

Sovereign 4201

Chapter 4201 Duan Ling Tian's Speculation

‘They... Did they decide to join forces?’

The imminent Supreme God felt fear rise in his heart when he thought about this. Still feeling slightly skeptical, he continued thinking, ‘However, although Duan Ling Tian is stronger than me, someone like Lang Chun Yuan should disdain to join forces with Duan Ling Tian, right? Unless... Duan Ling Tian helped her kill the other two demon beasts...’

The imminent Supreme God was aware that someone had been fighting fiercely with the nine demon beasts for several days previously. He also heard that not long after Duan Ling Tian arrived, two of the nine demon beasts died while the others were defeated.

‘However, even if they agreed to work together... it’ll only be temporary, right? Lang Chun Yuan won’t let him go in the end...’

With this thought in mind, the imminent Supreme God felt slightly better. His eyes gleamed coldly as he shifted them back to Duan Ling Tian before he said, “Duan Ling Tian, alliances in the canyon are temporary most of the time. Do you think you’ll be able to live after we die? How ridiculous.”

At this moment, the two imminent Supreme Gods were certain that Duan Ling Tian would die after them.

The injured Emperors of Gods felt the same way as well.

“Although we can’t escape death today, we’ll die in peace knowing that a prodigy like Duan Ling Tian will accompany us in our deaths!”

“That’s right! Duan Ling Tian, we won’t be lonely in the afterlife since you’ll be accompanying us!”

“Duan Ling Tian, you won’t be the final winner, after all!”

These people knew they were going to die. Even if Lang Chun Yuan could not kill them due to the rule, she could make Duan Ling Tian or use the seven demon beasts to kill them. Perhaps, that was the reason she spared Duan Ling Tian and the seven demon beasts until now instead of killing them.

Duan Ling Tian was slightly stunned when he heard those words. When he recovered, he could not help but laugh before he asked, “All of you think that I’ll die?”

Lang Chun Yuan smiled contemptuously as she said, “Fools! He’s my junior brother, my only junior brother. I cherish him and care about him. Why would I kill him? Do you know why I dealt with those three rudimentary Supreme Gods first instead of killing all of you first? It’s because they wanted to kill my junior brother!” After a beat, she added, “All of you are really foolish!”

The two imminent Supreme Gods and the Emperors of Gods from the three Divine Kingdoms were shocked and speechless upon hearing Lang Chun Yuan’s words.

“How’s this possible?!”

“Duan Ling Tian is Lang Chun Yuan’s junior brother?”

“They’re representing different Divine Kingdoms, right? How’s this possible?”

None of them expected this at all. It was beyond their imaginations that Lang Chun Yuan and Duan Ling Tian had such a relationship. With this revelation, they realized how absurd their previous thoughts were. How could Duan Ling Tian die? Or more accurately, how could Lang Chun Yuan kill Duan Ling Tian?

After a moment, an advanced Emperor of Gods suddenly shouted, “Kill him! Let’s drag him down with us!”

Following that, the advanced Emperor of Gods flew toward Duan Ling Tian, disregarding his injuries. His eyes were bloodshot as he desperately attacked Duan Ling Tian.

With just a strike of his sword, Duan Ling Tian easily killed the advanced Emperor of Gods. Then, he said indifferently, “An injured advanced Emperor of Gods thought he could kill me? Even if the two imminent Supreme Gods and all of you injured people join forces, you still won’t be able to kill me.”

As soon as Duan Ling Tian’s voice fell, Lang Chun Yuan scoffed before she said, “A group of nobodies like you dares to target my junior brother?”

Without waiting for a reply, Lang Chun Yuan attacked immediately. A terrifying destructive energy swept out, injuring the two imminent Supreme Gods.

As soon as the two imminent Supreme Gods’ expressions changed, Duan Ling Tian made a move as well.

Swoosh!

Duan Ling Tian's movements were graceful as he flew toward the imminent Supreme Gods and Emperors of Gods. He was like a wolf charging toward a flock of sheep.

At the same time, seven-colored sword rays shot out, killing an Emperor of Gods each time Duan Ling Tian attacked.

The two imminent Supreme Gods, who were just injured by Lang Chun Yuan, were powerless against Duan Ling Tian.

In less than a quarter of an hour, Duan Ling Tian killed the two imminent Supreme Gods and Emperors of Gods.

Beams after beams of light shone down on Duan Ling Tian from the sky.

Duan Ling Tian, who had felt distressed about the rewards he had wasted earlier, easily regained more than what he had used earlier. A smile bloomed on his face immediately.

After a while, Lang Chun Yuan said, "Junior brother, you should continue healing your injuries. After that, you can kill the demon beasts. It's said that if one passes the ultimate test in Destiny Canyon, one will be handsomely rewarded by the God of Creation. I wonder if you and I will become advanced Emperor of Gods and intermediate Supreme God respectively after we receive the reward?"

The corners of Duan Ling Tian's mouth twitched when he heard Lang Chun Yuan's words. Then, he said, "Fourth Senior Sister, don't you think you're being too greedy? You're thinking about becoming an intermediate Supreme God when you've just become a rudimentary Supreme God not too long ago."

Despite those words, Duan Ling Tian could not help but wonder if there was a chance he could break through the realm of an advanced Emperor of Gods as well.

Subsequently, Duan Ling Tian sat cross-legged and began to heal his injuries again. At the same time, after thinking about it for a while, he finally concluded that it was impossible for him to become an advanced Emperor of Gods so soon. He could already be considered very lucky if his progress reached the halfway point of a breakthrough.

In any case, these were just speculations. Duan Ling Tian did not even know what kind of reward the supreme powerhouses would give for killing the demon beasts.

The more Duan Ling Tian thought about how supreme powerhouses were able to raise other people's strength so greatly, the more terrified he was of them. He wondered if they created the rewards as well. If so, their descendants must be terrifyingly strong as well.

After thinking about it for a while, although he was not certain, he felt that there had to be a limit to the supreme powerhouses' help. Otherwise, the members of the forces with connections to supreme powerhouses in the Devata Realms would have long been sent to the Realms of Gods by the supreme powerhouses to enter places like the Realm Battlefield and the Trial of Gods.

'If there are restrictions, I wonder what kind of restrictions they are...'

Duan Ling Tian grew more and more curious about the rewards in general. After all, unlike the Trial of Gods, one would not be rewarded for killing in the Realms of Gods.

‘I can’t figure it out. It’s too confusing. Perhaps, I’ll be fortunate enough to meet a supreme powerhouse willing to answer my questions in the future. At that time, I’ll be able to ask about the rewards. I’m sure the answer won’t be simple. I also wonder why the Realms of Gods don’t have such a system...’

Duan Ling Tian was aware that the reward system existed in three places even if the system was different in each place. The three places were the Realm of Battlefield, the Trial of Gods, and the Supreme Powerhouse Relic like the one owned by the Inner Palace faction of the Myriad Laws Academy. At least, these were the places that he was aware of.

Since the reward system did not exist in the Realms of Gods, Duan Ling Tian theorized that there were limits to how much the supreme powerhouses could help cultivators.

‘Forget it. Let’s not think about it anymore. It’s useless to think about these things now. It’s better for me to focus on growing stronger! I’ll naturally have the answer to these questions when I become a supreme powerhouse in the future...’

Duan Ling Tian had never doubted that he would become a supreme powerhouse in the future. He had to become a supreme powerhouse no matter what. Perhaps, he would finally be able to relax at that time.

In the past, Duan Ling Tian was not so ambitious. After taking Ke’er away from the Divine Offering Land, he planned to bring his wives, children, parents, and close friends to live in seclusion. However, as he spent more time in the Realm of Gods, he experienced the mysterious power of the supreme powerhouses. This made him feel insecure; it was as though he would never be safe if he did not become a supreme powerhouse. He thought that by becoming a supreme powerhouse, he would truly be able to protect his loved ones.

...

Outside of Destiny Canyon.

Two spatial tears appeared in the air at almost the same time. Following that, two figures were pushed out by a huge force.

The Lords of the various Divine Kingdoms, who were resting, cultivating, and chatting just a moment ago, turned to look at them in unison.

When the Lord of the Rameau Divine Kingdom saw one of the figures, his eyes lit up as he asked excitedly, “Yu Lin, you broke through?”

Soon after, the Lord of another Divine Kingdom exclaimed in surprise, “Mansion Master Han, you entered the realm of a Supreme God?”

Unlike the two happy Lords, the remaining 23 Lords of the Divine Kingdoms frowned slightly. They were aware that the duo’s breakthrough meant that the duo obtained two of the six Earth Flaming Buddha Lotuses in Destiny Canyon. Without the Earth Flaming Buddha Lotuses, they knew it would be impossible for the duo to become a Supreme God due to them reaching their limits.

For example, He Yu Lin and the other rudimentary Supreme God could survive their Heavenly Tribulations for another three or four thousand at most before he died.

At the same time, the duo wore dark expressions on their faces. After all, they were forced to leave Destiny Canyon.

Seeing the duo's sour expressions, a few of the Lords of the Divine Kingdoms raised an eyebrow curiously.

“What's the matter?”

He Yu Lin looked at the Lord of the Rameau Divine Kingdom and said bitterly, “Lord, at least half the participants from our Rameau Divine Kingdom died...”

He Yu Lin did not say that his estimate was rather conservative.

Upon hearing He Yu Lin's words, the expression of the Lord of the Rameau Divine Kingdom changed immediately.

Chapter 4202 How Did Things Turn Out This Way?

At least half of the people from the Rameau Divine Kingdom died in Destiny Canyon?

The joy on the face of the Lord of the Rameau Divine Kingdom vanished immediately and was replaced by an expression of disbelief upon hearing He Yu Lin's words.

Those outside of Destiny Canyon had no way of knowing what was happening in Destiny Canyon. They could only wait for the participants to leave Destiny Canyon to find out about what happened.

In the history of the Battle of the Divine Kingdoms, it was rare for a Divine Kingdom to lose half of its representatives. Perhaps, something like that would occur in one out of ten Battles of the Divine Kingdoms.

!!

After regaining his senses, the Lord of the Rameau Divine Kingdom hurriedly asked, “Yu Lin, why did you say that? Explain yourself.”

At this time, everyone’s attention was focused on He Yu Lin, curious about He Yu Lin’s words. They did not forget to observe a moment of silence for the Rameau Divine Kingdom.

“The Rameau Divine Kingdom suffered a huge loss this time. Although the kingdom gained a new Supreme God, the price is a little too high...”

Many Lords of the Divine Kingdoms agreed with these words. They also felt better about the emergence of a new rudimentary Supreme God in the Rameau Divine Kingdom.

The other rudimentary Supreme God who survived along with He Yu Lin was Han Shao Kun, a mansion master from the Rising Crag Divine Kingdom. At this time, he said to the Lord of the Rising Crag Divine Kingdom with a bitter expression on his face as well, “Lord, it’s the same for our Rising Crag Divine Kingdom as well... At least half our people died in there...”

Apart from those whom Han Shao Kun brought to the core of the heart of Destiny Canyon, many people from the Crag Rising Divine Kingdom were killed by Duan Ling Tian. If he counted those he brought to the core, more than half of their people died in Destiny Canyon.

As soon as Han Shao Kun’s words fell, the Lords of the Divine Kingdoms, including the Lords of the Rising Crag Divine Kingdom and the Rameau Divine Kingdom respectively, turned to look at Han Shao Kun.

After listening to He Yu Lin, the Lord of the Rameau Divine Kingdom had prepared to accept the fact that his Divine Kingdom was the most unfortunate one this time. He was surprised when he learned that there was another Divine Kingdom just as unfortunate as his. He felt somewhat comforted by this. At least, his Divine Kingdom was not the only one to lose half of its people in Destiny Canyon.

“What happened?” the Lord of the Rising Crag Divine Kingdom, who just had a moment of silence for the Rameau Divine Kingdom, asked with a grim expression on his face.

Han Shao Kun did not respond to the Lord of the Rising Crag Divine Kingdom immediately. Instead, he was looking at another Lord of a Divine Kingdom who was clearly trying to hold back his smile.

Upon noticing Han Shao Kun’s gaze, the Lord of the Divine Kingdom restrained his smile, and his expression returned to one of solemnity and calmness.

‘Stay calm, stay calm. I’m not happy because so many people from the Rameau Divine Kingdom and the Rising Crag Divine Kingdom died. I’m really not happy. Was I too obvious? I wasn’t too obvious, was I? Otherwise, the Lords of the Rameau Divine Kingdom and the Rising Crag Divine Kingdom would definitely be offended. By the way, why is Han Shao Kun looking at me like that? Don’t tell me the people of my Profound Law Divine Kingdom have something to do with the deaths of the people from the Rising Crag Divine Kingdom?’

The Lords of the various Divine Kingdoms naturally noticed this subtle exchange. They could not help but wonder as well if the Profound Law Divine Kingdom had anything to do with the deaths of the people from the Rising Crag Divine Kingdom in Destiny Canyon.

“Does the Profound Law Divine Kingdom have something to do with the deaths of the participants from the Rising Crag Divine Kingdom?”

“If that’s the case, then the Profound Law Divine Kingdom is too ruthless, right?”

“Perhaps, the high casualty is from trying to snatch the Earth Flaming Buddha Lotus away? Although the Rising Crag Divine Kingdom managed to obtain an Earth Flaming Buddha Lotus, it’s hard to say if they gained or lost...”

“The Profound Law Divine Kingdom is really ruthless...”

The Lord of the Rising Crag Divine Kingdom, who shared these thoughts as well, glared at the Lord of the Profound Law Divine Kingdom before he said sarcastically, “The Profound Law Divine Kingdom really performed well this time.”

Faced with the angry Lord of the Rising Crag Divine Kingdom, the Lord of the Profound Law Divine Kingdom remained patient as he calmly said, “Lord Yuan, it’s the norm to kill during the Battle of the Divine Kingdoms. Even if my people are responsible for the deaths of your people, you can only blame your people for being so desperate to obtain the Earth Flaming Buddha Lotus. They were all willing to risk their lives to obtain the lotus. Moreover, since one of your people managed to obtain the lotus and even became a rudimentary Supreme God as a result of that, you didn’t really suffer a loss, right?”

After saying that, the Lord of the Profound Law Divine Kingdom suddenly frowned. ‘If my people really killed so many people from the Rising Crag Divine Kingdom, they must have paid a hefty price as well, right? Moreover, the Flaming Earth Buddha Lotus was obtained by Rising Crag Divine Kingdom in the end. Moreover, there’s a possibility that Han Shao Kun was sent out of the canyon for killing people from my kingdom...’

The other Lords of the Divine Kingdoms thought about this as well and began to discuss among themselves.

“The Profound Law Divine Kingdom definitely suffered heavy losses as well this time...”

Upon hearing the discussions in his surroundings, the Lord of the Rising Crag Divine Kingdom raised an eyebrow. At the same time, he felt his anger gradually subsiding as well. He thought to himself, ‘That’s right. I should’ve thought about this. Although many of my people died, many people from the Profound Law Divine Kingdom must have died as well, right?’

At this time, Han Shao Kun, who had yet to have a chance to speak, finally said with a wry smile, “My lord, you’ve misunderstood... The deaths of our people have nothing to do with the Profound Law Divine Kingdom.”

“Hm?”

The Lords of the Divine Kingdoms, including the Lords of the Rising Crag Divine Kingdom and the Profound Law Divine Kingdom, were puzzled. They could not figure out what was going on.

Before Han Shao Kun had the chance to explain, He Yu Lin looked at the Lord of the Profound Law Divine Kingdom and said, “Lord Wu, Liu Xiao Feng from your Divine Kingdom managed to obtain an Earth Flaming Buddha Lotus and broke through to the realm of a rudimentary Supreme God just like me and Han Shao Kun. He...”

The Lord of the Profound Law Divine Kingdom was naturally surprised by these words. A surge of joy rose in his heart soon after hearing that one of his people broke through and become a rudimentary Supreme God. Moreover, his rudimentary Supreme God had yet to be sent out of Destiny Canyon. It was truly a pleasant surprise.

The Lord of the Profound Law Divine Kingdom nodded inwardly. 'Not bad, not bad. Since Xiao Feng is still in Destiny Canyon, it means that he's better than the Rameau Divine Kingdom's He Yu Lin and the Rising Crag Divine Kingdom's Han Shao Kun...'

With this thought in mind, the Lord of the Profound Law Divine Kingdom instinctively straightened his back, standing a little taller than before. Since he had such an excellent subordinate, he had to be more firm and maintain his image as well.

At the same time, the other Lords of the Divine Kingdoms looked at the Lord of the Profound Law Divine Kingdom with a hint of jealousy. Not only did someone from the Profound Law Divine Kingdom obtain an Earth Flaming Buddha Lotus and become a rudimentary Supreme God, but he was also still in Destiny Canyon, unlike He Yu Lin and Han Shao Kun who were sent out. As such, that person from the Profound Law Divine Kingdom could help his comrades obtain points, treasures, and fortuitous encounters even if he or she could not kill the other participants.

At this time, they were more jealous of the Profound Law Divine Kingdom than they were of the Rameau Divine Kingdom and the Rising Crag Divine Kingdom.

He Yu Lin, who did not have time to finish his words, was both frightened and at a loss when he saw the reactions of the Lords of the Divine Kingdoms. 'You've all misunderstood my words! That's not what I meant to say at all!'

Then, He Yu Lin and Han Shao Kun, who were standing across from each other, looked at each other blankly. They could not help but wonder why these people could not just listen to them properly without jumping to conclusions.

Although the other Lords of the Divine Kingdoms were jealous of the Lord of the Profound Law Divine Kingdom, they still congratulated him to show how magnanimous they were.

“Lord Wu, congratulations!”

“Lord Wu, your Profound Law Divine Kingdom has really stolen the limelight this time!”

“Lord Wu, I had no idea that Liu Xiao Feng is so capable. He’s able to stay in Destiny Canyon until now...”

However, inwardly, many of them were thinking to themselves, ‘The Profound Law Divine Kingdom performed very well this time. I’m not jealous. Not only that, but I also congratulated the Profound Law Divine Kingdom. As a leader of a Divine Kingdom, it’s only natural for me to be magnanimous. I’m really magnanimous.’

At the same time, He Yu Lin asked Han Shao Kun through Voice Transmission, “Should we... Should we explain ourselves?”

He Yu Lin really did not know if he should finish his words earlier. Based on how happy the Lord of the Profound Law Divine Kingdom looked at this moment, he was afraid that he was going to be beaten if he spoke up now to clear up the misunderstanding.

After a moment, He Yu Lin asked tentatively, “Otherwise, why don’t you explain it to him?”

“No way!” Han Shao Kun refused decisively. “He Yu Lin, if you had let me finish my words instead of interrupting me earlier, things wouldn’t have spiraled to this extent. You caused such a huge misunderstanding because you interrupted me. This is all on you. I won’t be your scapegoat.”

Han Shao Kun was not a fool, after all. If he cleared up the misunderstanding, there was a possibility that the Lord of the Profound Law Divine Kingdom might vent his anger on him.

Although the Lord of the Rising Crag Divine Kingdom would definitely protect him and there was no risk of death, he would still be injured.

He Yu Lin said with a hint of helplessness, “There isn’t anything wrong with what I said earlier. If they’d only let me finish my words. I wanted to tell him that Liu Xiao Feng is dead.” He sighed before he continued to say, “Liu Xiao Feng is the most unlucky one this time. He had only become a rudimentary Supreme God and could’ve left the canyon at any time, but he died instead.”

Liu Xiao Feng was the other rudimentary Supreme God who fought Lang Chun Yuan alongside He Yu Lin and Han Shao Kun in the core of the heart of Destiny Canyon. Alas, unlike He Yu Lin and Han Shao Kun, he died in Destiny Canyon.

After Liu Xiao Feng died, He Yu Lin and Han Shao Kun discovered they could not break Lang Chun Yuan’s Trap Formation so they decisively left Destiny Canyon.

He Yu Lin and Han Shao Kun really did not expect that after leaving Destiny Canyon, they would cause such a huge misunderstanding.

‘I have to make things clear no matter what. The Lord of the Profound Law Divine Kingdom would be angrier the longer I delay telling him the truth...’ Beads of cold sweat appeared on He Yu Lin’s forehead as he thought to himself, ‘I’ll inform the lord about this first so he can intervene in time if the Lord of the Profound Law Divine Kingdom attacks me.’

Chapter 4203 Shocking News

“My lord...”

He Yu Lin did not dare to wait any longer. If he waited any longer, the Lord of the Profound Divine Kingdom would definitely be angrier when he learned about the truth. He quickly explained everything to the Lord of the Rameau Divine Kingdom through Voice Transmission.

Initially, the Lord of the Rameau had been slightly envious of the Lord of the Profound Law Divine Kingdom. After all, although He Yu Lin became a rudimentary Supreme God, He Yu Lin was transported out of Destiny Canyon so quickly. Not only that, but half of his people had died. On the contrary, the rudimentary Supreme God from the Profound Law Divine Kingdom was still in Destiny Canyon. However, after listening to He Yu Lin, he felt better. Not only that, but he also suddenly felt that his Divine Kingdom did not perform too badly, after all.

After all, not only did the Profound Law Divine Kingdom lose a new rudimentary Supreme God, but the number of casualties of the people of the Profound Law Divine Kingdom in Destiny Canyon was no fewer than those of the Rameau Divine Kingdom and the Rising Crag Divine Kingdom.

!!

Finally, the Lord of the Rameau Divine Kingdom said to He Yu Lin, “I’ll tell him about this. I really don’t know how angry he’ll be after this. He won’t dare to make a move on me, but I can’t guarantee he won’t vent his anger on you. I’ll naturally protect you and you definitely won’t lose your life, but if he attacks, I can’t guarantee you won’t get injured.”

Upon hearing these words, He Yu Lin’s eyes lit up. He was relieved he did not have to clear up the misunderstanding. He hastily said, “Thank you, Lord!”

At the same time, the Lord of the Rising Crag Divine Kingdom, who was standing on the other side, had also learned about what happened to Liu Xiao Feng and the others from the Profound Law Divine Kingdom from Han Shao Kun. Similar to the Lord of the Rameau Divine Kingdom, he also felt much better and no longer as upset about his loss.

‘Our Rising Crag Divine Kingdom doesn’t seem too bad compared to the Profound Law Divine Kingdom...’

The Rising Crag Divine Kingdom turned to look at the Lord of the Profound Law Divine Kingdom, who was still smiling widely as he listened to the congratulatory words of the other Lords of the Divine Kingdoms, before he shook his head inwardly. 'Wu Yu will most likely go crazy after he learns of the truth.'

At this time, the Lord of the Rameau Divine Kingdom finally said loudly, overwhelming everyone's voices, "Everyone! Please stop congratulating Lord Wu. Yu Lin didn't have a chance to finish his words earlier..."

Needless to say, the words of the Lord of the Rameau Divine Kingdom instantly attracted everyone's attention.

The expression of Wu Yu, the Lord of the Profound Law Divine Kingdom, changed slightly as he wondered to himself, 'What does he mean? He Yu Lin didn't have a chance to finish his words earlier? What's the meaning of this?'

Wu Yu suddenly turned to look at He Yu Lin with burning eyes.

The Lord of the Rameau Divine Kingdom sighed before he said, "Lord Wu, my condolences..."

An ominous feeling rose in Wu Yu's heart as soon as he heard these words. However, he quickly reassured himself inwardly, 'Impossible, impossible. Xiao Feng has become a rudimentary Supreme God. Even if he's no match for his opponent, he can easily escape from his opponent. Moreover, he can leave Destiny Canyon with just a thought.'

The other Lords of the Divine Kingdoms looked at the Lord of the Rameau Divine Kingdom in confusion before they began to whisper among themselves.

“What does he mean?”

“Why is he offering his condolences to Lord Wu? Did many people from the Profound Law Divine Kingdom die in Destiny Canyon?”

“No matter how many people died, since Liu Xiao Feng is still in the canyon, the Profound Law Divine Kingdom is in a better place compared to the Rameau Divine Kingdom and the Rising Crag Divine Kingdom.”

Wu Yu was still reassuring himself inwardly, but the Lord of the Rameau Divine Kingdom’s next words ruthlessly shattered his hopes.

“Liu Xiao Feng is dead.”

Wu Yu’s expression changed drastically before his Divine Energy began to surge erratically. He exclaimed in disbelief, “Impossible! Liu Xiao Feng just became a rudimentary Supreme God! How can he die? Think about it! It’s impossible!”

Wu Yu did not wait for a reply before he turned to He Yu Lin and said, “You shouldn’t joke about something like that. Otherwise, even if you’re now a rudimentary Supreme God, I’ll teach you a lesson.”

He Yu Lin could only smile bitterly upon hearing Wu Yu’s words. There was nothing he could do if Wu Yu did not want to believe the truth.

At this time, the Lord of the Rising Crag sighed before he said, “Lord Wu. He Yu Lin isn’t joking. Shao Kun has already confirmed the matter. Liu Xiao Feng is undoubtedly dead. Both of them witnessed Liu Xiao Feng’s death. The three of them fought another person, and the other person killed Liu Xiao Feng. Seeing that made the both of them realize that they were no match for their opponent so they quickly left the canyon.”

Perhaps, if the Lord of the Rameau Divine Kingdom was the only one who spoke up, it would take some time to convince a few others. However, now that the Lord of the Rising Crag Divine Kingdom had spoken up, they no longer had any doubts.

Wu Yu seemed to have calmed down at this moment. However, his expression remained dark.

‘How’s this possible? Xiao Feng died even though he became a rudimentary Supreme God?’

The other Lords of the Divine Kingdoms were curious about this matter as well.

“Who killed him? An inhabitant of Destiny Canyon?”

At this time, a Lord of a Divine Kingdom said to comfort Wu Yu, “Although Liu Xiao Feng died, take comfort in the fact that you didn’t lose many of your people in the canyon. In comparison, the Rameau Divine Kingdom and the Rising Crag Divine Kingdom lost at least half of their people.”

Upon hearing these words, Wu Yu’s gloomy expression seemed to ease slightly.¹

‘That’s right. Although it’s a huge loss to lose Xiao Feng, the number of casualties is lower than those of the Rameau Divine Kingdom and the Rising Crag Divine Kingdom...’

At this time, the Lord of the Rameau Divine Kingdom looked at Guan Bao Yu, the Lord of the Jade Bow Divine Kingdom, with a complicated expression before he said, “Liu Xiao Feng was killed by Lang Chun Yuan. Lord Guan, your Divine Kingdom has stolen the limelight this time.”

Everyone turned to look at Guan Bao Yu.

Earlier, when Guan Bao Yu heard that He Yu Lin, Han Shao Kun, and Liu Xiao Feng joined forces to deal with an opponent, he had assumed their opponent was the strongest inhabitant in Destiny Canyon. He was naturally stunned when he heard the words of the Lord of the Rameau Divine Kingdom.

‘Lang Chun Yuan? She fought alone against three rudimentary Supreme Gods? Not only that, but she killed one of them and forced the other two to escape?’

Finally, Guan Bao Yu regained his senses and asked, “She broke through?”

Then, Guan Bao Yu looked at He Yu Lin, who was standing behind the Lord of the Rameau Divine Kingdom, for confirmation. He completely ignored Wu Yu’s frosty gaze. Killing and death had always been a part of the Battle of the Divine Kingdoms. Dying meant that one was simply not strong enough. Moreover, in the past, there were many people from the Jade Bow Divine Kingdom who were killed by the people from the Profound Law Divine Kingdom.

He Yu Lin smiled wryly and said, “That’s right. After she became a rudimentary Supreme God, she went to fight the strongest inhabitants of Destiny Canyon alone. Later on, with help from the Righteous Divine Kingdom’s Duan Ling Tian, she managed to defeat them.”

Duan Ling Tian's name was finally mentioned for the first time since He Yu Lin and Han Shao Kun were sent out of Destiny Canyon.

Many people subconsciously turned to look at Zhu Ying Jun, the Lord of the Righteous Divine Kingdom.

Zhu Ying Jun was slightly taken aback. He did not think that this matter had anything to do with his Righteous Divine Kingdom. He could not help but feel even more curious.

'Why did he join forces with the Jade Bow Divine Kingdom's Lang Chun Yuan? Was he forced or was he willing? Will Lang Chun Yuan turn on him after he helped her?'

With these thoughts in mind, Zhu Ying Jun grew worried. After all, he had high hopes for Duan Ling Tian. Most importantly, he had invested a lot in Duan Ling Tian. If Duan Ling Tian died, he would suffer a huge loss.

He Yu Lin continued to say, "Initially, Han Shao Kun, Liu Xiao Feng, and I planned to kill Duan Ling Tian. However, Lang Chun Yuan decided to protect Duan Ling Tian and prevented us from doing so..."

At this time, a Lord of a Divine Kingdom interjected, "Why did you target Duan Ling Tian? No matter how strong and talented he is, he's still a rudimentary Emperor of Gods. Did he obtain some rare treasure, incurring people's jealousy?"

The other Lords of the Divine Kingdoms looked at He Yu Lin immediately, anticipating his answer.

He Yu Lin smiled bitterly upon hearing the question. Then, he replied, “Duan Ling Tian was indeed a rudimentary Emperor of Gods before entering Destiny Canyon, but he’s now an intermediate Emperor of Gods. Moreover, he’s also completely stabilized his cultivation base in the realm of an intermediate Emperor of Gods. Currently, his strength is even stronger than that of an imminent Supreme God. He might even possess strength on par with an ordinary rudimentary Supreme God. He has been killing all the imminent Supreme Gods he encountered in the canyon as though he’s cutting weed. He’s now ranked first. Before I left, his points had already exceeded 10,000. I’m sure his points have risen since then...”

He Yu Lin recalled the advanced Emperors of Gods whom he, Han Shao Kun, and Liu Xiao Feng brought to the core of the heart of Destiny Canyon. He was quite certain that Duan Ling Tian must have already killed them. In a way, the three of them had helped Duan Ling Tian’s points to rise. Apart from that, he also thought that Duan Ling Tian would definitely survive unless Lang Chun Yuan decided to kill him.

After He Yu Lin finished speaking, silence descended immediately.

In fact, many people were not surprised that Duan Ling Tian was now an intermediate Emperor of Gods. They were more shocked by the fact that he had completely stabilized his cultivation base so soon after he had broken through. Although Duan Ling Tian had said that he would do so to the people from the supreme-rank force before entering Destiny Canyon, no one took him seriously. They did not expect him to do such a thing at all. Moreover, there was still a little time left before the Battle of the Divine Kingdom ended. This meant that Duan Ling Tian still had time to grow stronger. He might not be able to break through and become an advanced Emperor of Gods in Destiny Canyon, but he would definitely make a lot of progress toward breaking through to the realm of an advanced Emperor of Gods.

“Duan Ling Tian...” Zhu Ying Jun was stunned. Although he had high hopes for Duan Ling Tian, he was still shocked. When he recovered from the shock, he began to worry again.

‘However, will he be able to come out alive? He has so many points... What if Lang Chun Yuan covets them? Wait! Lang Chun Yuan is now a rudimentary Supreme God so she can’t kill him unless the canyon fails to send her out in time...’

After becoming a rudimentary Supreme God in Destiny Canyon, one would no longer be able to kill other participants below the realm of Supreme Gods. Before one could deal the killing blow, one would be sent out of Destiny Canyon. There were exceptions naturally, but it was rare.

While everyone was still reeling from shock after listening to the news about Duan Ling Tian, He Yu Lin continued to say, “Just like Han Shao Kun and I, Liu Xiao Feng also... He also brought a group of people from his own Divine Kingdom to kill Duan Ling Tian. The number of casualties for the Profound Law Divine Kingdom definitely won’t be lower than the Rameau Divine Kingdom and the Rising Crag Divine Kingdom.”

Chapter 4204 Looking Forward to the Rewards

“Many Emperors of Gods from our Rameau Divine Kingdom and the Rising Crag Divine Kingdom died while they were trying to kill Duan Ling Tian!” He Yu Lin said.

Destiny Canyon was the venue for the Battle of the Divine Kingdom. Let alone losing half of its participants, even if a Divine Kingdom lost all of its participants, it could only blame its bad luck.

He Yu Lin did not hide anything and openly spoke about how he and the other two rudimentary Supreme Gods brought their respective comrades to kill Duan Ling Tian. If they succeeded in killing Duan Ling Tian, the Lord of the Righteous Divine Kingdom could not do or say anything about it as well. After all, Duan Ling Tian knew his life would be at risk when they participated in the Battle of the Divine Kingdom.

Conversely, the Rameau Divine Kingdom, the Rising Crag Divine Kingdom, and the Profound Law Divine Kingdom could not hold Duan Ling Tian responsible for the deaths of their participants as well. No matter how angry they were, there was nothing they could say or do to Duan Ling Tian when Duan Ling Tian came out from Destiny Canyon. Everything was done according to the rules, after all.

If the Lords of the Rameau Divine Kingdom, the Rising Crag Divine Kingdom, and the Profound Law Divine Kingdom decided to take action against Duan Ling Tian, not only would the Lord of the Righteous Divine Kingdom protect Duan Ling Tian, but the other Lords of the Divine Kingdoms would also protect Duan Ling Tian to uphold the rules. After all, if they allowed Duan Ling Tian to be killed, it would mean that they acquiesced to their men being killed in the future Battles of the Divine Kingdoms if their men killed many people in Destiny Canyon. There could be no precedence for this matter. Once there was a precedence, it would happen again and again.

As such, under normal circumstances, it was impossible for the Lords of the Rameau Divine Kingdom, the Rising Crag Divine Kingdom, and the Profound Divine Kingdom to attack Duan Ling Tian no matter how angry or displeased they were. Needless to say, no one could control what they did in private.

At this moment, Wu Yu, the Lord of the Profound Law Divine Kingdom who had been filled with joy and excitement just a moment ago, suddenly stiffened before he spat out a mouthful of blood after listening to He Yu Lin. His Profound Law Divine Kingdom had suffered too heavy a loss this time. Not only did he lose so many people, but one of his men who had just become a rudimentary Supreme God died as well.

“How’s this possible? How’s this possible?” Wu Yu could not accept this at all.

The other Lords of the Divine Kingdoms, who had just been congratulating Wu Yu a moment ago, quickly changed their tune and began to comfort Wu Yu.

“Lord Wu, my condolences.”

“My condolences, Lord Wu.”

At the same time, the Lords of the Divine Kingdoms could not help but sigh inwardly at the Profound Law Divine Kingdom's heavy loss this time. Despite obtaining an Earth Flaming Buddha Lotus, that person from the Profound Law Divine Kingdom failed to make it out alive. At the same time, they also silently committed Duan Ling Tian's name to memory. Duan Ling Tian was undoubtedly someone with amazingly good luck. If it were not for good luck, how could a rudimentary Emperor of Gods like him not only become an intermediate Emperor of Gods after entering Destiny Canyon but completely stabilized his cultivation base as well?

Many of the Lords of the Divine Kingdoms sighed and looked at Zhu Ying Jun, the Lord of the Righteous Divine Kingdom, enviously.

“Lord Zhu, the Righteous Divine Kingdom truly stole the limelight this time.”

Although it was obvious that Duan Ling Tian would not stay in the Righteous Divine Kingdom, if Duan Ling Tian did not die in Destiny Canyon, the Righteous Divine Kingdom would be handsomely rewarded after the Battle of the Divine Kingdom ended. Based on Duan Ling Tian's points, the Righteous Divine Kingdom would definitely rank first in the Battle of the Divine Kingdoms this time.

A Lord of a Divine Kingdom said, “This time, the Righteous Divine Kingdom will definitely break the record set by the previous Divine Kingdom. This means the Righteous Divine Kingdom will receive additional rewards.”

Upon hearing this, the other Lords of the Divine Kingdoms looked at Zhu Ying Jun again with eyes burning with jealousy. Words could not describe how jealous they were at this moment.

Zhu Ying Jun and the Righteous Divine Kingdom were extremely lucky this time. They would definitely be handsomely rewarded by the God of Creation if they broke the record this time.

“It’s not over yet so the outcome isn’t certain. In my opinion, the Jade Bow Divine Kingdom can still surpass us at any time,” Zhu Ying Jun said modestly as he looked at Guan Bao Yu, the Lord of the Jade Bow Divine Kingdom. After all, there was no doubt that the strongest participant this time was Lang Chun Yuan.

At the same time, Xiao Yi, the Lord of the Soaring Divine Kingdom who was standing in the distance, was so angry that he almost spat out blood after learning that Lang Chun Yuan had entered the realm of a Supreme God. Based on her comprehension of the law, he might not be a match for her without his Lord’s Decree now that she became a rudimentary Supreme God. His anger grew when he thought about how she had grown so strong due to her killing almost all the advanced Emperors of Gods in the capital of the Soaring Divine Kingdom. He looked at Wu Yu, commiserating with Wu Yu on their misfortune.

Guan Bao Yu smiled and said lightly, “Lord Zhu, you must be joking. Lang Chun Yuan is now a rudimentary Supreme God. This means that she can no longer kill the other participants. It’ll be difficult for her to accumulate more points than Duan Ling Tian. Moreover, Duan Ling Tian still has time to accumulate more points. I only hope that he’ll spare my people on Lang Chun Yuan’s account and that more than half my men will survive the Battle of the Divine Kingdoms.”

After Guan Bao Yu’s voice fell, the expressions of the other Lords of the Divine Kingdoms changed slightly. They suddenly recalled that with Duan Ling Tian’s terrifying strength, he could easily kill their men as well.

‘I hope they’ll be smart and hide...’

‘If they’ve heard about or witnessed Duan Ling Tian’s strength, they shouldn’t be so stupid as to provoke him...’

‘I hope they’ll be smart with their choices...’

Many Lords of the Divine Kingdom prayed inwardly that their men would be smart and avoid provoking Duan Ling Tian. It was best if they decided to wait until they were transported out of Destiny Canyon when the Battle of the Divine Kingdom ended. With that, their safety would be somewhat guaranteed.

While they continued to wait, some of the Lords of the Divine Kingdoms could not help but ask He Yu Lin and Han Shao Kun about their men. Their expressions darkened when they learned that their respective Divine Kingdoms had suffered huge losses as well.

The Lord of the Wind Chime Divine Kingdom was elated when he learned that his son had obtained an Earth Flaming Buddha Lotus. However, his joy vanished after He Yu Lin finished speaking. His son, Feng Xiao Xiao, had died in Destiny Canyon after obtaining the Earth Flaming Buddha Lotus.

The other Lords of the Divine Kingdoms were surprised when they learned that Feng Xiao Xiao managed to obtain an Earth Flaming Buddha Lotus. After all, they were unaware that Feng Xiao Xiao had hidden his strength. Under normal circumstances, they would complain about the Lord of Wind Chime Divine Kingdom for hiding such a trump card. However, due to Feng Xiao Xiao's death, it was only natural that none of them complained to avoid aggravating the Lord of the Wind Chime Divine Kingdom.

A few Lords of the Divine Kingdoms, who had a good relationship with the Lord of the Wind Chime Divine Kingdom, spoke out to comfort him.

At the same time, many people also wondered if Feng Xiao Xiao had been killed by Duan Ling Tian or Lang Chun Yuan. There was also the possibility that a few imminent Supreme Gods joined forces to kill Feng Xiao Xiao. In their opinion, not counting Duan Ling Tian and Lang Chun Yuan, it was impossible for the imminent Supreme Gods to kill Feng Xiao Xiao on their own.

...

In Destiny Canyon.

Duan Ling Tian was naturally unaware of what was happening outside of Destiny Canyon. At this time, with Lang Chun Yuan's protection, he successfully healed his injuries. When he opened his eyes, he looked at Lang Chun Yuan and said, "Fourth Senior Sister, I've recovered."

"Good," Lang Chun Yuan replied with a smile, "Now that you've recovered, let's kill these beasts. Killing those people earlier won't give you much. However, it's different for these demon beasts since they're the ultimate test in Destiny Canyon's Battle of the Divine Kingdoms. We'll be rewarded after we kill them. I hope the supreme powerhouses who created the Trial of Gods won't be stingy with the rewards..."

Unlike the people in the Trial of Gods, Lang Chun Yuan and the others who entered the Trial of Gods were naturally aware that the God of Creation was actually a few supreme powerhouses. Destiny Canyon, like the Trial of Gods, was just another place created by the supreme powerhouses.

Upon hearing Lang Chun Yuan's words, Duan Ling Tian's eyes lit up as he said, "I'm looking forward to the rewards. Fourth Senior Sister, let them go. You can watch me kill them after this."

Lang Chun Yuan chuckled. "Very well. I'll watch your performance after this!"

Following that, Lang Chun Yuan let go of her hold over the remaining seven demon beasts.

The seven demon beasts were actually creatures with intelligence. They knew they could do nothing to Lang Chun Yuan and that they were trapped in her Formation. With that, they knew their chances of survival were almost zero. Hence, at this time, they decided the best thing they could do was to kill Duan Ling Tian before they died to avenge their two fallen comrades.

Roar!

The seven demon beasts charged out and attacked in unison, causing the void and Lang Chun Yuan's Trap Formation to shake. Beautiful ripples could be seen in the void at this time, but no one had the time to appreciate them at this moment.

When Duan Ling Tian faced the demon beasts again, he did not avoid them like before. Instead, he charged toward them, intending to fight them head-on. The only reason he avoided them previously was due to his injuries. Now that his injuries were healed, he had nothing to fear. After all, now that the demon beasts could no longer use the Blood Formation, they were only as strong as imminent Supreme Gods. Given enough time, it would not be difficult for him to kill all of them.

Chapter 4205 Leaving Destiny Canyon

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

Sword rays whistled in the air as they rained down from above. They were beautiful and bright like rainbows, disguising their deadliness. When they moved, they left the void trembling in their wake. It was as though the space was going to crumble.

Without the Blood Formation, the seven demon beasts' attacks were no longer tacit even if they were attacking simultaneously. Initially, they were locked in a stalemate with Duan Ling Tian, but Duan Ling Tian soon found an opening and killed one of them. Following that, the fight tilted greatly in Duan Ling Tian's favor.

It took Duan Ling Tian more than half an hour to kill the first demon beast. Following the death of the first demon beast, it took him fewer than 15 minutes to kill the second demon beast. Killing the third and the fourth demon beasts only took him dozens of breaths and fewer than ten breaths respectively. In the end, it took him fewer than ten breaths to kill the three remaining demon beasts.

A beam of light shone down on Duan Ling Tian from the sky, shrouding his entire person. This was his reward for killing the demon beasts.

After absorbing the reward, Duan Ling Tian looked at the sky and thought to himself, 'Now that I've received the reward for killing those demon beasts, will I receive the reward for passing the ultimate test in Destiny Canyon?'

Similarly, Lang Chun Yuan looked at the sky as well.

In just a moment, dark grey clouds rolled into the sky that was clear and blue. The dark clouds were accompanied by lightning and the sounds of thunder ringing in the. Following that, nine huge translucent figures appeared in the sky. These figures belonged to the nine demon beasts that Duan Ling Tian and Lang Chun Yuan killed.

The nine demon beasts looked down at Duan Ling Tian and Lang Chun Yuan with eyes filled with hatred before they roared to vent their unwillingness and anger. However, the sounds of their roar were drowned out by the sounds of thunder.

Boom! Boom! Boom!

After a while, the nine demon beasts slowly faded away into countless spots of light in the sky before they converged into a beam of nine-colored light that shone on Duan Ling Tian and Lang Chun Yuan. The diameter of the beam was so large that it easily shrouded the duo even though they were standing quite a distance from each other.

'So this is the reward for passing the ultimate test in Destiny Canyon...'

Duan Ling Tian could sense that the reward was greater than all the rewards he had received previously in Destiny Canyon. As soon as the light shone on him, the energies he saved from the previous rewards were mostly destroyed by the new reward. He only managed to absorb a small part of them, which did not give him much improvement. The new reward was so domineering that it seemed as though it could not tolerate the presence of the other rewards.

Duan Ling Tian felt his heart ache when he thought about the wasted rewards.

‘I hope this new reward will give me a bigger improvement... Otherwise, I’ll suffer a huge loss this time... I’m not greedy either. I only hope to break through to the realm of an advanced Emperor of Gods,’ Duan Ling Tian thought to himself, slightly excited. Initially, he did not think he would be able to break through into the realm of an advanced Emperor of Gods in Destiny Canyon. However, now, his heart carried a hint of expectations.

Meanwhile, Lang Chun Yuan was also absorbing the reward. The speed at which she was absorbing the reward was much faster than that of Duan Ling Tian. This was only natural since she was now a rudimentary Supreme God who had stabilized her cultivation base.

...

The nine demon beasts were dead. The three rudimentary Supremes and their respective comrades were gone as well, with two of them escaping and all of them dead. As such, only Duan Ling Tian and Lang Chun Yuan were left in the core of the heart of Destiny Canyon.

Although those waiting outside of the core of the heart of Destiny Canyon did not witness what happened at the core, all of them knew how dangerous it was in the core due to the eye-catching rewards that fell from the sky.

“I don’t know what happened exactly, but based on how aggressive those people from the three Divine Kingdoms were, it was clear they looked for trouble for Duan Ling Tian...”

“Based on the number of rewards that appeared, you can see that a lot of people died. There’s no doubt that those who died are from the three Divine Kingdoms... Why didn’t the three rudimentary Supreme Gods protect their own people?”

“Maybe they left? After becoming rudimentary Supreme Gods, they could leave Destiny Canyon with just a thought.”

“In any case, I’m going to leave now and find a place to hide until the time is up.”

“Me too!”

Many people who gathered outside of the core of the heart of Destiny Canyon quickly left. Only a few people stayed behind. These few people were hoping to get lucky. In their opinion, even if Duan Ling Tian managed to kill those people from the three Divine Kingdoms, Duan Ling Tian must be in a weakened state now. There was also Lang Chun Yuan. They thought that she would be in a terrible state after killing the nine demon beasts. Needless to say, they hoped to take advantage of the duo’s weakened state.

Duan Ling Tian and Lang Chun Yuan were currently ranked first and second respectively. One had over 10,000 points while the other had almost 10,000 points. Lang Chun Yuan, who was ranked second, had more than double the points of the person in third place. If they could kill the duo, they would benefit greatly.

Thinking of what they could gain, they waited patiently for Duan Ling Tian and Lang Chun Yuan to leave.

...

A few days later...

Duan Ling Tian and Lang Chun Yuan finally came out.

Contrary to the expectations of the people waiting for the duo, not only were Duan Ling Tian and Lang Chun Yuan not in a weakened state, but they were both in peak condition.

There was no suspense at all regarding the outcome.

Duan Ling Tian easily killed all those who hoped to take advantage of him and Lang Chun Yuan.

Those people greatly regretted that they did not leave with the others. Alas, there was no medicine for regret.

‘My rewards are gone...’

Duan Ling Tian felt rather speechless. He had just received the rewards for killing the group of people, but they were quickly destroyed by the reward for passing the ultimate test. He only managed to absorb a small amount of it.

Duan Ling Tian looked at Lang Chun Yuan and asked with a wry smile, “Fourth Senior Sister, it seems like the reward we received before is doing more harm than good! I’m unable to store other rewards in my body now.”

Upon hearing this, Lang Chun Yuan replied with a smile, “Junior brother, all you need to do is absorb it completely, right? After that, you won’t have a problem anymore. Not only that, but you’ll likely be very close to becoming an advanced Emperor of Gods even if you don’t break through...”

Lang Chun Yuan had gained a lot this time so she was in a very good mood.

“That’s easy for you to say,” Duan Ling Tian said with a sigh, “Fourth Senior Sister, there’s not much time left. I’ll find a place to cultivate and absorb the energy from the reward while I wait to be sent out of the canyon. What do you plan to do next? Do you want to come with me or do you plan to leave first?”

“Of course, I’ll come with you,” Lang Chun Yuan said with a giggle, “Junior brother, I’m not in a hurry to leave. You can find a place and devote your time to absorbing the energy from the reward...”

Previously, Duan Ling Tian and Lang Chun Yuan took only half a day to receive the extraordinary reward into their bodies. However, they only left the core of the heart of Destiny Canyon a few days later because Duan Ling Tian was waiting for Lang Chun Yuan to absorb the energy from the reward after it entered her body. During those few days, unlike Lang Chun Yuan who completely absorbed the energy from the reward, Duan Ling Tian only managed to absorb a small amount of energy from the reward.

Although Lang Chun Yuan did not say anything, Duan Ling Tian could keenly feel that she had become a lot stronger.

At this time, Duan Ling Tian suddenly thought of something. He said, “Fourth Senior Sister, do you think Nangong Ce Yi, the leader of the Frosty Mountain Heavenly Pool, will ask you to join his force immediately after you leave Destiny Canyon? Do you think the Frosty Mountain Heavenly Pool really has enough resources to help you become an intermediate Supreme God?”

Previously, no one believed Lang Chun Yuan when she said she would become a rudimentary Supreme God and stabilize her cultivation base in Destiny Canyon. It was similar to how no one believed Duan Ling Tian said he was going to stabilize his cultivation base after becoming an intermediate Emperor of Gods in Destiny Canyon. However, the duo had stayed true to their words and achieved what they said they would.

According to the previous agreement, if the Frosty Mountain Heavenly Pool was sincere about recruiting Lang Chun Yuan, they would have to give her as many resources as she needed to become an intermediate Supreme God.

“I think so,” Lang Chun Yuan said with a laugh, “Before entering Destiny Canyon, I asked the Lord of the Jade Bow Divine Kingdom about it. He said that the Frosty Mountain Heavenly Pool has more than enough resources to help me become an intermediate Supreme God after I stabilize my cultivation base in the realm of a rudimentary Supreme God.”

Duan Ling Tian was slightly surprised that Lang Chun Yuan remembered to ask about this matter.

Lang Chun Yuan continued to say, “However, I’m not sure if he’ll go back on his words. We must stick to our principles after leaving Destiny Canyon. If they keep their word, it’s fine for us to join them. Junior brother, don’t be pressured into doing what you don’t want to do. After all, we’ll be leaving the Trial of Gods soon...”

Duan Ling Tian shook his head and said, “Fourth Senior Sister, it’s just as you said. We’ll be leaving the Trial of Gods eventually. Moreover, everything here is only created by the supreme powerhouses. Why would I be pressured into doing anything?”

Lang Chun Yuan nodded. “Good. I knew that you’d see things this way. I’m only saying this because Third Senior Brother told me to remind you. Now that I’ve conveyed his message, I’ve also completed the task he gave me.”

Duan Ling Tian was slightly surprised by Lang Chun Yuan’s words. At the same time, warmth suffused his heart when he thought about his Third Senior Brother’s care toward him.

...

Over the next period of time, Duan Ling Tian found a place to cultivate and absorb the energy from the reward in seclusion.

At the same time, Lang Chun Yuan stayed by Duan Ling Tian’s side to protect him, making sure that he was not disturbed.

Needless to say, with Lang Chun Yuan standing guard, Duan Ling Tian easily absorbed the energy from the reward.

At this time, the duo suddenly sensed the change in Destiny Canyon.

Lang Chun Yuan looked at Duan Ling Tian and said, “Junior brother, I think we’ll be transported out soon.”

As soon as Lang Chun Yuan’s voice fell, Duan Ling Tian felt his head spinning and his vision turned black.

When the light returned, Duan Ling Tian found that he was now outside of Destiny Canyon. When he looked up, he saw the Lords of the Divine Kingdoms in front of him. Soon enough, he saw a group of people gathering around him.

“They’re out!”

At this moment, the Lords of the various Divine Kingdoms were all looking at Duan Ling Tian and Lang Chun Yuan.

Chapter 4206 How Is This Possible?!

After Duan Ling Tian and the others were sent out of Destiny Canyon, the Lords of the various Divine Kingdoms easily used their Lord’s Decrees to bring their advanced Emperors of Gods back to their sides. With the Lord’s Decree, they were comparable to an advanced Supreme God.

Duan Ling Tian felt an invisible force shrouding him before carrying him away. At the same time, he felt his Divine Energy slowing down, causing a sense of powerlessness to rise in him.

‘This is the strength of an advanced Emperor of Gods?!’ Duan Ling Tian was inwardly shocked. He had seen the might of a rudimentary Supreme God. Although he was not a match for a rudimentary Supreme God now, he was confident that would not be the case once he became an advanced Emperor of Gods. He was shocked by Zhu Ying Jun’s strength, which was boosted by the Lord’s Decree. The difference in strength between a rudimentary and advanced Supreme God was like heaven and earth.

‘No wonder people say that an advanced Supreme God can kill a rudimentary Supreme God with just a finger. The difference in strength is tremendous.’

Duan Ling Tian was still lost in his thoughts when he arrived at Zhu Ying Jun's side. He only returned to his senses when he heard Yun He's voice.

Yun He reminded Duan Ling Tian through Voice Transmission, "Brother Ling Tian, the Lord is talking to you."

After regaining his senses, Duan Ling Tian found that the others from the Righteous Divine Kingdom had all gathered. It seemed like there were fewer than people who died in Destiny Canyon. Then, he looked at Zhu Ying Jun with a hint of confusion, trying to recall what Zhu Ying Jun said.

Zhu Ying Jun smiled. He was not offended at all that Duan Ling Tian was distracted while he was talking. He said, "Mansion Master Duan, you've brought great glory to our Righteous Divine Kingdom!"

Not only did Duan Ling Tian rank first, but he also broke the previous record by accumulating more than 10,000 points. Due to his points, the Righteous Divine Kingdom also rose to first place on the Divine Kingdom ranking.

Following that, the participants from the Righteous Divine Kingdom spoke up one after another.

"Congratulations, my Lord."

"Congratulations, Mansion Master Duan."

Quite a few advanced Emperors of Gods from the Righteous Divine Kingdom looked at Duan Ling Tian with gratitude as they congratulated him. Previously, they had run into Duan Ling Tian when they were in Destiny Canyon. At that time, they thought Duan Ling Tian was going to kill them like how he killed the others. To their surprise, he spared them. They felt even more grateful when they heard later on about how many he had killed.

One of the mansion masters from the Righteous Divine Kingdom looked around before he said with a sigh, "It seems like there are at least a dozen people who perished in Destiny Canyon from each Divine Kingdom."

After his voice fell, many people instinctively shifted their eyes to Duan Ling Tian.

The losses that the various Divine Kingdoms suffered were likely related to Duan Ling Tian, but they did not think he was a bloodthirsty killer. After all, if they possessed his strength, they would have done the same. The Battle of the Divine Kingdoms was a competition. They participated to compete for the treasures, fortuitous encounters, and rewards in Destiny Canyon. The rewards for killing someone in Destiny Canyon were double what they usually received. Who could resist such a thing?

Unlike the Righteous Divine Kingdom, the people from the other Divine Kingdoms wore grim expressions on their faces due to the heavy losses they suffered.

At the same time, Guan Bao Yu, the Lord of the Jade Bow Divine Kingdom, said to Lang Chun Yuan through Voice Transmission, "Girl, thank you." Then, a smile bloomed on his face before he said loudly, "Congratulations on becoming a Supreme God."

The people from the Jade Bow Divine Kingdom followed suit and congratulated Lang Chun Yuan even though they were not particularly close to her. It was an obligation to congratulate her, after all.

At this time, the Divine Kingdoms that suffered smaller losses and managed to rank in the top ten finally recovered from their sadness.

On the contrary, the people from Divine Kingdoms that suffered heavy losses like the Rameau Divine Kingdom, the Rising Crag Divine Kingdom, and the Profound Law Divine Kingdom could hardly get rid of the dark expressions on their faces. Needless to say, with such heavy losses, they did not rank in the top ten.

“Let’s go.”

Soon after, the Lords of the Rameau Divine Kingdom, the Rising Crag Kingdom, and the Profound Law Divine Kingdom led their people away without bidding farewell to the others.

The Lord of the Soaring Divine Kingdom left without looking back as well.

There was no point for those who failed to rank in the top ten to stay any longer, after all. However, under normal circumstances, they would usually stay just to see what kind of rewards those who ranked in the top ten would receive. However, this time, none of them had the mood to stay any longer than necessary.

Before leaving, Xiao Yi, the Lord of the Soaring Divine Kingdom, turned to look at Lang Chun Yuan with eyes brimming with killing intent. At the same time, a hint of helplessness rose in his heart when he thought about how she was now a Supreme God. If she was in the Soaring Divine Kingdom’s territory, it would be easy for him to kill her with the Lord’s Decree. However, he was no match for her outside of the Soaring Divine Kingdom’s territory.

In the end, only 12 Divine Kingdoms were left on the scene. Two Divine Kingdoms that failed to rank in the top ten did not leave because some of their representatives managed to rank in the top ten of the individual ranking list.

Based on past experiences, they would only be rewarded after a day and a night passed. No one knew why it took so long for them to receive the rewards, but all of them waited patiently.

Swoosh! Swoosh! Swoosh!

Suddenly, three old men appeared. They were the Three Demonic Scorpion Elders from the Latent Element Heaven Sect. The trio was known to possess the strength of an ordinary advanced Supreme God if they joined forces. Before the start of the Battle of the Divine Kingdoms, they had come to recruit Duan Ling Tian and Lang Chun Yuan. In the end, Lang Chun Yuan chose the Frosty Mountain Heavenly Pool so they were only left with Duan Ling Tian, their second choice. When they heard about the results, they were shocked. They truly did not expect that their second choice would have such a shocking performance in the Battle of the Divine Kingdoms. The most shocking thing was his success in completely stabilizing his cultivation base after becoming an intermediate Emperor of Gods.

‘He’s a monster!’

The three old men had lived long enough to see many monstrous prodigies in their lives. However, they were still shocked by Duan Ling Tian’s talent.

Finally, one of the Three Demonic Scorpion Elders said loudly, “Duan Ling Tian, the Latent Element Heaven Sect will help you become an advanced Emperor of Gods. After becoming an advanced Emperor of Gods, you’ll officially join the Latent Element Heaven Sect.”

Duan Ling Tian smiled faintly as he replied, “Senior, the rewards I received in Destiny Canyon exceeded my expectations, and I’ve yet to absorb all of them. Moreover, I still have yet to receive the reward for ranking first. There’s a possibility that once I absorb all the rewards, I’ll be able to break through to the realm of an advanced Emperor of Gods on my own.”

Nearing the end of his words, Duan Ling Tian looked at the old man meaningfully.

The old man's expression froze for a moment. Then, he exchanged a look with the other two old men and spoke to them through Voice Transmission before he said to Duan Ling Tian, "Duan Ling Tian, if you become an advanced Emperor of Gods on your own, our Latent Element Heaven Sect will help you stabilize your cultivation base. Moreover, our sect will give you..."

The 12 Lords of the Divine Kingdoms were shocked when they heard the old man's words. They did not expect the Latent Element Heaven Sect to be willing to give up so much just to recruit Duan Ling Tian.

Duan Ling Tian could sense the old man's sincerity. Moreover, the things the old man promised him were exactly what he truly needed to become a Supreme God as soon as he possibly could.

"Senior, if you keep your promise, I'll be more than willing to join the Latent Element Heaven Sect," Duan Ling Tian replied without hesitation. He would be a fool to do otherwise.

The Latent Element Heaven Sect hoped to nurture a talent strong enough to protect them in the future. Under normal circumstances, Duan Ling Tian would not like to be tied down to such a promise. However, he did not have any concerns now since he would be leaving the Trial of Gods and returning to the real world eventually.

Following that, the Lords of the Divine Kingdoms congratulated the Three Demonic Scorpion Elders.

"Congratulations, seniors!"

At this time...

“Lang Chun Yuan...”

A middle-aged man flew over. He was Nangong Ce Yi, the leader of the Frosty Mountain Heavenly Pool. He walked over to Lang Chun Yuan before he said, “Congratulations on becoming a Supreme God. As I promised previously, the Frosty Mountain Heavenly Pool will help you to stabilize your cultivation base.”

As soon as Nangong Ce Yi’s voice fell, Lang Chun Yuan’s Divine Energy surged from her body. There was no sign of instability at all.

Guan Bao Yu, the Lord of the Jade Bow Divine Kingdom who was standing next to Lang Chun Yuan, exclaimed in shock and disbelief, “How’s this possible?!”

Chapter 4207 Two Years Later

The Lords of the various Divine Kingdoms were either rudimentary or intermediate Supreme Gods. Naturally, they could sense the familiarity of Lang Chun Yuan’s Divine Energy when she released it into the surroundings.

“Lang Chun Yuan hasn’t only become a rudimentary Supreme God, but she also stabilized her cultivation base?! How did she do it?!”

“How’s this possible?!”

“It seems like she wasn’t boasting before she entered Destiny Canyon. No one believed her at all at that time.”

“If I didn’t witness it myself, I still wouldn’t have believed it if my late father came back to life to tell me about it.”

It was an understatement to say that the Lords of the Divine Kingdoms were shocked by Lang Chun Yuan’s amazing feat. They knew the fortuitous encounters in Destiny Canyon can help one to become a rudimentary Supreme God since they had experienced it themselves. However, it was unprecedented for someone to become a rudimentary Supreme God and also stabilize his or her cultivation base in Destiny Canyon.

Lang Chun Yuan’s eyes sparkled brightly as she looked at Nangong Ce Yi and asked, “I remember you promised to give me a welcome gift after I become a rudimentary Supreme God and stabilize my cultivation base. Are you going to help me become an intermediate Supreme God?”

Lang Chun Yuan continued to say, “I’ll receive a reward for ranking second. That should alleviate some of the Frosty Mountain Heavenly Pool’s burden when helping me to become an intermediate Supreme God.”

The Lords of the Divine Kingdoms were rendered speechless by Lang Chun Yuan’s words. After all, the rewards for the participants of the Battle of the Divine Kingdoms could not compare to the rewards of the Divine Kingdoms since the rewards for the Divine Kingdoms were beneficial to Supreme Gods.

‘A monster!’

‘She’s a freak!’

The Three Demonic Scorpion Elders of the Latent Element Heaven Sect looked at Lang Chun Yuan with a complicated gaze. They had grossly underestimated her talent. The Latent Element Heavenly Pool would have to pay a hefty price to recruit her, and they were not in the position to make such decisions. They would need to discuss the matter with the Sect Leader of the Latent Element Heaven Sect. However, there was no need to do such a thing unless the Frosty Mountain Heavenly Pool decided to renege on their promise. They did not think the Frosty Mountain Heavenly Pool would do such a thing, and they were right.

Nangong Ce Yi, the Leader of the Frosty Mountain Heavenly Pool, looked at Lang Chun Yuan in shock and as he said, “Lang Chun Yuan, I had no doubts that you’d become a rudimentary Supreme God in Destiny Canyon, but I truly didn’t expect you to stabilize your cultivation base there as well!”

“So, does the Frosty Mountain Heavenly Pool still intend to recruit me?” Lang Chun Yuan asked.

Nangong Ce Yi smiled faintly. “Of course, we still want to recruit you. I made a promise to you after all. Follow me to the Frosty Mountain Heavenly Pool. I’ll help you become an intermediate Supreme God as soon as I can. After that, the Frosty Mountain Heavenly Pool will officially accept you as a member.”

“Alright, I’ll follow you!” Lang Chun Yuan replied quickly and moved to stand next to Nangong Ce Yi.

Nangong Ce Yi nodded at the Three Demonic Scorpion Elders and Guan Bao Yu, the Lord of the Jade Bow Divine Kingdom, before he brought Lang Chun Yuan away.

Many people sighed as they watched the duo leave. A few of them looked rather envious as well.

“That young girl will soar to greater heights after joining the Frosty Mountain Heavenly Pool...”

“In the future, she’ll definitely be the third advanced Supreme God in the Frosty Mountain Heavenly Pool.”

Meanwhile, Duan Ling Tian thought to himself, ‘I hope Fourth Senior Sister manages to become an intermediate Supreme God before we leave the Trial of Gods.’

At this time, the Three Demonic Scorpion Elders turned to look at Duan Ling Tian.

“Duan Ling Tian.”

“It’s time for us to leave.”

In fact, the participants could leave whenever they wanted. No matter where they were in the world, they would still receive the reward for ranking in the top ten of the Battle of the Divine Kingdoms. However, the Divine Kingdoms had to stay here to receive the reward since receiving the reward required the aura and presence of the Lords of the Divine Kingdoms.

“Lord Zhu, Brother Yun He, farewell,” Duan Ling Tian said to Zhu Ying Jun and Yun He after he nodded at the Three Demonic Scorpion Elders. Then, he nodded to the others from the Righteous Divine Kingdom before he left with the three old men.

After Duan Ling Tian and Lang Chun Yuan left, the others began to discuss and compare the duo.

“Duan Ling Tian is a monster as well.”

“Based on the current situation, Lang Chun Yuan seems more outstanding than Duan Ling Tian. However, that might not be the case in the future.”

“Who knows? Anyway, the records both of them set during the Battle of the Divine Kingdoms will be difficult to beat...”

“Duan Ling Tian will also be rewarded for breaking the record. With that and the rewards he received in Destiny Canyon, it won’t be long before he becomes an advanced Emperor of Gods.”

Duan Ling Tian and Lang Chun Yuan both beat the previous record. However, since Duan Ling Tian broke the record first, he would be rewarded for it.

...

Swoosh! Swoosh!

While Duan Ling Tian traveled with the Three Demonic Scorpion Elders, a thunderous noise suddenly rang in the air before two beams of light of different colors shone down on Duan Ling Tian.

The Three Demonic Scorpion Elders’ eyes brightened as they looked at Duan Ling Tian who had stopped moving.

“Not only did Duan Ling Tian rank first among all the participants, but he also broke the previous record.”

“Duan Ling Tian is the biggest winner of Destiny Canyon’s Battle of the Divine Kingdoms.”

“I wonder how Lang Chun Yuan managed to stabilize her cultivation base so soon after becoming a rudimentary Supreme God in Destiny Canyon. In my opinion, even if she received all the rewards that Duan Ling Tian received, she still shouldn’t be able to stabilize her cultivation base. What an amazing feat.”

When Duan Ling Tian received the rewards for ranking first and breaking the previous record, he discovered that the reward for breaking the record was better than the one he received for ranking first. Previously, he had been worried that the reward he received from passing the ultimate test in Destiny Canyon would destroy these rewards just like it did the other rewards. He heaved a sigh of relief when he discovered that the two rewards he received seemed to be coexisting peacefully with the reward he received in the core of the heart of Destiny Canyon.

‘After absorbing these three rewards, even if I don’t become an advanced Emperor of Gods immediately, I should be on the brink of a breakthrough. After breaking through, I’ll stabilize my cultivation base with the help of the Latent Element Heaven Sect. I hope I’ll be able to stabilize it before leaving the Trial of Gods.’

The main reason Duan Ling Tian joined the Latent Element Heaven Sect was to raise his cultivation base using the sect’s resources. However, he knew the speed of his progress would not be able to compare to the speed of his progress in Destiny Canyon. After all, he had received double the rewards when in Destiny Canyon.

‘I wonder how the others are doing... I have a feeling they’re not doing as well as Fourth Senior Sister and I...’

...

While Duan Ling Tian and Lang Chun Yuan made their way to the Latent Element Heaven Sect and the Frosty Mountain Heavenly Pool respectively, the others who entered the Trial of Gods with them were still searching for fortuitous encounters in the Southern Heaven Continent and the Northern Sphere Continent. Some perished, and those who survived grew stronger.

...

Time flew by, and two years passed in just a blink of an eye.

In the Myriad Laws Academy, a powerhouse was guarding a Formation alone, but soon, many teachers and students began to gather.

“It’s almost three years since they entered the Trial of Gods... They should be coming out soon...”

“I heard that many people died...”

“That’s right. Many Soul Pearls had shattered.”

At this time, a member of the Legacy faction asked casually, “Do you think any of them managed to become a Supreme God?”

It was silent for a moment before someone said, “If there’s someone who became a Supreme God, it can only be that person from the Inner Palace faction...”

Chapter 4208 Lang Chun Yuan, the Supreme God

A crowd had gathered near the portal to the Trial of Gods since the group of prodigies would be coming out of the Trial of Gods within a few days.

Not everyone came to watch the show. Some of them were members of supreme-rank forces waiting for their fellow members to come out so they could report back to their respective forces.

Many of the students of the Myriad Laws Academy joined the academy to grow stronger so they could better contribute to their respective forces in the future. At that time, they would also receive special privileges from their respective forces.

A student from the Lone Primordial Spirit Congregation stared at the Transportation Formation as he muttered inwardly, ‘Senior Brother Hu Lan Qi is the only one from our Lone Primordial Spirit Congregation to die in the Trial of Gods... Senior Brother Meng Yu and Senior Brother Murong Hai Tang are still alive.’

Murong Hai Tang and Meng Yu were the two strongest Holy Sons of the Lone Primordial Spirit Congregation.

As for Hu Lan Qi, he was not the most outstanding student from the Lone Primordial Spirit Congregation in the academy. After all, he had always been second to Wang Yun Sheng, also a Holy Son of the Lone Primordial Spirit Congregation. However, Hu Lan Qi became the strongest student from the Lone Primordial Spirit Congregation in the Myriad Laws Academy after Duan Ling Tian killed Wang Yun Sheng. Unfortunately, at some point, his Soul Pearl had shattered, indicating that he had died in the Trial of Gods.

Despite Hu Lan Qi's death, the members of the Lone Primordial Spirit Congregation were preoccupied with finding out how their two strongest Holy Sons fared in the Trial of Gods.

At this time...

"Are they out yet?"

The disciple from the Lone Primordial Spirit Congregation jolted slightly when he received a message. Then, he hurriedly replied, "Vice Leader, they're not out yet."

The message was from Lu Tian Feng, the Vice Leader of the Lone Primordial Spirit Congregation.

...

In the Lone Primordial Spirit Congregation's estate.

"They haven't come out?"

Lu Tian Feng frowned slightly after receiving the reply. After a moment, he said to the disciple at the Myriad Laws Academy, "Apart from the two Holy Sons, keep an eye out for Duan Ling Tian. I wonder if he died in the Trial of Gods."

...

Back in the Myriad Laws Academy.

“Yes, Vice Leader,” the disciple from the Lone Primordial Spirit Congregation replied. At the same time, he wondered inwardly, ‘There were rumors over the past two years that Vice Leader has a grudge against Duan Ling Tian... So it’s true? It’s said that Vice Leader annihilated the entire mundane realm that Duan Ling Tian came from and killed many of those related to him...’

The disciple felt chills running up his spine when he recalled the scene where Duan Ling Tian killed Wang Yun Sheng, a Holy Son of the Lone Primordial Spirit Congregation. He thought to himself, ‘If Duan Ling Tian survives, Vice Leader is going to have a tough time in the future. It’s only a matter of time before a heaven-defying prodigy like Duan Ling Tian grows extremely strong... Once he grows strong enough, he’ll certainly seek revenge from Vice Leader. At that time, who knows if he’ll annihilate the entire congregation as well? I have to think of a plan to save myself if that happens...’

...

Lu Tian Feng, the Vice Leader of the Lone Primordial Spirit Congregation, shared rather similar thoughts as the disciple of the congregation as well.

His expression was dark as he thought to himself, ‘I hope Duan Ling Tian died in the Trial of Gods. If he survives and becomes an intermediate Emperor of Gods, I’ll have to be extra cautious going forward...’

Although Duan Ling Tian was still like a mere ant that he could crush with a finger, there was nothing he could do to Duan Ling Tian as long as Duan Ling Tian stayed in the Myriad Laws Academy.

...

Somewhere in the Myriad Laws Academy.

An old man and a young man were playing chess in a spacious courtyard.

The old man made his move before he asked with a smile, "They should be coming out soon, right? Aren't you going to wait for them there?"

"What's the rush? We've been waiting for three years anyway. All that matters is that they're safe and sound," the young man replied with a faint smile.

"You're really wise," the old man said. Then, his eyes gleamed as he said, "I wonder how much progress that girl and that lad made in the Trial of Gods. They'll bring great glory to the Inner Palace faction if they manage to break through there."

The old man was Su Bi Lie, the Academy Master of the Myriad Laws Academy, and the young man was Yang Yu Chen, the third member of the Inner Palace faction.

Yang Yu Chen smiled. "I'm sure they won't disappoint you."

The old man nodded. Then, as though he had just thought of something, he asked, "Is there any news from your Eldest Senior Sister?"

“No,” Yang Yu Chen said as a rare solemn expression appeared on his face, “It’s about time for her to return... Perhaps, something unexpected happened in the Outer Boundary and delayed her return...”

“The Outer Boundary...” the old man said with a sigh, “It’s about time for me to report for duty as well. I wonder if I’ll be able to return safely. Boy, can you let me leave with peace of mind and agree to take over the position of Academy Master?”

At the end of his words, the old man stared at Yang Yu Chen with eyes glittering with hope.

“Academy Master,” Yang Yu Chen said seriously, “I really have no intentions of becoming the next Academy Master. In fact, after my Fourth Junior Sister becomes a Supreme God, I’m prepared to let her be in charge of the Inner Palace faction. Eldest Senior Sister is in the Outer Boundary, and Second Senior Brother is on the Realm Battlefield. I really don’t want to waste my time in the academy anymore. There are 100 years left before the Realm Battlefield closes. I want to enter the battlefield to see if I’ll be able to find fortuitous encounters to raise my cultivation base...”

Previously, Yang Yu Chen had never given Su Bi Lie a reason for his refusal, but now, he spoke very honestly about his intentions.

Su Bi Lie’s eyes widened slightly as he said, “Are you saying that if your Fourth Senior Sister is a Supreme God when she comes out of the Trial Gods, you’ll leave the academy?”

Yang Yu Chen nodded. “Yes. Many people don’t know the reason for the Realm of Battlefield’s existence, but you and I both know the reason. I don’t want to waste the 100 years I have left, and I can’t wait another 9,000 years to go to the Outer Boundary.”

Su Bi Lie sighed. “I really don’t understand the thoughts of you prodigies. Brat, you should’ve explained this to me earlier. I wouldn’t have forced you then.”

Yang Yu Chen shook his head and said, “It was not convenient for me to say anything previously. In any case, according to the Inner Palace faction’s rules, I can’t leave until another Supreme God takes over. Otherwise, Eldest Senior Sister will definitely punish me when she returns.”

...

At the portal that was connected to the Trial of Gods in the Myriad Laws Academy At the same time.

At this moment, the students who entered the Trial of Gods began to appear one after another.

“It’s Zhang Tian Jiao, the proud prodigy from the Rainbow Phoenix Pavilion!”

“That’s Murong Hai Tang from the Lone Primordial Spirit Congregation!”

“There’s the Stride Basic Divine Sect’s Yuan Pu!”

Many of those from the same forces began to ask their fellow members who just left the Trial of Gods if they had made a breakthrough through Voice Transmissions so they could report back to their respective forces. Without any prompts, some of those who left the Trial of Gods might not report their progress for reasons of their own.

At this moment...

“Duan Ling Tian is out!”

“His senior sister, Lang Chun Yuan, is out as well!”

In just a moment, the crowd’s attention shifted to the young man and young girl who appeared. All of them could sense the tremendous change in the duo’s auras.

“They feel different from before...”

“I agree, but I can’t say exactly what’s different...”

“It’s their auras!”

At this time, Meng Yun Shan, the Vice Academy Master of the Myriad Laws Academy who was guarding the Transportation Formation, looked at Duan Ling Tian and Lang Chun Yuan before his expression changed slightly. He sighed before he turned and cupped his fists slightly at Lang Chun Yuan and said, “The members of the Inner Palace faction are all brilliant talents. Congratulations on becoming a Supreme God.”

Now that Lang Chun Yuan was a Supreme God, she was now officially a powerhouse in the Profound Energy Land. In the Profound Energy Land, only Supreme Gods were acknowledged. Those below the realm of Supreme Gods were like ants to the Supreme Gods.

As soon as Meng Yun Shan finished speaking, silence descended on the place immediately as they instinctively turned to look at Lang Chun Yuan with blank expressions. When they recovered their senses, they gasped.

“Lang Chun Yuan has become a Supreme God?!”

“Heavens! A Supreme God below the age of 10,000?! She’s even more monstrous than Vice Academy Master Yang Yu Chen!”

Chapter 4209 The Monster Who’s Not Even 1,000 Years Old

The crowd was thoroughly shocked that Lang Chun Yuan was now a Supreme God after coming out of the Trial of Gods. Her amazing feat made the proud prodigies from the various heavyweight supreme-rank forces who became advanced Emperors of Gods in the Trial of Gods pale in comparison. No one even noticed that Duan Ling Tian, who was standing next to Duan Ling Tian, was now an advanced Emperor of Gods after Yun Meng Shan announced that Lang Chun Yuan had become a Supreme God.

Even Duan Ling Tian could not help but look at Lang Chun Yuan.

“Fourth Senior Sister, when did you become an intermediate Supreme God?” Duan Ling Tian asked curiously through Voice Transmission.

Two years ago, Duan Ling Tian and Lang Chun Yuan went their separate ways in the Trial of Gods after the Battle of the Divine Kingdoms. He had joined the Latent Element Heaven Sect while she had joined the Frosty Mountain Heavenly Pool. At that time, Nangong Ce Yi, the Leader of the Frosty Mountain Heavenly Pool, had promised he would spare no effort in helping Lang Chun Yuan become an intermediate Emperor of Gods before she officially joined the Frosty Mountain Heavenly Pool.

Lang Chun Yuan replied with a hint of complaint in her voice, “No. That Nangong Ce Yi isn’t very reliable. I spent two years at the Frosty Mountain Heavenly Pool and used a lot of resources. Although I learned a few methods to raise my cultivation base, two years are still too short of a

time. I urged him repeatedly throughout those years, but according to him, it'd take at least three years for me to break through even though he had spared no efforts in helping me. In the end, I only made about 70% progress on the path to breaking through and becoming an intermediate Supreme God. Nangong Ce Yi and the Frosty Mountain Heavenly Pool are really unreliable! Otherwise, I'd already be on par with Third Senior Brother!"

Duan Ling Tian felt rather speechless about how greedy Lang Chun Yuan was. After all, the Frosty Mountain Heavenly Pool had spared no effort in helping her to raise her cultivation base over the past two years.

'The Frosty Mountain Heavenly Pool must be devastated that Fourth Senior Sister suddenly vanished without a trace... Fortunately, the Frosty Mountain Heavenly Pool and everything in the Trial of Gods are only creations of the supreme powerhouses. They, including the Latent Element Heaven Sect, should cease to exist now that we left the Trial of Gods. ,' Duan Ling Tian thought to himself, slightly relieved.

Duan Ling Tian recalled the good days he had for the past two years in the Latent Element Heaven Sect. He enjoyed the cultivation resources they gave him and officially joined the sect about a month ago. After officially joining the sect, the sect's two strongest Supreme Gods insisted that he join their respective factions and even forced him to make a choice. Fortunately, it was time for him to leave the Trial of Gods. Otherwise, he would be in a dilemma.

When he thought about his days in the Trial of Gods and that everything had ceased to exist there, he felt like his experiences were just a dream.

At this time, Lang Chun Yuan's voice rang in Duan Ling Tian's ears, pulling him back from his reverie.

"Junior brother, you must have thrived in the Latent Element Heaven Sect. After all, you're now an advanced Emperor of Gods. Did you also manage to stabilize your cultivation base?" Lang Chun Yuan asked. Obviously, she had probed Duan Ling Tian with her Divine Consciousness at some

point without him noticing. However, she did not probe deep enough to find out if he had stabilized his cultivation base.

“I stabilized it a month ago,” Duan Ling Tian replied.

“Amazing!” Lang Chun Yuan exclaimed before she said, “The Latent Element Heaven Sect is really reliable. I should’ve joined the sect instead of joining the Frosty Mountain Heavenly Pool! Perhaps, I’d be an intermediate Supreme God now.”

Duan Ling Tian was rendered speechless by Lang Chun Yuan again. Then, he said, “Fourth Senior Sister, it’s not as simple as that. I managed to break through not only because of the rewards from Destiny Canyon and the Latent Element Heaven Sect, but it’s also because I’m just an Emperor of Gods. You’re a Supreme God. It’s already amazing that you made such tremendous progress in just two years.”

Duan Ling Tian truly felt that Lang Chun Yuan had unrealistically high expectations for the Frosty Mountain Heavenly Pool. He did not doubt that the Frosty Mountain Heavenly Pool had done all they could to help her.

...

At the same time, the crowd was still marveling over Lang Chun Yuan’s progress after leaving the Trial of Gods. No one doubted that she was the bigger winner.

“Lang Chun Yuan is now a Supreme God!”

“Amazing! A Supreme God under the age of 10,000!”

“It seems like Vice Academy Master Yang’s title as the number one genius of the Myriad Laws Academy will go to her now.”

“It’s not a big deal since she’s his junior sister anyway.”

“How remarkable!”

Upon hearing the discussions in the surroundings, Lang Chun Yuan was slightly annoyed. She did not like being the center of attention after all. A hint of displeasure could be seen in her eyes as she said, “So what if I became a Supreme God? What’s the big deal?”

After a beat, Lang Chun Yuan turned to the crowd and continued to say loudly, “I was an advanced Emperor of Gods with a stabilized cultivation base and was on the brink of a breakthrough, to begin with. It’s only natural for me to become a Supreme God after entering the Trial of Gods. It took me three years to become a Supreme God. If anything, all of you should focus on my junior brother.”

Duan Ling Tian looked at Lang Chun Yuan blankly as she said, “My junior brother was only advanced Lord of Gods three years ago before he entered the Trial of Gods. Now, he’s an advanced Emperor of Gods. Isn’t his progress much greater than mine? You’re all a bunch of ignorant fools!”

Lang Chun Yuan smiled contemptuously at the end of her words. Then, she slightly pushed Duan Ling Tian away before she casually struck at him.

Duan Ling Tian’s Divine Energy surged immediately, and its stability caused everyone to fall silent.

The expression of Yun Meng Shan, the Vice Academy Master of the Myriad Laws Academy, changed slightly. As an intermediate Supreme God, his senses were naturally much better than the others. He could clearly sense that Duan Ling Tian had stabilized his cultivation base in the realm of an advanced Emperor of Gods.

‘In just three years, an advanced Lord of Gods became an advanced Emperor of Gods with a completely stabilized cultivation base?’ Yun Meng Shan was shocked that he almost forgot to breathe for a moment. Let alone the Myriad Laws Academy, Duan Ling Tian’s feat was unprecedented even in prime supreme-rank forces in the Profound Energy Land and other Realms of Gods.

When the others regained their senses, a commotion broke out.

“Duan Ling Tian is really an advanced Emperor of Gods now!”

“Three years ago, he was just an advanced Emperor of Gods, but now, he’s an advanced Emperor of Gods?! That’s outrageous!”

“Duan Ling Tian is the real monster!”

“Heavens! To think that he’s not even 3,000 years old!”

“You’re wrong! He’s not even 1,000 years old! Over the past three years, there have been rumors. Didn’t you hear? Someone went to the lower realms using a Destruction Divine Shuttle and confirmed that Duan Ling Tian isn’t even 1,000 years old!”

“To be precise, he’s not even 900 years old!”

“A monster!”

Initially, not many people knew that Duan Ling Tian was not even 1,000 years old. However, news began to spread after the Lone Primordial Spirit Congregation thoroughly investigated Duan Ling Tian. It did not take long before most people from the Myriad Laws Academy were made aware of Duan Ling Tian’s age, shocking them.

“I have a feeling that Duan Ling Tian is going to be even more heaven-defying in the future...”

“If he doesn’t die prematurely, it’ll only be a matter of time before he becomes a supreme powerhouse, let alone a Supreme God. After all, his Sword Dao is very profound!”

“If he really becomes a supreme powerhouse, the Myriad Laws Academy will become a prime supreme-rank force!”

While almost everyone was fervently discussing this matter, a few people’s expressions turned grim. These people were from the Lone Primordial Spirit Congregation.

“Elder, please send someone to bring us back immediately! Duan Ling Tian is now an advanced Emperor of Gods. I’m afraid we won’t survive if we return on our own!”

“Elder, please inform the leader immediately that Duan Ling Tian has become an advanced Emperor of Gods and that he even stabilized his cultivation base after coming out of the Trial of Gods!”

“Vice Leader, Duan Ling Tian has become an advanced Emperor of Gods and stabilized his cultivation base!”

“Vice Leader, Duan Ling Tian is a monster! In my opinion, his strength now must be comparable to that of an ordinary rudimentary Supreme God!”

Chapter 4210 Escaping Ahead of Time

Duan Ling Tian felt rather speechless that Lang Chun Yuan pushed him into the limelight.

‘Even if she doesn’t like being the center of attention, she doesn’t have to drag me into the spotlight, right? Does she think I like being the center of attention?’

Duan Ling Tian still remembered the first time he had left the Inner Palace faction’s realm with Lang Chun Yuan. At that time, she had been rather envious when she saw that everyone’s attention was on him. He shook his head inwardly as he thought to himself, ‘Women are too fickle...’

“Junior brother, let’s return! I’ve already contacted Third Senior Brother to meet us! He was shocked when he received my message. It seems like our progress in the Trial of Gods scared him! Who knew our Third Senior Brother would have such a day? Junior brother, you have to work hard! Among the five members of the Inner Palace faction, you’re the only one who has yet to enter the realm of a Supreme God!”

Duan Ling Tian listened to Lang Chun Yuan as they made their way back to the Inner Palace faction, and he felt speechless again.

‘How old are all of you? Can you really compare yourself to me? Do you even know what shame is?’

Duan Ling Tian decided against voicing his thoughts to Lang Chun Yuan, but Lang Chun Yuan continued to harp on the matter like an elder lecturing a junior. In the end, he could no longer hold back so he said, “Fourth Senior Sister, I’m not even 900 years old...”

Lang Chun Yuan fell silent immediately. Then, after a few breaths, she said awkwardly, “I... I forgot that you’re not even 900 years old... Alright, alright...”

Finally, Duan Ling Tian had a moment of peace. Alas, it was short-lived since Yang Yu Chen returned soon after.

Yang Yu Chen did not pay attention to Lang Chun Yuan. Instead, he stared at Duan Ling Tian for a few moments before he exclaimed, “Amazing!” Then, he said with a sigh, “Junior brother, I have no doubt that you’ve made the biggest progress among everyone who entered the Trial of Gods...”

When Yang Yu Chen heard from Lang Chun Yuan that Duan Ling Tian had already become an advanced Emperor of Gods and stabilized his cultivation base. Just as Lang Chun Yuan had said earlier, he was indeed frightened by Duan Ling Tian’s progress. He had rushed back immediately to confirm her words, and after doing so, he felt slightly complicated as he thought to himself, ‘I indeed found a great member for the faction. Alas, he won’t stay in the academy for long. It seems like Fourth Junior Sister will have to hold down the fort in the faction for a long time until she can find a junior to pass the mantle to...’

Yang Yu Chen did not give voice to his thoughts. He knew that Lang Chun Yuan would refuse him immediately.

Duan Ling Tian smiled faintly as he said, “I was just lucky. My strength is still far from that of Third Senior Brother...”

“Why are you comparing your strength to mine?” Yang Yu Chen shook his head and said, “When I was your age, my strength was nowhere close to yours... Among us fellow members, even our Eldest Senior Sister, who’s the most outstanding, can’t compare to you at your age...”

This was not the first time Duan Ling Tian had heard about how talented his Eldest Senior Sister was. He had been told that his Eldest Senior Sister’s talent was even more exaggerated than that of his Fourth Senior Sister.

“Third Senior Brother, was Eldest Senior Sister already a Supreme God at Fourth Senior Sister’s age?”

Yang Yu Chen was stunned upon hearing Duan Ling Tian’s question. Then, he smiled faintly as he said, “At Fourth Junior Sister’s age, Eldest Senior Sister was already a rudimentary Supreme God who killed many intermediate Supreme Gods.”

Duan Ling Tian was shocked by Yang Yu Chen’s words. ‘Eldest Senior Sister is so heaven-defying?’

At this time, Lang Chun Yuan shook her head and said, “Junior brother, I can’t compare to Eldest Senior Sister at all.”

When Lang Chun Yuan spoke about her Eldest Senior Sister, her eyes shone with a hint of fanaticism, making her look like an overenthusiastic fan.

“Fourth Junior Sister, there’s no need to be so modest,” Yang Yu Chen said with a smile, “At the very least, you’re much more talented than me and Second Senior Brother. Fortunately, we have junior brother now. Otherwise, Second Senior Brother and I would look rather bad compared to you and Eldest Senior Sister...”

In Yang Yu Chen's opinion, among the five members of the Inner Palace faction, Duan Ling Tian was undoubtedly number one in regard to talent and comprehension skills. Following that was his Eldest Senior Sister in second place, his Fourth Junior Sister in third place, him in fourth place, and his Second Senior Brother in last place.

Before Yang Yu Chen took charge of the Inner Palace faction, his Second Senior Brother had been the one in charge of the faction. His Eldest Senior Sister had never officially taken charge of the faction. She rarely appeared in front of people in the Myriad Laws Academy, and as such, only a handful of people knew about her existence. For this reason, many people thought that Yang Yu Chen was a peerless genius of the Myriad Laws Academy. Previously, when Lang Chun Yuan made her debut, people thought that her talent was not inferior to his and might even surpass his. However, after the Trial of Gods, there was no doubt in anyone's mind that the biggest prodigy was Duan Ling Tian, his junior brother.

Lang Chun Yuan said with a giggle, "Junior brother is the most awesome! However, no matter how awesome he is, he's still my junior brother!" Then, she assumed the tone of an elder before she said to Duan Ling Tian, "Junior brother, when you become more powerful than me, you have to remember to protect me."

Lang Chun Yuan was older than Duan Ling Tian, but her appearance and behavior were incongruent with her age.

Duan Ling Tian had already gotten used to Lang Chun Yuan's behavior. He replied without missing a beat, "Of course! Whoever dares to bully Fourth Senior Sister will have to answer to me! I won't let him or her go!"

Lang Chun Yuan smiled in delight upon hearing Duan Ling Tian's words. She felt that she did not dote on her junior brother in vain.

At this time, Yang Yu Chen said, “Junior brother, Fourth Senior Sister, tell me about your experiences in the Trial of Gods.”

Under normal circumstances, Yang Yu Chen would not be so curious. However, Duan Ling Tian’s progress was simply too exaggerated, stimulating his curiosity. He had only included Lang Chun Yan perfunctorily since he was afraid she would be jealous if he did not include her. Moreover, he still planned to let her take over the Inner Palace faction so he could enter the Realm Battlefield.

Duan Ling Tian was just about to speak when Lang Chun Yuan cried out, “Me first! Me first!”

Duan Ling Tian smiled faintly as he looked at Lang Chun Yuan, patiently waiting for her to recount her experiences in the Trial of Gods.

Duan Ling Tian was aware of some of the things she went through such as the time she killed almost all of the advanced Emperors of Gods in the capital of the Soaring Divine Kingdom. In his opinion, her actions were highly dangerous. Fortunately, she did not meet with any accidents. He was also naturally aware of her experiences during their time in Destiny Canyon.

...

While the trio from the Inner Palace faction chatted happily, news of Duan Ling Tian becoming an advanced Emperor of Gods had spread throughout the Myriad Laws Academy, shocking everyone.

An advanced Lord of Gods became an advanced Emperor of Gods and completely stabilized his cultivation base in just three years. The next step for him was to break through into the realm of a Supreme God.

...

Soon after, the news spread out from the Myriad Laws Academy to various heavyweight supreme-rank forces.

Initially, many people who heard the news were very dismissive due to how exaggerated it was. They did not even bother to report the news to their respective superiors. They were forced to believe the news after they verified the news thrice. Needless to say, everyone was shocked and frightened by Duan Ling Tian's progress.

"Duan Ling Tian from the Myriad Laws Academy is actually so monstrously talented?"

"If I had known he's so amazing, I would've personally gone to the Pure Yang Sect to invite him to join our sect! What a pity that I missed such an opportunity!"

"I remember the Lone Primordial Spirit Congregation has enmity with Duan Ling Tian, right? I'm afraid the people from the congregation won't be able to sit still after receiving this news..."

"They might take the initiative to extend an olive branch. After all, Duan Ling Tian is simply too heaven-defying. Currently, he might not be a threat to the Lone Primordial Spirit Congregation, but this won't be the case in the future..."

"Given enough time, Duan Ling Tian will definitely become a supreme powerhouse. All he needs is time."

...

The Lone Primordial Spirit Congregation, a heavyweight supreme-rank force, naturally also received news about Duan Ling Tian's progress.

The Leader of the Lone Primordial Spirit Congregation instantly called for a meeting with all of his vice leaders, except for Lu Tian Feng. He had ordered for Lu Tian Feng to be captured as soon as he confirmed the veracity of the news. If he and his men could not find a chance to deal with Duan Ling Tian before he grew into his potential, he planned to send Lu Tian Feng to Duan Ling Tian so that Duan Ling Tian could vent his anger.

Needless to say, unless he was 100% certain of his success, he would not easily make a move against Duan Ling Tian. After all, if Duan Ling Tian survived, there was no doubt that Duan Ling Tian would fight the Lone Primordial Spirit Congregation to his last breath.

In any case, all of his anger was directed toward Lu Tian Feng at this moment, and his anger only grew when he discovered that Lu Tian Feng was a step ahead of him and had already left the Lone Primordial Spirit Congregation.

“He left?!”

...

In fact, Lu Tian Feng did not leave the Lone Primordial Spirit Congregation because someone informed him of the leader's intention to capture him. He had decisively left the congregation as soon as he received news from the Myriad Laws Academy.

How could he not understand what kind of limitless potential someone who became an advanced Emperor of Gods and stabilized his cultivation base within three years possessed? This feat was not only unprecedented in the Profound Energy Land but in the other Realms of Gods as well.

It was also not difficult for him to guess what the Leader of the Lone Primordial Spirit Congregation would do after receiving the news. He knew the leader and the other vice leaders would definitely try to capture him to appease Duan Ling Tian. As such, he did not hesitate and quickly escaped.

“Damn it! Not only did that damn Duan Ling Tian survive the Trial of Gods, but he even had such an amazing fortuitous encounter!”

For Duan Ling Tian to become an advanced Emperor of Gods from an advanced Lord of Gods in three years, Lu Tian Feng did not believe that Duan Ling Tian did not have any fortuitous encounter.
