Chapter 4431 The Meng Clan's Supreme Powerhouse, Meng Tian Feng!

Tan Xiu Teng replied to Meng Yu Zheng, "He should be arriving soon."

...

At the same time, a figure flew from Green Billow City to Blue Dawn City at lightning speed. He was so fast that most people could not even catch a glimpse of him.

The figure belonged to an old man with snow-white hair and ruddy cheeks. He looked rather youthful for his age. As he flew, the hem of his long gray robe fluttered in the wind as thunder and sparks of flames lit up the sky.

!!

'The Wang clan...'

Memories from his earlier years flashed in his mind as he flew in the sky.

The old man was not even 10,000 years old when he followed his elders and went to the Wang clan in Blue Dawn City for the first time to meet the Wang clan's supreme powerhouse.

The Wang clan's supreme powerhouse was stronger than ordinary supreme powerhouses, and for this reason, the Wang clan was respected not only in Blue Dawn City but in the Divine Sand Realm as well.

The Wang clan's supreme powerhouse was so strong that if Blue Dawn City were facing destruction like Dancing Sun City did, he alone was powerful enough to make the supreme demon from Chi Ming Mountain think twice about attacking.

'I didn't expect the once mighty Wang clan to fall to such a pitiful state after the death of their supreme powerhouse. They might have the support of a few supreme powerhouses now thanks to their late ancestor. However, how long can the clan rely on them? If a supreme powerhouse doesn't appear in the Wang clan, they won't be able to maintain their status in the Divine Sand Realm for long. Alas, the Meng clan isn't exempted from this as well. Although I've grown stronger and my lifespan has increased, I'll also die eventually. I brought glory to the Meng clan after becoming a supreme powerhouse, but this glory will vanish with my passing...' the old man mumbled to himself as he sighed.

The old man was none other than Meng Tian Feng, the new supreme powerhouse of the Meng clan.

...

Back in the Wang clan in Blue Dawn City.

In a huge open-air hall.

The atmosphere was lively as Duan Ling Tian and Wang Luo Yu walked in.

“The Wang clan’s new son-in-law has an extraordinary bearing!”

“His handsome appearance is truly worthy of our Blue Dawn City’s number one beauty!”

“I wonder who he is... He must have a powerful background. Otherwise, the Wang clan wouldn’t have rejected the Meng clan for him...”

The guests could not help but discuss among themselves as they watched Duan Ling Tian and Wang Luo Yu walk from opposite directions toward the high platform in the center of the hall. They were naturally familiar with Wang Luo Yu, the number one beauty of Blue Dawn City. Perhaps, their attention was mostly focused on Duan Ling Tian who was a mystery to them.

At this time, the host of the wedding, Wang Kui, also the Clan Leader of the Wang clan, bowed slightly to the guests and said, “Dear guests, I, Wang Kui; the Clan Leader of the Wang clan, would like to thank all of you for taking time out of your busy schedule to attend this wedding.”

Under normal circumstances, Wang Kui, as the Clan Leader of the Wang clan, would not be the host of the weddings in the clan unless the bride or groom had an extraordinary background. Moreover, even if the clan leader hosted a wedding, it was usually the wedding of a male descendant of the Wang clan. It was even rarer for the clan leader to be the host of the wedding of a female descendant.

For this reason, the guests were even more convinced that Duan Ling Tian, whom they knew as Li Feng, had a very powerful background.

“Today is the wedding of our clan’s direct descendant, Wang Luo Yu, and Li Feng, a prodigy from outside the Divine Sand Realm. The clan and I wish both of them a fulfilling and harmonious marriage. Apart from that...”

Wang Kui continued to give his speech as Duan Ling Tian and Wang Luo Yu made their way up the high platform. Even after the couple arrived on the platform, Wang Kui was still not done with his speech. The speech was so long-winded that Duan Ling Tian nearly fell asleep.

With nothing else to do at this moment, Duan Ling Tian swept his eyes across the guests seated below the high platform. Most of them were only looking at him curiously and nothing was out of the ordinary except for Meng Yu Zheng from the Green Billow City's Meng clan who was glaring at him.

From the moment Meng Yu Zheng arrived until now, Duan Ling Tian only ignored Meng Yu Zheng. However, it did not stop Meng Yu Zheng from harassing Duan Ling Tian.

Meng Yu Zheng stared at Duan Ling Tian murderously as he said threateningly through Voice Transmission, "Brat, you'll pay for your impudence! My ancestor, the supreme powerhouse of the Meng clan, is going to arrive soon! He can end this wedding in just a blink of an eye! I want to see how arrogant you can be in front of him!"

Duan Ling Tian continued to ignore Meng Yu Zheng. It was as though he did not hear the Voice Transmission at all.

This naturally only made Meng Yu Zheng even more furious.

'This bast*rd! Does he think I'm joking?!'

At this time, Wang Kui finally ended his long-winded speech and introduced Duan Ling Tian to the guests. He briefly explained that Duan Ling Tian came from a clan outside of the Divine Sand Realm before he handed a wedding from the Wang clan to Wang Luo Yu and said with a broad smile, "Luo Yu, you'll always be a part of the Wang clan even if you're now married."

Slightly startled by this gesture, Wang Luo Yu reached out to accept the gift, feeling rather guilty. However, it was imperative that she put on a perfect show to ensure the success of the plan.

‘I’ll be leaving the Wang clan soon after the wedding is over. Based on Brother Duan’s words, the place where he comes from, the God Defying World, seems perfect. Perhaps, I’ll settle down in one of the mundane realms there...’ Wang Luo Yu thought to herself.

Just as the ceremonies were about to end and the guests were about to feast, a crisp and clear voice rang in everyone’s ears. It was difficult to tell where the voice came from since it seemed to echo from all directions.

“Since the Wang clan is holding a wedding banquet, I, Meng Tian Feng from the Meng clan, came to toast the Wang clan.”

Everyone was shocked when they heard the voice. Then, they began to fervently discuss among themselves.

“The new supreme powerhouse from the Green Billow City’s Meng clan?!”

“It’s him. I didn’t expect him to show up!”

“What’s going on? That supreme powerhouse actually came to attend the wedding? This is unbelievable... I guess it’s true that the Meng Tian Feng wanted the Wang clan to marry Wang Luo Yu off to his direct descendant...”

“If that’s the case, he definitely came with malicious intentions...”

Chapter 4432 Apologize

Meng Tian Feng, the new supreme powerhouse of the Meng clan, finally arrived at the Wang clan’s estate in Blue Dawn City.

After hearing Meng Tian Feng’s words, the smile on Wang Kui’s face dimmed slightly. He quickly regained his composure and flew into the sky before he looked in the direction of Green Billow City. He cupped his fists together and bowed slightly before he said, “Wang Kui, the Clan Leader of the Wang clan, greets Senior Meng Tian Feng.”

Wang Kui still did not see Meng Tian Feng, but he guessed that Meng Tian Feng came from Green Billow City.

Following that, a youthful-looking old man suddenly appeared out of thin air and said, “The young boy I once met in the past is now the Clan Leader of the Wang clan...”

At the same time, the guests looked up and recognized Meng Tian Feng instantly. A few of the old men present wore complicated expressions on their faces as they looked at Meng Tian Feng. They were Meng Tian Feng’s peers, but he had now become superior to them, after all.

“It’s Senior Meng Tian Feng from the Meng clan!”

“Greetings, Senior Meng!”

A few people rose to their feet and greeted Meng Tian Feng before the others followed suit. Only a few old men remained seated. These few people might not be supreme powerhouses, but they were

not afraid of Meng Tian Feng and the Meng clan. They were all from powerful forces as well, after all, and they were naturally arrogant.

Ta Yu, one of the three strongest demons under Chi Ming's command, and his adoptive son, Ta Meng Sha, were among the few who remained seated. After all, Chi Ming, the supreme demon of Chi Ming Mountain, was rather powerful even among supreme powerhouses. Chi Ming's strength could be seen during the massacre in Dancing Sun City; Chi Ming alone could deal with three of the five supreme powerhouses of Dancing Sun City.

Meng Tian Feng's arrival naturally shifted the spotlight away from Duan Ling Tian. At this moment, he looked at Meng Tian Feng, discreetly sizing the other party up. Not a hint of fear could be seen on his face at all.

'So he's the new supreme powerhouse of the Meng clan? He's just like those five supreme powerhouses of Dancing Sun City...' Duan Ling Tian thought to himself.

Duan Ling Tian had witnessed the large-scale battle between the supreme powerhouses in Dancing Sun City. However, it had to be said that he could not even catch a glimpse of their movements due to their speed. Before meeting supreme powerhouses, he felt that they were inviolable and sacred. However, after meeting them, apart from being terrifyingly strong, he realized that they were not different from ordinary people; they were still not free of secular desires and were also afraid of death.

Meanwhile, Wang Kui said with a hint of surprise, "I didn't expect senior to still remember me."

Wang Kui had only met Meng Tian Feng once in the past. At that time, Meng Tian Feng was already a core figure of the Meng clan. As such, the previous Clan Leader of the Wang clan even personally received Meng Tian Feng. At that time, Wang Kui was just a teenager.

Meng Tian Feng said with a smile, “I knew you were different from the other youngsters when I first saw you. When I heard that you became the Clan Leader of the Wang clan, I even bragged to my friends that I have keen eyes for talent.”

After saying that, Meng Tian Feng said, “Clan Leader Wang, excuse me for a moment. I just saw a few of my old friends, and I’d like to greet them.”

As soon as Meng Yu Zheng vanished and reappeared on the ground, a few dozen people approached him and greeted him.

“Congratulations, Brother Meng!”

“Brother Meng, I was told that you were in closed-door cultivation when I went to visit you to congratulate you. I thought I’d visit again another time. I didn’t expect to meet you here.”

“Brother Meng, it’s good to see you.”

Before Meng Tian Feng became a supreme powerhouse, he was already a famous figure in Green Billow City. He had made many friends, including those from powerful forces, during the time he wandered the Divine Sand Realm.

After a while, Meng Yu Zheng led Tan Xiu Teng over. He bowed and said respectfully, “Yu Zheng greets the old ancestor.”

“Greetings, my lord,” Tan Xiu Teng said respectfully with a bow as well before he moved to stand behind Meng Tian Feng.

Meng Tian Feng's old friends wore complicated expressions on their faces when they saw that the Divine Sand Realm's famous Green Flame Saber King was now Meng Tian Feng's subordinate. The Green Flame Saber King was at least on par, if not stronger than them. Apart from that, although Meng Tian Feng did not put on air, his aura as a supreme powerhouse was naturally overbearing, causing those who were in close proximity to feel slightly pressured. They felt like they were sitting on pins and needles and were filled with the urge to distance themselves from him after they greeted him. Since Meng Tian Feng had become a supreme powerhouse, they knew it was impossible for them to treat him casually like they did before unless they became supreme powerhouses as well.

At this time, Meng Yu Zheng began to complain to Meng Tian Feng. "Old ancestor, that brat who's marrying Wang Luo Yu is called Li Feng! He's rude to me even though he knows I'm from the Meng clan and that I represent you!"

Upon hearing Meng Tian Feng's words, Meng Tian Feng's old friends raised their eyebrows. There was no doubt that now that the Meng clan asked for Wang Luo Yu's hand in marriage on behalf of Meng Yu Zheng but was rejected by the Wang clan in favor of Li Feng, a prodigy from outside the Divine Sand Realm. Nonetheless, they did not think that Meng Tian Feng would do anything drastic. After all, the Wang clan's new son-in-law was a mystery. For this reason, it would be reckless for the Meng clan to offend the Wang clan's new son-in-law when they knew nothing about the other party's origin.

Meng Tian Feng looked at Meng Yu Zheng and said indifferently, "Knowing you, it must have been you who was rude to Little Li Feng. Apologize to him now."

Everyone was shocked by Meng Tian Feng's words. At the same time, they wondered if Meng Tian Feng knew something about Li Feng's origins.

Meng Tian Feng's face paled as his heart sank. "O-old ancestor..."

Even Tan Xiu Teng, the Green Flame Saber King, who was standing behind Meng Tian Feng, was shocked by the sudden twist of events. He assumed that Meng Tian Feng would be furious after the Wang clan rejected Meng Yu Zheng's proposal to Wang Luo Yu. It was beyond his expectations that not only did Meng Tian Feng reprimand Meng Yu Zheng but demanded Meng Yu Zheng to apologize as well.

Everyone was shocked and confused as well.

“What’s going on?”

Even Wang Kui, the Clan Leader of the Wang clan, who was prepared to call for reinforcement when Meng Tian Feng arrived, was dumbfounded.

!!

Everyone assumed Meng Tian Feng was going to stand up for Meng Yu Zheng after the latter complained. Unexpectedly and shockingly, he ordered Meng Yu Zheng to apologize to Li Feng instead. Moreover, he even addressed Li Feng familiarly as ‘Little Li Feng’.

‘Does he know something about Young Master Li Feng’s background?’ Wang Kui wondered inwardly. This was the only explanation that made sense to him.

“Why are you still hesitating? Go and apologize now,” Meng Tian Feng said expressionlessly as he glanced at Meng Yu Zheng. Although his voice was calm, it sounded thunderous in Meng Yu Zheng’s ear, causing Meng Yu Zheng’s heart to skip a beat.

Meng Tian Feng quickly made his way over to Duan Ling Tian with a reluctant expression on his face. However, although he was reluctant and furious, he did not dare to let it show. His arrogance was gone as he said, “Li Feng, I’m sorry.”

“Young Master Meng, you don’t have to apologize. I understand. After all, who won’t be moved by a beauty?” Duan Ling Tian said casually.

Meng Yu Zheng only stared at Duan Ling Tian for a moment before he returned to stand next to Meng Tian Feng, next to Tan Xiu Teng.

Meng Tian Feng looked at Duan Ling Tian and nodded before he said with a smile, “Little Li Feng, I heard that you’re not from the Divine Sand Realm. The force that you belong to must be extraordinary.”

Duan Ling Tian shook his head and said, “Senior, you think too highly of me. The force I belong to can’t be compared to the Green Billow City’s Meng clan.”

Although Duan Ling Tian’s words were modest, they sounded different in Meng Tian Feng and Wang Kui’s ears. The duo wondered if Duan Ling Tian truly meant that his force could not compare to the Meng clan or if it was the other way around.

After a moment, Wang Kui thought to himself, puzzled, ‘Does this mean Meng Tian Feng knows nothing about Young Master Li Feng’s origins as well? Then why is he being so courteous to Young Master Li Feng? Is it due to the Wang clan’s treatment of Young Master Li Feng? However, it still doesn’t make sense for him, a supreme powerhouse, to be so courteous...’

Meng Tian Feng shook his head and said, “Little Li Feng, you’re too humble. It’s impossible that you’re not from an extraordinary force since the Wang clan has invited the Heaven Bearing Sword Saint here.”

Duan Ling Tian did not react to these words.

On the contrary, Wang Kui's eyes widened imperceptibly as he exclaimed inwardly, 'H-how did he know?!'

The Heaven Bearing Sword Saint was the title of the supreme powerhouse whom the Wang Kui invited over to protect the Wang clan. When the Heaven Bearing Sword Saint was still an advanced Supreme God, he was already famous in the Divine Sand Realm. Currently, people would tremble at the mention of his name because he was one of the strongest supreme powerhouses in the Divine Sand Realm. He was at least on par with Chi Ming from Chi Ming Mountain. In the Divine Sand Realm, there were two kinds of supreme powerhouses; there were supreme powerhouses like the Heaven Bearing Sword Saint and Chi Ming who were considered the strongest in the Divine Sand Realm, and there were ordinary supreme powerhouses like Meng Tian Feng and the five late supreme powerhouses of Dancing Sun City.

Meng Tian Feng's words stirred up a commotion among the guests.

"The Heaven Bearing Sword Saint is here?!"

"I didn't expect the Wang clan to have such a close relationship with Supreme Powerhouse Situ! I heard the rumors, but I didn't think much of it. After all, the Heaven Bearing Sword Saint is in a different league."

"I heard the rumors as well. It seems like the rumors are true."

“That’s right. It’s said the Wang clan wouldn’t be able to maintain its standing if they were only allied with ordinary supreme powerhouses. At that time, rumors had it that the Wang clan had a close relationship with the Heaven Bearing Sword Saint.”

Only a few people remained calm. These people were long aware of the relationship between the Wang clan and the Heaven Bearing Sword Saint. Ye Cheng, Ye Qiang Wei’s father and an elder of the Ye clan, was among those who were aware of this matter.

Ye Cheng thought to himself, ‘I didn’t expect the Wang clan to invite Senior Situ Lei... The Wang clan must know something about that young man’s ability and background...’

After listening to the hushed conversations in his surroundings, Duan Ling Tian finally realized how formidable Situ Lei, the Heaven Bearing Sword Saint, was. Situ Lei was at least on par with Chi Ming and was a powerful supreme powerhouse in the Divine Sand Realm.

Meng Tian Feng smiled slightly and said to Wang Kui, “Clan Leader Wang, I came not only to congratulate the Wang clan on this blessed marriage, but also to meet Senior Situ. Can you please inform Senior Situ that I, Meng Tian Feng, request an audience with him? I want to seek guidance from him regarding the problems I encountered in my cultivation...”

It was a coincidence that Meng Tian Feng found out the Heaven Bearing Sword Saint was in the Wang clan. Previously, Meng Tian Feng had visited the latter’s cultivation ground but was informed that the latter was not around. It was known that the Heaven Bearing Sword Saint rarely left his cultivation ground and spent most of his time in closed-door cultivation. As such, he speculated that the Heaven Bearing Sword Saint must have gone to the Wang clan for the wedding. Based on Wang Kui’s reaction, it seemed that his speculation was right.

After a brief silence, Wang Kui said, “Senior Meng, Senior Situ agreed to meet you. Please follow me.”

Following that, Wang Kui quickly led Meng Tian Feng away.

Alas, the festive mood was ruined by Meng Tian Feng's appearance. Normal newlyweds would have been furious at Meng Tian Feng for ruining their special day, but Duan Ling Tian and Wang Luo Yu did not seem to care at all.

On the contrary, Ye Qiang Wei did not hesitate to express her displeasure to Ye Qiang Wei. "The Meng clan's new supreme powerhouse's timing is really terrible. However, it's great to see that Meng Yu Zheng's plan was thwarted! Does he think a good-for-nothing like him is worthy of my Sister Luo Yu? He's delusional!"

Duan Ling Tian did not respond to Ye Qiang Wei while Wang Luo Yu tried to calm Ye Qiang Wei down. At this moment, Ye Qiang Wei acted as though she was the bride, angry that her wedding was ruined.

Duan Ling Tian surveyed his surroundings before his eyes met Meng Yu Zheng's eyes. The hatred in Meng Yu Zheng's eyes was even more intense than before, but he was not bothered by it at all. After all, Meng Yu Zheng was no match for him at all. In fact, no one in the Meng clan, except for Meng Tian Feng, could defeat him.

Tan Xiu Teng did not follow Meng Tian Feng to meet Situ Lei and remained in the hall. At this time, he received a Voice Transmission from Meng Yu Zheng.

"Uncle Tan, from tomorrow onward, I want you to find an opportunity to kill him! I'll lend you the Supreme Powerhouse Divinity once you bring his corpse to me! I believe you have the means to kill him!"

Flames of hatred burned high in Meng Yu Zheng's eyes.

A hint of greed flashed in Tan Xiu Teng's eyes when he heard Meng Yu Zheng's Voice Transmission. However, although he coveted the Supreme Powerhouse Divinity, he still remained level-headed.

'Meng Tian Feng is right... The Wang clan wouldn't invite the Heaven Bearing Sword Saint if Li Feng is just an ordinary person...'

Tan Xiu Teng, the Green Flame Saber King, was famous and powerful, but he was naturally nothing compared to the Heaven Bearing Sword Saint. Even before the Heaven Bearing Sword Saint became a supreme powerhouse, he was already capable of killing Tan Xiu Teng, let alone now that he was among the strongest supreme powerhouses of the Divine Sand Realm.

'I must find out more about his origin before I make a move... Who knows if someone's secretly protecting him in the dark? It's impossible for a supreme powerhouse to guard him all the time, but it's not impossible for a powerful advanced Supreme God to do so... I'll only make a move after I confirm that he's not protected or I can defeat the person protecting him!'

Chapter 4434 Situ Lei Wants to Meet Duan Ling Tian

Tan Xiu Teng truly yearned to get his hands on the fire-type Supreme Powerhouse Divinity. However, he naturally would not risk his life for it. Nothing was more important than his life after all.

"Uncle Tan?"

Seeing that there was no response from Tan Xiu Teng for a long time, Meng Yu Zheng's expression turned gloomy. He could not help but wonder if Tan Xiu Teng had second thoughts after what happened today.

“I know what to do,” Tan Xiu Teng finally replied, “I won’t miss the chance to borrow that Supreme Powerhouse Divinity from you.”

!!

Meng Yu Zheng finally heaved a sigh of relief after he heard Tan Xiu Teng’s words. His expression eased, and the corners of his lips curled up into a sneer.

Although Meng Yu Zheng was frustrated that the Wang clan had invited the Heaven Bearing Sword Saint here, he also knew it was impossible for the Heaven Bearing Sword Saint to watch over Duan Ling Tian all the time. Let alone a top supreme powerhouse like the Heaven Bearing Sword Saint, he did not think the Wang clan assigned anyone as strong as Tan Xiu Teng to protect Duan Ling Tian.

Duan Ling Tian was naturally unaware of Meng Yu Zheng and Tan Xiu Teng’s deal to kill him. At this moment, he was waiting for Wang Kui to return so they could continue with the wedding ceremony.

Meng Tian Feng’s arrival naturally stirred up a commotion among the guests. Most of them were still talking about Meng Tian Feng and Situ Lei, the Heaven Bearing Sword Saint. After all, Situ Lei was among the strongest supreme powerhouses in the Divine Sand Realm. Many of them sighed emotionally as they concluded that the Wang clan would continue to maintain their status as long as they had Situ Lei on their side.

...

At the same time, news of what happened during the wedding in the Wang clan spread quickly.

The individuals and forces who declined the invitation truly regretted their actions when they heard the news. They did not expect the Wang clan to have such a close relationship with Situ Lei, the Heaven Bearing Sword Saint, and to have successfully invited the latter to the wedding.

“I should’ve attended the wedding...”

“Even if I’m busy, I would’ve attended if I’d known better...”

“I wonder if the Wang clan took offense that I declined the invitation...”

This incident also stirred up a commotion in Blue Dawn City, and almost everyone knew about the supreme powerhouses who showed up in the Wang clan. As such, everyone’s focus switched from Li Feng and Wang Luo Yu, the newlyweds, to the two supreme powerhouses.

...

After the wedding ceremony ended, the newlyweds returned to the grandly decorated courtyard that the Wang clan had prepared for them.

After Duan Ling Tian and Wang Luo Yu entered the wedding room, the servants quickly left them alone.

“Brother Duan, thank you for all your hard work,” Wang Luo Yu said apologetically. Not only did Duan Ling Tian have to put on a show for the Wang clan, but he also had to deal with Meng Yu Zheng and Meng Tian Feng. Fortunately, nothing bad happened during the wedding.

“Don’t mention it,” Duan Ling Tian said with a faint smile, “We’ll spend the next few days in the room to convince the others that we’re deeply in love and inseparable. After that, I’ll meet the clan leader and tell him that I plan to bring you on a vacation. I don’t think the clan will suspect us. I’ll bring you away from the Wang clan like I promised your brother.”

The treasure that Wang Yi Yuan gave Duan Ling Tian was extremely precious and useful to Duan Ling Tian so he was determined to repay Wang Yi Yuan and fulfill Wang Yi Yuan’s final wish.

“Alright,” Wang Luo Yu replied. She could not help but feel excited when she thought about gaining her freedom in a few days. However, tears soon welled up in her eyes when she thought about her late brother. She recovered quickly and thought to herself, ‘I must live well so that brother’s effort will not be in vain...’

Following that, Ye Qiang Wei’s slender figure appeared in Wang Luo Yu’s mind. Apart from her brother, she trusted Ye Qiang Wei the most. After a brief moment of hesitation, she looked at Duan Ling Tian and said, “Brother Duan, I... I think Sister Qiang Wei likes you... She’s a really nice person... If it’s possible...”

Duan Ling Tian did not let Wang Luo Yu finish speaking before he interjected, “It’s impossible. I’m married. After finding a place for you to settle down, I’m going to continue to look for ways to save my wife. I’d appreciate it if you don’t speak of this matter anymore.”

Duan Ling Tian’s voice grew indifferent near the end of his words.

Wang Luo Yu nodded and no longer said anything; she only sighed inwardly. After leaving Blue Dawn City, it was unlikely that she would meet Ye Qiang Wei again. After all, the Myriad Worlds and the Outer Boundary were vast. Although she trusted Ye Qiang Wei, she had already promised Duan Ling Tian that she would not tell another soul about their plan.

“Luo Yu, you can have the bed. Rest well in the coming days.”

After saying that, Duan Ling Tian disappeared into the ordinary spatial divine artifact that he had forged during his free time. Although his skill did not improve much from when he was in the mundane realm, he was able to forge the divine artifact after reading some scrolls in the Outer Boundary with his law of space.

The spatial divine artifact looked just like an ordinary metal fragment. He had placed it near one of the legs of the table because it was unnoticeable.

Meanwhile, Wang Luo Yu was curious about where Duan Ling Tian had gone, but it did not cross her mind at all that Duan Ling Tian might abandon her. She was confident he would not do such a thing. Otherwise, he would not have come to Blue Dawn City at all.

...

‘Heaven Bearing Sword Saint...’

Duan Ling Tian sat cross-legged in the air as he recalled the day’s events. Based on the conversations he overheard and Meng Tian Feng’s respectful attitude, it was clear that Situ Lei, the Heaven Bearing Sword Saint was a formidable supreme powerhouse.

‘So he’s on par with Chi Ming, the supreme demon of Chi Ming Mountain?’

Duan Ling Tian had yet to meet Situ Lei, but he had seen Chi Ming in action in Dancing Sun City. Chi Ming had domineeringly led his troops of demons to destroy Dancing Sun City's five major clans. With the help of another powerful supreme powerhouse, Chi Ming managed to kill a few of the five supreme powerhouses and forced the surviving ones to flee. If Situ Lei was as strong as Chi Ming, he must be capable of such a feat as well.

'The Heaven Bearing Sword Saint... It seems like he's a sword cultivator as well... Earlier, someone said that his comprehension of the Sword Dao is very profound,' Duan Ling Tian thought to himself as his eyes lit up, 'I wonder whose Sword Dao is more profound? Mine or his? His Sword Dao can't be more profound than mine, right?'

Duan Ling Tian was very confident about his Sword Dao. Although Situ Lei was much older and was a supreme powerhouse, comprehending the Sword Dao relied on one's innate talent and comprehension skills and fortuitous encounters. Moreover, he also heard earlier that Situ Lei did not become a supreme powerhouse because of his Sword Dao. Before Situ Lei became a supreme powerhouse, his Sword Dao was not strong enough to help him break into the realm of supreme powerhouses.

'I wonder if the Wang clan will arrange for us to meet,' Duan Ling Tian wondered inwardly.

...

To Duan Ling Tian's surprise, a few days later, he ran into Wang Kui, who seemed to be in a hurry, as soon as he left his room.

Wang Kui looked at Duan Ling Tian meaningfully and said, "Brother Li Feng, I believe you've heard about Situ Situ during the wedding. Senior Situ will be leaving in a few days, and he wants to meet you before he leaves."

Duan Ling Tian did not expect Situ Lei, the Heaven Bearing Sword Saint, would request to meet him. After all, the other party was a high and mighty supreme powerhouse on par with Chi Ming from Chi Ming Mountain in the Divine Sand Realm. In his opinion, unless the Wang clan strongly recommended it and revealed his high innate talent, it would be impossible for him to meet such a person.

‘Did the Wang clan tell him I’m not even 10,000 years old and close to becoming a peerless top advanced Supreme God? If this is the case... It seems like the Wang clan doesn’t hide anything from this supreme powerhouse...’

Based on what Duan Ling Tian knew, the guests of the wedding were unaware of his strength and capability. In fact, even most of the members of the Wang clan were unaware of it. As such, it was clear that the Situ Lei, the Heaven Bearing Sword Saint, was an exception if his speculation was true.

Wang Kui sensed Duan Ling Tian’s hesitation so he said seriously, “Young Master Li Feng, Senior Situ isn’t just an ordinary ally of the Wang clan. After our supreme elder mentioned how heaven-defyingly talented you were, he wants to meet you. The supreme elder also mentioned your extraordinary comprehension of the Sword Dao. Senior Situ has said that if the supreme elder didn’t exaggerate, it’s likely that your comprehension of the Sword Dao has surpassed his...”

A hint of disbelief and shock could be seen in Wang Kui’s eyes when he spoke.

Wang Kui was not entirely certain how powerful the Four Daos of Heaven and Earth were because he did not comprehend them. As such, when Wang Jing Rao; one of the Supreme Elders of the Wang clan, told him that Duan Ling Tian’s comprehension of the Sword Dao was very profound, he did not understand the extent of its power. Nonetheless, it was still shocking to him when he learned that the Sword Dao of one of the strongest supreme powerhouses in the Divine Sand Realm was inferior to that of Duan Ling Tian.

Duan Ling Tian was not surprised when he heard Wang Kui's words. After all, he had already suspected that the Wang clan revealed his capability to Situ Lei. However, he was surprised that the Wang clan mentioned his Sword Dao. With this, he concluded that Situ Lei wanted to meet him due to his Sword Dao.

'I'm no match for him in terms of cultivation base and strength, but my Sword Dao is definitely superior to his. Even if the Sword Dao we comprehend is different, Situ Lei will still be able to learn a thing or two from me. I'm sure he knows this as well...' Duan Ling Tian thought to himself.

Duan Ling Tian was right. He did not mind sharing his knowledge of the Sword Dao with Situ Lei as long as he benefited from it. Moreover, he believed the Wang clan would fully accept him as long as he did a good job of pleasing Situ Lei. After all, the Wang clan was indebted to Situ Lei. They would do everything they could to fulfill Situ Lei's wishes, especially this request since it was rare for them to be able to help a supreme powerhouse like Situ Lei. Situ Lei willingly protected the Wang clan due to his friendship with the late ancestor of the Wang clan, but such a connection would gradually weaken with time. Every time Situ Lei stepped forward to protect the Wang clan, Situ Lei was repaying the grace of the late ancestor of the Wang clan, and the Wang clan was naturally eager and happy to repay the favor through Duan Ling Tian. With this, the high-ranking officials of the Wang clan, including Wang Kui and the two supreme elders, would treat Duan Ling Tian as a part of the clan if he could help them.

"Brother Li Feng, I'll be honest with you. The clan hopes that you'll discuss the Sword Dao with Senior Situ. With your current level, he'll definitely be able to learn a thing or two from you. If Senior Situ is happy with the outcome, the Wang clan will definitely fulfill your demands as long as they are within our capabilities," Wang Kui said solemnly, expressing the Wang clan's intention.

Duan Ling Tian smiled faintly and said, "Clan Leader Wang, I, Li Feng, am the son-in-law of the Wang clan. We're a family. If the clan needs my help, I'll do my best to help. May I know when it's convenient for Senior Situ to meet me?"

Wang Kui's eyes lit up upon hearing Duan Ling Tian's reply. He could hardly contain his excitement as he said, "Young Master Li Feng, Senior Situ will come and meet you whenever it's convenient for you."

After learning that Duan Ling Tian's comprehension of the Sword Dao had surpassed his, Situ Lei did not put on airs. Since Duan Ling Tian's comprehension of the Sword Dao was so profound despite his young age, he was certain that Duan Ling Tian must have had an extraordinary background. In his opinion, it was not impossible for the force that Duan Ling Tian belonged to, to have a stronger supreme powerhouse than him. For this reason, despite being one of the strongest supreme powerhouses in the Divine Sand Realm, he did not underestimate Duan Ling Tian.

Duan Ling Tian smiled and said, "Senior Situ is too kind. As a junior, it's only natural that I go over and meet him. Clan leader, please lead the way..."

"Thank you, Young Master Li Feng," Wang Kui said as he sighed in relief inwardly. At the same time, he felt grateful.

If it was up to Wang Kui and the Wang clan, they naturally hoped that Duan Ling Tian would go and meet Situ Lei instead of the other way around due to Situ Lei's high status. Moreover, due to Situ Lei's seniority, it was indeed more appropriate for Duan Ling Tian to go to Situ Lei as a show of respect. However, the Wang clan also knew there was nothing they could do if Duan Ling Tian chose to let Situ Lei come to him.

Wang Kui quickly sent a message to Wang Jingrao, telling him that Duan Ling Tian had agreed to meet Situ Lei. He also did not forget to tell Wang Jingrao about how considerate and tactful Duan Ling Tian was.

"The Wang clan owes Li Feng a favor. After Senior Situ leaves, bring Li Feng to our clan's treasure vault and let him take whatever he needs. However, with his innate talent, comprehension skills, and background, I doubt that there'll be anything in our vault that'll catch his eyes," Wang Jingrao responded to Wang Kui.

At this time, Duan Ling Tian, who was following Wang Kui to meet Situ Lei, was unaware that the Wang clan had decided to allow him access to their treasure vault and take whatever he needed.

Chapter 4436 Learning From Each Other

In the past, Duan Ling Tian had encountered a supreme powerhouse while he was on the Realm Battlefield in the God Defying World. He was slightly surprised when he met Situ Lei, the Heaven Bearing Sword Saint, and discovered that Situ Lei seemed to be on par with that supreme powerhouse.

Situ Lei was a thin and ordinary-looking old man, but his aura was so domineering that even the Divine Tree of Life in Duan Ling Tian's Little World was shaken.

It had been a long time since Duan Ling Tian had such feelings. The last time he felt this way was when he spoke to the mysterious supreme powerhouse while he was soaking in the divine fountain.

‘That supreme powerhouse didn’t even appear at that time, but his aura was so terrifying... This means that he’s much more powerful than Situ Lei, right?’ Duan Ling Tian wondered inwardly, shocked.

!!

Situ Lei, the Heaven Bearing Sword Saint, was one of the strongest supreme powerhouses in the Divine Sand Realm. One could only imagine how powerful the supreme powerhouse he had spoken to in the past was. Moreover, although Situ Lei was strong, he was likely not comparable to the top supreme powerhouses in the Outer Boundary. After all, the Divine Sand was just a small and remote place near the periphery of the Outer Boundary.

Duan Ling Tian had learned about this while he was in the Blue Dawn City's Wang clan.

“Greetings, Senior Situ,” Duan Ling Tian called out, looking quite at ease. It was not his first time meeting a supreme powerhouse after all.

Unlike Duan Ling Tian, Wang Kui stood stiffly after greeting Situ Lei. He did not even dare to breathe too loudly.

Situ Lei’s eyes shone as he smiled amiably and said, “Little Li Feng, you’re too polite. Although my cultivation base is higher and I’m stronger than you, my Sword Dao isn’t better than yours. I believe you’ve already heard about the purpose of our meeting today. I wish to discuss the Sword Dao with you. If I gain something from our discussion, I won’t forget your help.”

Duan Ling Tian was surprised by how straightforward Situ Lei was. Initially, he assumed Situ Lei would only ask him to show him his Sword Dao. All in all, he had a rather good impression of Situ Lei. Not only was Situ Lei direct and sincere, but Situ Lei also did not put on airs with him even though he was not even a peerless top advanced Supreme God.

Duan Ling Tian said with a smile, “Senior Situ, you’re too kind. Since I’ve married Luo Yu, I’m now part of the Wang clan. The Wang clan is able to prosper for so many years due to your kindness, and it’s only natural that I, as the son-in-law of the Wang clan, return the favor.”

Wang Kui’s eyes were filled with warmth when he looked at Duan Ling Tian.

Meanwhile, Situ Lei was briefly stunned by Duan Ling Tian’s words. Then, he laughed and said, “The Wang clan has truly found themselves a good son-in-law!”

With this, Wang Kui said tactfully, “Senior Situ, I’ll take my leave first.” Then, he said to Duan Ling Tian, “Young Master Li Feng, please entertain Senior Situ on our clan’s behalf.”

Wang Kui was proud to have Duan Ling Tian as the Wang clan's son-in-law. In comparison, the Meng clan's Meng Yu Zheng was nothing.

Duan Ling Tian nodded. "Don't worry, Clan Leader Wang. I'll tell Senior Situ everything I know."

Duan Ling Tian intended to share all his knowledge of the Sword Dao with Situ Lei. In his opinion, he had nothing to lose from forging a good relationship with Situ Lei. It was also a chance for him to return the favor to the Wang clan. All in all, it was a win-win situation for everyone. With this, in the future, even if his motive for coming to the Wang clan was exposed, he felt that Situ Lei and the Wang clan might not necessarily resent him.

Duan Ling Tian had a good impression of a few members of the Wang clan. As such, he hoped that he could bring Wang Luo Yu away without offending the Wang clan. Although he felt that Wang Kui and Wang Jing Rao might not react negatively if Wang Kui knew he intended to bring Wang Luo Yu away, he still dared not take that risk. After all, there was still the other supreme elder whom he had yet to meet.

...

"Amazing! Little Li Feng, your Sword Dao is remarkable! I thought that my comprehension of the Sword Dao shouldn't be too far away from yours, but clearly, I was wrong! If I'm able to comprehend the Sword Dao to your level, I'm confident I'll be the strongest supreme powerhouse in the Divine Sand Realm!"

Situ Lei was amazed after he watched Duan Ling Tian's display of the Sword Dao.

At this moment, the duo was in Duan Ling Tian's spatial artifact. Usually, it would be risky to enter another person's spatial artifact. However, Situ Lei did not have any worries since as a supreme powerhouse, he could easily break out of Duan Ling Tian's spatial artifact.

During this time, Duan Ling Tian also found a few flaws in Situ Lei's Sword Dao and pointed them out to Situ Lei. Situ Lei naturally would not be able to find these flaws if he had just observed Duan Ling Tian's display of the Sword Dao. Thanks to Duan Ling Tian's reminder, he would be able to correct his flaws even if it would take some time. Unsurprisingly, Situ Lei felt grateful to Duan Ling Tian.

After spending more time with Situ Lei, Duan Ling Tian also found that Situ Lei was very friendly. Situ Lei not only did not put on airs, but Situ Lei also treated him as an equal despite his much younger age. He also managed to learn a thing or two regarding the law of space and the law of time from Situ Lei. Although Situ Lei did not comprehend those two laws, Situ Lei naturally had many friends and opponents who had comprehended those two laws. As such, Situ Lei was rather knowledgeable about them.

The duo spent three years in the spatial divine artifact, learning from each other, before they finally left.

Duan Ling Tian also did not expect that he would end up making Wang Luo Yu wait for three years.

However, unlike before, Wang Luo Yu's life in the Wang clan had improved significantly. She was treated like a princess in the Wang clan and envied by many. Every few days, the clan would send her a lot of cultivation resources. There were even rumors about Wang Kui slapping one of his grandsons because his grandson had gossiped about Wang Luo Yu's late brother, Wang Yi Yuan.

How could those in the Wang clan not know that Wang Luo Yu's status had risen very high due to her husband? For this reason, they grew even more curious about Li Feng.

...

At this time, a maid was helping Wang Luo Yu to dress up. At the same time, she said, "Miss, everyone in the clan is talking about how lucky you are to have married Young Master Li Feng."

Wang Luo Yu smiled wryly when she heard these words. She felt that she was not worthy of Duan Ling Tian at all. At the same time, she wondered inwardly, "It's been three years... Brother Duan should return soon, right?"

Chapter 4437 Spirit Blood Essence

Over the past three years, Wang Luo Yu's thoughts had changed a lot. Previously, just like her brother had wished for her, she had wanted to leave the Wang clan. However, over the past three years, the Wang clan had treated her really well. Even Wang Kui, the Clan Leader of the Wang clan, was very courteous to her. She even met one of the clan's supreme elders, and that supreme elder had even offered to help her if she needed it. Her current treatment was vastly different from what it was in the past even when her brother was still around. Naturally, she knew she had Duan Ling Tian to thank for the change. Recently, it crossed her mind a few times that it would be wonderful if her marriage to Duan Ling Tian was real. If Duan Ling Tian was willing, she would have no objection at all. After all, Duan Ling Tian was a good and responsible man. It was not surprising that she had developed feelings for him.

'Brother Duan is really outstanding... No wonder even Sister Qiang Wei, who's very picky, likes him as well...' Wang Luo Yu thought to herself with a sigh. As Ye Qiang Wei's best friend, she naturally knew Ye Qiang Wei had high standards. Even some of the most talented young men in the Divine Sand Realm failed to meet Ye Qiang Wei's standards.

...

'I didn't expect three years to pass in just a blink of an eye...'

Duan Ling Tian spent three years with Situ Lei, the Heaven Bearing Sword Saint. He helped Situ Lei with Situ Lei's Sword Dao while Situ Lei helped him with the law of space and the law of time.

Although Situ Lei did not comprehend those two laws, his wisdom and knowledge that came with his age were very useful. Apart from that, he also possessed recordings of fights between experts of these two laws, and one of the experts was even a peerless top advanced Supreme God.

A Floating Image Pearl that contained the recording of the fight of a peerless top advanced Supreme God was very rare and valuable in the Outer Boundary and the Myriad Worlds. Under normal circumstances, nine out of ten peerless top advanced Supreme Gods had comprehended a law to the paramount stage. With this, one could imagine how precious the recordings were.

Situ Lei had generously given such a Floating Image Pearl to Duan Ling Tian. In Duan Ling Tian's eyes, the Floating Image Pearl was as, if not more, precious as the Supreme Powerhouse Divinity. He even felt that he had gained more than Situ Lei whose Sword Dao had improved. Even if the improvement in the law of space was not as much as Situ Lei's improvement in the Sword Dao, it might not be the case in the future.

Before parting, Situ Lei handed Duan Ling Tian a spatial ring as he said, "Little Li Feng, I wonder when we'll meet again in the future. You might find something useful in this spatial ring. Even if there's nothing useful to you, you'll be able to trade them for something useful..." Then, his eyes shone with anticipation as he continued to say, "Thanks to your guidance over the past three years, my Sword Dao has improved significantly. Perhaps, it won't take me long to become invincible in the Divine Sand Realm!"

Currently, Situ Lei was among the few strongest supreme powerhouses in the Divine Sand Realm. However, his improvement in his Sword Dao would definitely raise his strength. Apart from that, his improvement was so significant that he even felt confident about facing his upcoming Heavenly Tribulation. This meant that the improvement also contributed to him being able to live a longer life. For these reasons, he felt greatly indebted to Duan Ling Tian. The spatial ring and the Floating Image Pearl he had given away were nothing compared to what he had gained.

“Senior Situ, the Floating Image Pearl is more than enough as a token of gratitude,” Duan Ling Tian said, clearly not intending to accept the spatial ring. He was not a greedy person after all.

Situ Lei insisted that Duan Ling Tian accepted the spatial ring, but Duan Ling Tian continued to refuse. Seeing how determined Duan Ling Tian was, he could only give up in the end. His gaze when he looked at Duan Ling Tian changed slightly as he said, “Little Li Feng, I won’t insist on you accepting the spatial ring. However, you have to accept another gift from me. You might not use it at all in your lifetime, but I can guarantee that if there’s a use for it, it’ll definitely save your life.”

As Situ Lei spoke, he brought out an ordinary-looking jade token. After that, a streak of golden light shot out of his glabella before a drop of blood shining with golden light and surrounded by golden scripts entered the jade token. When the golden light finally dissipated, the jade token emitted a terrifying energy; it was as though an ancient beast lay dormant in the jade token, and once it was woken up, it could destroy heaven and earth.

Suddenly, the World Cleansing Divine Water exclaimed in Duan Ling Tian’s Little World, “The Supreme Spirit Blood Essence!”

‘The Supreme Spirit Blood Essence?’ Duan Ling Tian was puzzled. It was his first time hearing about it after all. He had heard of blood essence but had never heard of spirit blood essence.

Chapter 4438 It’s More Difficult for a Peerless Top Advanced Supreme God to Become a Supreme Powerhouse?

Duan Ling Tian had never even heard of the Supreme Spirit Blood Essence; how could he know what it was? However, based on the World Cleansing Divine Water’s reaction and Situ Lei’s words, he knew it had to be something extraordinary. After all, Situ Lei said it would save his life during critical moments.

“Only supreme powerhouses possess the Supreme Spirit Blood Essence. You’re familiar with ordinary blood essence, and you know how valuable it is to everyone. The Supreme Spirit Blood Essence is refined from the blood of a supreme powerhouse. The refinement process isn’t difficult, and it doesn’t affect one’s cultivation. However, it’s quite time-consuming,” the World Cleansing Divine Water explained, “It’s said that it takes more than 10,000 years for a supreme powerhouse to refine a drop of Supreme Spirit Blood Essence.”

Duan Ling Tian was shocked by the World Cleansing Divine Water’s words.

Supreme powerhouses were incredibly powerful, and they could live up to at least 100,000 years. This meant that a supreme powerhouse could only refine about a dozen drops of Supreme Spirit Blood Essence in his or her entire lifetime. As such, Duan Ling Tian was mindblown that Situ Lei was willing to give such a precious thing to him.

“Sister Water, what’s the use of a Supreme Spirit Blood Essence?” Duan Ling Tian asked.

Duan Ling Tian was naturally intrigued by the Supreme Spirit Blood Essence after Situ Lei said that it would be able to save his life. Although he was reluctant to be indebted, he was undeniably moved by the Supreme Spirit Blood Essence. He thought to himself that he might not be able to repay the favor immediately after accepting it, but he could repay the favor once he became a peerless top advanced Supreme God.

The World Cleansing Divine Water replied, “You can activate the Supreme Spirit Blood Essence with your Divine Energy and the law you comprehend. At that time, it’ll summon the supreme powerhouse. In a way, it’s like a portal that helps the supreme powerhouse get to you!”

Duan Ling Tian’s eyes widened and his heart skipped a beat when he heard that he would be able to summon a supreme powerhouse in person with the Supreme Spirit Blood Essence.

The World Cleansing Divine Water continued to say, “However, like many things, it has its limitations as well. You’re only able to use it in the Outer Boundary and the realms in close proximity, excluding secret realms that prohibit supreme powerhouses. You won’t be able to use it in the Myriad Worlds unless both of you are present in the same World.”

Duan Ling Tian asked again, “Sister Water, this means that I’ll still be able to use it in secret and independent realms, which doesn’t bar supreme powerhouses from entering, as long as it’s in or near the Outer Boundary, right?”

“Yes,” the World Cleansing Divine Water replied.

After listening to the World Cleansing Divine Water’s explanation, Duan Ling Tian accepted Situ Lei’s Supreme Spirit Blood Essence before he said solemnly, “Senior, the Supreme Spirit Blood Essence is akin to a life-saving talisman. Thank you for your kindness. Once I become strong enough to protect myself and if I don’t use it in the end, I’ll return it to you. However, if I end up using it, I’ll owe you another favor!” Then, he added resolutely, “Please agree to my request. Otherwise, I’m afraid I can’t accept such a precious thing.”

Situ Lei looked at Duan Ling Tian silently with growing admiration. After a moment, he said, “Little Li Feng, you’re highly talented. I believe you’ll be much stronger the next time we meet. I have a piece of advice for you; don’t rush to become a supreme powerhouse if you have a chance of becoming a peerless top advanced Supreme God. Although your strength will increase greatly after your breakthrough, it’ll be difficult to comprehend the laws and the Daos after your breakthrough. I’ve never heard of anyone who didn’t comprehend the laws to the paramount stage before becoming a supreme powerhouse. It’s unprecedented in both the Outer Boundary and the Myriad Worlds. Apart from that, when a peerless top advanced Supreme God becomes a supreme powerhouse, he or she will become a World Supreme Powerhouse or at least close to one. Ordinary supreme powerhouses aren’t a match for such a supreme powerhouse at all!”

After a beat, Situ Lei continued to say, “However, I have to remind you that the path to becoming a supreme powerhouse after becoming a peerless top advanced Supreme God is much more difficult. I don’t know how difficult it is since I didn’t travel down that path. However, there’s no doubt it’s very difficult. All supreme powerhouses know this. I’ve lived for about 200,000 years, and most of

the peerless top advanced Supreme Gods I know died from the Heavenly Tribulation before they became a supreme powerhouse. All of them were capable of becoming supreme powerhouses before they became a peerless top advanced Supreme God, but they chose to suppress their cultivation instead. As you can see, it's really not an easy path to take. I only know a few supreme powerhouses who took the path less traveled and succeeded. If you were an ordinary prodigy, I wouldn't encourage you to take this path. However, based on your achievements at such a young age, I believe that if you become a peerless top advanced Supreme God first, the path of becoming a supreme powerhouse won't be as difficult for you as it was for other peerless top advanced Supreme Gods..."

This was the first time Duan Ling Tian had heard that it was much more difficult for peerless top advanced Supreme Gods to become supreme powerhouses.

'This must be another reason why there are so few peerless top advanced Supreme Gods... There's no need for advanced Supreme Gods to become peerless top advanced Supreme Gods before becoming supreme powerhouses, and their chances of becoming supreme powerhouses are almost guaranteed compared to peerless top advanced Supreme Gods. If they chose to become a peerless top advanced Supreme God and failed to become a supreme powerhouse, their lifespan would be greatly reduced. After all, for those below the realm of supreme powerhouses, the Heavenly Tribulation would come once every 1,000 years unlike the Heavenly Tribulation for supreme powerhouses that comes once every 10,000 years.'

After listening to Situ Lei, Duan Ling Tian felt his conviction of becoming a peerless top advanced Supreme God sway slightly. With his comprehension of the Sword Dao, even if he did not comprehend the law to the paramount stage, he might not be necessarily any weaker than Situ Lei after becoming a supreme powerhouse. In fact, after stabilizing his cultivation base as a supreme powerhouse, he might even be stronger than Situ Lei. However, although the possibility of failing to become a supreme powerhouse as a peerless top advanced Supreme God was worrying, if he succeeded, he would become a World Supreme Powerhouse. Based on the rumors, there were only a few dozen World Supreme Powerhouses in the Outer Boundary and the Myriad Worlds. One could imagine how difficult it was to become a World Supreme Powerhouse.

'However, Senior Situ is right. Based on my achievements so far, it should be less difficult for me to become a supreme powerhouse after I become a peerless top advanced Supreme God compared to the others. My ultimate goal is to save Ke'er... The chances of my success are higher if I become a peerless top advanced Supreme God...'

If Duan Ling Tian became a peerless top advanced Supreme God, it would not be difficult for him to serve a World Supreme Powerhouse. At that time, he would be able to ask for help from the World Supreme Powerhouse to release Ke'er from the soul technique of Yun Qing Yan, who had been possessed by a supreme powerhouse from the Soul Imprisonment Clan.

For World Supreme Powerhouses, peerless top advanced Supreme Gods held more value than ordinary supreme powerhouses. There were certain things that could only be done by peerless top advanced Supreme Gods. After all, there were certain restrictions on supreme powerhouses.

Duan Ling Tian hesitated for a moment before he looked at Situ Lei and asked, "Senior, do you know about the Soul Imprisonment Clan?"

Situ Lei seemed slightly taken aback by Duan Ling Tian's question. After a brief moment, he nodded slightly and said, "The Soul Imprisonment Clan? Yes. I heard that it's a clan in the Myriad Worlds. The members specialize in soul techniques..."

Clearly, Situ Lei's knowledge of the Soul Imprisonment Clan was limited to what he had heard from others.

"Senior, it's said that there are supreme powerhouses in the Soul Imprisonment Clan. Normally, a stronger member can easily break the soul technique of a weaker member. If an ordinary supreme powerhouse is unable to break the soul imprisonment technique, can a World Supreme Powerhouse do so?" Duan Ling Tian asked before he waited anxiously for Situ Lei's reply.

Chapter 4439 Wang Luo Yu's Choice

After mulling over Duan Ling Tian's words for a moment, Situ Lei said, "Under normal circumstances, they should be able to do so. Although World Supreme Powerhouses are supreme

powerhouses like me, their strength is significantly stronger than other supreme powerhouses. Not only does their strength increase significantly, but their souls will also be greatly enhanced...”

Situ Lei had emphasized the word ‘should’ because he had never met a World Supreme Powerhouse before, and his knowledge of them was limited to what he had heard. He looked at Duan Ling Tian again and said, “I’ve never met a World Supreme Powerhouse before so I can only speculate. Based on my knowledge, I think that a World Supreme Powerhouse specializing in soul techniques should be able to undo the technique of a supreme powerhouse from the Soul Imprisonment Clan. I’m not sure if other World Supreme Powerhouses would be able to undo it...”

Situ Lei’s earlier words had given Duan Ling Tian a little hope, and after listening to Situ Lei again, he became even more hopeful.

Indeed. A World Supreme Powerhouse, who was skilled in soul techniques, was highly likely able to save Ke’er even if those who were not skilled in soul techniques could not.

!!

“Little Li Feng, why did you suddenly ask about this? Is the soul of your loved one imprisoned by a supreme powerhouse from the Soul Imprisonment Clan? Can’t the supreme powerhouse backing you undo the technique?” Situ Lei asked, feeling a little suspicious when he saw the excitement on Duan Ling Tian’s face.

Duan Ling Tian nodded when he thought about the ancestor of the Xia clan, who could not free Ke’er’s soul from the soul imprisonment technique. He sighed and said, “After all, not all supreme powerhouses are capable of breaking or undoing soul techniques...”

Situ Lei was not surprised. He knew it was impossible for most supreme powerhouses to undo the soul technique of a supreme powerhouse from the Soul Imprisonment clan unless they specialized

in soul techniques. At the same time, he finally confirmed that there was no World Supreme Powerhouse backing Duan Ling Tian and was slightly surprised. In his opinion, only a World Supreme Powerhouse could cultivate a heaven-defying prodigy like Duan Ling Tian. Without the help of a World Supreme Powerhouse, it was hard to imagine how difficult it had been for Duan Ling Tian to come so far. How could he not be surprised by this revelation?

‘In any case, as long as he doesn’t die prematurely, he’ll definitely become a famous figure in the Outer Boundary and Myriad Worlds,’ Situ Lei thought to himself.

Duan Ling Tian no longer asked any questions about soul techniques. He bade farewell to Situ Lei and flew toward the courtyard where the Wang clan had arranged for him to stay. Wang Luo Yu was still waiting for him after all.

Situ Lei also finally left the Wang clan’s estate. Before he left, he went to look for Wang Kui, the Clan Leader of the Wang clan, to inform Wang Kui about his departure. Apart from that, he also told Wang Kui to look for him if Duan Ling Tian ran into any trouble in the future. As long as it was within his capability, he would help Duan Ling Tian. Based on his attitude, it was obvious that he had gained a lot from Duan Ling Tian over the past three years.

However, Duan Ling Tian thought that it was unlikely that he would meet Situ Lei again after they parted. Even if he did, it would likely be the time when he used the Supreme Spirit Blood Essence that Situ Lei had given him. If he used the Supreme Spirit Blood Essence, he would likely have more intersections with Situ Lei since he would have to repay the favor.

...

Wang Luo Yu, who had been waiting for three years, finally saw Duan Ling Tian.

“Brother Duan!”

Duan Ling Tian smiled slightly and said, “Sorry to have kept you waiting. You should start making preparations. We’ll leave tomorrow.”

Duan Ling Tian did not plan to stay any longer in the Wang clan. The sooner he brought Wang Luo Yu away, the sooner he would fulfill his promise to Wang Yi Yuan.

Upon hearing these words, a hesitant expression appeared on Wang Luo Yu’s face. After a moment, she mustered up her courage and said, “Brother Duan, with your current status in the Wang clan, even if you leave without me, the clan won’t dare to let me remarry...”

Duan Ling Tian was slightly taken aback when he heard Wang Luo Yu’s words. However, after thinking about it for a moment, he understood the situation immediately.

Over the past three years, Duan Ling Tian had done the Wang clan a huge favor by strengthening the relationship between the Wang clan and Situ Lei, the Heaven Bearing Sword Saint. Under such circumstances, it was impossible for the Wang clan to mistreat Wang Luo Yu. After all, in the Wang clan’s eyes, she was the wife of ‘Li Feng’.

Duan Ling Tian nodded. Previously, he was not certain if the Wang clan’s attitude toward Wang Luo Yu would change if he left. However, currently, he was certain that the Wang clan’s attitude toward Wang Luo Yu would not change after his departure. After all, not only did the Wang clan have to consider his potential and the ‘powerful force’ he came from outside the Divine Sand Realm, but they now also owed him a huge favor after he discussed the Sword Dao with Situ Lei. Considering all these things, even if he left the Wang clan for a thousand years, the Wang clan still would not mistreat Wang Luo Yu.

Finally, Duan Ling Tian asked, “Are you sure?”

Wang Luo Yu nodded and replied, "I'm sure. I grew up in the Wang clan after all. I've never been to any other places and have been in Blue Dawn City all my life. If I have a choice, I would rather not leave. Brother Duan, my brother asked you to bring me away because he didn't want the Wang clan to control my fate. However, thanks to you, the Wang clan won't do that. I'm sure the Wang clan won't make me do anything I don't want until the day I die from the Heavenly Tribulation..."

After a beat, Wang Luo Yu added, "For this reason, even if you didn't bring me away, you'll still fulfill your promise to my brother. After all, this is my own choice."

Duan Ling Tian thought about it for a moment before he said, "There's a problem you have to consider... If you stay in the Wang clan, it'll be difficult for you to remarry if you meet someone you like. The Wang clan is unlikely to allow you to remarry..."

Upon hearing these words, a pretty smile appeared on Wang Luo Yu's face as she said, "Brother Duan, I don't plan to marry again in my life... I'm happy being single..."

Duan Ling Tian sighed when he heard her reply. He said, "You should think about this again. I'll give you three days. After three days, you can decide then if you want to leave with me. I... I think your brother must also hope that you'll find your happiness in the future. I don't think you'll be able to do that in the Wang clan. If you leave the Wang clan, you'll be able to pursue your happiness..."

If Wang Luo Yu stayed in the Wang clan, she would forever carry the label of Li Feng's wife. With how much the Wang clan valued Li Feng, it was impossible for the clan to allow Wang Luo Yu to remarry. Even if the clan could not confirm if he had a powerful background or not, based on his relationship with Situ Lei, they definitely would hold him in high regard. After all, no one knew better than the Wang clan that Situ Lei was a grateful man.

After Duan Ling Tian left, leaving Wang Luo Yu alone in the room, she sighed and murmured, "Brother Duan, after meeting you, I finally realized that the perfect man exists. With you serving as

a comparison, it'll be impossible for me to fall in love with another man in the future. As such, it's better for me to spend the rest of my life alone..."

Needless to say, Duan Ling Tian did not hear these words.

...

Three days later...

Duan Ling Tian was leaving the Wang clan alone.

Wang Kui; the Clan Leader of the Wang clan, Wang Jing Rao; the Supreme Elder of the Wang clan, and Wang Luo Yu stood at the entrance to send Duan Ling Tian off.

"Clan leader, supreme elder, I have something urgent to attend to so I'll be away for a while. Please look after Luo Yu on my behalf..." Duan Ling Tian said. However, he knew that even if he did not speak up, Wang Kui and Wang Jing Rao would definitely look after Wang Luo Yu.

Wang Kui smiled happily and said, "Don't worry, Young Master Li Feng. Later, I'll make an announcement about my decision to recognize Luo Yu as my sister. The supreme elder will also recognize her as his daughter. With that, she can be considered the princess of the Wang clan..."

Wang Jing Rao, who was standing at the side, nodded and said with a smile, "That's right. Don't worry. I assure you that no one will harm Luo Yu as long as the Wang clan remains standing."

“Duan... Brother Feng...” Wang Luo Yu called out. However, she could not finish her words as tears began to well up in her eyes. A reluctant expression could be seen on her face when she looked at Duan Ling Tian. Although they were not real husband and wife, she still felt sad and reluctant to part. After all, it was all thanks to him that she was now living a good life in the Wang clan.

“I’ll be back as soon as possible,” Duan Ling Tian said with a faint smile. Then, he bade farewell to everyone and flew away from the Wang clan and Blue Dawn City.

The trio from the Wang clan watched Duan Ling Tian leave and only returned to their senses when they could no longer see him.

...

Just as Duan Ling Tian flew out of Blue Dawn City, a figure in the corner of the city flew after him, following him from a distance.

“Based on my observation, there shouldn’t be any powerhouse protecting him secretly unless the other party is a supreme powerhouse, and I was unable to detect the other party’s presence. I’ll follow him first and continue to observe the situation...”

The person tailing Duan Ling Tian was dressed in a black robe, and his face was hidden. However, when he moved, he looked like a green saber, crossing thousands of miles in just a blink of an eye.

Chapter 4440 Leaving Blue Dawn City

After leaving Blue Dawn City, Duan Ling Tian thought about Wang Yi Yuan who was still worried about his sister even at the moment of his death. He truly admired Wang Yi Yuan’s love for his sister. At the same time, he murmured to himself, “Wang Yi Yuan, I’ve fulfilled my promise to you. If you’re watching from heaven, I hope you can rest in peace now.”

Duan Ling Tian did not expect Wang Luo Yu to make the choice she did. He did not doubt that she would leave the Wang clan and Blue Dawn City with him as planned. As such, he had been surprised when he first heard her intention to stay.

If it were before he became acquainted with Situ Lei, he would not have agreed to it even if Wang Luo Yu wanted to stay back in the Wang clan. After all, he was not certain if his ability and the unconfirmed possibility of him belonging to a powerful force were enough to deter the Wang clan from treating Wang Luo Yu like a chess piece after he left. However, after becoming acquainted with Situ Lei, he knew the Wang clan owed him a huge favor. With that, he was sure the Wang clan would not mistreat Wang Luo Yu.

‘Although there are many precious treasures in the Wang clan’s treasure vault, not many are useful to me...’

!!

Before leaving the Wang clan, Wang Kui had brought him to the treasure vault and asked him to pick a few things. Alas, most of the things were not of use to him, and in the end, he only picked a few things that were of use to his loved ones.

‘With my current strength, if I want to grow stronger, I can only rely on myself and superior cultivation resources... Even a supreme force in the Divine Sand Realm will find it difficult to provide me with resources that are of use to me...’

With Duan Ling Tian’s current cultivation base, he knew that apart from a few cultivation resources and supreme treasures, not many things could help him raise his cultivation base. He could only rely on himself now.

The Wang clan might have a few things that were useful to him, but these things were also useful to the two Supreme Elders of the Wang clan. It was only natural that the two supreme elders were given priority. After all, the Wang clan would only become stronger when the two supreme elders became stronger.

‘Fortunately, Senior Situ gave me the Floating Image Pearl, which contained the battle of a peerless top advanced Supreme God who comprehended the law of space. It’s very useful to me. If I study the recording, with the help of the Supreme Powerhouse Divinity, I should be able to comprehend the law of space to the perfect form very quickly...’

At this time, Duan Ling Tian’s law of space and law of time were only on the brink of reaching the perfect form; they had yet to reach the perfect form.

‘However... I can feel the effect of the Supreme Powerhouse Divinity weakening recently... Moreover, I can finally tell that the supreme powerhouse who left the Supreme Powerhouse Divinity behind only comprehended the law of space to the perfect form...’

After obtaining the Supreme Powerhouse Divinity, Duan Ling Tian’s law of space had improved by leaps and bounds, and his speed of improvement was astonishing. However, as time passed, his progress gradually slowed down as well. After all, there were also limits to a Supreme Powerhouse Divinity. When Duan Ling Tian’s law of space reached the perfect form, the Supreme Powerhouse Divinity would also become useless to him due to the limited comprehension of the supreme powerhouse who left the Supreme Powerhouse Divinity behind. At that time, Duan Ling Tian would have to rely on the Floating Image Pearl that Situ Lei gave him to further improve his law of space. After all, the supreme powerhouse recorded in the Floating Image Pearl had comprehended the law of space to the paramount stage. Needless to say, a Supreme Powerhouse Divinity from a supreme powerhouse who had comprehended the law of space to the paramount stage would be even more useful to him. Alas, such a thing was extremely rare in both the Outer Boundary and the Myriad Worlds.

Under normal circumstances, Supreme Powerhouses Divinities were left behind by supreme powerhouses before their deaths. For a supreme powerhouse who comprehended a law to the

paramount stage, even if he or she was not a World Supreme Powerhouse, he or she was almost as strong as a World Supreme Powerhouse. Such a person naturally would not die so easily.

‘According to Senior Situ, despite the differences in strength, it’s difficult for World Supreme Powerhouses to kill each other...’

All of the strongest Worlds in the Myriad Worlds had more than two World Supreme Powerhouses, and among them, some were considered among the strongest in both the Outer Boundary and the Myriad Worlds.

As for the 18 Worlds under the three strongest Worlds, including the God Defying World, there was at least one World Supreme Powerhouse in each of the Worlds.

Needless to say, there were naturally World Supreme Powerhouses in the Outer Boundary as well, but they were all very mysterious, according to Situ Lei.

Duan Ling Tian did not know much about World Supreme Powerhouses, and what he knew, he had learned from Situ Lei. One thing he knew for sure was that World Supreme Powerhouses were incredibly strong. As such, after coming to the Outer Boundary, he determined that the fastest way for him to save his wife, Ke’er, was to enlist the help of a World Supreme Powerhouse who was skilled in soul techniques.

‘When I was still in the God Defying World, I felt that supreme powerhouses were mighty and mysterious. However, after coming to the Outer Boundary, I realized that supreme powerhouses weren’t equal. Ordinary supreme powerhouses are nothing in front of truly powerful supreme powerhouses...’

Duan Ling Tian could still vividly remember the battle between Chi Ming; the supreme demon from Chi Ming mountain, Han Wang; a supreme powerhouse whom Chi Ming found to help him, and the

five supreme powerhouses of Dancing Sun City. This battle made him realize that supreme powerhouses were not invincible; they would also die like ordinary cultivators. At the same time, he also realized that there was a difference in strength between supreme powerhouses; some were stronger and some were weaker.

This was also one of the reasons Duan Ling Tian was not in a hurry to become a supreme powerhouse. If he rashly broke through the realm of supreme powerhouses, he would only become an ordinary supreme powerhouse. If he became an ordinary supreme powerhouse, it would be very difficult for him to grow stronger, and he would not be able to save Ke'er.

Hence, after thinking about it, Duan Ling Tian felt that the best path for him to take was to become a peerless top advanced Supreme God first. After becoming a peerless top advanced Supreme God, he would look for opportunities to break into the realm of supreme powerhouses. Based on his knowledge, as soon as a peerless top advanced Supreme God became a supreme powerhouse, he or she would have strength almost comparable to a World Supreme Powerhouse. However, with his talent, he was confident that if he broke through the realm of supreme powerhouses from the realm of peerless top advanced Supreme Gods, he would immediately become a World Supreme Powerhouse. Moreover, he would not be considered weak among World Supreme Powerhouses as well since his Sword Dao was extremely powerful.

As a Supreme God, no matter how powerful his Sword Dao; which was the Weapon Dao of the Four Daos of Heaven and Earth, was, it was still useless in front of supreme powerhouses. However, the Sword Dao's power would increase significantly once he became a supreme powerhouse.

'However, if I become a supreme powerhouse directly without becoming a peerless top advanced Supreme God first, I'm still confident that I'll be stronger than the weakest supreme powerhouses. After all, I still have the Sword Dao. Most of the weakest supreme powerhouses didn't comprehend the Four Daos of Heaven and Earth, and even those who comprehended it don't have a profound comprehension...' Duan Ling Tian recalled Situ Lei's words. At that time, he also learned that not only people of the Myriad Worlds found the Four Daos of Heaven and Earth difficult to comprehend, but people in the Outer Boundary found them difficult to comprehend as well.

With this thought in mind, he could not help but think about his master, Feng Qing Yang who taught him the Sword Dao,

‘Master’s Sword Dao is even more powerful than mine... His talent in the Sword Dao is even higher than mine. Moreover, he’s completely focused on his Sword Dao. Before leaving the God Defying World, I heard that he was already quite strong; he has already broken into the realm of Emperors of Gods. He must have had a fortuitous encounter. Perhaps, currently, he has already broken into the realm of Supreme Gods... With his formidable Sword Dao and his profound comprehension of the law of time, his strength definitely surpasses those who have the same cultivation bases as him... With master’s comprehension of the Sword Dao, it’s just a matter of time before he shocks the God Defying World. Even the Outer Boundary will be shocked if he comes to the Outer Boundary.’ A smile appeared on Duan Ling Tian’s face when he thought about his master.

Following that, many random thoughts appeared in Duan Ling Tian’s mind.

‘It’s a pity that it’s not possible to leave my doppelgangers in the God Defying World when I’m in the Outer Boundary so I can keep in touch with the others... It was as though a mysterious force prevented me from doing so... The doppelgangers ceased to exist as soon as I left. Perhaps, doppelgangers have to be in the same World as their true bodies.’

‘I wonder how Huan’er’s doing now... Previously, her cultivation base had risen greatly, and she was only half a step away from becoming an Emperor of Gods. Previously, I speculated that powerful supreme powerhouses, who were beasts, must have used the energy of other ordinary beasts to nurture extraordinary beasts like Huan’er. If my speculation is right, it’s likely that Huan’er has already broken into the realm of Supreme Gods by now. Her comprehension of the law must have also become even more profound...’

Previously, after checking Huan’er’s cultivation base, he also took a look at her law and found that her comprehension was quite profound. The mysterious energy from the crack in the void did not only help her become stronger, but it also helped her comprehend the law.

Since Duan Ling Tian had left the God Defying World and could not leave his doppelgangers behind, he was unaware of his loved one's current situation. However, he was not worried about their safety. After all, they were in a mundane realm in the God Defying Realm and Huan'er was with them. With Huan'er strength, there was no one who was a match for her even in the strongest Devata Realm, let alone a mundane realm. As long as they did not go to a Realm of Gods, they would not be in danger.
