### Chapter 4421 The Green Billow City's Meng Clan

Meng Yu Zheng looked at Wang Kui with a gloating expression as Tan Xiu Teng spoke, silently bragging.

Wang Kui frowned slightly. However, he quickly recovered and said with a faint smile, "I didn't expect the Green Flame Saber King to serve under a new supreme powerhouse. I'm really envious."

Wang Kui's words were sincere. In fact, with Tan Xiu Teng's strength, it would be difficult for him to serve under a new supreme powerhouse unless he approached the supreme powerhouse as soon as the supreme powerhouse broke through. Among the subordinates of supreme powerhouses, those whose strength were almost comparable to peerless top advanced Supreme Gods and below were ranked at the bottom.

"Clan Leader, please do not stray from the topic," Tan Xiu Teng said as he raised an eyebrow. He could not conceal the expression of pride on his face as he continued to say, "The marriage between Young Master Meng and Miss Wang Luo Yu will undoubtedly benefit the Wang clan. Although I don't know the identity of the groom you've chosen, based on the rumors, he's not from the Divine Sand Realm and his status is inferior to that of Young Master Meng."

Wang Kui maintained his composure after listening to Tan Xiu Teng. He said, "Green Flame Saber King, we've already agreed to marry Luo Yu to Young Master Li Feng. Their wedding will proceed as planned. There's nothing we can do to change that. I hope you'll explain this matter to your lord, whom I'm sure is a reasonable person."

Meng Yu Zheng's expression changed immediately upon hearing Wang Kui's unyielding words.

At the same time, Tan Xiu Teng said icily, “Wang Kui, is this your stance or the Wang clan’s stance? Do the two supreme elders of your clan agree with you as well? Don’t forget that I was sent here by my lord to propose a marriage between Young Master Meng and Miss Wang Luo Yu.”

Tan Xiu Teng’s voice grew threatening nearing the end of his words.

Wang Kui smiled slightly and said, “I just informed the two supreme elders about this matter. The supreme elders share the same stance as me so my words represent the Wang clan’s stance as well.”

The two Supreme Elders of the Wang clan who were close to becoming peerless top advanced Supreme Gods were the strongest in the clan followed by Wang Kui, the Clan Leader of the Wang clan. As such, if the trio reached an agreement, the other members naturally would not have any objection.

Tan Xiu Teng and Meng Yu Zheng’s expressions darkened immediately. The latter clenched his hands tightly as he glared at Wang Kui, looking like a furious beast that was about to attack.

Tan Xiu Teng asked in a deep voice, “So does this mean that the Wang clan refuses my lord’s goodwill?”

Wang Kui shook his head and said, “Green Flame Saber King, that’s not true. There’s order in everything. If the Meng clan had shown up at the same time as Young Master Li Feng, the Wang clan wouldn’t hesitate to betroth Luo Yu to Young Master Meng. It’s unfortunate that the Meng clan is a step too late. The Wang clan has already decided on the groom and the wedding date. The wedding will proceed as planned unless...” He paused for a beat before he said nonchalantly, “Unless Young Master Li Feng suddenly changes his mind and withdraws from the marriage. If that happens, Young Master Meng will naturally be given priority to marry Luo Yu. Alas, I think it’s impossible. From what I know, Young Master Li Feng likes Luo Yu very much. It’s impossible for him to abandon her.”

Wang Kui had improvised these words. He pushed the blame on 'Li Feng', using 'Li Feng' to refuse the Meng clan.

The Wang clan did not fear the Meng clan, but it was still best to avoid offending the Meng clan unless it was absolutely necessary. However, Wang Kui's words were undoubtedly offensive.

Wang Kui found Li Feng, the monstrous prodigy under the age of 10,000 years old but possessed strength almost comparable to a peerless top advanced Supreme God, mysterious. A person like Li Feng was definitely among the best even in the entire Outer Boundary and Myriad Worlds.

For this reason, Wang Kui tried to kill two birds with one stone. He shifted the blame to Li Feng in order to protect the Wang clan, but he also did it to test Li Feng. He could not help but wonder what Li Feng would do when pressured by a supreme powerhouse. Before he had said those words, he knew for sure that Meng Yu Zheng would insist on meeting Li Feng after he said those words.

As expected, Meng Yu Zheng expressed his wish to meet Li Feng.

Wang Kui only wanted to test Li Feng; he had no intention of offending Li Feng. As such, he said, "Young Master Meng, I'll have to speak to Young Master Li first. It'll be inappropriate for me to bring you to him unannounced. I'll look for him now and ask if he's willing to meet you. Is that alright?"

Meng Yu Zheng scoffed. A hint of ruthlessness could be seen in his eyes as he said threateningly, "Tell Li Feng that if he refuses to meet me, I'm afraid that he won't be able to spend the rest of his life with Miss Wang even if they successfully get married."

Wang Kui frowned slightly. Just as he was about to speak, he was interrupted by Meng Yu Zheng.

“Clan Leader Wang, I’m aware that the Wang clan has a good relationship with a few supreme powerhouses. I came to marry Wang Luo Yu, and my target is Li Feng, not the Wang clan. As such, I don’t think those supreme powerhouses would protect Li Feng. Moreover, Wang Luo Yu isn’t a direct descendant of the Meng clan; her bloodline isn’t pure. She was only given the status due to how outstanding her brother was,” Meng Yu Zheng said.

Wang Kui remained calm and only said, “Young Master Meng, I’ll relay your words to Young Master Li.”

Subsequently, Wang Kui instructed his servant to show Meng Yu Zheng and Tan Xiu Teng to their courtyard to rest before he left the reception hall to look for Duan Ling Tian, who was pretending to be Li Feng.

...

At this time, Duan Ling Tian was waiting in his courtyard. He had been informed that Wang Kui wanted to speak to him.

Wang Kui greeted Duan Ling Tian warmly when he arrived. Then, he sighed heavily and asked with a troubled expression on his face, “Young Master Meng, have you heard of Green Billow City’s Meng clan before?”

Duan Ling Tian nodded. “A member of the Green Billow City’s Meng clan recently became a supreme powerhouse. After that, the Meng clan rose from a second-rank clan to a first-rank clan, becoming the sixth major clan in Green Billow City. It’s a hot topic in Blue Dawn City. I wouldn’t have known about it if I didn’t wander the streets of Blue Dawn City.”

Wang Kui nodded. "That's right. The Meng clan has been promoted to a first-rank clan in Green Billow City because its supreme elder, Meng Tian Feng, became a supreme powerhouse."

Duan Ling Tian had heard of Meng Tian Feng's name when he was exploring the streets of Blue Dawn City. As such, he was not confused when Wang Kui mentioned Meng Tian Feng. When he saw the hesitant expression on Wang Kui's face, he smiled faintly and said, "Clan Leader Wang, I'm sure you didn't come here just to discuss the Green Billow City's Meng clan with me, right? What's the matter? You looked troubled, Clan Leader Wang."

Duan Ling Tian assumed that the Green Billow City's Meng clan had heard about his capabilities and was trying to recruit him. Otherwise, he really could not figure out why Wang Kui would look so troubled.

For this reason, Duan Ling Tian was surprised when Wang Kui told him that Meng Yu Zheng wanted to meet him. He raised his eyebrows and asked, "Meng Tian Feng's direct descendant wants to meet me? Clan Leader Wang, why does he want to meet me?"

It was only then that Duan Ling Tian found out that Meng Tian Feng's direct descendant came for Wang Luo Yu. It was not because the Meng clan wanted to recruit him.

Duan Ling Tian's eyes shone coldly as he asked, "Clan Leader Wang, you said that the Wang clan previously refused him when he asked for Miss Luo Yu's hand in marriage? So am I right to assume that he returned now that the Meng clan has a supreme powerhouse, hoping to separate me and Miss Luo Yu?"

"That's right," Wang Kui nodded and replied, "Young Master Li Feng, rest assured. I've already refused Meng Yu Zheng earlier when he expressed his wish to replace you and marry Luo Yu. However, he insisted on meeting you. I think he's just unwilling and wants to know your strength and origin."

“I have no interest in meeting him,” Duan Ling Tian said indifferently, “Who does he think he is? Why must I, Li Feng, agree to his request? A mere direct descendant of a new supreme powerhouse thinks he can ruin my marriage with Miss Luo Yu? What a joke! Clan Leader Wang, since the Wang clan has made its stance clear, it’s unnecessary for me to meet him.”

Wang Kui was surprised by how domineering Duan Ling Tian was. He could detect the disdain in Duan Ling Tian’s voice when Duan Ling Tian said ‘new supreme powerhouse’. He thought that Duan Ling Tian was either putting on an act to appear tough or that Duan Ling Tian truly came from a powerful background and looked down on a new supreme powerhouse like Meng Tian Feng.

Wang Kui’s heart skipped a beat as he speculated inwardly, ‘Based on his achievements at such a young age, he definitely has the support of a powerful supreme powerhouse somewhere outside of the Divine Sand Realm...’

At the same time, Wang Kui felt grateful that he had decisively refused Meng Yu Zheng earlier. Otherwise, he would have offended Duan Ling Tian.

In comparison to the supreme powerhouses who had a close relationship with the Wang clan, Meng Tian Feng could only be considered average. It was not a problem for the few supreme powerhouses to deal with Meng Tian Feng.

However, in Wang Kui’s opinion, the supreme powerhouse supporting Duan Ling Tian was not someone the Wang clan could afford to offend. In his opinion, the supreme powerhouse who supported Duan Ling Tian might possibly be stronger than the few supreme powerhouses, who were allies of the Wang clan, combined.

‘As expected... All the heaven-defying prodigies have powerful backgrounds,’ Wang Kui thought to himself as chills ran up his spine.

After a brief moment, Wang Kui said, sounding more respectful than before, “Young Master Li Feng, rest assured. I’ll relay your words to him.”

Previously, Wang Kui was already convinced by Duan Ling Tian’s heaven-defying talent and comprehension skills. Now, he was frightened of the possibility of a powerful supreme powerhouse protecting Duan Ling Tian. Duan Ling Tian might not be able to do anything to the Wang clan, but it was different if it was a powerful supreme powerhouse. As such, he was naturally very courteous toward Duan Ling Tian. As the Clan Leader of the Wang clan, he had to ensure that no disaster would befall the clan. Otherwise, he would not be able to face his ancestors in heaven.

...

Peace and quiet were restored in Duan Ling Tian’s courtyard after Wang Kui left, but they were nowhere to be seen in Meng Yu Zheng’s courtyard after he learned that Duan Ling Tian refused to meet him.

“Clan Leader Wang, I don’t care if he refuses to meet me! I must meet him! How dare he ignore me! I have the blessing of my clan’s supreme powerhouse to marry Wang Luo Yu!” Meng Yu Zheng roared, looking like a ferocious beast.

Wang Kui snorted once and said frostily, “Young Master Meng, don’t forget that you’re in the Wang clan. Young Master Li will officially become a member of our Wang clan in about ten days. He’s one of us now. If you really want to meet him, I’m afraid you’ll have to wait until the wedding is over.”

Wang Kui was annoyed at Meng Yu Zheng. After all, he almost offended Duan Ling Tian because of Meng Yu Zheng. In his opinion, it would be a catastrophe if he offended Duan Ling Tian.

Meng Yu Zheng did not take Wang Kui's words seriously. Instead, he decided to meet the two Supreme Elders of the Wang clan. In his opinion, the two Supreme Elders of the Wang clan had higher status than Wang Kui and could override Wang Kui's decision.

"Clan Leader Wang, we'd like to request a meeting with your clan's two supreme elders. I'm afraid you alone aren't enough to represent the Wang clan," Tan Xiu Teng, the Green Flame Saber King, glared at Wang Kui and said threateningly, "Young Master Meng only wished to meet with Li Feng, whom the Wang clan has chosen as the groom. This isn't an outrageous request. Moreover, Young Master Meng was sent here by my lord."

"It's not a problem for both of you to meet our clan's supreme elders. Please follow me to the main hall," Wang Kui said coldly. At this point, he had lost all his patience. Not only did the duo challenge his authority in the Wang clan from the very beginning, but they were consistently disrespectful toward him. No matter what, he was the Clan Leader of the Wang clan and should be treated with respect.

...

While Wang Kui led Meng Yu Zheng and Tan Xiu Teng to the main hall, word of the duo causing a scene began to spread in the Wang clan's estate.

"Does the Meng clan think they're invincible now just because they have a supreme powerhouse?"

"Ha! The Meng clan has only been recently promoted to a first-rank clan, and Meng Tian Feng is their first supreme powerhouse. They're just like an upstart. How can they compare to our Wang clan? Our clan's supreme powerhouse made his mark, and due to his legacy, we're still

“Shush! Lower your voice! No matter what, he’s still a supreme powerhouse. Our clan won’t protect you if he demands your life for being disrespectful!”

...

It did not take long for this matter to spread to Wang Luo Yu. She frowned immediately. She had been looking forward to her marriage with Duan Ling Tian which would lead to her freedom. She was naturally displeased when she heard that Meng Yu Zheng had shown up to cause a scene.

‘Will Brother Duan be able to handle the pressure from the Meng clan?’

This was Wang Luo Yu’s first thought. It was not surprising that she was worried. Fortunately, after hearing more about what happened, she finally felt at ease.

‘At least the clan’s standing firmly on Brother Duan’s side...

Coincidentally, Ye Qiang Wei and the old woman arrived outside Wang Luo Yu’s courtyard at this time.

“Sister Luo Yu, are you in?” Ye Qiang Wei called out.

Wang Luo Yu quickly went out to greet and receive the duo.

Ye Qiang Wei did not waste time. She frowned and said without beating around the bush, “Sister Luo Yu, I heard that the Meng clan wants Meng Yu Zheng to replace the man you’re supposed to

marry. The powerhouse who accompanied Meng Yu Zheng here said that this is the wish of the Meng clan's supreme powerhouse."

A hint of fear could be seen in Ye Qiang Wei's eyes when she mentioned the Meng clan's supreme powerhouse. In the past, the Meng clan was not a threat, but things had changed now that the Meng clan had a supreme powerhouse.

Wang Luo Yu nodded. "I've heard about it as well. However, the Wang clan has made its stance clear. The clan is standing firmly on Brother Li Feng's side and has refused the Meng clan's unreasonable demand."

A hint of relief could be seen on Wang Luo Yu's face when she spoke.

"I heard about this too," Ye Qiang Wei said with a nod. Then, she asked, "Sister Luo Yu, who is Li Feng exactly? Why is the Wang clan willing to offend the Meng clan that has a supreme powerhouse for him?"

#### Chapter 4423 Meng Yu Zheng Refuses to Give Up

Wang Luo Yu was briefly stunned by Ye Qiang Wei's question. Then, she smiled shyly as she said, "Brother Li Feng... To be honest, Sister Qiang Wei, I don't know much about Brother Li Feng's background."

"You don't know much about his background?!" Ye Qiang Wei's eyes widened in disbelief as she exclaimed, "You... You don't know anything about him, but you're going to marry him?"

Ye Qiang Wei was slightly confused. For the first time, she felt like she did not know her best friend at all. After all, in her mind, her best friend, Wang Luo Yu, was not such an impulsive and reckless person.

Wang Luo Yu smiled and said, "I only know that he's not from the Divine Sand Realm. As for the other things, I haven't asked for the time being. Moreover, I don't think it's important to ask about his background. After all, I like him, not his background."

!!

The smile on Wang Luo Yu's face made her look like a woman in love.

Ye Qiang Wei grew even more curious about the 'Brother Li Feng' whom Wang Luo Yu mentioned. Seeing Wang Luo Yu's reaction to 'Li Feng', a purple figure suddenly appeared in her mind, and she thought to herself, 'Sister Luo Yu keeps saying Li Feng is peerless, but in comparison to Duan Ling Tian, he's probably a lot weaker, right? I'll be able to see Li Feng soon. I want to see what kind of man can make Sister Luo Yu so obsessed.'

...

After Ye Qiang Wei left, Wang Luo Yu hurried over to Duan Ling Tian's courtyard. As soon as she saw Duan Ling Tian, she expressed her worries.

"Brother Duan, I'm worried Meng Yu Zheng from the Green Billow City's Meng clan will continue to deliberately make things difficult for us. After all, he has the support of a supreme powerhouse now... If the supreme powerhouse helps him, I'm afraid you'll be in danger, Brother Duan. Perhaps, we should put a halt to our plan?"

Although Wang Luo Yu wanted to escape the shackles of the Wang clan, she did not want any harm to come to the kind young man in front of her. He had already gone to great lengths to fulfill her brother's final wish so she did not want him to get into more trouble because of her.

"No need," Duan Ling Tian said as he shook his head, "We'll proceed with our plan... We don't know for sure that the supreme powerhouse will step forward for him. Even if the supreme powerhouse really takes action, remember that the Wang clan isn't a pushover as well..."

Initially, there was no guarantee that those supreme powerhouses, who were friends with the ancestor of the Wang clan, would attend the wedding in the Wang clan. However, after this incident, Duan Ling Tian was certain that the Wang clan would make sure at least one supreme powerhouse was in attendance just to be on the safe side. After all, the value of 'Li Feng' the heaven-defying prodigy to the Wang clan was much higher than the threat that the Green Billow City's Meng clan posed.

Duan Ling Tian explained his thoughts to Wang Luo Yu, putting Wang Luo Yu at ease.

Wang Luo Yu thought that the person her brother entrusted his final wish to was truly far more reliable than she had imagined.

...

Meanwhile, only one of the two Supreme Elders of the Wang clan came to meet Meng Yu Zheng.

It was out of Meng Yu Zheng's expectations that the Supreme Elder of the Wang clan would be the same as Wang Kui. Not only did the supreme elder not support his marriage to Wang Luo Yu, but the supreme elder also did not allow him to meet the young man named Li Feng.

Although only one supreme elder was in attendance, it was clear his words also represented those of the other supreme elder.

In the end, Meng Yu Zheng was personally sent out of the Wang clan by Wang Kui. Before he left, Wang Kui even told him that he was more than welcome to attend Wang Luo Yu and that young man's wedding. In his eyes, this was a humiliation.

After leaving the Wang clan, Meng Yu Zheng, furious and embarrassed, found an inn in Blue Dawn City to stay in.

"I didn't expect that the old geezer, Wang Jing Rao, would refuse me and the old ancestor just like Wang Kui! No, I can't just do nothing! I won't allow them to humiliate me like this!"

The more Meng Yu Zheng thought about it, the angrier he became. After a moment, he looked at the middle-aged man next to him and said, "Uncle Tan, can you contact the old ancestor and ask him to visit and pressure the Wang clan?"

Needless to say, the middle-aged man was none other than Tan Xiu Teng, the Green Flame Saber King, who accompanied Meng Yu Zheng here. Upon hearing Meng Yu Zheng's words, he furrowed his brows slightly and said, "I've already reported this matter to my lord. He's also furious that the Wang clan refused to give in. However, I don't know if he'll come."

After a moment, Tan Xiu Teng added, "The lord said that the Wang clan won't support a young man with an unknown background for no reason. It's likely that the young man has a powerful background or has something special about him. Moreover, although the Wang clan no longer has a supreme powerhouse, the clan has the protection of a few supreme powerhouses who were friends of the clan's ancestor. They might not stand aside and do nothing if something happens to the Wang clan."

Tan Xiu Teng's words made Meng Yu Zheng feel even angrier. At the same time, he suddenly felt that it was not that great to have a supreme powerhouse as his backer. His eyes glinted coldly as he recalled the humiliation he suffered at the Wang clan. He muttered to himself, "The old ancestor is afraid of the Wang clan... But I'm not afraid of Li Feng. This is the Divine Sand Realm. Even if he's talented or has a powerful background, he'll still have to obediently submit to our Meng clan in Green Willow City! I want to see what kind of person he is after ten days. Let's see if he can withstand the wrath and threat of the Meng clan!"

Meng Yu Zheng's face was twisted into an unsightly expression and his eyes shone with killing intent, looking as though he wanted to devour someone, as he continued muttering to himself, "He's just the husband of a humble female descendant of the Wang clan's side branch. If something happens to him, will the Wang clan really turn against me and the Meng clan in Green Willow City? After all, when a person dies, his or her value ceases to exist as well."

Following that, Meng Yu Zheng turned to look at Tan Xiu Teng and said seriously, "Uncle Tan, on the day of the wedding, I'll threaten that guy through Voice Transmission and tell him to withdraw from the marriage! If he does as I say, I'll let him off the hook. Otherwise, please kill him for me, Uncle Tan!"

Meng Yu Zheng was murderously jealous of the young man named Li Feng at this moment.

Upon hearing Meng Yu Zheng's words, Tan Xiu Teng frowned. He said, "That person not only obtained the Wang clan's approval to marry Wang Luo Yu, but most importantly, even under the pressure from the lord, they still firmly stood on his side. I'm afraid he's not simple or weak at all. Until I find out more about him, I don't recommend taking action against him."

Tan Xiu Teng had lived for a long time and was more experienced, after all.

Meng Yu Zheng frowned. Then, his frown suddenly disappeared, replaced by a huge grin on his face as he said, “Based on what I know, you’re quite skilled in assassination... I assume you’re able to assassinate someone without leaving any traces behind, right?”

Tan Xiu Teng’s frown deepened upon hearing these words. He said, expressing his concerns, “Even then, it’s still risky. If his background is more powerful than the Meng clan, it’ll be disastrous for the Meng clan. If a powerful supreme powerhouse wants to avenge his direct descendant, he doesn’t need evidence to take action.”

Meng Yu Zheng was unwilling to give up. He said, “Uncle Tan, if you help me with this, I’ll give you this treasure that I’m sure you’ll be very interested in...”

As soon as Meng Yu Zheng raised his hand, something appeared briefly before he quickly returned it to his self-destructive spatial ring. He was clearly not afraid that Tan Xiu Teng would forcefully seize the treasure since it was kept in his spatial ring.

“This is... You... Where did you obtain this thing?” Tan Xiu Teng’s eyes widened in disbelief, and his breathing quickened, causing his chest to rise and fall heavily. His eyes shone as he looked at Meng Yu Zheng in shock.

## Chapter 4424 The Heaven’s Vault Blood Oath

Tan Xiu Teng did not expect Meng Yu Zheng to bring out a Supreme Powerhouse Divinity at all. Most importantly, it was a fire-type Supreme Powerhouse Divinity! His strongest law was the law of fire, and it had reached the perfect form. Since his fire had mutated, he had an even higher chance of comprehending it to the paramount stage. To him, the fire-type Supreme Powerhouse Divinity was a peerless treasure. At least for now, no treasure could compare to the fire-type Supreme Powerhouse Divinity. After all, if he possessed the fire-type Supreme Powerhouse Divinity, his chances of comprehending the law of fire to the paramount stage would increase significantly to more than 70%.

Tan Xiu Teng continued to breathe heavily. It took him a while to calm down before he looked at Meng Yu Zheng and said in a deep voice, "I didn't see what it was earlier... Can you show it to me again?"

A hint of greed could be seen in Tan Xiu Teng's eyes at this moment. To him, for the sake of the fire-type Supreme Powerhouse Divinity, even if he had to kill Meng Yu Zheng and flee the Divine Sand Realm to the end of the world after offending the supreme powerhouse from the Meng clan in Green Willow City, it was worth it. As long as he comprehended the law of fire to the paramount stage, sooner or later, he would become a peerless top advanced Supreme God. At that time, it was definitely possible for him to find a supreme powerhouse stronger than the Meng clan's supreme powerhouse to protect him. Even if he encountered Meng Tian Feng, Meng Tian Feng would not dare to attack him. In the Outer Boundary and the Myriad Worlds, peerless top advanced Supreme Gods were rarer than supreme powerhouses and highly sought after by supreme powerhouses, after all.

Meng Yu Zheng was not a complete fool. He smiled faintly and said, "Uncle Tan, your strongest law is the law of fire so you're more sensitive to it. However, since you said you didn't see it, let me tell you, it's a fire-type Supreme Powerhouse Divinity. As for its origin, I'm sure you can guess it. It was given to me by my ancestor. The main reason my ancestor was able to become a supreme powerhouse was thanks to the fire-type Supreme Powerhouse Divinity he obtained 10,000 years ago. Now that he's a supreme powerhouse, the fire-type Supreme Powerhouse Divinity is no longer useful to him. As such, he gave it to me. After all, I'm the most outstanding one among all his direct descendants, and I also comprehend the law of fire."

!!

Meng Tian Feng, the new supreme powerhouse of the Meng clan, and Meng Yu Zheng also comprehended the law of fire.

Tan Xiu Teng raised an eyebrow and said, "I'm sure the lord didn't give you the Supreme Powerhouse Divinity just for you to casually give it to another person. From now on, don't joke about this matter anymore. If the lord finds out that you wanted to give it away, he'll be upset."

Tan Xiu Teng was abnormally calm and clear-headed at this moment. Since the Supreme Powerhouse Divinity was given by Meng Tian Feng, how could Meng Yu Zheng give it away so easily? He thought that Meng Yu Zheng was not being serious. After all, Meng Yu Zheng knew how precious the Supreme Powerhouse Divinity was.

Meng Yu Zheng said with a smile, “Uncle Tan, you’re right. I misspoke earlier when I said that I’ll give you the Supreme Powerhouse Divinity. What I mean is that if you help me kill that brat who’ll be marrying Wang Luo Yu, I’ll lend you the Supreme Powerhouse Divinity. At that time, it’ll surely bring you closer to becoming a peerless top advanced Supreme God or even a supreme powerhouse. Once you achieve your goal, you’ll return it to me.”

Meng Yu Zheng’s expression was serious as he continued to say, “Needless to say, if you agree, you’ll have to make the Heaven Vault’s Blood Oath, Uncle Tan. You have to swear that you’ll return the Supreme Powerhouse Divinity to me after you become a peerless top advanced Supreme God or a supreme powerhouse. Otherwise, even if you kill that Li Feng, I won’t lend you the Supreme Powerhouse Divinity.”

The Heaven Vault’s Blood Oath was a type of oath people made in the Outer Boundary. After swearing a Heaven Vault’s Blood Oath, one would be subjected to the rules of heaven and earth. If one broke one’s oath, even if one escaped from the Outer Boundary to the Myriad Worlds, one still would not be able to escape death.

In the Myriad Worlds, it was difficult for those below the realm of supreme powerhouses to make a Heaven Vault’s Blood Oath. As such, the Heaven Vault’s Blood Oath was rarely mentioned in the Myriad Worlds. Moreover, supreme powerhouses were the ones who maintained order in the Myriad World and executed the punishment of breaking a blood oath. Unlike blood oaths in the Myriad Worlds, the Heaven’s Vault Blood Oath was governed by a higher power.

Meanwhile, Tan Xiu Teng frowned slightly when he heard Meng Yu Zheng’s words. When his frown finally eased, he said, “Very well, I promise you.”

Tan Xiu Teng was not worried about Meng Yu Zheng going back on his promise after he completed the task. Even if Meng Yu Zheng was protected by Meng Tian Feng, it was impossible for Meng Tian Feng to follow Meng Yu Zheng everywhere. It would not do Meng Yu Zheng any good to offend him. Moreover, now that he was serving Meng Tian Feng, the supreme powerhouse of the Meng clan, he could be considered half a member of the Meng clan. It was unlikely that Meng Yu Zheng would break his promise.

Upon hearing Tan Xiu Teng's reply, Meng Yu Zheng said with a smile, "Thank you, Uncle Tan!"

Meng Yu Zheng was certain, right from the start, that Tan Xiu Teng would not refuse him. After all, he knew how tempting the fire-type Supreme Powerhouse Divinity was to Tan Xiu Teng. He had also heard from Meng Tian Feng that Tan Xiu Teng agreed to serve him because Meng Tian Feng promised to guide him in comprehending the law of fire.

Tan Xiu Teng was a famous figure in the Divine Sand Realm and was known as the Green Flame Saber King. He was known for his unruly nature. If it were not for the fact that Meng Tian Feng also comprehended the law of fire, an unruly person like him might not be willing to serve a supreme powerhouse like Meng Tian Feng. There were many supreme powerhouses in the Divine Sand Realm, and he had never served any of them until Meng Tian Feng appeared. Based on this, it could be seen that he was not very interested in serving a supreme powerhouse before this.

...

At this time, Duan Ling Tian naturally did not know that Meng Yu Zheng from the Green Billow City's Meng clan, whom he refused to meet, had already planned to assassinate him. However, even if he was aware of it, he would not take it seriously. After all, Tan Xiu Teng was not stronger than two Supreme Elders of the Wang clan; Tang Xiu Teng would be lucky if he was able to escape after fighting the duo at once.

Duan Ling Tian patiently waited for the wedding day to arrive. After that, he would stay in the Wang clan a little longer before taking Wang Luo Yu away. Once he found a place for her to settle down, he would have fulfilled the late Wang Yi Yuan's final wish and repaid Wang Yi Yuan for

giving him a treasure; he would no longer owe Wang Yi Yuan anymore. With that, he would be able to continue on his own journey.

...

A few days before the wedding of Wang Luo Yu and Li Feng; Duan Ling Tian's fake persona, Blue Dawn City was already very lively. The guests that the Wang clan invited arrived in Blue Dawn City one after another, and they stayed in the inn arranged for them by the Wang clan.

The day before the wedding, Wang Kui, the Clan Leader of the Wang clan, returned to the clan with an old man who looked like a sage.

When the old man arrived, Wang Jing Rao, the Supreme Elder of the Wang clan whom Duan Ling Tian had once sparred with, came over immediately. He bowed and kneeled respectfully to the old man as soon as he saw the old man.

All in all, ten days passed by in just a blink of an eye.

Chapter 4425 Senior Situ

The sage-like old man looked at the old man kneeling in front of him, who also looked to be over sixty years old, and asked, slightly surprised, "Are you Little Jing?"

"Yes, it's me, Senior Situ," Wang Jing Rao replied respectfully as he remained kneeling, "I didn't expect that you'd still remember me, Senior Situ."

In the past, when Wang Jing Rao was young, he was fortunate enough to have met the old man in front of him. At that time, that old man had yet to become a supreme powerhouse and was just a powerhouse serving the ancestor of the Wang clan. The old man was also an interim Elder of the

Wang clan at that time. Due to the old man's talent, the ancestor of the Wang clan did not treat him like an outsider and regarded him as a member of the clan, carefully guiding him. For this reason, the old man had always been grateful to the late ancestor of the Wang clan.

Later on, the old man successfully became a supreme powerhouse and left the Wang clan. However, he still maintained a close relationship with the ancestor of the Wang clan. The biggest reason the Wang clan was able to maintain its status after its ancestor was due to the old man.

The old man said with a slight smile, "Of course, I remember you. I still remember that the first time I met you, you were being bullied by another boy in the Wang clan who was a few years older than you. At that time, you cried and yelled that you'd avenge yourself in three years. That was also my first time coming to the Wang clan's estate. You left a lasting impression on me because of your words at that time. After a few years, I even asked the elders of the clan about you. Unexpectedly, it only took you two years to grow stronger than the boy who bullied you."

Although the old man had spoken casually, Wang Jing Rao, who was still kneeling, could not help but feel delighted. He did not expect the old man in front of him to remember him. After all, this was his first time meeting the old man again after so many years. In the past, he had always been busy with the clan's matters and cultivation. For this reason, it was always his elder brother, the other Supreme Elder of the Wang clan, who received the old man when the old man visited.

The old man smiled and said, "Good job. Now that you've reached this point, it won't be difficult for you to go further. I'll be in the Wang clan over the next few days. If you have any questions about cultivation, you can come to me at any time."

"Thank you, Senior Situ!" Wang Jing Rao said excitedly. After all, the person in front of him had become a supreme powerhouse a very long time ago. Although it seemed like he was not far from the realm of supreme powerhouses, the gap between him and a supreme powerhouse was still insurmountable.

"If you're able to become a supreme powerhouse, master who's in heaven will definitely feel relieved that the Wang clan has another supreme powerhouse," the old man said with a smile. If one

looked closely, one would be able to see a trace of sadness in his eyes. However, neither Wang Jing Rao nor Wang Kui, who was standing at the side, noticed it.

The old man was worried he would not be able to protect the Wang clan for long. If he perished, the Wang clan's status in Blue Dawn City and the Divine Sand Realm would fall.

Although the Wang clan had a good relationship with several other supreme powerhouses, the old man knew that if he were not around, they likely would not care much about the Wang clan anymore. In those supreme powerhouses' opinion, they were indebted to the ancestor of the Wang clan, not any of the current members of the Wang clan. Due to his attitude toward the Wang clan, the other supreme powerhouses followed his actions, worried that they would be called ungrateful if they left the Wang clan alone. However, if he was gone and no longer served as a contrast, it would not take long for the others to forget about the Wang clan. For this reason, he sincerely wished that a second supreme powerhouse would appear in the Wang clan. In his opinion, Wang Jing Rao was one of the two most promising candidates in the Wang clan.

While Wang Jing Rao chatted with the old man, Wang Kui, the Clan Leader of the Wang clan, was lost in his thoughts.

'Little Jing?'

This was Wang Kui's first time hearing Wang Jing Rao's nickname when Wang Jing Rao was young. He did not expect Wang Jing Rao to have such a cute nickname in the past. If the young members of the clan who idolized Wang Jing Rao knew about this, they would definitely be shocked.

At this time, Wang Jing Rao and the old man were finally done reminiscing about the past.

Wang Jingrao said, pulling Wang Kui back from his thoughts, "Clan Leader, Senior Situ came from afar. Let's lead him to my courtyard so he can rest."

The Wang clan had a courtyard dedicated to accommodating guests of the clan. However, Duan Ling Tian, who was pretending to be Li Feng, was now staying in the courtyard. As such, Wang Jingrao arranged for the old man to stay in his courtyard. With this, it was also more convenient for him to ask for advice regarding cultivating from the old man.

Wang Kui quickly regained his senses and followed Wang Jing Rao and the old man to Wang Jing Rao's courtyard.

On the way there, Wang Kui suddenly received a Voice Transmission from Wang Jing Rao.

"Boy, earlier... Did you hear how Senior Situ addressed me?"

Wang Kui was briefly confused when he heard the Voice Transmission, but he soon realized that it was a threat. As the Clan Leader of the Wang clan, he naturally had a high EQ. He quickly feigned ignorance and replied, "What? I'm sorry, Supreme Elder. I was thinking about Luo Yu and Young Master Li Feng's wedding that will take place tomorrow. I was trying to think if there are any other arrangements to be made. By the way, what did Senior Situ address you as earlier?"

"It's nothing," Wang Jing Rao said as he nodded in satisfaction. Then, after a moment, he added, "Thank you for personally receiving Senior Situ. After sending Senior Situ to my place, you can rest and wait for the wedding."

"Yes, Supreme Elder," Wang Kui replied. His back was already damp from cold sweat when he thought about how Wang Jing Rao might have silenced him if he did not respond correctly earlier. Wang Jing Rao definitely would not let him off the hook so easily if he told another soul about what he heard today.

...

Meanwhile, Duan Ling Tian was unaware that the supreme powerhouse that the Wang clan invited as a safeguard had arrived. After all, Meng Yu Zheng from the Green Billow City's Meng clan had come to the Wang clan to make a fuss and even claimed he had the support of the Meng clan's supreme powerhouse.

Duan Ling Tian did not care about Meng Yu Zheng's threats at all. Moreover, he did not think that the new supreme powerhouse from the Meng clan would show up at the wedding tomorrow. Even if the other party showed up, he was rather certain the other party would not attack him rashly. After all, in their eyes, his origin was a mystery, and he possessed amazing strength despite being younger than 10,000 years old. With this, most people would assume that he had a powerful background. After all, how could an ordinary person with no support achieve such feats at such a young age?

While the new supreme powerhouse from the Meng clan stewed in his doubts and worries, Duan Ling Tian was sure he had plenty of time to bring Wang Luo Yu away before the other party decided on what to do.

"Tomorrow, our plan will be almost completed. After finding a place for Wang Luo Yu to settle down, I would have fulfilled my promise to Wang Yi Yuan. With that, I can continue on my journey. I only hope that Meng Yu Zheng is smart and sensible. If he dares to pester me and stir up trouble, I won't hesitate to send him to hell before I leave..."

Although Duan Ling Tian had never met Meng Yu Zheng, based on Wang Kui's words, he knew that Meng Yu Zheng came bearing ill intentions. Moreover, it seemed like Meng Yu Zheng was rather persistent.

Duan Ling Tian wanted everything to go smoothly tomorrow. If Meng Yu Zheng dared to stir up trouble, he would not let Meng Yu Zheng go.

Soon enough, Duan Ling Tian's thoughts drifted in another direction.

"Peerless top advanced Supreme God... Currently, I'm still very far from becoming a peerless top advanced Supreme God. Although my law of space and law of time are close to the perfect form, I still have yet to comprehend them to that stage. If I comprehend them to the perfect form, my strength should be comparable to those peerless advanced Supreme Gods who didn't comprehend their laws to the paramount stage," Duan Ling Tian muttered to himself as his eyes brightened.

Not all peerless top advanced Supreme Gods had comprehended their laws to the paramount stage. Among peerless top advanced Supreme Gods, the strongest ones were those who had comprehended the laws to the paramount stage. Even if they did not have a profound comprehension of any of the Four Daos of Heaven and Earth, they were still rather powerful. Since they had comprehended the laws to the ultimate, their strength would increase greatly.

Even if someone possessed the level of Duan Ling Tian's comprehension of the Sword Dao and a law that had reached the perfect form, he or she would not be a match for someone who had comprehended the law to the paramount stage.

In fact, with Duan Ling Tian's comprehension of the Sword Dao, even if he comprehended both the law of time and the law of space to the perfect form, he still would not be a match for a peerless top advanced Supreme God who had comprehended the law to the paramount stage.

"I've heard that the Four Daos of Heaven and Earth can also be comprehended to the perfect form. However, there's no known person in the Outer Boundary and the Myriad Worlds who has done so. It's said that if one comprehends any of the Four Daos of Heaven and Earth to the perfect form, even if one's law had only reached the perfect form, one would not be inferior to those who comprehended the laws to the paramount stage. If one's able to comprehend any of the Four Daos of Heaven and Earth to the perfect form and also comprehend the law to the paramount stage, one would be invincible among those below the realm of supreme powerhouses..."

Duan Ling Tian had read about this in ancient books, and he was not sure about its veracity.

"People can become supreme powerhouses without the need to comprehend the Four Daos of Heaven and Earth to the perfect form. However, after becoming a supreme powerhouse, it'll be difficult to improve the Four Daos of Heaven and Earth. How many people are willing to suppress their cultivation and continue comprehending the Four Daos of Heaven and Earth to the perfect form as an advanced Supreme God before becoming a supreme powerhouse?"

#### Chapter 4426 Li Feng's Wedding Day

Although Duan Ling Tian still had a long way to go before becoming a supreme powerhouse, it was inevitable that he would eventually become a supreme powerhouse. Just his extraordinary comprehension of the Sword Dao alone was enough to help him become a supreme powerhouse. Moreover, he also possessed the Five Divine Elements that would also help him break into the realm of supreme powerhouses.

Many advanced Supreme Gods searched desperately for a chance to break through into the realm of supreme powerhouses, but Duan Ling Tian did not need to do such a thing. In fact, currently, he did not have much desire about becoming a supreme powerhouse at all. Instead, he was much more excited about becoming a peerless top advanced Supreme God.

Peerless top advanced Supreme Gods were rarer than supreme powerhouses. There were rumors in the Myriad Worlds that the number of peerless top advanced Supreme Gods was only one-tenth of the number of supreme powerhouses.

'In the Outer Boundary and the Myriad Worlds, everyone has an understanding. If one's confident about becoming a peerless top advanced Supreme God, then one should hold back on becoming a supreme powerhouse immediately. After all, after becoming a supreme powerhouse, it'll be extremely difficult to improve one's laws and the Four Daos of Heaven and Earth compared to the time before one becomes a supreme powerhouse. Ideally, one should only break through to the realm of supreme powerhouses after one has comprehended the law to the paramount stage and any of the Four Daos of Heaven and Earth to the perfect form. However, in the history of the Outer Boundary and Myriad Worlds, there's no record of anyone doing this before... There's a legend that says if one's able to achieve this feat, as soon as one becomes a supreme powerhouse, one's strength would be in the World Supreme Realm. The World Supreme Realm is the strongest realm for a supreme powerhouse. In the Myriad Worlds, there are only a few dozen people who have entered

this realm. I can only imagine how terrifying it is for a new supreme powerhouse to immediately enter the World Supreme Realm!'

Chills ran up Duan Ling Tian's spine when he thought about that level of strength.

After arriving at the Outer Boundary, Duan Ling Tian learned more and more about supreme powerhouses who were a mystery to him in the past. It was also after he arrived at the Outer Boundary that he learned about how difficult it was to grow stronger after becoming a supreme powerhouse. He also learned about the strength difference between supreme powerhouses, and those in the World Supreme Realm were the strongest supreme powerhouses.

'It's said that only three major Worlds and the second-tier Worlds have supreme powerhouses in the World Supreme Realm. For this reason, the 21 Worlds dominate the Myriad Worlds. The weaker Worlds willingly surrendered and gave up their forces,' Duan Ling Tian thought to himself, 'Considering how powerful those in the World Supreme Realm are, if they're willing, they should be able to release Ke'er from that technique from the Soul Imprisonment Clan, right? If it's possible, I hope to serve a supreme powerhouse in the World Supreme Realm after becoming a peerless top advanced Supreme God. At that time, I'd be able to ask for a favor and save Ke'er.'

Duan Ling Tian's eyes lit up when he thought about this, growing even more determined to become a peerless top advanced Supreme God. He could not wait to enter closed-door cultivation and comprehend his laws. However, he forcefully calmed himself down as he thought to himself, 'I'll have to fulfill Wang Yi Yuan's final wish first. After finding a place for Wang Luo Yu to settle down, I'll continue to explore the Outer Boundary and continue on my journey to grow stronger!'

After calming down, Duan Ling Tian closed his eyes and rested, waiting for the next day to arrive.

...

At the same time, there were quite a few people in Duan Ling Tian's courtyard. They were decorating the place and the rooms, preparing for the wedding. However, thanks to Wang Kui's orders, no one disturbed Duan Ling Tian, allowing him to enjoy some peace and quiet.

...

The night passed in just a blink of an eye, and the day many people anticipated finally arrived.

Duan Ling Tian woke up early in the morning. With the help of servants from the Wang clan, he changed into a festive red robe and tied his long hair up, making him look even more handsome than usual.

A middle-aged woman followed Duan Ling Tian as he walked out and said, "Young Master Li Feng, I'll brief you about the Wang clan's wedding ceremony. Please feel free to ask me if there's anything you don't understand." After a beat, she continued to say, "Although the ceremony seems troublesome, you only need to go through a few formalities. However, after that ceremony, you and Miss Luo Yu will have to greet and entertain a few of the clan's distinguished guests."

Duan Ling Tian could tell the Wang clan placed great importance on this wedding based on the middle-aged woman's words. Needless to say, he did not have any objections and planned to cooperate. To him, this was just an act that was necessary to free Wang Luo Yu. After the wedding, he would bring Wang Luo Yu away from the Wang clan. The wedding naturally did not mean anything to him. After fulfilling his promise to Wang Yi Yuan, perhaps, his only connection to the Wang clan was Wang Jing Rao. After all, he felt indebted to Wang Jing Rao and planned to repay Wang Jing Rao by helping the Wang clan if the clan was ever in need.

...

As Duan Ling Tian walked through the Wang clan's estate, he drew many people's attention. These people, who were mostly young men and young women, looked at him curiously as they discussed among themselves.

"Is that Young Master Li Feng?! He's really handsome!"

"Since the clan agreed to let him marry Sister Luo Yu, he's definitely not simple. I've not heard anything about his origins so far... Does anyone know anything about his origin?" a teenager suddenly asked the people around him.

The people in the surroundings shook their heads.

"Everyone's curious about his origins. However, until now, his origins are still a mystery."

"It'll only be a mystery for a while. Eventually, we'll find out about his origin. In any case, who cares? For him to be acknowledged by the clan, his origins are definitely extraordinary."

"I heard some people say that he's not from the Divine Sand Realm. That's why no one has heard of him or seen him before. However, there's no doubt that he has an extraordinary background. At the very least, he must be from a supreme-rank force!"

"Did you hear about it? For his sake, the clan did not even hesitate to offend the Green Billow City's Meng clan. Young Master Meng came to ask for Sister Luo Yu's hand in marriage and even said that he had the support of the Meng clan's new supreme powerhouse. Even then, our clan still did not give in to the Meng clan!"

"I'm becoming more and more curious about his identity!"

## Chapter 4427 Meeting Ta Meng Sha Again

In the eyes of the members of the Wang clan, the young man named Li Feng was very mysterious. They had heard that he had taken the initiative to ask for Wang Luo Yu's hand in marriage. Some people said that despite his young age, he was stronger than the Grand Elders of the Wang clan. When he first arrived at the Wang clan, he had defeated a grand elder. The patrolling members at that time had witnessed it themselves. It was said that they spread the word later on, but when they were asked about it, they denied everything as though a gag order had been issued. This made the others even more curious about the young man. If it was true that he was stronger than the grand elders despite being younger than 10,000 years old, he was definitely a peerless prodigy in the Divine Sand Realm.

"If he's truly such a heaven-defying prodigy and has an extraordinary background, it doesn't even matter that he's not from the Divine Sand Realm. He's definitely worthy of our Wang clan!"

"There's no way the clan would take this matter lightly. Between him and the Young Master of the Green Willow City's Meng clan, our Wang clan chose him. This shows that the clan's regard for him is much higher than that of the Meng clan in Green Willow City."

With the rumors they had heard, many people came to the conclusion that the young man held a high position in the eyes of the high-ranking officials of the Wang clan.

...

The Wang clan had sent invitations to all the prominent and influential forces in the Divine Sand Realm. Needless to say, these forces included those with supreme powerhouses. Although the Wang clan did not have a supreme powerhouse at present, the forces with supreme powerhouses sent representatives to attend the wedding as well. Even the strongest forces in the Divine Sand Realm, which were stronger than the Wang clan even when the Wang clan still had a supreme powerhouse, sent their representatives to attend the wedding. However, these representatives were not core

figures of those forces. Nonetheless, it was more than enough to raise the status of the Wang clan that did not have a supreme powerhouse.

The wedding was so lively because of the late ancestor of the Wang clan. His legacy continued to keep the Wang clan's status high.

Many people thought that the Wang clan would not fall into decline as long as the clan maintained their relationship with the supreme powerhouses, who were friends of the clan's ancestor. Even without a supreme powerhouse, very few people and forces dared to underestimate the Wang clan.

...

Although the middle-aged woman had assured Duan Ling Tian that the Wang clan had kept the wedding ceremony simple, he still found it tedious and troublesome,

‘How troublesome...’

Fortunately, the Wang clan had sent many people to do most of the things on his behalf. For now, he only had to follow Wang Kui's lead and receive guests from powerful forces in the Divine Sand Realm.

“Clan Leader Wang, congratulations!”

“Clan Leader Wang, I can see that the Wang clan's new groom is an extraordinary young man!”

Since Duan Ling Tian did not know the guests, he only greeted them perfunctorily. However, he suddenly froze when he heard a loud voice.

“I’m Ta Yu from Chi Ming Mountain. I, along with my junior; Ta Meng Sha, represent Chi Ming Mountain to congratulate the Wang clan!”

Duan Ling Tian saw a burly middle-aged man and a burly young man, and when the duo saw Duan Ling Tian, they were just as taken aback as he was. The burly young man in particular was staring at Duan Ling Tian intently.

‘Chi Ming Mountain!’

Duan Ling Tian was shocked and puzzled when he heard came from Chi Ming Mountain. He had thought the name Ta Meng Sha was slightly familiar when he heard it and did not think too much of it. However, he was shocked when he heard the words ‘Chi Ming Mountain’. At the same time, when he saw the young man’s piercing and unruly gaze, he recalled his time in Dancing Sun City. At that time, he had defeated a giant ape, but spared the giant ape’s life, and that giant ape’s name was... Ta Meng Sha!

‘It’s him!’

With this, it was not difficult for Duan Ling Tian to figure out the identity of the burly middle-aged man standing in front of Ta Meng Sha. He was one of three demons who destroyed Dancing Sun City with the supreme demon of Chi Ming Mountain. He was also one of the right-hand men of the supreme demon of Chi Ming Mountain.

Duan Ling Tian knew that Ta Yu was strong when he was in Dancing Sun City, but he did not know the extent of Ta Yu’s strength. It was not until later that he found out Ta Yu and the other two

demons, who were only second to the supreme demon of Chi Ming Mountain, were almost as strong as a peerless top advanced Supreme God.

“Greetings, Senior Ta Yu!” Wang Kui greeted Ta Yu respectfully.

Based on Wang Kui’s tone, Duan Ling Tian was even more certain that Ta Yu was almost as strong as a peerless top advanced Supreme God. After all, they had greeted quite a number of guests, and Wang Kui only spoke so respectfully to a few of them.

“Congratulations, Clan Leader Wang. Our lord can’t attend as he has something to do so he sent me here to attend the Wang clan’s grand wedding. I hope the Wang clan doesn’t mind this,” Ta Yu said as he laughed loudly.

Ta Yu’s laughter was like a clap of thunder, causing everyone to turn to look at him. However, when they saw Ta Yu, a hint of fear could be seen in their eyes. After all, Ta Yu of Chi Ming Mountain was known to have a quick temper. Those who provoked him in the past had all come to a terrible end.

“Senior Ta Yu, you must be joking! The Wang clan is honored by your presence,” Wang Kui said warmly. Then, he turned to Duan Ling Tian slightly and said, “Senior Ta Yu, this is the main star of our Wang clan’s wedding today. Young Master Li Feng, greet Senior Ta Yu.”

Ta Yu shifted his gaze toward Duan Ling Tian, causing Duan Ling Tian to feel a slight pressure.

Duan Ling Tian smiled faintly and said, “Greetings, Senior Ta Yu. We haven’t seen each other for a long time, but you’re still the same.”

Wang Kui was shocked when he heard Duan Ling Tian's words.

Meanwhile, Ta Yu looked at Duan Ling Tian intently before he said, "After the battle in Dancing Sun City, I realized that you're not a simple person. It's a pity that you left early. I didn't have a chance to thank you for sparing Ta Meng Sha."

Then, Ta Yu glanced at Ta Meng Sha, who was standing behind him, and said, "Ta Meng Sha, why don't you thank Brother Li Feng for showing mercy that time?"

Ta Yu's words shocked everyone present.

As for Wang Kui, his mouth was agape as his eyes darted between Duan Ling Tian and Ta Yu.

Chapter 4428 It's You?!

'Thank Li Feng for showing mercy to Ta Meng Sha?'

Everyone naturally understood these words. It meant that Li Feng was capable of killing Ta Meng Sha, but he chose to spare Ta Meng Sha's life instead.

Although it seemed like Duan Ling Tian had done Ta Yu and Ta Meng Sha a great favor, Wang Kui's expression could not help but change slightly. He felt like Ta Yu hid knives behind his words.

Unlike Wang Kui, the other guests gathered to watch the show excitedly.

!!

“Ta Yu of Chi Ming Mountain actually asked his adopted son, Ta Meng Sha, to thank the Wang clan’s new groom for showing mercy?”

“So this person is capable of killing Ta Meng Sha? Tsk, tsk, tsk, he’s really powerful even though he’s not even 10,000 years old. Amazing!”

“I wonder if Ta Yu will avenge his adopted son!”

“That’s unlikely, right? Didn’t you hear Ta Yu asking his adopted son to thank Li Feng?”

“Hey, who knows if he’s being sincere? Perhaps, he’s being sarcastic. Although he doesn’t seem angry now, who knows if this is just the calm before the storm?”

Unlike the members of the Wang clan present on the scene who were tense and wary, looking as though they were facing a great enemy at this time, the crowd was speculating fervently among themselves in hushed tones. After all, this matter was between the Wang clan’s new groom and Chi Ming Mountain.

Ta Meng Sha frowned slightly. In the end, under the watchful eyes of his adopted father, he stepped forward and said, “Li Feng, thank you for showing mercy.”

However, despite Ta Meng Sha’s words, the frown on his face did not ease, and he continued to say domineeringly, “I’ll definitely defeat you in the future!”

Duan Ling Tian smiled faintly and replied, "I look forward to that day."

'Defeat me? Does he think that I used all my strength when I fought him?'

Currently, if he were to fight Ta Yu, even if he could not win, it would not be a problem for him to escape unscathed. There was no need to mention Ta Meng Sha at all. With a little time to raise his strength, he would definitely be able to defeat Ta Yu.

At this time, Ta Yu looked at Wang Kui and said with a sigh, "I really didn't expect that the Wang clan's new groom is him... I'd like to congratulate the Wang clan again for being blessed with a son-in-law who has a high potential of becoming a supreme powerhouse!"

As soon as Ta Yu's voice fell, the crowd fell silent briefly. Based on these words, it was clear that Ta Yu looked highly upon the new son-in-law of the Wang clan. However, many people thought that the words were just perfunctory.

"Thank you for your compliments, Senior Ta Yu," Wang Kui thanked Ta Yu on Duan Ling Tian's behalf.

Ta Yu continued to say, "The compliment isn't from me. I'm merely repeating what my lord said to us. He told us that this young man here has a high potential of becoming a supreme powerhouse."

The crowd broke into an uproar immediately. None of them expected that the supreme demon of Chi Ming Mountain, a powerful supreme powerhouse, would have such a high opinion of the young man who was not even 10,000 years old. Their gazes changed when they looked at the young man

again. After all, he was someone recognized by a supreme powerhouse. Perhaps, in the future, he would be the second supreme powerhouse in the Wang clan.

Meanwhile, Duan Ling Tian smiled slightly and said to Ta Yu, “Senior Ta Yu, please send my greetings to Lord Chi Ming. Previously, I was in a hurry to leave because I had an urgent matter to attend to. As such, I didn’t have a chance to pay my respect to Lord Chi Ming. I hope he’ll excuse me for being rude.”

Despite Duan Ling Tian’s calm exterior, he was so frightened that he broke out in cold sweat. He did not expect that Chi Ming had taken notice of him when he was in Dancing Sun City. Perhaps, at that time, Chi Ming was just too busy to deal with him.

“Very well,” Ta Yu replied with a nod before he walked into the Wang clan with Ta Meng Sha in tow. All of a sudden, he turned back to look at Duan Ling Tian and said with a friendly smile, “Li Feng, if you have time, come and visit me on Chi Ming Mountain. I’m sure my lord will also like to meet you.”

In fact, Wang Kui was being too cautious. There were no hidden knives behind Ta Yu’s earlier words.

Ta Yu was rather courteous to Duan Ling Tian. This was because before he came, he heard that the Wang clan disregarded the new supreme powerhouse of the Green Willow City’s Meng clan for their new son-in-law. With this, he knew that the Wang clan’s son-in-law was not simple even if they had yet to meet.

When Ta Yu finally saw the new son-in-law of the Wang clan, he finally realized that he had met the other party before. As it turned out, during the battle in Dancing Sun City, the young man was the person who spared his adopted son’s life.

Due to his speculations about Duan Ling Tian's extraordinary background and Duan Ling Tian's attitude toward his adopted son, Ta Yu's attitude toward Duan Ling Tian naturally became better.

"Alright," Duan Ling Tian replied with a smile. He looked at Ta Yu and Ta Meng Sha's backs until they vanished from his sight, and he returned to greeting the other guests.

Not long after, Wang Kui suddenly frowned when he saw the two guests walking over.

The two guests were none other than the men from the Green Billow City's Meng clan, Meng Yu Zheng and Tan Xiu Teng; the Green Flame Saber King.

Meng Yu Zheng led Tan Xiu Teng forward. When he arrived in front of Wang Kui, he did not look at Wang Kui. Instead, he looked at Duan Ling Tian icily and scoffed. Only after that did he glance at Wang Kui and ask indifferently, "Clan Leader Wang, so this is the husband the Wang clan has chosen for Wang Luo Yu?"

Wang Kui replied bluntly and domineeringly in an equally indifferent tone, "Young Master Meng, if you're here as a guest, the Wang clan will naturally welcome you. However, if you come to cause trouble, please leave immediately."

As soon as Meng Yu Zheng frowned, Tan Xiu Teng, who was standing at the back, said, "Clan Leader Wang, Young Master Meng came on behalf of my lord. How can you ask him to leave? Does this mean you don't welcome the lord?"

Tan Xiu Teng did not hesitate to mention the new supreme powerhouse of the Meng clan as soon as he opened his mouth.

The atmosphere turned tense in just a blink of an eye.

Upon hearing Tan Xiu Teng's words, Wang Kui was not in a rush to explain himself. Instead, he said with a smile, "I believe if Senior Meng is here, he definitely wouldn't be impudent like Young Master Meng. That's why I and the Wang clan have nothing but respect for Senior Meng."

As the Clan Leader of the Wang clan, Wang Kui was naturally adept at dealing with this kind of situation.

Seeing that Wang Kui showed no signs of yielding, Meng Yu Zheng could only scoff and say, "Let's go in."

After that, Meng Yu Zheng beckoned Tan Xiu Teng to follow him inside. He was determined to attend Wang Lu Yuo and Li Feng's wedding.

Meanwhile, Wang Kui said to appease Duan Ling Tian, "Young Master Li Feng, don't pay attention to him. He's just a good-for-nothing young master. If it weren't for the fact that the Meng clan now has a supreme powerhouse, he wouldn't dare to act so presumptuously."

"It's fine. He's just like a clown in my eyes," Duan Ling Tian said with a faint smile. Clearly, he did not take Meng Yu Zheng seriously at all.

Suddenly...

"It's you!"

A loud exclamation rang from afar, catching everyone's attention.

The voice belonged to a young woman with a beautiful and delicate face. She was walking arm-in-arm with a middle-aged man, followed by an old woman. However, as soon as she saw Duan Ling Tian, she stopped in her tracks.

Duan Ling Tian was no stranger to the young woman and the old woman.

#### Chapter 4429 Ye Cheng From the Ye Clan

The young woman was Ye Qiang Wei, and the old woman was the person who accompanied her.

The old woman stood behind Ye Qiang Wei while a majestic-looking middle-aged man stood next to Ye Qiang Wei. His eyes looked somewhat similar to those of Ye Qiang Wei.

It was not difficult for Duan Ling Tian to guess the middle-aged man's identity after he saw Ye Qiang Wei. The middle-aged man was like Ye Qiang Wei's father, one of the candidates for the position of the next Clan Leader of the Ye clan.

Although Duan Ling Tian only met Wang Luo Yu a few times, he had learned a few things about Ye Qiang Wei from her. He knew that Ye Qiang Wei came to Blue Dawn City for her, hoping to help her escape from the marriage that the Wang clan had arranged for her. For this reason, his impression of Ye Qiang Wei improved.

Duan Ling Tian quickly recovered from his surprise. However, he had no intention of explaining himself to Ye Qiang Wei why he had told her his name was Duan Ling Tian. He knew that Ye Qiang Wei would assume 'Duan Ling Tian' was just an alias.

‘Why is he the groom?’

Ye Qiang Wei was still in shock. He did not expect that the talented young man, Li Feng, whom Wang Luo Yu was going to marry was Duan Ling Tian, the young man she had a crush on.

‘H-he... He gave me a fake name? I... I didn’t expect him to be Li Feng...’

Ye Qiang Wei could not help but feel disappointed and upset at this moment. At the same time, she also envied Wang Luo Yu. This was the first time Ye Qiang Wei had met someone she liked, after all. Moreover, she could tell that the other party was a good man.

Ye Qiang Wei’s gaze was complicated as she looked at Duan Ling Tian.

Similarly, the old woman was also shocked when she saw Duan Ling Tian. Similar to Ye Qiang Wei, she also looked at Duan Ling Tian with a complicated expression. After a moment, she furtively looked at Ye Qiang Wei. She could see Ye Qiang Wei’s delicate body trembling slightly.

At this time, the middle-aged man standing next to Ye Qiang Wei also noticed her body trembling. He asked worriedly, “Wei’er, what’s wrong? Do you feel unwell?”

Ye Qiang Wei returned to her senses and shook her head. “Father, I’m fine. I just feel a little sad now that Sister Luo Yu is getting married...”

The middle-aged man shook his head and said reassuringly with a smile, “Silly girl. Even if she’s married, she’s still your friend. This won’t change. Even if she leaves the Divine Sand Realm with her husband in the future, it’s not like she’ll never return. Even if she doesn’t, you can always visit her, right?”

Then, the middle-aged man said, “Let’s go meet Luo Yu’s husband. You said that Luo Yu and the Wang clan both acknowledge him so he must not be an ordinary young man.”

After that, the middle-aged man led Ye Qiang Wei over to Wang Kui and Duan Ling Tian.

After the middle-aged man greeted Wang Kui, Wang Kui smiled and said amiably, “Greetings, Elder Ye Cheng. Since your daughter is a close friend of Luo Yu, you can be considered an elder of Luo Yu as well. You have to drink more since it’s her wedding!”

“Of course!” Ye Cheng laughed before he turned his attention to Duan Ling Tian.

“Elder Ye,” Duan Ling Tian said with a nod. Then, he looked at Ye Qiang Wei, who was standing next to Ye Cheng, and said, “Miss Ye, we meet again.”

Initially, Ye Qiang Wei did not dare to look at Duan Ling Tian, worried that she would become even more emotional. However, when he took the initiative to greet her, she raised her head and looked at him with a complicated gaze as she said, “Yes, we meet again... I... I didn’t expect you to be the ‘Brother Li Feng’ whom Sister Luo Yu spoke about...”

“Wei’er, do you know Young Master Li Feng?”

“Miss Ye, you’re acquainted with Young Master Li Feng?”

Ye Cheng and Wang Kui spoke in unison, surprised.

However, Wang Kui was surprised because it seemed like Ye Qiang Wei did not meet Duan Ling Tian through Wang Luo Yu. It seemed that they were acquainted at another time.

Ye Qiang Wei looked at her father and said in a lowered voice, “Father, Brother Li Feng is the young man who saved me and Grandma during our journey to Blue Dawn City.”

Ye Cheng was naturally surprised. He had heard from his daughter that a powerful young man had saved her, and most importantly, she had said that the young man’s strength was not inferior to his and that the young man was not even 10,000 years old. He had been curious about the young man and did not expect the young man to be the Wang clan’s groom and new son-in-law.

At this moment, Ye Cheng finally understood why the Wang clan risked offending the Green Billow City’s Meng clan and insisted on marrying Wang Luo Yu to the person in front of him. As it turned out, the young man was a heaven-defying prodigy. Considering everything, it was likely that the young man had a powerful background.

‘The Wang clan really found a gem,’ Ye Cheng thought to himself as he sighed inwardly. At the same time, he subconsciously looked at his daughter and thought to himself with a sigh again, “If Wei’er is able to find such a husband, I won’t need to worry about her future when I’m no longer around.’

Although Ye Qiang Wei deliberately lowered her voice when she spoke, Wang Kui still heard her words. His eyes widened slightly before he turned to look at Ye Cheng and saw the surprise in Ye Cheng’s eyes. He thought to himself, ‘It seems like we won’t be able to hide Young Master Li Feng’s strength for much longer.’

Meanwhile, Ye Cheng returned to his senses and said to Wang Kui with a smile, "Clan Leader Wang, congratulations to the Wang clan on getting such an outstanding son-in-law!"

"Thank you, Elder Ye," Wang Kui said with a smile, "This way please, Elder Ye. Please go in first. The ceremony will start soon."

Ye Cheng responded and entered with Ye Qiang Wei and the old woman. Before he left, he said to Duan Ling Tian, "Young Master Li Feng, I'll go in first. See you later."

"See you later." Duan Ling Tian nodded with a smile as he watched the three members of the Ye clan leave.

Duan Ling Tian and Wang Kui continued to greet the guests, and when it was almost time, Duan Ling Tian left to make preparations for the wedding ceremony.

From the beginning until now, Duan Ling Tian did not ask the Wang clan to prepare a simple wedding even though he knew the Wang clan would definitely acquiesce if he asked. After all, he did not want them to suspect anything. The plan was only a step away from success, and he did not want any issues to arise at the critical moment.

'After the wedding, I can finally find an excuse to leave...' Duan Ling Tian thought to himself.

Chapter 4430 When Will the Ancestor Arrive?

After arriving at the wedding venue with her father, Ye Qiang Wei parted ways with him, saying that she was going to accompany her best friend, Wang Luo Yu, since Wang Luo Yu was getting married today.

Ye Cheng naturally did not have any objections. After learning that Wang Luo Yu's husband, 'Li Feng', was a peerless prodigy, he naturally hoped his daughter would have an even better relationship with Wang Luo Yu. He nodded in agreement as soon as his daughter spoke up.

Following that, Ye Qiang Wei left, accompanied by the old woman who followed her like a shadow.

Ye Cheng might not know his daughter's thoughts, but the old woman, who was always Ye Qiang Wei, could vaguely guess her thoughts. She said, "Miss, some people are only meant to be a passerby in our lives. Don't take this matter too seriously."

The old woman was aware that Ye Qiang Wei had a crush on Duan Ling Tian. Although Ye Qiang Wei did not admit it, it was not hard for her to tell since she herself had felt this way as well in the past.

"Grandma, why didn't he tell me his real name?" Ye Qiang Wei asked, clearly disappointed. She thought that his name was Li Feng, not Duan Ling Tian. She wanted to know why he had lied to her and wondered if she was not worthy of knowing his real name.

The old woman shook her head and said, "Miss, don't overthink this matter. Since Young Master Li Feng didn't reveal his name, I'm sure he has his own reasons and concerns. You should understand this. He'll soon be Miss Luo Yu's husband. You'll be meeting him after this..."

There was a hidden meaning behind the old woman's words. She was trying to remind Ye Qiang Wei that Duan Ling Tian was getting married, hoping that Ye Qiang Wei would stop thinking about him. She was aware that Ye Qiang Wei was arrogant and had never taken a liking to any man in the past. Duan Ling Tian was the first person Ye Qiang Wei liked.

Ye Qiang Wei's delicate body trembled slightly as she said, "That's right... He'll soon be Sister Luo Yu's husband. He'll be my best friend's husband from today onward. Grandma, I'm fine... Let's go and look for Luo Yu. Since her brother's gone, I'll accompany her on her brother's behalf and witness her getting happily married."

The old woman sighed in relief inwardly upon hearing Ye Qiang Wei's words and hurriedly agreed. It seemed to her that Ye Qiang Wei was going to let go of her feelings. Even if Ye Qiang Wei could not completely let go yet, she was certain that Ye Qiang Wei would be able to do so with time.

...

"Sister Qiang Wei!" Wang Luo Yu called out when she saw Ye Qiang Wei.

At this time, Wang Luo Yu was getting ready at the back courtyard of the Wang clan's estate. She was surrounded by a group of people who were helping her to get ready. Three or four women were helping her to apply her makeup at this time. Although it was not done yet, she looked far more beautiful than she usually did. If Duan Ling Tian were here, he would have been stunned by her appearance.

Even Ye Qiang Wei's eyes could not help but light up when she saw how beautiful Wang Luo Yu was. She said with a smile, filled with praise, "Sister Luo Yu, you're so beautiful."

While the women continued to apply makeup for her, Wang Luo Yu smiled in response before she asked, "Sister Qiang Wei, since you came with Uncle Ye, you should've met Brother Li Feng, right?"

Wang Luo Yu knew that Ye Qiang Wei had been curious about Duan Ling Tian. Unfortunately, Duan Ling Tian did not want to meet Ye Qiang Wei previously. Today, Ye Qiang Wei finally got to meet him.

Ye Qiang Wei nodded. "I did. Sister Luo Yu, do you remember when I told you I was saved by a young man during my journey here?"

A hint of fear could be seen on Wang Luo Yu's face as she nodded and said, "Yes. Fortunately, that young man saved you, Sister Qiang Wei. Otherwise, I really couldn't imagine what would have happened to you..."

When Wang Luo Yu thought about the incident again, she could not help but feel frightened.

In fact, Ye Qiang Wei also knew that Wang Luo Yu would be frightened and worried. As such, when she just arrived, she did not tell Wang Luo Yu about this matter. It was not until many days later that she mentioned this matter when they were chatting.

Unsurprisingly, Wang Luo Yu had been concerned and frightened when she learned that her best friend was almost kidnapped by the members of the Blood Sea Organization. She was truly thankful that a young man happened to pass by and saved Ye Qiang Wei.

"I saw him again today," Ye Qiang Wei said.

"Hm?" Wang Luo Yu was slightly confused. After a moment, she asked curiously, "Sister Qiang Wei, is a guest at my and Brother Li Feng's wedding? Did you greet him? Did he tell you his name?"

Previously, Ye Qiang Wei had told Wang Luo Yu that the other party was very aloof and refused to tell Ye Qiang Wei his name. At that time, she was surprised. After all, she could not imagine what

kind of person would not be moved by Ye Qiang Wei's beauty. She even wondered if the other party did not like women.

A complicated expression appeared on Ye Qiang Wei's face before she said with a sigh, "He's not a guest at your wedding. He's your Brother Li Feng."

Wang Luo Yu was stunned.

'Brother Li Feng? No, Brother Duan? Brother Duan is the one who saved Sister Qiang Wei?'

A complicated expression appeared on Wang Luo Yu's face as well when she learned that the young man who traveled all the way to Blue Dawn City to fulfill his promise to her brother met Ye Qiang Wei before she did and even rescued Ye Qiang Wei. She also felt even more complicated when she saw a hint of loneliness in Ye Qiang Wei's eyes.

'What a twist of fate... As it turns out, Brother Duan is the one who saved you... Moreover, it's clear that you have a crush on him,' Wang Luo Yu thought to herself. At the same time, her eyes flashed slightly. She wanted to tell Ye Qiang Wei the truth about Duan Ling Tian and how he had come to bring her away from the Wang clan. However, at the last minute, she quickly held back. She remembered that Duan Ling Tian had reminded her not to reveal his identity.

In the end, Wang Luo Yu forced a smile on her face and said, feeling guilty, "What a coincidence. I didn't expect the person who saved you to be Brother Li Feng. He didn't mention this matter to me before..."

Ye Qiang Wei returned to her senses and quickly changed the topic to ease the slightly awkward atmosphere. At this moment, she regretted expressing her admiration for her savior to Wang Luo Yu previously.

Wang Luo Yu and Ye Qiang Wei continued to chat as Wang Luo Yu got ready.

Not too long after, someone rushed over and said, “Miss Luo Yu, it’s almost time. Let’s get ready and go out.”

The people around Wang Luo Yu became even more busy putting on the finishing touches before they helped Wang Luo Yu out of the courtyard.

Ye Qiang Wei stayed with Wang Luo Yu, planning to represent Wang Luo Yu’s brother and watch her marry Duan Ling Tian.

...

At this time, Duan Ling Tian was already waiting at the side of the venue.

According to wedding customs of the Blue Dawn City’s Wang clan, Duan Ling Tian and Wang Luo Yu would enter the hall from two different entrances and meet at the high platform, facing the guests seated below. After that, they would have to go through a series of ceremonies. After the ceremonies were over, the wedding would be completed, and they would toast and entertain the guests.

The wedding was held in a large hall in the Wang clan’s estate. It was decorated with lights and festoons.

At this time, Meng Yu Zheng, who was seated at one of the banquet tables, looked at Tan Xiu Teng and asked excitedly through Voice Transmission, “Uncle Tan, is... is the ancestor really coming?”

Tan Xiu Teng nodded and replied through Voice Transmission, “Yes. The lord said that he wants to meet the young man since the Wang clan dared to refuse the Meng clan and him, who’s now a supreme powerhouse.”

Meng Yu Zheng’s eyes brightened. He was like a drowning man who was suddenly given a raft. He asked impatiently, “When will the ancestor arrive?”
