

Chapter 2461 Duan Ling Tian was in a Hurry!

Swoosh!

As soon as Duan Ling Tian finished speaking, he flew out immediately, bringing Han Xue Nai and Zhang Yi with him. If he had let them make their way there themselves, it would take too long.

Swoosh!

Upon seeing this, Chen Yi Ru followed suit as well. It did not take long before he caught up to Duan Ling Tian. Naturally, he was only able to catch up to Duan Ling Tian because Duan Ling Tian had slowed his speed down. If Duan Ling Tian were to cast his assist-type or movement Divine Ability, Chen Yi Ru would definitely not be able to catch up to Duan Ling Tian.

When Duan Ling Tian saw Han Xue Nai's curious gaze, he began to explain, "To be honest, I didn't expect San Dao to appear as well. Although he has the detection jade token I gave him, in order to detect my whereabouts, he has to be within a certain distance from me."

Han Xue Nai asked, "So his timely appearance is due to you crushing the detection jade token and he happened to be in the vicinity?"

"Yes," Duan Ling Tian nodded as he said, "While we were in that underground palace, I've crushed numerous detection jade tokens, but I failed to contact San Dao... It was only until earlier that I managed to contact San Dao when that Four Tribulation Bodiless Celestial asked me to give him the Celestial Supreme Treasure. At that time, I coordinated with San Dao and put on a play." His smile was cold when he spoke. During the time he was stuck in the underground palace, he had felt extremely vexed. After all, his strength was comparable to a Nine Tribulation Bodiless Celestial, and yet, he was being forced to hide in the underground palace by a Four Tribulation Bodiless Celestial. How could he not feel vexed and frustrated?

Chen Yi Ru who was flying next to them looked at Celestial Saber in his hand with bright eyes as he said, "If master didn't order me to leave that guy alive, I would've personally killed him!"

Chen Yi Ru was extremely interested in the Celestial Saber. After all, he was very good with sabers. With the Celestial Saber in hand, he was confident he could kill the Four Tribulation Bodiless Celestial with just a strike. However, after a while, his gaze at the Celestial Saber turned wistful. He turned to look at Duan Ling Tian respectfully and handed the Celestial Saber back to Duan Ling Tian. After all, the Celestial Saber belonged to Duan Ling Tian. "Master!

"You can have it," Duan Ling Tian said flippantly. "I have several Celestial Supreme Treasures on me. I'd intentionally thrown the Celestial Saber out for you. Since you're a Saber Cultivator, this Celestial Saber will be very beneficial for you. It'll probably increase your strength by two stages! With the Celestial Saber, I'm afraid there aren't many Five Tribulation Bodiless Celestials who will be a match for you providing they don't possess any Celestial Supreme Treasure." A smile appeared on his face when he spoke.

“Master, this is too precious!” Chen Yi Ru exclaimed. Although he was very excited, he did not think he was worthy of receiving such a precious gift. It was a Celestial Supreme Treasure after all, not a weapon from the mundane realms.

Duan Ling Tian frowned and said with slight impatience, “I’ve already said you can have it. Since when do you like to speak so much nonsense?”

“Thank you, master.” Chen Yi Ru no longer refused the Celestial Saber when he heard the impatience in Duan Ling Tian’s voice. He became even more respectful of Duan Ling Tian, and he felt extremely touched. After all, he was akin to Duan Ling Tian’s servant. Since his master had given him a Celestial Supreme Treasure, it meant that his master valued him and treated him as one of his own.

After listening to Duan Ling Tian’s words, realization dawned on Han Xue Nai. “So that’s what happened...” It seems like Chen Yi Ru’s interaction with that Four Tribulation Bodiless Celestial was just an act. Moreover, it seemed like Duan Ling Tian had prohibited Chen Yi Ru from killing the Four Tribulation Bodiless Celestial because Duan Ling Tian wanted to personally kill the Four Tribulation Bodiless Celestial.”

Han Xue Nai, naturally, knew why Duan Ling Tian wanted to personally kill the Four Tribulation Bodiless Celestial. He had been furious and frustrated for being forced to hide in the underground palace from a Four Tribulation Bodiless Celestial. After all, his strength was comparable to an Eighth Tribulation Bodiless Celestial. He had even mastered the technique to snatch weapons away from people. How could he not feel vexed being put in such a situation by a Four Tribulation Bodiless Celestial? If she were in his shoes, she would be furious and frustrated as well. She would definitely want to personally tear that Four Tribulation Bodiless Celestial into a million pieces.

Zhang Yi felt extremely grateful when he heard this. “Luckily, Senior Chen was close to us. Otherwise, I’m afraid we’ll still be stuck in that underground palace.” Although the Four Tribulation Bodiless Celestial had promised to let them go after obtaining the Celestial Supreme Treasure, he did not trust the Four Tribulation Bodiless Celestial’s words. If he was in the Four Tribulation Bodiless Celestial’s shoes, he would definitely not let them go. The Four Tribulation Bodiless Celestial would pretend to ask for only a Celestial Supreme Treasure and pretend to leave. When they leave the underground palace, he would definitely kill all of them to obtain a couple more Celestial Supreme Treasures. How could the Four Tribulation Bodiless Celestial miss the chance to obtain a few more Celestial Supreme Treasures?

Although this was Chen Yi Ru’s first time meeting Zhang Yi, he could tell Zhang Yi and Duan Ling Tian were friends. Therefore, he said, “There’s no need for you to address me as senior since you’re my master’s friend. You can just call me San Dao like my master.” He did not dare to be disrespectful to Zhang Yi even though Zhang Yi did not seem very powerful. After all, Zhang Yi was his master’s friend.

At this time, Duan Ling Tian finally made introductions. “San Dao, his name is Zhang Yi.” Then, he turned to Zhang Yi and said, “Zhang Yi, his name is Chen Yi Ru even though I call him San Dao. Although he can be considered as my servant or follower, I really don’t consider him as such.”

Zhang Yi nodded before he said to Chen Yi Ru, “Senior Chen, we’ll do it our way. Whether it’s our age or strength, you’re much older and stronger than me. Therefore, I should address you as senior.”

“But...” Although Chen Yi Ru was touched and impressed by Zhang Yi’s words, he did not dare to agree to it. After all, he was not certain if Duan Ling Tian would feel displeased.

“Zhang Yi is not someone who cares about common courtesy... Just so as he said,” Duan Ling Tian said, clearly aware of Chen Yi Ru’s thoughts.

“Yes,” Chen Yi Ru responded respectfully. He was extremely moved. In a way, his master gave him respect and upheld his dignity as well.

Duan Ling Tian muttered to himself anxiously as they traveled, “We’ve been trapped in that place for so long, I wonder if people have already found the location of the inheritance from a Great Overarching Golden Celestial?”

Duan Ling Tian only became more and more anxious as they traveled. He knew that Feng Qing Yang’s strength was comparable to Nine Tribulation Bodiless Celestial after obtaining the inheritance from a Great Overarching Golden Celestial. Knowing this, he was desperate to obtain the inheritance from a Great Overarching Golden Celestial as well.

Duan Ling Tian thought to himself confidently, ‘With my current strength, I’m sure I’ll be able to obtain the inheritance from a Great Overarching Golden Celestial. At that time, even a Nine Tribulation Bodiless Celestial won’t be a match for me! When I return to the Saint Province Realm, it doesn’t matter if it’s the dragon clan or Devil Clans, even if they send their strongest men over, I’ll still be able to easily kill them!’

In this world where the strong ruled, if one possessed peerless strength, one would be able to dominate the world!

Duan Ling Tian continued thinking to himself excitedly, ‘Even if my strength would be nothing in the Devata Realms, but after obtaining the inheritance from a Great Overarching Golden Celestial, I might just become the strongest person in all mundane realms! Once I obtain the inheritance, even if my strength doesn’t increase by a few stages, I’ll still be far stronger than Nine Tribulation Bodiless Celestials if my strength just rises by one stage!’

The more Duan Ling Tian thought about this, the more anxious he became to arrive at the location of the inheritance from a Great Overarching Golden Celestial.

Han Xue Nai could sense Duan Ling Tian’s anxiety and urgency so she said reassuringly, “Brother Ling Tian, don’t be anxious... I don’t think people will be able to find the location of the inheritance from a Great Overarching Golden Celestial so quickly.”

Duan Ling Tian did not respond to Han Xue Nai. Instead, he turned to Zhang Yi and asked urgently, “Do you know how long it took before people found the location of the inheritance from a Great Overarching Golden Celestial the last time the Beyond Heaven Secret Zone opened?”

“Yes, I read about it,” Zhang Yi replied, “According to the records in our sect, the last time the Beyond Heaven Secret Zone opened, the location of the inheritance from a Great Overarching Golden Celestial was only found by Feng Qing Yang from Saint Province Realm after three years and three months...”

Chapter 2462 Whoever Blocks My Way, Dies!

Duan Ling Tian could not help but frown when he heard Zhang Yi's words. "Based on that, it seems like someone would have discovered the location of the inheritance from a Great Overarching Golden Celestial by now... It's even possible for someone to have already obtained the inheritance..." He quickly cast his assist-type Divine Ability, the Elementary Devouring Tactic, to increase his strength.

"That might not be the case," Zhang Yi said reassuringly, "After all, how can the time be similar each time people find the inheritance from a Great Overarching Golden Celestial in the Beyond Heaven Secret Zone?"

Even then, Duan Ling Tian did not relax after listening to Zhang Yi's words. He quickly brought Chen Yi Ru along as well after he had cast the assist-type Divine Ability, the Elementary Devouring Tactic, and said, "Let's rush there at full speed!" He had decided to carry Chen Yi Ru along with him since Chen Yi Ru would not be able to keep up with him if he moved at full speed.

After passing two human-rank treasure vaults, they finally arrived at the location of the inheritance from a Great Overarching Golden Celestial. They saw an area shrouded in fog ahead of them.

As soon as they arrived, Duan Ling Tian saw a large group of Bodiless Celestials gathering outside the area that was shrouded by fog. "Is this where the inheritance from a Great Overarching Golden Celestial is located?"

Duan Ling Tian overheard the conversation between the Bodiless Celestials and discovered that the area shrouded with fog was, indeed, the location of the inheritance from a Great Overarching Golden Celestial. Moreover, he also discovered, based on their conversations, that many people had already entered the area where the inheritance was located. He could not help but wonder if someone had already obtained the inheritance from a Great Overarching Golden Celestial. He muttered under his breath, "It seems like we're late!"

Duan Ling Tian inhaled deeply before he brought Han Xue Nai, Chen Yi Ru, and Zhang Yi with him before he entered the location of the inheritance from a Great Overarching Golden Celestial.

Naturally, their arrival had caught the attention of the Bodiless Celestials present on the scene. After all, most people had entered the area. In recent times, there were not many people who entered the area.

A few Bodiless Celestials exclaimed in unison when they saw Duan Ling Tian and his companions, "Duan Ling Tian! That's Duan Ling Tian!"

"Duan Ling Tian?"

"He's Duan Ling Tian?"

"He's the Duan Ling Tian who killed two Seven Tribulation Bodiless Celestials? The one who killed a Seven Tribulation Bodiless Celestial who possessed a Celestial Supreme Treasure and snatched it away later?"

"To think he hasn't entered the location of the inheritance from a Great Overarching Golden Celestial!"

At this time, the Bodiless Celestials' attention was, naturally, focused on Duan Ling Tian. Many of them were surprised by his late arrival. None of them dared to act recklessly and looked at him warily. After

all, his feats were known to all at this point. They knew his strength was comparable to an Eight Tribulation Bodiless Celestial after all.

However, there were some Bodiless Celestials who looked at Duan Ling Tian and his companions with greed in their eyes.

“He’s Duan Ling Tian? Rumor has it that he and his companions have a few Celestial Supreme Treasure!”

These Bodiless Celestials wanted to kill Duan Ling Tian and his companions so they could snatch the Celestial Supreme Treasures away. Naturally, these Bodiless Celestials with covetous thoughts were stronger Bodiless Celestials. Most of them were Seven and Eight Tribulation Bodiless Celestials.

Duan Ling Tian did not bother with these Bodiless Celestials, he only said to Chen Yi Ru casually, “San Dao, wait for us here!” He knew Bodiless Celestials were prohibited from entering the location of the inheritance from a Great Overarching Golden Celestial.

Chen Yi Ru nodded as he said, “Yes. Please be careful, master!”

“Alright.” Duan Ling Tian nodded. Then, he brought Han Xue Nai and Zhang Yi with him, getting ready to enter the place where the inheritance from a Great Overarching Golden Celestial was located.

Suddenly...

Whoosh!

A gust of wind blew past and a figure appeared in front of Duan Ling Tian, blocking his path.

Duan Ling Tian came to halt instantly as his expression darkened. He was in a rush to enter the place where the inheritance from a Great Overarching Golden Celestial was located. After all, so many people had entered that place, there was a chance that someone would obtain the inheritance soon. For someone to obstruct his path at this moment was akin to stopping him from obtaining the inheritance from a Great Overarching Golden Celestial.

Under such circumstances, Duan Ling Tian was not polite. He barked, “Get out of my way!”

The person who had obstructed Duan Ling Tian’s path was a middle-aged man with a medium build. His appearance was ordinary, but based on his aura, it seemed like he was quite powerful. His expression darkened as well when he heard Duan Ling Tian’s words. He asked icily, “Did you just ask me to get out of your way?”

“If you don’t want to die, you better get out of my way!” Duan Ling Tian said impatiently as his eyes flashed with killing intent.

At this time, one of Bodiless Celestials present on the scene exclaimed, “It’s Wu Xiao, the ex-Sect Leader of the Surging Cloud Sect in Mouro Realm!”

Another Bodiless Celestial from Mouro Realm chimed in, “Wu Xiao? So he’s an Eight Tribulation Bodiless Celestial?”

“It’s him! I’ve seen him once... I didn’t expect him to be here as well. I didn’t even notice he’s here,” the first Bodiless Celestial from Mouro Realm who had spoken up earlier said again.

“The strongest Eight Tribulation Bodiless Celestial in Mouro Realm?”

“Mouro Realm is a large mundane realm. Wu Xia has to be very strong to be acknowledged as the strongest Eight Tribulation Bodiless Celestial!”

“Rumors have it that not only does Duan Ling Tian have a technique that can help him snatch Celestial Supreme Treasures, but he also has strength comparable to an Eight Tribulation Bodiless Celestial! I wonder if Wu Xiao is a match for him?”

“I think Wu Xiao should be able to defeat Duan Ling Tian. After all, Wu Xiao is considered the strongest Eight Tribulation Bodiless Celestial even in a large mundane realm!”

The Bodiless Celestials whispered among themselves. They did not think Duan Ling Tian would be a match for Wu Xiao.

“He was standing near me earlier. His appearance is so ordinary, I had no idea he’s the strongest Eight Tribulation Bodiless Celestial in Mouro Realm!” A Bodiless Celestial said.

Meanwhile, Wu Xiao said disdainfully after hearing Duan Ling Tian’s words, “You think you can kill me? I’d like to see if you have the capability to do so!” Both his expression and eyes were icy-cold. “Do you think you’re invincible just because you killed two Seven Tribulation Bodiless Celestials? Let me show you that no matter how strong you think you are, there’ll always be someone stronger than you!”

As soon as Wu Xiao finished speaking, he shot like a flame toward Duan Ling Tian. His aura that was extremely intimidating spread in all directions, pressuring the weaker Bodiless Celestials. These Bodiless Celestials quickly retreated into the distance for fear of being further affected.

“The strongest Eight Tribulation Bodiless Celestial in Mouro Realm is, indeed, powerful!”

“I’ve seen Eight Tribulation Bodiless Celestials fighting before, but none of them are as strong as him!”

“He truly deserves being called the strongest Eight Tribulation Bodiless Celestial in Mouro Realm!”

As soon as Wu Xiao’s energy surged from his body, many Bodiless Celestials were amazed.

Meanwhile, Duan Ling Tian was thoroughly enraged now by having his path obstructed. “If you wish to die, I’ll fulfill your wish!” As soon as he stepped forward, Celestial Origin Energy mixed with Saint origin surged out of his body immediately,

The energy that surged out of Duan Ling Tian’s body transformed into a sword-shaped flame. Its aura seemed so destructive that it seemed capable of destroying everything that stood in its

“Elementary Devouring Tactic!”

“Ten Thousands Soldiers Surrender!”

“Thirteen Green Lotus Swords!”

Duan Ling Tian cast all the techniques and Divine Abilities in his arsenal. He wanted to kill the person who was obstructing his path as quickly as possible. As soon as he killed this person, he would be able to enter the location of the inheritance of the Great Overarching Golden Celestial and obtain the inheritance. Whoever who blocked his path now was unquestionably his enemy!

Moreover, Duan Ling Tian knew this middle-aged man who blocked his path did not only want his Celestial Supreme Treasures, but he had intentionally provoked him and intended to kill him. He knew this middle-aged man also coveted his companions' Celestial Supreme Treasures. He was burning with rage as he said through gritted teeth, "Whoever who obstructs my path will have to die!"

Chapter 2463 Comparable to a Nine Tribulation Bodiless Celestial

"Today, I, Wu Xiao, will regain the honor for Bodiless Celestials and show you that Eminent Celestials are like ants before us!" Wu Xiao said coldly as a long spear appeared in his hand.

Bang! Bang! Bang! Bang! Bang!

When Wu Xiao waved the long spear in his hand, airwaves began to churn in the air, accompanied by a sound that was similar to firecrackers.

The Bodiless Celestials who were watching this felt the oppressive aura of the long spear.

A Bodiless Celestial suddenly exclaimed, "It's a Celestial Supreme Treasure!"

"Celestial Supreme Treasure? Wu Xiao has a Celestial Supreme Treasure?"

"Heavens! Not only is Wu Xiao the strongest Eight Tribulation Bodiless Celestial in Mouro Realm, but he also owns a Celestial Supreme Treasure!"

"With his strength and the Celestial Supreme Treasure, I'm afraid ordinary Nine Tribulation Bodiless Celestials without a Celestial Supreme Treasure might not even be a match for him..."

When the Bodiless Celestials realized Wu Xiao owned a Celestial Supreme Treasure, they became guarded. After all, with the Celestial Supreme Treasure, his strength would increase.

Duan Ling Tian glanced at Wu Xiao and said contemptuously, "Well... I don't know about other Bodiless Celestials, but you're certainly no better than an ant in front of me!"

As Duan Ling Tian spoke, his Celestial Sword had already appeared in his hand. He sent his energy into the sword, and the sword began shooting out sword rays. It did not take long before the sword rays converged above his head and formed a Sword Formation that emitted a terrifying aura.

"That's the Sword Formation!" A Bodiless Celestial exclaimed. He had witnessed Duan Ling Tian cast this Sword Formation previously.

Another Bodiless Celestial who had also witnessed Duan Ling Tian's might before chimed in, "Previously, Duan Ling Tian used this Sword Formation to snatch the Celestial Supreme Treasure from a Seven Tribulation Bodiless Celestial before killing him. At that time, even the weapon I carried on my back was snatched away!"

"Sword Formation?"

“Is this the Sword Formation he inherited from Feng Qing Yang?”

“He and Feng Qing Yang are from the same mundane realm. Feng Qing Yang was also the one that obtained the inheritance from a Great Overarching Bodiless Celestial the last time the Beyond Heaven Secret Zone opened!”

Almost all of the Bodiless Celestials’ attention was focused on the Sword Formation above Duan Ling Tian’s head. The Sword Formation that was formed by millions of sword rays looked like a sea of swords from afar. These millions of sword rays seemed to have an arcane connection.

Upon hearing Duan Ling Tian’s words, Wu Xiao laughed in anger. He looked imposing as he waved his spear around. “Very good! Based on your words, I’m no better than an ant. Today, I’ll show you how someone who’s no better than an ant kills you. If I don’t kill you, I don’t deserve my title as the strongest Eight Tribulation Bodiless Celestial in Mouro Realm!” In just a flash, he charged toward Duan Ling Tian, flying across the sky.

Swoosh!

The long spear in Wu Xiao seemed to have a life of its own. Like a wyrm dragon, it shot toward Duan Ling Tian.

“Ten Thousands Soldiers Surrender!” Duan Ling Tian decided to take action immediately and directly attacked Wu Xiao to show Wu Xiao that even the strongest Eight Tribulation Bodiless Celestial was nothing before him.

The Sword Formation above Duan Ling Tian’s head suddenly flashed with a dazzling and blinding light akin to the sun. An enigmatic energy swept out the Formation in all directions and shrouded Wu Xiao and a vast area in just a blink of an eye.

At this moment, the Bodiless Celestials were in shock and confusion as they discussed among themselves. A hint of panic could be heard in their voices as well.

“W-what’s going on?”

“My sword seems to have a will of its own... What is it trying to do?”

“My double rings are the same! It’s as though it gained a will of its own and wants to leave me!”

When the mysterious energy from the Sword Formation shrouded a vast area, the Bodiless Celestials who did not keep their weapons in their Spatial Rings began to discover abnormalities with their weapons. Their weapons seemed to be going out of control. Before they could react, their weapons had already left them. There was nothing they could do to stop it. After all, the mysterious energy was much stronger than them.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

Weapons began to leave their owners one after another and flew toward the Sword Formation above Duan Ling Tian’s head. It was as though they had become one with the Sword Formation.

At this moment, a Bodiless Celestial exclaimed, "Look at Wu Xiao!"

"Heavens! Even Wu Xiao's Celestial Supreme Treasure is affected. It seems like he can't bring it under control!"

It did not take long before the Bodiless Celestials present on the scene noticed that Wu Xiao had suddenly stopped moving. The long spear in his hand was thrashing about wildly, trying to escape from his grasp.

"Impossible!" Wu Xiao cried out. The long spear zapped his hand, injuring him, before flying away. Blood spurting out of the wound on his hand.

Swoosh!

Similar to the other weapons, Wu Xiao's Celestial Supreme Treasure shot toward the Sword Formation above Duan Ling Tian's head like a lost child going home.

"Thirteen Green Lotus Swords!" Duan Ling Tian's eyes were cold. The light from the Sword Formation turned even brighter at this moment.

All the Bodiless Celestials present on the scene, including Wu Xiao, had to squint their eyes due to the intensely bright light.

Xiu! Xiu! Xiu! Xiu! Xiu!

At the same time, the sounds of swords' cry rang in the air as the Sword Formation shot out sword rays that were heading toward Wu Xiao! Upon closer inspection, one would be able to see the weapons from the Bodiless Celestials in the sword rays, and this included Wu Xiao's long spear.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

The sound of sword whistling rang in the air as the Sword Formation continued to shoot out sword rays. However, this time, there were spear rays, saber rays, club rays, and many other weapon rays

More than five waves of sword rays, spear rays, saber rays, and club rays merged with the first wave of sword rays, boosting the attack.

This was an abstruse technique from Thirteen Green Lotus Swords that Duan Ling Tian had mastered.

When Duan Ling Tian cast the fifth stage of the Sovereign Heart Sword, the Heart Sword Amalgamation, he had also cast the techniques from the Thirteen Green Lotus Swords. He did not hold back at all as he attacked with all his might.

This was the first time Duan Ling Tian attacked with all his might since he mastered the fifth stage of the Sovereign Heart Sword. Previously, he did not use all his power when he killed the Seven Tribulation Bodiless Celestials. At that time, he did not cast the Thirteen Green Lotus Swords.

Although the first wave of Duan Ling Tian's attack was not simple, it was not impossible for Wu Xiao to defend against it. After all, the attack's power was only comparable to the full strength of an ordinary

Eight Tribulation Bodiless Celestials. However, at this moment, Wu Xiao could clearly sense the power of the attack had risen drastically.

“Impossible! How can the power of his attack increase so quickly?” Wu Xiao felt a frisson of fear at this moment. “Earlier, it seemed like he had cast an offensive Divine Ability from a Devata Realm that raised the strength of his attack in just an instant!”

As the strongest Eight Tribulation Bodiless Celestial in Mouro Realm, Wu Xiao was able to see the moment when the five waves of rays merged with the first wave of attack, raising its strength drastically.

Fear tightened its grip around Wu Xiao’s heart as he thought to himself, ‘This attack is comparable to the full strength of an ordinary Nine Tribulation Bodiless Celestial or an Eight Tribulation Bodiless Celestial with a Celestial Supreme Treasure. If I still have my Celestial Supreme Treasure, there’s no need for me to fear this attack! However...’

Boom!

The sound of an explosion rang in the air, causing Wu Xiao to regain his senses. There was only one thought left in his mind at this moment. He had no other choice but to flee. He knew his speed was slower than Duan Ling Tian’s attack so he did not turn around and flee immediately. Instead, he mobilized the energy in his body and they surged like flames, making him look like a fire god. He did not waste any time he charged toward Duan Ling Tian’s terrifying attack like a cannonball.

Chapter 2464 A Sudden Abnormality in the Location of the Inheritance from a Great Overarching Golden Celestial

“Hm?” Wu Xiao’s action took Duan Ling Tian by surprise. Initially, he had thought Wu Xiao would turn around and flee after discovering the power of his attack. If that had happened, his attack would have easily landed on Wu Xiao, effectively killing him. He was surprised that Wu Xiao decided to charge directly at his attack as though he was disregarding his life.

Duan Ling Tian thought to himself, ‘Wu Xiao is really smart. He’s worthy of being called the strongest Eight Tribulation Celestial in Mouro Realm.’ Although they were enemies on the battlefield, Duan Ling Tian could not help but admire Wu Xiao’s courage.

Duan Ling Tian knew Wu Xiao was trying to survive by going against his attack directly. If Wu Xiao were to turn around and flee, his attack would have killed him immediately. He could tell Wu Xiao was using all his strength to resist his attack to weaken the attack. At that time, although Wu Xiao would be severely injured, he might not lose his life.

At this moment, an Eight Tribulation Bodiless Celestial who was present on the scene exclaimed, “Duan Ling Tian’s attack is remarkable!”

Most of the Eight Tribulation Bodiless Celestials present on the scene could sense how formidable Duan Ling Tian’s attack was.

“Even an Eight Tribulation Bodiless Celestial without a Celestial Supreme Treasure wouldn’t be able to cast such a powerful attack.”

“You’re right. This attack is comparable to the full strength of an ordinary Nine Tribulation Bodiless Celestial or the full strength of an Eight Tribulation Bodiless Celestial with a Celestial Supreme Treasure!”

The expressions of the Eight Tribulation Bodiless Celestials were extremely grave. Wariness filled their eyes when they looked at Duan Ling Tian. Initially, they had thought, even if the rumors were true, his strength would only be on par with them. Who knew his strength had surpassed them and was comparable to an ordinary Nine Tribulation Bodiless Celestial?

After a while, they gradually shifted their attention to Wu Xiao.

“Does Wu Xiao have a death wish?!” Someone asked.

Wu Xiao might be stronger than them, but it did not mean he would be able to withstand an attack that was comparable to the full strength of an ordinary Nine Tribulation Bodiless Celestial. Why would he charge heads on at Duan Ling Tian’s incoming attack?

Soon after, a thought flashed in one of the Eight Tribulation Bodiless Celestials’ mind before he exclaimed, “Wu Xiao is really smart!”

It did not take long before more and more Eight Tribulation Bodiless Celestials began to figure out what Wu Xiao was trying to do. It seemed like it was the only thing he could do to retain his life.

Bang!

An earth-shattering explosion sounded in the air as Wu Xiao, the strongest Eight Tribulation Bodiless Celestial in Mouro Realm, collided with Duan Ling Tian’s attack.

Boom! Boom! Boom! Boom! Boom!

A series of explosions continued to ring in the air as shockwaves from the collision spread in all directions.

The weaker Bodiless Celestials had to retreat further away to avoid being injured. If Duan Ling Tian did not protect Han Xue Nai and Zhang Yi, they would have been severely injured by the shockwave as well. After all, the shockwave was the result of the collision between forces comparable to Eight and Nine Tribulation Bodiless Celestials.

Boom!

An explosion rang in the air as Duan Ling Tian’s attack destroyed Wu Xiao’s defenses and landed on Wu Xiao. He was instantly sent flying back. It was obvious he was severely injured as he vomited blood. At this moment, his eyes glinted. He gritted his teeth and tried to escape.

Whoosh!

At this moment, Wu Xiao’s speed had far surpassed the speed of an Eight Tribulation Bodiless Celestial. In fact, his speed was almost comparable to an ordinary Nine Tribulation Bodiless Celestial.

“Trying to flee? Do you think you’ll succeed?” Duan Ling Tian was not surprised by Wu Xiao trying to escape after going heads on with his attack. In just a blink of an eye, a sword appeared beneath his feet,

carrying him forward at an extremely fast speed as he chased after Wu Xiao. His speed was not inferior to a Nine Tribulation Bodiless Celestial.

Duan Ling Tian thought to himself, 'The fifth stage of the Sovereign Heart Sword is both a movement and offensive technique. It's as though I've mastered a movement and offensive Celestial Technique!' He had discovered earlier that he could simultaneously use the Sovereign Heart Sword and the Thirteen Green Lotus Swords to raise his strength. The two techniques complemented each other perfectly.

Using the Thirteen Green Lotus Swords along with the fifth stage of the Sovereign Heart Sword was like a movement Divine Ability. When Duan Ling Tian used this technique, his speed was comparable to a Nine Tribulation Bodiless Celestial.

Whoosh!

With his speed, Duan Ling Tian quickly caught up with Wu Xiao.

Wu Xiao's expression changed drastically when he saw this. His heart was filled with despair as he thought to himself, 'The technique he mastered is both an offensive and movement Divine Ability?'

Earlier, Wu Xiao thought he had a chance of escaping even if he was severely injured since he did not think Duan Ling Tian would have the speed to chase after him. How could he have known that the technique Duan Ling Tian had mastered could work as an offensive and movement Divine Ability?

Duan Ling Tian did not waste any time. As soon as he caught up to Wu Xiao, he struck with all his might again.

Duan Ling Tian's attack landed on Wu Xia immediately.

This time, Wu Xiao no longer had the strength to resist and was instantly drowned by the attack.

The strongest Eight Tribulation Bodiless Celestial in Mouro Realm had died just like that!

Duan Ling Tian narrowed his eyes as he thought to himself, 'If there weren't any other Bodiless Celestials around, I might have let you live... However, I have to use you to set an example for the others...' In truth, he had admired Wu Xiao's courage. He would have allowed Wu Xiao to live if he did not need to use him to scare the others off. Regardless, he did not feel guilty. After all, Wu Xiao had taken the initiative to stop him with the intention of killing him.

The Bodiless Celestials broke out in a commotion. The Eight Tribulation Bodiless Celestials could clearly see what had happened earlier while Seven Tribulation Bodiless Celestials could only vaguely see what happened. As for the weaker Bodiless Celestials, everything was just a blur to them.

"Wu Xiao died just like that?"

"The strongest Eight Tribulation Bodiless Celestial from Mouro Realm is killed by an Eminent Celestial?"

"T-this... How's this even possible? How can Duan Ling Tian be so strong?"

All of the Bodiless Celestials looked at Duan Ling Tian with fear in their eyes at this moment. He was, after all, an Eminent Celestial who was capable of killing an Eight Tribulation Bodiless Celestial. This

meant that his strength was comparable to a Nine Tribulation Bodiless Celestial. An Eminent Celestial with strength comparable to a Nine Tribulation Bodiless Celestial! What kind of monster was Duan Ling Tian?

“He’s even stronger than Feng Qing Yang, the Sword Cultivator from the Saint Province Realm, before he obtained the inheritance from a Great Overarching Golden Celestial!”

“You’re right. It seems like Duan Ling Tian’s current strength is comparable to Feng Qing Yang after he had obtained the inheritance from a Great Overarching Golden Celestial!”

“Well, he said earlier that Feng Qing Yang can be considered as his master in a way!”

Meanwhile, Duan Ling Tian had no interest in the conversation around him. He did not care about what those Bodiless Celestials thought. He decided to enter the location of the inheritance from a Great Overarching Golden Celestial and called out to Han Xue Nai and Zhang Yi, “Let’s go!”

Just as they were about to enter the area, Duan Ling Tian could sense an abnormality from the location of the inheritance from a Great Overarching Golden Celestial...

Chapter 2465 Ke’er?!

“What... What’s happening?”

The fog surrounding the location of the inheritance of a Great Overarching Golden Celestial that had been calm all this while began stirring as though there was a great disturbance. The aura it emitted was strange as well.

Duan Ling Tian came to a halt immediately.

Whoosh! Whoosh! Whoosh!

The sound of wind howling rang in the air as though a storm was brewing in the fog. Before anyone had time to react, the fog began to disperse along with the wind.

The wind blew so violently that it caused Duan Ling Tian, Han Xue Nai, and Zhang Yi’s robes to flutter in the air.

After a moment, when the wind died down, the fog became clearly thinner.

“Is that...” At this time, Duan Ling Tian could faintly see a few dozen figures shrouded in the fog.

Suddenly, a Bodiless Celestial exclaimed in surprise, “Eh! We can extend our Divine Consciousness in there now! It seems like the Formations protecting the location of the inheritance from a Great Overarching Golden Celestial have disappeared!”

As soon as Duan Ling Tian heard this, he quickly extended his Divine Consciousness. Indeed, he could extend his Divine Consciousness into the location of the inheritance now. His expression changed drastically as he thought to himself, ‘Our Divine Consciousness is no longer restricted because the Formations protecting the inheritance of the Great Overarching Golden Celestial is gone... There’s only one reason for this; someone must have already obtained the inheritance from a Great Overarching Golden Celestial!’

Although Duan Ling Tian had been worried earlier that he had spent too much time in the heaven-rank treasure vault causing him to be late, he did not expect he would really be too late. Someone had obtained the inheritance from a Great Overarching Golden Celestial! He did not even manage to enter the location of the inheritance before it was taken away.

“Damn it!” Duan Ling Tian cursed, an expression of fury could be seen on his face. He felt extremely regretful at this moment. At this moment, he felt as though he had given the Four Tribulation Bodiless Celestial who had mastered the Soul Congregation Embodiment technique an easy death. He should have tortured him! After all, it was all due to that Four Tribulation Bodiless Celestial that he arrived late and missed the chance to obtain the inheritance left by a Great Overarching Golden Celestial.

As though rubbing salt in Duan Ling Tian’s wound, a Bodiless Celestial exclaimed loudly, “The Formations have disappeared! This means someone has obtained the inheritance from a Golden Overarching Golden Celestial!”

“Who obtained the inheritance so quickly?”

“I thought Duan Ling Tian would obtain the inheritance, who knew someone would beat him to it?”

“What a waste that he’s too late.”

As the Bodiless Celestials discussed among themselves, their eyes darted to Duan Ling Tian from time to time. Some of them even had a gleeful expression on their faces, taking pleasure in Duan Ling Tian’s misfortune.

Upon hearing the conversation in the surroundings, Duan Ling Tian’s expression darkened. If he did not arrive late, he did not think anyone would be capable of snatching the inheritance from a Great Overarching Golden Celestial from him.

Han Xue Nai called out softly, “Brother Ling Tian...” She understood how Duan Ling Tian must have felt at this moment.

“I am okay.” Han Xue Nai’s voice made him regain his sense. The furious expression disappeared from his face and was replaced with a smile. He said, “Well, it seems I’m too late. I guess this means I have no fate with the inheritance from a Great Overarching Golden Celestial...” He shrugged. Although it was difficult to accept this loss, with time, he knew he would be able to forget about this missed opportunity. There was no point dwelling on it.

Suddenly, someone shrouded in the fog cried out loudly, “Ancestor!”

Whoosh!

A figure flew swiftly out of the fog and appeared before everyone’s eyes in just a blink of an eye. The figure belonged to an ordinary-looking young man with a medium build. He arrived in front of one of the Bodiless Celestials and bowed respectfully.

“Are they the survivors?” A Bodiless Celestial speculated as he looked at the figures shrouded by the fog.

One of the Bodiless Celestials looked at the figures hopefully as he muttered to himself, "I wonder if any disciples from my Heavenly Origins Sect survived?"

Although the location of the inheritance from a Great Overarching Golden Celestial had many fortuitous encounters, it was also fraught with danger. Rumor had it that less than 30% of people who entered the place survived the last time the Beyond Heaven Secret Zone opened.

Currently, the Bodiless Celestials standing outside were looking to see if any of their sect disciples managed to survive. They did not even dream of their disciples obtaining the inheritance from a Great Overarching Golden Celestial, being able to survive was a feat on its own after all. Moreover, some of them knew the strength of their disciples well so they knew it was impossible for them to obtain the inheritance from a Great Overarching Golden Celestial.

Naturally, there were strong Bodiless Celestials from big sects who did not think that way.

"I hope that little guy managed to claim the inheritance from a Great Overarching Golden Celestial... After all, his strength is comparable to a Five Tribulation Bodiless Celestial!" An Eight Tribulation Bodiless Celestial muttered under his breath. He was from one of the top forces in Vast Cloud Realm. His sect's status was comparable to the Celestial Masters Sect, the Gao Village Sect, and the Mount Huaguo Sect in Yan Huang Realm.

There were a few Bodiless Celestials who shared the same thought as this Eight Tribulation Bodiless Celestial. A few of them only had average cultivation bases, but they were not the strongest people from their respective forces who had entered the Beyond Heaven Secret Zone. There was a chance those people from their forces had obtained the inheritance from a Great Overarching Golden Celestial as well.

However, there were also many people who were not present. After all, the Beyond Heaven Secret Zone was huge. News about the location of the inheritance from a Great Overarching Golden Celestial would not spread so quickly. For this reason, there were many people who were unaware that the location of the inheritance from a Great Overarching Golden Celestial had been found, let alone being aware that someone had already obtained the inheritance.

To begin with, the Bodiless Celestials who were present on the scene were nearby when they received news about the location of the inheritance from a Great Overarching Golden Celestial. Hence, they had rushed here immediately. Upon arrival, most of them used their communication jade slips to pass this news to their comrades. However, due to the uniqueness of the Beyond Heaven Secret Zone, the communication jade slips had a distance limit.

Similar to the others, Duan Ling Tian's attention was currently focused on the figures that were shrouded by the fog.

"Sister Ke'er!" Han Xue Nai cried out.

Duan Ling Tian felt his body tremble slightly when he heard Han Xue Nai's words. "Ke'er? How's it possible?" He did not expect Ke'er had entered the Beyond Heaven Secret Zone as well. At this moment, he could see four beautiful figures emerging from the fog, seemingly making their way to him.

Gradually, their appearances became clearer and clearer. He saw Ke'er, her sister, Gan Ru Yan, Feng Tian Wu, and Mu Yi Yi. He exclaimed in shock, "Ke'er is truly here!"

When Duan Ling Tian saw Ke'er, his calm facade shattered immediately. Fear could be seen in the depths of his eyes. He knew how dangerous it was in the Beyond Heaven Secret Zone. Gan Ru Yan whose cultivation base was only at the Seventh Form of the Saint Celestial Stage was not strong enough to protect Ke'er.

Whoosh!

Duan Ling Tian's body trembled in anger before he flew out like a cannonball toward the women. Contrary to everyone's expectations, he did not go to Ke'er. Instead, he stopped in front of Gan Ru Yan, completely disregarding the joyous expression on Ke'er face.

"Gan Ru Yan!" Duan Ling Tian glared at Gan Ru Yan as he said in a low voice, "How dare you bring Ke'er in here? If I knew you were going to bring her into the Beyond Heaven Secret Zone, I wouldn't have refined your Innate Spiritual Root! I don't care if you don't value your life, but leave Ke'er out of it

Chapter 2466 Reunited with an Old Friend

Duan Ling Tian was extremely furious. His wife, Ke'er, was one of the few people he truly cared about in this world. If both of them were in a situation where only one of them could live, he would not hesitate to sacrifice his life to let her live. In his opinion, her life was more valuable than his own life. She was the apple of his eyes, and he only wanted the best for her. How could he not feel furious knowing Gan Ru Yan had brought Ke'er into the Beyond Heaven Secret Zone where danger lurked in every corner? He was so angry that he felt he could kill Gan Ru Yan for this.

"I..." Gan Ru Yan stuttered. Initially, she had been happy to see Duan Ling Tian. She did not expect him to treat her as though she was his enemy as soon as they met. Although she knew his behavior was born out of concern for her sister, Ke'er, she could not help but feel upset. In the first place, she did not even dare to vie for a position in his heart since she knew it would only be futile. However, she did not expect he would not hesitate to kill her over her sister's safety. If something were to happen to her sister, she had no doubts he would kill her to avenge her sister.

Duan Ling Tian disregarded the pitiful and vulnerable expressions on Gan Ru Yan's face as he said coldly, "You should be glad that Ke'er is safe. If something were to happen to her, I'll make sure you pay for it!" At this moment, it seemed like the chasm between them had widened.

Upon hearing Duan Ling Tian's words that confirmed her thoughts, Gan Ru Yan's eyes turned dull instantly. Initially, she had planned to explain herself, but at this moment, she did not think it mattered. After all, in his eyes, she was nothing compared to her sister, Ke'er. For the first time in her life, she felt jealous of her sister. In the past, she might have been envious of her sister, but she had never felt jealous. However, currently, when she saw how vicious Duan Ling Tian was due to Ke'er, a wave of jealousy overwhelmed her. She thought to herself, 'Ke'er and I look identical. We're the same. So why is our treatment so different? Is it because Ke'er met him first?' A hint of bitterness could be seen on her face amidst the jealousy.

Ke'er, who was stunned by Duan Ling Tian's reaction, finally spoke up anxiously, "Brother Tian, what are you saying?! You've got it all wrong!"

“I’ve gotten it wrong?” Duan Ling Tian said with a frown, “Ke’er, there’s no need for you to cover for her. You might want to enter the Beyond Heaven Secret Zone, but you wouldn’t have been able to enter without her. Therefore, this is her fault!” He thought Ke’er was only trying to protect Gan Ru Yan.

At this moment, Feng Tian Wu who was standing next to Ke’er said, “Brother Duan, you’ve misunderstood Sister Ru Yan...” She was also stunned by Duan Ling Tian’s earlier reaction.

“Hm?” Upon hearing Feng Tian Wu’s words, Duan Ling Tian realized that he might have jumped to conclusion too quickly due to his concern for Ke’er.

“It’s indeed a misunderstanding,” Mu Yi Yi chimed in at this moment to defend Gan Ru Yan, surprising Duan Ling Tian.

Duan Ling Tian was momentarily stunned. He turned to Ke’er with an expression of confusion on his face as he asked, “W-what happened? Ke’er?”

“Brother Tian, I...” Ke’er was about to explain herself to Duan Ling Tian when she was suddenly interrupted by someone calling out to Duan Ling Tian.

“Duan Ling Tian?!” The voice carried a hint of shock.

Duan Ling Tian trembled when he heard this voice. After all, he was no stranger to this voice. Although it had been years since he had seen the owner of the voice, he would never forget the owner of the voice. He did not have many friends in his life, therefore, he truly cherished the few friends that he had. No matter how long they had been apart, he would always remember their faces and their voices.

“Su Li?” Duan Ling Tian exclaimed in shock. Su Li was someone he had known in his younger days on the Mortal Continent.

Ke’er chose not to speak at this moment.

Whoosh!

A young man emerged from the fog. He was dressed in a blood-stained robe. The stench of blood was still fresh. He held a sword in his hand. With just a glance, Duan Ling Tian could tell the sword was extraordinary. It was most likely a Celestial Sword.

Duan Ling Tian flew out immediately to Su Li. He stared at Su Li unblinkingly as though he was afraid Su Li would disappear. He laughed before he said, “Su Li! How did you come in here?”

“It’s a coincidence, I was about to...” Su Li said with a smile.

However, before Su Li could finish speaking, a cold female voice interrupted him. The voice was overbearing when she said, “Su Li, follow me to greet the ancestor!”

The smile on Su Li’s face froze immediately when he heard the female voice. He turned to look at a beautiful figure standing nearby and said apologetically, “Miss, it’s been a long time since I saw my friend. May I speak to him for a little while?”

“Miss?” Duan Ling Tian’s expression had already darkened when he heard the overbearing way that woman had spoken to Su Li. However, he was shocked when he heard Su Li’s words. Did Su Li address her as miss just like a servant would?

Duan Ling Tian stared at the lady intently. She was dressed in white and looked young. She was as beautiful as his wife, Ke’er, and his girlfriend, Feng Tian Wu. She emitted an icy aura that made her seem unapproachable.

Upon hearing Su Li’s words, the white-clad lady glanced at Su Li indifferently and said in a cold voice, “Don’t forget you’re my sword slave...”

Upon hearing these words, Su Li’s eyes dimmed. He nodded obediently and said, “Understood.” Then, he turned to Duan Ling Tian and said apologetically, “Duan Ling Tian, we’ll catch up later. I have to follow my miss to greet the seniors of Yellow Thearch Mansion.”

Su Li intended to leave as soon as he finished speaking, but Duan Ling Tian stopped him immediately. A frown appeared on his face as he asked, “What’s going on, Su Li? How did you become this woman’s sword slave? Did she force you? Don’t worry, with me around, you can just ignore her. If she tries anything, I won’t let her go.”

Duan Ling Tian did not expect that after he reunited with his friend after so many years, his friend would have lost his freedom and became someone else’s servant. How could he accept this? How could he bear to watch his friend being so subservient to another person?

“Duan Ling Tian?” The white-clad lady said. She looked at him for a moment before turning away. She scoffed before she disappeared in a flash and appeared in front of an inconspicuous-looking old man who was dressed in grey robes with many patches on it. Although his robes had many patches, he looked very clean.

Upon seeing this, Su Li said hurriedly, “Duan Ling Tian, I’ll head over there first and explain everything to you later.” He paused for a moment before he looked at Ke’er and the others and said, “Otherwise, you can ask them as well.”

Duan Ling Tian glanced at the grey-clad old man in the distance before turning back to Ke’er and Feng Tian Wu. “Ke’er, Tian Wu, what happened to Su Li?”

Chapter 2467 Ren Yuan Jie

“Sister Ke’er, why don’t you tell Brother Duan what happened?” Feng Tian Wu said. Initially, she was about to respond to Duan Ling Tian but discovered Ke’er was about to speak as well. For this reason, she decided to let Ke’er recount what happened.

“It’s the same no matter who tells the story.” Ke’er shook her head with a faint smile on her face. After a moment, she turned to look at Duan Ling Tian and recounted everything that happened in the location of the inheritance from a Great Overarching Golden Celestial.

Duan Ling Tian nodded. “So all of you met Su Li in the location of the inheritance from a Great Overarching Golden Celestial?”

Ke'er glanced at Gan Ru Yan before she said, "Sister met Su Li before she entered the Beyond Heaven Secret Zone."

Upon hearing this, Duan Ling Tian turned to look at Gan Ru Yan.

However, before Duan Ling Tian could speak, Ke'er spoke up again, "Brother Tian, I really didn't enter the Beyond Heaven Secret Zone with my sister. In fact, I entered after you. As for my sister, she only entered the secret zone after she had broken through to the Seventh Form of the Saint Celestial Stage." She decided to explain this matter as quickly as she could since she did not want her sister to be blamed for something she did not do.

"What?! Y-you entered after me?!" Duan Ling Tian was thoroughly shocked by Ke'er's words. He was stunned speechless by this revelation. He did not expect Ke'er would follow him here. Was this still the gentle Ke'er he knew?

After Duan Ling Tian regained his senses, his expression was solemn as he said in a low voice, "Ke'er, do you know how dangerous this place is? In the beginning, we didn't even know this place is the Beyond Heaven Secret Zone. We thought it's merely the Sword Saint Secret Zone that Senior Feng Qing Yang left behind. Didn't you hear when Senior Uncle Prophet said that those whose cultivation base aren't at or above the Seventh Form of the Saint Celestial Stage shouldn't enter this place? Why did you act so recklessly?"

Although Duan Ling Tian sounded as though he was scolding Ke'er, the fear and concern in the depths of his eyes betrayed his true feelings. He felt paralyzed with fear just imagining what could have happened to Ke'er in the Beyond Heaven Secret Zone.

At some point, Han Xue Nai had moved next to Duan Ling Tian. She said with pleading eyes, "Brother Ling Tian, Sister Ke'er is not as weak as you think she is. Do you remember what I told you before? You still don't believe me?" In fact, not long after she met Duan Ling Tian in the Beyond Heaven Secret Zone, she had told him that Ke'er had entered the Beyond Heaven Secret Zone as well. She even told him that Ke'er had gotten really strong and was not any weaker than the successor of the Prophet Progeny, Mu Yi Yi. However, he did not believe her words at that time and there was nothing she could do to convince him otherwise. If the Beyond Heaven Secret Zone had allowed them to swear on the lightning penalty oath, she would have done so to prove the veracity of words. For this reason, she was really happy to see Ke'er. She could finally prove to Duan Ling Tian that she was not lying.

Upon hearing Han Xue Nai's words, he recalled what she had told him previously. However, at that time, he had completely disregarded her words. How could he not doubt Han Xue Nai's words? Ke'er was his wife after all. For the past few years, they had been together all the time. Was there anyone who knew her better than he did? How could he believe that his wife was stronger than Mu Yi Yi? How was that possible?

However, the truth was currently laid bare before Duan Ling Tian. He finally realized Han Xue Nai was not lying to him. He asked, "Ke'er, are... are you really stronger than junior sister Yi Yi?" He was still feeling slightly skeptical. He found it hard to believe that Ke'er who was weaker than Gan Ru Yan

previously had become even stronger than Mu Yi Yi overnight. Moreover, Mu Yi Yi's strength was only second to him among the members of the Seven Absolutes Sect.

Upon hearing Duan Ling Tian's question, Mu Yi Yi could not help but smile bitterly. Her senior sister-in-law was truly slightly stronger than her. She was also still shocked when she recalled the strength Ke'er had demonstrated. If she did not witness it personally, she would have a hard time believing that the wife of the Sect Leader of Seven Absolutes Sect was not just a beauty, but she was extremely strong as well. She might even be stronger than her senior brother.

"Yes," Ke'er replied with a nod to Duan Ling Tian's question. She did not elaborate on her answer. After all, she had always been taciturn and liked to keep a low profile.

Upon hearing Ke'er's answer, Duan Ling Tian smiled apologetically and said to Gan Ru Yan, "I'm sorry I misunderstood you. I was overly anxious earlier when I saw Ke'er that it clouded my judgment. I thought you had brought her in here."

Gan Ru Yan nodded understandingly. However, Duan Ling Tian failed to see the pain and jealousy hidden in the depths of her eyes.

After apologizing to Gan Ru Yan, Duan Ling Tian instantly turned to Ke'er and asked bluntly, "Ke'er, how did your strength improve so quickly to the point you even surpassed junior sister Yi Yi?" He was truly curious and confused. Ke'er was his wife, there should be no secrets between them. He suddenly realized he could no longer see through his wife like he used to.

"It's related to my past life," Ke'er said calmly, it seemed like she had expected Duan Ling Tian to ask her about this. She continued to say, "Over the past few years, fragments of memories had been appearing in my mind... After piecing them together, I realized it's memories from my past life. At that time, I discovered as I piece my memories together, my soul would get stronger as well. As a result, my cultivation base began to rise rapidly."

Although Ke'er revealed to Duan Ling Tian the reason for her drastic improvement, she bypassed the gruesome details. She left out the painful process she had to endure to obtain her strength and how she had to burn her soul to increase her strength. She did not want Duan Ling Tian to worry.

"I see," Duan Ling Tian said. He did not doubt Ke'er's words. After all, he also knew she was the reincarnation of a goddess. After a moment, as though he just recalled something, he said, "Ke'er, based on your words, you should've regained most of your memories from your past life. Did it affect your memories from this life? I don't want you to do this anymore..." He sounded stern when he reached the end of his sentence. He knew Ke'er desperately improved her strength because she wanted to be of help to him. However, if the price was her losing her current memories, he did not want her to become stronger.

"Brother Tian, don't worry. I'm fine," Ke'er said with a smile, "If there's such a side effect, I wouldn't have done it. After all, how can I bear forgetting you and Si Ling? Both of you are the most important people in my life. I wouldn't risk it just to improve my cultivation base."

Duan Ling Tian was moved by Ke'er's words, and he also stopped worrying after she said there were no side effects. Although he still wanted to speak about this matter in detail, he knew now was not a good time. Therefore, he shifted the topic back to Su Li. "Ke'er, what happened to Su Li? If I'm not mistaken that lady's not from the Saint Province Realm. This means Su Li only met her in the Beyond Heaven Secret Zone. How did he become a sword slave?" He was puzzled.

Ke'er replied, "It's because she helped Su Li rein in his devilish urges. When we met him here, he had already become the sword slave of the white-clad girl, Ren Yuan Jie. I offered to free him from her, but he rejected my offer." A hint of helplessness could be heard in her voice when she spoke. Although Ren Yuan Jie was considered strong among Eminent Celestials, she was still far weaker than Ke'er.

"Help Su Li suppress his devilish urges? What happened?" Duan Ling Tian felt even more confused.

Ke'er continued to explain what happened, and Duan Ling Tian finally learned about what Su Li had gone through in the past years.

Chapter 2468 A Man Can't Stand Tall If He Doesn't Keep His Words

"Su Li obtained an inheritance from the Devil Clans and became half-devil because of that? He's normal when his human half is in control. However, when his devil half takes over, he'll lose his mind and become a killing machine?" Duan Ling Tian could not help but worry about Su Li when he learned about what happened from Ke'er. After all, he knew when the devil half took over, Su Li would lose all rationality and would not be able to differentiate between friends and foes. It was a miracle that Su Li was able to survive for so long. It was even more miraculous that Su Li was not completely overtaken by his devilish urges. He shook his head as he said, "Who knew so many things would happen to Su Li?"

After that, Duan Ling Tian looked at Ke'er and asked, "Ke'er, you said the white-clad girl, Ren Yuan Jie, helped Su Li suppress his devilish urges that's why Su Li willingly became her sword slave?"

"Yes," Ke'er nodded and said as a cold light flash in her eyes, "I've offered to help Su Li to free himself from Ren Yuan Jie. I could force her to free him or kill her..." She knew about the friendship between Duan Ling Tian and Su Li, and she knew Duan Ling Tian would have offered to do the same. After a while, she continued to say, "As you can see, he rejected my offer. He said that he's a man of his word so he wouldn't go back on his words."

Duan Ling Tian shook his head after listening to Ke'er's words. "That's the kind of person he is." He knew Su Li would not change his mind easily after he had decided on something. Not to mention Ren Yuan Jie had helped Su Li and he owed her a favor. Then, he turned to look at the three figures in the distance and asked, "He... Did he promise Ren Yuan Jie that he would be her sword slave for life?"

Duan Ling Tian watched as Ren Yuan Jie paid her respect to the grey-clad old man. He discovered that the old man was not as simple as he appeared to be. He thought to himself, 'I'm afraid even the Eight Tribulation Bodiless Celestial I killed earlier was no match for this old man. This means he must be a Nine Tribulation Bodiless Celestial.' At this moment, his eyes briefly met the grey-clad old man's eyes.

When Duan Ling Tian had arrived at this place earlier, he had observed all the Bodiless Celestials present on the scene. He recalled the grey-clad old man had quietly stood at the side, looking unremarkable so he did not pay much attention to him. However, now that he was observing the old man as Ren Yuan Jie

and Su Li greeted the old man, he discovered the old man was really not simple. It was highly likely that he was Nine Tribulation Bodiless Celestial.

At this moment, Ke'er shook her head and replied to Duan Ling Tian, "No... Su Li said he promised to be Ren Yuan Jie's sword slave for 100 years. He'll regain his freedom in 100 years."

"100 years? That's not too bad..." Duan Ling Tian murmured. He felt relieved. He had been worried that Su Li would foolishly agree to become someone's sword slave for life. Although one could not swear on the lightning penalty oath in the Beyond Heaven Secret Zone, knowing Su Li, even without the oath, he still would not break his promise. "However, that Ren Yuan Jie has really gotten herself a great deal..."

At this moment, Feng Tian Wu finally spoke up, "Brother Ling Tian, do you know who obtained the inheritance from a Great Overarching Golden Celestial?"

Realization dawned on Duan Ling Tian when he heard Feng Tian Wu's words. "Could it be Su Li?"

Feng Tian Wu glanced at Ke'er before she said, "You're right. However, it's all thanks to sister Ke'er that he managed to obtain the inheritance from a Great Overarching Golden Celestial. If it weren't for her, he wouldn't stand a chance at all."

"Ke'er?" Duan Ling Tian was shocked. Although he knew Ke'er had gotten stronger, he did not expect that she was strong enough to clear the obstacles and help Su Li obtain the inheritance from a Great Overarching Golden Celestial. "I guess it's fate that Su Li obtained the inheritance."

Ke'er explained, "When all of us were standing in front of the inheritance from a Great Overarching Golden Celestial, the inheritance chose him. This means we have no fate with the inheritance." She looked at Gan Ru Yan, Mu Yi Yi, and Feng Tian Wu as she continued to say, "However, it's also possible that he was chosen because he was the only Sword Cultivator among us at that time."

"So Su Li really obtained the inheritance from a Great Overarching Golden Celestial, and it's an inheritance from a Sword Celestial?" Duan Ling Tian smiled. He had been curious about who had obtained the inheritance. After all, if it were not because he had arrived late, he would definitely be able to obtain the inheritance from a Great Overarching Golden Celestial. He had felt regretful for losing this chance, but now that he found out Su Li was the recipient of the inheritance, all his regrets disappeared.

Duan Ling Tian turned to look at the white-clad lady in the distance and said, "Looks like that girl really had gotten herself an extremely great deal!"

...

"The Great Overarching Golden Celestial who left his inheritance in the Beyond Heaven Secret Zone is a Sword Celestial?" The grey-clad old man widened his eyes surprised when he learned about this.

"Yes, ancestor," Ren Yuan Jie answered reverently.

The grey-clad old man's eyes brightened and a hint of expectation could be seen in his eyes as he asked, "Then, did you... did you obtain the inheritance?"

Ren Yuan Jie shook her head and the expectation in the grey-clad old man's eyes was replaced by disappointment immediately.

"Do you know who had obtained it?" The old man asked.

"It's him," Ren Yuan Jie replied as she turned to look at Su Li. Her eyes were filled with jealousy at this moment.

"Him?" The grey-clad old man shifted his attention to Su Li again and his attitude took a 180-degree turn. Initially, he did not think there was anything special about Ren Yuan Jie's sword slave. Who knew he had obtained the inheritance from a Great Overarching Golden Celestial?

"Yes," Ren Yuan Jie nodded and said, "Initially, he was much weaker than me. However, after he obtained the inheritance, he has become slightly stronger than me."

Upon hearing Ren Yuan Jie's words, the grey-clad old man looked at Su Li and asked him eagerly, "Since you've obtained the inheritance from a Great Overarching Golden Celestial and became stronger than Yuan Jie, are you still planning to keep your words and remain as her sword slave?"

Su Li replied indifferently, "How can a man stand tall if he doesn't keep his words?"

Ren Yuan Jie was impressed by Su Li's words.

Even the grey-clad old man's impression of Su Li rose when he heard Su Li's words. He said, "Yuan Jie, let me make a decision on your behalf this time. Release Su Li from his promise to become your sword slave. Do you agree?"

Ren Yuan Jie quickly replied after she recovered from her shock, "I will follow your orders, ancestor."

"Senior, you are..." Su Li frowned when he heard the grey-clad old man's words.

Ren Yuan Jie interrupted Su Li and quickly said, "Su Li, you did not break your promise. I'm willingly freeing you from your promise. There's no need for you to think too much into it."

"But..." Su Li looked at Ren Yuan Jie in confusion. After all, he knew she was not such an understanding person. After a while, he thought to himself, 'It seems like she's only doing this because of this old man from Yellow Thearch Mansion.'

"It is decided then!" The grey-clad old man said jovially as he looked at Su Li. Then, he asked, "Su Li, I would like to invite you to join our Yellow Thearch Mansion. Are you willing to join us?"

'Here it is!' Su Li thought to himself. This was the caveat of being released from his promise. He knew things would not be so simple. The grey-clad old man had made Ren Yuan Jie release him as a sword slave before extending an invitation to him to join Yellow Thearch Mansion, intending to tie him to Yellow Thearch Mansion completely!

Chapter 2469 The Older One Is, The Wiser One Becomes

Based on what Su Li heard about the Yellow Thearch Mansion from Ren Yuan Jie, he knew the Yellow Thearch Mansion was connected to a Devata Realm. If he did not obtain the inheritance from a Great

Overarching Golden Celestial, he might have accepted the grey-clad old man's invitation. However, it was not possible for him to do so now. This was because the moment he obtained the inheritance from the Great Overarching Golden Celestial, he had become the successor of the Great Overarching Golden Celestial. When he was able to ascend to a Devata Realm, he would be the disciple of the Great Overarching Golden Celestial. How could he go to another force in the Devata Realm?

"I'm sorry, senior," Su Li shook his head and said frankly, "I'll have to decline the invitation. If the Yellow Thearch Mansion is just a force in the mundane realm, I would've joined. Since I've obtained the inheritance from the Great Overarching Golden Celestial, when I ascend to a Devata Realm, I'll become that Great Overarching Golden Celestial's disciple."

The grey-clad old man shook his head. "Su Li, you might not know this, but you're merely one of the many disciples of the Great Overarching Golden Celestial in the mundane realms. He might not even be aware of your existence. In the future, when you ascend to the Devata Realm, it's not a big deal even if you don't become his disciple or join his force."

The grey-clad old man continued to say persuasively, "Moreover, our Yellow Thearch Mansion is also a top force in the Devata Realm. In fact, our old ancestor has now become a Heaven Emperor in a Devata Realm! If you join us now and when you ascend to the Devata Realm, even if that Great Overarching Golden Celestial is unhappy, he might not even have the courage to look for you in our Yellow Thearch Mansion." Based on his words, one could see he was extremely confident about the strength of the Yellow Thearch Mansion.

Upon hearing the grey-clad old man's words, Su Li was slightly irritated. "Senior, do I look like someone who would repay favors with ingratitude?"

"Su Li!" Ren Yuan Jie exclaimed in a chiding tone. She was shocked by his words. How dare he act so recklessly before the ancestor of the Yellow Thearch Mansion? Did he not want to live?

Contrary to Ren Yuan Jie's expectation, the grey-clad old man did not seem angry. Instead, he burst out laughing. "Just as I expected, Su Li. You're a good man who holds firm to his principles." It seemed as though he had already expected Su Li to reject his invitation.

"Ancestor..." Ren Yuan Jie was startled. She could tell the grey-clad old man had expected this outcome. However, if he knew Su Li was going to decline the invitation, why did he ask her to release Su Li from being her sword slave? She was confused.

"Regardless, you're no longer Yuan Jie's sword slave. Moreover, it's an insult to you to remain as her sword slave. Since both of you made a promise for 100 years, why don't you become a guest elder in Yellow Thearch Mansion in the mundane realm during that time? It won't have anything to do with what you do when you ascend to the Devata Realm."

"Okay," Su Li agreed. The grey-clad old man's request did not conflict with his principles. Moreover, compared to becoming Ren Yuan Jie's sword slave, it was much better to become a guest elder in the Yellow Thearch Mansion.

When Ren Yuan Jie heard the grey-clad old man's words, she could not help but exclaim inwardly, 'The older one is, the wiser one becomes!' She could feel the changes in Su Li now that he was no longer her sword slave. He used to act like a puppet. 'Since our ancestor is being so magnanimous, based on Su Li's character, he would definitely dedicate himself to the Yellow Thearch Mansion during these 100 years to repay the ancestor's favor.' This was why she thought the ancestor was wise.

The grey-clad old man said genially, "Yellow Thearch Mansion welcomes you. Since you've already obtained the inheritance from the Great Overarching Golden Celestial, let's leave this place. We'll stay in the Beyond Heaven Secret Zone for another few years to search for Celestial Supreme Treasures, Divine Abilities, and Celestial Techniques."

Although the inheritance from the Great Overarching Golden Celestial had already been obtained, the Beyond Heaven Secret Zone would still remain open for a long time. As a Bodiless Celestial, he could only enter earth-rank treasure vaults. He was barred from entering heaven-rank and human-rank treasure vaults. The old man was confident that with Su Li and Ren Yuan Jie around, the Yellow Thearch Mansion would be able to obtain the Celestial Supreme Treasures, Divine Abilities, and Celestial Techniques in heaven-rank treasure vaults.

Before they left, Su Li said, "Senior, before we leave, I would like to bid my friend farewell." He, naturally, did not forget about Duan Ling Tian.

"Oh? You're friends with Duan Ling Tian?" The grey-clad did not seem surprised. Moreover, he even knew Duan Ling Tian's name.

On the other hand, Su Li was shocked, "Senior, you know my friend as well?"

The grey-clad old man stared at Su Li intently as he said, "Your friend is not to be underestimated..."

"Duan Ling Tian is not to be underestimated?" Su Li was confused by the grey-clad old man's words.

"Since you were possessed by your devil half most of the time, I'm sure you haven't heard the rumors about your friend..."

At this time, Ren Yuan Jie who was standing at the side chimed in, "Duan Ling Tian killed two Seven Tribulation Bodiless Celestials previously. Moreover, one of them even possessed a Celestial Supreme Celestial Treasure before Duan Ling Tian killed him! From what I know, these are not rumors. It's indeed true."

"He... He killed two Seven Tribulation Bodiless Celestials?" Su Li was dumbfounded. Even after obtaining the inheritance from a Great Overarching Golden Celestial and a Celestial Sword, his strength was only comparable to an ordinary Seven Tribulation Bodiless Celestial without a Celestial Supreme Treasure. How could he not feel surprised that his friend was already capable of killing Seven Tribulation Bodiless Celestials?

Ren Yuan Jie continued to say, "Yes. Moreover, he killed those two Seven Tribulation Bodiless Celestials with just a strike!"

Su Li was thoroughly shocked. Although he had not seen Duan Ling Tian for many years, he knew Duan Ling Tian had to be strong. However, he did not expect that Duan Ling Tian would be so strong! After a while, he thought to himself, 'This shouldn't come as a surprise. Even his wife is so strong, how could he not be strong?' He remembered Ke'er had helped him to obtain the inheritance from a Great Overarching Golden Celestial. If it were not for her help, he might not even be able to obtain the inheritance.

At this moment, the grey-clad old man said, "The matter of him killing two Seven Tribulation Bodiless Celestials is old news. Before both of you came out, Duan Ling Tian killed an Eight Tribulation Bodiless Celestial who possessed a Celestial Supreme Treasure. Moreover, that Eight Tribulation Bodiless Celestial was the strongest Eight Tribulation Bodiless Celestial in Mouro Realm." He looked at the purple-clad young man standing in the distance warily as he said, "If I were to battle him, I'll definitely fall into a disadvantageous position if I don't use a Celestial Supreme Treasure."

The man narrowed his eyes and continued to say with a hint of incredulity in his voice, "Before he killed the Eight Tribulation Bodiless Celestial, he snatched the Bodiless Celestial's Celestial Supreme Treasure and severely injured him. Then, he chased after the Bodiless Celestial when the Bodiless Celestial tried to escape and killed the Bodiless Celestial. At that time, his speed was comparable to a Nine Tribulation Bodiless Celestial!"

The grey-clad old man was shocked by the fact that Duan Ling Tian's strength and speed were comparable to Nine Tribulation Bodiless Celestial despite only being an Eminent Celestial. He thought to himself, 'Only Bodiless Celestials who have cultivated the Soul Congregation Embodiment technique stand a chance against him. Otherwise, even a Nine Tribulation Bodiless Celestial like me would have a hard time defeating him!'

"What?" Upon hearing the grey-clad old man's words, both of them gasped in shock and amazement.

Ren Yuan Jie looked spooked as she looked at the purple-figure standing in the distance. "Duan Ling Tian killed an Eight Tribulation Bodiless Celestial who possessed a Celestial Supreme Treasure? And that Eighth Tribulation Bodiless Celestial was the strongest Eight Tribulation Bodiless Celestial in Mouro Realm?" She really did not expect that purple-clad young man who was only an Eminent Celestial possessed such terrifying power.

Chapter 2470 Free Cloud Sage

"Duan Ling Tian is so strong?" Su Li's eyes were filled with incredulity when he looked at Duan Ling Tian. However, a gentle smile soon appeared on his face. He thought to himself, 'Well, that guy never fails to surprise every time we meet. Even his wife is so strong, it's not strange for him to be so strong!'

"Little Yuan Jie, it seems like Elder Su Li's friend is a little hostile toward you..." As a Nine Tribulation Bodiless Celestial, the grey-clad old man was, naturally, astute. He had long noticed that the purple-clad young man seemed hostile toward Ren Yuan Jie.

Ren Yuan Jie had also noticed Duan Ling Tian's hostility. She said in a small voice, "He probably thinks Su Li is still my sword slave."

"Well, that's no longer true so it's just a misunderstanding now." The grey-clad old man smiled as he asked Su Li, "Elder Su Li, do you mind introducing your friend to us? This is the first time I want to

befriend an Eminent Celestial!” Fearing that Su Li would be worried about them encroaching on his time with Duan Ling Tian, he added, “Naturally, after our introductions, you can take your time to catch up with him.”

“I don’t mind,” Su Li replied before he led the grey-clad old man and Ren Yuan Jie toward Duan Ling Tian.

“Hmm?” Duan Ling Tian did not expect Su Li would bring the two people along with him. One of them was even someone he did not have a very good impression of. He thought Ren Yuan Jie was a woman who had taken advantage of Su Li’s misfortune for her own benefit. It was only natural for him to feel this way, after all, Su Li was his best friend.

Duan Ling Tian would not have found anything wrong with Ren Yuan Jie taking advantage of Su Li under the pretext of helping him if Su Li was not his friend. After all, it was a fair trade.

Duan Ling Tian glanced at Ren Yuan Jie and said with a frown, “Su Li, why did you bring her here?”

“Duan Ling Tian, I’m no longer Miss Ren’s sword slave. Therefore, please don’t be hostile toward her,” Su Li said with a chuckle. Inwardly, he was very touched to see his best friend being so protective of him. After all, it was a fair trade. Most people would not think there was anything wrong with their trade.

“Hm? What happened?” Duan Ling Tian asked, slightly startled.

Then, Su Li recounted what happened to Duan Ling Tian. He said with a laugh, “Therefore, I’m currently a guest elder of Yellow Thearch Mansion.”

Duan Ling Tian’s expression eased after listening to Su Li’s words. His hostility toward Ren Yuan Jie had vanished as well. Although Su Li would have to stay in Yellow Thearch Mansion as a guest elder for 100 years, it was very different from being a sword slave. After a while, he shifted his attention to the grey-clad old man and said, “How should I address you, senior?”

Duan Ling Tian knew Su Li was able to break free from his shackles as a sword slave and become a guest elder in Yellow Thearch Mansion was all thanks to this old man. Therefore, his impression of the old man was not bad. He was impressed by the old man’s magnanimity. Not only did the old man have a high cultivation base, but he had a good attitude as well.

“I’m Xuan Yuan Zhi... Little brother Ling Tian, I heard about you for a long time now,” Xuan Yuan Zhi, the Nine Tribulation Bodiless Celestial of Yellow Thearch Mansion, said with a laugh. He was very friendly when he spoke. “There’s no need for you to address me as senior. You can just address me as older brother if it makes you more comfortable. After all, I’m only a few years older than you.”

Upon hearing Xuan Yuan Zhi’s words, Duan Ling Tian did not know how to describe his feelings. A Nine Tribulation Bodiless Celestial just said he was only a few years older than him...

Han Xue Nai who was standing nearby muttered under her breath, “This old man is a little shameless, right?” Although her voice was not loud, everyone heard her words.

Xuan Yuan Zhi did not get angry, he only looked at Han Xue Nai and smiled.

On the contrary, Ren Yuan Jie who was standing next to Xuan Yuan Zhi glared at Han Xue Nai. After all, in her opinion, Xuan Yuan Zhi was not only the ancestor of Yellow Thearch Mansion, but he was also one of the two supreme beings in Yellow Thearch Mansion. She would have done more than glare at Han Xue Nai if she did not see that Xuan Yuan Zhi did not seem to take offense.

“Since you’ve spoken, I’ll listen to you. Otherwise, I would be disrespectful...” Since Xuan Yuan Zhi was friendly and respectful, Duan Ling Tian treated him with due respect as well. Moreover, getting acquainted with a Nine Tribulation Bodiless Celestial was not a bad thing.

Xuan Yuan Zhi laughed when he heard Duan Ling Tian’s words. He said, “Good! Good!” After that, he said, “Little brother Ling Tian, since you haven’t seen Elder Su Li for so long, I won’t disturb you any longer so you can catch up with him.”

Xuan Yuan Zhi continued to say, “I plan to leave the Beyond Heaven Secret Zone in about three years before it closes. If you decide to visit Yan Huang Realm before the Beyond Heaven Secret Zone closes, you’re more than welcome in our Yellow Thearch Mansion. Please accept this order token. The Yellow Thearch Mansion is located in an isolated area. However, once you arrive in Yan Huang Realm, if you infuse your energy into the token, it’ll lead you to the Yellow Thearch Mansion.” He passed a violet and gold order token to Duan Ling Tian as he spoke.

“Yan Huang Realm?” Duan Ling Tian took the violet and gold order token before he said, “If older brother is from another mundane realm, I can’t be sure if I’ll visit. However, I’ve long decided to visit Yan Huang Realm. When I’m there, I’ll definitely visit you.”

“Is that so?” Xuan Yuan Zhi’s eyes brightened when he heard Duan Ling Tian’s words. In fact, he did not think Duan Ling Tian would really visit the Yellow Thearch Mansion in Yan Huang Realm even though he had given Duan Ling Tian an order token.

“Yes.” Duan Ling Tian smiled. He looked at Zhang Yi before he said, “this is my friend, Zhang Yi. He’s from the Celestial Masters Sect in Yan Huang Realm... I promised him I’ll follow him to Yan Huang Realm.”

“He’s from the Celestial Masters Sect?” Xuan Yuan Zhi instantly turned to look at Zhang Yi. He chuckled. “I’m friends with the Free Cloud Sage in Celestial Masters Sect. Before I ascend, I’ll meet him. At that time, I’ll mention you.”

Free Cloud Sage! Zhang Yi was shocked when he heard this. The Free Cloud Sage was the only Nine Tribulation Bodiless Celestial in Celestial Masters Sect. Needless to say, he was also the strongest person in Celestial Masters Sect.

Although Zhang Yi was from the Celestial Masters Sect and could be considered as quite talented among the younger generation, he had never even seen the Free Cloud Sage before, let alone speak to him. How could he not feel shocked when Xuan Yuan Zhi told him he was friends with the Free Cloud Sage and would even mention his name when he met the Free Cloud Sage?

Zhang Yi quickly bowed and said, “T-thank you, s-senior!”

“Since you’re a friend of Little brother Ling Tian, you can be considered as my friend as well. There’s no need for thanks.” Xuan Yuan Zhi smiled faintly at Zhang Yi. Then, he turned to Duan Ling Tian and said, “Alright, Yuan Jie and I won’t disturb your reunion with Elder Su Li.”

After that, Xuan Yuan Zhi said to Su Li before he left with Ren Yuan Jie, “Elder Su Li, we are not in a rush so take your time to catch up with Little brother Ling Tian.”

“Alright,” Su Li nodded.

...

Since Duan Ling Tian and Su Li had not met for a long time, once they began to talk, they could not stop. Both of them spoke about their experiences.

Su Li was shocked when he heard Duan Ling Tian’s experience. He felt as though he was on tenterhooks when Duan Ling Tian recounted the dangers he encountered.

On the other hand, Duan Ling Tian could feel Su Li’s pain when Su Li recounted how he obtained the inheritance from the Devil Clans and demonized before he killed his master, Sword Thirteen.
