Chapter 4531 Another Saint in the Jade Tide Heavenly Mansion

‘Nonetheless, they can easily kill me with just a flick of their fingers...’ Duan Ling Tian thought to himself as he smiled self-deprecatingly. He had not even comprehended the law of space to the paramount stage yet, let alone enter the realm of supreme powerhouses. He was in no position to talk about the Saints. Moreover, to get rid of the soul imprisonment technique on Ke’er, he was eager to seek help from a Saint.

Not long after, Xiao Tian Ci’s fourth disciple finally arrived. He was a young man dressed in a blue long robe; he had a pair of thick and bushy eyebrows that framed a pair of eyes that shone with determination. As soon as he arrived, he bowed to Xiao Tian Ci and said, “Ke Yi greets master.”

“Ke Yi, bring Duan Ling Tian back to the Jade Tide Heavenly Mansion and help him with the registration. From this day onward, he’s a member of our Golden Dragon Palace,” Xiao Tian Ci said.

“Yes, master,” Ke Yi replied. Then, he looked at Duan Ling Tian and greeted the latter warmly, “Greetings. My name is Ke Yi. I’ll be helping you with the registration when we return to the Jade Tide Heavenly Mansion.”

“Alright,” Duan Ling Tian said with a nod before he left with Ke Yi.

!!

When Duan Ling Tian and Ke Yi were a distance away from Xiao Tian Ci and the other supreme powerhouses, Ke Yi looked at Duan Ling Tian enviously and said, “Brother Ling Tian, you’re the

first person below the realm of supreme powerhouses to receive a title from one of the Palace Masters. The Void Sword... How remarkable!”

Duan Ling Tian asked in confusion, “Is it a big deal? It’s just a title, right?”

Ke Yi’s eyes widened slightly in surprise. Then, he said, “Brother Ling Tian, don’t you know that only the highest-ranking members, known as Palace Guardians, are bestowed titles by the Palace Masters? Only Palace Masters can bestow a title. Even the Lord of the Jade Tide Heavenly Mansion can’t interfere with this matter. Although the Golden Dragon Palace is under the Jade Tide Heavenly Mansion, our Palace Master has full authority over the Golden Dragon Palace. Moreover, out of the sixteen palaces in the Jade Tide Heavenly Mansion, our Golden Dragon Palace is one of the top three strongest palaces in the mansion.”

Previously, Duan Ling Tian only knew that the Jade Tide Heavenly Mansion was a saint-rank force with a Saint. However, he learned many things after speaking to Ke Yi. For example, there were 16 palaces in the Jade Tide Heavenly Mansion. The Lord of the Jade Tide Heavenly Mansion was also the Palace Master of the Jade Tide Palace, one of the 16 palaces. Similar to the Golden Dragon Palace, the Jade Tide Palace was also one of the top three strongest palaces in the Jade Tide Heavenly Mansion. The strongest palace in the Jade Tide Heavenly Mansion was the Divine Water Palace, which was the palace that the Saint of the Jade Tide Heavenly Mansion belonged to. The Saint was the former Palace Master of the Divine Water Palace, and after he retired, he was succeeded by his eldest disciple; a powerful demi Saint.

“The Divine Water Palace, the Jade Tide Palace, and the Golden Dragon Palace are the three strongest palaces in the Jade Tide Heavenly Mansion. Before you came, the Divine Water Palace and the Jade Tide Heavenly Mansion were the only palaces with a peerless top advanced Supreme God. With your arrival, our Golden Dragon Palace finally has a peerless top advanced Supreme God as well! My master rarely shows his emotions, but he was rather surprised when he told me that you’d become a peerless top advanced Supreme God. He didn’t expect you to become one in such a short time after inviting you to join the Golden Dragon Palace...”

Previously, after Duan Ling Tian agreed to join the Golden Dragon Palace, Xiao Tian Ci had brought him into his Little World. At that time, Xiao Tian Ci had instructed his subordinate, an old man, to help Duan Ling Tian with the law of space. While Duan Ling Tian was sparring with the

old man, Duan Ling Tian had a breakthrough, and his Sword Dao reached the threshold of the seventh stage. With that, he became a peerless top advanced Supreme God.

“I asked my master why he didn’t accept you as his direct disciple, but he said that he wasn’t qualified to be your master. My master has five direct disciples in total. My two senior brothers and senior sister are supreme powerhouses. The weakest among them is a level-three supreme powerhouse. My strength is comparable to yours before you became a peerless top advanced Supreme God. As for my junior brother, he’s slightly weaker than me. However, it’s only a matter of time before he surpasses me since his innate talent is higher than mine,” Ke Yi said.

Ke Yi was very friendly and open. Before Duan Ling Tian even arrived at the Jade Tide Heavenly Mansion, he had learned many things about the Jade Tide Heavenly Mansion and the Golden Dragon Palace from Ke Yi.

When they finally arrived, Duan Ling Tian was surprised to find that the Jade Tide Heavenly Mansion was located in an independent realm.

As though he could read Duan Ling Tian’s mind, Ke Yi said through Voice Transmission, “The Jade Tide Heavenly Mansion is located in the Little World of a Saint. However, I suspect the Little World doesn’t belong to the Saint from the Divine Water Palace.”

“Why do you think so?” Duan Ling Tian asked curiously through Voice Transmission.

“Many years ago, my master had a duel with the Palace Master of the Divine Water Palace. The battle became so heated that the Saint had to intervene. When the Saint appeared, I could sense that his energy was suppressed. It’s similar to how if a supreme powerhouse enters the Little World of another supreme powerhouse, his or her power will be suppressed. I don’t know if I sensed it correctly, but that was what I felt back then. It’s unfortunate that I only comprehended the Limitless Dao to the third stage back then so my senses weren’t very sharp. With current strength, I should be able to tell for sure if the Jade Tide Heavenly Mansion is in the Saint’s Little World or not,” Ke Yi replied.

Duan Ling Tian's eyes brightened when he heard that Ke Yi comprehended the Limitless Dao. After all, it was not often that he met an expert in the Limitless Dao. Another person who was also an expert in the Limitless Dao was the Void Elder; the Void Elder had comprehended the Limitless Dao to the eighth stage. In any case, Duan Ling Tian's plan now was to focus on comprehending the Sword Dao to the ninth stage before he moved on to the Limitless Dao.

After a moment, Duan Ling Tian said, "If the Jade Tide Heavenly Mansion isn't located in the Little World of the Saint from the Divine Water Palace..." He raised an eyebrow before he continued to say, "Does this mean that..."

"That's right. There's another Saint in the Jade Tide Heavenly Mansion!" Ke Yi said.

Chapter 4532 Huang Fu Ping

If there were another Saint in the Jade Tide Heavenly Mansion, it would mean that the Jade Tide Heavenly Mansion was an extremely powerful saint-rank force.

After his surprise faded, Duan Ling Tian began to look forward to meeting one of the Saints of the Jade Tide Heavenly Mansion so he could ask if the other party was willing to help him save Ke'er from the soul imprisonment technique.

...

With Ke Yi's help, Duan Ling Tian quickly completed the registration and became an official member of the Jade Tide Heavenly Mansion and the Golden Dragon Palace. He was now the first Palace Guardian from the Golden Dragon Palace who was not a supreme powerhouse. If he did not become a peerless top advanced Supreme God before officially joining the Golden Dragon Palace, this matter would definitely cause a stir in the Jade Tide Heavenly Mansion. After all, for

generations now, the three strongest palaces usually only appointed supreme powerhouses as Palace Guardians.

After Ke Yi led Duan Ling Tian to his cultivation ground in the Golden Dragon Palace and helped him settle down, someone suddenly appeared.

The other party was a handsome and arrogant young man.

Ke Yi looked at Duan Ling Tian and asked for permission before he gestured for the newcomer to come in. He said to Duan Ling Tian, “Senior Brother Ling Tian, this is Huang Fu Ping, my junior brother. He’s my master’s fifth disciple.” Then, he turned to Huang Fu Ping before he continued to say, “Junior brother, this is the Void Sword whom you’ve been dying to meet.”

After Duan Ling Tian officially joined the Golden Dragon Palace, Ke Yi began to address Duan Ling Tian as ‘senior brother’.

As soon as Huang Fu Ping entered Duan Ling Tian’s cultivation ground, he sized Duan Ling Tian up. Then, he said, “So you’re Duan Ling Tian? The peerless top advanced Supreme God who had yet to comprehend a law to the paramount stage? I’ve never met someone like that before. I wonder if you’d like to spar with me? I’d love to see your strength!”

Huang Fu Ping’s eyes shone brightly at this moment. It was like a predator looking at its prey.

“Impudent! Junior brother, behave yourself!” Ke Yi reprimanded Huang Fu Ping immediately with a frown on his face. Then, he turned to Duan Ling Tian and said apologetically, “Senior Brother Ling Tian, please ignore him.”

“It’s fine,” Duan Ling Tian said with a faint smile before he looked at Huang Fu Ping who was staring at him like a hawk.

Duan Ling Tian could understand Huang Fu Ping’s curiosity about his strength. After all, it was extremely difficult for someone to become a peerless top advanced Supreme God using other methods without comprehending a law to the paramount stage. After all, very few people could comprehend the Four Daos of Heaven and Earth to the threshold of the seventh stage; it was a feat only a few Saints were capable of achieving.

Duan Ling Tian looked at Huang Fu Ping and asked, “Where should we spar?”

Huang Fu Ping was taken aback. He did not expect Duan Ling Tian to agree to spar with him. Then, he asked, “Don’t you want to pick another day to spar?”

Duan Ling Tian replied with a smile, “That’s not necessary. It’s just sparring so we can do it now as long as there’s a suitable place.”

Huang Fu Ping looked at Duan Ling Tian silently for a moment before he said, “It seems like you’re very confident. If that’s the case, let’s spar at the Golden Dragon Palace’s battlezone.”

Then, Ke Yi explained in a timely manner, “Senior Brother Ling Tian, the battlezone is located in the Little World of the Hall Master of the Golden Dragon Palace’s Combat Hall. Stronger members usually fight there to prevent damages to the Golden Dragon Palace.”

The 16 palaces in the Jade Tide Heavenly Mansion were independent, and they all had their own Combat Hall, Law Enforcement Hall, Internal Affairs Hall, and so on.

“I see,” Duan Ling Tian said with a nod.

“Let’s go,” Huang Fu Ping said, leading the way. He was excited to put Duan Ling Tian to the test after hearing his master, Xiao Tian Ci, praise Duan Ling Tian.

Duan Ling Tian smiled slightly and followed Huang Fu Ping out.

...

When they arrived at the Golden Dragon Palace’s Combat Hall, there was already a group gathered there.

Upon seeing this, Ke Yi turned to Huang Fu Ping and asked with a frown on his face, “You even gathered people to watch? Aren’t you worried that you’d be humiliated later?”

“Fourth Senior Brother, you know that I believe in the saying, ‘the more the merrier’! Don’t worry. They are all members of the Golden Dragon Palace. Even if I lose, I’ll make a comeback in the future!” Huang Fu Ping said with a grin on his face.

“I’m afraid it’s impossible for you to make a comeback,” Ke Yi said with a smile. He heard from his master that Duan Ling Tian was barely half of Huang Fu Ping’s age.

Upon hearing these words, Huang Fu Ping frowned and asked, “Fourth Senior Brother, do you not have any confidence in me at all?”

“Forget it. I’ll explain it to you after Senior Brother Ling Tian beats you up,” Ke Yi said as he shook his head.

“Duan Ling Tian, this way please,” Huang Fu Ping said. As he walked into the Combat Hall, he said to the crowd that had gathered outside of the Combat Hall, “Everyone, my opponent this time is Duan Ling Tian, a Palace Guardian. My master bestowed him with the title the Void Sword. He’s a peerless top advanced Supreme God who has yet to comprehend the law to the paramount stage, but he has already comprehended the Sword Dao to the threshold of the seventh stage!”

The crowd was shocked when they heard that Duan Ling Tian was a peerless top advanced Supreme God who had yet to comprehend a law to the paramount stage. After all, this was almost unheard of.

“Is it really possible to become a peerless top advanced Supreme God without comprehending a law to the paramount stage?”

“We’ll see in a while. If he’s not a peerless top advanced Supreme God, it’d be impossible for him to beat Senior Brother Huang Fu Ping within 100 moves.”

“That’s right. Even Senior Brother Ke Yi, the strongest member of the Golden Dragon Palace below the realm of supreme powerhouses, can’t defeat Senior Brother Huang Fu Ping within 100 moves!”

Chapter 4533 Alarming the Other Palaces

The Hall Master of the Combat Hall was an old man dressed in a Taoist robe. He looked rather young for his age. When he heard Huang Fu Ping saying he was going to spar with Duan Ling Tian, he frowned as he said, trying to dissuade Huang Fu Ping, "Little Ping, forget about sparring with the Void Sword. You're no match for him."

The Palace Master of the Golden Dragon Palace had spoken about Duan Ling Tian's abilities to the various hall masters before this. For this reason, the old man knew how extraordinary Duan Ling

Tian, the peerless top advanced Supreme who became a Palace Guardian of the Golden Dragon Palace after he was given the title the Void Sword, was.

"Master You, we're just sparring. I'm really curious about his strength. I heard master say that he's younger than I am," Huang Fu Ping said.

You Xin Ye, the Hall Master of the Combat Hall, could tell now that Huang Fu Ping was determined to spar with Duan Ling Tian because Huang Fu Ping did not believe a monstrous prodigy like Duan Ling Tian existed.

At this time, Duan Ling Tian and Ke Yi also entered the Combat Hall.

Ke Yi was unaware that Huang Fu Ping knew that Duan Ling Tian was younger and that their master had even told Huang Fu Ping to learn from Duan Ling Tian. However, Huang Fu Ping would not simply lower himself unless he could witness the other party's strength with his own eyes.

Ke Yi smiled and greeted You Xin Ye before he said, "Hall Master You, this is Duan Ling Tian; the Void Sword and our new Palace Guardian." Then, he turned to Duan Ling Tian and said, "Senior Brother Ling Tian, this is Hall Master You Xin Ye. He's the Hall Master of the Combat Hall and a level-four supreme powerhouse."

Duan Ling Tian took a closer look at the old man upon hearing Ke Yi's words. After all, level-four supreme powerhouses were imminent demi Saints. Then, he said with a smile, "Greetings, Hall Master You."

The old man was slightly surprised by how modest Duan Ling Tian was. He had assumed that all prodigies were arrogant like Huang Fu Ping.

'Perhaps this is one of the reasons why he achieved so many amazing feats at such a young age,' You Xin Ye thought to himself as he said to Duan Ling Tian with a smile, "Brother Ling Tian, the Palace Master has high hopes for you. He's said that you're an outstanding talent."

Then, You Xin Ye glanced at Huang Fu Ping before he said to Duan Ling Tian, "You may refuse if you don't feel like sparring with him."

Before Duan Ling Tian could reply, Huang Fu Ping glared at You Xin Ye and said, "Hall Master You! He's agreed to spar with me! You should mind your own business!"

You Xin Ye stared at Huang Fu Ping speechlessly. He was trying to save Huang Fu Ping from embarrassment, but that fool Huang Fu Ping was still so ungrateful.

At this time, Duan Ling Tian said with a smile, "Hall Master You, I heard that we'll have to spar in your Little World. I'm sorry for the inconvenience."

Duan Ling Tian did not say anything else. He knew the best way to convince someone like Huang Fu Ping was to beat him into a pulp.

"You're being too polite, Brother Ling Tian," You Xin Ye said. With just a thought, two beams of light shot out and enveloped Duan Ling Tian and Huang Fu Ping.

"Don't resist the energy. I'm bringing you to the battlezone in my Little World now," You Xin Ye said.

In just a blink of an eye, Duan Ling Tian and Huang Fu Ping vanished into thin air.

At the same time, a mirror image suddenly appeared in the air in the Combat Hall.

Everyone saw Duan Ling Tian and Huang Fu Ping hovering above a vast and barren mountain range. The sky was gloomy and dark, but they were still able to see the duo clearly.

Everyone was rather excited at this time. After all, it was not often that a fight was broadcasted to the members of the Golden Dragon Palace unless it was a battle between supreme powerhouses or peerless top advanced Supreme Gods.

"I almost forgot that he's a peerless top advanced Supreme God until I saw the mirror image!"

"Me too! According to the mansion's traditions, fights between supreme powerhouses or peerless top advanced Supreme Gods can be broadcasted by Hall Masters of Combat Halls!"

"Thank goodness I arrived in time to watch this!"

"Senior Brother Huang is going to spar with the Void Sword, our new Palace Guardian!"

"Hey, I just heard that the fight is being broadcasted to the other palaces! It seems like Hall Master You wants everyone to watch this fight."

"Huh? Does Hall Master You intend to attract the attention of the other palaces?"

...

Meanwhile, the clouds above the Golden Dragon Palace rolled for a moment before a huge mirror image appeared in the sky.

Members of the Jade Tide Heavenly Mansion flocked over from all directions and gathered around the Golden Dragon Palace.

"Are the supreme powerhouses from the Golden Dragon Palace going to fight?"

"Impossible! Look at the mirror image! That's Huang Fu Ping, Palace Master Xiao's youngest disciple!"

"Huang Fu Ping's opponent... Is he... Duan Ling Tian?"

"Duan Ling Tian?!"

"I heard from my master that the Palace Master of the Golden Dragon Palace accepted a new member and bestowed the other party with the title the Void Elder, making the other party a Palace Guardian of the Golden Dragon Palace. I heard he's a peerless top advanced Supreme God who has comprehended the Sword Dao to the threshold of the seventh stage, but his law is only in the perfect form."

"Really?! Even the Saints of our Jade Tide Heavenly Mansion haven't comprehended the Four Daos of Heaven and Earth to the threshold of the seventh stage, right?"

Word began to spread like wildfire, and the crowd around the Golden Dragon Palace grew bigger and bigger. Among these people, some of them were talented prodigies.

"Hey, that's Senior Sister Ji Qiu Shui from the Divine Water Palace! I didn't expect her to come and watch the fight as well!"

"Senior Sister Ji Qiu Shui is as strong as Senior Brother Ke Yi from the Golden Dragon Palace, right? I'm surprised to see her here. I heard she comprehends the Saber Dao, not the Sword Dao, right?"

"The Sword Dao and the Saber Dao bear many similarities. Perhaps, she hopes to gain some insight..."

"Senior Brother Xue Lang is here as well!"

"Senior Brother Xue Lang, the peerless top advanced Supreme God from the Jade Tide Palace!"

Chapter 4534 A Battle Between Two Peerless Top Advanced Supreme Gods!

Before Duan Ling Tian's arrival, there were two peerless top advanced Supreme Gods in the Jade Tide Heavenly Mansion. One of them was Xue Lang from the Jade Tide Palace. Xue Lang, like Ji Qiu Shui from the Divine Water Palace, comprehended the Saber Dao; their comprehension of the Sword Dao was also at the same stage. Since Xue Lang had also comprehended a law to the paramount stage; propelling him into the realm of peerless top advanced Supreme Gods, he was naturally stronger than Ji Qiu Shui. However, in the future, after Ji Qiu Shui comprehended a law to the paramount stage and became a peerless top advanced Supreme God, it would be difficult to say who would be stronger at that time.

"Junior Sister Qiu Shui, you're here as well," Xue Lang greeted Ji Qiu Shui with a smile.

"Senior Brother Xue Lang," Ji Qiu Shui said with a smile, "I came because I heard that the Golden Dragon Palace's new peerless top advanced Supreme God is fighting. I believe you're here for the same reason as well."

The duo frequently discussed the Saber Dao together so they were rather close.

Xue Lang nodded. "That's right. I'm really curious about the new Palace Guardian who became a peerless top advanced Supreme God despite the fact that his law is only in the perfect form. This should be unprecedented in the Outer Boundary and the Myriad Worlds, right?"

"Well, we'll be able to see for ourselves shortly," Ji Qiu Shui replied.

Xue Lang nodded.

In the Little World of You Xin Ye, the Hall Master of the Golden Dragon Palace's Combat Hall.

Duan Ling Tian remained calm as he stood across from Huang Fu Ping in the sky.

"Duan Ling Tian, since you're a peerless top advanced Supreme God, you don't mind if I make the first move, right?" Huang Fu Ping asked.

"Go ahead," Duan Ling Tian replied with a smile. Even if Huang Fu Ping was a peerless top advanced Supreme God, he still would not be afraid of Huang Fu Ping.

"Very well!" Huang Fu Ping said. Following that, an eight-foot-long spear appeared in his hand. Based on its powerful aura, it was obviously a prime divine artifact.

Swoosh!

In just a blink of an eye, the spear shone with a dazzling golden light before it shot out like a dragon along with Huang Fu Ping toward Duan Ling Tian.

Duan Ling Tian's expression did not change at all. His Divine Energy along with his law of space surged out of his body, and just as Huang Fu Ping drew close, he suddenly vanished and reappeared above Huang Fu Ping.

...

At the same time...

In the mirror image, everyone saw countless sword rays falling on Huang Fu Ping like torrential rain.

In just a moment, You Xin Ye quickly and promptly brought Huang Fu Ping out of his Little World. Although he knew Duan Ling Tian would not kill Huang Fu Ping, he knew Huang Fu Ping would definitely be injured if he did not make a move.

Meanwhile, the spectators were in shock and disbelief as they looked at the powerful purple-clad young man in the mirror image.

"He's too fast!"

"He's insanely strong!"

"Huang Fu Ping couldn't retaliate at all!"

At this time, Xue Lang's expression was grim as he thought to himself, 'His strength is comparable to mine... It seems like he's really a peerless top advanced Supreme God even though he has yet to comprehend a law to the paramount stage...'

On the other hand, Ji Qiu Shui was shocked. Although Huang Fu Ping was slightly weaker than her, it still took her at least 30 moves to defeat him. However, the Void Sword; the new Palace Guardian of the Golden Dragon Palace, defeated him with just one strike.

The general sentiment of the crowd gathered around the Golden Dragon Palace was that Duan Ling Tian was terrifyingly strong.

...

At the same time, it was completely silent in the Golden Dragon Palace's Combat Hall at this moment.

Everyone was shocked. They did not expect that Huang Fu Ping, who was very strong, would be defeated with just one strike.

...

Ke Yi was not an exception; he was similarly shocked. Although he knew Duan Ling Tian was strong, he did not expect Duan Ling Tian to be so strong. He thought to himself, 'He's definitely stronger than the average peerless top advanced Supreme Gods!'

Perhaps, Huang Fu Ping, who was brought out of the battlezone, was the most shocked.

...

Back in You Xin Ye's Little World.

Duan Ling Tian's eyes were closed, and he was frowning at this moment; it was as though he was trying to sense something.

You Xin Ye did not bring Duan Ling Tian out yet because he could tell that Duan Ling Tian was probably having an epiphany at this moment.

Suddenly, countless sword rays appeared around Duan Ling Tian before they vanished again. This happened a few dozen times before Duan Ling Tian finally opened his eyes, revealing a piercing gaze.

'Through this sparring session, I managed to improve again thanks to the Void Elder's memories. It feels like my law of space is only a step away from reaching the paramount stage... Once my law of space reaches the paramount stage, my Sword Dao should reach the seventh stage as well,' Duan Ling Tian thought to himself, barely able to hide his excitement.

After a moment, Duan Ling Tian said, "Hall Master You, I want to challenge the peerless top advanced Supreme Gods from the Jade Tide Palace and the Divine Water Palace. May I ask what are the procedures to challenge someone to a duel?"

...

Duan Ling Tian's voice was transmitted to everyone's ears through the huge mirror image.

In just a moment, everyone turned to look at Xue Lang.

At the same time, Xue Lang's eyes burned with fighting spirit. Before You Xin Ye could respond, he said loudly, "Duan Ling Tian, I am Xue Lang; the peerless top advanced Supreme God from the Jade Tide Palace. I accept your challenge. I'm outside the Golden Dragon Palace now. We can start whenever you're ready."

Upon hearing these words, everyone's eyes lit up with excitement. There was no doubt in their mind now that Duan Ling Tian was a peerless top advanced Supreme God. How could they not be excited at the prospect of watching two peerless top advanced Supreme Gods fight?

Chapter 4535 Duan Ling Tian Is Too Arrogant!

After Xue Lang accepted the challenge, the crowd outside of the Golden Dragon Palace broke out in a commotion immediately.

At this moment, Duan Ling Tian, who had left the Little World of You Xin Ye; the Hall Master of the Golden Dragon Palace's Combat Hall, appeared outside of the Golden Dragon Palace and stood across from Xue Lang.

"Duan Ling Tian, you didn't use too much energy earlier when you fought, right?" Xue Lang asked as he looked at Duan Ling Tian with fighting spirit burning in his eyes. He was one of the two peerless top advanced Supreme Gods in the Jade Tide Heavenly Mansion. Among those below the realm of supreme powerhouses, only the other top peerless advanced Supreme God from the Divine Water Palace was a match for him. Now that the Golden Dragon Palace had such a powerful peerless top advanced Supreme God, how could he not be eager to fight?

"That's right," Duan Ling Tian said nonchalantly, "Xue Lang, are you familiar with the peerless top advanced Supreme God from the Divine Water Palace?"

"Yes," Xue Lang replied with a nod before he asked, "Do you also want to challenge him? After our fight, I'll arrange for you to fight him. I'm sure he won't refuse the chance to fight you."

"Yes, I want to fight with him," Duan Ling Tian said with a nod. Then, his eyes shone with confidence as he continued to say, "To be precise, I want to fight with both of you at once."

As soon as Duan Ling Tian finished speaking, the entire place fell silent.

Xue Lang looked at Duan Ling Tian in shock when the latter said that he wanted to fight him and the peerless top advanced Supreme God from the Divine Water Palace at the same time. For a brief moment, he even thought he had heard wrongly.

At the same time, the crowd began to whisper fervently among themselves.

“Duan Ling Tian wants to fight Senior Brother Xue Lang and Senior Brother Han Chen at once?!”

“Is he crazy? He wants to fight two peerless top advanced Supreme Gods at once?! I don’t think anyone below the realm of supreme powerhouses in both the Outer Boundary and the Myriad Worlds has such courage!”

“In my opinion, he’s just putting on an act!”

At this time, many members of the Golden Dragon Palace had left the palace’s Combat Hall and came outside. You Xin Ye; the Hall Master of the Golden Dragon Palace’s Combat Hall, Huang Fu Ping; who was easily defeated by Duan Ling Tian earlier, and Ke Yi; who had brought Duan Ling Tian to the Jade Tide Heavenly Mansion, were among these people.

Although Huang Fu Ping acknowledged Duan Ling Tian’s strength now, he was still shocked when he heard Duan Ling Tian say that he wanted to challenge Xue Lang and Han Chen, the other peerless top advanced Supreme God from the Divine Water Palace. He said to Ke Yi through Voice Transmission, “Fourth Senior Brother, did Duan Ling Tian go crazy? Does he really think he’s strong enough to fight Xue Lang and Han Chen at the same time just because he defeated me so easily?”

Ke Yi did not reply to Huang Fu Ping. Instead, he frowned, feeling that something was amiss.

Meanwhile, Xue Lang, who finally returned to his senses, looked at Duan Ling Tian with a hostile gaze as he said, clearly displeased, “Duan Ling Tian, it’s not impossible for you to fight me and Han Chen at once. However, before that, you should at least prove that you’re strong. We’ll talk about it if you’re able to defeat me.”

Based on Xue Lang's tone, it was not difficult to tell that he was upset. It was not surprising that he was upset. After all, he, a powerful peerless top advanced Supreme God who was invincible among those below the realm of supreme powerhouses in the Jade Tide Heavenly Mansion, was underestimated by someone who was not a supreme powerhouse and had just joined the Jade Tide Heavenly Mansion.

"Alright," Duan Ling Tian said with a nod. He knew that Xue Lang was not going to give in, and it was clear that he could only fight Xue Lang and the other peerless top advanced Supreme God at once after he defeated Xue Lang.

Duan Ling Tian wanted to fight Xue Lang and Han Chen at once because he felt that with the memories of the Void Elder, he would be able to quickly improve his strength by sparring with the duo. At that time, his law of space would reach the paramount stage, and his Sword Dao would also reach the seventh stage.

...

After Duan Ling Tian and Xue Lang reached an agreement, they went to the Jade Tide Hall to fight.

In the Jade Tide Hall, the Combat Hall was located in a realm, not in any powerhouse's Little World. This was where Duan Ling Tian and Xue Lang would fight.

Needless to say, a group of people followed the duo to the Jade Tide Palace.

...

Unlike the others, Ji Qiu Shui, the strongest person among those below the realm of peerless top advanced Supreme Gods, returned to the Divine Water Palace. As soon as she returned, she went to look for Han Chen, her senior brother, immediately.

“Senior brother, that Duan Ling Tian is too arrogant! He said that he wanted to fight both you and Senior Brother Xue Lang at once!” Ji Qiu Shui complained indignantly.

Han Chen, who was dressed in a sky-blue robe, was a young man. His gaze was cold, and his hair was styled into a mohawk. He possessed a pair of thick eyebrows and big eyes. Upon hearing Ji Qiu Shui’s words, the corners of his lips curled up into a contemptuous smile as he said, “How arrogant. Let’s go to the Jade Tide Palace. I want to see where his confidence came from for him to utter such nonsense!”

Han Chen was as famous as Xue Lang in the Jade Tide Heavenly Mansion, and he was not weaker than Xue Lang. He was naturally very prideful. How could he not be angry now that he felt that his pride had been trampled on?

...

Duan Ling Tian’s fight with Huang Fu Ping earlier had attracted a crowd. However, in comparison to his fight with Xue Lang, the crowd was rather small. After news of his fight with Xue Lang spread, it shook the entire Jade Tide Heavenly Mansion. Everyone in the Jade Tide Mansion who was free rushed to the Jade Tide Palace immediately when they received the news.

“The person who’s going to fight Xue Lang is the new Palace Guardian of the Golden Dragon Palace whom Palace Master Xiao recruited not long ago?”

“Yes! I heard that his name is Duan Ling Tian. It’s said that he’s a monstrous prodigy. He has comprehended the Sword Dao to the threshold of the seventh stage. However, his law of space has

yet to reach the paramount stage. Even then, he still became a peerless top advanced Supreme God!”

“Since Palace Master Xiao bestowed him with the title the Void Sword, he can’t be a weakling...”

“Indeed. However, he’s too arrogant. I heard that he wants to fight Xue Lang and Han Chen at the same time!”

“Is he mad?”

“Xue Lang said that he has to defeat him first before he can fight him and Han Chen at once.”

“Xue Lang is a peerless top advanced Supreme God as well. I don’t think Duan Ling Tian will be able to defeat him so easily; they’ll fight to a draw at most. It seems like Duan Ling Tian won’t be able to fight the two of them at once...”

...

At this time, a huge crowd had already gathered around the Jade Tide Palace.

In the sky above the Jade Tide Hall, a huge mirror image appeared before everyone’s eyes, showing Duan Ling Tian and Xue Lang standing across from each other.

Suddenly, a small commotion broke out.

“Senior Brother Han Chen is here!”

The arrival of Han Chen, the peerless top advanced Supreme God from the Divine Water Palace, drew many people’s attention.

Meanwhile, Han Chen and Ji Qiu Shui, who just arrived, quickly found a place and waited to watch the fight like the others.

Chapter 4536 You’re Too Weak

As a peerless top advanced Supreme God, Han Chen, similar to Xue Lang, was like a celebrity in the Jade Tide Heavenly Mansion. It was only natural that his arrival caught everyone’s attention. A few of them greeted him before they began to ask him questions one after another.

“Senior Brother Han Chen, Duan Ling Tian; new Palace Guardian of the Golden Dragon Palace who was bestowed the title ‘Void Sword’, said he wants to fight both you and Senior Brother Xue Lang at once! He’s too arrogant and conceited!”

“Senior Brother Han Chen, did you come to see how Duan Ling Tian is going to be humbled by Senior Brother Xue Lang?”

“Senior Brother Han Chen, after Duan Ling Tian’s fight with Senior Brother Xue Lang, are you going to fight Duan Ling Tian as well?”

“Since Duan Ling Tian said such words, it means that he’s very confident. Let’s just wait and see,” Han Chen said with a faint smile, “Your focus now should be on Xue Lang and Duan Ling Tian, not me.”

Although Han Chen’s words were quite modest, he still could not conceal the disdain in the depths of his eyes. In his opinion, as a peerless top advanced Supreme God, he was already powerful among those below the realm of supreme powerhouses. If he joined forces with Xue Lang, he was certain that no one below the realm of supreme powerhouses could fight them to a draw, let alone defeat them.

After a while, Han Chen shifted his eyes to the mirror image.

At this moment, the two people in the mirror image had begun to move.

“Senior Brother Han Chen, how long do you think it’ll take Senior Brother Xue Lang to gain the upper hand?” someone standing nearby asked.

Han Chen replied nonchalantly, “It’s hard to say... After all, I have never met a peerless top advanced Supreme God who has yet to comprehend a law to the paramount stage until now. Moreover, there’s also his Sword Dao that has been comprehended to the threshold of the seventh stage. I really want to see what he’s capable of...”

When Han Chen finished speaking, the two people in the mirror image had just finished their first round of tentative attacks. For now, they looked evenly matched.

However, Han Chen’s expression turned slightly solemn upon seeing this scene. Duan Ling Tian’s strength had exceeded his expectations. Then, in the next moment, his solemnity was replaced by surprise when he heard Duan Ling Tian’s words.

...

“What? Is that all?” Duan Ling Tian asked as he looked at Xue Lang with disappointment in his eyes.

Xue Lang was as strong as Yao Tian Chen, the peerless top advanced Supreme God whom Duan Ling Tian fought in the Realm of Origin that the Void Elder left behind. At that time, even when he had yet to obtain the Void Elder’s memories, he was already not any weaker than Yao Tian Chen.

“How arrogant!” Xue Lang said angrily before he attacked again. This time, his attack was even fiercer than before.

Duan Ling Tian did not hold back at this moment when he retaliated. He unleashed all his strength, which had risen after he obtained the Void Elder’s memories.

Swoosh! Swoosh! Swoosh! Swoosh! Swoosh!

In just a moment, countless sword rays appeared around Duan Ling Tian and Xue Lang. They easily destroyed Xue Lang’s continuous attacks.

During the entire process, Duan Ling Tian’s remained unchanged and relaxed.

Everyone watched in shock as Duan Ling Tian sighed softly and said, “You’re too weak.”

Following that, half of the sword rays in the surroundings suddenly merged into a huge sword ray before it shot toward Xue Lang.

The huge sword ray crushed Xue Lang's attack before it landed on him. He was sent flying back immediately, spitting out a mouthful of blood.

...

Everyone was in an uproar.

"Heavens! What's going on?!"

"How can this be?!"

"Senior Brother Xue Lang is a peerless top advanced Supreme God! He's just a level below supreme powerhouses. How can he be defeated so easily by another peerless top advanced Supreme God? Is Duan Ling Tian a supreme powerhouse?"

"Duan Ling Tian is not a supreme powerhouse. His Divine Energy is that of a peerless top advanced Supreme God."

"So this is the strength of the Sword Dao at the threshold of the seventh stage? By the way, from what I could sense earlier, his law of space isn't far from the paramount stage!"

“Duan Ling Tian is really too terrifying! No wonder Palace Master Xiao of the Golden Dragon Palace bestowed him the title ‘Void Sword’!”

“That’s right! He can form swords from the void, and his swords successfully dispelled everyone’s false perception of him!”

“He really deserves the title ‘Void Sword’!”

The people of the Jade Tide Heavenly Mansion were naturally shocked by Duan Ling Tian. At the same time, their respect and admiration for him grew.

Although Duan Ling Tian was new to the Jade Tide Heavenly Mansion, with his strength now, it was not difficult for him to gain people’s respect. After all, this was a world where the strong were revered. It did not matter at all that he was new to the Jade Tide Heavenly Mansion.

Meanwhile, Han Chen’s expression was dark as he stared at the purple figure in the mirror image. A hint of fear could be seen in his eyes as he muttered under his breath, “How can he be so strong?”

Duan Ling Tian was so strong that Han Chen was not confident he could defeat Duan Ling Tian at all.

At the same time, Huang Fu Ping was stunned speechless. Although Duan Ling Tian defeated him, he did not expect Duan Ling Tian to defeat Xue Lang so easily. Seeing the miserable state that Xue Lang was in now, he deeply realized now how ignorant and arrogant he had been earlier.

Ke Yi, who was standing next to Huang Fu Ping, was just as shocked. Initially, he thought that even if Duan Ling Tian was stronger than Xue Lang, it would not be easy for the former to defeat the

latter. After all, they were both peerless top advanced Supreme Gods. However, now, he felt like his worldview had been overturned, and his understanding of peerless top advanced Supreme Gods had changed.

...

At this time, Duan Ling Tian said, "I held back earlier so you should only be slightly injured. This won't affect your ability to have another match. Go and call Han Chen. Today, I'll fight the two peerless top advanced Supreme Gods of the Jade Tide Heavenly Mansion. I want to see how strong both of you are!"

Duan Ling Tian's words were just as arrogant as ever. If it was before he easily defeated Xue Lang, the others would have cursed him. However, at this time, no one thought he was arrogant at all.

...

At the same time, everyone instinctively turned to look at Han Chen, who had come to watch the fight as well. They wondered if he would accept Duan Ling Tian's challenge to fight him and Xue Lang at once.

"Do you think Senior Brother Han Chen will accept the challenge?"

"I don't know. Senior Brother Xue Lang isn't a match for Duan Ling Tian alone so it should be the same for Senior Brother Han Chen. After all, Senior Brother Xue Lang and Senior Brother Han Chen are on par with each other. However, in my opinion, Senior Brother Han Chen won't refuse the challenge since he can join forces with Senior Brother Xue Lang."

At this moment, everyone saw Han Chen fly up into the sky and into the Jade Tide Palace. Needless to say, this stirred up another commotion. A hint of anticipation and excitement could be seen in everyone's eyes as they continued to discuss among themselves.

“Senior Brother Han Chen is going in!”

“They’re really going to fight two against one?”

“It’s going to be an exciting match! Although Senior Brother Xue Lang was defeated by Duan Ling Tian, if he’s able to join forces with Senior Brother Han Chen, they should be able to win!”

“Two peerless top advanced Supreme Gods versus one peerless top advanced Supreme God... Not even in my wildest imagination could I imagine something like this happening!”

Chapter 4537 The First Peerless Top Advanced Supreme God Who’s Comparable to a Supreme Powerhouse

Han Chen and Xue Lang, the two peerless top advanced Supreme Gods from the Jade Tide Heavenly Mansion, were the strongest among those below the realm of supreme powerhouses in the Jade Tide Heavenly Mansion. However, Xue Lang was easily defeated by a peerless top advanced Supreme God who had just joined the Jade Tide Heavenly Mansion today. Not only that, but the former wanted to fight Xue Lang and Han Chen at once. How could something like that not stir up a huge commotion?

At this time, Han Chen, who had flown into the Jade Tide Palace just a moment ago, finally appeared in the mirror image as well. He stood next to Xue Lang, facing Duan Ling Tian.

Upon seeing this, people began to discuss among themselves again.

“Why do I suddenly feel that Duan Ling Tian might win this match as well?”

“That’s unlikely. Although Duan Ling Tian easily defeated Senior Brother Xue Lang, there must be a limit to his strength. After all, he’s not a supreme powerhouse yet.”

“I agree. In my opinion, if Senior Brother Xue Lang and Senior Brother Han Chen join forces, Duan Ling Tian won’t be a match for them.”

...

Earlier, the crowd was made up of disciples of the Jade Tide Heavenly Mansion. However, as time passed, many high-ranking officials had come silently to watch the fight as well.

At this moment, the high-ranking officials were surprised when they saw a newcomer.

“Mansion Master!”

After the high-ranking officials greeted the Mansion Master of the Jade Tide Heavenly Palace, he gestured to them to quiet down before he said, “Watch the battle carefully. Han Chen and Xue Lang might lose...”

The high-ranking officials were shocked upon hearing these words.

The Mansion Master of the Jade Tide Heavenly Mansion said casually, "I watched the fight earlier. Although the difference between his and Xue Lang's strength isn't big, it's not small either. Otherwise, he wouldn't have been able to defeat Xue Lang so easily. His fight with Xue Lang was brief, but it's clear that his law of space had improved during the fight. It's not far from the paramount stage. Seeing how insistent he is to fight Xue Lang and Han Chen at once, it's clear that he wants to grow stronger by fighting them."

The Mansion Master of the Jade Tide Heavenly Mansion was not a level-six Saint, but he was still a level-five demi Saint after all. His perception and judgment were naturally good.

At this time, someone calmly replied to the Mansion Master of the Jade Tide Heavenly Mansion, "You're right."

Following that, a figure appeared.

"Palace Master Xiao!"

It was none other than Xiao Tian Ci, the Palace Master of the Golden Dragon Palace.

As soon as Xiao Tian Ci appeared, a few of the high-ranking officials quickly greeted him respectfully. After all, although he was younger than them, he was stronger than them. He was not any weaker than the Mansion Master of the Jade Tide Heavenly Mansion.

"Junior Brother Tian Ci, you're back?" the Mansion Master of the Jade Tide Heavenly Mansion asked, surprised. Then, the expression of surprise on his face turned into a frown as he asked, "How's the investigation going? Why did those disciples die?"

Xiao Tian Ci said with a sigh, “It’s due to the explosion of energy in the Realm of Origin. I suspect it’s the remnant energy of the creator of the Realm of Origin. However, I couldn’t figure out the reason for the explosion.” A hint of anger could be seen in his eyes as he continued to say, “Our plan backfired this time. The creator of the Realm of Origin clearly wanted people to die with him. Alas, we can only consider ourselves unlucky. There’s nothing we can do about this.”

“Alright. Let’s not talk about this for now. Let’s watch the performance of the newest member of your Golden Dragon Palace,” the Mansion Master of the Jade Tide Heavenly Mansion said as he shifted his gaze back to the mirror image, “This time, you and the Golden Dragon Palace really found a gem.”

Upon hearing these words, Xiao Tian Ci responded modestly. However, a hint of pride could be seen on his face at this moment.

At the same time, the high-ranking officials also congratulated Xiao Tian Ci on discovering such a monstrous prodigy.

...

At the same time, Duan Ling Tian was not flustered at all when faced with Xue Lang and Han Chen. He thought to himself, ‘It shouldn’t be a problem for me to defeat them. However, my goal isn’t as simple as just defeating them. I have to raise my strength when I’m fighting them. I want them to be my whetstones as I use what I learn from the Void Elder’s memories...’

In order to grow stronger, when Xue Lang and Han Chen took the initiative to attack, Duan Ling Tian did not attack with all his might and held back instead.

...

In the eyes of the crowd, Duan Ling Tian had currently fallen into a disadvantageous position.

“Is Duan Ling Tian going to lose?”

“As expected of the two peerless top advanced Supreme Gods of our Jade Tide Heavenly Mansion! They’re invincible together!”

“Senior Brother Xue Lang and Senior Brother Han Chen are really strong!”

The disciples of the Jade Tide Heavenly Mansion were rather excited. Compared to Duan Ling Tian, they naturally hoped that Han Chen and Xue Lang would win.

...

On the contrary, as for the high-ranking officials of the Jade Tide Heavenly Mansion who were at or above the fourth level, it was not difficult for them to see that Duan Ling Tian had deliberately held back. The strength he used now was much weaker than when he attacked Xue Lang earlier.

“He’s holding back...”

...

“Duan Ling Tian, attack with all your might!” Xue Lang said icily. He felt extremely humiliated at this moment. Despite having joined forces with Han Chen, they were still unable to defeat Duan Ling Tian after such a long time.

‘He was holding back?!’

Han Chen’s expression changed slightly, turning solemn upon hearing Xue Lang’s words. Unlike Xue Lang who had fought Duan Ling Tian previously, he naturally could not tell if Duan Ling Tian was holding back or not. Nonetheless, he did not doubt Xue Lang’s words.

Meanwhile, after Xue Lang had spoken, Duan Ling Tian began to reveal his strength.

Xue Lang and Han Chen fought with all their might. In the end, they even used their respective bloodline powers as they continued to attack Duan Ling Tian relentlessly.

At the same time, while Duan Ling Tian fought the duo, he also went through the Void Elder’s memories.

‘So that’s how it is! It’s so simple! Why didn’t I think of it before? It’s here... It’s not as complicated as I imagined!’

Under the pressure of his two opponents, Duan Ling Tian continued to put the Void Elder’s knowledge to practice, and he continued to improve throughout the battle. Just when he felt like he was about to have a breakthrough, he forced himself to stop. He could not break through in this place. After the breakthrough, his law of space would reach the paramount stage, and his Sword Dao would also reach the seventh stage. At that time, he would attract the Heavenly Tribulation. Since the force of the Heavenly Tribulation corresponded to his cultivation base of a peerless top advanced Supreme God, there was no doubt that this Heavenly Tribulation was going to be fierce.

Even before the gap in history, not many peerless top advanced Supreme Gods back then managed to survive such a Heavenly Tribulation.

“I really have to thank both of you. Thank you,” Duan Ling Tian murmured softly.

Subsequently, all the sword rays merged into a terrifying and huge sword ray that was blindingly bright. In one fell swoop, Han Chen and Xue Lang were immediately sent flying.

...

“He... He’s not any weaker than a level-one supreme powerhouse now?!”

“How’s this possible?! There’s no doubt that he’s a peerless top advanced Supreme God!”

“He has yet to enter the realm of supreme powerhouses, but he’s already as strong as a level-one supreme powerhouse?! How did he do it? I’ve never heard of a deviant like him before in the history of the Outer Boundary and the Myriad Worlds!”

The disciples of the Jade Tide Heavenly Mansion were excitedly watching the show and did not think much about the fight. However, unlike the disciples, the high-ranking officials, especially the Mansion Master of the Jade Tide Heavenly Mansion and Xiao Tian Ci, had very discerning eyes. They were thoroughly shocked by Duan Ling Tian’s display of strength.

Chapter 4538 Heaven Is So Overbearing

After leaving the Combat Hall of the Jade Tide Palace, Duan Ling Tian met Xiao Tian Ci, the Palace Master of the Golden Dragon Palace. After he greeted Xiao Tian Ci, he followed Ke Yi who led him to the Transportation Formation in the Jade Tide Heavenly Mansion. He planned to return to the God Defying World in the Myriad Worlds first to break through.

‘According to the Void Elder’s memories, it’s best to break through in the World where one was born. The World energy will be able to help me bear the Heavenly Tribulation to a certain extent. Even if it’s not much, it’s better than nothing.’

...

When Duan Ling Tian returned to the God Defying World, he found that the supreme powerhouses who guarded the Transportation Formation there were quite polite when they saw him.

Previously, Duan Ling Tian had shocked the God Defying World when he returned with Duan You Wei, a demi Saint. Due to Duan You Wei’s presence, those supreme powerhouses quickly dismissed their thoughts to snatch Duan Ling Tian’s liquid from the divine fountain away.

Now that Duan Ling Tian returned to the God Defying World again, he could not help but think of Duan You Wei again.

‘Sister You Wei... If I survive the upcoming Heavenly Tribulation, I’ll avenge you once I enter the realm of supreme powerhouses!’ Duan Ling Tian thought to himself as his eyes shone with cold killing intent. His gaze was piercing, and it was as though it could pierce through barriers and kill those who killed Duan You Wei.

After a while, Duan Ling Tian calmed down and began to think about his next step.

With the Void Elder's memories, Duan Ling Tian knew he would attract the Heavenly Tribulation once his law of space and his Sword reached the paramount stage and the seventh stage respectively. If he survived the Heavenly Tribulation, he would be the first person after the gap in history to do so. After surviving the Heavenly Tribulation, he would immediately become a level-seven supreme powerhouse as soon as he entered the realm of supreme powerhouses. At that time, he would also immediately stand at the peak of both the Outer Boundary and the Myriad Worlds; he would be truly peerless.

Needless to say, Duan Ling Tian would not stop at the seventh level. He planned to continue to study the Void Elder's memories and cultivate to the ninth level. Not only that, but he also wanted to cultivate until he was equal to heaven itself.

'Based on the Void Elder's memories, among the deadliest places, three of them aren't exclusive to the God Defying World; they're connected to the Myriad Worlds. The Asura Hell is one of them...'

Duan Ling Tian was naturally familiar with the Asura Hell. In the past, his master reclaimed his position as the Heavenly Emperor of the Solitary Destructive Heaven after returning from the Asura Hell. His master had a fortuitous encounter there. Later on, his master also brought him to the Asura Hell, and he had made great improvements in his law of time there. Although his law of time was not as strong as his law of space, it was not weak at all.

...

As soon as Duan Ling Tian returned to the God Defying World, Xiao Mu Bai, one of the Lords of the God Defying World, was instantly notified. However, when he heard that Duan Ling Tian returned alone, he no longer paid any attention to the matter.

In his opinion, Duan Ling Tian was from the God Defying World after all. It was normal for him to return to the God Defying World.

Since Xiao Mu Bai no longer paid attention to Duan Ling Tian, he naturally did not know that Duan Ling Tian was going to the Asura Hell.

...

The Asura Hell.

Seeing how smooth his time was in the Asura Hell, Duan Ling Tian could not help but recall the various dangers he encountered here in the past. He could not help but sigh when he thought about how time flew by so fast. In just a blink of an eye, he had grown so strong.

‘According to the Void Elder, the difference between the soul energy of a level-six Saint and a level-five demi Saint isn’t that big... This means that even the strongest Saint won’t be able to get rid of the soul imprisonment technique on Ke’er... This means that the technique can only be resolved by a level-seven supreme powerhouse at least...’

After learning about this from the Void Elder’s memories, Duan Ling Tian was even more eager to break through. Otherwise, based on his personality, he would not have challenged the two peerless top advanced Supreme Gods as soon as he joined the Jade Tide Heavenly Mansion.

...

Unsurprisingly, it stirred up a huge commotion.

Various forces from various places soon found out that the Jade Tide Heavenly Mansion's Golden Dragon Palace had a new member who had comprehended the law of space and the Sword Dao close to the paramount stage and the seventh stage respectively.

Even those in the Three Upper Worlds; the strongest Worlds in the Myriad Worlds, heard the news.

However, not long after they received the news, many of them shook their heads.

“Alas... I'm afraid it won't be long before another monstrous prodigy is lost to us...”

“It's the curse when one's law and Dao of Heaven and Earth reach the paramount stage and the seventh stage at the same time. Heaven won't allow it. It'll bring about a fiercely terrifying Heavenly Tribulation that'll kill him for sure...”

“It's the will of heaven. No one can go against the will of heaven!”

In the past, there were people in the Three Upper Worlds who comprehended the laws and the Four Daos of Heaven and Earth to the paramount stage and the seventh stage respectively. However, all of them, without exception, were killed by the Heavenly Tribulation.

“Although the Heavenly Tribulation a peerless top advanced Supreme God has to face is much weaker than that of a supreme powerhouse, it's still terrifyingly strong for a peerless top advanced Supreme God. All the peerless top advanced Supreme Gods in the past died without fail...”

There was a gap in history after all. No one knew what happened exactly. Those who discovered that something was amiss could only pass down what little they knew.

Due to the lack of knowledge of the past, no one thought Duan Ling Tian would be able to survive the Heavenly Tribulation. They were certain that he would die.

“If I were him, I wouldn’t break through at all. As soon as his law and Dao of Heaven and Earth reach the paramount stage and the seventh stage, he’ll die for sure.”

“That’s right. He shouldn’t have integrated his law of space and his Sword Dao. If so, he could’ve just comprehended his law of space to the paramount stage and left his Sword Dao at the threshold of the seventh stage. With this, he’d still be one of the strongest Saints or World supreme powerhouses in the Outer Boundary and the Myriad Worlds after entering the realm of supreme powerhouses.”

At this time, it was no longer a secret that Duan Ling Tian had integrated his law of space and his Sword Dao so the two could improve in tandem. This was easily discovered by the high-ranking officials of the Jade Tide Heavenly Mansion.

...

The Asura Hell.

After Duan Ling Tian found a place close to the barrier of the God Defying World, he no longer suppressed his breakthrough and allowed his law of space and Sword Dao to break through. He was just a hair’s breadth from breaking through that he did not need to do anything at all.

Duan Ling Tian felt as though his soul was being thoroughly purified at this moment. At the same time, his perception was enhanced more than ten times.

After a brief moment, his Divine Energy surged, turning into a huge sword ray. Following that, smaller sword rays shot out in all directions, destroying everything in their paths.

A huge vortex then appeared near Duan Ling Tian, but strangely, he remained unaffected.

‘This power...’

Duan Ling Tian tried to wield the energy that seemed capable of destroying heaven and earth.

Suddenly...

Boom! Boom! Boom!

A series of defeating explosions rang in the sky, as though it was expressing heaven’s dissatisfaction.

‘It seems like heaven doesn’t like it when I try to wield my new power? Is heaven so overbearing?’

Duan Ling Tian’s gaze was cold at this moment. Then, he continued to try and wield his new-found power, completely ignoring heaven’s will.

Suddenly, a massive destructive force swept down from the sky.

Duan Ling Tian, who had been prepared for this, scoffed. Then, he mobilized all his energy and quickly released it. He stood in the air and used his raging power to form a sword that exuded a terrifying aura.

Chapter 4539 The Forbidden Realm

“Bring it on!”

Duan Ling Tian was like a fearsome and peerless god of sword at this moment as he stood in a sea of swords, even his gaze was as sharp as a sword. He waved his hand; and millions of swords in the void rays flew out, obeying the command of the god of sword.

‘This is the law of space and the Sword Dao at the paramount stage and the seventh stage!’

With just a thought, Duan Ling Tian could control the void in his surroundings, causing them to twist, ripple, and shake.

With the Void Elder’s memories, he felt both familiar and unfamiliar with this brand-new force. At the same time, he found that he could control it easily as though this was not his first time doing so.

At this moment, Duan Ling Tian was not any weaker than the Void Elder when the Void Elder was facing the deadly Heavenly Tribulation. With the Void Elder’s memories, his advantage also grew.

Duan Ling Tian raised his head and looked at the storm that was heading his way calmly as he muttered, “The Heavenly Tribulation might have killed many peerless top advanced Supreme Gods in the past, but it won’t be able to kill me today!”

Boom! Boom! Boom!

Lightning flashed in the sky as thunder rang deafeningly loud as though heaven was rebuking Duan Ling Tian.

Thanks to the Void Elder's memories, Duan Ling Tian knew that heaven would not tolerate the existence of someone who could threaten its existence. After his breakthrough, if he continued to progress, it was not impossible for him to be as strong as or even surpass the Void Elder. If he surpassed the Void Elder, he could be equal to heaven or even surpass heaven. As such, how could heaven tolerate his existence and allow him to grow stronger?

Thunder and lightning continued to herald the arrival of the Heavenly Tribulation. It seemed like the world was about to come to an end at this moment. However, when the Heavenly Tribulation passed the God Defying World's spatial barrier and entered the Asura Hell, it seemed as though part of its energy was devoured by another energy.

'Is this the World energy?' Duan Ling Tian's eyes lit up when he sensed the energy that drained the Heavenly Tribulation.

...

At the same time, the supreme powerhouses in the God Defying World felt the fluctuations of the World energy as it devoured the energy of the Heavenly Tribulation.

"What's going on?"

“Why did so much World energy suddenly disappear?”

“Is someone from the Outer Boundary attacking our God Defying World?”

The God Defying World had a special spatial passage that led to the Outer Boundary. However, if one was a native of the God Defying World and if one was strong enough, one could make a spatial tear that would bring one back to the God Defying World. One would not be rejected by the World energy since one was a native of the God Defying World. However, if one was not a native of the God Defying World, one would be rejected by the World energy if one tried to forcibly enter the God Defying World through a spatial tear. Unless one was strong enough to overwhelm the World energy, it was impossible to forcibly enter the God Defying World through unofficial means. Moreover, over the years, the World energy of the God Defying World had been reinforced by the World energies of its countless subordinate Worlds, making it stronger. With this, natives of the God Defying World could also enter the subordinate Worlds through this means without getting rejected by the subordinate Worlds' World energies. It was just like how Duan Ling Tian was able to enter the Cyclic World, one of the God Defying World's subordinate Worlds, before he went to the Outer Boundary.

...

“The consumption of the energy comes from the Asura Hell...”

As one of the Lords of the God Defying World, Xiao Mu Bai naturally paid a lot of attention to the God Defying World. As soon as he noticed the energy consumption, he quickly went to the source, which was the Asura Hell. He had been there several times and was rather familiar with it.

When Xiao Mu Bai arrived, he could see a familiar figure standing in the eye of the storm even though he was quite a distance away. It was none other than Duan Ling Tian whom he had met not long ago.

Xiao Mu Bai watched as Duan Ling Tian stood in the void, looking as deadly as a sword as he faced the Heavenly Tribulation. He could also tell that Duan Ling Tian had the upper hand at this moment.

After a moment, Xiao Mu Bai's eyes widened imperceptibly as he murmured to himself, "This is no ordinary Heavenly Tribulation, and he's not a supreme powerhouse yet!"

Although Xiao Mu Bai was sure Duan Ling Tian was not a supreme powerhouse yet, he could tell that Duan Ling Tian was not any weaker than a level-one supreme powerhouse. In fact, he could sense that Duan Ling Tian was stronger than most level-two supreme powerhouses.

"How's this possible?!"

Even if one was the strongest peerless top advanced Supreme God, one would still be weaker than level-one supreme powerhouses. However, Duan Ling Tian, who was clearly not a supreme powerhouse yet, had shown strength comparable to level-two supreme powerhouses! How could this not shock Xiao Mu Bai?

Xiao Mu Bai was not an ordinary imminent World supreme powerhouse after all. He was considered young among the imminent World supreme powerhouses and demi Saints in the Myriad Worlds and the Outer Boundary. He was naturally very quick with his thinking as well.

'Could it be... Could it be that his Sword Dao has reached the seventh stage?'

Xiao Mu Bai inhaled sharply when he thought of this possibility. He continued to watch the scene in front of him in shock.

Swoosh! Swoosh!

At this moment, two figures appeared next to Xiao Mu Bai.

“Is that Duan Ling Tian?” one of them asked Xiao Mu Bai.

Xiao Mu Bai did not expect the two old men, who were in closed-door cultivation all year round, would appear after being alarmed by Duan Ling Tian’s movement. After a moment, he nodded and replied, “Yes. He’s not a supreme powerhouse yet, but his Heavenly Tribulation now is stronger than the Heavenly Tribulation the weakest supreme powerhouses have to face. Moreover, he doesn’t seem to be at a disadvantage.”

The two old men were another two imminent World supreme powerhouses from the God Defying World. They usually stayed in closed-door cultivation to recover from the serious injuries they sustained during their last Heavenly Tribulation. Due to their very old age, they were not certain they would even survive their next Heavenly Tribulation.

Xiao Mu Bai’s expression was solemn as he looked ahead and said, “Duan Ling Tian has completely integrated his law of space with his Sword Dao. His Sword Dao and his law of space have reached the paramount stage and seventh stage respectively...”

Xiao Mu Bai was usually calm and did not get flustered easily. However, this time, a hint of tremor could be heard in his voice when he spoke.

“What?! You’re saying he has broken into the Forbidden Realm?”

The Forbidden Realm referred to when one completely integrated a law and a Dao of Heaven and Earth and comprehended them to the paramount stage and the seventh stage respectively. Only by doing this could one enter the Forbidden Realm. However, once one entered this realm, one would be killed by heaven.

After the gap in history, although the number was not big, there were still a few people who entered this realm. However, all of them, without exception, were killed by the Heavenly Tribulation.

This was the reason it was called the Forbidden Realm.

Chapter 4540 The Fatal Heavenly Tribulation?

“Forbidden Realm?”

“His lifeblood feels strong, and he’s young... To think he achieved so much at such a young age. Is he from the God Defying World?”

“If he’s not from the God Defying World, how could the World energy of the God Defying World help him bear some of the force of the Heavenly Tribulation? However, even with the World energy, it’s impossible for someone in the Forbidden Realm to survive the Heavenly Tribulation. Why is he so calm?”

The two old men looked at Xiao Mu Bai in confusion after a while. They had no idea someone like Duan Ling Tian had appeared in the God Defying World since they were in closed-door cultivation. They could not help but wonder why Xiao Mu Bai did not warn Duan Ling Tian against entering the Forbidden Realm.

After all, in the past, Xiao Mu Bai's father tried to suppress himself and stopped himself from breaking through. Alas, he came to a point where he could no longer suppress it and was forced to enter the Forbidden Realm. As a result, he died.

After a moment, the two old men began to discuss among themselves again.

"In the God Defying World, no one under the realm of supreme powerhouses has ever entered the Forbidden Realm after the gap in history. On the contrary, there were quite a few below the realm of supreme powerhouses who entered the Forbidden Realm in the Outer Boundary and the other Worlds... However, all of them died."

"That's right... All of those advanced Supreme Gods were killed by the Heavenly Tribulation after entering the Forbidden Realm..."

"However, based on this kid's performance, it seems like he may survive it!"

"If he survives it, he'll directly become a level-seven supreme powerhouse as soon as he enters the realm of supreme powerhouses, right?"

Upon hearing these words, Xiao Mu Bai looked at the two old men and saw his excitement reflected in their eyes as well.

A level-seven supreme powerhouse was peerless in the truest sense in the Outer Boundary and the Myriad Worlds. If Duan Ling Tian, a native of the God Defying World, became a level-seven supreme powerhouse, it would push the God Defying World to the top of the Myriad Worlds, surpassing the Three Upper Worlds.

Currently, the strongest existence in the Outer Boundary and the Myriad Worlds were level-six supreme powerhouses.

Many people in the Myriad Worlds and Outer Boundary assumed that there was a World supreme powerhouse, who was also Xiao Mu Bai's father, in the God Defying World. They were unaware that the God Defying World did not have a World supreme powerhouse for a long time now. Xiao Mu Bai had hidden the news to avoid bringing trouble to the God Defying World.

The Myriad Worlds' relationships were rather competitive. Since time immemorial, strong Worlds would subjugate weak Worlds. The God Defying World had also subjugated many weaker Worlds. If it was unknown that the God Defying World had lost its World supreme powerhouse, there would definitely be people who would try to take advantage of the situation.

Xiao Mu Bai knew he could not keep the news hidden forever, and he had been worried about the day that news of his father's death spread. At that time, powerhouses from various Worlds would come to the God Defying World to verify the news, and once they confirmed the veracity of the news, the God Defying World would be in danger.

For this reason, Xiao Mu Bai had paid close attention to talented cultivators over the years and spared no effort to help them. He hoped there would be more powerhouses in the God Defying World, hoping there would be a World supreme powerhouse again. Duan Ling Tian was one of the people whom Xiao Mu Bai had high hopes for.

At the same time, Xiao Mu Bai also cultivated diligently, trying to enter the realm of World supreme powerhouses as soon as he could to protect the God Defying World.

At this time, Xiao Mu Bai and the other imminent World supreme powerhouses from the God Defying World continued to look at Duan Ling Tian who was facing the Heavenly Tribulation. They could not hide their excitement at all.

“Seniors, this Heavenly Tribulation is causing a huge commotion... I’m afraid the other Worlds will sense it...” Xiao Mu Bai said solemnly to the two old men, “We should do our best to hide this. Otherwise, when people from the other Worlds, especially the Three Upper Worlds, find out that Duan Ling Tian is alive after entering the Forbidden Realm, they’ll definitely do everything in their power to kill him before he gets any stronger.”

After all, if one was not killed by the Heavenly Tribulation after entering the Forbidden Realm, there was no doubt that one would become a level-seven supreme powerhouse.

“You’re right. We must hide this matter.”

“I’m afraid it’ll be difficult to hide this matter, but we’ll have to do our best!”

...

Just as Xiao Mu Bai expected, the commotion alerted many people.

Although Duan Ling Tian went to the Asura Hell to face the Heavenly Tribulation, it came from outside the Asura Hell and the God Defying World. As such, it quickly drew people’s attention, especially those in the Upper Three Worlds.

The Three Upper Worlds were the strongest Worlds for the longest time, but they were not complacent and always paid attention to the other Worlds, especially the 18 Middle Worlds; which included the God Defying World.

For this reason, the Three Upper Worlds were quickly alerted when there was such a huge commotion, caused by Duan Ling Tian’s Heavenly Tribulation, close to the God Defying World.

It did not take long before the Three Upper Worlds sent three level-five imminent World supreme powerhouses to have a look.

The trio stood a distance away and observed the shocking Heavenly Tribulation.

“This... This isn’t the once-in-ten-thousand-year Heavenly Tribulation that supreme powerhouses have to face!”

“It seems to be the Fatal Heavenly Tribulation that comes after one enters the Forbidden Realm!”

“A peerless top advanced Supreme God in the God Defying World entered the Forbidden Realm and attracted the Fatal Heavenly Tribulation?”

The Fatal Heavenly Tribulation was the Heavenly Tribulation that came after one entered the Forbidden Realm. As its name suggested, it was... fatal.

In the Three Upper Worlds, although it was rare, it was not unheard of for a few extraordinarily talented people to enter the Forbidden Realm. Needless to say, most of those people, if not all, did not voluntarily enter the Forbidden Realm. After all, that was tantamount to seeking death. After the gap in history, no one had ever survived the Fatal Heavenly Tribulation after entering the Forbidden Realm after all.

For this reason, who would voluntarily break into the Forbidden Realm? It was still glorious to be a level-six supreme powerhouse. Most importantly, one would be able to keep one’s life.

Meanwhile, after discovering that the commotion came from the Fatal Heavenly Tribulation, three imminent World supreme powerhouses quickly sent news back to the World supreme powerhouses in their respective Worlds.
