

"Sure." Li Dagang wasn't in a hurry. After sitting down, he shouted to the waiter, "Waiter, give me thirty skewers of kebabs, ten beef kidney skewers, five lamb chops, two bottles of beer!"

"Alright!" The waiter took note of what Li Dagang wanted and went to work.

"Spill it. What's the matter?" said Li Dagang as he started preparing the garlic.

"Brother, Lin Zhiyun, do you know her?" Li Dadong hesitated.

"I know. Isn't she your childhood sweetheart?" Li Dagang still knew about Li Dadong's matters well.

"Childhood sweetheart..." Li Dadong sighed. "She has a boyfriend now..."

"What?" Li Dagang was shocked. "What happened? It's not you?"

"It would be great if it was me..." Li Dadong shook his head with a wry smile. "But, I thought through it, too. Lin Zhiyun had always regarded me as a big brother. She never had that feeling in the past! Love isn't something that can be forced. She also has the right to pursue her own happiness..."

"Damn, if you managed to think through it, why are you still looking for me? Do you have nothing else to do?" Li Dagang was somewhat inexplicable. He naturally knew that love couldn't be forced. Since big brother had come around to the idea, what the fart did he need to be worried about?

"It isn't about this... It is another thing..." Li Dadong paused and said, "Lin Zhiyun's boyfriend wants to invite me to his company to help... Lin Zhiyun is also in the company..."

"So rich? He even has his own company?" Li Dagang was surprised. "But, I don't quite understand what you said. Her boyfriend asked you to go to his company? Are you sure you're not mistaken?"

"Of course not, or I can't be bothered!" Li Dadong waved his hand. "I'm hesitating whether to go or not!"

"Wait... Why do I find it inexplicable? Does Lin Zhiyun's boyfriend know you like Lin Zhiyun?" asked Li Dagang.

"He knows..." Li Dadong nodded.

"What!? What the hell is he thinking? Why am I dumbstruck?" Li Dagang patted his head and said.

"Brother, in fact, the story is simple. Lin Zhiyun's boyfriend knows that Zhiyun doesn't like me and she had always taken me as her big brother. This time, he told me to go to the company to help me wake up, stop me from indulging in the shadow of a missed love and walk a path out by myself!" Li Dadong told Li Dagang what Yang Ming intended.

"That is a gentleman! A pure one!" Li Dagang praised with sincerity as he slapped his thighs. "Why are you still hesitating? I think Lin Zhiyun's boyfriend isn't someone who is narrow-minded. Since you have such a good opportunity, what do you need to hesitate about?"

"But I'm afraid that I would be even more awkward after I go..." Li Dadong worried.

"You just need to keep your integrity and then there will not be any awkwardness!" Li Dagang shook his head. "Big brother, if I were you, I would make this choice!"

"I got it... well, don't mention this first. Let's drink!" Li Dadong noticed the kebabs were served so he poured himself a beer and spoke.

"Well, let us drink first." Li Dagang also poured himself a cup and then chewed up the steaming lamb skewers.

A few glasses of beer went down to their stomachs. Li Dadong's face showed a slight faintness. As a person, he wasn't so upset. The two of them chatted with laughter about other incidents.

"Old Man Wang, do you have an empty table?" When their chat came to a climax, a few macho men who seemed like punks came across and asked the boss of the barbecue stall, Old Man Wang.

"I'm sorry. We are full. How about you guys come again next time?" Old Man Wang said apologetically.

Old Man Wang's Barbecue Stall was old-fashioned. It was famous among the food stalls. There were many people who came here to eat. When it came to the time to eat, there were almost no seats.

"That is really disappointing!" The leading macho man snorted as he turned and left.

One of his men glanced around, scanning the guests of the food stalls, and he walked straight to Li Dadong's table...

"You two are occupying such a large six-person table. Go sit with the people over there. My boss is going to eat here!" said the underling to Li Dadong and Li Dagang directly.

Chapter 705: Do You Know Yang Ming Too? (B)

Those who had a drink here tended to talk about their worries. Everyone talked about their own matters, and they didn't interfere with each other. Who would want to share a table with others? At that time, not only can't you talk, but you wouldn't feel happy if you are drinking alcohol. You would feel restrained when eating your dinner, too.

Li Dagang frowned. He wasn't a good person previously. He used to mingle with Yang Ming in the underworld. He had guts to do anything. He would beat up anyone without hesitation.

However, now he had become a good citizen. Besides, his cousin was here. Li Dagang knew that his cousin's temper wasn't the kind of person who would stir up trouble, so he didn't become enraged on the spot.

Besides, the other party had a lot of other people, and they had only two. Although if they really fought, his cousin, Li Dadong, definitely would not just stand aside. But after all, he wasn't a character who could fight. There was almost no difference in having him there.

"We are talking about something. It is inconvenient to share a table with others." Li Dagang said to the man.

" *Heh* , you are quite arrogant. Do you know what my boss does?" In fact, if this matter happened at a normal time, it wasn't a big deal. Recently, Song Jiang's underworld executives had been strict to their underlings. They were not allowed to harass civilians. However, Li Dagang disrespected them in front of so many people. They were a little embarrassed, so they said this.

"Do you know what my boss does?" Since Li Dagang met Yang Ming last time, he saw the series of things that happened with Yang Ming. He knew that Yang Ming wasn't normal now. Probably the people in the underworld had to give face. Otherwise, Guo Jianchao, who had an underworld background, wouldn't have left in vain.

"Your boss? You are also from the underworld?" The underling was stunned. He thought, *Don't offend my own people from the same gang because of unfamiliarity! The taboo in the underworld is fighting with your own people. If he is really one of us, then I will certainly be punished if my boss learns about it!*

Of course, the boss here wasn't his direct boss, but the big shot above. It would be the few men, Bao Sanli and Hou Zhenhan.

"He isn't really in the underworld. My boss is Yang Ming. Do you know him?" said Li Dagang, giving it a try.

"Yang Ming? Who?" The underling was inexplicable, but there were too many small bosses in the gang. How could they know each one of them? So he said, "Where is his territory?"

The underling didn't know about that, but the strong man who was the leader trembled with fear. He quickly ran over and kicked his underling. "F*ck, can't we eat at another place if there are no seats? Do you want to show your big *ss?"

The underling was ashamed of being kicked by him. He didn't know what was going on. He only heard his boss saying respectfully to Li Dagang, "Brother, I'm sorry. My underling doesn't know the rules. I will punish him when we go back! Sorry for troubling your dinner. This meal is on me. I will pay the bill..."

"There is no need for that. We haven't finished yet. We need to order something else in a while." Li Dagang didn't think that the name Yang Ming was so good. The trouble was solved after he simply mentioned it.

"This is a must, a must..." The boss took out his wallet from his pocket and took out five hundred yuan from it. He handed it to the owner of the barbecue booth, Old Man Wang, and said, "I will pay the bill for these two brothers. If it's enough, refund the money to them. If it's not enough, I will make it up. I will put this five hundred yuan here first!"

"No problem!" Old Man Wang knew the boss. He quickly collected the five hundred yuan. For a barbecue, it wouldn't cost more than five hundred yuan, no matter how much these two people ate. Besides, even if they could, Old Man Wang also knew that a reputable boss like the leader would certainly not renege on a debt.

Recently, the punks in Song Jiang's underworld obviously became well-behaved. They would pay after having a meal, and there were fewer troubles. Old Man Wang was also a person who was at the bottom

of society. His news was also well-informed. He knew that Song Jiang's underworld had changed. A more decent boss had taken the position. He had strict regulations for his underlings.

Those who come out to do business only wanted stability, but they didn't care about the monthly protection fees. They were afraid that these people would collect protection fees and enjoy free meals at their shops. Then, they couldn't afford to run their businesses anymore.

The current situation made these people very happy. Every month, the protection fee was voluntarily paid. These people in the underworld could really serve as a protective role. Moreover, they were now very formal. They were all security guards of the security company to maintain market security.

With these people in the market, the number of rogues who reneged on debt and fought in the market had reduced. All in all, these businessmen had gained some benefits.

When Li Dagang noticed that the leader ingratiated himself with them, it became inappropriate to reject him. "Thank you then!"

"No need to thank us. We are all on the same side!" The leader said, "My name is Zhang Penbai. This night market is my territory. If you need my help in the future, just say it!"

The reason why he told his name to Li Dagang, Zhang Penbai was hesitant about it. If Li Dagang said something bad about him in front of Yang Ming, he would be finished.

Then again, even if he didn't tell, Yang Ming could simply ask whose territory this night market belonged to if he wanted to know. Then Yang Ming would know his name, so it was not that neat. With the help of Yang Ming, he could even climb to a higher position.

And this Zhang Penbai was the Zhang Penbai of the Immortal Resort previously! He was fired because he ruined the good things of Sui Guangqi.

At that time, Yang Ming and Zhou Jiajia didn't make a mistake. Sui Guangqi instructed two of Zhang Penbai's underlings to pretend an act, but he didn't expect Zhang Penbai to screw up the matter!

When Sui Guangqi was angry, he fired Zhang Penbai. After Zhang Penbai in his thirties was unemployed, there was no other way to earn a living, and he had no other skills. So, under a friend's recommendation, he came to Song Jiang to follow Bao Sanli. He joined the security company, and he was sent to the market management office of the night market to be a security guard.

Of course, this was just a name. Zhang Penbai was the captain of the security team at the night market. But in fact, he was just looking after the territory. It was just in different terms. However, although it might be just another term, the meaning was completely different. The nature of Zhang Penbai's work had changed from illegal to legal.

And those owners also understood what was going on. They really didn't need an ordinary security guard. Only when Zhang Penbai's group could quickly help them when they were in trouble, that they were willing to pay.

Although the current work wasn't as leisurely as it was, it wasn't bad. At least, now he had more underlings and he was more bad*ss than before.

The main culprit of this incident was Yang Ming. Zhang Penbai naturally paid attention to it just because he was unemployed because of Yang Ming. No matter how Zhang Penbai had to inquire about Yang Ming's background from many aspects, right?

However, at one time out of the blue, Zhang Penbai saw Bao Sanli and Hou Zhenhan, both of them were accompanying Yang Ming. When he saw that the three men talked and laughed, Zhang Penbai immediately dismissed the idea to exact revenge on Yang Ming!

If Yang Ming could let his two bosses accompany him, could he be a normal person? So, Zhang Penbai immediately had the intention to foster a connection with him. After all, there was a small conflict between them. If he could utilize this opportunity, maybe it could really be his ladder of success.

It was precisely because of that, when Zhang Penbai heard that Li Dagang's boss was Yang Ming, he didn't dare to neglect it, and quickly ran to apologize.

"Brother Bai, my name is Li Dagang, the high school classmate of Brother Yang. I used to mingle with Brother Yang!" Li Dagang said.

"Brother Gang, then I won't bother you two to drink. Let us talk again another day! Yes, this is my business card. Next time if you come here to drink, you must call me!" Zhang Penbai gave Li Dagang a business card. Then he didn't stay any longer. He left with his underlings.

After walking for a distance, the underling who was ashamed asked out of fear and trepidation, "Brother Bai, who is Yang Ming?"

"F*ck!" Zhang Penbai gave the underling another slap. "Can you directly address Brother Yang's name? He is a good friend of Brother Bao and Brother Hou!"

"Ah? Then am I not in trouble?" This underling wasn't stupid. He was worried when he heard it.

"Aren't you lucky to have me cleaning your *ss? Be more sensible next time. Don't stir up trouble!" Zhang Penbai snorted.

"Thank you, Brother Bai!" The underling said gratefully, "I won't dare stir up trouble again in the future!"

"If you understand then it's good. Let's go and find a place to drink and celebrate!" said Zhang Penbai.

"Celebrate? What are you celebrating?" asked the confused underling.

"Stupid! Isn't this an opportunity? Maybe I can get to know Brother Yang because of Brother Gang just now!" Zhang Penbai said. People who belong to the underworld, regardless of age, could be addressed as 'brother' if they were capable. So Zhang Penbai who was in his thirties didn't feel wrong to call Li Dagang as 'brother.'

On the other hand, Li Dadong was surprised and frowned. He was thinking about the conversation between his cousin and Zhang Penbai.

Yang Ming, is he the Yang Ming that I met with today?

"Brother, the Yang Ming that you mentioned just now. What is his job?" Li Dadong finally couldn't help but ask.

"Yang Ming? He is my high school buddy and also my boss..." said Li Dagang

Chapter 706: Do You Know Yang Ming Too? (C)

"Yang Ming? My buddy in high school, but also my boss. Now he has become quite bad*ss. He drives a luxury car and lives in a mansion!" Li Dagang said, "There is nothing to hide about this matter. After a period of time, he wants to set up a real estate company and has asked me to help."

"Luxury car? What car?" Li Dadong was struck by a thought.

"X5, why? Big brother, why are you asking this?" Li Dagang was a bit befuddled.

"What is an X5?" Li Dadong didn't know much about the model of the car. He only knew the brand of the car.

"BMW X5!" explained Li Dagang.

"BMW? Is it that kind of off-road jeep?" Li Dadong asked quickly. He knew the BMW brand.

"Yeah, why are you asking this?" Li Dagang wasn't sure.

"Is it blue in color?" Li Dadong didn't answer and continued to ask.

"Yeah. What happened?" Li Dagang felt more and more inexplicable.

"Ai !" Li Dadong sighed and said, "It's him..."

"What do you mean by that? You know Yang Ming, too?" Li Dagang was puzzled.

"It's him, Lin Zhiyun's boyfriend..." Li Dadong sighed and said.

"I have to say, are you mistaken? Lin Zhiyun's boyfriend? His girlfriend is Chen Mengyan, the campus belle of our high school!" Li Dagang said, puzzled.

"En ?" Li Dadong was astounded. "His girlfriend is Chen Mengyan? Are you sure?"

"Wait. Are we talking about something different? Is it the same person?" Li Dagang waved his hand.

"It should be right. The Yang Ming you know, now goes to school at Song Jiang Industry University, right?" Li Dadong said with an unusual look.

"You wait!" Li Dagang said. He took out his cell phone and then searched the photo album inside. He said, "Look. Is it him? You're making it overly suspicious..."

"Yes! It's him!" Li Dadong yelled and jumped up. "This kid is pedaling two boats[1]! I must tell Zhiyun!"

Li Dadong looked like he had eaten a stimulant. He got up to leave.

"Wait!" Li Dagang pulled him back and pressed him back to his seat. "What are you worried about? What the hell is going on?"

Li Dagang thought, *Is there such a coincidence? Brother Yang is pedaling two boats? If I knew earlier, then I wouldn't have taken the photo out and shown it to him! However, it has already happened. It is useless to complain. I can only see how to fix this!*

However, this matter does not seem easy to handle. My big brother likes Lin Zhiyun, and now he knows such impactful news. How can the truth be hidden?

"It's him. He is Lin Zhiyun's boyfriend!" Li Dadong hurriedly said, "Brother, don't stop me. I have to tell Lin Zhiyun now. I can't let her be fooled!"

"How is she fooled? I meant this was before! This was in high school. Who knows? They might have broken up by now..." Li Dagang said vaguely.

"Dagang! You're lying!" Li Dadong looked up and stared at Li Dagang's eyes. "We grew up together. Do you think that I don't know you? When you lie, I can see it!"

"Ai!" Li Dagang sighed and thought, *It seems that it can't be hidden. We grew up together. How could we not know each other? It seems that I can only advise him.*

"Dagang, I know that Yang Ming is your good buddy, but this matter is related to Zhiyun's lifelong happiness. I can't sit back and ignore it!" Li Dadong said firmly.

"Big Brother, I understand your mood, but it is already impossible for you and Lin Zhiyun..." Li Dagang advised.

"Brother, I know that Zhiyun doesn't like me even if there isn't Yang Ming. She only sees me as her blood brother! But the more it is like this, as her big brother, I can't ignore my sister's happiness!" Li Dadong said, "You should understand my feelings. I just want to make Zhiyun happy, but Yang Ming is hurting Zhiyun by doing this!"

"Then what do you want to do? Find Lin Zhiyun and tell her directly? Or are you going to hint it to her?" Li Dagang shook his head. "Do you think that a man and woman who are in love will believe what others say?"

"I have to say it even if she doesn't believe it! I must say it!" Li Dadong quickly stood up and said, "I'm leaving. You can continue to eat here..."

"Big Brother..." Li Dagang wanted to reach out and block him. He extended his hand halfway but he stopped. *Even if I can stop him for a while, can I stop him forever? It is imperative to call Yang Ming and inform him.*

He didn't dare to delay, so he quickly called Yang Ming, and he heard the sound of the phone indicating that it was shut down from the other end... Li Dagang hit his forehead! *This is bad!*

A harassing call to sell insurance came as Yang Ming was talking to Zhao Sisi about some matters. So he straightaway turned off the phone to prevent further interruptions. He didn't think that Li Dagang would call at this time.

However, Lin Zhiyun didn't turn off her phone The phone rang and Lin Zhiyun glanced at the caller ID. The call was from Li Dadong, so she told Yang Ming, "It's Brother Dadong."

"Take it. Maybe he came around to the idea." Yang Ming nodded and didn't care.

" Oh ." Lin Zhiyun picked up the phone. "Hello, Brother Dadong..."

"Zhiyun, where are you now? I have important matters to tell you!" Li Dadong said impatiently.

"I am still at the company. Brother Dadong, is something wrong?" asked Lin Zhiyun.

"Can you come down for a while? I have something to say to you alone." Li Dadong hesitated and said.

"Alone?" Lin Zhiyun was stunned, and then she looked up at Yang Ming and whispered, "Brother Dadong said he wants to talk to me alone..."

"He wants to talk alone?" Yang Ming remained silent for a while. Although he was quite assured about Li Dadong, or else he wouldn't hire him to help the company, one must be vigilant so not to be harmed. He didn't want Lin Zhiyun to get into any accidents, so he turned to Zhao Sisi and asked, "Is there a separate reception room in the company?"

"There is." Zhao Sisi immediately replied. She then told the secretary who was just hired, "Xiao Ma, do you know where the reception room is?"

"I know it, Manager Zhao." Secretary Xiao Ma said.

"That's good. Zhiyun, you should go to the reception room with Xiao Ma. Let Li Dadong come here to see you!" said Yang Ming. In the company, Yang Ming was not afraid that Li Dadong would do anything that wasn't conducive to Lin Zhiyun.

"Okay." Lin Zhiyun said. Then she let go of the hand covering the microphone. "Brother Dadong, come to the company. I'll get someone to bring you to the reception room."

"Okay, then you wait for me. I will come over right away." Li Dadong said. He stopped a taxi on the side of the road and rushed to Yang Ming's company.

Originally, Li Dadong didn't usually take a taxi, but this time the matter was more urgent, so he just let this one time slide.

Yang Ming didn't think much about it. Anyway, there were a lot of security guards in the company and the reception room was monitored by security. Li Dadong wouldn't do anything stupid and act rashly.

After Lin Zhiyun went out, Yang Ming continued to talk to Zhao Sisi, "Does Uncle Zhang know about Zhang Bing being beaten?"

"Zhang Bing won't let me say... Uncle Zhang is still unclear." Zhao Sisi sighed. "He won't let me say, so I can't simply talk about it!"

"I understand. Since Zhang Bing doesn't want Uncle Zhang to worry, then forget it." Yang Ming said, "But there's no problem this time. The security guards in the company will protect this place for 24 hours a day."

" En , this is a lot safer. Otherwise, those employees who have just arrived were a little scared. When they saw so many security guards, they were relieved," said Zhao Sisi.

"Sisi, although I haven't figured out who did it, don't worry. I will never let go of anyone who hurts Zhang Bing!" Yang Ming said decisively.

"I know. You will defend Zhang Bing. But it's fine if you can't find them. Maybe it's some people in the same industry who came to cause trouble," said Zhao Sisi as she shook her head.

Zhao Sisi didn't know the inside story of the event. People in the same industry? Probably no one dared to come to cause trouble, but Yang Ming didn't think it was a good idea to tell Zhao Sisi that.

.....

Li Dadong was taken directly to the reception room by the receptionist downstairs, and Lin Zhiyun was already sitting inside waiting.

The reception room was a kind of large glass partition. Although what was said inside couldn't be heard outside, it could clearly be seen. If Li Dadong dared to do anything that wasn't conducive to Lin Zhiyun, the security guards who were patrolling outside would be the first to rush in.

"Brother Dadong, why are you in such an urgent state?" Lin Zhiyun looked at Li Dadong with a bit of sweat.

"Zhiyun, do you know Yang Ming?" Li Dadong closed the door of the reception room. He sat opposite Lin Zhiyun and spoke directly.

Chapter 707: A Fabricated Truth

"Do I know?" Lin Zhiyun was caught off guard. "Brother Dadong, what are you talking about?"

"I mean, do you know Yang Ming's personality? And the people he usually gets in contact with..." Li Dadong hinted.

"I know... He is my boyfriend. How can I not know him?" Lin Zhiyun was baffled, but still, she replied.

"Do you know that Yang Ming had other girlfriends outside?!" Li Dadong glanced at the security guards outside the door. Although he knew they couldn't hear him, he kept his voice down.

"I..." Lin Zhiyun was shocked. *Could it be that Li Dadong knew something?* Lin Zhiyun's face became pale and she didn't know how to answer Li Dadong's question.

Her relationship with Yang Ming was really wonderful. They were acting as a couple but they weren't much different from a real couple. At least, Lin Zhiyun felt that men and women in love probably had this feeling, right?

Sometimes Lin Zhiyun would be confused, but in most cases, she would act dumb. She didn't want to think about the future of the two people. In fact, she was really unwilling to think about it.

Her mom was a very conservative person. In her opinion, a girl should stick with one to the end. *With my relationship with Yang Ming, my mother had no choice but to accept it. But if I really broke up with Yang Ming, my mother wouldn't be able to accept it.*

Lin Zhiyun also knew it very well. Her first time was indeed with Yang Ming. In her subconscious, she also hoped that she could pretend with Yang Ming forever.

However, there was always a big gap between facts and the ideal. When Lin Zhiyun learned from Yang Ming that Chen Mengyan already knew of her existence, Lin Zhiyun had a great sense of crisis, even a sense of guilt.

Lin Zhiyun never thought about occupying Yang Ming. If she had such an idea, she would already have threatened Yang Ming with the incident in the past. The current situation had already made her feel very satisfied.

However, Lin Zhiyun also knew that the current satisfaction could only be temporary. Let Yang Ming pretend to be her own boyfriend for a lifetime. Even if Yang Ming agreed, would Chen Mengyan agree?

Lin Zhiyun who had been reminding herself that she couldn't fall in love with Yang Ming. When she looked back, she realized that Yang Ming had occupied a big position in her heart.

These words couldn't be said to Li Dadong. Although Lin Zhiyun regarded Li Dadong as her own brother, some of her things were quite private. Never mind Li Dagong, she couldn't even say it to her parents!

Lin Zhiyun couldn't explain the cause and effect of the story to Li Dadong. Otherwise, Li Dadong would definitely ask. *When we were in high school, I always noticed you were at school. How did you find yourself a boyfriend? Who did you give your first time to?*

Lin Zhiyun couldn't answer them. She couldn't even tell the truth about the happenings. Somehow, Lin Zhiyun tried to maintain Yang Ming's image and didn't want to let people know that there was still an unpleasant relationship between the two.

"Zhiyun? What's wrong with you?" Seeing Lin Zhiyun's somewhat overwhelmed expression, Li Dadong thought she was shocked by his own news and quickly said, "Zhiyun, I just found out. My brother is Yang Ming's high school classmate. The relationship between the two is great. Yang Ming, in addition to you, has a girlfriend outside called Chen Mengyan!"

"I... I know..." Lin Zhiyun was troubled by Li Dagang. She had to force herself to answer.

"What? You knew already?" Li Dadong looked at Lin Zhiyun in shock. "Zhiyun, what did you say? Did you hear what I said?"

"..." Lin Zhiyun didn't know how to answer Li Dadong. The intricacies in the middle were only known to the person in the incident.

"Zhiyun, can you please talk?" Li Dadong hurried.

"Brother Dadong, for this matter, can you stop bothering me in the future... I... I, Ai, some happenings, I can't say..." Lin Zhiyun replied bitterly as she shook her head, "Stop pushing me..."

"Zhiyun, why are you so stupid? You... what do you want me to say? You really piss me off..." Li Dadong said with a sour face, "Is he holding you hostage with something? Blackmailing you?"

Li Dadong noticed Lin Zhiyun's distressed look and his heart fluttered. Now, news about nude pictures and nude picture discs were spreading around. *Could Yang Ming also have taken a video or photo and used it to blackmail Lin Zhiyun?*

It wasn't Li Dadong's fault for his rich imagination. These kinds of happenings actually happened. On the contrary, there were many of them.

With regards to blackmail, Lin Zhiyun should have blackmailed Yang Ming, right? But Lin Zhiyun didn't want to take advantage of Yang Ming through it. She shook her head and said, "Brother Dadong, don't make silly guesses anymore. It isn't like what you think..."

"What silly guess? Don't be afraid, Zhiyun. If there is anything, Brother Dadong will help you!" Li Dadong said, "Let's go and sue him..."

"What are you suing for...?" Lin Zhiyun bit her lips and muttered after a long while, "I... I'm a concubine... you... Do you understand?"

"Concubine?" Li Dadong was shocked. He immediately understood what Lin Zhiyun said. Lin Zhiyun meant that she was the real third party, Yang Ming's mistress, or a little lover...

This made Li Dadong feel inexplicable! With his eyes wide open, Li Dadong stared at Lin Zhiyun! Lin Zhiyun was an obedient kid with good character and academics since childhood. She had never done anything unusual. Moreover, although her character was somewhat weak, she had strong principles. She wouldn't do anything that would violate her principle!

"Zhiyun, you... how did you become like this?" Li Dadong was so angry and shocked that he was trembling.

Lin Zhiyun looked at Li Dadong's expression and knew that if she didn't tell him the real situation today, he would definitely not give up. He might even have to go to her parents. With that, it would cause big trouble!

So, after thinking about it in quite a while, she said faintly, "At the beginning... my father had a car accident. He was in need of surgery urgently. My mother and I had tried to borrow money from friends and relatives from whom we could borrow money. But those people would say they had no money or they would give a bunch of reasons... It couldn't be helped. I'm a girl. What capital do I have?"

"Having nowhere to go about it, I can only betray myself... I forced myself to the door of the bar... I wanted to find a guest to sell my first time..."

"Zhiyun, how can you do this? Didn't I say that I would be a home tutor? I could certainly give you enough surgery funds!" Li Dadong seemed rowdy and shouted.

"Be a home tutor..." Lin Zhiyun smiled and laughed at herself, "I have also done home tutoring. It is already good enough if I can earn a few hundred yuan a month. For a surgery fee more than 3,000 yuan, how long would I need to work to get that amount? The surgery couldn't wait..."

Li Dadong was silent. He knew Lin Zhiyun was telling the truth. Indeed, how could the surgery wait?

"The person who took my first time was Yang Ming..." Lin Zhiyun said vaguely. Lin Zhiyun wasn't good at lying, and the twists and turns in the middle couldn't be said in detail, but only in one word.

"I understand..." Li Dadong lowered his head. That was an indescribable pain on his face. He said after a pause, "But this doesn't mean anything. I can understand your feelings at the time. You... you don't owe him anything. You can leave him! And... and I don't dislike you because of this..."

Li Dadong spoke his own inner voice. Indeed, Lin Zhiyun was forced by life circumstances to do that kind of thing. Li Dadong could tolerate it completely.

"Ah..." Lin Zhiyun smiled and said, "Thank you, Brother Dadong. Just as I said... between the two of us, it's only a brother and sister relationship."

"I... I'm just making an analogy..." Li Dadong said in embarrassment, "I want to say. In this era, whether the girl is pure or not... it isn't important..."

"I am with Yang Ming... because... I... I can't bear to leave him..." After Lin Zhiyun said this sentence, she was also shocked! The feeling hidden under her heart was finally released in an instant. "I... I like him."

"But, you're doing this. Isn't it... Ai, what do you want me to say..." Li Dadong sighed and looked at Lin Zhiyun. "So you want to keep going like this?"

"I will take one step at a time..." Lin Zhiyun shook her head.

"Does Uncle Lin and Auntie Shen know about this?" Li Dadong asked quietly.

"They don't know. I don't want them to know..." Lin Zhiyun shook her head again. "They just know that Yang Ming is my boyfriend, and we started since high school..."

"You don't regret it?" Li Dadong looked up and made his final attempt.

"No," said Lin Zhiyun firmly. *Since I forgave Yang Ming's actions, I have not regretted it.*

Chapter 708: Can You Do Me a Favor?

Seeing that Lin Zhiyun was so determined, Li Dadong had nothing to say. A woman who is in love always forgot about herself. A moth darting into the flame wasn't empty talk.

Knowing that it was useless to say anything, Li Dadong sighed helplessly.

"Brother Dadong, this happening, can you keep it secret for me? Don't tell my parents... Don't tell anyone..." Lin Zhiyun looked at Li Dadong with some earnest hope.

"I... Alright, I will do as you ask." Li Dadong said unwillingly.

"Thank you, Brother Dadong." Lin Zhiyun smiled sweetly. "Can you not say it to Yang Ming, please?"

"I got it." Li Dadong nodded.

"Are you coming to help out the company?" Lin Zhiyun changed the subject.

"Okay..." Li Dadong said, "I am here to support you. If Yang Ming dares to treat you unfairly. I won't spare him!"

" *Hehe* ... then let's do this first. I will go back first..." Lin Zhiyun's face was full of smiles, but her heart was extremely uncomfortable. The words just now were intended for Li Dadong, but the real situation was far more complicated than this!

Lin Zhiyun didn't know how long the relationship between her and Yang Ming could last. *Should I tell that of incident to Yang Ming?* When this idea popped up, Lin Zhiyun rejected it instantly.

Lin Zhiyun would never do this kind of thing like threatening another. She quickly walked back to Zhao Sisi's office. Yang Ming also just finished talking with Zhao Sisi, and he was going to find Lin Zhiyun.

"Zhiyun, are you finished?" Yang Ming looked at Lin Zhiyun who was coming in and asked with a smile.

" *En*

, Brother Dadong agreed to come to the company." Lin Zhiyun didn't mention the previous matter, but she directly said Li Dadong was joining the company to help out.

"Finally, he thought it through. That's great! When is he joining?" asked Yang Ming.

"Perhaps in the two days..." Li Dadong's mood today wasn't good. He went back first, but he had already agreed to come in two days.

"That's great! Sisi, you're responsible for the arrangement, just like what we said. Let him be responsible for managing personnel and attendance discipline." said Yang Ming.

"Okay." Zhao Sisi nodded.

"Let's have dinner together?" Yang Ming looked at the time and it was about time for dinner.

"No, I have to go to the hospital to give Zhang Bing his meal." Zhao Sisi smiled and shook her head.

"That's fine. Help me to greet Zhang Bing." As Yang Ming finished, he stood up. "We will go first."

When Yang Ming and Lin Zhiyun left the company, he asked, "When Li Dadong looked for you just now, did he only talk about the matter about joining the company?"

"Yes... *Ah* ." Lin Zhiyun was shocked and stuttered.

"Nothing else?" Yang Ming looked at Lin Zhiyun and knew she didn't tell the truth.

"No, nothing else." Lin Zhiyun quickly shook her head.

Yang Ming smiled and didn't continue to ask. Everyone had the right to privacy, and Yang Ming wasn't a gossip king. It wasn't necessary to ask in detail.

"Where do you want to go?" asked Yang Ming.

"You... don't have to accompany your girlfriend?" Lin Zhiyun asked carefully.

"Am I not accompanying you?" Yang Ming acted dumb as though he didn't understand her words. He reached out and grabbed Lin Zhiyun's waist.

"I... I'm talking about Chen Mengyan..." Lin Zhiyun said with some helplessness.

" Oh , you are talking about her?" Yang Ming smiled. "I was with her yesterday. I naturally want to accompany you today. I'm just trying to be fair..."

After getting Chen Mengyan's approval, Yang Ming began to speak boldly.

"What...?" When Lin Zhiyun listened to Yang Ming's words, her heart palpitated. There were even beads of sweat on the tip of her nose.

"Nothing. Are you hungry? Let's fill our stomachs first." Yang Ming took Lin Zhiyun and got in the car.

"My mother should have cooked dinner. Let's go back and eat?" Lin Zhiyun suggested.

" En ?" After Lin Zhiyun reminded Yang Ming, he thought of this good thing. He said, "Great! Aunty's cooking is really excellent!"

One was not sure why, but Lin Zhiyun blushed particularly easily today. Probably because she revealed her own thoughts in front of Li Dadong. Although she didn't speak to Yang Ming, her heart was more firmly attached to Yang Ming...

Since the last time, when Yang Ming separated with Shu Ya in the parking lot of the Tavern Heaven on Earth, Yang Ming hadn't contacted Shu Ya over the past two days. There were people of Ming Yang Entertainment handling the specific matters of the concert with Shu Ya which didn't require Yang Ming to worry about it.

What's more, Yang Ming was indeed very busy these two days. Early in the morning, the renovation team at the villa called. There was a problem with how to design a bedroom. Yang Ming had to attend to it personally.

A renovation was a tiring errand. Although he had already told his idea to the renovation company, the renovation company would still call him over to let him confirm personally for some minor details.

In fact, this also couldn't be blamed on the renovation company. After all, the things in the renovation were done for the resident to see. The renovation workers may feel satisfied, but the resident may not think so. Therefore, in order to avoid unnecessary trouble, they will still patiently call the resident to discuss.

For this, Yang Ming also couldn't help it. He drove to the villa early in the morning. He wanted to drive into the villa's yard, but he didn't expect that there was a pile of renovation waste lumber at the entrance of the villa which blocked Yang Ming's way.

He frowned a little. *These workers are being too much, right? Although there will be people from the property management collecting the garbage every day, they can't just pile it at the door of my own yard!*

As he just wanted to pick up the phone and call the renovation team leader, he put down the phone instead. He helplessly shook his head. He thought about it and felt it made sense. *These workers are rushing to finish the renovation at my urging. How can they take care of these small details?*

Moreover, property management only said that useless garbage could be thrown out. It wasn't particular about where the garbage should be put.

The waste lumber wasn't a lot, so Yang Ming parked the car nearby and planned to move the garbage personally. Yang Ming was afraid that the soil would stain his clothes, so he took out a military coat from the trunk that was belonged to Hou Zhenhan and wore it.

Just as he moved halfway, he saw Li Yixun come over with a large bundle of roses. After seeing Yang Ming, he was stunned. He looked at Yang Ming's clothes and assumed that Yang Ming was working. So he said, "You are working here?"

Yang Ming smiled bitterly and looked at his own outfit. It was no wonder that Li Yixun would misunderstand. However, Yang Ming and Li Yixun were not particularly familiar, so there was no need to explain with him. If he explained, it might seem like he wanted to hide something, so he nodded vaguely and answered with "En."

"No way. This is a lot of hard work. Chen Mengyan's family has some connections. They can just simply introduce a job to you, right?" Li Yixun said, "If you don't want to trouble a woman, just tell me. Do you still care about your face in front of your brother? I will find a good job for you!"

Yang Ming smiled and said, "No need. It's good. If you have something, you should go first."

"What business do I have? Ai!" Li Yixun sighed. "Am I not coming every day as a routine? She doesn't even pick up my phone. Today, my flowers seem to be wasted!"

"Who doesn't pick up your phone? Flowers wasted? What are you saying?" Yang Ming heard inexplicably.

"Wang Xiaoyan bought a villa here!" Li Yixun sighed. "Damn. I finally found out why she wasn't in a hurry to find me when I borrowed money from her. There is no shortage of money in her family!"

Yang Ming was stunned. *Wang Xiaoyan bought a villa here?*

Seeing Yang Ming's confused expression, Li Yixun pointed and said, "It's right there. That is her newly bought villa..."

"She moved in already?" Yang Ming said in bafflement.

"Yeah, she moved in for a few days already." Li Yixun nodded.

Yang Ming patted his head and thought, *It seems that I really misunderstood the renovation team. There are really neighbors beside my villa! I just didn't expect that this neighbor is Wang Xiaoyan.*

"Then keep on working hard." Yang Ming was afraid that Li Yixun would bother him, and make Yang Ming continue to teach him some secrets to pursue the girl. After saying it perfunctorily, Yang Ming continued to move the waste.

"Ai?" Li Yixun suddenly thought of something. He suddenly patted Yang Ming's shoulder and then he shouted, "Ah ... damn... It hurts..."

Yang Ming was holding back his smile. He thought, *Let you be surprised!*

It turned out that Yang Ming was holding a block of wood in his hand. When he was patted by Li Yixun, Yang Ming released his hand and the wood just hit Li Yixun's foot. He suddenly screamed out in pain.

"Oh? I'm sorry... Look. You patted me so I was shocked..." Yang Ming shook his head.

"It's not your fault... Ai, I'm really having bad luck..." Li Yixun grimaced in pain. "Can you do me a favor?"

Chapter 709: The Flower Delivery Misunderstanding

"What help do you need?" Yang Ming asked Li Yixun who was jumping on his feet.

"You know Yanyan right?" asked Li Yixun.

"Wait..." Without waiting for Li Yixun to finish, Yang Ming waved his hand and asked, "Who is Yanyan?" Yang Ming felt inexplicable toward this unexpectedly familiar name. It sounded like "Yanyan" [1], just like how Chen Mengyan was called.

"It's Wang Xiaoyan..." Li Yixun said embarrassingly.

"Oh, I know her. What happened?" asked Yang Ming.

"Ah, alright. Then you take these flowers to Wang Xiaoyan for me!" said Li Yixun as he put the flowers in Yang Ming's hand.

"I take?" Yang Ming frowned, *How can he find someone else to deliver flowers for him?* What's more, Yang Ming didn't have the time to meddle in Li Yixun's matters.

"Buddy, please! Since your brother, I, have opened my mouth to ask, can you give some face?" Li Yixun began to use words to make a run on Yang Ming and blocked any excuses for him to refuse. But this was still fine. There was a more effective way. This boy placed the bouquet of roses into Yang Ming's arms, and then he turned and ran. As he ran, he said, "Please, buddy! Next time, I will treat you to a big meal! Right... You must tell her seriously that 'I love you. My feelings for you are sincere. Give me a chance...'"

Yang Ming opened his mouth trying to say something, but he didn't say it. *I have never seen such a thick-skinned person!* He really wanted to throw the flowers away, but he suddenly remembered one of Little Shenyang's sentences, "The flower isn't guilty ..." He shook his head and thought, *I'll only do it this time.*

So, he held the flowers and reluctantly went to the door of the villa next door. Then he rang the doorbell. After a long time, he saw a pretty girl in black leather run out, and her voice was a little lazy.

"Who is it?"

Yang Ming shook his head. *This Wang Xiaoyan is like Little Mihu [2]. She isn't afraid that the bad guys would knock on the door. How can a girl just simply run out like this?*

Looking at Wang Xiaoyan's appearance, she was obviously sleeping. But her outfit was quite sporty. Yang Ming guessed that she probably went out for morning exercises and returned to sleep after that.

"Who are you? You're delivering flowers?" Wang Xiaoyan was sleepy so she didn't recognize Yang Ming. She didn't expect Yang Ming to wear a military coat and dress like a migrant worker. "What flower shop is this? And they didn't send a well-dressed person to deliver it..."

Yang Ming was stunned. Listening to what she said, he knew that Wang Xiaoyan had misunderstood. She regarded him as a delivery man of a flower shop.

"No... I'm your neighbor..." Yang Ming quickly explained...

"My neighbor?" Wang Xiaoyan frowned. "You are my neighbor? You're the one who smashes things here and there? It's so bad that I can't even sleep in the middle of the night."

"I..." Yang Ming scolded Li Yixun's eighteen generations of ancestors. *Why did I trouble myself and take on such a troublesome task?* He was too lazy to explain himself when Wang Xiaoyan didn't recognize him, so he just wanted to complete the task and leave this place! Therefore, he quickly said, "The person who sent the flowers said, 'I love you. My feelings for you are sincere. Give me a chance...'"

As Yang Ming spoke, he deliberately lowered his head. Since Wang Xiaoyan didn't recognize him, he didn't want to cause more problems.

Wang Xiaoyan was sluggish, so she didn't hear Yang Ming say, "The person who sent the flowers said...". She only heard the latter part of the sentence, and she was immediately angered! *What kind of neighbor is this? The person who renovates his house at night which disturbs my sleep comes to my door not to apologize, but to confess his feelings for me!*

Wang Xiaoyan took the roses from Yang Ming's hand and slammed it on his face. Both of them were standing too close so Yang Ming couldn't dodge it. Instead, he was beaten by it, and the roses were scattered all over the place.

*Motherf*cker, who did I do to provoke?* Yang Ming smiled bitterly. *Being a good person is difficult nowadays!* He shook his head and said, "Ai, these flowers are innocent..." After that, he turned and left.

But he unexpectedly heard Wang Xiaoyan shout, "Yang Ming, stop!"

Yang Ming was shocked. *The girl recognized me?* Wang Xiaoyan initially didn't notice Yang Ming. But as Wang Xiaoyan threw the flowers on Yang Ming's face, she subconsciously followed the bunch of flowers and glanced at Yang Ming. With a glance, she immediately recognized him!

"Damn, only now you recognize me..." Since Yang Ming was recognized, he couldn't leave. So, he turned around and said awkwardly.

"It turned out to be you!" Wang Xiaoyan frowned and was annoyed. Originally, Yang Ming didn't have much to do with her, but because of Zhao Ying, she had to say a few words. "Yang Ming, what do you mean? I will forgive you for disturbing my rest because of Zhao Ying, but what do you mean by sending me flowers? I really feel sorry for Sister Ying. How did she like this kind of half-hearted guy like you?"

"I..." Yang Ming was just about to explain, but Wang Xiaoyan turned and left. When she left, she said something that made Yang Ming feeling extremely embarrassed, "Sorry. You're not the type I like..."

"I... F*ck" Yang Ming felt that he was wronged. *What is this? Nothing good happened this morning. It is simply inexplicable!*

He was too lazy to explain to her. What Yang Ming cared about was what Wang Xiaoyan said just now. *Zhao Ying... likes me? Although Zhao Ying hasn't expressed any kind of thoughts in front of me, what do Wang Xiaoyan's words mean? Could it be... There are some inside stories?*

Thinking of this, Yang Ming wanted to find Wang Xiaoyan to know more about the situation. However, today would be no good. Wang Xiaoyan, this little girl, had misunderstood him, and she was mad at him right now!

Forget it. Since we are neighbors, I will find out sooner or later. I can find the opportunity to apologize and get some information from her next time. Looking at the roses scattered on the ground, Yang Ming shrugged. He turned and left.

Seeing the waste lumber piled up at the door of the villa, Yang Ming was too lazy to move it again, so he lifted his legs up and went in...

Not far away, Li Yixun didn't actually leave, but he paid attention to the movements here. He couldn't hear what Yang Ming said, but he could see it. When he saw that Wang Xiaoyan smashed Yang Ming with the flowers, he was secretly surprised. *Thankfully I didn't go in person. She treated a familiar person who only sent the flowers like that. If I went in person, I don't know what would have happened...*

Thinking of this, Li Yixun trembled a bit. However, Yang Ming's approach had inspired Li Yixun! *I can't come to send flowers, but I can entrust those flower shops to send flowers! I don't have to wake up early every day to come and squat here!*

It didn't matter if the flowers were thrown at the flower deliverymen a few times. There must be a brave man under the reward. Li Yixun didn't believe that no one would accept this job if he just paid more money.

Going into his own villa, Yang Ming found the foreman and handed him a cigarette. Then he asked, "You didn't affect the neighbor next door at night In the past few days, right?"

" Ah ? Boss, did the person next door complain to you?" asked the foreman, stunned.

" En , you should be a little bit quieter. The person next door isn't happy." Yang Ming looked at the expression of the foreman and knew that whatever he just said was useless. These guys wanted to complete their work as soon as possible. They would definitely not care about the neighbors' rest.

" Ai , I have already been more careful about it, but for this work, it is impossible to be a little bit quieter!" The foreman said in a dilemma, "Boss, would you like to negotiate with her?"

"Forget it." Yang Ming waved, knowing that it was useless to talk to them, so he said, "Let's be more careful next time. I will try to coordinate it. Right, why are you looking for me?"

"It's like this. Last time Miss Chen said that I can't use any thinner with a smell for one of the bedrooms. But, boss, you know there are chemical ingredients in this thinner and paint. How could there not be any?" explained the foreman.

"So that's it!" Yang Ming knew that Chen Mengyan was referring to the bedroom reserved for Zhou Jiajia. In order to create a good resting environment for Zhou Jiajia, Chen Mengyan suggested not using those toxic paints and thinners. "Then, can you not use it? In the original design, haven't you already painted the walls?"

"It can be done, but the schematic drawing that Miss Chen gave is a bit different from the original..." The foreman was talking about the drawings of Zhou Jiajia's original room. In order to adapt Zhou Jiajia to the environment, Yang Ming discussed with Chen Mengyan to make a decision. The decoration here was an exact replica of Zhou Jiajia's room.

"Try not to use it. It's okay to have a little difference." Yang Ming thought for a moment. "If it still can't work, immediately get some charcoal bags to absorb the toxic substances after you've finished your work."

"Alright, let me look into it again." The foreman said, "Boss, about the bathroom, you have to look at it. Is this okay..."

Yang Ming went to the bathroom with the foreman and then went to the kitchen. Although they were some minor problems, it delayed Yang Ming's morning.

Chapter 710: Unlucky Day

Yang Ming's cell phone rang when he was in the middle of the installation of a large bathtub.

The bathtub in the bathroom, in accordance with the requirements of Yang Ming, had to be replaced with a huge one. Those workers were puzzled. This bathtub was enough for an affectionate couple to bath together. Why did Yang Ming still want a bigger one?

Yang Ming also didn't know what to say. He just simply said, "I want to swim in the bathtub. Can't I?" He threw back all the doubts of the workers. How could they know that Yang Ming had a great plan for bathing with multiple beauties?

In the material market, there was no bathtub that Yang Ming required. It could only be customized with the manufacturers. Today, it was mainly to discuss the bathtub's details.

After picking up the phone, Yang Ming glanced at the caller ID above, Lin Zhiyun.

"Zhiyun, what's the matter?" asked Yang Ming after he picked up the phone.

"Yang Ming, you... Are you free now?" Lin Zhiyun hesitated for a long time before she spoke.

"If you have something, just say it. Don't hesitate. You don't have to be embarrassed with me." Yang Ming knew Lin Zhiyun's temper. She didn't like to trouble himself. However, Yang Ming was gradually cultivating a habit Lin Zhiyun to look for Yang Ming for solutions as a first step.

"This was the case. My uncle is coming back from Australia and will be at the airport in the middle of the night. My mother is afraid that there won't be a Song Jiang bus. I want to trouble you to pick my uncle up. If it is really troublesome, then you don't have to..." Lin Zhiyun said carefully.

"What's the trouble!?" Yang Ming smiled. "Well, do you want to go?"

"I... If you go, I will naturally go," said Lin Zhiyun.

"Well, then you wait for me at home. I will pick you up later." Yang Ming promised.

After explaining the matter on this side, Yang Ming left the villa and walked to the place where he parked. Just as he took out the remote control and wanted to open the door. Yang Ming was surprised!

A 12-year-old boy holding a soccer ball in his hand stood by the side of Yang Ming's BMW. The BMW's windshield showed several explosive cracks...

Without any question, this was obviously this kid's work... Yang Ming patted his forehead. *Why am I having such bad luck? It was unfortunate to leave the house!*

From the beginning of the morning, a series of misfortune followed me. I'm not sure what will happen wrong later!

"Uncle... is this your car..." The young boy looked at Yang Ming in the fear and trepidation and asked carefully.

Yang Ming nodded and smiled at the little boy. "What are you doing?"

"I'm sorry... Uncle, I'm wrong. Please don't hit me." The little boy said with a grimace.

"You... Ai !" Yang Ming couldn't do anything to the child. Also, he wouldn't feel pain for the money to replace a piece of glass. *The key issue was that I just told Lin Zhiyun that I was going to pick her up and all these bad things happened!*

"Do you live here?" Yang Ming glanced at the little boy and asked.

"Yeah, it's just over the E19 building," answered the little boy.

"What about your parents?" For these kinds of happenings, it was useless to speak to a child. Yang Ming had to first find his parents and speak to them.

"Uncle, can you not tell my family? They will beat me up..." The little boy pleaded.

"What do you say?" Although Yang Ming wasn't bad for this glass money, it was so bad luck. What's more, if the child wasn't taught a lesson, he would still play in the community. Yang Ming didn't want to be worried all day long.

Even if the car wasn't being smashed, there were house windows! Everyone was renovating these days, so the people in the community were quite mixed up. The security wasn't enough. Most probably no one would realize this kid was playing soccer around here.

"That... can I compensate with money?" asked the little boy.

"Compensate with money? Do you have money?" Yang Ming was surprised. *The glass for this car requires a few hundred yuan all together. Can the child compensate for it?*

"I... I will look for my sister to pay you," said the child.

"Look for your sister? Alright..." Yang Ming thought about it. It didn't matter who he would be looking for. The key was to reprimand the child and let him not play in the yard.

The child actually had a cell phone... But thinking about it, now that the cell phone is so cheap, it has become a popular communication tool.

The child called and it didn't take long before Yang Ming noticed that a police car arrived.

After the person in the car came out, Yang Ming was dumbstruck... It was the heroic policewoman, Xia Xue!

Xia Xue was shocked by seeing Yang Ming. When she looked at the little boy next to him, she understood it. Without saying anything, she went up to the kid and knocked on his head. "Are you making trouble again? And asked me to help you wipe your butt?"

Xia Xue was a policeman. She usually had more sullen faces, so she wasn't so polite.

"Sister, I'm wrong... Can you help me pay this uncle back..." The little boy said as he lowered his head.

"What uncle? You should call him brother!" Xia Xue angry as soon as she heard it. *When did Yang Ming become an uncle? I have inexplicably lowered my seniority.*

"Forget it, Xia Xue. Is he your brother?" Yang Ming smiled and said, "You don't have to pay me back. You have to talk to him and stop him from playing soccer in this place!"

"Brother... I'm wrong..." The little boy saw that the person in front of him knew his sister and knew that there was a chance.

"Why did you change your car?" Yang Ming saw that Xia Xue was driving a Saima [1] last time, but today it was a Jetta.

"I'm not on patrol today so the team gave me a Jetta." Xia Xue said, "I have been busy recently, and I have not poured out time to empty your wallet..."

How would Xia Xue have no free time? After she became the deputy captain, she didn't have to patrol. She had more freedom with her time. But, every time she remembered the flirtatious scenario with Yang Ming, she had some fever on her face. She was really embarrassed to meet Yang Ming.

"Since he is your younger brother, let us forget about it. But, you need to find someone to tow this car away for repair. It should be free for you to tow a car, right?" Yang Ming said, "I still have some matters. Let us talk again next time."

Xia Xue was embarrassed to find Yang Ming, but it didn't mean that Xia Xue didn't want to see Yang Ming. Xia Xue did know why she felt empty in her heart after not seeing Yang Ming for a while. She could finally use her little brother's incident to speak to Yang Ming, and yet Yang Ming was going to leave after a few words. She couldn't help but be angry.

Yang Ming really had something to do. He didn't notice Xia Xue's expression as he just waved his hand and threw the car keys to her. Then, he turned around and left. Before he went, he asked the little boy, "What is your name?"

"Brother, my name is Liu Xing..." replied the little boy.

Liu Xing? Xia Xue? Yang Ming broke into a sweat...

After Yang Ming left, Xia Xue vented all her anger on Liu Xing. Poor Liu Xing! He thought that his old sister was angry because he was in trouble. How could he know that this anger came from Yang Ming?

Yang Ming had no car anymore. He had to find a way. He took out his phone. Originally, he wanted to call Bao Sanli, but fate brought him to call Sun Jie.

The phone rang a few times but no one answered. When Yang Ming wanted to give up, the phone call was connected.

"Dear, what are you doing? Why did it take you so long to answer the phone? Are you relieving your physiological needs by yourself?" Yang Ming joked.

" *Cough* !" A man's voice came over the phone. "Yang Ming, I'm Sun Hongjun."

" *Ugh* ... Uncle..." Yang Ming broke into a sweat. It really followed the saying, if someone is unlucky, it wouldn't be a smooth day!

"I am at Xiao Jie's company. She went to get me some information, so she didn't have her phone with her. Do you want me to ask her to call you later?" said Sun Hongjun.

"That works... just do that, Uncle..." Yang Ming blushed and hung up.

If it was another person speaking with Sun Hongjun, Sun Hongjun would be enraged on the spot. But, the person was Yang Ming. Sun Hongjun had to pretend not to understand it. But, he thought to himself in his heart. *Why do young people now have this kind of vulgar joke?*

Yang Ming stopped a taxi and went directly to Sun Jie's company. On the road, he received a call from Sun Jie. Because Sun Hongjun was by her side, Yang Ming and Sun Jie didn't talk much.

Yang Ming just said that he would like to borrow Sun Jie's Audi R8. Sun Jie asked Yang Ming where he was, and let the secretary deliver the car keys.

Driving to Lin Zhiyun's home, Yang Ming knew that Lin Changqing and Shen Yueping were going to go together. If Yang Ming's BMW car didn't encounter a problem, the seats were just enough. But this Audi R8 sports car could only sit two people.

"Little Yang, you don't have to be troubled. I'm going to take a bus with Zhiyun's dad." Shen Yueping said after seeing Yang Ming's car.

“It is not a big deal. I will find you and Uncle Lin a car.” Yang Ming said as he took out his phone and called Bao Sanli.

There were more cars parked at Bao Sanli’s place. It was easier to have him just send a car.
