

Soul Pets Bk2 851

Chapter 851: Final Concoction

“Speaking of which, why hasn’t Chu Mu appeared yet?” Looking at the high seats, Ye Wansheng noticed that the spot beside princess wan ning was empty.

That meant that Chu Mu hadn’t come yet.

This wasn’t a good start. This final was the greatest goal for Ye Qingzi, so logically Chu Mu should have been here very early on.

“Let’s start!”

Yang Que’s eyes glanced over to the main judges and said.

The main judges nodded, and read out the first competitor that was about to perform the refining.

“Huang Modeng!!”

The soul pet trainer that was named was clearly nervous, very reserved as he walked forward.

Behind him was his helper. The helper held all the unfinished products and, if one looked closely, one could see the helper’s hands slightly trembling!

There were too many big characters up on the high seats. Adding on the ten thousand fellow soul teachers' gazes, it was natural to become nervous without a great resolve.

This soul teacher seemed to be making a thunder type soul item. He slowly walked up to the furnace arcing purple electricity, and threw his incomplete parts into the furnace!

The final step of concocting needed the soul teacher to use their soul remembrance to control the energy within the furnaces. If there were any mistakes, the entire product would become useless, so Huang Modeng didn't dare to be careless.

It wasn't too long when everything was completed and Huang Modeng let out a happy smile, pulling out a soul item shining with purple glow.

"Emperor.....this is emperor rank soul item!!!"

Feeling the soul item let out an aura, the soul teachers nearby all widened their eyes.

Being able to create emperor rank soul items was like being able to enter emperor rank. It was a gap in strengths. Using a single month to create an emperor rank soul item and create an emperor rank was something impossible to most soul teachers.

"Emperor rank, high class!"

After the three soul church elders' appraisals, they gave the final judgment on the quality of the item.

In such a competition, being able to perform normally was already hard. This emperor first rank soul item was just a normal performance by Huang Modeng, so he didn't get overjoyed and simply smiled.

Since all the soul teachers were given the same materials, the higher the rank, the more likely one was to fail. After all, with only a month, most of the soul teachers went for soul items they were good at making. After all, creating soul items had a high chance of failure.

In the following soul teachers, they were all similar in strength to Huang Modeng and created soul items around emperor first rank middle and high class. One created a perfect emperor first rank item, while two were too overachieving and failed, only able to leave disqualified.

"Lu Yun, emperor second rank, high class!!" A senior elder immediately revealed Cloud Scar Lu Yun's results.

This result immediately caused a commotion. Second rank emperor rank high class soul item was enough to create a pseudo emperor rank with a sub type!

Lu Yun herself was a very powerful soul pet trainer. If she could create emperor rank soul items easily, then she could easily recruit soul pet trainers that were about to break through using this. Though the materials were expensive, it was worth it to create an emperor rank strength that served her!

"You don't have a chance anymore." Zhu Zizhan looked at Lu Yun and smiled.

"Oh? Then I want to see Mister Zhu's incredible skill." Lu Yun's eyes wandered over, and said charmingly.

The next was Zhu Zizhan.

Zhu Zizhan needed more time than the others; he was making a fire type soul item.

“Zhu Zizhan, emperor third rank soul item, low class!”

The moment third rank soul item was said, everyone started discussing and cheering was heard everywhere.

Zhu Zizhan was rather pleased with his score. Pseudo emperor rank soul items and low class emperor rank soul items were on two different levels, so third rank was better than Lu Yun!

“Mister Zhu truly is talented, able to utilize your materials to a greater quality and effect.” Lu Yun smiled and insinuated.

Zhu Zizhan blanked briefly, not expecting Lu Yun to see through his tricks.

However, Zhu Zizhan was rather calm, not making any reply.

“Third rank emperor rank soul item can get top three. Not sure how princess xiang nan is doing.” Old soul teacher de said.

“Yeah, third rank low class emperor rank soul items had a chance of creating low class emperor ranks. With limited ingredients, being able to create this meant this man has unlimited potential!”

To any faction, a soul teacher able to create a third rank emperor rank soul item was already a noble guest. After all, every spirit emperor meant a strong addition of power. If they were given enough materials and time to concoct, this faction’s spirit emperor force will just grow ever larger.

"Ding Xiangnan, emperor third rank, low class!!"

A few senior elders showed surprise and read out soul pet palace princess xiang nan’s results.

Soul pet palace had the most people within the crowd. When they heard that soul pet palace princess created a soul item not inferior to Zhu Zizhan, the cheering instantly grew even louder!

Princess Xiang nan was quiet and low profile. Not many people knew of her. However, today’s outstanding performance would make her secretly admired by many.

“Next, Chu Qingzi.” The elder didn’t pause and read out Ye Qingzi’s name.

Ye Qingzi was still wearing her mask. She had an attractive body that left a lot to the imagination yet also a cold beauty that caused many men to feel unbearably curious about whether the face behind that mask was also exquisitely beautiful.

“Qingzi, you can do this, I will watch you.” Lin Shang said encouragingly.

Ye Qingzi looked at Lin Shang and only nodded slightly.

Ye Wansheng was uneasy now. Only he knew that Ye Qingzi's soul item wasn't even at the stage where it can go into the furnace. Ye Qingzi was going to continue concocting it while in the furnace!

Even though Ye Wansheng didn't know any soul ability, he knew that all the steps had to be in order. Ye Qingzi's chance of failure was extremely high like this.

Ye Qingzi slowly walked forward to the ice and fire furnace. This time, the soul item she was making had these two types.

"I will finish it!" Ye Qingzi took a deep breath and said to herself.

She opened the ice fire furnace and specially used her soul remembrance to lower the energy within the furnace to a minimum. She had to first combine and mix the soul items she had in the furnace. This should have happened in flasks, but this time she was doing it in the furnace.

"What.....what is she doing?"

"Why is she combining things in the furnace, did she not even finish her soul item?"

"If she didn't finish, is there a point in putting it into the furnace? It's destined to fail."

The senior elders were all very wise, so how could they not tell what Ye Qingzi was doing.

“Her courage is good. This concocting method does break through the limits of the material and goes towards higher rank soul items. However, not many people have grasped this method at all.” Zhu Chao looked at Ye Qingzi, and said slowly to Yang Que.

Yang Que nodded, “Young people always like a challenge.....”

Though they said this, neither yang Que nor Zhu Chao thought Ye Qingzi would succeed. After all, even they didn’t grasp such a technique fully.

“So slow!”

“How is she not done yet?”

“Furnace step shouldn’t take this long, is it a very advanced soul item?”

“Maybe it failed already.”

With the passage of time, everyone slowly got impatient, because Ye Qingzi was taking up too much time.

Ye Qingzi didn’t mind other peoples’ muttering. The competition didn’t give her a time limit on the furnace step.

“Stop wasting time, bring out the heap of junk.” Yang Qian also realized that Ye Qingzi was combining soul items within the furnace. Yang Qian didn’t believe Ye Qingzi could do it at all.

Ye Qingzi ignored her and Yang Qian specially glanced at the senior elders that were judging.

Seeing that Ye Qingzi hasn’t failed yet, and was just a few steps away from finishing, the elders lightly said, “Just wait a little longer.”

“Since you’re the last two, how about this. Yang Qian, if you use a different furnace for your soul item, you can go finish it first and then we can appraise your soul item then. The determination of the winner will be decided then.” A soul church elder said.

“You still need to appraise it? Do you senior elders have no faith in Yang Qian?” Yang Qian laughed and said.

“Hehe, of course we have faith, but you have to let others know how they lost!” Senior elder’s wrinkly face smiled and said.

Yang Qian didn’t wait for her name to be read out. She walked forward and walked to the thunder and fire type furnace aside Ye Qingzi.

While walking by Ye Qingzi, Yang Qian gazed provokingly at Ye Qingzi, and glanced at her body.

Suddenly, Yang Qian showed dissatisfaction and cursed under her breath, “She definitely has something around her waist!”

Yang Qian often stood in front of a mirror and appreciated her own body. She had a proud narcissism about her own body. So, when she noticed that Ye Qingzi's waist was even thinner than hers, she naturally felt unaccepting. No matter what, she had to be better than others.

Including Wan Ning's sweet temper that caused countless men to fall for her. Yang Qian actually wanted to look as pure and wholesome as Wan Ning, but after trying for a while, she realized she couldn't possibly do it.

Thus, she also was jealous of Wan Ning!

Chapter 852: Removed Dignity Part 1

"Young Master Chu still hasn't appeared. Nothing wrong has happened, right?" Princess Wan Ning looked at the empty seat beside her and began to worry.

Princess Wan Ning and Ning Maner had returned to Soul City first. Ning Maner had disguised herself and sat next to Princess Wan Ning.

"Don't worry. At most, he's just been delayed while killing that person. He should return." Ning Maner wasn't worried at all.

As she was speaking, Yang Qian seemed to have finished the final refinement of her spirit item, and was slowly retrieving this lightning and fire dual attributed spirit item from the furnace.

While Yang Qian was finishing her refinement, Ye Qingzi had also finally taken out her spirit item from the furnace.

"Oh, time is just right." Yang Qian laughed, and glanced at the tool Ye Qingzi was holding.

Yang Qian arrogantly walked forth, and placed her tool in front of the three Soul Church senior elders.

Ye Qingzi subsequently put hers down before calmly retreating to one side.

The first place winner of the soul ability competition was about to be announced!

The soul teacher arena which held ten thousand people had turned quiet. This included the powerful figures in the audience. They were all staring at the two tools on the senior elder table.

The senior elders on either side picked up Ye Qingzi and Yang Qian's spirit items and began to meticulously inspect them.

It didn't take long to inspect, but the adjacent Ye Wansheng began to tense up, as he felt that these two old men were moving too slowly!

At the beginning, the two white bearded senior elders had calm expressions. However, as they inspected the potential of the two spirit items, their faces couldn't help but reveal shocked expressions!

Right now practically everyone was focused on the two inspecting senior elders. However, purely from their expressions, it was impossible to guess which spirit item was stronger!

"This... is rare. Very rare!!"

“World-shocking workmanship. This is world-shocking workmanship!”

The two senior elders let out exclamations at practically the same time.

Then, the two of them handed over the tools to the center senior elder. Clearly, this Great Senior Elder from Soul Church would make the final appraisal before announcing the final result.

The Great Senior Elder examined both of them. He examined Ye Qingzi’s spirit item first and quickly, his expression was the same as the previous senior elder, carrying an expression of disbelief.

Then, he began to inspect Yang Qian’s spirit item, and the shock on his face didn’t dissipate either.

“Senior Elder Ge, announce the results.” calmly said Yang Que.

“Yang Qian. Emperor third rank. Perfect quality!!”

Soul Church Senior Elder Ge used soul remembrance to announce Yang Qian’s results!

The moment his voice faded, the entire arena was in shock!

Emperor third rank meant that it could be used to create a third class emperor. Moreover, perfect quality meant that there was a 100% success rate. She was able to accomplish this merely from these materials. Imagine giving her ample resources...

The success rate of a perfect quality was 100% while a lower quality's success rate was merely 5%. The difference between Zhu Zizhan and Yang Qian was immediately displayed!

"She's on a completely different level than second place. I said earlier that Young lady Yang was the undisputed number one and those fellows didn't believe me."

"She really is amazing. If I were to have those materials, forget the emperor rank, I wouldn't even be able to concoct eighth rank spirit items."

"The discrepancy in strength is too large!"

Sounds of discussion rang out. It seemed that everyone here was sure Yang Qian would obtain first place.

Moreover, with such an astonishing result, presumably the competitor who fought till the end with her would probably pale in comparison. The reason the great senior elder hadn't read out her result was probably because her concoction had failed.

Towards this result, Yang Qian was rather satisfied and she intentionally surveyed the surrounding soul teachers all congratulating her.

"This time, I've truly stood at the very highest spot. I want to see in the future, who will dare be disrespectful to me." a smile rose on Yang Qian's face.

Although she already knew that this result was inevitable, when she obtained the result, the feeling she had was completely different.

“Hmm, what’s the matter?” suddenly, the pleased Yang Qian discovered that the expression of the senior elders were strange as the three of them were still looking at Ye Qingzi’s tool, which the result of still hadn’t been announced.

“Everyone quiet down. The results of one competitor still needs to be announced.” at this moment, Senior Elder Ge stood up and pressed his two hands down, calling for silence.

Senior Elder Ge’s soul remembrance voice could honestly suppress everyone’s voices here, but he felt that this result needed to be announced with absolute silence so that everyone could hear!

Senior Elder Mu calmly waited for a moment to ensure that there was no more noise. He cleared his throat then said: “This result was extremely unexpected by myself and the two senior elders. However... it’s real...”

“Chu Qingzi, emperor fourth rank, high class quality!!!”

Emperor fourth rank, high class quality!!

His voice transmitted through the entire silent plaza, reverberating in the heads of every person!

The place was quiet for a moment before the ten thousand soul teacher plaza erupted like thunder!!

This shocking result was unbelievable!!

The soul teachers here were extremely clear that these materials could be used to concoct an emperor third rank spirit item, but this was the limit. A fourth rank spirit item was impossible!!

Perhaps this was why Senior Elder Ge had prefaced his announcement with those words!

“She really succeeded? This...” Soul City’s Lord, Yang Que, stood up from his seat, and stared at the masked Ye Qingzi.

Even Soul City’s Lord, Yang Que, was exceptionally shocked, since he hadn’t even fully grasped the complete furnace concoction method!

The senior elders, elders and Kingdom Lords were all silent. For a moment, they were unable to make an evaluation from this shocking result!

Yang Qian, who had been all smiles, was frozen over and she stood there stunned with an expression of amazement and confusion!

“That’s impossible! It’s impossible to concoct a fourth rank spirit item with those materials!” suddenly yelled Yang Qian!

Yang Qian’s words were what everyone was thinking!

This was because they understood soul abilities. Limited materials could not concoct higher rank spirit items. This was impossible!

Yang Qian ignored etiquette, and ran up to the three senior elders where she grabbed Ye Qingzi's tool.

The senior elders didn't stop her, allowing her to examine it.

However, not much later, her expression went stiff, and she seemed to have lost her soul!

Chapter 852: Removed Dignity Part 2

"Impossible, definitely impossible!! You cheated, you definitely cheated!! You definitely used some method to bring higher ranking materials into the medicine yard!!" Yang Qian pointed at the masked Ye Qingzi with a face full of anger!!

"The mask. Right, it must be the mask. You definitely hid some important spirit item inside and managed to evade the inspection!!" Yang Qian cried out.

Ye Qingzi stood there not speaking. She just stared at Yang Qian who was angrily accusing her.

"Yang Qian, control your emotions!" suddenly, Yang Que's voice entered Yang Qian's mind, forcibly suppressing her surging emotions.

"Grandfather, she definitely cheated. You must seek justice for me. You also know that these materials cannot concoct a fourth rank emperor spirit item!!" immediately responded Yang Qian!

“Don’t worry. It’s yours. Nobody can steal it from you. However, what do you look like right now!” Yang Que said in a low voice.

Yang Qian immediately realized that her appearance right now was quite embarrassing. She forcibly suppressed her anger and coldly stared at Ye Qingzi.

“Truly laughable. Someone else’s technique was higher than yours so you just groundlessly accuse that person of cheating?” suddenly, Shen Qiu began to coldly mock.

Yang Qian didn’t dare talk back to Shen Qiu. She merely turned to look at Yang Que and Zhu Chao.

“The three senior elders. Was there anything abnormal with the spirit item Chu Qingzi concocted?” asked Yang Que.

“The three senior elders looked at each other before Senior Elder Ge said: “No. We wouldn’t have made a mistake.”

“Then, who was in charge of searching for her. Did you search her mask?” Yang Que clearly was protecting Yang Qian. Clearly, he was doing what she wanted.

“This... no. This subordinate felt that the mask...” the female soul teacher on the outer tables in charge of searching Ye Qingzi shamefully looked down.

“Then search her again.” Yang Que calmly said to her.

The female soul teacher didn't dare disobey. She walked up to Ye Qingzi, telling her to take her mask off.

Spirit liquid would leave a long remnant smell if it was placed somewhere. If they were to examine now, they would be able to determine if there was spirit liquid hidden inside.

"Yang Que, is this appropriate?!" Shen Qiu suddenly stood up, and stared at the female soul teacher about to inspect Ye Qingzi.

"It's only a mask. We'll just take it off to inspect. If there's nothing abnormal Chu Qingzi will be the undisputed first place soul teacher. It was the inspector's own negligence for failing to inspect the mask. We'll make up for that now." Yang Que calmly spoke.

Everyone could see that Yang Que was biased in favor of his granddaughter. However, anything he said in this city went. Since he made sense, Shen Qiu couldn't find an excuse to protect Ye Qingzi.

"Please take off your mask." politely said the woman.

Ye Qingzi stood there, unmoving.

The woman repeated it again, but Ye Qingzi still didn't take off her mask.

"What's the matter? Feeling guilty now?" mocked Yang Qian.

Since the opposing party wasn't willing to take off her mask, this was evidence of cheating!

“If I take it off and you don’t find anything, does that prove my innocence and that I am the undisputed first place in the soul ability competition?” Ye Qingzi looked at the overbearing Yang Que and coldly inquired.

“Yes. The soul ability competition is fair. If there’s nothing wrong with the mask, naturally nobody will suspect you.” apathetically nodded Yang Que.

In truth, Yang Que was a bit suspicious himself whether Ye Qingzi cheated, because even he himself didn’t have the confidence to use these materials to complete a fourth rank emperor rank spirit item concoction.

“Ok, I’ll take it off.” Ye Qingzi’s tone turned heavy!

“Qingzi, don’t...” Ye Wansheng hastily went to stop her.

Ye Qingzi glanced at Ye Wansheng and firmly said: “I’m going to obtain the Spirit Vessel!”

Ye Qingzi had a pair of beautiful eyes and many people could deduce that she was probably a breathtaking beauty.

Therefore, when she took off her mask, everyone was excited and stared at the face of this mysterious soul teacher.

Everyone’s eyes were on her face as they watched this woman solemnly take off her mask...

Her eyes were like stars that carried a beautiful lustre. Within the depths was hidden bewilderment and a sense of loss. Yet this made others even more enchanted.

However, when everyone believed that a heart shaking face would imprint themselves in their eyes, they saw black scars!!

These black scars were warped and malevolent. They covered this woman's face, completely destroying her perfect face!!

When the mask came off, a clattering sound rang out, but everyone sucked in a breath!!

"How... how terrifying!" the woman standing in front of Ye Qingzi took a few steps back, not daring to look directly at her!

Zhu Zizhan, Lu Yun, Yang Qian, and Princess Xiang Nan were all next to Ye Qingzi and when they saw her appearance, they were stunned!

This woman should have possessed beauty that was uncontainable by even a mask. However, nobody expected that her face would be destroyed to this extent by poison!!

"Qingzi..." Lin Shang, sitting in the audience, seemed to have lost his soul.

He remembered her appearance, the appearance that made him incomparably infatuated. However, the beauty in his dreams had been reduced to this state!

“Qingzi, is it worth the trouble?!!” Ye Wansheng stood next to Ye Qingzi with a bitter face, but he could only say this much.

Ye Wansheng didn't want Ye Qingzi to take off the mask not because he was afraid of them being recognized.

Instead, he understood that when Ye Qingzi had spent 20 days concocting spirit items, much of her soul power had been consumed and she was incapable of completing a high ranking concoction. The only method was to use a self-harming soul teacher soul technique...

This self-harming soul teacher soul technique was destructive to her appearance!

Moreover, she was exposing this appearance in front of everyone!

To any woman, appearance was exceptionally important!!

When others stared at you and revealed fear or disgust... Ye Wansheng came to understand this.

Right now, everyone was staring at his sister with eyes of disgust as if they were looking at a monster. As a brother, his heart felt like it was being slashed apart!!

His eyes were red.

In order to obtain the Spirit Vessel, and to complete their father-like teacher's inheritance, his sister had sacrificed too much.

She had forsaken her own appearance, and had now thrown away her own dignity as a woman.

Chapter 853: Today, Great Killing Spree Part 1

"Satisfied?" Ye Qingzi coldly gazed at Yang Qian, face full of shock and said.

Yang Qian finally came back to her senses. She didn't seem to have any idea of respect within her, still using a taunting voice as she said, "Hurting your soul and causing you to become this devilish appearance truly is tough, huh?"

"Bitch, say that one more time, and I'll rip your face off!" Ye Wansheng crushed the mask under his feet and yelled angrily!

Ye Qingzi glanced at Ye Wansheng shook his head, and told her brother not to get excited, because this was soul city, and it was the Yang family's land.

"Heng, am I wrong?" Seeing Ye Wansheng's angry roar, Yang Qian instead laughed.

Ye Qingzi didn't mind Yang Qian's mocking at all. She gazed at the three elders and said, "Now you've checked my mask, you should announce the results right?"

"En.....en." Elder Ge sighed and stood up, glancing at Yang Que.

At this moment, Yang Que couldn't find any other reason to take away the reality that Ye Qingzi made a fourth rank emperor rank soul item.

However, Yang Qian's face became extremely ugly. Because, no matter how ugly Ye Qingzi became, she still got the first place that was supposed to be hers!

"Then, this first place soul ability competition is Chu Qingzi's!"

Elder Ge gathered his soul remembrance into a voice that spread to every person in the plaza.

Except, for some reason, the people that previously supported the mysterious Ye Qingzi didn't call out, instead still looking at her strangely.

"No matter what, she still got first place, however..... I don't know what Chu Mu will feel when he sees. Sigh, I remember the Ye girl was extremely beautiful before too....." Old soul teacher de sighed, not feeling that great.

Every soul teacher had to put in an immense amount of effort into soul abilities, but putting in such a painful price was still rare.

"Hopefully she can heal back."

.....

Finally, the results were announced, and Ye Qingzi got first place.

Standing in front of the high seats, Yang Qian looked acast. The feeling of being beat caused her to feel awful. She was still trying to find a way to expose Ye Qingzi for cheating.

However, Ye Qingzi's gaze fell on yang Que's ancient equipment!!

That was the Soul Vessel that holds everything that mattered to Ye Qingzi since she became a soul teacher, and it was all in front of her!

Yang Que slowly walked before Ye Qingzi and put it in front of her. This honor was like a crown that also held incredible meaning to every soul teacher.

Ye Qingzi's hands shook slightly.....

With her wish finally done, her emotions were truly inexpressible, except for the tears that were welling up in her eyes.

“This is soul city's creator's first superior vessel. It holds not only the reward for the soul ability competition, but also the history of human realm's thousands of years of soul ability research. Every finalist has 10 days with it before having to give it back.” Yang Que said slightly darkly to ye Qingzi.

“En.” Ye Qingzi nodded and carefully held the Soul vessel.

“Then, you should tell me how you made the impossible possible. Till today, including us old soul teachers, probably not many people can make those materials into a fourth rank emperor rank soul item.” Yang Que gazed sharply at Ye Qingzi, and said in an unkind manner.

Ye Qingzi paused, not expecting the sudden interrogation from yang Que.

“Yang city master, soul ability secrets can’t be revealed, why do you ask?” Old soul teacher De quickly spoke to help Ye Qingzi diffuse the situation.

At this moment, the Medicine Desolation Zhu Chao who didn’t say anything stood up.

A yellow robed man slowly came down the steps. Zhu Chao’s eyes gazed at Ye Qingzi with a rumination in them.

“I will answer for her.” Zhu Chao smiled.

As this was said, everyone’s gaze fell on Medicine desolation Zhu Chao’s. No one understood why Zhu Chao, who said nothing beforehand, wasn’t sad about his disciple’s loss, instead looking like he expected it.

“Teacher, you.....” Yang Qian looked at Zhu Chao and didn't know what to expect next.

Zhu Chao didn’t mind Yang Qian. He stood in front of Ye Qingzi and said with soul remembrance, “Not sure if everyone here still remembers a person just as outstanding as Chu Qingzi here, who also won the soul ability competition?”

A few soul church elders glanced at each other and hesitated before saying, “Do you mean Ying Rong?”

Ying Rong was a name of the past. Not many young soul teachers remember him anymore.

However, in the generation of Zhu Chao and the soul church elders, Ying Rong was a name they will never forget because his soul ability was truly too outstanding.

“Yes, Ying Rong. The previous Ying Rong used this method of finishing the soul item within the furnace. This can highly increase the rank of soul item but its extremely hard to control the fire.....” Zhu Chao said.

Zhu Chao’s words made many people who knew Ying Rong surprised and quickly gaze at Ye Qingzi.

“That’s right, the female soul teacher in front of you holding the spirit vessel is Ying Rong’s disciple!!!”

Zhu Chao said this very heavily, almost deafening Ye Qingzi and Ye Wansheng and sending a tremor through both of them!

Ye Wansheng’s faces went pale. There’s no way they would have thought that Zhu Chao would see through their identity!

“Ying Rong defied the soul alliance, and had a crime worthy of death. His children should be exiled and never enter any tenth rank city while his disciples should be ripped of their soul ability and

never touch soul ability again and exiled from wanxiang realm!!” Zhu Chao’s voice was like a clap of thunder that sent tremors through the plaza. “If I remember correctly, that was the punishment given to Ying Rong.”

This moment, everyone went silent, especially those who knew about Ying Rong.

Everyone outside was in even more turmoil. They didn't know what was happening.

“These elders, you can make a new judgement now.” Zhu Chao turned around and looked at the three elders.

Chapter 853: Today, Great Killing Spree Part 2

The three elders clearly were all in the know. They hesitated for a while before finally walking before Ye Qingzi and, despite the pity and unwilling in his eyes, he uttered with his soul remembrance loudly, “Ying Rong committed a great crime and soul church gave a command that no one should ever inherit Ying Rong’s soul abilities. Those who disobey should be rid of their soul ability and sent out of soul church, exiled from all cities.”

“Chu Qingzi’s soul abilities are that of Ying Rong’s, so she broke the soul church’s decree. This competition today, Chu Qingzi will be disqualified!”

“Take Chu Qingzi down!”

Elder Ge gave a command, and immediately three elder rank soul teachers appeared and stood by Ye Qingzi.

When the spirit vessel was taken away by Elder Ge, Ye Qingzi’s heart seemed to have been lost with it.

These few days, ye Qingzi withstood immense pressure, but in the last second, these drastic changes caused her to be no longer able to stand. She kneeled down on the floor, her hair covering her face.....

“Why did this happen.....why is it like this.....just one step away.....” Ye Qingzi could no longer hear the elders loudly declaring her sentence.

“Qingzi, Qingzi.....” Ye Wansheng quickly went forth, and gave Ye Qingzi a hand in her mental breakdown.

“Ye Qingzi, Ye Wansheng, do you two think you can avoid my gaze and play these tricks right in front of me?” Zhu Chao stood in front of the two and laughed mockingly.

“Zhu Chao, you..... You dog, if you didn't betray my teacher, why would he get his mouth sealed?!” Ye Wansheng yelled out angrily!!

“Ying Rong got what he deserved. However, I should thank you. If you didn't want to get the soul vessel so badly, how would I have thought that Ying Rong hid his soul abilities in the soul vessel.” In this one sentence, Zhu Chao used his soul remembrance and said to Ye Qingzi and Ye Wansheng.

The loathsome laughter sounded sharply by the two brother and sister's ears. Initially, Zhu Chao was the reason they were exiled from Wanxiang Realm, rendered homeless in Tianxia Realm and having no backing.....

Today, because of Zhu Chao, he completely closed off the two brother and sisters' wishes. This regret was already down to his bones, deep into their souls!!

What was hardest for Ye Qingzi to stand was the soul abilities that her teacher meant for her was going to fall in this man's hands!!

Zhu Chao felt the anger from the two, and still smiled politely.

"The first time, you were exiled. The second time, will I let them go this easily?" Zhu Chao smiled and said to the three elders, asking.

The three elders didn't know how to make the final decision. After a while, Elder Ge finally said, "They don't know much, we can just exile them to the northern wastelands....."

"First rid them of their soul ability!" At this moment, Yang Qian was full of satisfaction, and a pleased expression erupted on her mouth.

"This truly was a turn of events. Yang Qian said with her soul remembrance to the kneeling Ye Qingzi while screeching with laughter, "Without your soul ability, you'll remain like this ghoulish appearance for the rest of your life!!"

Ye Qingzi's body shook again. She could fail, but her soul ability was the last thing her teacher left on this world. If it were removed, it was like removing the last bits of her teacher's soul and legacy!!

"No!! You can't remove my sister's soul ability!!!!" Ye Wansheng roared.

If Ye Qingzi's soul ability was removed, then Ye Qingzi will forever remain like this and that was not acceptable!!

“Then, either you lose your soul ability, or you lose your life, pick one for yourself!” Zhu Chao said emotionlessly.

Losing your soul ability was like a mental destruction!!

Ye Qingzi wanted to stand up, but suddenly the combined soul remembrance pressure from the soul church elders nearly caused her to faint!

The teary Ye Qingzi couldn't resist at all, as the pain caused her to start screaming!

“Qingzi!!!”

Ye Wansheng's eyes went red, but as a brother, he couldn't even read out an incantation under the pressure!

Though the elders couldn't bear the sight, they didn't dare go against soul alliance master's command.

"Stop!!!”

Shen Qiu yelled out and shattered the remembrance pressure of the elders!

“Elder Shen, if you want your mouth sealed as well, then feel free to save her!!” Zhu Chao humphed!

Shen Qiu went silent. When it came to the sealed mouth event, he still had an oath in the depths of his soul!!

“Continue! We can’t be merciful.....” Zhu Chao no longer dared to say anything and coldly said to the soul church senior elders and elders.

“Beng!!!!!!”

Suddenly, a person fell from the sky, landing heavily by Zhu Chao’s feet!!

Zhu Chao paused, and glanced down to notice in shock that a corpse was laying at his feet!!

The nearby people were all shocked by the corpse that suddenly fell down and screams connected into a deafening roar!

“Zhu Haoting! Isn’t this boss Zhu Haoting!!!”

“It really is, who.....who killed Boss Zhu!!!!”

Everyone was shocked. No one could believe that the corpse was Zhu Haoting with top tier emperor rank strength!!

“If anyone touches her again, you’ll suffer the same fate as him!!!!”

A frigid voice came from the skies, landing heavily on everyone’s hearts, causing even the elders and senior elders to shake!!

The next moment, a white clothed young man fell from the sky, appearing bizarrely in front of Zhu Chao!

Zhu Chao unconsciously backed off a few steps, watching shocked at this terrifying young man!

“You.....you killed him!!” Zhu Chao stared in disbelief at this man!

Zhu Chao sent a top tier emperor rank Zhu Haoting to kill him. Though Princess Wan Ning’s appearance made Zhu Chao guess that Zhu Haoting may have failed, he never would have guessed that Chu Mu killed Zhu Haoting!!

The corpse that laid coldly at Zhu Chao’s feet gave a true death threat to Zhu Chao that sent shivers through his body!!

Chu Mu didn’t mind Zhu Chao, and instead stepped forward slowly towards the teary Ye Qingzi.....

This was the first time Chu Mu felt his heart break. He specially waited for Ye Qingzi because he hoped he would stand in front of her when she completed her wish, to let her know that he was still alive too.....

However, Chu Mu would never have thought that this soul ability competition was just a trap set up by Zhu Chao.

Seeing Ye Qingzi fall into despair after losing all her hope, seeing her current appearance revealed to the public because of her soul abilities, Chu Mu truly felt daggers in his heart!

At the same time, the anger that was about to break through his body caused Chu Mu's eyes to become icy. A thick anger emanated from him, becoming an invisible aura that suppressed all the experts!

“Chu.....Chu Fangchen, what do you want to do? If you want to protect her, you will get hunted down by spirit alliance and soul church. Do you think you can go against all of us?!!” Zhu Chao yelled angrily.

Chu Mu paused his step and glanced at everyone, adding lightly, “If anyone wants to die, feel free to come forth!!”

Today, no one can stop the heart broken, infuriated Chu Mu from going on a killing spree!!!

Chapter 854: I'll Engage in a Mass Slaughter Today Part 1

“What guts! I want to see what ability you have!” Zhu Chao coldly looked back, before sweeping his gaze over his two aides.

His two aides were the Thirty Two Scars Tang Shang and Liang Yu. These two stared in fear at Zhu Haoting's corpse lying on the floor.

“What are you afraid of! He didn’t kill that person! You’re even afraid of a younger generation. What use are you!!” Zhu Chao stared at Tang Shang and Liang Yu cowering like this and immediately spoke in great anger.

Only after his outburst did Tang Shang and Liang Yu chant incantations, respectively summoning a high class emperor rank demon and high class emperor rank Heavenly Vine Demon!

“Take him down!” ordered Zhu Chao.

The demon flew forward, pouncing at Chu Mu. Not even twenty meters away, it was abnormally difficult for soul pet trainers to dodge!

A mental wave was sent out as well. In front of the demon only half a meter away, Chu Mu stood still like a stone, but his eyes were gradually covered in a merciless cold!

This was when Chu Mu was truly mad!!

“Mo Xie, kill the two of them!” Chu Mu indifferently ordered.

In his eyes, the speed of the demon attacking him was exceptionally slow. He didn’t want to waste time on them so he ordered Mo Xie as he indifferently turned around, and began walking up the stands to the honor platform!

“Shua!!! Shua!!!!!!!”

Two captivating red claw blades swept across, carrying a demonic blood light. They respectively streaked across the demon's neck and the Heavenly Vine Demon's body!!!

“Hu hu hu hu hu!!!!!!!”

A scorching hot red flame abruptly sprang up in the arena. The high class emperor demon didn't even have the ability to resist as it was cut into two pieces by Mo Xie's claws. After, its body burned to ashes!

The Heavenly Vine Demon hadn't even used a single technique when it was engulfed by this terrifying red flame. Immediately after, it let out an ugly cry!!

This change happened too fast!

Even Zhu Chao wasn't able to react as he watched the Thirty Two Scar's Tang Shang and Liang Yu's soul pets get killed!!!

“What on earth happened!!”

"I... I didn't see anything!"

“I only saw a silver body flash past.”

The spirit emperors in the stands were stunned because even they hadn't clearly saw what creature had attacked.

No matter who managed to see, these were Scar experts' high class emperors. Yet, they weren't even able to withstand a single attack before being killed. What terrifying strength was this?!

"This Seven Sins Fox is very strong!!!" the elders from the three great palaces had faces full of shock.

Although they knew that Chu Fangchen's strength was not inferior to them, they never expected that he, purely relying on his own one man strength, would be able to stun Zhu Chao, as well as the spirit emperor camp of Zhu Chao!!

"Hu hu hu hu~~~~~"

A red flaming silver elegant body danced in the air. After the pitiful state Mo Xie killed her enemies, she lithely returned to her spot behind Chu Mu, before slowly and arrogantly taking steps forward.

As she stepped forward, the red flames on her body grew even more exuberant, and her body grew along side it as she transformed into a mighty Seven Sins Fox!!

Mo Xie's long tails, burning with flames, dragged along the ground. Ostensibly, killing two high class emperors were insignificant to her. Her aura was very similar to Chu Mu as she transformed all her anger into the terrifying and still cold light in her eyes.

The smell of bloodshed followed!!

Staring at the true form of this Seven Sins Fox, people finally believed that this young man's "great slaughter" words were not just for show, because he possessed a Seven Sins Fox with peak emperor strength!!

However, nobody would expect that a young man would have a peak emperor soul pet!!

"What... what are you going to do!!"

Yang Qian saw that Chu Mu was walking up the stairs with a face full of shock.

This woman didn't seem to realize what sort of state she was in. Because she believed this was Soul City, nobody would dare do anything to her.

Therefore, although she was afraid of Chu Mu, she stood there and arrogantly said to Chu Mu: "Could it be you want to stand up for this disgusting woman? She is Ying Rong's disciple. You dare..."

Chapter 854: I'll Engage in a Mass Slaughter Today Part 2

Suddenly, a crisp slap fiercely smacked Yang Qian's arrogant face!!!

Yang Qian hadn't finished speaking when she knocked back by a slap on the left side of her face!!

She flew through the air in a bloody arc before landing at the bottom of the steps!!

This slap was loud, while the entire ten thousand person plaza was silent!!

It was a good ten seconds as the tens of thousands of people didn't speak a word!!!

This proud woman from the heavens in the eyes of others, that was about to become the city lord, was unexpectedly hit so hard that blood began to flow. Half her face was paralyzed as she lay on the ground. Her miserable appearance was completely different from the Yang Qian people normally saw!!

“What... what guts!!!” suddenly, a heaven shaking roar rang out!!

This voice could only be created by a high remembrance spirit emperor. It made everyone's ears ring!

The one who angrily roared was naturally Yang Qian's grandfather, Yang Que!

This Soul City City Lord had originally only stood on the sidelines, slightly in favor of one side. However, he never expected that this brat would be so gusty and hit his granddaughter. If he had added even a bit more strength, her brain would have been smashed apart by him!!

“Me leaving her life intact is because you haven't stood on the side of Soul Alliance!” Chu Mu's gaze was like a knife, as his moving colorful eyes stared at Yang Que!!

Chu Mu's words stunned Yang Que!

Having lived for so long, nobody had ever dared talk to him like this!

After Chu Mu finished speaking, he ignored Yang Que and walked straight up to the three Soul Church senior elders and three elders!

These six Soul Church higher ups were in the process of removing Ye Qingzi's soul abilities according to the order. However, they didn't dare continue any longer. They had all lived to be over a hundred, and had never seen someone's eyes so terrifying!

"You six, fuck off!" Chu Mu coldly swept this eyes over.

All of the senior elders and elders from Soul Church were figures with high influence and prestige. No matter where they went, they would receive respect. This was the first time in their lives that they had been told to fuck off by a young man. Moreover, it was in an arena filled with tens of thousands of people. Thus, for a moment, their face went red.

Among them, Elder Shang angrily said: "Brat, did you know that even if you're a crown prince level figure, you must still be respectful to us?!! You just injured the City Lord's granddaughter and have offended the City Lord. And now you want to anger our Soul Church?!!"

"The younger generation of your three great palaces are so arrogant, and act so brazenly as you wish!!" Senior Elder Peng angrily berated the members from the three great palaces.

The three great palace's elders stared at each other. Although they knew Chu Fangchen was from the younger generation, his strength surpassed theirs, rivaling a senior elder's. Perhaps in the future he would also become a leading figure in their three great palaces. Chu Mu's series of actions had caused all of the higher ups in the three great palaces to be stunned. However, nobody dared say Chu Mu was presumptuous, because they simply didn't have the qualifications to do so!

"I already gave you a chance to live." Chu Mu's coldly stared at them!

The moment his voice faded, behind Elder Shang, a strange white ball of devil flames suddenly burned!

Within the devil flames, a flaming face with the robust figure like Chu Mu demonically appeared!

Soul Church's senior elders and elders were slightly weaker than the three great palace's elders and senior elders. Elder Shang only had the strength of a high class emperor and only Senior Elder Ge had peak emperor strength.

However, even Senior Elder Ge didn't detect the appearance of this White Nightmare!!

“Jie jie~~~~~”

The terrifying laughter of the White Nightmare suddenly rang out from behind Elder Shang who felt his heart go cold. Immediately after, his body felt like it was missing something!!

“A heart!!! It's a heart!!!”

Suddenly, someone yelled out!!

In the next instant, everyone let out a breath of cold air because a White Nightmare had unknowingly appeared, and taken away the enforcing Elder Shang's heart!

“Beng!!!!!!!!!!”

The White Nightmare mercilessly clenched its right hand and Elder Shang’s beating heart bloodily exploded. Instantly, the blood splattered over the other Soul Church senior elders and elders!

The five remaining enforcers felt a wave of fear. They no longer dared question the strength of this young man. They frightened summoned their soul pets and retreated to the seats around them!

“Chu... Chu Fangchen!! You are extremely daring!!! You even dare kill a Soul Church elder!!!”
Zhu Chao was already so angry his body was trembling!!

This Elder Shang had been specifically ordered by Zhu Chao to destroy Ye Qingzi’s mind. Yet, Chu Mu had killed him, clearly aimed at him!!

“Take him down! Take him down!! What are you just standing there for! Take him down! Everyone go together!!!” Zhu Chao flew into a rage as he yelled at his subordinates.

Chu Mu’s conduct had already angered many people. As Zhu Chao angrily yelled, Soul Church’s experts, Zhu Chao’s subordinates and Yang Que’s subordinates began to surround the honor platform from underneath!

Seeing tens of high class emperor and middle class emperor people surround him, Chu Mu unexpectedly treated them like air.

Nobody dared to attack Chu Mu, because they understood that behind this young man stood the enormous three great palaces faction!

As Chu Mu was watched closely by so many people. He slowly walked up to Ye Qingzi who was paralyzed on the ground.

“Chu... Chu Mu... Chu Mu...” Ye Qingzi’s eyes never left him.

However, how would she believe this...

How would she believe that a person, whose soul should have perished, suddenly appeared here!!

Sadness and happiness were mixed as tears flowed like a spring.

Ye Qingzi could no longer tell if this was a dream or reality. The tears rolled off her face one drop at a time, landing on her clothes!

Chu Mu’s face was expressionless. In this moment, even if he hadn’t transformed into a half devil, his appearance was remarkably similar to the kingly state of the silver devil. He was not to be angered!!!

For the Soul Vessel, Ye Qingzi had sacrificed so much. In the past month, Chu Mu had imagined, countless times, the moment he and Ye Qingzi would see each other again. Oh how beautiful and sweet that would be.

However, what he saw wasn’t a Ye Qingzi that had a weight lifted off her shoulders. Nor was it a beautiful and illuminating Ye Qingzi. Instead, it was a Ye Qingzi that made others heartbroken!

This feeling of heartbreak caused his devil's innate slaughtering instincts that he already had a difficult time suppressing to appear...

Today, whoever harmed her or whoever wanted to harm her would die!!

Going on a mass slaughter wasn't a bad idea!!

Chapter 855: This Place is Your Execution Stage! Part 1

Ye Qingzi had asked herself before how important this man was in her heart. However, she was unable to answer this question.

That is, until she heard about the news of him transforming into a devil. When the heart wrenching pain flooded through her, she finally understood how deep this man had walked into her heart.

Moreover, it was only because he had supposedly died that her own beauty and dignity no longer became important and were thus thrown away.

"The mask... the mask... my mask!" abruptly, Ye Qingzi realized something!

She became flustered and in a panic, began searching for her mask.

Fortunately, the mask wasn't far from her. Her hands trembled, as she put the mask back on.

After using the mask to hide her terrifying face, Ye Qingzi finally calmed down. However, underneath the mask, she felt like her soul had left!

“Qingzi...” seeing Ye Qingzi put on the mask in a daze, Chu Mu’s heart felt as if it had been savagely pricked. He choked on his words, and couldn’t say anything!

She was able to throw down her dignity in front of tens of thousands of people and reveal her poisoned face. However, she was unable to bear it in front of him.

Chu Mu took in a deep breath. He really wanted to go and hug Ye Qingzi and wipe the tears off her face.

However, behind him were many enemies.

Chu Mu had to kill in order to pacify the raging anger in his heart before he could show his soft side and console this wounded woman.

Chu Mu turned around, and no longer looked at Ye Qingzi. Instead, he stared at the group of enemies that had already summoned their soul pets!

Most of these people were loyal to Soul Alliance because only Soul Alliance members dared take action against the three great palace’s Chu Fangchen!

Around ten soul pet trainers, four high class emperors and 12 middle class emperors!

These soul pets flexed their claws and bared their teeth. They surrounded the tall honor platform Chu Mu was on, glaring at him with disgusting appearances!

“This is your execution stage!” indifferently said Chu Mu.

A white clothed man, a white flaming devil person, and a silver sin fox. Their auras were completely different from one another, but when they faced the enemies that surrounded them, there was no trace of fear!

.....

Liang Yu from the Thirty Two Scars was filled with anger, and his dark face couldn't stop trembling. He glanced at the experts next to him and gave an angry shout, ordering his second main pet to charge at Chu Mu's sin fox!!

After one person attacked, the others quickly followed suit!

There were a total of 16 soul pets, and they practically were all demon beasts, because only they could be released to their full potential on this stage. Indeed, none of them would be able to bear the consequences if a wave of energy affected the stadium filled with tens of thousands of soul teachers.

The four high class emperors only needed to take one step before they appeared on the towering honor platform. Their immense auras pressured the entire honor platform that it seemed like it was going to collapse!

Mo Xie's eyes were like a torch. Red flames emerged around her, forming a red flaming pattern that resembled an enormous flaming mural. It kept the four high class emperors ten meters away!

“Hou hou hou hou!!!!!!!!!!”

“Ao ao ao ao!!!!!!!!”

Suddenly, seven of the middle class emperors charged at Mo Xie from behind her. From the looks of things, they were attempting to attack Chu Mu head on!

Two of Mo Xie’s tails transformed into snaking dragons that coiled around Chu Mu and Ye Qingzi, forming a nine tailed sin seal around the two of them.

The other seven tails transformed into red flaming wild dragons which danced through the air!

The seven middle class emperors were not able to release techniques before mo Xie’s dragon tails locked them all up!

All of their attacks came to a halt!

Mo Xie indifferently turned around, and as if she was dealing with children, she lifted all seven of them high into the air!

“Wring them to death!” Chu Mu mercilessly gave an order.

“Wu wu wu wu!!!!!!!”

Seven wild dragon tails began to dance, growing increasingly fast. The seven demons transformed into weeds in a violent wind as they struggled in the dancing killer tails!

Immediately, miserable cries rang through the entire plaza!

The seven wild dragon tails transformed into terrifying killer vortexes that turned the seven middle class emperors into mush that splattered all over the honor platform!!

Blood began to spill down the steps, and flesh and innards littered the floor. The ghastly wringing to death and the burning soul devil flames had frozen everyone, their eyes covered in fear!!

As Mo Xie was killing the seven middle class emperors, the White Nightmare had let out a crafty laughter. The other middle class emperors were unable to even use a technique before they were burned to a crisp. Even their souls didn't remain!

The arena had transformed into a battlefield, and the honor platform transformed into an execution stage!

Successive shouts of horror rang out from the crowd as they fled in a panic!

Most of the people who had come here were soul teachers, and they understood that in a battle of this scale, a single technique could annihilate them all. If they stayed here, if energy were to spill over, they would be the ones to die!

Chu Mu's mercilessly killing had sent the stadium into chaos!

Nonetheless, the spirit emperors in the stands were very focused. It was hard to believe that a young man would be so courageous that he dared stand here and fight against the whole Soul Alliance!

Chapter 855: This Place is Your Execution Stage! Part 2

"What are you planning on doing?!" Yang Que was incomparably dark, as he stood there and glared at the adjacent Shen Qiu.

"I only want to tell you that if you dare take another step towards Soul Alliance, your Yang Family will disappear from this world!" harrumphed Great Senior Elder Shen Qiu.

Yang Que himself didn't dare enter Soul Alliance, but was willing to transfer the city lord position to Yang Qian. But this was equivalent to turning Soul City over to Soul Alliance.

Since this was the case, Shen Qiu didn't need to be polite towards the Yang Family!!

"You're threatening me!" Yang Que's eyes were spitting out flames. His status was so high and mighty, yet this was the second time he had been threatened today!!

"I only want to tell you need to understand your position right now!!" Nightmare Palace's members never talked with reason and indeed, Shen Qiu didn't have any other reasons. He had originally wanted slaughter to occur!!

Since Chu Fangchen had already begun the slaughter, as the Great Senior Elder, Shen Qiu didn't have any reason to just watch from the sidelines.

What he was doing right now was giving this young man, whose courage even he admired, a chance to slaughter those Soul Alliance lackeys!!

It wasn't only Shen Qiu. All of the spirit emperor rank members in the three great palaces understood Great Senior Elder Shen Qiu's intentions.

They looked as if they were just sitting in their seats and not making a move. However, in truth, they had already locked their soul remembrances onto opponents!

"City Lord Yang, the moment your granddaughter takes your position, our three great palaces will have no standing here. Thus, our three great palaces really wouldn't mind showering this city in blood. Don't you feel that right now is the perfect ignition for that?" calmly said Shen Qiu.

Yang Que's face was unsightly, as he turned around and swept his eyes over the three great palace's members.

Indeed, everyone from three great palaces was prepared to fight!!

Presumably, Shen Qiu only had to give the order, and a war between spirit emperors would break out in Soul City. If that happened, Yang Que couldn't imagine what Soul City would be reduced to.

But what Yang Que actually cared about was merely the slap Chu Mu delivered to Yang Qian that left her half dead.

However, if he wanted to act for his granddaughter and go himself or send others to deal with Chu Mu, he would be faced with the three great palaces destroying the city!

“Shen Qiu! You may be able to stop me, but I want to see which one of you will be able to stop Zhu Chao!!! You are forcing Zhu Chao to annihilate you!!!” angrily said Yang Que!

“City Lord doesn’t need to worry about that. How about we just peacefully sit here and watch.” said Shen Qiu.

Shen Qiu’s face turned darker!

His granddaughter had been badly beaten, and the soul ability competition had turned into a bloodbath. There was a chance that this could catalyze into Soul City being bathed in blood. Only a ghost would be able to remain calm!

.....

“Big brother is truly mad this time.” Ning Maner sat in the center of the seats and quietly spoke.

Princess Wan Ning was absent minded, and only when Ning Maner spoke did she slightly return to her senses.

Chu Mu’s actions had delivered a huge blow to her spirit!

It was very hard to believe that he dared to stand against Soul Church and Soul Alliance alone!

A fearless man slaughtering others!

Was there anyone more reckless in this world than him?!!

.....

After a wave of slaughter, the battlefield returned to silence!

A peak emperor rank Seven Sins Fox and a peak emperor rank White Nightmare. These two soul pets were standing beside this man and were killing machines!

The middle class emperors were so easily killed and the high class emperors also didn't have the strength to resist. For a while, the Soul Church experts and Zhu Chao's subordinates didn't dare step forward!

Zhu Chao, who himself hadn't taken action, had an extremely unsightly expression.

He never expected that this young man's strength would reach this level. If it wasn't because he had his subordinates take action, he would have greatly suffered if it had been he himself who had taken action!

Two peak emperors were not easy to deal with. He also understood that behind him stood a group of members from the three great palaces that were like tigers watching him closely. Therefore, unless he had to, he wouldn't take action so easily.

He swept his eyes over the surrounding three elders from Soul Alliance with high class emperors, his four aides with high class emperors and three Thirty Two Scar experts.

“The ten of you, deal with him together!” coldly ordered Zhu Chao.

The ten of them didn’t dare disobey Zhu Chao’s words. They simultaneously chanted an incantation. Each person summoned one high class emperor.

Subsequently, the three Soul Church elders each summoned another high class emperor.

Instantly, the honor platform had 13 high class emperors.

The roars of the high class emperors shook the heaven and earth even causing the buildings in the center of the city to shake!

.....

Thirteen high class emperors. This was an enormous formation just to deal with one young man!

No matter the outcome of this fight, it would stun the entire Wanxiang Realm!!

Chapter 856: Phantom, Seven Life Red Flame Demon Fox

An executioner’s table!

13 High class emperor ranks' blood spilled on what should have been a platform of honor for the soul ability competition!

Mo Xie's killing methods completely matched Chu Mu's anger. Every high class emperor rank that was killed had their head laying on the bloodied steps.

The nine tails pierced three high class emperor rank corpses. Mo Xie shook her tail and threw these corpses at the feet of their masters!

Tang Shang, Liang Yu, and soul church elder Qing all stood there, their eyes full of shock as they stared at their soul pet's headless corpses!!

Thirteen high class emperor ranks was a force even two top tier emperor ranks couldn't easily handle.

However, everyone clearly underestimated the young man in front of them again!!

Both the seven sin fox and the white nightmare were a rank stronger than normal top tier emperor ranks. This meant that the emperor in front of them was an expert able to fight against four top tier emperor ranks!!!

Chu Mu's anger wasn't possibly quelled by a few high class emperor ranks' lives. Chu Mu wouldn't show mercy to any of Zhu Chao's subordinates!!

“Wuwuwuwu!!!!”

Mo Xie stood proudly on this bloody executioner's table, her two silver eyes gazing at the red flames she was controlling!!

The blazing red flames burned aside Mo Xie, creating seven sprouts. These seven red flames seemed to have a life of their own. After completing their creation, the seven red flames slowly drew out the silhouettes of demon foxes!!

At this level, Mo Xie's phantom technique no longer were simple shadows. She could now combine her demon power with the red flames to create seven extremely powerful red flame demon foxes!!

Seven Life Red Flame Demon Fox!!!

Mo Xie let out a long call and immediately, out of the seven flames, seven pairs of burning pupils flashed malignantly!

“Huhuhuhu~~~~~”

The seven red flame demon foxes were completed and stood terrifyingly by Mo Xie. They looked completely identical, in a fire elemental state!!

“These.....these red flame demon foxes all have high class emperor rank strength!!!!”

Seeing these seven red flame demon foxes on the stage, the ten subordinates of Zhu Chao all stepped back a few steps!

These red flame demon foxes were all high class emperor rank!!

"Wuwuwu!!!!!!"

Red flame demon fox's two pupils were cruel and vicious. With a command from Mo Xie, the seven red flame demon foxes jumped towards seven high class emperor ranks!!

The burning flames on the plaza caused the entire center of the city to be lit up with red!!

Facing the thirteen high class emperor ranks' attacks, Chu Mu didn't even tell the white nightmare to participate. Mo Xie herself was enough to knock them into complete disarray. Especially after the seven red flame demon foxes appeared, the ten high class emperor ranks couldn't possibly block it!

"Shua!!!!!"

Another skull fell down. Red flame demon fox killed an enemy and brought their skull to Chu Mu's feet before becoming a ball of flames that slowly dimmed away.

Seven red flame demon foxes meant they will take seven lives before they disappeared!!

Finally, thirteen high class emperor rank soul pets were all decapitated, with their heads piled frightening by the white clothed young man's feet!

In the entire battle, everyone was busy watching the soul pets battle. However, only when the battle ended did people find that there were 13 heads by the man's feet, not missing a single one.

This platform of honor was truly a guillotine for the soul pet trainers' soul pets now!!

Paying such a heavy price caused the ten soul pet trainers to all go pale.

They didn't dare to summon any more soul pets now. Even if they had other high class emperor ranks, they didn't dare to summon them because they knew it would just become another skull at the feet of the man!!

"Boss.....Boss Zhu, we aren't his match. You.....you should fight!!" Liang Yu's face was extremely distressed.

"Yes, or else we'll all be killed by him!!" Soul church's three elders who were close with Zhu Chao were also extremely haggard.

Soul church had different alliances. Elder Shang and the other three were all loyal to Zhu Chao.

The three of them originally thought that with this many experts, they could easily defeat the opponent. However, with all of their soul pets dying one after another, this caused them to realize that the young man's strength was no longer something they could handle!

Zhu Chao's face became even gloomier. Chu Mu's seven sin fox was much stronger than he imagined. Though the thirteen high class emperor ranks weren't all killed by the seven sin fox, it already showed that the seven sin fox was much stronger than normal top tier emperor ranks.

Another thing was, Zhu Chao didn't ignore the white nightmare at all.

Clearly, this white nightmare was also a top tier emperor rank. White nightmares had many types and was hard to counter, so it definitely wasn't any weaker than the seven sin fox!

Zhu Chao couldn't believe that there was such a powerful young man in this world!!

"You guys should back off!" Zhu Chao already knew Chu Mu's strength well. They already wasted a lot of the seven sin fox's stamina, so there was no reason to let more of them die.

Finally, Zhu Chao attacked!!

The eight desolation Zhu Chao was always just under Ju Que, the head of the eight desolations.

Ju Que was greatly wounded in the fight in tianxia city, and wasn't as powerful as before, so Zhu Chao was the head of the desolations now.

"Chu Fangchen, you think that after today, you still have a spot in all of wanxiang realm?" Zhu Chao wasn't in a hurry to summon his soul pet.

After Zhu Chao took off his polite facade, he gave off a cold feeling. When all of his subordinates' soul pets were killed one after another, he didn't make any motion, as if all these high class emperor rank aides were meaningless to him!

Maybe the only thing that made him feel pain was Zhu Haoting's death.

Zhu Haoting was extremely loyal to Zhu Chao and was top tier emperor rank. With such a trusted aide, he could simplify many things for Zhu Chao. Now that Zhu Haoting was a cold corpse.....

"Boss Zhu, you have to take revenge for us!!" Tang Shang said while his face twitched!!

To the thirty two scar Tang Shang, Liang Yu, and Lu Yun, today was a day of shame they will never forget. If they don't dismember this young man, how would they stand in soul alliance in the future?

"I want him utterly dismembered!!" Lu Yun, who lost a high class emperor rank, was completely different from her previous womanly manners.

Zhu Chao slowly walked forward slowly along the bloodied steps. He stopped at the pool of blood and calmly gazed at Chu Mu.

"Chu Mu....." Seeing Zhu Chao decide to fight himself, Ye Qingzi was full of worry!!

She didn't want to see Chu Mu make so many enemies for her, nor did she wish Chu Mu to fight Zhu Chao because Zhu Chao was truly too powerful!!

"Don't worry, I'll bring the spirit vessel back to you!" Chu Mu eyed the vessel in Zhu Chao's hand and said firmly.

The spirit vessel was Ye Qingzi's last wish. She strived very hard for it, and the vessel should have belonged to her anyways.

And even if Ye Qingzi didn't win first place in the soul ability competition, Chu Mu would still go forth and take it to give to her anyways!!

"Do you not see your own predicament? Shen Qiu has to watch Yang Que so he can't help you. All of these elders that want to help you are but annoying flies to me....." Xhu Chao said slowly, "I admire your strength, but unfortunately you shouldn't have tried to go against I, Zhu Chao. Anyone who has done that hasn't had a happy ending. Ying Rong, Liu Xinji, and even the man named Chu from before....."

"Person named Chu? You mean Chu Tianmang?" Chu Mu furrowed his brows and asked icily.

"Oh, so you know him too. Then you must know that the three hidden elders died that year simply because they defied the soul alliance master and wanted to protect their beloved disciple Chu Tianmang....."

"In reality, Ying Rong should listen more to Chu Tianmang's suggestions and not trust in me, or else he would have had a different ending. He was truly talented, but he just didn't know his place!" Zhu Chao said calmly but with some mocking.

Suddenly, Zhu Chao gazed at Chu Mu and said with the same mocking tone, "Just like you right now, you truly think having two top tier emperor ranks, being able to kill some elders, you can truly challenge authority?"

"Laughable! You're like a frog at the bottom of a well. You have no clue how large the difference is between high class emperor ranks and top tier emperor ranks, the difference from some top tiers with other top tiers!!"

Zhu Chao's last words were very loud, almost like an explosion!!

His yellow robes started fluttering as he chanted an incantation. He released his aura, and caused all the nearby experts to take a step back!!

Ninth remembrance soul emperor!!!!

Zhu Chao's aura was so powerful that it caused soul pets to pack off in fear. The powerful totem under his feet was filled with the most powerful wild aura!!

“Hou huo!!!!!!!!!!!!”

The roar came from the underworlds, bringing with it an almost solid killing intent that swept through the battlefield. All hundreds of spirit emperors in the high seats were pale with the power!!

“It's.....it's Zhu Chao's nearly invincible Heavenly Water Pool Beast!!!!!!!!!!!!”

Shen Qiu's face changed. He didn't expect Zhu Chao would summon a most powerful emperor as his first soul pet!!!

Chapter 857: Moonlight, The Sharpest Weapon!

Shen Qiu's expression became heavy. In the three palaces, only he was able to deal with Zhu Chao.

However, Shen Qiu had to deal with Yang Que right now, because Yang Que would very likely stand on soul alliance's side

Shen Qiu couldn't make a move right now, so he could only use soul remembrance to signal to Chu Mu not to go directly against Zhu Chao!

Zhu Chao finished his incantation, and a blue and violent pool beast slowly appeared within the wild totem!!

This Heavenly Water Pool Beast was like a ten meter tall giant bear. On its arms, blue scythes protruded, criss crossing to the its back!

Heavenly Water Pool Beast: Beast World - Beast Type - Pool Beast Species - Heavenly Water Pool Beast Subspecies - Middle class emperor rank

Heavenly Water Pool Beast was the highest ranking organism of its massive species. All the higher ranking soul pet trainers had soul pets around middle class emperor rank species rank, which they then strengthened to higher ranks.

One could say that middle class emperor rank was already the maximum a human could capture from the wild. Zhu Chao's Heavenly Water Pool Beast clearly was strengthened in a special way. Its thick as steel skin, muscles, and sharp arm spikes, all showed that this was an organism that had both its offense and defense strengthened to a max!!!

"Your two soul pets' skulls are mine!" Zhu Chao said coldly!

"Houhuo!!!!!!!!!!!"

Heavenly Water Pool Beast's arms opened up, and its claws swiped bloodily towards Mo Xie on top of the platform!!!

Its beast type energy came in a spiral and the moment it landed, one could see that even the clouds in the skies started spinning!!

The black cloud swept down like a whirlwind. Almost the same time the claw landed, it fell upon the honor platform!!

The honor platform was made of rock crystals near ten thousand times stronger than normal rocks. Even the fight between Mo Xie and the high class emperor ranks only left shallow cracks on the platform.

However, with the slam of the Heavenly Water Pool Beast, the entire platform sank, and the rock crystals instantly shattered into thin powder!!

Mo Xie noticed the Heavenly Water Pool Beast's attacking intent, and quickly brought Chu Mu and Ye Qingzi off of the platform. However, when she looked back she saw that countless cracks spread from the entire plaza towards the center of the city, devouring countless structures!!!

"Such a powerful attack!!" Chu Mu was shocked. If Mo Xie hadn't moved, she definitely would have been instantly wounded!

"White Nightmare Emperor, fight it!" Chu Mu gave white nightmare a command!

Mo Xie had to deal with thirteen high class emperor ranks before, and she was already wounded. Thus, dealing with this incredibly powerful Heavenly Water Pool Beast would be hard for her!

“Nie!!!!!!!!!!”

The White Nightmare Emperor floated in front of the Heavenly Water Pool Beast, and waved its hands, sending white devil flames morphing into clawing demons that pounced towards the Heavenly Water Pool Beast!!

“Know your place!!” Zhu Chao chuckled coldly!

The Heavenly Water Pool Beast’s arm swept forth, bringing a chaotic beast type energy in the form of a shockwave that collided with the flames the white nightmare emperor sent out!!

“Longlonglonglong!!!!!!!!”

The white nightmare emperor’s devil flames were pushed down by the Heavenly Water Pool Beast’s energy while the remaining energy slammed into the white nightmare emperor’s chest, sending it back and leaving a white flame trail along the ground!!

The devil flames on the white nightmare emperor blazed higher suddenly, a sign it was furious!!

It hadn't met a foe like this in a while. The white nightmare’s anger caused the flames in its eyes to nearly dart outwards!!

“Can you deal with it?” Chu Mu eyed the white nightmare emperor and asked.

White nightmare emperor didn't reply, simply using the most direct method to prove that he would never lose to a mindless beast with just strength on its side!!

The white nightmare emperor was also very near invincible emperor rank. Different from the nightmare commander, white nightmare emperor had amazing talent in its control of the dark. Feeling the heavy dark aura becoming a curtain that closed in, Chu Mu knew that the white nightmare emperor would very likely will use the bizarreness of dark and other type to counter this Heavenly Water Pool Beast, which had a clear disadvantage in speed!

White nightmare was highly experienced in battle. Combining dark and other type allowed it to avoid any frontal assaults. In the following clashes, it quickly found the way to deal with the Heavenly Water Pool Beast, slowly bringing back the disadvantage it had in power.

“How have I not heard of this powerful white nightmare that Chu Fangchen has?!”

Seeing the white nightmare that was able to handle Zhu Chao's Heavenly Water Pool Beast, Shen Qiu's heart was in shock.

Just how did this young man strengthen his soul pets to this level at such a young age?!

One could say that when competing against the Heavenly Water Pool Beast, the white nightmare emperor's true strength finally showed itself. All spirit emperors were in disbelief!!

The power of the seven sin fox was already powerful enough to shock the entire stadium. This white nightmare's strength was similarly not inferior in any respect, definitely an organism infinitely close to invincible emperor rank!

Zhu Chao slightly furrowed his brows. He clearly underestimated the white nightmare's strength of Chu Mu's.

"This kid must die!!!"

Zhu Chao silently swore. Standing at the peak of humanity at such a young age, with a few more years, Chu Mu would be able to have the power of a Hero. This Chu Fangchen was extremely dangerous both to Zhu Chao, as well as to soul alliance as a whole.

Zhu Chao didn't want to show all his trump cards at once, so seeing the Heavenly Water Pool Beast come into a stalemate with the white nightmare up in the black clouds, Zhu Chao again cast an incantation to summon his second soul pet!

"Let me see just how powerful you are!" Zhu Chao was incredibly narrow minded, not wanting any threat like Chu Mu to continue existing.

However, Zhu Chao knew that the three palaces were also watching him tightly. If it weren't dire circumstances, he wouldn't show his hand!

"Sou!!!!!!!"

Suddenly, a phantom darted out of Zhu Chao's summoning symbol, instantly appearing in front of Mo Xie!

Before Mo Xie could make a reaction, her body flew outwards, skidding along the ground!!

“Mo Xie!” Chu Mu’s heart skipped a beat.

The second soul pet that Zhu Chao summoned was too fast. Chu Mu couldn’t even cast Other Pupil before Mo Xie was attacked!

After one hit, the afterimage followed Mo Xie outwards, and sent a flurry of attacks and techniques against Mo Xie!!

Facing this series of attacks, Mo Xie, even with her powerful dodging ability, couldn't even escape, and was only able to use her nine tails as defense to protect the important parts of her body!

Mo Xie fighting against the thirteen high class emperor ranks already made her lightly wounded. With this continuous attack now, her silver body was even bloodier!!

“Wuwuwuwu!!!!!!”

Finally, through Chu Mu’s Sharp Eye technique, Mo Xie found the incredibly fast organism. Just as it was about to launch the next attack, all nine tails of Mo Xie locked onto the incredibly fast organism!

“Sou”

Another after image. Mo Xie's nine tails couldn't grab hold of the organism, and she quickly backed off in vigilance!

Chu Mu was secretly alarmed as he watched the demon that slid back a few kilometers!

Mo Xie had always had the absolute advantage in speed and dodging in her rank. This series of attacks were usually what Mo Xie launched at enemies. However, the demon that Zhu Chao summoned could actually pressure Mo Xie into only defending passively!!

"Speaking of speed, no organism can compare with my Afterimage Demon. Without any other trump card, your precious seven sin fox's skull will be taken by me!!" Zhu Chao smiled. From his expression, one could sense his absolute confidence in his soul pet!!

The Afterimage Demon was a soul pet Chu Mu had never encountered before. Its shocking speed and terrifying explosiveness was even stronger than the demon and beast main type Mo Xie!

"Chu Fangchen, bring Ying Rong's disciple and leave. You aren't match for Zhu Chao. This Afterimage Demon can even be ranked as invincible emperor rank by some!" Shen Qiu's mental voice came quickly!

"Another nearly invincible emperor rank soul pet?" Chu Mu muttered.

The person second only to eight desolation Ju Que was indeed powerful. He already summoned two soul pets near invincible emperor rank!!

"Wuwuwuwu!!!!!"

Mo Xie kept her distance with the Afterimage Demon. In the same rank, Mo Xie never lost, yet she truly felt the threat this time. Her yearning to win morphed into even brighter red flames that sprouted from her bloodied silver body!!

This time, Mo Xie launched an attack!

The silver shadow and black afterimage darted through the wide streets of the center city quickly. Every clash of power caused groups of nearby structures to collapse!!

“Wu”

Within the muddled clouds that were lifted, Mo Xie slid back into the western side of the street, gaining many new wounds!

Clearly, in this exchange, Mo Xie was pressured again!!

Chu Mu and Mo Xie fought together for a long while, and very rarely did she find a match in the same rank. However this time, the demon Zhu Chao summoned clearly was faster and more explosive than Mo Xie!!

“Mo Xie, are you alright?” Chu Mu saw Mo Xie stand up slightly shakily in the ruins and asked worriedly.

“Wuwuwu!!!!” Mo Xie let out an angry roar. No matter how hurt she was, her eyes still burned with unyielding fighting intent!!

Just as Mo Xie let out a call, an after image streaked out from the collapsed streetside and came like a lethal sword!

Chu Mu tightened his grip. He knew clearly that Mo Xie had already been hurt in the fight against the thirteen high class emperor ranks, and probably couldn't win against the near invincible emperor rank organism anymore. He had to help secretly!

“Mo Xie, moonlight!”

Suddenly, from behind, Chu Mu came Ye Qingzi's voice.

Chu Mu was just about to turn around, when he noticed that the black clouds suddenly split, bringing rays of moonlight onto this chaotic battlefield, bathing Mo Xie in its light!

“Wuwuwuwu!!!!”

The moment the moonlight fell, Mo Xie's red flames became even more vigorous!

Countless times, she had painted the grounds with her enemy's blood under the cold moon.

To Mo Xie, the beautiful moon was the strongest killing weapon!!!!

Chapter 858: Highest Species Rank, Empress Heavenly Thunder Snake!

Bathing in the silver moonlight, Mo Xie's strength quickly rose!

The cold moon flashed and Mo Xie instantly disappeared, meeting the afterimage head on!!

Red flames, cold moon blade, the two powers interlaced, and their claws slashed past each other under the plaza's monument!

“Shua!”

Two sounds of blades colliding were almost stacked together. The claws slashed by the high monument, splitting it into two pieces instantly that slid off and fell down!

Rocks flew everywhere. In the muddied air, Mo Xie's tails turned and hid her body within nine cloud-like flame tails.

The afterimage demon was incredibly fast as well. After their claws clashed, its body paused in place for a brief second before quickly launching a second attack on Mo Xie!

Thankfully, Mo Xie already guessed its intent, and immediately casted nine tail confusion to dodge this second hit!

“Still holding out?” Zhu Chao's mouth corner lifted. He could see that the seven sin fox was already really wounded, and couldn't continue fighting with his afterimage demon for long.

In a few more minutes, his afterimage demon will be able to cut this seven sin fox's head off!

Then, he could kill Chu Mu swiftly, and give no one a chance to help him!

"You're getting excited too early!" Chu Mu said calmly.

"I, Zhu Chao, am always the predator."

Zhu Chao had absolute confidence in his afterimage demon. And in battle strategy, he was flawless, not giving Chu Mu or Mo Xie any chance to breathe!

However, after a string of assaults, Zhu Chao found that the opposing seven sin fox didn't seem to lose all its energy as he thought would happen. Instead, it was getting stronger by the second, slowly turning around its disadvantage under the afterimage demon's frenzied assault!

"Wuwuwu!!!!!!!!!!!!!!!"

Moon blade, red flames, demon light, and nine tails. Mo Xie slowly moved from passive defense and evading to active counterattacks. With an angry roar, the afterimage demon was tightly locked on by two of Mo Xie's tails, followed by a bone-crunching!!

Though the afterimage demon quickly escaped from Mo Xie's tail lock, two of its ribs were still broken by Mo Xie's powerful tails!

The hurt afterimage demon didn't dare to come near Mo Xie anymore especially after it had a taste of the offensive and defensive powerful nine tails. Running away a few kilometers, the afterimage demon finally stopped and stared at the suddenly more powerful Mo Xie!

“How did this seven sin fox's strength suddenly increase?”

“Just now it couldn't fight back at all, looking like it was about to fall, why was it suddenly so strong now!”

The touching spirit emperors finally noticed the change seven sin fox underwent especially after moonlight!

“Moon Essence!!” Zhu Chao's face went black, as he spat out the two words!

Moon essence was an extremely lowly species technique, only appearing on very low ranking soul pets.

Yet, this seven sin fox corrupted inferno monarch's moon essence raised its strength by a full rank. In fact, under the moonlight, its wounds were even healing up and its stamina was recovering!

“Where did this Chu Fangchen find such a rare soul pet!!” At this time, even Zhu Chao was jealous of this young man.

After the seven sin fox was atoned for, its strength was already ridiculous. Adding on the mutated nine tails and moon essence, this seven sin fox corrupted inferno monarch was truly at the peak of its kind!

“Laughable predator.” A dark smile flit across Chu Mu’s face. The attentive Chu Mu had found the afterimage demon’s weakness!!

The red flames flew into the skies, instantly causing the entire skyline of soul city to become blood red!!

In the skies, the red flames suddenly fell down like blood drops, falling onto the afterimage demon!

The afterimage demon could fight Mo Xie head on, and even get an absolute advantage. However, the afterimage demon didn’t dare to resist the red flames because Mo Xie’s flames weren’t weaker than any normal top tier emperor rank fire type organism!

As the flames fell, no matter how fast the afterimage demon dodged, it couldn’t avoid the almost complete coverage of the flames!

Seeing his afterimage demon run around frantically within the flames, ZHu Chao’s face was steely.

An absolute advantage in strength didn’t win him the fight, instead he was on the verge of losing again!

“Powerful, this seven sin fox is too powerful!!!” Old soul teacher De let out a shout!

“Even Zhu Chao’s proud afterimage demon was suppressed. This is unbelievable, truly unbelievable!!” The other elders were shocked but also full of joy!

It has been too many years since three palace has seen such a shocking young man on their side!

Able to compete with two main soul pets of the head of eight desolations at such a young age, if he could reach their age as elders, who would be his match still? He was truly a world changing genius!!!

.....

“Good, very good, very good!!” Suddenly, Zhu Chao let out a roar of laughter!!

The laughter was mad and arrogant.

“Able to make me summon it, you truly are one of the only few.” Zhu Chao no longer watched the fight between Mo Xie and afterimage demon. He knew that his demon could no longer suppress the seven sin fox who was constantly healing.

However, this didn’t matter.

Zhu Chao was certain that these two top tier emperor rank soul pets was the limit of Chu Fangchen.

Maybe one more top tier emperor rank could beat this young man. However, to ensure he could kill him no matter what, even if Zhu Chao revealed his true strength, he didn't care anymore.

This young man had to die no matter what, because at the same time as he shocked Zhu Chao, he made Zhu Chao feel truly threatened!!

“Chu Fangchen, don’t fight with Zhu Chao anymore. He’s going to reveal his true strength, and you won’t be his match!” At this moment, the great elder Shen Qiu said worriedly to Chu Mu.

Chu Mu glanced at Nightmare Palace great senior elder Shen Qiu who was helping him limit Yang Que, but he didn’t leave.

If Chu Mu said he was going to bring the spirit vessel back for Ye Qingzi, he would do it!!!

.....

“Let me show you what truly is the most powerful being in emperor rank!” Zhu Chao’s eyes were like daggers!

An incantation sounded in Zhu Chao’s mouth. Within the bloody totem, purple snaking thunders danced around viciously!

“Hong!!!!!!!”

A dazzling beam of lightning fell straight from the skies and landed in the center of the totem, causing countless arcs of electricity to fly around the plaza, spreading like a plague!

Within the electrical light, one could see that the electric arcs spread through the entire center city. Gazing over, the entire city seemed to instantly become a nest of electricity, causing one to no longer be able to look at it!!!

Ye Qingzi had to cover her pained eyes from the light. When she felt the thunder light slowly fade away, she suddenly noticed that the lightning that flew from the sky and onto Zhu Chao's totem remained in this world!

Lightning was always brief and disappeared. Its magnificent appearance hid powerful destruction. Everyone knew that unless time or space stopped, lightning couldn't stay around!

Yet, what Ye Qingzi saw was a shocking piece of lightning. This lightning snaked into the skies and cut it in half. Even looking up, one couldn't see the top of it!!

“Snake.....snake.....Empress snake.....”

A nearby spirit emperor let out a shaky cry!

At the same time, when the light started becoming clearer in Ye Qingzi's vision, she saw a hair raising scene!

This scene caused Ye Qingzi's scalp to tingle and sent shivers into her body, almost making her fall over!

Because it wasn't a beam of lightning that remained in this world. It was an empress snake that was stood upright, seemingly able to touch the skies with its body!!!!

Chu Mu was right beside Ye Qingzi. He was also raising his head as he looked at the snake so massive one could only compare it to a true thunderbolt!

Maybe this wasn't the strongest organism Chu Mu had ever seen, but it was truly the largest and most shocking one!!!

"Empress Heavenly Thunder Snake!!!!" Nightmare palace senior elder Shen Qiu suddenly yelled out the soul pet's name!!

Empress Heavenly Thunder Snake was the strongest emperor snake of the eastern forbidden realm. Legend has it that it is the world's hardest soul pet to get a contract with.

Yet, at the same time, once it was tenth phase, it had one of the highest species ranks out of all organisms!

Facing such an organism, even elder Shen Qiu couldn't be certain they could win against it because it was truly too strong. Even four top tier emperor ranks may not be able to defeat an Empress Heavenly Thunder Snake that had just reached tenth phase!

Ye Qingzi was utterly shocked by the Empress Heavenly Thunder Snake.

The enemy was too strong! So strong Ye Qingzi felt infinitesimal in front of it!!

"This is the most powerful organism!!" Zhu Chao stood under the towering Empress Heavenly Thunder Snake and looked coldly over all people present, including even the two great experts Yang Que and Shen Qiu!

As long as the Empress Heavenly Thunder Snake was present, even the two experts were insignificant!!

Chapter 859: Cannot Stand Those That Are Stronger

An enormous sharp Medusa-esque face hung high up in the air, resembling a cruel and violent female empress that sat in her treasured thrones in the heavens while facing a group of laughable and insignificant enemies.

The Empress Heaven Thunder Snake's difference between the human species was manifested, and when the humans in the city looked into its eyes, they were like a cluster of ants, even weaker than ants themselves!!

The heavenly snake's shadow loomed over the plaza. Yang Que looked up in shock at this arrogant creature. He could see that this creature summoned by Zhu Chao equally shocked the three great palace's spirit emperors.

Indeed, Yang Que didn't know that Zhu Chao was actually hiding an ultra magnate level creature like this!!

The eastern side was a terrifying forbidden region and in that place, the Empress Heavenly Thunder Snake was the absolute ruler of that empire.

Countless human experts wanted to enter the eastern forbidden region to explore the world outside the forbidden region. However, in the countless years of human civilization, there were few that had been able to actually enter. Most of the brave supreme experts had been killed by the Empress Heavenly Thunder Snake in the eastern forbidden region!

This was the strongest species in the world and until now, nobody had ever possessed one!!!

Yang Que even found it hard to believe that Zhu Chao was able to subdue a soul pet like this. Indeed, in the Demon Snake Empire at the border of humanity, the young Empress Heavenly Thunder Snakes were protected by the adult ones at the deepest parts of the enormous Demon Snake Empire. Thus, it would be extremely difficult for peak emperor rank humans to enter the Empress Heavenly Thunder Snake territory, let alone obtaining a young pet under the protection of numerous adult Empress Heavenly Thunder Snakes. Even the Four Hero experts would have difficulty in doing so!

“You probably have difficulty in imagining how large this world is. Us humans are merely a cowardly and insulated race.”

“For example, in a region, countless people believe that the Region Lord is the strongest person and the supreme ruler; in a kingdom, they believe that the Kingdom Lord is the strongest person and has authority that cannot be defied. In a realm, they believe that the King is the strongest person, and his existence resembles a god’s...”

“What’s laughable is that in the eyes of a few creatures, us humans merely understand how to control a few small low ranking species. Indeed, the Emyrean Cyan Hidden Dragons, Crown Phoenix Kings, Empress Heavenly Thunder Snakes, Purple Ocean Resentment Devils, and World Unifying Fierce Wind Demons... these creatures and the empire in which their species is situated only need to think about doing so and destroying our human civilization would merely be as difficult as a blowing out air...”

Zhu Chao’s words were definitely not to enlighten others about the enormity of empires, but rather to show off himself!

In this world, it was only him that possessed the highest ranking species, the Empress Heavenly Thunder Snake. This meant that he already stood on top of everyone in humanity!!

Zhu Chao's arrogance caused Chu Mu to think of another woman who similarly believed in species superiority.

Perhaps in her eyes, the people that worshipped him were merely a bunch of blind fools because he had already transcended normal people!

"Chu Fangchen, today there is no one that can save you!" belittled Zhu Chao.

After speaking, the shocking heavenly snake began moving. The lightning from its eyes ripped apart the sky and began chaotically dancing around it!

The intersecting lightning made it seem as if the Empress Heavenly Thunder Snake had summoned a group of wild snakes that now occupied the skies of Soul City. It only had to give one order and the lightning that obeyed it would destroy all of its enemies!

"Hong!!!!!!!!!!!"

The lightning snakes danced about, striking from the sky. They bombarded the area around Chu Mu and Ye Qingzi, destroyed the ground under them to smithereens!!

.....

"This time big brother will be exposed. It would be fine if First White was here." Ning Maner muttered.

Ning Maner wasn't worried that any danger would come to Chu Mu. However, in front of an enemy like this, Chu Mu could only transform into a half devil to deal with him.

However, Princess Wan Ning's face was pale as she said to Shen Qiu, "Senior Elder Shen, quickly go and help Chu Fangchen!"

Shen Qiu's face was ashen right now. It wasn't that he didn't want to help Chu Mu, but instead Chu Mu's actions today had definitely incited a war between Soul Alliance and the three great palaces. Originally, they were at even terms of strength, but now he had to ensure that Yang Que remained impartial, which meant that he couldn't help.

"Chu Fangchen, you need to think of a way to stall Zhu Chao. You must hold on for a bit!" Shen Qiu used soul remembrance to speak to Chu Mu.

Chu Mu glanced at Senior Elder Shen Qiu and calmly nodded: "Senior Elder Shen doesn't need to worry about me."

Shen Qiu didn't know what other hidden cards Chu Mu still had, but he could see that Chu Mu was extremely calm. He silently said: "Shen Mo, you need to hurry up. Otherwise our three great palaces will completely lose this time!"

"Wu wu wu wu!!!!!"

Mo Xie stood in front of Chu Mu, and angrily roared at the Empress Heavenly Thunder Snake!

"Mo Xie." Chu Mu shook his head, indicating that the injured Mo Xie should not fight against the Empress Heavenly Thunder Snake.

The Empress Heavenly Thunder Snake was equivalent to a paragon emperor. Even if Mo Xie possessed the moonlight effect, she was still not its opponent.

“Go back, you’ve already worked very hard.” Chu Mu didn’t want Mo Xie to keep fighting. He chanted an incantation to recall Mo Xie back to her soul pet space.

Zhu Chao saw that Chu Mu was recalling his soul pet and a smile arose, “You want to surrender yourself now that you’re in a bind? But I haven’t played enough yet!”

“I have a soul pet that is extremely mischievous and untamable.” Chu Mu glanced at Zhu Chao as his calm voice was filled with power, “You want to play? It will accompany your Empress Heavenly Thunder Snake until it plays enough!”

Mischievous, cruel, and unable to stand those stronger than it!

Even if it was facing a dominator rank, this mischievous fellow didn’t know how to be afraid. It was a Nightmare that Chu Mu himself used to live in the shadow of before!!!

“Nie!!!!!!!”

A nightmare cry sharply rang out in people’s ears, reaching the depths of everyone’s souls. It caused them to tremble, and think of the most terrifying creature they had seen in their lives before!

Zhu Chao's heart trembled and he stared closely at this young man. He discovered at some point a silver white devil flame had begun burning on this young man's body!

This silver white devil flame emitted an aura that was even stronger than the White Nightmares from before. The torrential devil flame demonic aura covered the area and even the wildly dancing lightning began to dim!!

Devil flames were now covering his body. Chu Mu apathetically took a step back, and a silver white demon flame outline, like a flaming silhouette, seemed to split from Chu Mu's body!

An evil and mischievous fake smiling face. A silver white demonic body. This was an extremely powerful White Nightmare!!

"This... this... could this be Chu Mu's main pet - the White Nightmare?!!" emotions couldn't stop surging through Ye Wansheng's heart, and when Chu Mu summoned this White Nightmare, the emotions seemed like they were going to spill out of his chest!

White Nightmare!

Chu Mu was summoning the White Nightmare that had caused him to nearly lose his soul and transform for an entire year!

It was the anger and ruthlessness in Chu Mu's heart that had awakened the devil that had slumbered under the exterior of Chu Mu's human side!

Indeed, it would be this ruthless Nightmare that would quell his anger!!!

Chapter 860: The Dimension Ripping Spatial Storm

“Sisii!!!!!!!!!!!!!!”

In the skies, Empress Heavenly Thunder Snake’s purple pupil stared at the evil white nightmare on the ground!

Clearly, this proud and malevolent beast already felt the threat from the powerful white nightmare. The way it was releasing its devil flame was completely in a provocative manner too.

Empress Heavenly Thunder Snake was one of the highest ranking organisms. Just like its towering body type, it always looked down on its opponents. Once an organism angered its dignity, the Empress Heavenly Thunder Snake would fight until the death!

“How……how is this possible!” Zhu Chao’s face was full of shock. He could feel that white nightmare was truly an invincible emperor too!!

From what Zhu Chao saw, Chu Fangchen having two top tier emperor ranks was already at his max. However, he just summoned another top tier emperor rank, with an aura not even weaker than his Empress Heavenly Thunder Snake!

All of Zhu Chao’s arrogance disappeared, and was replaced with a rolling shock in his heart!

This young man’s strength was already beyond all of Zhu Chao’s understanding of the human realm. Others could use their entire lives, including Zhu Chao, to do everything possible to finally climb to invincible emperor rank. How could this young man, in a short twenty years, reach such an extreme height in strength!?!

“You.....you are part of Hidden Pupil Royalty!!!” Suddenly, Zhu Chao pointed to Chu Mu and said in disbelief.

“Hidden Pupil Royalty?” Chu Mu shook his head. He had never heard the term before, and didn’t know what this royalty was.

Human realm’s royalty was usually just the throne and people related to the throne by blood. Heavenly Concubine Mu Qingyi was a direct descendant of royalty. She belonged to the Mu throne.

As for the hidden pupil royalty, not only did Chu Mu never hear of it, even the old soul pet trainers that heard Zhu Chao’s roar have never heard the name before!

“You can’t trick me!!!” Zhu Chao yelled in fury, and gave a command to his Empress Heavenly Thunder Snake!

The purple lightning again started knitting together and covering the skies of soul city. The far reaching thunders in the skies became nearly reachable!

The air smelled burnt and devil flames collided with electricity!

White nightmare didn’t like the feeling of being looked down upon by the enemy. Lifting up a wave of devil flames, it darted into the skies and stared straight at the Empress Heavenly Thunder Snake!

“Nie~~~~~”

White nightmare extended a burning devil flame covered claw, and lightly grasped the thunder that briefly flitted past, crushing the energy and rendering it into harmless light!

The purple snakes reached tens of thousands in number and wriggled their bodies in the skies.

Suddenly, all the lightning snakes hissed and pounced towards the white nightmare!!

The massive wave of lightning energy radiated a burning light when gathered together, causing every street and structure to become blindingly white!

Thousands of snakes danced and white nightmare blinked around within it.

Suddenly, a black hole appeared amongst the skies. This black hole constantly expanded like a black cloud that covered the upper portions of the sky!

Tens of thousands of purple snakes seemed to fall into the endless abyss, disappearing into the black emptiness!

The previous moment, thunder covered the skies and it seemed like the apocalypse. The next moment, all the energy was absorbed and the skies became deathly quiet. The only thing left was the silver devil shadow standing arrogantly and smiling mischievously, staring at the confused and frightened Empress Heavenly Thunder Snake!

“Reversal! “Chu Mu knew white devil’s every technique!

With a command, the white devil's hands opened up!!

“Hua!!!!!!!!!!”

“Hua!!!!!!!!!!!!!!”

Waves of black lightning dragons flew out into the skies, seeming undefeatable.

The white devils absorbed the Empress Heavenly Thunder Snake's lightning energy and converted it to his own. The black lightning dragons flew towards the massive Empress Heavenly Thunder Snake's body!!

The Empress Heavenly Thunder Snake started shaking greatly. A simple reversal of lightning could be easily stopped by the Empress Heavenly Thunder Snake with her control over lightning.

However, after adding the dark type to them, the lightning dragons were no longer pure electricity. Within the massive destructive power was also an energy that could corrode even the Empress Heavenly Thunder Snake's armor!!

A black mark flew past the Empress Heavenly Thunder Snake's purple body and brought along with it a huge chunk of scales that fell heavily into soul city!

“White devil, bring out a spatial storm!”

White nightmare's silver eyes glowed with cold light. In the skies, it slowly extended a claw and ripped open the very sky itself!!

“Sila!!!!”

Both of its arms started tearing towards each side, and the sky started to show a crack in it, as if a curtain being pulled back to reveal what was truly behind it. Within the crack was a chaotic realm that had a coldness and darkness that didn't belong to this world!

The white devil extended a claw and forcefully pushed its arm into the realm that didn't even count as space and seemed to grab onto something!

“Nie!!!” Suddenly, white nightmare let out a freakish laughter.

Its palm tightened and, using its control over other type, white nightmare's spatial claw dragged over a chaotic energy!!

Two dimensions should have been forever parallel without any chance of intersecting, yet under the white devil's forceful tugging, it brought a spatial storm meant for the chaotic unknown into this world!

“Is.....is this still a white nightmare??”

The nightmare palace elder lifted his head, and gazed at the white devil that caused the very world to tremble, no longer able to hide the shock on his face.

From his understanding, unless it was dominator rank, it wasn't possible to rip space open, let alone bring over the powerful spatial storm!!

Nightmare palace's second expert Shen Qiu was even more shaken. His white nightmare was also invincible emperor rank, yet compared to this white nightmare that was able to rip the skies open and bring a spatial storm, it was nothing!!

Until today, Shen Qiu only saw half devil Bai Yu and the nightmare ancestor being able to cast such a world shaking technique!

Spatial storm came and this doomsday energy swirled through. Even the massive Empress Heavenly Thunder Snake was pulled up from the ground and thrown into the skies!

The purple blood mixed with a shower of scales. The center city was drenched in this disgusting liquid!

The entire soul city's millions of people, regardless of if they were in the inner portion or outer portion of the city, could see this apocalyptic scene!

It was such a massive sky snake, yet its mountain like body still couldn't stop the destruction a single bit!

For those who didn't know as much, this seemed like a holy smite, smiting organisms that walk this world yet shouldn't!

Looking into the chaotic skies, Zhu Chao seemed to have lost his soul, the arrogance on his face nowhere to be seen!

Even though his Empress Heavenly Thunder Snake had just recently hit tenth phase, it couldn't possibly lose this horribly!

At this moment, Zhu Chao's expression towards Chu Mu was different. He was no longer mocking the young man for being ignorant; he was more absolutely terrified!

Terrified at how a young man this powerful could possibly exist!

"It was just a tenth phase Empress Heavenly Thunder Snake that was forcefully matured. Does such an organism deserve to be called strongest?" Chu Mu said lightly.

The ability to bring out another dimension's energy clearly was because white devil had been in half devil state before, and gained that technique.

Yet, it was a pity that normally, the white devil couldn't truly cast all of a half devil's powers. If Chu Mu had brought out the spatial storm, not only could it instantly kill this forcefully matured Empress Heavenly Thunder Snake, it could bring absolute destruction to the entire soul city!

Even so, the invincible emperor white devil with half devil abilities was even stronger than the nightmare conqueror!

Though Empress Heavenly Thunder Snake was called invincible within emperor ranks, how could it fight against a white devil with dominator rank techniques!!

“Sisisi!!!!”

The Empress Heavenly Thunder Snake hissed angrily. The spatial storm almost destroyed all its scales and riddled the mountain-like body with wounds!

Massive organisms often had surprising life forces, so white devil needed a while to kill this organism.

.....

Shen Mo who just got here stared into the skies and then in disbelief at the young man.

Just not long ago, Shen Mo positioned Chu Fangchen as a high class emperor rank expert, yet he never would have expected him to be able to fight eight desolation Zhu Huang alone!!

“Father, everything is ready!” After a long while, Shen Mo finally recovered from his awe, almost forgetting to report the important news to his father!

Shen Mo’s father Shen Qiu lifted his head, and looked at the white devil of Chu Mu’s.

This white devil was so powerful it was stuck in the depths of Shen Qiu’s soul. He always thought that his white nightmare was already the strongest, however compared to this one able to rip space apart, it was much weaker.

“Father! Everything is ready!” Shen Mo said with his soul remembrance once more.

“En, en, is everything ready?” Shen Qiu finally came to his senses.

“We simply await your command.” Shen Mo said seriously.

“Let them appear now! Kill!” Shen Qiu said sternly, revealing his powerful killing intent!
