

Sovereign 4311

Chapter 4311 Junior Brother?

After Yang Yu Chen left, the old intermediate Supreme God who was skilled in the law of earth and the middle-aged intermediate Supreme God left as well. They did not hide their intentions and left openly.

Meanwhile, when Yang Yu Chen, who was in front of the duo, noticed the duo's presence and looked back, his expression suddenly changed. Then, he quickly fled.

Seeing that Yang Yu Chen had increased his speed, the duo, who was chasing him, smiled mockingly as their eyes shone with killing intent.

"His speed is so slow. How incompetent. It seems like just one of us can easily kill him!" the middle-aged man said with a sneer.

"Let's just work together to kill him as fast as we can. Then, we can return to Senior Brother Lei and spread the word about Duan Ling Tian..." the old man said with a cruel smile on his face as he looked at the fleeing white-clad young man in front of him.

The duo quickly made a move; one of them flew out and blocked Yang Yu Chen's way while the other brought up the rear.

"Boy, you can't escape!"

“You’re so slow, and yet, you think you’ll be able to escape from us? Fool!”

“You’re just a weakling, but you dare to doubt the three of us? You must be seeking death!”

The duo looked at Yang Yu Chen contemptuously after they stopped Yang Yu Chen. In their opinion, there was no doubt that Yang Yu Chen was going to die soon. They wanted to teach him a lesson for meddling in their business and savor the expression of despair on his face before he died.

“You’re so incompetent, and yet you dare to meddle in our matters. Remember not to be so foolish in your next life!” the middle-aged man, who stood in front of Yang Yu Chen, said. Divine Energy surged from his body as he prepared to attack Yang Yu Chen.

Previously, when faced with Duan Ling Tian who was a rudimentary Supreme God, the duo did not have such confidence. Although Yang Yu Chen was an intermediate Supreme God and his cultivation base was higher than that of Duan Ling Tian, the duo was very confident about dealing with Yang Yu Chen. After all, based on Yang Yu Chen’s speed, the duo thought that Yang Yu Chen was just an ordinary intermediate Supreme God.

“Is he scared silly?”

Seeing that Yang Yu Chen seemed unafraid, the old man was clearly a little dissatisfied. He had expected Yang Yu Chen to be terrified, but Yang Yu Chen’s reaction was completely out of his expectations.

While the duo assumed that Yang Yu Chen was frozen in fear, they suddenly heard the white-clad Yang Yu Chen say with a sigh, “What a pity.”

Yang Yu Chen shook his head and continued to say, “Only two of you chased after me... Forget it. I’ll kill both of you first before I send your companion to the netherworld to accompany both of you. Don’t worry, I won’t let you wait for long.”

Subsequently, Yang Yu Chen made a move.

In just a moment, the phenomenon of the law that shone for a million miles appeared.

The duo’s expressions changed immediately upon seeing this. At the same time, they finally realized that Yang Yu Chen had been hiding his strength and intentionally slowed down his speed earlier. After all, it was impossible for an intermediate Supreme God who had comprehended the law to the point where it could manifest a phenomenon that shone for a million miles to be so slow.

“You actually hid your strength? Hmmpf! So what if you’re not weaker than us? There are two of us here!”

Although the duo was surprised that Yang Yu Chen had hidden his strength, they were not afraid. In their opinion, Yang Yu Chen was at most on par with them. Since there were two of them, they were certain that they would be able to kill him.

Alas, when they fought, the duo finally realized that they had made a grave mistake. Yang Yu Chen’s cultivation base and the level of his comprehension were the only things they had in common. Unlike them, Yang Yu Chen had comprehended the Mastery Dao, one of the Four Daos of Heaven and Earth, to a terrifying level. His Mastery Dao was so powerful that it quickly suppressed the powers of the laws they comprehended, making it difficult for them to use their laws.

“No!”

“Impossible!”

Yang Yu Chen easily defeated the two intermediate Supreme Gods with just three moves. Before the despairing duo could escape, he killed them indifferently. After killing them, he did not linger and quickly returned to the spot where he had just left.

Among the three intermediate Supreme Gods, there was only one left now. Even if the other party was the strongest among the trio, Yang Yu Chen could still easily kill him with a move.

Even among the top intermediate Supreme Gods in the God Defying World, Yang Yu Chen was considered rather powerful. With his strength now, he was not even afraid of intermediate Supreme Gods who had comprehended their laws to the point where they could manifest phenomena that shone for ten million miles. This was because his Mastery Dao had improved by leaps and bounds recently due to a fortuitous encounter.

At this time, two huge figures appeared in the sky and let out an unwilling cry each before they crumbled to the ground.

...

At the place where Duan Ling Tian was last seen...

Many people looked into the distance when they heard the commotion.

Senior Brother Lei, the leader among the four intermediate Supreme Gods, whose name was Lei Tong Shan, was still telling people about his encounter with Duan Ling Tian when he heard the

commotion. He instinctively looked up and saw the phenomenon of the law that shone for a million miles.

Initially, Lei Tong Shan did not react to the deaths of the two intermediate Supreme Gods. It was not unusual for people to die in the advanced chaotic region, after all. However, his expression changed after a moment when he realized that the commotion was from the direction where his two junior brothers had left.

“That place... No! Impossible!”

Lei Tong Shan quickly denied the possibility that his two junior brothers had died. After all, in his opinion, the target was just an intermediate Supreme God. Even if his two junior brothers were weaker than the target, they should not have died so quickly unless there was an advanced Supreme God or a top intermediate Supreme God who intervened.

Lei Tong Shan took a deep breath to calm down before he checked his junior brother's Soul Pearls in his spatial ring. With just a glance, he saw that the two Soul Pearls had shattered. In just a blink of an eye, the calm expression that had just appeared on his face vanished immediately.

‘I must escape now!’

Since the other party was capable of killing his two junior brothers, Lei Tong Shan knew the other party could easily kill him as well. After all, even if he was stronger than his two junior brothers individually, he was weaker than their collective strength. Given enough time, if his two junior brothers joined forces, they would be able to defeat him. His level of comprehension was the same as his junior brothers, and the only advantage he had over them was his rudimentary form of the Sword Dao.

Lei Tong Shan did not hesitate and quickly fled. In his opinion, the other party would likely return to look for him after killing his two junior brothers.

Swoosh!

Lei Tong Shan's speed was astonishingly fast. In just a moment, he had crossed mountains and rivers. Unfortunately, Yang Yu Chen appeared and blocked his path in fewer than thirty breaths.

Lei Tong Shan's expression was extremely dark at this moment. At this time, he had already confirmed that no one intervened and killed his two junior brothers. It was Yang Yu Chen who killed his junior brothers, and Yang Yu Chen was a top intermediate Supreme God.

'He can manifest the phenomenon of the law that shines for a million miles just like my junior brothers, but he easily killed them... His speed is very fast as well... It's likely that he has other means that's stronger than my rudimentary form of the Sword Dao!'

Although Lei Tong Shan did not know the specifics, he could roughly gauge Yang Yu Chen's strength.

"You ran away pretty fast," Yang Yu Chen said as he looked at Lei Tong Shan indifferently.

"Sir," Lei Tong Shan said solemnly, "Earlier, I dissuaded my junior brothers from causing trouble and provoking you. Alas, they refused to listen to me, and there was nothing I could do. Sir, they provoked you and could only blame themselves for their deaths. However, sir, I didn't do anything. You won't kill me when I've done nothing wrong, right?"

In order to survive, Lei Tong Shan quickly put away his arrogance. He did not even mention that his master had the support of a supreme powerhouse. He knew it was meaningless to mention such a thing. If he were in Yang Yu Chen's shoes, he would kill Yang Yu Chen immediately for threatening him with a supreme powerhouse. After all, no matter how powerful supreme powerhouses were, what could they do at such a time? As such, he did not put on a strong front. At this moment, even if Yang Yu Chen asked him to kneel and kowtow, he would do it without any hesitation as long as he could survive.

After living for so many years, Lei Tong Shan knew that pride and dignity were nothing compared to staying alive. Moreover, there was no third party present at this moment and no one was around to witness his embarrassment. As such, he could easily suffer this blow to his pride.

Yang Yu Chen did not respond to Lei Tong Shan's words. Instead, he asked expressionlessly, "Tell me about your encounter with Duan Ling Tian."

Seeing that Yang Yu Chen did not intend to make a move and asked about Duan Ling Tian instead, Lei Tong Shan assumed that Yang Yu Chen was searching for Duan Ling Tian like the others. His expression eased immediately, and he recounted his encounter without missing any details. After all, there was no need to lie about his encounter. If he lied once, he would have to use more lies to cover up the first lie. If he was discovered, he might lose his life.

After listening to Lei Tong Shan, Yang Yu Chen shook his head and sighed softly. "Junior brother is really unlucky."

"Junior brother?"

When Lei Tong Shan heard these two words, his eyes widened, and his expression changed drastically.

Chapter 4312 Huge Rewards

It was beyond Lei Tong Shan's expectations that the person in front of him was Duan Ling Tian's senior brother. He had heard quite a bit about Duan Ling Tian so he knew that if the person in front of him was Duan Ling Tian's senior brother, the person had to be Yang Yu Chen or Hong Yi Feng from the Myriad Laws Academy's Inner Palace faction in the Profound Energy Land.

Based on the clothing and the temperament of the person in front of him and thinking of the rumors he had heard before, it was not difficult for him to figure out that the person in front of him was Yang Yu Chen.

‘Wait...’

Suddenly, Lei Tong Shan thought of a problem. He, like most people, learned about the Myriad Laws Academy's Inner Palace faction because of Duan Ling Tian. Based on what he had heard, he remembered that Yang Yu Chen was only a little stronger than him. He also heard that Yang Yu Chen could only manifest a faint phenomenon of the law that shone for a hundred thousand miles. He had thought that Yang Yu Chen was only stronger than him because of Yang Yu Chen's Mastery Dao.

However, today, Lei Tong Shan realized that the rumors he had heard about Yang Yu Chen's strength were a description of Yang Yu Chen's strength in the past. Currently, Yang Yu Chen was very powerful even among top intermediate Supreme Gods. Even prodigious intermediate Supreme Gods who could manifest phenomena of the laws that could shine for ten million miles might not be stronger than Yang Yu Chen unless they had also comprehended one of the Four Daos of Heaven and Earth to a certain level or possessed another powerful means.

Lei Tong Shan was far weaker than Yang Yu Chen now. He knew that Yang Yu Chen could kill him within a few moves.

After a moment, Lei Tong Shang took a deep breath to calm down and stopped his body from trembling. Then, he cupped his fists together at Yang Yu Chen and said, “Sir Yang, although my junior brothers and I planned to kill your junior brother, we failed after all. You’ve killed my junior brothers, and they deserved it. As for me, I’m willing to give you everything I have as long as you spare my life. What do you think?”

Lei Tong Shan was even more certain that Yang Yu Chen was going to kill him after discovering that Yang Yu Chen was Duan Ling Tian’s senior brother. As such, he no longer dared to speak nonsense and did not conceal his intention to kill Duan Ling Tian. After all, Yang Yu Chen would not believe him. It was better for him to be honest and see if he could get Yang Yu Chen to spare his life in exchange for all his possessions.

“No.”

Lei Tong Shan’s expression fell when he heard Yang Yu Chen’s refusal. In just a moment, energy burst forth from his body, and he fled.

Alas, although Lei Tong Shan was fast, Yang Yu Chen was faster. In just a moment, Yang Yu Chen easily regained control of the situation.

Lei Tong Shan was stronger than his junior brothers, but he was too weak in front of Yang Yu Chen. In fewer than three breaths, he was already on the brink of death.

“Yang Yu Chen, if you kill me, you’ll definitely regret it. I am...”

At the critical moment, Lei Tong Shan decided to reveal his identity to threaten Yang Yu Chen. It was the only thing he could think of at this moment.

However, Yang Yu Chen did not allow Lei Tong Shan to finish his words. He said, “Shut up. Do you think people will find out that I kill you?”

Even if the supreme powerhouse overseeing the area was aware that Yang Yu Chen killed Lei Tong Shan, it was unlikely that the supreme powerhouse would reveal it to the supreme powerhouse whom Lei Tong Shan knew unless the supreme powerhouse was familiar with Lei Tong Shan’s supreme powerhouse, which was very unlikely.

Moreover, Yang Yu Chen was certain that Lei Tong Shan did not have a close connection with the supreme powerhouse. Otherwise, Lei Tong Shan would have a life-saving jade token.

For this reason, Yang Yu Chen decisively killed Lei Tong Shan. After killing the three intermediate Supreme Gods, he did not seem happy. Instead, his expression was rather solemn.

“I hope junior brother will be more careful... Currently, not only are the rudimentary and intermediate Supreme Gods searching for him, but the advanced Supreme Gods are searching for him as well... Many of those advanced Supreme Gods are rather outstanding as well...”

Even Yang Yu Chen could only kill an ordinary advanced Supreme God. Top advanced Supreme Gods could easily squash him as though he was an ant.

...

Duan Ling Tian who had fled naturally did not know that the three intermediate Supreme Gods who were chasing after him had been killed by his Third Senior Brother, Yang Yu Chen. He was only focused on escaping the danger.

When he was discovered by the four intermediate Supreme Gods, he had killed one of them. Unfortunately, at the moment of the intermediate Supreme God's death, the intermediate Supreme God had called out his name. As such, he knew it would draw everyone to the area, and it was imperative that he left this area.

At the same time, Duan Ling Tian wished that he could enter the deca-secret realm that he had opened so he could take refuge in the secret realm. After leaving the secret realm, it was highly likely that he would be transported to another area.

'It's better not to fly. I should continue to hide as I move...'

Duan Ling Tian crossed mountains and rivers with unrivaled agility, avoiding many people in the sky. He could sense many people's Divine Consciousness as he moved.

"More and more people are showing up..."

It did not take long for Duan Ling Tian to notice the increase in the number of people searching for him. After all, everyone was searching the area after hearing the commotion.

The situation was becoming more and more dangerous for Duan Ling Tian.

Duan Ling Tian had yet to recover from his mental exhaustion, and yet, he had been fleeing for many days. If he were to engage in a fight now, perhaps, he might not even be a match for the four intermediate Supreme Gods he encountered previously.

Suddenly, Duan Ling Tian heard an exclamation of surprise.

“There’s someone over there! He’s not wearing a purple robe, but based on his sneaky behavior, he might be Duan Ling Tian!”

Indeed, Duan Ling Tian was not wearing his purple robe now. However, he did not change his appearance. With so many powerhouses searching for him, they could easily see through his disguise using their Divine Consciousness.

Unlike before, everyone was searching with their Divine Consciousness now without caring if they would offend people. At this time, everyone was doing the same thing to search for Duan Ling Tian. As such, everyone used their Divine Consciousness freely to probe others.

Under such circumstances, Duan Ling Tian keenly felt the danger. At this time, he truly understood the saying that the nail that stuck out would get hammered.

‘It seems that I’ve stood out too much recently... However, if I keep hiding my strength, it’ll be impossible for me to gain everything I have today...’

Duan Ling Tian did not regret his decision. After all, his strength would not have improved so quickly if he kept a low profile all the time. With his current strength, he was confident about killing most intermediate Supreme Gods, and he was not even afraid of top intermediate Supreme Gods. Even if he could not kill an intermediate Supreme God, he was confident his opponent could not defeat and kill him as well. He was already so powerful even though he had yet to stabilize his cultivation base.

‘There’s still a long way to go before I can stabilize my cultivation base. I hope that after entering a few secret realms, I’ll be able to quickly stabilize my cultivation base. Otherwise, I’m afraid I won’t be able to continue staying in the advanced chaotic region...’

After learning about the overall ranking, Duan Ling Tian knew that he was going to become an eyesore to many people. However, he did not expect the situation would be so grim.

‘Don’t they have to accumulate battle merits and chaotic points? Do they not care? Do they only want to kill me for the pleasure of it?’

Duan Ling Tian felt rather speechless when he thought about the number of people who were out to kill him. He wondered if they had nothing better to do. After all, he was certain most of these people did not have hope at all to rank in the top three of the overall ranking and most of them likely did not have connections to anyone who could rank in the top three of the overall ranking.

...

Duan Ling Tian was unaware that multiple bounties had been placed on him in the advanced chaotic region.

If one recorded the process of killing Duan Ling Tian using a Floating Image Pearl, one could claim a huge reward for killing Duan Ling Tian. One could claim not just one but all rewards from the multiple bounties that were placed on Duan Ling Tian, and the bounties were increasing by the day. In short, one could claim a lot of rewards after killing Duan Ling Tian.

“Kill Duan Ling Tian and remember to record the process with a Floating Image Pearl. Then, you can claim the rewards with the Floating Image Pearl. You’ll be rewarded with a life-saving jade token from a supreme powerhouse. With it, you can obtain the help of a supreme powerhouse outside of the Realm Battlefield.”

“Record the process when you kill Duan Ling Tian. After we confirm that the recording from the Floating Image Pearl is not fake, you’ll receive three fragments of prime divine artifacts!”

“Kill Duan Ling Tian...”

All kinds of rewards were offered in the bounties that appeared in the various base camps in the advanced chaotic region.

The people who placed the bounties on Duan Ling Tian’s head were, without exception, from prime supreme-rank forces in the various Realms of Gods or descendants of sectless supreme powerhouses.

Chapter 4313 There’s No Lack of Reckless Supreme Powerhouses

Duan Ling Tian naturally did not know that he was so valuable now.

Rewards were being offered up one after another in the base camps in the advanced chaotic region.

In the beginning, these people secretly put a bounty on Duan Ling Tian, but as time went by, these people began to do it openly.

“Heavens! The rewards have increased again! Duan Ling Tian is like a treasure now!”

“He’s undoubtedly a treasure! What’s more important than killing him now? As long as you’re able to kill him and record the process, you’ll receive the rewards no matter who you are. Moreover, you’ll receive the rewards from everyone who put a bounty on Duan Ling Tian!”

“I heard some people say that these rewards are even better than what you can get from killing others....”

“Alas, I’m not strong enough to kill him. Otherwise, I’ll search for him tirelessly like the others as well...”

“It’s fine even if you can’t kill him. Many people have also offered up rewards if you can provide them with Duan Ling Tian’s exact location. Naturally, your information has to be accurate and they have to successfully kill Duan Ling Tian before you can receive the rewards. It’s said that the reward is one-tenth of the rewards from the bounties.”

“One-tenth?! That’s a lot! Perhaps, the value of the rewards is even better than the value of the rewards of ranking in the top three of a category...”

“I don’t know about that. The reward for the ranking is the divine fountain. The divine fountain is a rare and precious treasure. How can the rewards from the bounties compare to the divine fountain?”

As the rewards for killing Duan Ling Tian increased, many people in the base camps were busy discussing it.

At this moment, it was as though everyone in the world wanted Duan Ling Tian’s life.

...

Ning Yi Xuan had been working very hard during this time to rank in the top ten of the intermediate Supreme God ranking. He spent most of his time in secret realms, and when he was waiting to enter the secret realms, he would usually go to a base camp to rest.

When Ning Yi Xuan went to the base camp this time, he also discovered the many bounties that had been placed.

‘Duan Ling Tian...’

Although Ning Yi Xuan had long suspected that Duan Ling Tian would be targeted after the announcement about the overall ranking, he did not expect so many forces and people would offer up so many generous rewards to kill Duan Ling Tian.

Ning Yi Xuan was from a prime supreme-rank force and was favored by his clan’s supreme powerhouse. For this reason, he had seen many precious things before. Even then, he was still shocked by the rewards for killing Duan Ling Tian.

“Many of these people are from prime supreme-rank forces... Did they obtain the approval of their respective supreme powerhouse before doing this? Wait... They wouldn’t have dared to do this if they didn’t have the approval of their respective supreme powerhouses. However, aren’t the other supreme powerhouses who are committed to the purpose of the Realm Battlefield and the advanced chaotic region going to do anything about it? Or are they unaware of this?”

...

Many supreme powerhouses tacitly agreed to place a bounty on Duan Ling Tian, and it caused other supreme powerhouses to feel dissatisfied. Those who felt dissatisfied were those who genuinely hoped to cultivate more powerhouses in the God Defying World. It was only natural that they were dissatisfied with the others targeting a prodigy like Duan Ling Tian.

“Duan Ling Tian is undoubtedly a prodigy. If they target him and he dies, it’ll be a huge loss to our God Defying World!”

“That’s right. It’ll be a loss to us. The purpose of the Realm Battlefield is to discover and cultivate prodigies. That’s how we discovered Duan Ling Tian. It’s really not fair that these forces are targeting him after the announcement of the overall ranking was made.”

“Using the divine fountain as a reward, opening the advanced chaotic region, and even the creation of the overall ranking were proposed by that person. Did he acquiesce to this?”

...

At the same time, a young man dressed in a robe as white as snow stood with his hands on his back in a pavilion that hung in the endless void. He stared ahead blankly, and no one knew what he was thinking at this moment.

After a while, a middle-aged man appeared behind the young man and asked, “My lord, are you really not going to intervene?”

Upon hearing this question, the young man smiled faintly. “Intervene? Intervene in what matter?”

“The bounties placed on Duan Ling Tian can longer be considered a competition among the cultivators in the advanced chaotic region. This matter has become a battle of interests between the major supreme-rank forces and Duan Ling Tian,” the middle-aged man said in a deep voice, “Most importantly, this wouldn’t have happened without those people’s approval...”

The middle-aged man continued to say, “My lord, don’t you have high hopes for Duan Ling Tian? There’s no need to push him into a fire pit like this, right? He’s facing prime supreme-rank forces that have supreme powerhouses... His chances of winning are extremely low. Based on what I heard, his location in the advanced chaotic region was discovered not long ago and he almost died... He...”

At this time, the white-clad young man calmly interjected, “So what do you want to say? Do you think I should intervene and warn the others? Tell them to withdraw the bounties?”

“Yes,” the middle-aged man said, “No matter what, Duan Ling Tian is just a rudimentary Supreme God, and his cultivation base has yet to stabilize. It’s nearly impossible for him to survive now that he has to face those aggressive intermediate and advanced Supreme Gods from prime supreme-rank forces.”

After a pause, the middle-aged man asked, “Don’t tell me you think he’ll be able to survive this?”

The white-clad young man said with a slight smile on his face, “I don’t think about him. What does he have to do with me? Do you think I suggested opening the advanced chaotic region and creating the overall ranking to target him? If he’s not confident about surviving, he can always enter a base camp or leave the advanced chaotic region. Once he does that, who will target him? Based on what he had gained so far, even if he leaves now, he’ll likely still rank in the top three of the rudimentary Supreme God ranking. It’s just that he won’t be able to rank in the top three of the overall ranking. Under these circumstances, if he overestimates himself and is killed as a result, he can only blame himself for being greedy. If he dies because of this reason, no matter how talented he is and how great his future achievements are, he won’t be able to survive in the Outer Boundary. No matter how talented one is, how is one going to protect the God Defying World if one can’t survive in the Outer Boundary?”

The white-clad young man continued to say calmly, “I know you think highly of him, but you’re worrying too much. You’ve come a long way and have experienced a lot. Can’t you understand this matter? Even if you cherish talents, you have to remember that talent is useless if the other party is reckless. Even if the other party is able to become a supreme powerhouse, he or she won’t be able to survive long after leaving the God Defying World. In the God Defying World, there’s no lack of

mediocre supreme powerhouses, and there's also no lack of reckless supreme powerhouses who don't know when to advance and retreat."

"You should leave now. In the future, don't look for me again because of this matter again. You can consider that I acquiesced to this matter. This matter is not completely out of his control. If he doesn't want to die, all he needs to do is leave the advanced chaotic region," the white-clad young man said, clearly displeased and impatient.

"I understand," the middle-aged man said. After listening to the white-clad young man's words, he naturally no longer said anything else. He also realized that he had been indeed too concerned about the prodigies and that he had forgotten that Duan Ling Tian could leave whenever he wanted to. If Duan Ling Tian did not leave because he overestimated himself, then Duan Ling Tian could only blame himself if he died.

The middle-aged thought to himself, 'I'll stop caring about this matter. It all depends on him whether he lives or dies...'

...

Duan Ling Tian naturally did not know that he had attracted the attention of many supreme powerhouses even though he was just a new rudimentary Supreme God. He was also unaware that a supreme powerhouse had spoken out for him.

At this moment, Duan Ling Tian had been discovered even though he had been very cautious when he traveled. He sensed three intermediate Supreme Gods tailing him from afar. However, they were clearly afraid of him because they did not make a move at all.

'They haven't made a move yet... Are they waiting for someone? It seems like an advanced Supreme God might show up later...'

After a while, the trio still did not do anything and only followed Duan Ling Tian, causing him to feel puzzled.

Among the trio, one was skilled in the law of wind and was capable of manifesting the phenomenon that could shine for a million miles. As such, although Duan Ling Tian could teleport, he would still be able to catch up to Duan Ling Tian.

‘After crossing the huge canyon up ahead, I’ll kill the other two if they’re still following me. Those two aren’t skilled in the law of wind so they won’t be able to escape when I kill them...’ Duan Ling Tian thought to himself as his eyes glinted coldly.

When Duan Ling Tian finally crossed the huge canyon, he discovered that the trio was still following him. Hence, he stopped moving and teleported to the back.

When Duan Ling Tian reappeared near the three intermediate Supreme Gods, their expressions changed immediately. The one who was skilled in the law of wind quickly retreated to the side before he called out to his two companions, “Be careful!”

One of the other two was skilled in the law of earth. In just a moment, a dark yellow energy surged from his body and formed a defensive barrier around him before he retreated.

As for the final person, rippling energy like the water swept out from his body like a tidal wave.

The duo chose to attack and retreat decisively. Although they were rather strong intermediate Supreme Gods, they did not dare to underestimate Duan Ling Tian who was a rudimentary Supreme God at all. After all, words of Duan Ling Tian’s strength had spread far and wide.

“You want to retreat now? It’s too late!”

Duan Ling Tian sneered when he saw the two intermediate Supreme Gods retreat. At the same time, the negative emotions that had accumulated in his heart over the past few days finally exploded at this moment.

During this period of time, Duan Ling Tian felt like a rat being hunted. He had done nothing, and yet, so many people were out to kill him. He did not even dare to enter base camps, afraid that people were lying in wait outside the base camps. Since he did not enter any base camp, he was still unaware of the reason why so many people were out to kill him.

As soon as Duan Ling Tian made a move, the Seven Orifices Exquisite Sword appeared. After he cast his law of space, Mastery Dao, and Sword Dao, the phenomenon that shone for a million miles appeared.

!!

Meanwhile, the duo did not intend to fight Duan Ling Tian directly.

When the intermediate Supreme God who comprehended the law of water saw how easily Duan Ling Tian had crushed his attack, his expression changed.

“He’s so strong?!”

The trio finally realized that Duan Ling Tian was even more exaggerated than the rumors.

“With this strength, he should be on par with those top intermediate Supreme Gods who are capable of killing ordinary advanced Supreme Gods, right?”

At this moment, the duo suddenly cried out in unison, “Fang He, attack!”

Fang He was the intermediate Supreme God who was skilled in the law of the wind. It was thanks to him that they were able to keep up with Duan Ling Tian. Otherwise, the other two, who comprehended the law of earth and the law of water respectively, would have lost track of Duan Ling Tian long ago.

Similar to his companions, Fang He was shocked when he saw Duan Ling Tian crush the attack, and he was frightened by Duan Ling Tian’s terrifying strength. He knew that if he went over at this moment, he would definitely die.

When Fang He saw Duan Ling Tian rushing toward his two companions, instead of going over, he quickly bellowed in a thunderous voice before he fled, “Duan Ling Tian is here!”

Fang He’s thunderous voice swept through a huge area in just an instant.

As Fang He fled, he thought to himself, ‘This is the last thing I can do for both of you... I hope you don’t blame me.’

After witnessing Duan Ling Tian’s strength, Fang He knew that they would be unable to defeat Duan Ling Tian even if he went over. Even if he was skilled in the law of wind, it would be difficult

for him to escape Duan Ling Tian at such a close range. After all, the law of space was very powerful. Once he was restrained, no matter how fast he was, it would be useless.

“Fang He!”

When Fang He’s two companions heard his voice, their expressions changed immediately. Seeing Fang He who was getting further and further away, how could they not guess Fang He’s thoughts at this moment? As they dealt with Duan Ling Tian hastily, they cursed Fang He and his entire family inwardly. However, after a short moment, they no longer had the energy to curse Fang He due to the immense pressure from Duan Ling Tian. They felt as though their bones were shaking and falling apart.

“How can he be so strong?”

“He’s just a new rudimentary Supreme God. How can his combat power be so terrifying?”

The duo’s souls trembled when they saw Duan Ling Tian’s terrifying combat power. Before today, they did not think that it was possible for a rudimentary Supreme God to be so strong.

“No!” the intermediate Supreme God who was skilled in the law of water cried out as Duan Ling Tian’s attack hit him first. Then, a seven-colored sword ray pierced his body before exploding into thousands of sword rays in the next moment. Just like that, he died along with the rippling energy in the sky.

Then, a huge figure rose in the air and cried out before it crumbled to the ground.

At the same time, the intermediate who was skilled in the law of earth was strengthening his defenses with a grim expression on his face. After all, the law of earth was known for its defenses. Although Duan Ling Tian was wearing down his defenses, he still held hope of surviving. As long as he could hold on until someone showed up, he had a chance to survive. At that time, Duan Ling Tian would be unable to protect himself and those who arrived would definitely target Duan Ling Tian.

Duan Ling Tian sneered. “How shameless. Do you think you’ll be able to survive when other people arrive? You’re quite smart. However, if I want to kill you now, your defenses mean nothing to me.”

Duan Ling Tian’s gaze was cold as he opened up his Little World. Following that, a branch shot out toward the intermediate Supreme God who was defending himself with all his might.

The branch looked ordinary, but it was brimming with rich vital energy. It easily pierced and destroyed the intermediate Supreme God’s defenses.

“The Divine Tree of Life!”

The intermediate Supreme God was initially optimistic about surviving. However, after his defenses were destroyed, an expression of horror and despair appeared on his face.

For those who had yet to comprehend the perfect form of the law of earth, the Divine Tree of Life was their nemesis.

The Divine Tree of Life was born from the earth, and it was a treasure of heaven and earth. It could easily ignore the law of earth as long as the law of earth was not in the perfect form. Defensive shields formed by the law of earth could not stop it at all.

For this reason, the branch from Duan Ling Tian's Divine Tree of Life easily breached the intermediate Supreme God's defenses. He did not even have time to mend his shield. Even if he did, it would be useless. In fact, even before the branch touched his barrier, he could already sense his law of earth failing.

"No!" the intermediate Supreme God cried out in despair. He did not expect Duan Ling Tian to possess the Divine Tree of Life at all. If he had known this before, perhaps, he would not have dared to follow Duan Ling Tian.

Previously, he and his two companions planned to follow Duan Ling Tian until they came across a base camp. At that time, they planned to enter the base camp and spread the news about Duan Ling Tian's whereabouts. As long as they recorded Duan Ling Tian when they followed him, they would be rewarded if anyone managed to kill Duan Ling Tian using their information. After all, one-tenth of the rewards from the bounty was much more than they dared to dream about in the past.

The intermediate Supreme God could only watch in despair as the seven-colored sword ray shot through the hole in his defenses, which was caused by the Divine Tree of Life. No matter how courageous he was, he would not have followed Duan Ling Tian if he knew Duan Ling Tian possessed the Divine Tree of Life.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

As thousands of seven-colored sword rays swept out, a huge figure rose into the air. Before it crumbled, it cried out, "Divine Tree of Life!"

"Consider yourself unlucky to have met me!" Duan Ling Tian muttered as he glanced at the place where the intermediate Supreme God died. Then, he quickly cast the Double Teleportation Profundity and left.

Although Duan Ling Tian did not sense anything at this moment, it was not hard to guess that many people must be flocking over to this place at the moment. If he did not leave, he might die here.

Duan Ling Tian had no intention of chasing after the intermediate Supreme God who was skilled in the law of wind. It was impossible for him to catch up to the other party, and even if he could, it would be tantamount to seeking death if he chased after the other party now.

The most important thing to him now was to find a safe place. Then, he would wait until he could enter the secret realm. At that time, he would be temporarily safe.

...

Not long after Duan Ling Tian left, several people arrived. Divine Energy simmered on the surface of their skin as the energies from the laws they comprehended soared into the sky, causing the void to shake.

These few people were all powerful advanced Supreme Gods. Coincidentally, they were nearby when they heard the commotion.

“Duan Ling Tian was here?”

“Someone shouted that earlier, right?”

“There was a battle here earlier... Did Duan Ling Tian kill two intermediate Supreme Gods?”

“When one of them died, he cried out, ‘Divine Tree of Life’. What does that mean? Isn’t that something unique to the supreme powerhouses’ Little Worlds?”

“Is it possible that... Duan Ling Tian possesses the Divine Tree of Life?”

“Apart from the faint lingering auras of the law of water and the law of wind, I can sense the lingering auras of the law of space and the Sword Dao. I’m certain that Duan Ling Tian was here!”

“So Duan Ling Tian possesses a Divine Tree of Life?!”

“This is shocking news?! It makes sense now. For those who comprehend the law of earth, no matter how strong they are, as long as they have yet to comprehend its perfect form, they might still be killed by Duan Ling Tian!”

After saying that, they turned to look at the advanced Supreme God who comprehended the law of earth in unison.

The advanced Supreme God who was skilled in the law of earth wore an awkward expression on his face upon seeing this. After all, he was one step away from comprehending the perfect form of the law of earth. This means that if he encountered Duan Ling Tian, there was a chance that he would die.

...

Finally, he scoffed coldly and left with a grim expression on his face. Despite how unwilling he was, he knew he could take the risk. He had never encountered a Divine Tree of Life before, and he

could not help but wonder how ordinary people could possess a Divine Tree of Life before becoming a supreme powerhouse.

Chapter 4315 Nangong Liu Yun

“Based on the lingering aura from the law of space, he left in that direction. Chase after him!”

After the advanced Supreme God who was skilled in the law of earth left, the remaining few advanced Supreme Gods also left in another direction.

The advanced Supreme God who was skilled in the law of earth had also naturally discovered the direction in which Duan Ling Tian left, and he intentionally left in the opposite direction. He did not want to risk running into Duan Ling Tian, after all.

Although the advanced Supreme God who was skilled in the law of earth was quite strong among advanced Supreme Gods, there were still many who were stronger than him. He knew that it was impossible for him to rank in the top ten of the advanced Supreme God ranking. As such, when the bounties were placed on Duan Ling Tian, his hope of obtaining treasures was ignited.

!!

Although he was an elder in a heavyweight supreme-rank force, he did not receive many rare treasures. In addition to that, he was injured during his previous Heavenly Tribulation so he was desperate for a breakthrough. If he managed to kill Duan Ling Tian and obtain the rewards, he might be able to break through.

Who would have expected Duan Ling Tian to possess the Divine Tree of Life?

After learning that Duan Ling Tian possessed a Divine Tree of Life, his courage left him. If he persisted and chased after Duan Ling Tian, he might lose his life ahead of time.

He sighed, feeling disappointed. 'It seems like I have no chance at all...'

...

In a huge valley, a white figure was being attacked.

At this moment, three powerful intermediate Supreme Gods were attacking one intermediate Supreme God.

Initially, the latter could deal with the trio easily, but as time passed, it seemed like defeat was inevitable.

"Yang Yu Chen, you'll definitely die today!" a young man with a stern expression said as he glared at Yang Yu Chen. He was clearly the leader among the trio. One of his companions was as strong as he was while the other was slightly weaker. All in all, the trio was among the top intermediate Supreme Gods.

Yang Yu Chen's usually calm expression was nowhere to be seen at this moment, and he looked slightly disheveled. He asked, "Nangong Liu Yun, we're both from the Profound Energy Land. Why did you lead your men here to kill me?"

Yang Yu Chen was confident about dealing with the young man if the young man was alone. Even if he could not defeat the young man, it was not difficult to fight to a draw. However, the young

man had brought two companions; one was as strong as the young man and the other was just a little weaker. If the trio joined forces, he was no match for them at all.

Nangong Liu Yun, the stern-looking young man, scoffed. “Yang Yu Chen, are you stupid, or are you acting stupid? Aren’t you aware that the agreement between the Nangong clan and the Xue clan had been canceled?”

“So what? What does it have to do with me?” Yang Yu Chen frowned as an ominous feeling rose in his heart.

‘Does this have something to do with that woman? If so, then I’ve been wronged! I’m not interested in her at all! It’s all her own wishful thinking!’

Nangong Liu Yun sneered. “What does it have to do with you? Don’t tell me you don’t know that Xue Ying and I were supposed to get married! Don’t tell me that you’re unaware that Xue Ying took the initiative to break the marriage agreement because of you!”

Nangong Liu Yun’s eyes burned with the flames of fury. In his opinion, Yang Yu Chen had snatched his wife away.

Meanwhile, Yang Yu Chen felt speechless after hearing Nangong Liu Yun’s words. He was right. This matter had something to do with that woman, Xue Ying. He sighed inwardly; he really was not interested in her at all. To be precise, he was not interested in starting a family at all.

Yang Yu Chen felt rather helpless as he said, “I really don’t know about this. Nangong Liu Yun, after I leave this place, I’ll announce to the public that I, Yang Yu Chen, won’t have anything to do with Xue Ying all my life. What do you think? I guarantee that if I meet her in the future, I won’t speak to her. No matter how much she pesters me, I won’t talk to her.”

Yang Yu Chen could naturally see that Nangong Liu Yun was determined to kill him. It was also clear that Nangong Liu Yun and the other two people had come prepared. It would be difficult for him to escape. If he attempted to escape, he might die faster.

‘I didn’t expect that I, Yang Yu Chen, would be harmed by a woman to such an extent... It seems like I was right from the very beginning before I began to cultivate. I can’t get involved with women at all. Otherwise, I won’t be able to achieve great things. Look, Eldest Senior Sister is strong because she doesn’t have a husband. It’s the same for Second Senior Brother and Fourth Junior Sister. As for junior brother... Well, he’s an exception!’

Although Yang Yu Chen was in great danger at this moment, many superfluous thoughts still appeared in his mind.

“Yang Yu Chen, no matter what you say, it’s useless. You have to die today!”

Nangong Liu Yun had no intention of letting Yang Yu Chen go at all. He did not take Yang Yu Chen’s words seriously and assumed that Yang Yu Chen was only stalling for time. He said, “Yang Yu Chen, if it weren’t because I planned to hide the fact that I killed you, I would’ve recorded your words and let Xue Ying listen to them so she can have a good look at what kind of person you are!”

Yang Yu Chen’s expression changed imperceptibly. It seemed like Nangong Liu Yun was determined to kill him no matter what.

Boom!

Yang Yu Chen no longer hesitated and quickly cast his law and Mastery Dao.

Unfortunately, Yang Yu Chen's opponents were not weak either.

Nangong Liu Yun and his companion who was on par with him used their laws as well, manifesting phenomena that shone for a million miles.

As for the weakest person among the trio, he had also comprehended the law to the point where it could manifest the phenomenon that shone for a million miles. Apart from that, he had also comprehended the Devouring Dao, one of the Four Daos of Heaven and Earth. Although his comprehension of the Devouring Dao was profound, it could not compare to Yang Yu Chen's comprehension of the Mastery Dao at all. If he were to fight Yang Yu Chen alone, Yang Yu Chen could kill him within ten moves.

Boom! Boom! Boom!

As the trio joined forces to attack Yang Yu Chen, he slowly fell into a disadvantageous position.

...

At the same time, the fierce battle between the four powerful intermediate Supreme Gods naturally caused a huge commotion and drew attention.

Among the people who were attracted by the commotion, there were many advanced Supreme Gods. It did not take long for them to discover that the four intermediate Supreme Gods were very strong, possibly even stronger than them.

"They're so strong!"

“I can’t believe the four of them are only intermediate Supreme Gods!”

“How terrifying! Although I’m an advanced Supreme God, I don’t think I’m a match for any of them.”

“Who are they?”

At this time, someone flew over to join the group of people. When he looked in the direction of the commotion, he muttered to himself, “Four intermediate Supreme Gods? They’re not weak at all...”

After a moment, when he had gotten a better look at the white-clad figure in the distance, his eyes widened in shock.

“Third Junior Brother?!”

Chapter 4316 Hong Yi Feng

Hong Yi Feng did not expect to meet Yang Yu Chen, his Third Junior Brother, here. He had heard the news that Duan Ling Tian, the monstrous prodigy from the Profound Energy Land, was in this area so he had rushed over. Unlike the others who came to kill Duan Ling Tian to obtain the rewards, he came to see if he could help Duan Ling Tian. Although he had yet to confirm if Duan Ling Tian was his junior brother from the Inner Palace faction, he did not mind helping Duan Ling Tian since Duan Ling Tian was also from the Myriad Laws Academy. In the past, not only was he in charge of the Inner Palace faction, but he was also a Vice Academy Master of the Myriad Laws Academy. He and Su Bi Lie, the Academy Master of the Myriad Laws Academy, were old friends. As such, it was impossible for him to do nothing when students of the academy were in danger; it did not matter if they were not from the Inner Palace faction. However, it had to be said that there was still a difference between his treatment of students of the academy and his treatment of

members of the Inner Palace faction. He would not go all out for a student of the Myriad Laws Academy and would at most, casually give a helping hand.

It was out of Hong Yi Feng's expectations that he would meet Yang Yu Chen, his Third Senior Brother here. He also did not expect that Yang Yu Chen would be in a disadvantageous position. Based on what he had seen so far, he knew it would not take long for Yang Yu Chen to be defeated or killed if no one intervened.

"Third Junior Brother's strength..."

Hong Yi Feng also did not expect Yang Yu Chen to have grown so strong. If it were not for his law of fire, Yang Yu Chen would have caught up with him now. He marveled over Yang Yu Chen's strength for a moment before his eyes glinted coldly. Following that, he flew past the people in the surroundings toward the fight.

!!

Hong Yi Feng naturally attracted many people's attention when he joined the fight. It was not difficult to figure out that Hong Yi Feng was the acquaintance of one of the two parties who were fighting. Otherwise, no one would risk their life and join the fight at this moment.

"He's joining the fight?"

"Who is he helping?"

"He's an intermediate Supreme God as well!"

“Based on the dark expression on his face, he must be an acquaintance of the white-clad young man!”

“With the addition of another intermediate Supreme God, will the tides turn? He’s too reckless. That young man and his two helpers are top intermediate Supreme Gods. Even if he’s on par with the white-clad young man, the opposition has one more person on their side...”

“He’ll die if he joins the fight now.”

Hong Yi Feng did not only surprise the onlookers, but the three men who were attacking Yang Yu Chen and not giving Yang Yu Chen a chance to fight back were also surprised.

After a moment, Nangong Liu Yun said coldly, “Qiu Ming, stop him! It’s fine if you can’t defeat him. Just try to hold him back as long as you can! Xiao Xiang, you and I will work together to kill Yang Yu Chen!”

Naturally, Nangong Liu Yun could tell that Hong Yi Feng came to help Yang Yu Chen. However, he was not very worried. After all, in his opinion, Hong Yi Feng’s strength was on par with his at most.

“Understood!”

Qiu Ming was the weakest among the trio. Nonetheless, he was still among the top intermediate Supreme Gods.

Meanwhile, Yang Yu Chen was also surprised when he heard the words of Nangong Liu Yun and the people in the surroundings. He did not expect someone to step forward and help him at this

moment. He did not have time to look at the person who came to help him. After all, he was on the verge of defeat. If he was even a little distracted, he might die.

At this time, Qiu Ming withdrew from the fight and flew toward Hong Yi Feng. He did not bother to conceal his hostility as he asked, "Who are you? Do you know the consequences of meddling in this matter?"

Qiu Ming did not let his guard down. Since Hong Yi Feng dared to interfere at this moment, he knew that Hong Yi Feng had to be confident about his own strength. In his opinion, Hong Yi Feng was likely as strong as Yang Yu Chen and his two companions. In other words, he was rather certain that Hong Yi Feng was also a top intermediate Supreme God.

When Hong Yi Feng saw that the weakest person among the trio was sent to intercept him, he smiled mockingly and said, "You're seeking death."

Following that, a golden light burst forth from Hong Yi Feng's body as he cast the law.

A phenomenon that shone for ten million miles appeared as a figure shot out of Hong Yi Feng's body. The figure resembled Hong Yi Feng and was dressed in a fiery red robe. After the figure appeared, another phenomenon of the law that shone for ten million miles appeared.

Upon seeing this, the onlookers' eyes widened and expressions of horror appeared on their faces. They were shocked.

"He comprehended two laws to the point where they could manifest the phenomenon that shines for ten million miles!"

“This intermediate Supreme God is too terrifying!”

“Only top advanced Supreme Gods are capable of comprehending two laws to the point where they can manifest the phenomenon that shines for ten million miles, right?”

Meanwhile, the expression of Qiu Ming, who had been sent to deal with Hong Yi Feng, changed drastically. He naturally did not expect Hong Yi Feng to be so terrifyingly powerful. He thought to himself, trying to calm down, ‘It’s unlikely that he has mastered any of the Four Daos of Heaven and Earth. If that’s the case, I shouldn’t have a problem holding him back for a while...’

Qiu Ming subconsciously thought that it was unlikely that Hong Yi Feng had mastered any of the Four Daos of Heaven and Earth. If Hong Yi Feng had mastered any of the Four Daos of Heaven and Earth, Hong Yi Feng would be much stronger than top intermediate Supreme Gods like his two companions and Yang Yu Chen.

However, in the next moment, when the energies from Hong Yi Feng’s two laws swept over, Qiu Ming sensed another mysterious energy.

‘This... This is the Mastery Dao!’

Qiu Ming had just fought with Yang Yu Chen. As such, it was easy for him to sense that the mysterious energy was the Mastery Dao, one of the Four Daos of Heaven and Earth. Although Hong Yi Feng’s comprehension of the Mastery Dao was not as profound as that of Yang Yu Chen, Hong Yi Feng was definitely stronger than Yang Yu Chen thanks to the two amazingly profound laws that Hong Yi Feng comprehended.

‘I’m no match for him at all! It’s impossible for me to hold him back! I have to retreat!’

It did not take long for Qiu Ming to realize the gap between him and Hong Yi Feng. With Hong Yi Feng's strength, he did not doubt that Hong Yi Feng could kill him in just an instant. He retreated decisively and called out anxiously, "Liu Yun, Xiao Xiang, save me!"

"Hmm?"

Yang Yu Chen had found the newcomer's voice familiar. However, he had no time to think about the matter since he was still engaged in the fight. Now that Qiu Ming called for help, Nangong Liu Yun and his helper's movements had slowed down, giving him time to look at the newcomer. As soon as he saw the newcomer, an expression of surprise appeared on his face as he exclaimed, "Second Senior Brother?!"

Upon hearing Yang Yu Chen's words, the expressions of Nangong Liu Yun and the others changed immediately.

"Second Senior Brother?"

Meanwhile, Hong Yi Feng said calmly to Qiu Ming, "They won't be able to save you."

Subsequently, Hong Yi Feng's doppelganger from the law flew out like a ball of flames.

Before Nangong Liu Yun and Xiao Xiang had time to react, Qiu Ming was already engulfed in flames.

In the eyes of the onlookers, it seemed as though Qiu Ming was being devoured by a huge flaming beast.

“No!”

A shrill scream rang in the air before a huge figure appeared in the air. After the huge figure crumbled to the ground, nothing could be seen except for a divine artifact.

Just like that, a top intermediate Supreme God died.

The onlookers felt chills running up their spines. Even the advanced Supreme Gods present on the scene, who were rather powerful, looked at Hong Yi Feng fearfully.

“This person is even more terrifying than those three people!”

“Heavens! He’s much stronger than top intermediate Supreme Gods, right?”

“Is there any intermediate Supreme God who’s stronger than him?”

While everyone was still in shock, Hong Yi Feng and his doppelganger flew over to Yang Yu Chen and said, “Third Junior Brother, we’ll chat later. Let’s kill these two people first.”

Hong Yi Feng growled before a golden light burst forth from his body again. At the same time, a saber appeared in his doppelganger’s hand before his doppelganger brought the saber down.

“Alright!”

Initially, Yang Yu Chen thought that he was going to die today. He did not expect that the Second Senior Brother, whom he had not seen for a long time, would appear at the critical moment and save him.

“Hong Yi Feng?” Nangong Liu Yun snapped out of the shock caused by the sudden death of his companion, and his expression changed dramatically.

Perhaps, the others were not familiar with the Myriad Laws Academy, but Nangong Liu Yun was definitely familiar with the Myriad Laws Academy. He naturally knew about the Inner Palace faction and the outstanding members of the Inner Palace faction.

...

There was the first member of the Inner Palace faction of this generation who made a name for herself in the Outer Boundary. Many supreme powerhouses were filled with praise when they spoke about her.

Apart from that, there was Hong Yi Feng, the second member of the Inner Palace faction of this generation who was second to the first member of the Inner Palace faction. Hong Yi Feng was a former Vice Academy Master of the Myriad Laws Academy. He might not be as famous as Yang Yu Chen, but his strength was certainly not inferior to that of Yang Yu Chen.

Although Nangong Liu Yun knew that there was no member that was not strong in the history of the Myriad Laws Academy’s Inner Palace faction, he was still shocked by Hong Yi Feng’s strength. He found it hard to believe that an intermediate Supreme God could be so strong. Just like the others, he knew how unlikely it was for an intermediate Supreme God to comprehend two laws to the extent that they could manifest the phenomenon that shone for ten million miles. Without the law of

the fire and its doppelganger, Hong Yi Feng's strength would only be as strong as him, his companions, and Yang Yu Chen. With Hong Yi Feng's doppelganger, he did not only lose his advantage, but he had also fallen into a disadvantageous position.

Nangong Liu Yun looked at the menacing figures of Hong Yi Feng and the injured Yang Yu Chen with a dark expression on his face before he decisively called out, "Xiao Xiang, let's retreat!"

Xiao Xiang did not hesitate to retreat as soon as he heard Nangong Liu Yun's words.

At this time, a disdainful expression appeared on Hong Yi Feng's face when he saw that Nangong Liu Yun intended to flee. "You think you can escape?"

Subsequently, Hong Yi Feng's doppelganger from the law of fire shot out again like a ball of flames and quickly blocked the duo's way.

"Unless you comprehend the law of wind or the law of space, you can forget about escaping from me today!"

Chapter 4317 The Supreme Powerhouse From the Nangong Clan

Hong Yi Feng was very confident, and he had every right to be confident. His strongest law was the law of metal, and he had long comprehended the law of metal to the point where it could manifest the phenomenon that shone for ten million miles. Some time ago, he had a fortuitous encounter and managed to comprehend the law of his fire, which used to be his second strongest law, to the point where it could manifest the phenomenon that shone for ten million miles.

An intermediate Supreme God who comprehended any law to the point where it could manifest a phenomenon that shone for ten million miles was definitely a top intermediate Supreme God even if

he or she did not master any of the Four Daos of Heaven and Earth. If he or she comprehended any of the Four Daos of Heaven and Earth, even if he or she had just begun to comprehend it, he or she would be the strongest among the top intermediate Supreme Gods. Yang Yu Chen, Nangong Liu Yun, and his two companions were such an existence. One could only imagine how powerful Hong Yi Feng, who had comprehended two laws that could manifest a phenomenon that shone for ten million miles and the Mastery Dao, was.

“You won’t be able to escape...”

Yang Yu Chen’s injuries were not serious. As such, he quickly regained his energy after taking a few healing divine pills. He did not waste time and attacked Nangong Liu Yun and his companion along with Hong Yi Feng.

Hong Yi Feng was very strong, to begin with, and his strength was further boosted by his law of metal. For this reason, he was not at a disadvantage when faced with Nangong Liu Yun who possessed the bloodline power. Moreover, his doppelganger from the law of fire was also very powerful. Once it returned to his body, his strength would be boosted again to the point where he would be stronger than Nangong Liu Yun even if there were two Nangong Liu Yun. In fact, if Nangong Liu Yun had a twin brother, he still would be stronger than Nangong Liu Yun and his twin brother. One had to know that due to the connection between twins, they were much stronger when they joined forces compared to ordinary people joining forces.

It was not surprising that Nangong Liu Yun and his companion were helpless against Hong Yi Feng. No matter how they tried to escape from Hong Yi Feng, they were still thwarted by Hong Yi Feng. Coupled with Yang Yu Chen, they fell further into despair.

The duo almost went crazy with anxiousness as they fell further and further into a disadvantageous position.

Nangong Liu Yun’s expression was extremely unsightly at this moment. He did not expect that he would fall into such a state after gaining the upper hand earlier. If Hong Yi Feng did not intervene

earlier, he was confident he would be able to kill Yang Yu Chen in another dozen or so breaths. Alas, the terrifyingly strong Hong Yi Feng appeared at the critical moment.

Nangong Liu Yun was a proud prodigy of a prime supreme-rank clan and was highly valued by his clan's supreme powerhouse. As such, he knew very well that with Hong Yi Feng's current strength, there was no intermediate Supreme God in the God Defying World who was stronger than Hong Yi Feng.

‘In the past, Hong Yi Feng was just a top intermediate Supreme God... Now his strength has far surpassed even the strongest top intermediate Supreme God. What fortuitous encounter did he run into?’

While Nangong Liu Yun tried to escape, many thoughts appeared in his mind.

‘Do I have to use the life-saving jade token that the ancestor gave me? If the ancestor shows up and intervenes, he'll violate the rules of the Realm Battlefield and the advanced chaotic region. At that time, even my chaotic points will be deducted...’

Nangong Liu Yun felt unwilling and frustrated when he thought about this. He could not accept the loss of his chaotic points. As for his ancestor, he did not care if his ancestor was punished for breaking the rules. In his opinion, it had nothing to do with him. He felt a little guilty at most, but feeling slightly guilty was nothing when faced with death.

‘Perhaps, I'll wait for Ning Xiao Xiang to use the life-saving jade token his ancestor gave him...’

When this thought appeared in Nangong Liu Yun's mind, a sly expression on his face. However, in the next moment, he realized that it was just wishful thinking.

Ning Xiao Xiang said through Voice Transmission, “Nangong Liu Yun, I only agreed to help you today due to the rewards you promised me. My life is in danger now because of you. Now that things have reached this state, you’re still unwilling to use the life-saving jade token that your ancestor gave you? Don’t tell me that you’re waiting for me to use the life-saving jade token my ancestor gave me. If that’s the case, you can keep dreaming.”

Ning Xiao Xiang continued to say through Voice Transmission, “I think that if I surrender now and offer up something in return, they’ll spare my life. However, the same can’t be said for you. You can only die if you don’t use the life-saving jade token that your ancestor gave you.”

Ning Xiao Xiang was furious that he was implicated because of Nangong Liu Yun. Although he and Nangong Liu Yun were both proud prodigies of a prime supreme-rank force, they were not very close and were only acquaintances at best. He had only agreed to help Nangong Liu Yun kill Yang Yu Chen after Nangong Liu Yun promised to reward him.

Conversely, Qiu Ming, who was killed by Hong Yi Feng, voluntarily helped Nangong Liu Yun without the promise of rewards. They were cousins, after all.

After listening to Ning Xiao Xiang’s words, Nangong Liu Yun knew he had no choice but to use the life-saving jade token that his ancestor gave him. When he saw Yang Yu Chen and Hong Yi Feng charging toward him, he no longer hesitated and quickly crushed the life-saving jade token.

As soon as the jade token shattered, a terrifying energy swept out before a face appeared in the air and easily blocked Yang Yu Chen and Hong Yi Feng’s attacks. However, after blocking the attacks, the face turned slightly blurry. Nonetheless, one could still see that the face belonged to a middle-aged man.

After glancing at Hong Yi Feng, the majestic middle-aged man shifted his eyes to Nangong Liu Yun and said in a stern and cold voice, “You’re no match for your opponents even though you have the help of the boy from the Ning clan?”

Clearly, the middle-aged man knew who Ning Xiao Xiang was.

Ning Xiao Xiang respectfully greeted the middle-aged man. “Greetings, Senior Nangong!”

At this time, Hong Yi Feng and Yang Yu Chen finally ceased their attacks. After all, the other party was a supreme powerhouse; it was not wise for them to offend him. Even if they were not afraid of the supreme powerhouse here, who knew what would happen in the future? In the future, they would definitely head to the Outer Boundary. At that time, who knew if the supreme powerhouse from the Nangong clan would make a move against them?

Nonetheless, if the supreme powerhouse from the Nangong clan wanted to save Nangong Liu Yun’s life, he would have to offer something in return. Otherwise, Hong Yi Feng and Yang Yu Chen still would not let Nangong Liu Yun go.

Yang Yu Chen said to Hong Yi Feng through Voice Transmission, sounding a little helpless, “Second Senior Brother, when do you think Eldest Senior Sister will become a supreme powerhouse? If she’s a supreme powerhouse, we won’t have to feel afraid even if a supreme powerhouse shows up...”

Hong Yi Feng replied, “I don’t know. It’s not so easy to become a supreme powerhouse after all.”

As the supreme powerhouse from the Nangong clan reprimanded Nangong Liu Yun, Hong Yi Feng continued to say to Yang Yu Chen, “Third Junior Brother, you have to prepare yourself. I’m afraid we won’t be able to kill Nangong Liu Yun today.”

Hong Yi Feng knew that his Third Junior Brother, Yang Yu Chen, was kind and gentle, but he also knew that his Third Junior Brother was vengeful and not one to easily compromise.

Upon hearing Hong Yi Feng's words, Yang Yu Chen said with a hint of helplessness, "Second Senior Brother, I'm already past the age of recklessness. After you ran away, I took over the Inner Palace faction and became a Vice Academy Master of the Myriad Laws Academy. I've become more flexible. I'll definitely kill Nangong Liu Yun if I'm given a chance in the future, but for now, let's just get as much compensation as we can from the Nangong clan's old geezer. This is the advanced chaotic region. If he makes a move here, the consequences are much more serious compared to the Realm Battlefield..."

Hong Yi Feng felt relieved after hearing Yang Yu Chen's reply. He was worried that his Third Junior Brother would insist on killing Nangong Liu Yun today.

...

At the same time, the onlookers were shocked. This was their first time seeing the projection of a supreme powerhouse from a life-saving jade token, after all.

"Is he the supreme powerhouse from the Profound Energy Land's Nangong clan?"

"I heard that a terrifying defensive energy will appear once someone crushes a supreme powerhouse's life-saving jade token. I finally witnessed it with my own eyes today! The energy easily neutralized those two's attacks earlier..."

"The defensive energy will only appear at the moment the jade token is crushed. If one wants to survive, it'll still have to depend on whether the supreme powerhouse is willing to make a move or not. If the supreme powerhouse doesn't make a move, one will still die."

“That’s the supreme powerhouse from the Nangong clan... This means that the young man who crushed the jade token is from the Profound Energy Land’s Nangong clan.”

Everyone looked at the face in the air curiously. Although it was just a projection, the pressure it emitted was very oppressive and suffocating. This was not surprising since supreme powerhouses were the strongest in the world.

“So he’s a supreme powerhouse...”

“I didn’t expect to be able to see a supreme powerhouse in my life... Even if it’s just a projection, I can brag about it for the rest of my life...”

...

While the crowd was talking excitedly among themselves, the supreme powerhouse from the Nangong clan finally stopped reprimanding Nangong Liu Yun. He turned to look at Hong Yi Feng and Yang Yu Chen before he asked, “Are you Huangfu Meng Yuan’s junior brothers?”

The expression of the supreme powerhouse from the Nangong clan eased a lot when he looked at Yang Yu Chen and Hong Yi Feng. In fact, he was even smiling faintly.

Huangfu Meng Yuan was the Eldest Senior Sister of Hong Yi Feng, Yang Yu Chen, Lang Chun Yuan, and Duan Ling Tian.

“Senior, do you know my Eldest Senior Sister?” Hong Yi Feng asked with a smile, acting as though nothing had happened earlier.

On the contrary, a slight frown could be seen on Yang Yu Chen's face. When the supreme powerhouse from the Nangong clan suddenly mentioned his Eldest Senior Sister, he could not help but wonder if the supreme powerhouse wanted to threaten them using his Eldest Senior Sister. With this thought in mind, his expression naturally turned frosty.

Chapter 4318 Three Monsters From the Same Faction

Huangfu Meng Yuan used to be this generation's leader of the Myriad Laws Academy's Inner Palace faction. She was the faction's first member, and she was also the strongest person in the faction. It was not surprising that she was still considered the leader of the faction even after her departure.

Huangfu Meng Yuan was also the one who found Hong Yi Feng, Yang Yu Chen, and Lang Chun Yuan; who were monstrous prodigies, and brought them to the Inner Palace faction. Not only that, but she also guided them in their cultivation journey. As such, the trio had a very close relationship with her.

The supreme powerhouse from the Nangong clan said with a faint smile, "Her reputation precedes her. In fact, she's more famous than some of our God Defying World's supreme powerhouses in the Outer Boundary. Most of us are looking forward to the day that she becomes a supreme powerhouse as well. Many of my descendants idolize her as well. Alas, they can't compare to her at all."

A hint of disappointment could be heard in the supreme powerhouse's voice when he spoke.

After a brief moment, the supreme powerhouse bluntly said, "I'll give you fragments of prime divine artifacts in exchange for their lives. What do you think?"

Upon hearing these words, the crowd gasped. They were shocked that the supreme powerhouse was willing to give up five fragments of prime divine artifacts in exchange for Nangong Liu Yun and Ning Xiao Xiang's lives.

Before Yang Yu Chen spoke, Hong Yi Feng said with a smile, "Senior, you're too courteous. Very well, we'll consider this matter over."

Following that, Hong Yi Feng said to Yang Yu Chen through Voice Transmission, "Third Junior Brother, let this matter go. Five fragments of prime divine artifacts are good compensation. Moreover, he took the initiative to compensate us. If we were to ask for compensation, even if he agreed, we'd look greedy. Moreover, he might hold a grudge and make things difficult for Eldest Senior Sister in the Outer Boundary."

Yang Yu Chen said, "Third Senior Brother, there's no need to explain this to me. How could I not understand? However, this old geezer is really cunning. He deliberately offered us five instead of six fragments of prime divine artifacts. Clearly, he's hoping to drive a wedge between us."

A slight sneer could be seen on Yang Yu Chen's face near the end of his words.

Hong Yi Feng replied with a smile, "That's possible. However, it's also possible that he only has five fragments of prime divine artifacts with him now."

Since it was just a projection, the number of items a supreme powerhouse could carry with them was limited.

After conversing with Yang Yu Chen, Hong Yi Feng turned to look at the huge face in the sky and agreed to the suggestion.

“Very well,” the supreme powerhouse said with a nod.

Subsequently, five fragments of prime divine artifacts appeared out of thin air before a wave of energy brought them over to Hong Yi Feng.

At the same time, Nangong Liu Yun and Ning Xiao Xiang exchanged a look before they quickly left the place.

“The Myriad Laws Academy’s Inner Palace faction is full of outstanding prodigies. Not only is Huangfu Meng the strongest advanced Supreme God in the God Defying World, but Hong Yi Feng, based on the strength you displayed, you’re also the strongest intermediate Supreme God in the God Defying World. There’s also your junior brother, Duan Ling Tian, who’s the strongest rudimentary Supreme God in the God Defying Word. The Inner Palace faction is truly remarkable,” the supreme powerhouse said with an emotional sigh before his projection disappeared.

...

The onlookers had never heard of the Myriad Laws Academy’s Inner Palace faction until now. Through the supreme powerhouse from the Nangong clan, they learned that Hong Yi Feng and Yang Yu Chen, along with their Eldest Senior Sister who was the strongest advanced Supreme God in the God Defying World, were members of the Inner Palace faction. However, when the supreme powerhouse said that Hong Yi Feng was the strongest intermediate Supreme God in the God Defying World, they were not very surprised. After all, they had seen how strong he was earlier.

“Wait, there’s also Duan Ling Tian!”

“Heavens! So Duan Ling Tian is also a member of the Inner Palace faction?”

“Duan Ling Tian is the strongest rudimentary Supreme God in the God Defying World. I didn’t expect that he’s also from the Inner Palace faction!”

“What kind of place is the Myriad Laws Academy’s Inner Palace faction? How come the faction has so many monsters?”

“The faction has three powerhouses who are the strongest among those with the same cultivation bases. There’s no doubt that Hong Yi Feng and Duan Ling Tian are the strongest among their respective peers. As for Huangfu Meng Yuan, since the supreme powerhouse had said so, she’s undoubtedly the strongest advanced Supreme God in the God Defying World! She must be terrifyingly strong!”

...

While the crowd discussed among themselves, Hong Yi Feng looked at Yang Yu Chen with a hint of excitement in his eyes. Based on Yang Yu Chen’s reaction, it seemed like Duan Ling Tian was truly a member of their Inner Palace faction.

“Third Junior Brother, let’s go,” Hong Yi Feng said. Despite his excitement, he knew this was not the right place to ask questions. He would have to find a remote place to speak to Yang Yu Chen. Although there were no bounties on their heads now, since they had exposed their capabilities, it would not be long before the others, who hoped to rank in the overall ranking, targeted them.

“Alright,” Yang Yu Chen replied. He naturally shared the same thought as Hong Yi Feng.

When the duo left, a few advanced Supreme Gods stared at them but did not follow them. They were not confident about defeating Yang Yu Chen; who was a top intermediate Supreme God, let alone Hong Yi Feng; who was acknowledged as the strongest intermediate Supreme God in the God Defying World with strength comparable to powerful advanced Supreme Gods.

...

Hong Yi Feng and Yang Yu Chen flew away at top speed. After making sure no one was following them, they finally landed on the peak of a mid-sized mountain that was standing among lofty mountains.

After landing, Hong Yi Feng's eyes burned with curiosity as he looked at Yang Yu Chen and asked, "Third Junior Brother, is Duan Ling Tian really our junior brother? Did you recruit him to our Inner Palace faction?"

Yang Yu Chen nodded and said with a smile, "I brought him to our Inner Palace faction more than 100 years ago. With that, our junior sister has become a senior sister."

Hong Yi Feng laughed heartily before he said, "Good job, Third Senior Brother! You're more capable than me in this regard. In the past, I wanted to recruit one or two juniors, but there weren't many suitable candidates. I didn't expect you to successfully recruit such a monstrous prodigy! However, I'm curious as to why he joined our faction. Are the prime supreme-rank forces blind?"

In Hong Yi Feng's opinion, a monstrous prodigy like Duan Ling Tian should be highly sought after by prime supreme-rank forces. For this reason, he did not understand why Duan Ling Tian ended up in the Myriad Laws Academy's Inner Palace faction.

Yang Yu Chen shook his head and said, "Second Senior Brother, when junior brother joined the faction, he wasn't even an Emperor of Gods."

Hong Yi Feng was stunned by Yang Yu Chen's words. When he recovered after a few moments, he asked in shock and disbelief, "Didn't you say he only joined our faction about 100 years ago? You mean he..."

Before Hong Yi Feng finished speaking, Yang Yu Chen nodded and said, "That's right. He only became an Emperor of Gods and a Supreme God after joining our Inner Palace faction. He's stronger than all of us at his age. Even Eldest Senior Sister's cultivation speed in the past is inferior to his."

Yang Yu Chen sighed before he recounted Duan Ling Tian's experience after joining the Inner Palace faction.

"Junior brother is truly a monstrous prodigy," Hong Yi Feng said, delighted, after listening to Yang Yu Chen. However, a worried expression soon appeared on his face before he said, "Third Senior Brother, based on your description of our junior brother, he doesn't seem like someone who doesn't know when to retreat. He should have left the advanced chaotic region once he found out how dangerous things are, right?"

Yang Yu Chen did not have the answer to this question. After all, the rewards for the top three places in the overall ranking were too lucrative. Based on Duan Ling Tian's obsession with growing stronger, he had a feeling that as long as there was a glimmer of hope, Duan Ling Tian would not give up easily even if the situation was extremely dangerous.

Chapter 4319 Huangfu Meng Yuan's Junior Brother

Hong Yi Feng's expression changed slightly when he saw the hesitant expression on Yang Yu Chen's face. He asked, "What's wrong? Do you think junior brother will persist and stay in the advanced chaotic region despite the danger?"

Yang Yu Chen sighed and said, “Second Junior Brother, our junior brother’s innate talent isn’t the only reason he’s able to come this far... He has an extremely strong desire to grow stronger. You have no idea how strong his obsession with getting stronger is. No young prodigy in the God Defying World is as obsessed as he is in this regard...”

Hong Yi Feng fell silent after listening to Yang Yu Chen’s words. Based on what he knew about the history of the God Defying World, a person like Duan Ling Tian who was not even a thousand years old was unprecedented. Although he had never met Duan Ling Tian before, he was willing to protect Duan Ling Tian at all costs since they all belonged to the Myriad Laws Academy’s Inner Palace faction. The number of members in the Inner Palace faction was small, but they were all very united.

“With Second Senior Brother by my side, I should be safe in the advanced chaotic region. I hope that we’ll be able to help our junior brother as well,” Yang Yu Chen said. Duan Ling Tian’s safety was his top priority now. Although the rewards for the top three places in the overall ranking were lucrative, they were nothing compared to Duan Ling Tian’s life. Moreover, he had grown close to Duan Ling Tian after Duan Ling Tian joined the Inner Palace faction.

!!

As for Hong Yi Feng, he had a stronger sense of belonging to the Inner Palace faction compared to Yang Yu Chen, Lang Chun Yuan, and Huangfu Meng Yuan. He was also the most responsible member of the Inner Palace faction. If it were not for Huangfu Meng Yuan asking him to hand over the position of the leader of the Inner Palace faction to Yang Yu Chen, he would not have done so. After all, he knew Yang Yu Chen who cherished his freedom would find the position of the leader of the faction troublesome.

Apart from that, Hong Yi Feng also knew that staying in the Inner Palace faction for so long had caused him to slack off in his cultivation. As such, he handed over the position of leader to Yang Yu Chen in the end as their Eldest Senior Sister ordered and wandered the Realms of Gods to raise his cultivation base. After the Realm Battlefield and the chaotic regions, he entered and never left since then.

“That’s right. We have to find junior brother before the others... Before we find him, I hope he’ll be able to deal with those who find him...” Hong Yi Feng said solemnly. Now that he confirmed Duan Ling Tian was his junior brother, it became his priority to find and protect Duan Ling Tian.

After a moment, Hong Yi Feng’s expression changed as he recalled something. He said, “Third Junior Brother, since you and junior brother are on the Realm Battlefield... Does this mean that you handed the Inner Palace faction to Fourth Junior Sister?”

Hong Yi Feng could not help but wonder if Lang Chun Yuan was reliable.

Yang Yu Chen nodded. “Second Senior Brother, due to junior brother’s presence, Fourth Senior Sister is very diligent in carrying out her duties as a senior sister. She has also become a rudimentary Supreme God. Don’t worry. The Inner Palace faction is in good hands.”

Despite his words, Yang Yu Chen was not sure if Lang Chun Yuan was able to cope with the responsibilities of being the leader of the Inner Palace faction. However, he was certain that she would not allow the independent realm where the Inner Palace faction to collapse and vanish. After all, the Inner Palace faction was her only home.

...

Duan Ling Tian was unaware that his two senior brothers had given up on competing for the first three places in the overall ranking to search for him.

After wandering for a period of time, Duan Ling Tian finally entered the long-awaited deca-secret realm.

‘I can finally enter the secret realm,’ Duan Ling Tian thought to himself as he sighed in relief. He could finally get away from those people who were looking for him. If he was lucky, he might be transported out to an area with no intermediate and advanced Supreme Gods after he passed the tests in the secret realm.

...

At the same time, the news about Hong Yi Feng possessing strength comparable to powerful advanced Supreme Gods spread quickly in the advanced chaotic region.

“Do you know who Hong Yi Feng is? He’s Duan Ling Tian’s Second Senior Brother!”

“I heard that Duan Ling Tian’s Third Senior Brother nearly died. Fortunately, their Second Senior Brother, Hong Yi Feng, showed up in time and saved him. In the end, their opponent had to summon his clan’s supreme powerhouse before he could escape.”

“Their opponents were Nangong Liu Yun and Ning Xiao Xiang from the Nangong clan and the Ning clan respectively in the Profound Energy Land. They’re both famous prodigies in the various Realms of Gods. In fact, they’re more famous than Yang Yu Chen and Hong Yi Feng!”

“According to the supreme powerhouse from the Nangong clan, Duan Ling Tian’s Eldest Senior Sister from the Inner Palace faction is the strongest advanced Supreme God in the God Defying World. His Second Senior Brother, Hong Feng Yi, is the strongest intermediate Supreme God in the God Defying World. Not only that, but Duan Ling Tian himself is the strongest rudimentary Supreme God in the God Defying World!”

“I’ve heard of the Myriad Laws Academy, but I’ve never heard of the Inner Palace faction!”

“The Myriad Laws Academy is really heaven-defying! I didn’t expect a heavyweight supreme-rank force to have three monsters.”

The Myriad Laws Academy’s Inner Palace faction and its members became a hot topic for many in the various base camps. Everyone spoke about Huangfu Meng Yuan, Hong Yi Feng, and Yang Yu Chen, but no one spoke about Lang Chun Yuan.

When Lang Chun Yuan’s doppelganger heard the discussion in the base camp, she wanted to remind everyone that Duan Ling Tian also had a Fourth Senior Sister. However, in the end, she decided against it. She knew if her identity was exposed, she would be targeted. If her doppelganger was destroyed, she would no longer be able to rank in the rudimentary Supreme God ranking.

Lang Chun Yuan scoffed inwardly as she thought to herself, ‘I’ll rank in one of the top three places in the overall ranking! At that time, everyone will know that I, Lang Chun Yuan, am also from the Inner Palace faction!’

With this thought in mind, Lang Chun Yuan quickly left the base camp to accumulate more chaotic points. She was eccentric by nature and treated the Inner Palace faction as her home. As such, she was not jealous of her senior sister, senior brothers, and junior brother. However, she felt that she was falling behind after hearing everyone’s words.

‘I don’t mind if I can’t compare to Eldest Senior Sister, Second Senior Brother, and Third Senior Brother. However, I can’t fall too far behind junior brother... I have to grow stronger!’ Lang Chun Yuan thought to herself, feeling frustrated.

...

At the same time, in another base camp.

Yun Ting Feng, the Clan Leader of the Yun clan, was high and mighty in the Yun clan. However, after entering the advanced chaotic region, he felt inferior. Although he was a top advanced Supreme God, there were many top advanced Supreme Gods as well in the advanced chaotic region. Moreover, he did not expose his identity since there were too many top advanced Supreme Gods, and for this reason, people treated him like they would an ordinary person.

At this time, Yun Ting Feng had come to the base camp after leaving a multi-person secret realm. Naturally, he heard the conversations about Duan Ling Tian and Hong Yi Feng.

‘An intermediate Supreme God whose strength is comparable to powerful advanced Supreme Gods? Also, Duan Ling Tian’s Eldest Senior Sister is Huangfu Meng Yuan?!’

Yun Ting Feng had never heard of Hong Yi Feng before, but he had heard about Huangfu Meng Yuan. He knew she was the monstrous female powerhouse who had risen quickly in strength and made her mark in the Outer Boundary at a very young age. Even the supreme powerhouse of the Yun clan thought highly of her and was optimistic that she would become the God Defying World’s next supreme powerhouse. Once she became a supreme powerhouse, based on her progress, she would be comparable to the Yun clan’s supreme powerhouse.

As the Clan Leader of the Yun clan, Yun Ting Feng also knew about the Inner Palace faction in the Myriad Laws Academy.

‘Damn it! So Duan Ling Tian is really Huangfu Meng Yuan’s junior brother?’

Chapter 4320 The Advanced Chaotic Region Is Closing Soon

Although Yun Ting Feng knew about the Myriad Laws Academy's Inner Palace faction, his knowledge was limited. He only knew that the faction had produced many prodigies and was not sure if it had produced any supreme powerhouses. However, there was no doubt that Huangfu Meng Yuan was the most promising among this generation of prodigies and had the highest chance of becoming a supreme powerhouse soon. For this reason, he could not help but feel frustrated when he found out that Duan Ling Tian was Huangfu Meng Yuan's junior brother.

'I hope Duan Ling Tian dies in the advanced chaotic region. Otherwise, it'll be very difficult to kill him and hide the fact afterward. If Huangfu Meng Yuan finds out that the Yun clan killed Duan Ling Tian, she won't let the matter go. She won't be able to do much harm to the Yun clan since the clan has the protection of the ancestor. However, if she holds Yan'er responsible and demands his life, I'm afraid the old ancestor will give in to her demand.'

Yun Ting Feng naturally would not let any harm come to his son. Hence, he was even more determined to kill Duan Ling Tian. Otherwise, even if the Yun clan was unharmed, his son definitely would not be able to survive. The only way he could protect his son was to kill Duan Ling Tian. Even if Duan Ling Tian was a direct descendant of a supreme powerhouse, he still would not give up on killing Duan Ling Tian, let alone the fact that Duan Ling Tian was just the junior brother of Huangfu Meng Yuan, who was still an advanced Supreme God now. Nothing was more important than his son's life.

...

!!

In a deca-secret realm.

A group of people from the Divine Offering Land was facing off with a group of people from another Realm of Gods.

However, after Duan Ling Tian appeared and made a move, someone quickly guessed his identity.

In the end, all of them could only surrender to Duan Ling Tian.

“It’s really Duan Ling Tian.”

“With his presence, there’s nothing we can do. Everyone, just sit back and enjoy the show.”

“Damn it! I can’t believe it’s Duan Ling Tian! Oh, well, at least, my battle merits aren’t completely wasted. After all, I can witness him in action.”

“I heard that all kinds of rewards are being offered in the advanced chaotic region to those who manage to capture Duan Ling Tian. Under these circumstances, it’s incredible that he managed to survive for this long and continue to accumulate chaotic points in secret realms.”

“An outstanding prodigy like him isn’t foolish after all.”

“Based on his current achievements, in just a few thousand years, it’s possible that he’ll become a top advanced Supreme God. Perhaps, he’ll even become a supreme powerhouse within ten thousand years...”

“I hope he successfully becomes a supreme powerhouse. At that time, I can brag that I met him in the advanced chaotic region’s secret realm before he became a supreme powerhouse.”

“Brag about meeting him? Why don’t you tell everyone that he robbed you of your chance of accumulating chaotic points?”

The nine people were very leisurely as they chatted among themselves and watched Duan Ling Tian pass the tests in the secret realm.

Needless to say, Duan Ling Tian successfully passed the tests and claimed all the rewards in the secret realm.

‘There are so many bounties placed on my head... If I don’t rank first in the overall ranking, I’ll be letting everyone down...’

Duan Ling Tian knew that he would be in danger again after leaving the secret realm, but he was not afraid. All he wanted now was to accumulate chaotic points to rank first in the overall ranking.

‘The lucrative reward for the first place in the overall ranking is more than enough to help me break through into the realm of an intermediate Supreme God and stabilize my cultivation base. There’s also the Supreme Powerhouse Divinity!’

The person who ranked first in the overall ranking would be allowed to bathe in the divine fountain and absorb its vital energy without limits. Apart from that, one would also be rewarded with a Supreme Powerhouse Divinity. It was due to the lucrative rewards that Duan Ling Tian became everyone’s target.

‘I, Duan Ling Tian, am not afraid of making an enemy out of everyone!’

...

After leaving the deca-secret realm, Duan Ling Tian opened another deca-secret realm. While he waited to enter the secret realm, he entered closed-door cultivation.

Since deca-secret realms were the most efficient way for him to earn chaotic points, he repeated this cycle over and over again.

This time, Duan Ling Tian was fortunate that no one found him while he waited to enter the deca-secret realm.

However, the next time, he ran into a few intermediate Supreme Gods. Fortunately, he managed to kill them before he fled.

There was also one time when he ran into two advanced Supreme Gods and nearly lost his life. Fortunately, the portal to the deca-secret realm appeared at the critical moment, and he managed to survive. This was also the most dangerous experience he had since he entered the advanced chaotic region.

...

As time passed, the advanced chaotic region was also closing soon.

Those who hunted Duan Ling Tian were not successful after searching for so long, and there were a few who gave up and focused on earning chaotic points to rank higher in their respective rankings and the overall ranking.

As for Hong Yi Feng and Yang Yu Chen; Duan Ling Tian's Second and Third Senior Brothers respectively, they were still searching for Duan Ling Tian. They did not open any secret realms even though they managed to accumulate a lot of battle merits.

On the contrary, Lang Chun Yuan, Duan Ling Tian's Fourth Senior Sister, continued to open secret realms and gained a lot.

Apart from that, Feng Qing Yang, Duan Ling Tian's master, remained invincible among advanced Emperors of Gods. He had also accumulated a shocking number of chaotic points in deca-secret realms.

...

In an area in the advanced chaotic region.

A green-clad young man who looked aloof sighed softly as he muttered under his breath, "Duan Ling Tian is still a step ahead. Although I didn't master everything that the old ancestor left behind, I was able to become an advanced Emperor of Gods. I didn't accumulate many chaotic points, but they should be enough for me to rank second or third in the advanced Emperor of Gods ranking. It's impossible for me to rank first since there's that advanced Emperor of Gods who's as monstrous as Duan Ling Tian..."

After returning to the ruins of the Ling clan's estate, Ling Jue Yun had inherited the legacy of the Ling clan's supreme powerhouse and became an advanced Emperor of Gods. After that, he entered the Realm Battlefield. However, when he entered the Realm Battlefield, the chaotic region had been open for some time and the advanced chaotic region was about to appear. For this reason, he was behind many people.

'In any case, I hope he's okay...'

Ling Jue Yun felt chills running up his spine when he thought about how his old friend, Duan Ling Tian, had become public enemy number one. If he were in Duan Ling Tian's shoes, he did not think he would be able to survive at all.

'He's much stronger than I am so he should be fine...'

Ling Jue Yun sincerely hoped that Duan Ling Tian was safe. It was not only because Duan Ling Tian was one of the only few friends he had, but also because Huang'er was now Duan Ling Tian's sword soul.

...

In the Realm Battlefield of the Colossal Heaven Land and another Realm of Gods.

Three slender figures huddled together and discussed among themselves in a base camp. Two of them were extremely beautiful and attracted many people's attention.

At this moment, the trio wore shocked expressions on their faces.

The most beautiful woman among the trio was usually very elegant. However, at this moment, she seemed to have lost her composure as she asked, "Sister Jing Ru, Xiao Lan, do you think that the Duan Ling Tian who caused a huge commotion in the chaotic region is him?"

The woman, who looked mediocre compared to the other two, shook her head and said, “It can’t be... Although I hope he is Young Master, I think it’s unlikely...”

Xiao Lan, the third woman, shook her head and said with a pout, “Sister Jingru, I think it’s not impossible... Didn’t you hear? Duan Ling Tian is a prodigy from the Profound Energy Land’s Myriad Laws Academy, and he entered the Realm Battlefield through the Divine Offering Land. Moreover, he’s not even a thousand years old. Most importantly, he’s from the lower realm. There’s no doubt about this since he has doppelgangers. I heard that he’s always dressed in a purple robe as well. Everything matches. How can there be so many coincidences at the same time?”

The most beautiful one among the trio nodded in agreement. “That’s right. There are too many coincidences...”

The woman known as Jing Ru sighed and said, “It’ll be great if he’s really Young Master... However, I also wish he’s not Young Master at the same time. After all, it’s said that he’s being targeted by everyone in the advanced chaotic region. Who knows if he’ll be able to survive under these circumstances?”

Upon hearing these words, the other two women’s expressions changed immediately. They had forgotten that Duan Ling Tian was in great danger at this moment.
