

Chapter 2541 Asura Hell

Young Master Qing Yan! Duan Ling Tian narrowed his eyes when he heard the thin middle-aged man's words. A fiery inferno could be seen burning in the depths of his eyes. Although he did not expect Yun Qing Yan to let him off so easily, he did not expect Yun Qing Yan would send someone to kill him. He thought to himself, 'Since he's bold enough to send someone to kill me, it means he's not afraid of Ke'er finding out about this. After all, Ke'er has my Soul Pearl.' It was not difficult to figure out that Yun Qing Yang was most likely threatening Ke'er with his family and friends.

"Yun Qing Yan," Duan Ling Tian muttered through clenched teeth. His gaze turned increasingly cold as he looked at the thin middle-aged man. If looks could kill, the thin middle-aged man would have died many times over. A cold smile appeared on his face as he said, "So you're sent by Yun Qing Yan." At the same time, he cast his assist-type Divine Ability, the Elementary Devouring Tactic to raise his strength. He took out his Celestial Sword as well and wielded it with the fifth stage of the Sovereign Heart Sword.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

In just a few moments, a sword battle Formation formed from millions of sword rays hovered above Duan Ling Tian. He had also cast his offensive Divine Ability, the Thirteen Green Lotus Swords. Since he had completely comprehended the Thirteen Green Lotus Swords, he had become much stronger than before. Currently, he was confident he could kill a Nine Tribulation Bodiless Celestial with a single strike! After all, the Thirteen Green Lotus Swords was even stronger than ordinary offensive Divine Abilities in the Devata Realms.

Unfortunately, Duan Ling Tian's strength was still lacking compared to the powerhouse whom Yun Qing Yan had sent to kill him.

"Xiao Xiao, quickly leave! This man isn't any weaker than those Great Overarching Golden Celestials who left their inheritance behind in the Beyond Heaven Secret Zone!" Duan Ling Tian transmitted his voice to Tang Xiao Xiao. He was prepared to fight to his death. Although he knew he was not a match for the powerhouse who was sent by Yun Qing Yan, he did not plan to give up without a fight! Nevertheless, he was unwilling to involve Tang Xiao Xiao since she was innocent.

As soon as Tang Xiao Xiao heard Duan Ling Tian's words, her expression changed drastically. When the thin middle-aged man had emerged from the void tear, she had extended her Divine Consciousness and discovered there were no pseudo realms in the area. Based on this, she could roughly tell the thin middle-aged man was strong and not inferior to Duan Ling Tian. She had read some records in the Tang Sect about tearing the barrier of mundane realms and knew that one had to be a Great Overarching Golden Celestial, at least, to be able to tear a hole in the barrier. Duan Ling Tian's words had confirmed her suspicion. She trembled in fear inwardly as she transmitted her voice that was laced with panic to Duan Ling Tian. "Duan Ling Tian, when and how did you provoke such a strong being?"

How could Tang Xiao Xiao not feel afraid? The thin middle-aged man was at least as strong as a Great Overarching Golden Celestial. There was a possibility that he was even stronger than that. So many

people coveted the treasures in the Beyond Heaven Secret Zone because they were left by a Great Overarching Golden Celestial. Now that one appeared before her, she was, naturally, frightened.

“Don’t worry about any of that. Just get out of here!” Duan Ling Tian said with a hint of anxiety. He did not expect Tang Xiao Xiao would ask questions at this critical moment.

Tang Xiao Xiao replied bitterly through Voice Transmission, “It’s too late for me to leave now. Try to probe our surroundings with your Divine Consciousness. He’s using his power to trap us here. I can’t leave.”

Duan Ling Tian’s expression changed. He glared at the thin middle-aged man who was looking at him disdainfully and said in a low voice, “My friend has nothing to do with this. Since Yun Qing Yan ordered you to kill me, you can let her go!”

The thin middle-aged man smiled sinisterly. “How can you even think about protecting your friend when you can’t even protect yourself? Indeed. You’re really kind to women. However, since you seem adamant about protecting her, I won’t let her leave. What can you do to me anyway if I refuse to let her leave?”

“You...” Duan Ling Tian’s eyes turned red from anger. Meanwhile, the sword battle Formation above him seemed agitated as though it was about to fly toward the thin middle-aged man.

The thin middle-aged man looked at Duan Ling Tian and said, “Indeed. Your technique is rather similar to the technique of Feng Qing Yang, the Heavenly Emperor of the Solitary Destructive Heaven. No wonder Young Master Qing Yan suddenly ordered me to attack a Heavenly Emperor of a Devata Realm. As it turns out, it’s because of you.” He paused for a moment before he continued to say, “However, your technique is far weaker than Feng Qing Yang. You should know that Feng Qing Yang couldn’t even withstand 100 strikes from me. Eventually, he had to escape to the Asura Hell, one of the seven deadliest places in the Devata Realms, to escape pursuit. Everyone, including Heavenly Emperors, has no chance of surviving after entering that place”

Upon hearing this, Duan Ling Tian’s expression changed drastically. He did not expect the thin middle-aged man was the one Yun Qing Yan had sent to kill Feng Qing Yang. Yun Qing Yang had targeted Feng Qing Yang solely because he had inherited Feng Qing Yang’s techniques and because Feng Qing Yang was, technically, his master.

The thin middle-aged man’s words continued to ring in Duan Ling Tian’s ears. He had indirectly caused Feng Qing Yang’s death!

When Tang Xiao Xiao who was standing next to Duan Ling Tian heard the thin middle-aged man’s words, her expression changed as well. “H-heavenly Emperor?” A hint of disbelief and awe could be seen in her eyes as she looked at the thin middle-aged man. “Y-you... D-did you just say a Heavenly Emperor of a Devata Realm couldn’t even withstand 100 strikes from you and was forced into entering a deadly place just to escape from you?” Her voice trembled when she spoke.

Tang Xiao Xiao knew a thing or two about Heavenly Emperors from the records in Tang Sect. Heavenly Emperors were the strongest powerhouses in Devata Realms. Since there were 81 Devata Realms, there

were also 81 Heavenly Emperors. How could she not feel shocked by the thin middle-aged man's claims that he was stronger than a Heavenly Emperor?

The thin middle-aged man scoffed at Tang Xiao Xiao's question. "There are only a few Heavenly Emperors who could withstand more than 100 moves from me. Since Feng Qing Yang managed to withstand almost 100 moves, his strength can be ranked in the top 20 among the 81 Heavenly Emperors!"

Tang Xiao Xiao shuddered when she heard the thin middle-aged man's reply. She was dumbfounded and petrified.

The thin middle-aged man shifted his gaze to Duan Ling Tian again and his eyes gleamed with anger as he said, "Little brat, I really don't see what's so special about you that even the most beautiful woman in our Divine Offering Land fell for you!" He said contemptuously, "It seems like you can't wait to attack me. Well, I'll just stand here. If your attacks manage to reach 10 meters away from me, I'll leave your corpse intact."

Duan Ling Tian, who had long been poised to attack, could no longer hold back after hearing the thin middle-aged man's provocative words. The sword battle Formation above his head flew out immediately.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

The huge sword battle Formation flew out followed by other sword formations. In total, there were 12 sword Formations altogether. There were 13 sword battle Formations if one counted the huge sword battle Formation that flew out first.

These Formations were the product of the assist-type Divine Ability, the Elementary Devouring Tactic, the offensive Divine Ability, the Thirteen Green Lotus Swords, and the fifth stage of the Sovereign Heart Sword.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

After a while, the 12 sword battle Formations at the back merged with the huge sword battle Formation in front, and the sword rays grew even stronger. It seemed capable of destroying heaven and earth!

Hideous and terrifying void cracks could be seen in its wake as it flew out.

The thin middle-aged man smiled disdainfully as he looked at the attack that Duan Ling Tian had unleashed with his full strength. "I've underestimated you. It's truly surprising that a mere Eminent Celestial in a mundane realm has strength comparable to a Golden Celestial in the Devata Realms. However, with this little bit of power, it's impossible for it to come within 10 meters from where I'm standing!"

Chapter 2542 Lord Xia Jie

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

The sword battle Formation, Duan Ling Tian's strongest attack, shot toward the thin middle-aged man, leaving horrendous cracks in the void. Based on this, one could see how much Duan Ling Tian wished to kill the thin middle-aged man. Unfortunately, the sword battle Formation that had shot out fiercely was stopped in its momentum when it was roughly ten meters away from the thin middle-aged man as

though it was obstructed by something. The sword battle Formation that was forcibly stopped vanished quickly like short-lived fireworks. The only thing that remained was a Celestial Sword that hovered in the air, ten meters away from the thin middle-aged man. However, it was no longer shining brilliantly.

From the beginning to the end, the thin middle-aged man stood in his spot motionlessly with an indifferent expression on his face. His robes did not even flutter.

“W-what!” Tang Xiao Xiao was thoroughly shocked. When she regained her senses, a helpless and bitter smile could be seen on her face. Earlier, her attention was caught by the commotion from Duan Ling Tian’s strongest attack. She could tell, based on his attack, that he was currently stronger than Nine Tribulation Bodiless Celestials. It was as the thin middle-aged man had said, Duan Ling Tian’s strength was comparable to Golden Celestials in the Devata Realms. Nevertheless, Duan Ling Tian’s attack could not even approach the thin middle-aged man, let alone hurting the thin middle-aged man. It was only natural considering the thin middle-aged man’s claims that he was stronger than most Heavenly Emperors in the Devata Realms!

The thin middle-aged man’s voice was dripping with contempt as he said, “You’re as weak as an ant!”

Crack!

With just a thought, the thin middle-aged man broke Duan Ling Tian’s Celestial Sword, that was hovering ten meters away from him, into two. “Look, that’s too bad!” He said coldly, “I told you I’ll leave your corpse intact if your attack manages to get within 10 meters from me. However, since you failed, I have no choice but to turn your corpse into dust.”

As soon as the thin middle-aged man finished speaking, he stepped forward slowly. Although his movement was light and casual, Duan Ling Tian felt as though a giant hammer had landed on his heart with every step the thin middle-aged man took. He felt as though he was being suffocated at this moment, and he acutely felt Death breathing down his neck.

At this moment, two figures appeared in Duan Ling Tian’s mind. He smiled bitterly. “Ke’er, Little Fei’er.” Soon after, another figure appeared in his mind. “Tian Wu.” After that, his parents, children, relatives, and friends flashed in his mind one after another.

Duan Ling Tian felt vexed and unwilling even though he had expected this outcome. He was unwilling to die in the hands of Yun Qing Yan’s man.

Tang Xiao Xiao, naturally, could tell the thin middle-aged man was about to kill Duan Ling Tian. Although she wished to help him, there was nothing she could do. Let alone the thin middle-aged man, she was far weaker than Duan Ling Tian. What could she do when even Duan Ling Tian was rendered helpless by the thin middle-aged man?

The thin middle-aged man sneered. “Duan Ling Tian, if there’s an afterlife, please remember that there are some women you simply should not touch!” The skinny middle-aged man sneered. He did not make any movement after that, but his aura suddenly changed. It was as though a gust of violent wind was blowing at Duan Ling Tian.

Duan Ling Tian was as weak as an ant, he did not even have to move to kill Duan Ling Tian. With just a thought, an invisible energy, like the scythe of death, shot toward Duan Ling Tian to reap his life.

Not only did Duan Ling Tian and Tang Xiao Xiao lack time to react, but they did not even notice it at first. The movement of the attack was just too fast.

The corners of the thin middle-aged man's lips curved up when he saw the invisible energy was about to hit Duan Ling Tian. However, at the critical moment, the thin middle-aged man's smile froze on his face!

Rripp!

The sound of something being torn rang in the air as a spatial tear suddenly appeared in a timely manner before Duan Ling Tian. It absorbed the attack from the thin middle-aged man that was about to land on Duan Ling Tian.

"Who is it?" The thin middle-aged man bellowed. His expression had changed as he coldly stared at the spatial tear that had suddenly appeared.

Duan Ling Tian and Tang Xiao Xiao's attention was also focused on the spatial tear at this moment.

A languid and indifferent void rang from the spatial tear. "It's me." A figure dressed in simple robes limped out, holding a wine gourd in his hand. From time to time, he would drink from the wine gourd. Based on his figure, it was clear he was an adult male. However, due to his lowered head and disheveled hair, it was impossible to tell if he was young, middle-aged or old. Although judging from his hoarse and energetic voice, it seemed like he was a middle-aged man.

Duan Ling Tian and Tang Xiao Xiao were shocked by the sudden appearance of this man who looked like a beggar. Based on the way he had made his entrance, it was clear that his strength was comparable to Great Overarching Golden Celestials, at least.

A hint of astonishment could be seen in the thin middle-aged man's eyes when he saw the man who looked like a beggar. His expression changed drastically when his eyes fell on the identity token that was hanging on the man's waist. He saw the word, 'Jie', carved on the token. He gulped before he quickly saluted the beggar-like man deferentially. "I'm Yun Ye from the Yun Family. It's an honor to see you, Lord Xia Jie!"

The thin middle-aged man had lost his arrogant air at this moment. It seemed as though he was a whole different person with how humble he was acting.

"Yun Ye?" The man called Xia Jie lifted his head slightly to look at the thin middle-aged man. "The spatial tunnel between the Divine Offering Land and the Devata Realm is about to close. What are you, a member of the Yun Family, doing here, instead of returning to the Divine Offering Land?"

"Lord Xia Jie," the thin middle-aged man, Yun Ye, glanced at Duan Ling Tian and Tang Xiao Xiao before he replied, "I'm here on Young Master Qing Yan's order to kill this man. Lord Xia Jie, I'm sure you've heard about the commoner from the mundane realm who had tainted Miss Xia's reincarnation."

Slap!

As soon as Yun Ye finished speaking, the sound of a slap rang clearly in the air.

Duan Ling Tian and Tang Xiao Xiao could see a clear handprint on Yun Ye's face at this moment.

"Lord Xia Jie, you..." Yun Ye's expression changed. His eyes were filled with fear as he looked at Xia Jie guardedly.

"How dare a servant of the Yun Family talk about the affairs of my Xia family's eldest daughter!" Xia Jie who seemed lackadaisical just a moment ago changed completely in an instant. At this moment, the air he exuded was one of majesty and power. "Do you believe that the Yun Family won't pursue this matter even if I kill you now?"

Yun Ye's facial expression changed again. Waves and waves of fear overwhelmed him.

"Get out of here!" Xia Jie barked.

Meanwhile, Yun Ye looked as though he had just escaped from the jaws of death. He instantly lifted in his hand to open a spatial tear before disappearing into it in just a flash. It seemed like he had completely forgotten about his young master's order to kill Duan Ling Tian. It was only natural, after all, his life was more important than his young master's orders.

Duan Ling Tian and Tang Xiao Xiao felt surreal as they watched Yun Ye who had acted so domineering earlier retreating like a timid mouse. If Yun Ye did not exaggerate, he was someone stronger than Heavenly Emperors in the Devata Realms! How could both of them not feel shocked?

"So you're Duan Ling Tian?" Xia Jie who was simply dressed looked at Duan Ling Tian who was still shocked by Yun Ye's sudden retreat. His piercing stare from beneath his disheveled hair seemed capable of piercing through everything!

Chapter 2543 You Only Have A Thousand Years

"Yes," Duan Ling Tian answered.

Under Xia Jie's watchful eyes, Duan Ling Tian felt as though his thoughts were laid bare before Xia Jie. Regardless, he did not dare to ignore Xia Jie's question. Based on the Xia Jie and Yun Qing Yan's man's conversation, he knew this simply dressed middle-aged man was from the Xia family, which was also his wife's, Ke'er, family in her past life. For this reason, he did not think Xia Jie's timely appearance was a coincidence.

Xia Jie who was staring at Duan Ling Tian looked as though he had discovered new lands as he exclaimed, "N-ninety-nine Heavenly Veins?" His sudden exclamation shocked Duan Ling Tian and Tang Xiao Xiao.

Tang Xiao Xiao looked confused while Duan Ling Tian was surprised Xia Jie was able to tell he had 99 Heavenly Veins in his body. According to Elder Huo, the Three-legged Golden Crow, Saint Veins were known as Heavenly Veins in Devata Realms. Moreover, the celestials placed more importance on the veins compared to the people in mundane realms. Duan Ling Tian was unaware of the importance of Heavenly Veins in Devata Realms. After all, having 99 Heavenly Veins did not bring many benefits to him compared to other things. Perhaps, just as Elder Huo had said, the power level in the mundane realms was just too low.

Xia Jie quickly regained his composure when he realized his momentary slip. Then, he said, "You seem smart, but you're too weak. Who knew after Xue'er reincarnated, she would marry you and have a daughter? Indeed. It seems like the marriage is predestined."

Xue'er? Duan Ling Tian, naturally, knew Xue'er was Ke'er. His spirit was invigorated when he heard Xia Jie mentioning Ke'er. His eyes were bright as he asked, "Senior, how's Ke'er now?"

"Ke'er?" Xia Jie was momentarily confused before he recalled his niece had told him that her name was Ke'er in her current life.

"She has been imprisoned. How do you think she's doing?" Xia Jie said in a rather unkind manner as he looked at Duan Ling Tian.

"Imprisoned! Did Yun Qing Yan imprison Ke'er?" Duan Ling Tian's expression changed drastically.

"Yun Qing Yan? That brat is a member of the Yun Family. He doesn't have the guts to imprison the little princess of my Xia Family. It's her father, your old-fashioned father-in-law, who imprisoned her!" Xia Jie said as he stared intently at Duan Ling Tian.

Ke'er who had regained her memories of her past life was both Xia Ning Xue and Ke'er. He knew Xia Jie was referring to Ke'er's father in her past life.

"Alright, I don't have much time left so I'll keep my words short. I came here because of Xue'er's request. I didn't think I'd run into the man Yun Qing Yan had sent to kill you. You're really lucky! If I didn't arrive in time, you would have died. Anyway, Xue'er wanted me to tell you that your family and friends are safe. They're no longer under that brat's, Yun Qing Yan, control. They're with our Xia family. However, my elder brother, Xue'er father and your father-in-law, has no plan of letting them go. In fact, he's planning to use your family and friends to threaten Xue'er into marrying that brat!" Xia Jie said bluntly.

Duan Ling Tian's expression changed dramatically as he said in a chiding tone, "What? What kind of father would be such an asshole? She's his daughter. Moreover, she already has a husband and a child. How can he still force her to marry someone else?" It seemed as though he had lost control as he cursed, "Damn it! Damn it!"

Xia Jie only silently watched as Duan Ling Tian lost his temper. However, his gaze that was hidden beneath his unkempt hair turned rather odd.

"Duan Ling Tian, you..." Tang Xiao Xiao said worriedly. She had seen Xia Jie's odd gaze and was worried Xia Jie would be angered by Duan Ling Tian's outburst and incessant cursing of Xia Jie's elder brother.

However, Tang Xiao Xiao was interrupted by a sudden burst of laughter. "Very good! You scolded him well!"

"That fellow is a b*stard! A real b*stard! I've been wanting to curse at him for a long time now B*stard! B*stard!" Xia Jie cursed unrestrainedly. It seemed as though he had bottled up his frustrations all this while. In fact, he had been annoyed by his brother for a long time now. However, there was not much he could do since his elder brother was the head of the Xia family.

Xia Jie's sudden outburst stunned Duan Ling Tian and Tang Xiao Xiao, causing them to look at him with their mouths agape.

When Xia Jie discovered he had lost his composure, he quickly pulled himself together. He looked at Duan Ling Tian with eyes that were filled with satisfaction as he said, "Not bad, not bad. Little brat, you're good. Although your father-in-law doesn't recognize you as his son-in-law, I, your third uncle, recognize you as my niece's husband. I like you more compared to that brat, Yun Qing Yan."

"Third uncle?" Duan Ling Tian startled.

"Oh, right, I haven't introduced myself. I'm Xue'er's third uncle, the third master of the Xia family. You can call me third uncle like Xue'er does," Xia Jie introduced himself.

"Yes, third uncle." Duan Ling Tian truly did not expect that he would receive the middle-aged man's approval even after he had cursed at his father-in-law. He was pleased by this. After all, this meant that not everyone in the Xia family was against him. At the very least, he had a supporter.

However, Duan Ling Tian was dealt a heavy blow when he heard Xia Jie's words. "Although I like you and wish that you can be with Xue'er, there's nothing much I can do to help. My elder brother is like a dictator. You can only rely on yourself to obtain his approval." He seemed to be reminded that he was short of time and quickly said, "The spatial tunnel connecting the Divine Offering Land and the Devata Realm is about to close so I'll keep my words short. Xue'er's father has imprisoned her and taken her Spatial Ring away. That's probably why Yun Qing Yan is bold enough to send someone to kill you. After all, your Soul Pearl is in the Spatial Ring. Even if you die, Xue'er wouldn't know about it for the time being."

Duan Ling Tian finally discovered why Yun Qing Yan was so bold as to send someone to kill him. Earlier, he had wondered why Yun Qing Yang was not afraid of Ke'er taking her own life after learning about his death. As it turned out, Ke'er was not in possession of his Soul Pearl at the moment because her Spatial Ring had been confiscated by her father.

"Although my b*stard of an elder brother plans to threaten Ke'er into marrying Yun Qing Yan using your family and friends, he won't have the time to do it now since something big is happening in the Divine Offering Land. After three days, the spatial tunnel connecting the Divine Offering Land to the Devata Realms will close for roughly 1,000 years. During this 1,000 years, there will be many things happening in the Divine Offering Land. Therefore, Xue'er will be safe during this time. However, after things have settled down in 1,000 years, my b*stard elder brother will surely turn his attention back to this matter. At that time, if you don't possess enough strength to gain his approval, I'm afraid Xue'er will only be pressured into marrying that brat, Yun Qing Yan!"

"Third uncle, I only have 1,000 years?" Duan Ling Tian was startled by this revelation.

"That's right! You only have 1,000 years. If you fail to obtain his approval by then, both of you can only be separated."

1,000 years. Although Duan Ling Tian had not even lived for more than 100 years, he still felt pressured by this time frame that was given to him. He had a feeling that even if he had strength comparable to a

Heavenly Emperor in a Devata Realm, it still would not be sufficient for him to gain Ke'er's father's approval. A grim expression could be seen on his face as he asked, "Third uncle, may I know where the Divine Offering Land is located?"

Even a random servant whom Yun Qing Yan sent out to kill him was capable of forcing Feng Qing Yang, the Heavenly Emperor of Solitary Destructive Heaven, to escape to the Asura Hell, one of the seven deadliest places in Devata Realms. This proved that people from the Divine Offering Land were extraordinarily strong.

"The Divine Offering Land is a place separated from Devata Realms and mundane realms. It's a realm opened up by someone powerful! Anyway, you'll learn more about it once your cultivation base has reached a certain level in the Devata Realms. If I reveal too much information about the Divine Offering Land, it will only be a burden to you." Xia Jie explained why he could not reveal too much information about the Divine Offering Land to Duan Ling Tian.

Chapter 2544 The Yun Family in the Divine Offering Land!

"I've told you everything I needed to tell you and fulfilled Ke'er's request. The spatial tunnel connecting the Divine Offering Land to the Devata Realms will be closed in three days, so I'll have to take my leave now. Otherwise, I'll only be able to return after 1,000 years," Xia Jie said. After a while, he added, "When the spatial tunnel reopens after 1,000 years, I hope to see you again. At that time, I hope you have enough strength to gain Xue'er's father's approval." As soon as he finished speaking, he lifted his hand and tore the void open to leave.

When Duan Ling Tian saw Xia Jie was about to leave, he seemed to recall something important and quickly cried out, "Third Uncle! Is it true Heavenly Emperors will die once they enter the Asura Hell, one of the seven deadliest places in the Devata Realms?" He had recalled Yun Ye's earlier words. Because of him, Feng Qing Yang was forced to escape into the Asura Hell.

"Asura Hell? I've been there once. However, I only stayed on the outskirts due to the danger. In my opinion, only two to three of the 81 Heavenly Emperors are capable of coming out alive from that place," Xia Jie said.

Upon hearing Xia Jie's words, Duan Ling Tian's expression changed immediately. It seemed like Yun Ye was not exaggerating about the dangers in the Asura Hell. Xia Jie had said that only two or three of the 81 Heavenly Emperors were capable of surviving the Asura Hell, and Yun Ye had said Feng Qing Yang's strength was only ranked in the top twenty. This meant Feng Qing Yang was nowhere close to being in the top three.

"Senior Feng Qing Yang..." Duan Ling Tian felt his heart skip a beat. It felt as though the last thread of hope he had held onto had disappeared. A sense of self-loathing that lingered for a long time rose in his heart.

"I'm rushing back to the Divine Offering Land so there's not much I can do to help you." Xia Jie's voice rang in Duan Ling Tian's ears, causing him to regain his senses.

Xia Jie continued to say, "It might be better if I bring you back to the Divine Offering Land. However, if my elder brother or the Yun family find out about it, you'll certainly die. Therefore, I can't take this risk." Then, he handed two items to Duan Ling Tian before he continued to say, "This is all I can do to help

you. When it's time for you to ascend to a Devata Realm, remember not to leave the Celestial Ascension Pool in a hurry. Try to stay in the pool longer to purify your 99 Heavenly Veins. It'll only benefit you. Brat, I hope to see you in the Divine Offering Land. I hope you won't disappoint me and Xue'er!" After he finished speaking, he did not wait for Duan Ling Tian to reply before he disappeared in a flash.

Duan Ling Tian only regained his senses when the void crack had closed. He lowered his head and studied the two items that Xia Jie had given him. It was a sword and a dark green jade token that was shrouded with a mysterious light.

At this moment, Tang Xiao Xiao finally heaved a sigh of relief. Earlier, she felt as though she had accompanied Duan Ling Tian to the gates of hell when Yun Ye had appeared.

Duan Ling Tian suddenly shouted, "Ke'er, wait for me!" He stared into the endless void with his hands clenched. Hints of anguish could be heard in his voice.

When Tang Xiao Xiao recovered from the shock of Duan Ling Tian's sudden shout, she asked, "Can you tell me about your wife?" She was, naturally, curious. After all, she had just learned that not only did Duan Ling Tian have a wife and a child, but it seemed like his wife was not someone ordinary.

After listening to Duan Ling Tian speak about his wife, Tang Xiao Xiao could not help but sigh. She said reassuringly, "Don't worry! You'll definitely reunite with your wife! Didn't Senior Xia Jie say you have 1,000 years? You gain your current strength in less than 100 years, I'm sure you'll have the strength to gain your father-in-law's approval within 1,000 years." However, Tang Xiao Xiao's words were contrary to her thoughts. It was not that she did not have confidence in Duan Ling Tian, but she knew it was extremely difficult to gain the strength to obtain his father-in-law's approval in 1,000 years. Although Duan Ling Tian possessed remarkable strength in less than 100 years, his strength was merely comparable to Golden Celestials in the Devata Realms. Although Xia Jie did not specify how strong Duan Ling Tian would have to be, she knew Duan Ling Tian had to be stronger than a Heavenly Emperor at least. After all, even a servant from the Yun family in the Divine Offering Land was stronger than most Heavenly Emperors! With his current strength, it was difficult for him to become stronger than Heavenly Emperors in just 1,000 years!

"Hmm," Duan Ling Tian nodded even though he knew Tang Xiao Xiao was merely comforting him. Regardless, he had to go to the Divine Offering Land whether he was strong enough to gain his father-in-law's approval or not since he would not allow his wife to marry another man!

...

A few days had passed since then. Tang Xiao Xiao accompanied Duan Ling Tian as he returned to earth to travel.

After a few decades away from earth, Duan Ling Tian discovered earth had truly changed beyond his imagination. He was still brooding over Yun Ye and Xia Jie's arrival from the Divine Offering Land. Therefore, after spending a few days on earth, he decided to leave. He planned to return to the Saint Province Realm through the Beyond Heaven Secret Zone.

...

In Divine Offering Land.

After Yun Ye fled in disgrace when Xia Jie arrived, he instantly returned to the Yun family in the Divine Offering Land.

“Young Master,” Yun Ye greeted Yun Qing Yan as soon as he saw Yun Qing Yan.

Before Yun Ye could say anything else, Yun Qing Yan interjected, “Yun Ye, since you’ve returned, I assume Duan Ling Tian’s dead.” He nodded his head, clearly pleased, as he added, “You’ve done well.” He did not think it was possible for Yun Ye to fail the mission. Although Yun Ye was weak compared to him, Yun Ye’s strength was still comparable to the strongest Heavenly Emperors. With that kind of strength, how could Yun Ye fail to kill that brat from the mundane realm?

Yun Ye lowered his head as he bowed and hesitantly said, “Y-young master, I-I failed my mission.”

Silent fell on the place immediately. When Yun Ye raised his head, he saw Yun Qing Yan’s smile was frozen on his face. He was so afraid that he did not even dare to breathe loudly.

Finally, Yun Qing Yan asked in a calm and emotionless voice, “What happened?”

Despite Yun Qing Yang’s calm tone, Yun Ye became even more frightened. He knew his young master would be deceptively calm when he was truly infuriated. He did not dare to dally and quickly recounted what had happened. “Lord Xia Jie intervened! When I was about to kill Duan Ling Tian, Lord Xia Jie appeared just in time and saved Duan Ling Tian.” He lowered his head again like a child who had made mistakes as he said, “I’m sorry, young master.”

“Since Uncle Xia Jie appeared and protected that brat, you can’t be blamed for it,” Yun Qing Yan said. He narrowed his eyes as he added, “But why did he suddenly appear in the mundane realm to save that brat? Did he know I’d send someone to kill that brat?” He looked at Yun Ye as he said, “Only both of us know about this matter.” However, he did not doubt Yun Ye’s loyalty. Yun Ye had served in the Yun Family for many years, therefore, he had absolute trust in Yun Ye. Moreover, even if Yun Ye had intentions to betray him, Yun Ye would not betray him for a brat from the mundane realm. In the end, he concluded that it was just a coincidence.

Yun Ye looked at Yun Qing Yan as he asked tentatively, “Young master, is it possible that Miss Ning Que requested Lord Xia Jie to protect Duan Ling Tian?”

Upon hearing Yun Ye’s words, Yun Qing Yan narrowed his eyes that were glinting coldly. “Even if Xia Jie protected him, he’ll only be able to do so now. When the spatial tunnel reopens after 1,000 years, I’ll personally go to the Devata Realm and kill Duan Ling Tian!”

Chapter 2545 Ke’er of the Xia Family.

In the Xia Family from the Divine Offering Land.

In the middle of a heavily-guarded courtyard, there was a lush garden with grass and flowers. The air was fresh and the faint melodious sound of birds chirping rang in the air.

In a quiet room behind the courtyard, a figure dressed in white could be seen sitting cross-legged on an ice bed that emitted cold air. The figure belonged to a woman with unrivaled beauty, her appearance causing her surroundings to dim in comparison. She was sitting so still that seemed like she was a part of the ice bed she was sitting on. The aura she emitted was also as cold as her bed. Upon closer inspection, one would be able to see a slight frown on her face at this moment. Her teeth were tightly clenched as though she was enduring pain as her aura kept fluctuating and grew stronger

“Xue’er.” A voice filled with vigor rang from outside the room at this moment, causing the white-clad woman to relax. She looked even more beautiful when she opened her eyes.

Whoosh!

The white-clad woman disappeared from the bed like a gust of wind. The door opened with a bang before she appeared in the backyard.

An unkempt and scruffy middle-aged man was also standing in the backyard at this moment. The middle-aged man brushed his hair back, revealing an angular face with thick eyebrows and big eyes. He emitted a powerful and dignified aura as he stood there.

“Third uncle.” The woman dressed in snowy-white robes like a fairy did not seem to care about the middle-aged man’s unkempt appearance as she rushed toward him and held his arm. She blinked her watery autumn eyes as she asked, “D-did you meet Brother Tian?” Her body trembled slightly in excitement as she waited for an answer.

“Little girl, I came to find you as soon as I returned. You didn’t even ask me if I’m exhausted before you asked about that brat. It seems like I can’t compare to that brat at all.” He sighed. “Girls...”

The unkempt and scruffy middle-aged man was none other than Xia Jie, the third master of the Xia family in the Divine Offering Land. He had just rushed back to the Divine Offering Land from the mundane realm through a Devata Realm before the spatial tunnel linking the Divine Offering Land to the Devata Realms closed.

“Third uncle, you’re teasing me again.” The beautiful woman’s face flushed in embarrassment.

“Alright, alright. I won’t tease you anymore.” Xia Jie shook his head. Then, he said solemnly, “I met that brat. Fortunately, I arrived in time. Otherwise, he would’ve been killed by the man Yun Qing Yan sent!”

“W-what?” The woman’s expression changed drastically when she heard this. Her originally calm expression was replaced by one of anger. “Yun Qing Yan actually dares to send someone to kill Brother Tian?” This woman was none other than one of Duan Ling Tian’s wives, Ke’er. She was also Xia Ning Xue, the eldest miss of the Xia family in the Divine Offering Land.

“That little b*stard probably heard about your imprisonment and your Spatial Ring being confiscated by your father that’s why he’s bold enough to send someone to kill Duan Ling Tian.” He paused for a moment before he added, “I suspect your father intentionally let that little b*stard know about your Spatial Ring being confiscated so he could borrow that little b*stard’s hand to kill Duan Ling Tian.” He sighed after he finished speaking. He knew very well how much his elder brother, the head of the Xia family, hated that brat from the mundane realm. In fact, when his elder brother found out his daughter

had a husband and had given birth to a daughter after she had reincarnated, his elder brother had been extremely furious. His elder brother even wanted to travel to the mundane realm to kill that brat

“Father...” Ke’er eyes were filled with anger, but she had no idea how to vent her anger at all. After all, that man was her father! Currently, she was not only Ke’er, but she was Xia Ning Xue, the eldest miss of the Xia family in the Divine Offering Land. After a while, she asked worriedly, “Third uncle, is Brother Tian alright?”

Xia Jie shook his head. “Don’t worry, he’s fine. I told him about the spatial tunnel connecting the Divine Offering Land to the Devata Realms being closed for the next 1,000 years. During these 1,000 years, your father will be busy with a lot of things so he won’t have time to plan your wedding with Yun Qing Yan. However, there’s no doubt that after 1,000 years have passed, he’ll pressure you to marry. I told him about this as well.” Xia Jie’s words were contrary to his thoughts. Although he told Duan Ling Tian to gain enough strength to be approved by his elder brother after 1,000 years, he thought it was an almost impossible task.

“A miracle? Third uncle, although Brother Tian is extremely talented, it’s almost impossible for him to gain enough strength to obtain father’s approval in just 1,000 years!” Ke’er smiled bitterly.

“Xue’er, you ought to trust in him. He’ll certainly wish for you to trust him,” Xia Jie said reassuringly.

Ke’er looked at Xia Jie and said determinedly, “Of course I trust him. However, I won’t let him bear this burden alone. If I’m not mistaken, father won’t continue to imprison me once the spatial tunnel is closed. At that time, I want to go to the Realm Battlefield.”

However, Xia Jie’s expression changed drastically as soon as he heard Ke’er’s words. He shook his head and said vehemently, “No! You mustn’t go to the Realm Battlefield! Not to mention your strength hasn’t recovered to its previous state, even if it has, it’s still extremely dangerous for you to go to the Realm Battlefield! I won’t agree to it!”

“Third uncle, if you don’t agree, I don’t have anyone else to help me. Third uncle, I’m truly unwilling to let Brother Tian shoulder all the burden alone. He has done enough for me in the past. Since I have the chance to alter my fate, I need to try no matter what! If I don’t, I’ll definitely regret it after 1,000 years have passed!” Ke’er said with a bitter smile as her gaze grew more and more resolute.

“Little girl...” This was the first time Xia Jie had seen his niece being so resolute. For this reason, it made him waver. Eventually, he sighed and said, “Please reconsider it. You’re talking about the Realm Battlefield after all. Nobody will hold back their strength there!”

The reason the spatial tunnel connecting the Divine Offering Land to the Devata Realms was about to close was due to the impending opening of the Realm Battlefield in the Divine Offering Land.

The Divine Offering Land was a realm separate from Devata Realms and mundane realms. It was opened by an extremely strong person. There were also similar realms that were opened by other extremely strong people. These realms would be connected every 1,000,000 years, opening the Realm Battlefield! At that time, people from each realm would compete on the Realm Battlefield for 1,000 years. Those from the Divine Offering Land or the other realms who wanted to quickly improve their strength would

enter the Realm Battlefield. One would be able to improve one's strength through fortuitous encounters and actual combat in the Realm Battlefield. Since the yield was high, it was only natural that it came with an equally high risk. Someone would die almost every second in the Realm Battlefield.

"Third uncle, there's no need for me to reconsider. I've thought about this thoroughly. If I want to regain my strength from my past life or grow stronger, entering the Realm Battlefield is the only way!" Ke'er said as she shook her head, "Although I trust Brother Tian, I want to be able to fight by his side after 1,000 years!" Her eyes gleamed with determination. Although she trusted Duan Ling Tian, she thought it was unlikely he would have strength enough to earn her father's approval. Therefore, she had to grow strong enough to change her fate!

In her past life, Ke'er had rather commit suicide than to get married. Who knew her father would not change his mind at all and still insisted she marry Yun Qing Yan in this life! She had many attachments in this life so she could not just recklessly end her life. For this reason, she had to enter the Realm Battlefield to fight for her future! She would not regret it even if she died on the Realm Battlefield since she had tried her best at least. She thought to herself resolutely, 'Brother Tian, I won't let you be alone again. No matter how difficult it is, I want to accompany you. In life and in death, we will never part again!'

Chapter 2546 Storming the Heavenly Wave Mansion

Duan Ling Tian was, naturally, unaware of what was happening in the Divine Offering Land or Ke'er's intention to enter the Realm Battlefield that was fraught with danger to grow stronger in order to defy her fate. If he had known about this, he would have been extremely worried and wished for a pair of wings that could bring him to the Divine Offering Land to stop Ke'er!

After a month of traveling through space, Duan Ling Tian and Tang Xiao Xiao finally returned to the Coste Galaxy. Previously, it had taken them three months to travel to the Milky Way where earth was located from the Coste Galaxy even though Duan Ling Tian had traveled at top speed. However, it had only taken him a month this time because he had fully comprehended the Thirteen Green Lotus Swords. Currently, his strength was comparable to a Golden Celestial in the Devata Realms.

"I wonder if the people of this galaxy have forgotten us?" Tang Xiao Xiao wondered out loud as they made their way to the Interstellar Transportation Formation in Planet Sattel, the home planet of the Coste Galaxy. Previously, when they were besieged by the 18 Disaster-level Battleships that were dispatched by the Granier family in the Coste Galaxy, the scene was broadcasted throughout the Coste Galaxy. She knew about it being broadcasted through her Divine Consciousness.

As soon as Duan Ling Tian and Tang Xiao Xiao arrived near the Interstellar Transportation Formation, many people were instantly alerted. They clearly had not forgotten about Duan Ling Tian and Tang Xiao. All of them were terrified as though Duan Ling Tian and Tang Xiao Xiao were some horrifying beasts.

"Aren't those two the cultivators who came a few months ago?"

"Oh, no! Why are they here again?"

"Why did they come back? What do they want?"

"It seems like they haven't forgotten about us." Tang Xiao Xiao smiled indifferently.

One of the people from the Coste Galaxy who was nearby happened to overhear Tang Xiao Xiao's words and could not help but smile bitterly. How could this female cultivator be surprised that they had not been forgotten? What a joke! Let alone a few months, even if a few years had passed, they still would not forget these two cultivators. After all, the male cultivator had destroyed a Disaster-level Battleship and was unaffected even after he was bombarded by attacks from seventeen Disaster-level Battleships! It was the first time such a terrifying cultivator had appeared in the Coste Galaxy. The incident from a few months ago had been recorded in history and that man was referred to as a god-like man.

Everyone in the surroundings sighed in relief when they saw Duan Ling Tian and Tang Xiao Xiao disappearing into the Interstellar Transportation Formation.

"As it turns out, they're merely passing by. I was truly frightened earlier."

"I didn't think I would be able to see them in person. They're livelier, and their auras are much stronger!"

"Yes! When they were around, I didn't even dare to breathe."

Duan Ling Tian and Tang Xiao Xiao's reappearance had caused a sensation in the Coste Galaxy. The inhabitants only calmed down when they discovered the two cultivators were merely passing by.

Based on this, one could see how much the inhabitants of the Coste Galaxy feared Duan Ling Tian.

Naturally, Duan Ling Tian was unaware of all this. Even if he was aware of it, he would not have felt proud. After all, the galaxy was only an SS-class technological civilization. Galaxies that were ruled by technology were ranked into classes; they were divided into SSS, SS, S, A, B, and C classes.

The Milky Way belonged to the A-class since the most advanced civilization in the Milky Way was only in the A-class. It was two classes behind the Coste Galaxy! Not to mention that his strength had improved after completely mastering the Thirteen Green Lotus Swords, even if it did not, he was still not afraid of SSS-class galaxies that were ruled by technology. How could he be afraid of a mere Coste Galaxy? Previously, even Apocalypse-level Battleships that were stronger than Disaster-level Battleships were of no threat to him, now that he had gotten even stronger, they were even more inconsequential.

As they traveled through a few Interstellar Transportation Formations, Tang Xiao Xiao said, "Duan Ling Tian, we'll pass by the Thousand Opportunities Galaxy where Tang Sect is located when we make our way to the Beyond Heaven Secret Zone. I wish to return to the sect to visit my old ancestor and return the star chart to him."

Duan Ling Tian nodded. "Sure. Since it's on the way, I'll accompany you to Tang Sect."

It did not take long before they arrived in the Thousand Opportunities Galaxy where Tang Sect was located. The Interstellar Transportation Formation they had just exited was located on Planet Shu Tang, the home planet of the Thousand Opportunities Galaxy.

Tang Xiao Xiao was excited to be home. However, her excitement did not last long. When she met Tang Chong, the Sect Leader of Tang Sect, she learned about an incident in the sect. She began to cry. Her tears streamed down her beautiful face as she said in a trembling voice, "The old ancestor has died?"

Tang Zhong Yi, the Supreme Elder of Tang Sect, had died!

“What happened?” Duan Ling Tian asked. He noticed the anger in Tang Chong’s eyes as he broke the news to Tang Xiao Xiao.

Tang Chong replied with a bitter smile on his face, “A Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion killed Elder Yi! Their reason was the Tang Sect had led the Heavenly Wave Mansion on before they broke off the engagement. It was a punishment! I didn’t think that old fart from the Heavenly Wave Mansion would personally make a move.” His voice was filled with anger and dissatisfaction when he spoke. Nevertheless, there was nothing he could do since the culprit was a Nine Tribulation Bodiless Celestial!

After Tang Chong finished speaking, Duan Ling Tian saw Tang Xiao Xiao, who had been crying so hard that her eyes had turned bloodshot, looked at him with killing intent shining in her eyes. Naturally, her killing intent was not directed at him, but at the Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion! She said through gritted teeth with a frenzied expression on her face, “Duan Ling Tian, help me kill him! If you kill him, I’ll promise you anything you want!”

Tang Zhong Yi was Tang Xiao Xiao’s ancestor after all. He had taken very good care of her since she was young, and he was her only family. How could she not be filled with remorse and hate when she learned that he was killed because of her personal matter? She could not wait to kill the person who murdered her only family. However, she knew very well, with her current strength, she would only die if she charged into the Heavenly Wave Mansion. Therefore, she had no choice but to turn to Duan Ling Tian for help to seek revenge for her ancestor. She was willing to give Duan Ling Tian her life if he could fulfill her wish.

“Lead the way then,” Duan Ling Tian said. He did not say unnecessary words to comfort Tang Xiao Xiao. After all, action spoke louder than words.

“Thank you,” Tang Xiao Xiao said appreciatively. She trembled when she heard Duan Ling Tian’s reply, clearly eager to avenge Tang Zhong Yi.

Tang Chong looked on in surprise as Tang Xiao Xiao instantly led Duan Ling Tian back to the Interstellar Transportation Formation. They left the Thousand Opportunities Galaxy where Tang Sect was located and made their way to the Heavenly Wave Galaxy that was ruled by the Heavenly Wave Mansion.

The Heavenly Wave Mansion’s estate was located on the home planet of the Heavenly Wave Galaxy.

Swoosh! Swoosh!

Under Tang Xiao Xiao’s lead, they rushed to the Heavenly Wave Mansion’s estate.

“Who is it? How dare you trespass into the Heavenly Wave Mansion!” A group of patrolling disciples from the Heavenly Wave Mansion were instantly alerted when Duan Ling Tian and Tang Xiao Xiao entered the compound of the Heavenly Wave Mansion.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

Tang Xiao Xiao lifted her hand before a terrifying ray of light shot out and directly killed all the patrolling disciples from the Heavenly Wave Mansion!

Duan Ling Tian could not help but shake his head at the viciousness of Tang Xiao Xiao's attack. Nevertheless, he understood her anger. He knew about her close relationship with Tang Zhong Yi since she had spoken about it during their journey to earth previously.

As expected, Tang Xiao Xiao's action caused a commotion in the Heavenly Wave Mansion!

Chapter 2547 Yang Yu Ting

"Someone has trespassed into our Heavenly Wave Mansion?"

"Who's it? Who's so daring?"

Tang Xiao Xiao's attack caused a huge commotion in the entire Heavenly Wave Mansion. Not long after their arrival, Duan Ling Tian and Tang Xiao Xiao were besieged by people from the mansion. The number of people attacking them quickly grew from a few dozens to a few hundred. Moreover, these people's cultivation bases were not low.

Duan Ling Tian scanned the crowd using his Divine Consciousness and discovered that the weakest among the crowd was at the Seventh Form of the Saint Celestial Stage at least. Apart from that, there were many Bodiless Celestials with relatively high cultivation bases.

A Five Tribulation Bodiless Celestial from the Heavenly Wave Mansion made a move to stop Tang Xiao Xiao and discovered they were evenly matched. Therefore, people in the surroundings discovered the black-clad woman was only an Eminent Celestial but had strength comparable to a Five Tribulation Bodiless Celestial!

"An Eminent Celestial with strength comparable to a Five Tribulation Celestial?"

"Who's she?"

"To think a female Eminent Celestial has such strength! I think her background must be extraordinary!"

"She looks familiar, but I can't recall where I've seen her before."

A group of people from the Heavenly Wave Mansion made Tang Xiao Xiao the topic of their discussion.

All of a sudden, a Bodiless Celestial from the Heavenly Wave Mansion who was staring at the dagger in Tang Xiao Xiao's hand exclaimed in surprise, "It seems like her dagger is a Celestial Supreme Treasure!"

Everyone's attention was instantly drawn to the dagger in Tang Xiao Xiao's hand.

Soon after, a few Bodiless Celestials confirmed that Tang Xiao Xiao's dagger was a Celestial Supreme Treasure. Their eyes were filled with greed, revealing their intention to snatch the dagger away from her. "Indeed. It's a Celestial Supreme Treasure!"

While everyone's attention was focused on Tang Xiao Xiao's Celestial Supreme Treasure, a young disciple from Heavenly Wave Mansion raised his eyebrows as he cried out, "S-she's Tang Xiao Xiao! She's Tang Xiao Xiao! I've seen her once! She's Tang Xiao Xiao, the strongest person among the younger generation in Tang Sect."

As soon as this young man spoke, many who found Tang Xiao Xiao familiar finally realized who she was.

“Why did she trespass into our Heavenly Wave Mansion?” Some disciples of the Heavenly Wave Mansion were slightly puzzled since they were unaware of what had happened. They were still under the impression that Tang Xiao Xiao was their Young Mansion Master’s fiancée.

“You must be unaware that the engagement between Tang Xiao Xiao and our Young Mansion Master has been unilaterally broken by the Tang Sect! Therefore, our old ancestor went to the Tang Sect and killed their Supreme Elder, Tang Zhong Yi, as a punishment!” Disciples who were well-informed whispered, explaining what had happened to those who were unaware of the latest development.

“No way! How did things escalate to that?”

“This is huge news! I can’t believe I didn’t hear about it!”

“Then, what does she plan to do in our Heavenly Wave Mansion? Is she here to seek revenge for her old ancestor?”

Many of them who had just learned of what happened were stunned when they heard about what had happened.

There were also those who were aware of the relationship between Tang Xiao Xiao and Tang Zhong Yi, the Supreme Elder of Tang Sect, who was killed by the old ancestor from the Heavenly Wave Mansion. They looked at Tang Xiao Xiao as though she was an idiot.

At this moment, a voice laden with contempt rang in the air. “Tang Xiao Xiao!”

Swoosh!

A young man dressed in brocade robes appeared with light movements. As soon as he appeared, many people began to bow respectfully at him, revealing his identity as Yang Yu Ting, the Young Mansion Master of Heavenly Wave Mansion. This person used to be Tang Xiao Xiao’s fiancé.

“Young Mansion Master!”

“Young Mansion Master!”

Yang Yu Ting’s eyes were filled with mockery as he said teasingly, “Hmm? Did you come to the Heavenly Wave Mansion because you regret your actions? Let me guess, you no longer plan to break our engagement.” He had been furious when he learned that the Tang Sect wanted to break his engagement. His anger was only vented when the old ancestor from the mansion killed Tang Zhong Yi. At that time, he knew there was no chance for him to be with Tang Xiao Xiao. After all, he knew her character well. It was even more unlikely that she would marry him after the old ancestor from the Heavenly Wave Mansion killed Tang Zhong Yi!

For this reason, Yang Yu Ting was only teasing Tang Xiao Xiao. Naturally, he knew that she had come to look for trouble since she had killed so many of their patrolling disciples. It was clear she had found out that the old ancestor from the Heavenly Wave Mansion had killed her ancestor.

As soon as Tang Xiao Xiao saw Yang Yu Ting, she stopped her fight with the Five Tribulation Bodiless Celestial. Her eyes burned with anger as she lunged at Yang Yu Ting. "Yang Yu Ting!"

Yang Yu Ting's expression changed drastically when he saw this. After all, even with the help of his Celestial Supreme Treasure, his strength was only comparable to a Four Tribulation Bodiless Celestial. He was no match for Tang Xiao Xiao who possessed a Celestial Supreme Treasure as well and had strength comparable to a Five Tribulation Bodiless Celestial. He only sighed in relief when a few figures suddenly flashed and appeared in front of him.

These figures belonged to a few Five and Six Tribulation Bodiless Celestials. It was clear they had come to protect Yang Yu Ting. All of them glared at Tang Xiao Xiao at this moment. They looked at her as though she was a dead man walking as they spoke on after another.

"Tang Xiao Xiao, let's fight to the death here!"

"Based on your strength, death is your only outcome after trespassing into the Heavenly Wave Mansion!"

"Kneel and beg for forgiveness from Young Mansion Master. Perhaps, he'll grant you a quick death!"

Yang Yu Ting, who was being shielded by the Five and Six Tribulation Bodiless Celestials, said arrogantly, "Tang Xiao Xiao, you b*tch! You're feeling regretful now, aren't you? Why didn't you accept my proposal? It's a blessing for you that I, Yang Yu Ting, had taken a liking to you. Not only did you not cherish it, but you even broke off our engagement. How ridiculous!"

Tang Xiao Xiao looked at Yang Yu Ting coldly as she said in a harsh tone, "Yang Yu Ting, if you're a man, come out and fight with me until one of us dies!"

Yang Yu Ting only scoffed in response to Tang Xiao Xiao.

Tang Xiao Xiao turned to look at Duan Ling Tian who was standing nearby and said in a pleading tone, "Duan Ling Tian, I want to kill him with my own hands. Please help me!"

The people from the Heavenly Wave Mansion finally discovered Tang Xiao Xiao did not come alone. Due to Tang Xiao Xiao's attack and Celestial Supreme Treasure, many of them had overlooked the purple-clad young man's presence.

Under everyone's watchful eyes, Duan Ling Tian said domineeringly, "Get out of the way if you want to live!"

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

Thousands of sword rays shot out of Duan Ling Tian's fingertip before they formed a Sword Battle Formation. Then, it shot toward the Five and Six Tribulation Bodiless Celestials who were shielding Yang Yu Ting!

The Sword Battle Formation emitted an intimidating aura, causing the group of Bodiless Celestials to feel a frisson of fear. They instantly began to attack as well.

Boom! Boom! Boom! Boom! Boom!

Unfortunately, they were defenseless before the Formation and were easily defeated. All of the Five and Six Tribulation Bodiless Celestials who were injured began to throw up blood. They quickly retreated. They knew if they did not retreat, they would lose their lives to the Sword Battle Formation.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

The disciples from the Heavenly Wave Mansion watched in shock when they saw Duan Ling Tian's Sword Battle Formation was capable of easily forcing the Five and Six Tribulation Bodiless Celestials to retreat.

After Duan Ling Tian cleared the path for Tang Xiao Xiao, she looked at Yang Yu Ting coldly as she lunged at him. "Yang Yu Ting!"

Yang Yu Ting who was shocked silly by Duan Ling Tian's display of strength did not have time to defend against Tang Xiao Xiao and quickly fell into a disadvantageous position.

"Die!" Tang Xiao Xiao seized the opportunity as she slashed her dagger that seemed like a venomous snake at Yang Yu Ting's neck. There was no doubt he would die if the attack landed on him

At the critical moment, two voices roared in unison! At the same time, two waves of powerful and peerless energies shot out, clearly intending to stop Tang Xiao Xiao from killing Yang Yu Ting.

"Stop it!"

"Stop it!"

The two voices belonged to two Seven Tribulation Bodiless Celestials from the Heavenly Wave Mansion who had rushed here. They were almost successful in stopping Tang Xiao Xiao when something unexpected happened...

Chapter 2548 Yang Qing Jian, The Mansion Master of Heavenly Wave Mansion

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

The sounds of sword whistling rang in the air as Duan Ling Tian's Sword Battle Formation that had dimmed down after clearing a path for Tang Xiao Xiao began to shine dazzlingly. In just an instant, it flew toward Tang Xiao Xiao and Yang Yu Ting's direction.

Boom! Boom! Boom! Boom! Boom!

A series of deafening explosions rang in the air as Duan Ling Tian's Formation destroyed the two waves of energy that stopped Tang Xiao Xiao from killing Yang Yu Ting.

Although the two waves of energy were powerful since they were from two Seven Tribulation Bodiless Celestials, it still did not stop the Sword Battle Formation from dispelling them. When the attacks collided, a shockwave rippled through the surroundings.

Rrrpp! Rrrpp! Rrrpp!

Meanwhile, multiple hideous and horrific void tears appeared, looking like giant pythons in the void.

Although Duan Ling Tian's current strength was more than enough for him to easily crush the two Seven Tribulation Bodiless Celestials, he did not display his full strength. He did not wield his Celestial Supreme Treasure nor did he cast the Thirteen Green Lotus Swords. When he stopped the two Seven Tribulation Bodiless Celestials' attacks, he only used strength comparable to an ordinary Seven Tribulation Bodiless Celestials. It was enough to deal with the two Seven Tribulation Bodiless Celestials' hasty attacks.

The two Seven Tribulation Bodiless Celestials who had rushed here bellowed in unison as they glared at Tang Xiao Xiao without confirming who had stopped their waves of energies.

"Stop it!"

"How dare you!"

Nevertheless, Tang Xiao Xiao completely disregarded the two Seven Tribulation Bodiless Celestials. Instead, she slashed her dagger that seemed like a venomous snake at Yang Yu Ting's neck again. In just a blink of an eye, she had killed Yang Yu Ting who was still reeling from shock! However, she seemed to be dissatisfied even after she killed him. She mobilized her power again and destroyed his corpse as well. Although he did not kill her ancestor with his own hands, he had indirectly caused the death of her ancestor.

Meanwhile, the people from the Heavenly Wave Mansion who were present on the scene gasped in shock when they saw Tang Xiao Xiao had killed Yang Yu Ting, their Young Mansion Master.

The two Seven Tribulation Bodiless Celestials who had rushed here had frightened expressions on their faces. They knew their Mansion Master would not let them off lightly for failing to protect their Young Mansion Master, resulting in their Young Mansion Master's death. In order to redeem themselves, they flew out, and their energies shrouded Tang Xiao Xiao in just an instant.

"How dare you kill our Young Mansion Master! You're seeking death!"

"Die!"

The majority of the people from the Heavenly Wave Mansion were certain Tang Xiao Xiao would die. Although Tang Xiao Xiao's companion had stopped the two Seven Tribulation Bodiless Celestials earlier, they did not think her companion would be able to save her. After all, her companion's strength seemed to only be comparable to an ordinary Seven Tribulation Bodiless Celestial. How could one Seven Tribulation Bodiless Celestial go against two Seven Tribulation Bodiless Celestials?

Meanwhile, Tang Xiao Xiao remained calm and unmoved when she saw the two Seven Tribulation Bodiless Celestials fiercely charging at her. It seemed like she was not frightened by them.

When Duan Ling Tian saw the two Seven Tribulation Bodiless Celestials approaching Tang Xiao Xiao and their energies were about to hit her like a giant hammer, he said coldly, "Let's see who's seeking death!"

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

At the same time, the Sword Formation Battle left ten afterimages in its wake as it brought Duan Ling Tian to Tang Xiao Xiao's side in just a blink of an eye.

Duan Ling Tian's speed was so fast that the two Seven Tribulation Bodiless Celestials could not even react in time. Their expressions changed drastically when a purple-clad young man seemingly appeared out of thin air before them.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

The two Seven Tribulation Bodiless Celestials were still stunned when Duan Ling Tian's Sword Battle Formation that seemed to transform into the scythe of death shot out and killed them.

Blood splattered in the air when Duan Ling Tian killed the two Seven Tribulation Bodiless Celestials!

"W-what!"

"H-how is that possible?"

The Five and Six Tribulation Bodiless Celestials from the Heavenly Wave Mansion were the first to regain their senses. They broke out in cold sweat when they watched how easily Duan Ling Tian had killed the two Seven Tribulation Bodiless Celestials. These Bodiless Celestials were the ones who were forced to retreat by Duan Ling Tian when they had shielded Yang Yu Ting earlier. Upon seeing this, they knew they would not have been able to escape death if Duan Ling Tian really intended to kill them.

"Who's he?"

"Did Tang Xiao Xiao enlist his help to seek revenge here?"

"No wonder Tang Xiao Xiao dares to come here alone. As it turns out, she found someone to help her!"

"She should know our old ancestor is a Nine Tribulation Bodiless Celestial. For her to boldly charge in here, is it possible that the purple-clad young man is a Nine Tribulation Bodiless Celestial?"

The people from the Heavenly Wave Mansion looked at Duan Ling Tian in fear when they regained their senses. They were afraid Duan Ling Tian would kill them as well.

Chills ran up the spines of the Five and Six Tribulation Bodiless Celestials when they heard the crowd speculate that Duan Ling Tian might be a Nine Tribulation Bodiless Celestial. They looked at Duan Ling Tian uneasily and fearfully.

A gust of wind blew violently as an earth-shattering roar resounded through the Heavenly Wave Mansion. "Ting'er!"

In just a few moments, a middle-aged man dressed in turquoise robes appeared before everyone's eyes. He was stout, his face was angular, and his brows were thick. He seemed like a man who had been in a position of power for a long time.

Upon seeing the middle-aged man, everyone from the Heavenly Wave Mansion bowed respectfully.

"Lord Mansion Master!"

"Lord Mansion Master!"

“The Mansion Master of Heavenly Wave Mansion?” Duan Ling Tian raised an eyebrow. Based on the people’s greetings, it seemed like the turquoise-clad middle-aged man was Yang Qing Jian, the Mansion Master of Heavenly Wave Mansion.

Yang Qing Jian ignored the people in the surroundings and glared at Tang Xiao Xiao. “Tang Xiao Xiao, how dare you kill my son?” He was notified of his son’s death when his son’s Soul Pearl shattered. Through a Dao Talisman, he watched how his son was killed.

Tang Xiao Xiao sneered and said, “So what if I killed him? When the old fart from your mansion killed my old ancestor, you should’ve anticipated this!”

“Y-you!” Yang Qing Jian was enraged, but he tried to calm his anger. As the Mansion Master of Heavenly Wave Mansion, how could he not be able to guess that Tang Xiao Xiao had help since she was bold enough to storm into the Heavenly Wave Mansion’s estate and act so arrogantly? The purple-clad young man should be the one who was helping her. ‘I think this purple-clad young man should be a Nine Tribulation Bodiless Celestial!’ His thoughts were similar to the others.

Swoosh! Swoosh! Swoosh!

The sound of wind whistled in the air as a few Seven and Eight Tribulation Bodiless Celestials from the Heavenly Wave Mansion arrived. When they learned about what happened from the crowd, they looked at Duan Ling Tian fearfully.

Yang Qing Jian, the Mansion Master of the Heavenly Wave Mansion, looked at Duan Ling Tian and earnestly said, “Sir, I wonder what Tang Sect offered you for helping them? I, Yang Qing Jian, the Mansion Master of Heavenly Wave Mansion, promise that no matter what Tang Sect has offered you, I’m willing to double it! I only hope you won’t interfere in the matter between our Heavenly Wave Mansion and Tang Sect.” It was clear he thought Tang Sect had hired external help to deal with them.

Currently, everyone, including Yang Qing Jian, thought that Duan Ling Tian was a Nine Tribulation Bodiless Celestial. In fact, they would discover he was only an Eminent Celestial if they had probed him with their Divine Consciousness. However, who would dare to probe Duan Ling Tian’s cultivation base at this moment?

Chapter 2549 Killing A Nine Tribulation Bodiless Celestial

A Nine Tribulation Bodiless Celestial was the pinnacle of existence in mundane realms. To most people, such an existence was almost god-like. Now that the people from the Heavenly Wave Mansion thought Duan Ling Tian was a Nine Tribulation Bodiless Celestial, who would dare to risk offending him? Even another Nine Tribulation Bodiless Celestial would not have done so to avoid unnecessary trouble.

Duan Ling Tian smiled when he heard Yang Qing Jian’s offer. “You think I’ve been hired by the Tang Sect to follow Tang Xiao Xiao here?”

Upon hearing this, an ominous feeling rose in Yang Qing Jian’s heart. “Is that not the case?” He could not understand why a Nine Tribulation Bodiless Celestial would meddle in the matter between the Heavenly Wave Mansion and the Tang Sect if he was not hired by the Tang Sect.

Duan Ling Tian did not respond to Yang Qing Jian’s question. He only said nonchalantly, “Ask your mansion’s Nine Tribulation Bodiless Celestial to reveal himself.”

Yang Qing Jian was taken aback by Duan Ling Tian's words. He was becoming certain that Duan Ling Tian had come with ill-intentions. He quickly crushed a communication jade token to summon the old ancestor of the Heavenly Wave Mansion.

Whoosh! Whoosh! Whoosh!

Duan Ling Tian looked at the northeast direction. He could vaguely sense a strong aura that was speeding over here at an extremely fast speed.

It did not take long before an ancient voice that was filled with vigor rang in the air. "I know all the Nine Tribulation Bodiless Celestials in Yan Huang Realm even if I haven't met all of them. How should I address you?" An old man appeared like a ghost before everyone's eyes at this moment.

The group of Heavenly Wave Mansion's Bodiless Celestials followed Yang Qing Jian's lead and bowed at the old man. "Old ancestor!"

Meanwhile, the people from the Heavenly Wave Mansion who had not seen the old man before were stunned. When they regained their senses, they quickly bowed respectfully as well.

The old man was the patron of the Heavenly Wave Mansion, a Nine Tribulation Bodiless Celestial who was a pinnacle of existence in the mundane realms! He was dressed in a long grey robe. His body and appearance were extremely ordinary. He looked no different from an ordinary old man.

The old man nodded in response to the greetings before he shifted his attention back to Duan Ling Tian.

This confrontational scene caused the onlookers to hold their breaths in fear. After all, those two were Nine Tribulation Bodiless Celestials. They silently waited for Duan Ling Tian to reply to their old ancestor.

Contrary to expectations, Duan Ling Tian replied indifferently, "It's not necessary for a dead man to know my name."

Everyone was shocked by Duan Ling Tian's words! How could he be so arrogant even when faced with their ancestor who was also a Nine Tribulation Bodiless Celestial?

The old man was also taken aback. When he regained his composure, he sneered. "A dead man? Me? Let alone the other Nine Tribulation Bodiless Celestials in Yan Huang Realm, even the strongest Nine Tribulation Bodiless Celestial from the Gongsun family wouldn't dare to carelessly say he's able to kill me. And yet, someone like you is confident you're capable of that..."

The onlookers from the Heavenly Wave Mansion looked at Duan Ling Tian as though he was an idiot. They thought he was foolishly arrogant as well.

"He's too naive!"

"Does he really think that our ancestor is so weak?"

"Just because he's a Nine Tribulation Bodiless Celestial, he thinks he's invincible?"

Duan Ling Tian only scoffed in response before he began to make his move.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

The ear-piercing sounds of swords whistling rang in the air as energy surged from Duan Ling Tian's body and turned into millions of sword rays. In just a blink of an eye, the sword rays fused together and formed a Sword Battle Formation. The Formation flew toward the old man instantly as clones of it began to appear.

This was Duan Ling Tian's strongest attack. He had used his assist-type Divine Ability, the Elementary Devouring Tactic, the highest stage of the Sovereign Heart Sword, and his offensive Divine Ability, the Thirteen Green Lotus Swords.

The dozen or so clones from the Sword Battle Formation was part of the effect of the Thirteen Green Lotus Swords.

Initially, when the clones of the Sword Battle Formation appeared, the old ancestor of the Heavenly Wave Mansion had sneered. "The might is just comparable to the strongest attack of an ordinary Seven Tribulation Bodiless Celestial."

However, the old man's smile froze on his face when he saw the clones merging with the Sword Battle Formation, increasing its force to a terrifying level. His expression changed to one of shock and fear. "How's this possible?" He quickly took out a seven-foot-long spear and waved it in the air.

'A Celestial Supreme Treasure?' Duan Ling Tian easily identified the spear as a Celestial Supreme Treasure. However, he did not seem to care about it.

'Ten Thousand Soldiers Surrender!' With just a single thought, the Sword Battle Formation that was flying toward the Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion suddenly emitted a strange and mysterious energy. The energy shot out and snatched the old man's Celestial Supreme Treasure away in just a blink of an eye.

The Nine Tribulation Bodiless Celestial's hand was injured by his Celestial Supreme Treasure being snatched away. His expression changed drastically as he cried out, "What's going on?" He did not expect his Celestial Supreme Treasure would be so easily snatched away! Who was this purple-clad young man? What technique did he just use?

Bang! Bang! Bang! Bang! Bang!

As a Nine Tribulation Bodiless Celestial, he regained his composure quickly. A seven-foot-long spear formed from his energy quickly appeared in his hand. He jabbed the spear forward to parry the formidable incoming Sword Battle Formation.

Both the Sword Battle Formation and the seven-foot-long spear left hideous tears in the void. However, it was very obvious that the cracks left behind by Duan Ling Tian's Sword Battle Formation were far longer and wider.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

In a blink of an eye, the Sword Battle Formation collided with the seven-foot-long spear. Although the Formation's light slightly dimmed, it did not even pause as it easily overwhelmed the seven-foot-long

spear before it crashed onto the Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion like a wave.

Before the Nine Tribulation Bodiless Celestial died, his cry of despair rang in the air hauntingly. “No!”
Boom! Boom! Boom! Boom! Boom!

Meanwhile, the remnant of Duan Ling Tian’s attack wreaked havoc in the Heavenly Wave Mansion’s estate. Many buildings crashed to the ground. Some disciples whose cultivation bases were weaker were even seriously injured. Those with a stronger cultivation base had to retreat far away to avoid being affected.

Whoosh! Whoosh! Whoosh!

After the remnant power from Duan Ling Tian’s attack faded away, only the sound of wind blowing could be heard.

When the chaos died down, the people from the Heavenly Wave Mansion saw the purple-clad young man standing nearby like an invincible god. Meanwhile, their ancestor had disappeared without a trace.

Yang Qing Jian, the Mansion Master of Heavenly Wave Mansion, cried out in despair, “Old ancestor!” A shattered Soul Pearl could be seen in his hand.

At the same time, an Eight Tribulation Bodiless Celestial cried out as well, “Our old ancestor is dead!”

Upon hearing this, everyone from the Heavenly Wave Mansion realized their ancestor had died.

Chapter 2550 Rose to Fame After The Figh

“The ancestor is dead?!”

“TT-This... Am I dreaming?”

“No... This is not a dream! It’s reality!”

“Heavens! The ancestor is a Nine Tribulation Bodiless Celestial, but he was killed by the purple-clad young man in just a blink of an eye!”

When the people from the Heavenly Wave Mansion regained their senses, they felt as though they were having a nightmare. The ancestor of the Heavenly Wave Mansion was a Nine Tribulation Bodiless Celestial, an existence at the pinnacle in the mundane realms. And yet, such an existence was killed in just an instant!

“Is he even human?”

“Can a Nine Tribulation Bodiless Celestial kill another Nine Tribulation Bodiless Celestial with such ease?”

“Is he only a Nine Tribulation Bodiless Celestial?”

The people from the Heavenly Wave Mansion looked at Duan Ling Tian in shock and disbelief. If the Eight Tribulation Bodiless Celestial from their mansion, a Supreme Elder, did not personally say their ancestor was dead, they would not believe that their ancestor had died so easily. Prior to today, their

ancestor was like a god-like existence in their eyes after all. They did not expect someone would be able to kill their ancestor.

Meanwhile, Tang Xiao Xiao who was standing next to Duan Ling Tian fell to her knees and kowtowed in the direction of the Thousand Opportunities Galaxy where Tang Sect was located. Tears streamed down her beautiful face as she murmured, "Ancestor, did you see it? The old fart who killed you is dead! You can now rest in peace in the afterlife"

"My condolences, may he rest in peace!" Duan Ling Tian consoled Tang Xiao Xiao.

"En!" Tang Xiao Xiao nodded. After she rose to her feet, she added, "Let's go..."

Duan Ling Tian swept a glance at the people from the Heavenly Wave Mansion, slightly surprised that Tang Xiao Xiao planned to let these people go.

Those who caught Duan Ling Tian's eyes looked as though they had seen the Grim Reaper. They were frightened out of their wits. The purple-clad young man had easily killed their ancestor who was a Nine Tribulation Bodiless Celestial, it would be extremely easy for him to kill them.

Even Yang Qing Jian, the Mansion Master of the Heavenly Wave Mansion, and the other Eight Tribulation Bodiless Celestials looked at Duan Ling Tian in fear, afraid he would attack them next. They had witnessed Duan Ling Tian's strength and knew that it would be as easy as killing an ant if he intended to kill them!

Tang Xiao Xiao was not one who would kill indiscriminately. When she saw the people from the Heavenly Wave Mansion trembling in fear when they looked at Duan Ling Tian, she lost all interest in pursuing the matter. "Since the culprit and the instigator are dead, as long as they stand aside and don't cause trouble when we leave, I suggest letting them go."

"En." Duan Ling Tian nodded and respected Tang Xiao Xiao's wishes. However, he did not wish to bring calamity to the Tang Sect. After all, there was only one Eight Tribulation Bodiless Celestial in the Tang Sect now while the Heavenly Wave Mansion still had two Eight Tribulation Bodiless Celestials. Although it would be difficult for the Heavenly Wave Mansion to annihilate the Tang Sect now, they could still cause considerable trouble. Hence, he said as he looked at Yang Qing Jian, the Mansion Master of the Heavenly Wave Sect, "From today onward, if the Heavenly Wave Mansion insists on holding a grudge against the Tang Sect, I, Duan Ling Tian, will rain disaster upon the mansion and annihilate every single soul in the mansion!"

Although Yang Qing Jian felt humiliated by Duan Ling Tian's threat, he still nodded obediently. After all, he was inferior to Duan Ling Tian. Duan Ling Tian could even kill a Nine Tribulation Bodiless Celestial. It would not take much effort from Duan Ling Tian to completely annihilate the Heavenly Wave Mansion. Since it seemed like Duan Ling Tian had no interest in destroying the Heavenly Wave Mansion now, it was only wise for him to agree to Duan Ling Tian's condition.

The remaining people from the Heavenly Wave Mansion did not even dare to let out a squeak. Some of them even sighed in relief when they realized Duan Ling Tian did not plan to kill them.

"Let's go," Duan Ling Tian said with a smile as he turned to Tang Xiao Xiao.

After both of them had left, the people from the Heavenly Wave Mansion sighed in relief.

“Mansion Master, who’s that guy? He’s able to forcefully snatch the ancestor’s Celestial Supreme Treasure and kill him in a blink of an eye!” The Eight Tribulation Bodiless Celestial, a Supreme Elder of Heavenly Wave Mansion, asked as he looked at Yang Qing Jian with a fearful expression on his face. Naturally, his fear was due to Duan Ling Tian, not Yang Qing Jian.

“I don’t know,” Yang Qing Jian shook his head and said, “According to him, he’s Duan Ling Tian. I’ve never heard of anyone like that in our Yan Huang Realm!” His voice trembled as he continued to say, “Just like the ancestor had said, even the strongest Nine Tribulation Bodiless Celestial in Yan Huang Realm from the Gongsun family wouldn’t be able to kill him so easily!”

Duan Ling Tian’s display of strength had completely crushed all of Yang Qing Jian’s thoughts of revenge.

“Duan Ling Tian...” The Eight Tribulation Bodiless Celestial muttered under his breath. Then, he turned to look at the others and asked, “Has anyone of you heard about him?”

Everyone shook their heads.

The members from the Heavenly Wave Mansion who had gone to the Beyond Heaven Secret Zone had yet to return. Otherwise, they would be able to tell these people about Duan Ling Tian. It would not be difficult for them to make the connection that the person who killed their ancestor and the famous person in the Beyond Heaven Secret Zone were the same person. After all, the techniques Duan Ling Tian used were the same!

At this moment, Yang Qing Jian, the Mansion Master of Heavenly Wave Mansion, looked at everyone and said in a deep voice that brooked no arguments, “Everyone! Swear on the lightning penalty oath! You’re not allowed to disclose what happened today to a single soul. Otherwise, you’ll be killed.” He had made the decision to force everyone to take an oath to contain the secret that the ancestor of the Heavenly Wave Mansion had died. After all, much of their strength and status came from the Nine Tribulation Bodiless Celestial ancestor. If news of this leaked, the mansion would definitely deteriorate to the level of the Tang Sect. Although Tang Sect could be considered as a first-rate force in Yan Huang Realm, it was like a minnow among the truly strong forces.

Boom! Boom! Boom! Boom! Boom!

Claps of thunder rumbled non-stop in the Heavenly Wave Mansion for half an hour before they died down.

Unfortunately, Yang Qing Jian was unaware that prior to taking the lightning penalty oath, many people had already leaked news of what happened through communication jade tokens. Half a month had passed before he was made aware of this. At that time, it was too late for him to do anything.

News of Duan Ling Tian killing the Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion for the Tang Sect spread like a wildfire in the Heavenly Wave Galaxy and the neighboring galaxies.

“The Nine Tribulation Bodiless Celestial from the Heavenly Wave Mansion was killed by a purple-clad young man in their estate in front of the Mansion Master and members of the mansion! The purple-clad young man said he’s Duan Ling Tian!”

“I heard Duan Ling Tian is a mercenary whom Tang Xiao Xiao from the Tang Sect hired. I suspect he’s even stronger than that person from the Gongsun family!”

“That person from the Gongsun family is widely acknowledged as the strongest Nine Tribulation Bodiless Celestial in Yan Huang Realm. Even someone like that wouldn’t carelessly say he’s able to easily kill another Nine Tribulation Bodiless Celestial!”

“According to rumors, Duan Ling Tian has mastered a very mysterious technique. The Sword Formation he used is made from tens of thousands of sword rays and can snatch his opponents’ Celestial Supreme Treasure.”

“I heard he used this technique to snatch the Celestial Supreme Treasures from the Heavenly Wave Mansion’s Nine Tribulation Bodiless Celestial before he killed him.”

When the rumors finally reached the Thousand Opportunities Galaxy where the Tang Sect was located, Tang Chong, the Sect Leader of Tang Sect, was dumbfounded.

“That... That Duan Ling Tian really killed that old guy from Heavenly Wave Mansion? Unbelievable!” He was speechless even though he had seen Duan Ling Tian’s strength in the past. When he regained his senses, he murmured to himself, “Xiao Xiao has made an amazing friend.”
