### Chapter 4711 When Did Merging the Daos Become So Easy?

Seeing how effortlessly Feng Qing Yang merged the Dao, apart from feeling happy for Feng Qing Yang, Duan Ling Tian also felt greatly motivated and continued to focus on the Space Dao.

"As long as I can merge the Space Dao with the Limitless Sword Dao, turning it into the Limitless Space Sword Dao, no one will dare to provoke me and my master in the Divine Land. At that time, even the Myriad Mountains' Chen clan won't be a threat to us. According to Divine Monk Yong Ye, that old man from the Chen clan merged three Daos that many had comprehended in the past. Among the five strongest Triple Dao Merging powerhouses in the Divine Land, he's the weakest."

Over the years, Duan Ling Tian occasionally visited the Surging River Divine Kingdom and the Temple of the Bitter Sea to look for Jiang Tian Zheng and Yong Ye respectively. Apart from discussing the Dao, he also learned a lot about the Divine Land from them. From then, he learned about the five strongest Triple Dao Merging powerhouses and that Chen Jiu Xiao from the Myriad Mountains' Chen clan was the weakest among them.

If Duan Ling Tian successfully merged the Space Dao with the Limitless Sword Dao, not only would he be stronger than Chen Jiu Xiao, but he might also possibly be stronger than the other four Triple Dao Merging powerhouses in the Divine Land. At that time, with Feng Qing Yang, who had merged the Time Sword Dao, by his side, they might even be able to kill a Triple Dao Merging powerhouse.

"Once I break through, I'll kill Yu Luo He first and snatch the Life Creation Chart away. After that, I'll visit the Myriad Mountains' Chen clan and kill Chen Ming Hao! If Chen Jiu Xiao dares to stand in our way, I'll kill him as well!"

Duan Ling Tian's eyes glinted coldly when he thought about this matter. Initially, he did not plan to look for trouble with the Chen clan, but the Chen clan intended on killing him. With this, how could he let them go?

"I should continue to cultivate!"

Duan Ling Tian took a deep breath and immersed himself in cultivating once again, trying to merge the Space Dao and the Limitless Sword Dao.

His merging of the Space Dao and the Sword Dao was progressing rapidly, but the merging of the Space Dao and the Limitless was a little slower. However, he was confident that with enough time, he would be able to successfully merge all three Daos.

...

After Feng Qing Yang successfully merged the Daos, all of them left because the place they were staying in had been exposed. Although no one came looking for them now, it was inevitable that Dao Merging powerhouse would come looking for them soon to greet the new Dao Merging powerhouse, Feng Qing Yang.

With Duan Ling Tian and Feng Qing Yang's current strength, even the two Dao Merging powerhouses of the Chen clan would have to think twice before they act. However, Duan Ling Tian and Feng Qing Yang did not want to be disturbed, so they moved after finding a hidden place with beautiful mountains and clear waters.

After merging the Daos, Feng Qing Yang became more relaxed. In his opinion, it was much too soon for him to try merging the third Dao, so he was not in a rush. He was content to watch his disciple merge the three Daos for now.

He occasionally went out with Xue Qing Zhu and Yu Xiao, and during that time, he felt rather uneasy. After all, due to Xue Qing Zhu's matchmaking efforts, Yu Xiao had become his second wife.

...

Time moved like sand slipping through fingers, constantly flowing away. The seasons came and went, and a thousand years passed in just a blink of an eye.

In the past thousand years, Yu Luo He had completely recovered from his injuries.

At this moment, he stood on the peak of a mountain, dressed in a white robe. A cold smile and hint of wickedness could be seen on his face as he gazed into the distance and muttered, "Over the past one thousand years, Duan Ling Tian didn't come looking for me again. It seems like he has given up. However..."

Yu Luo He frowned when he recalled how Duan Ling Tian could sense the Life Creation Chart. This was out of his expectations. After all, he did not create the Life Creation Chart, so he was not privy to some of its secrets.

Over the past thousand years, he had diligently studied the Life Creation Chart, which had also been restored to its original state. The worlds within the chart had also stabilized. However, until now, he still could not figure out why an inhabitant from that world, who had become Dao Merging powerhouse, could sense the chart.

"Based on the current situation, it's clear that Duan Ling Tian has no intention of joining forces with other Dao Merging powerhouses to deal with me. Otherwise, he would have come looking for me a long time ago..."

Yu Luo He had always kept the Life Creation Chart close to him because it was the core of his third Dao, the Sacrificial Dao. Once he was successful with his merging of the Sacrificial Dao, he would successfully merge a trio of Dao that had never been seen before in the history of the Divine Land, a completely new Dao. With that, even if the Triple Dao Merging powerhouses of the Divine Land joined forces to deal with him, he would still be able to escape safely even if he was not a match for them.

"It seems like Duan Ling Tian doesn't want others to know the location of the Life Creation Chart. Is he worried that others might steal it?"

Yu Luo He sighed in relief. In all honesty, he had been worried that Duan Ling Tian would bring a group of Dao Merging powerhouses to deal with him. After all, he had already used his life-saving charm previously. If he was found again, he would undoubtedly die.

"The most important thing is to merge the Sacrificial Dao with other Daos as soon as possible. Once I succeed, no one, including Duan Ling Tian, will be able to snatch the Life Creation Chart away from me!"

After years and years of work, Yu Luo He had not only repaired the damage to the Life Creation Chart, but he had also comprehended the Sacrificial Dao to the ninth stage. Currently, he was in the process of merging three Daos to create a completely new Dao.

"Hmm?"

All of a sudden, Yu Luo He sensed something with his Divine Consciousness, and his expression changed immediately.

Swoosh! Swoosh!

In the distance, the void rippled, and in just a moment, two figures appeared near Yu Luo He, easily passing through his Divine Consciousness. The duo hovered near Yu Luo He and stared at him. They looked like young men, and one was dressed in purple while the other was dressed in green.

"Duan Ling Tian?! Feng Qing Yang?!"

As the owner of the Life Creation Chart, although Yu Luo He could not directly intervene in the life and death of the people in the worlds within the chart, he could easily monitor them. As such, he knew what Duan Ling Tian and Feng Qing Yang looked like long before he saw them in person. Otherwise, he would not have been able to recognize Duan Ling Tian so quickly when they met for the first time.

'Feng Qing Yang, he...'

Yu Luo He would not be afraid if Duan Ling Tian was alone. Now that his strength had returned to the peak, it would be easy for him to deal with Duan Ling Tian. After all, the two Daos he merged were considered relatively new. Among the Dao Merging powerhouses in the Divine Land, he was among the most powerful ones. This was also the reason he had been able to escape death the last time he was ambushed. It would not have been enough for him to rely on his life-saving charm alone.

When Yu Luo He's Divine Consciousness briefly swept past Feng Qing Yang, Yu Luo He's expression changed drastically.

'How's this possible?! He's broken into the Dao Merging realm?! When did merging the Daos become so easy? Is this a joke?!'

## Chapter 4712 Duan Ling Tian, the Triple Dao Merging Powerhouse

The existence of an anomaly like Duan Ling Tian in the world of the Life Creation Chart shocked Yu Luo He. After all, the inhabitants of the world within the chart were seen as 'nourishments' by him, the owner of the Life Creation Chart. It was as though he was watching an ant suddenly

becoming as powerful as him. Today, when he saw the two Dao Merging powerhouses in front of him, he could not help but shiver.

In the world within the Life Creation Chart, Feng Qing Yang was powerful and extraordinarily talented as well, second only to Duan Ling Tian. Yu Luo He was also further shocked when he realized that Feng Qing Yang had successfully merged the Daos after coming to the Divine Land.

In short, the master and disciple duo were truly heaven-defying.

Yu Luo He forced himself to calm down, hoping to hide his surprise from Duan Ling Tian and Feng Qing Yang. He scoffed disdainfully and said to Duan Ling Tian mockingly with an arrogant expression, "Do you think you'll be able to defeat me by bringing your master here? My injuries have completely healed. Your master has just recently broken through, even if you join forces with him, you won't be able to defeat me. Let alone the both of you, even if the two Dao Merging powerhouses from the Chen clan were here today, it would be difficult for them to defeat me! Perhaps I'm no match for both of you, but it won't be easy for you to capture me!"

Yu Luo He was among the most powerful Dao Merging powerhouses, and this was the source of his confidence.

Swoosh!

The next moment, Yu Luo He flew in the air, causing his robe to flutter. He stood across from Duan Ling Tian and Feng Qing Yang with a disdainful smirk on his face.

Duan Ling Tian smirked when he saw how confident Yu Luo He was. He narrowed his eyes slightly as he said, "The Chen clan? Yu Luo He, you dare to compare my master with the two Dao Merging powerhouses from the Chen clan? Are they even worthy?"

Perhaps if it were another Dao Merging powerhouse, Duan Ling Tian would not have spoken so rudely about them. However, the two Dao Merging powerhouses from the Chen clan were his enemies. Why would he be polite to them?

Yu Luo He laughed upon hearing Duan Ling Tian's words. He said, "Duan Ling Tian, based on your words, it seems like you think you and your master are stronger than those two from the Chen clan? Ridiculous! As soon as you make a move, Chen Ming Hao will definitely interfere. How powerful will you be at that time? If you didn't bring your master here today, would you have dared to confront me today? Trash!"

Yu Luo He's smile was contemptuous. In his opinion, Duan Ling Tian posed no threat to him. After all, with Chen Ming Hao's interference, Duan Ling Tian's strength was just like that of the weakest Dao Merging powerhouse in the Divine Land.

'How could someone like that be so arrogant in front of me? Ridiculous!'

"Chen Ming Hao's interference?"

Duan Ling Tian was slightly stunned by those words. When he recovered his senses, he laughed and said, "Who told you that I'm still using the same Dao as Chen Ming Hao?"

Yu Luo He frowned. He did not react immediately. However, when realization finally dawned on him in the next second, he felt as though he had been struck by a lightning bolt. However, he thought to himself in denial, 'Impossible! It's absolutely impossible! How could he have successfully merged the third Dao so quickly?!'

Yu Luo He naturally understood the meaning of Duan Ling Tian's words, but he believed that Duan Ling Tian was just trying to intimidate him. In his opinion, it was impossible for Duan Ling Tian to merge the third Dao in such a short time. It was not easy to merge three Daos after all. Otherwise, there would not be so few Triple Dao Merging powerhouses in the Divine Land.

Duan Ling Tian silently raised his hand, and the power of his Daos swept out. The terrifying force of the Daos shook heaven and earth. The sky, which was bright just a moment ago, darkened. Sword qi raged in the sky, and the void rippled before tiny spatial cracks appeared. This was the Divine Land, where the stability of space was extraordinary. Under normal circumstances, even when a Triple Dao Merging powerhouse made a move, it would be incredibly difficult for them to cause spatial tears. However, it was different if one of the Daos they comprehended was the Space Dao.

After Duan Ling Tian made a move, Yu Luo He was forced to face the reality that Duan Ling Tian had indeed merged the third Dao, the Space Dao. Subsequently, a thought appeared in his mind.

'Could it be that... the law of space in the Life Creation Chart is the Space Dao here?'

Apart from this, he could not figure out how Duan Ling Tian managed to comprehend the Space Dao to the ninth stage and merged it with the Limitless Sword Dao in such a short time.

Yu Luo He knew Duan Ling Tian very well. Before coming to the Divine Land, Duan Ling Tian did not comprehend the Space Dao. Instead, Duan Ling Tian comprehended the law of space in the world within the Life Creation Chart to the paramount stage.

"I have to flee!"

After finding out that Duan Ling Tian had truly merged the third Dao, Yu Luo He was filled with fear. His only thought was to leave this place.

However, Feng Qing Yang, who had been keeping a close eye on Yu Luo He, made a move as soon as Yu Luo He moved. The power he had mobilized swept out. With the Time Sword Dao, countless sword rays appeared, covering the entire place.

The entire place seemed to freeze, and Yu Luo He's movements became significantly slower in just an instant.

With this, Yu Luo He also discovered the Dao that Feng Qing Yang merged was the Time Sword Dao. This also confirmed his theory that some laws from the world within the Life Creation Chart existed as Daos in the Divine Land.

"Get lost!" Yu Luo He roared angrily. He released his energy, and it surged out. However, he soon discovered that his Dao was affected by Feng Qing Yang's Time Dao and that he only managed to stop the sword rays slightly.

Upon seeing this, chills ran down Yu Luo He's spine, and a sense of despair filled his heart. How could he escape now?

Yu Luo He gritted his teeth before he said decisively, "Duan Ling Tian, I'll give you the Life Creation Chart! That's what you want, right? We have no grudges between us, so there's no need for you to kill me if I give you what you want, right? Moreover, killing me doesn't benefit you in any way at all."

Chapter 4713 Duan Ling Tian Becomes the New Owner of the Life Creation Chart

"No grudges between us?"

Duan Ling Tian hovered in the air, surrounded by a terrifying force as he stared at Yu Luo He and smiled coldly.

"In your eyes, the inhabitants of the world of the Life Creation Chart are nourishments for you to comprehend the Sacrificial Dao. How could you say there are no grudges between us? My family and I were separated and suffered in the Divine Land. My son almost died in this place? How dare you say there are no grudges between us?"

Following that, Duan Ling Tian made a move. He used his Limitless Space Sword Dao and formed a giant sword that descended from the sky with a terrifying force. The force shook the space, carrying an infinite might. It looked as though it could crush everything in its path as it swept toward Yu Luo He.

Yu Luo He could not escape even if he wanted to. Feng Qing Yang had controlled the flow of time; although Feng Qing Yang could not stop him completely, his movements had slowed down considerably. For this reason, he could only face the terrifying attack directly. Although his speed was very slow now, he still tried to resist the attack. After all, not doing anything was tantamount to waiting for death.

Alas, despite Yu Luo He mobilizing all this strength, he was still no match for Duan Ling Tian, who had merged three Daos. After a brief stalemate, Yu Luo He's resistance shattered before Duan Ling Tian's attack continued forward.

Yu Luo He did not die immediately. After all, he was rather powerful. Although he was heavily injured and on the verge of losing consciousness, he resisted desperately and survived. He pleaded, "Duan... Ling Tian, spare... my life. I'll do anything as long as you spare my life..."

Yu Luo He's current injuries were much worse than those he sustained when he was ambushed by a group of Dao Merging powerhouses in the past. He knew that he could not escape and that Duan Ling Tian could easily end his life now.

"Sorry, I'm not interested," Duan Ling Tian refused indifferently. He moved decisively and killed Yu Luo He.

Yu Luo He, the owner of the Life Creation Chart and the 'heaven' of the Myriad Worlds and the Outer Boundary, did not expect that he would die at the hands of someone from the world within the Life Creation Chart. After all, the inhabitants were just 'nourishments' and 'resources' in his eyes, meant to be used in his comprehension of the Sacrificial Dao.

After killing Yu Luo He, Duan Ling Tian found the Life Creation Chart from the former's spatial ring. With this, he finally achieved his goal today. He could not wait to study the Life Creation Chart, hoping to find a way to send those who were willing home.

"It doesn't seem that difficult to kill a Dao Merging powerhouse," Feng Qing Yang remarked with a smile before he approached Duan Ling Tian and looked at the Life Creation Chart. A hint of anticipation could be seen in his eyes. After all, if possible, he wanted to return to the Solitary Destructive Heaven and retire there.

"If it weren't for your help, master, I wouldn't have been able to kill him," Duan Ling Tian said with a sigh. After all, Dao Merging powerhouses were very powerful. Yu Luo He, who had comprehended and merged a relatively new Dao, was even more powerful. For Duan Ling Tian, the three Daos he had merged could easily defeat his opponent, but his strength mainly lay in the offensive. His speed was not much faster than that of his opponent.

In conclusion, without Feng Qing Yang and his Time Dao, which slowed down the opponent, it would have been difficult for Duan Ling Tian to kill his opponent so easily. Nonetheless, he was confident that as a Triple Dao Merging powerhouse now, very few people could gain an advantage over him in a fight.

"Let's return first before we study the chart," Feng Qing Yang said.

"Master, we've only left for a short time, but you're already missing your wives?"

"Brat, you're becoming more and more impudent!"

Duan Ling Tian came looking for Yu Luo He again after so long because he had finally merged three Daos, turning them into the Limitless Space Sword Dao. After familiarizing himself with his new powers, he could not wait to look for Yu Luo He with Feng Qing Yang, who could also sense the Life Creation Chart after his breakthrough. With this, it was confirmed that inhabitants of the world within the Life Creation Chart could sense the chart after they became a Dao Merging powerhouse. This was perhaps, due to their connection to the world within the chart.

...

After returning, Duan Ling Tian claimed ownership of the Life Creation Chart and began to study it.

"It's fully repaired!"

As time passed, Duan Ling Tian gained a new understanding of the various 'rules' of the Life Creation Chart, and some of the things he learned made him gasp.

For example, one of the rules prevented the owner of the Life Creation Chart from understanding all of its rules before the owner merged three Daos. The owner also could not utilize the full power of the chart until they had merged three Daos. Until then, some abilities would be hidden from them.

The owner also could not directly kill the inhabitants of the world within the Life Creation Chart if the inhabitants were still in that world. The owner also could not enter the world within the chart. Doing so would cause the destruction of the world within the chart.

"However, if the owner of the chart has already merged three Daos, they would be able to break this rule and enter the world within the chart..."

Duan Ling Tian laughed, thinking that it was fortunate that he had already merged three Daos. Otherwise, if his family and friends returned to the world within the Life Creation Chart, he would be left alone in the Divine Land.

Feng Qing Yang was also surprised when he learned about the rules from Duan Ling Tian.

"I didn't expect there to be such rules. This means that if I were the owner of the chart, I wouldn't be able to return to the Solitary Destructive Heaven until I've merged three Daos?"

"That's right. After merging three Daos, you'll also have full access to the chart's abilities. For example, there's an ability that can help us locate anyone from the world within the chart through their residual aura. This means that I can sense them no matter where they are in the Divine Land, just like how I could sense the Life Creation Chart after becoming a Dao Merging powerhouse," Duan Ling Tian continued to explain.

Upon hearing this, Feng Qing Yang's eyes lit up with excitement, and he could not help but exclaim, "This means that no matter where Lei Hong or Yun Qing Yan are hiding, you'll be able to find them?"

"That's right," Duan Ling Tian responded with a nod, "I remember their auras. As long as I find their auras in the chart, I'll be able to sense their whereabouts."

"Great! This time, they won't be able to escape!" Feng Qing Yang laughed happily.

After a moment, Feng Qing Yang's gaze turned cold as he said, "We can finally kill Lei Hong who almost killed Nian Tian previously!"

Duan Ling Tian nodded, and his gaze also turned cold as he said, "This time, we can finally settle old and new scores!"

#### Chapter 4714 Lei Hong, It's Been a While

Subsequently, Duan Ling Tian began searching for Lei Hong and Yun Qing Yan's residual auras in the Life Creation Chart, which he was familiar with. After finding the auras, he only needed to merge them with his souls to sense their whereabouts. After all, he was now the owner and the master of the Life Creation Chart, and the others were natives of the world within the Life Creation Chart. He was, in other words, the new 'heaven' of the Myriad Worlds and the Outer Boundary.

While Duan Ling Tian was busy searching the Life Creation Chart, Feng Qing Yang looked at the turbulent 'phenomenon' in the sky before he muttered to himself, "It's been so long, but it has yet to disappear?"

After Duan Ling Tian killed Yu Luo He, a phenomenon appeared in the sky, heralding the death of a Dao Merging powerhouse. Through the phenomenon, one could discern the identity of the dead Dao Merging powerhouse and the Daos that the dead Dao Merging powerhouse had comprehended.

Initially, Duan Ling Tian and Feng Qing Yang assumed that the phenomenon would disappear soon after that it was only visible in the vicinity of the area where Yu Luo He was killed, just like the phenomenon that appeared when they broke into the Dao Merging realm. Unexpectedly, even after they returned to their family and friends, they found that not only did the phenomenon not disappear, but it was also visible from where they were.

In the sky, the 'path' of the Dao that Yu Luo He merged seemed to be broken. One could vaguely see illusory figures in the sky that disappear soon after. This process repeated over and over again.

...

In the end, the phenomenon lasted for a full day and night. During that time, the entire Divine Land broke out in an uproar.

The phenomenon that heralded the death of a Dao Merging powerhouse was distinct from the phenomenon of a breakthrough, after all. As such, everyone who saw the phenomenon knew that a Dao Merging powerhouse had died. Not only that, due to the 'path' of the merged Daos that was reflected in the sky, they also knew the identity of the dead Dao Merging powerhouse.

"It's Yu Luo He! He's dead!"

"Heavens! Who killed Yu Luo He?! Previously, so many Dao Merging powerhouses joined forces to kill him, but they failed. However, someone managed to silently kill him now?"

"Did those few Triple Dao Merging powerhouses join forces to deal with him?"

...

At the same time, after discovering the phenomenon, Chen Ming Hao of the Myriad Mountains' Chen clan looked for his grandfather, Chen Jiu Xiao, immediately.

"Grandfather, you've been in the clan recently. Does this mean that those few people made a move on Yu Luo He?"

Chen Ming Hao was aware that many people now assumed that the few Triple Dao Merging powerhouses in the Divine Land had killed Yu Luo He. Whether it was true or not, Chen Ming Hao knew that his grandfather was not a part of it; his grandfather had not left the clan recently. Even if his grandfather did not participate, he knew that if the few Triple Dao Merging powerhouses wanted to make a move, they would surely contact his grandfather. After all, his grandfather was also a Triple Dao Merging powerhouse.

"Who else could it be but them?" Chen Jiu Xiao said coldly with a scoff, "They must have noticed that my strength is waning, so they didn't even bother to contact me to deal with Yu Luo He! Damn it!"

...

The other Triple Dao Merging powerhouses were naturally unaware of Chen Jiu Xiao's thoughts. If they were aware of it, they would have felt wronged. After all, they had nothing to do with Yu Luo He's death.

When they, including Chen Jiu Xiao, gathered and discovered that none of them had acted against Yu Luo He, they were perplexed.

"What's going on? What happened?"

"Was he killed by the backlash from the Life Creation Chart because he violated some rules? But... I've never heard of such instances..."

"The Life Creation Chart was forced by a powerhouse who merged four Daos. It wouldn't be surprising if the chart could kill a Triple Dao Merging powerhouse, let alone an ordinary Dao Merging powerhouse..."

"Does that mean the chart is like a cursed object?"

While they speculated among themselves, Chen Jiu Xiao's earlier resentment had already vanished. After all, he finally found out that he was not excluded and that Yu Luo He was killed by someone else.

...

In a magnificent hall.

A pretty young woman approached a bald and burly man. She looked at him with a seductive gaze as she asked, "Sir, are you sure you don't need my service? I promise you that you'll like it once you try it..."

However, the bald and burly man only glanced at her indifferently as he said, "Get lost!"

The man had long lost interest in women. All he was interested in now was to grow stronger.

'If she's not the enemy of Duan Ling Tian's son and if it weren't for the fact that keeping her alive would annoy Duan Ling Tian, I would've already killed her!'

"Sir..."

"Get lost. Otherwise, you'll die!"

"S-sir, I'll leave now, I'll leave now!"

Guo Li Li just turned to leave when she suddenly froze. When she saw one of the two figures nearby, her face paled immediately.

"D-Duan Nian Tian?"

Not long after, Guo Li Li finally noticed the man next to Duan Nian Tian. He looked like Duan Nian Tian, but he was more mature and calm. She guessed the man's identity immediately; the man was Duan Ling Tian, a powerhouse from the Surging River Divine Kingdom!

Thud!

Guo Li Li let out a cry of surprise before she fell to the ground, trembling. Her eyes shone with despair. She could not figure out how the duo had found this place. She knew it was impossible for Lei Hong to expose their whereabouts. After all, Duan Ling Tian was a Dao Merging powerhouse. As soon as they were found, Duan Ling Tian would definitely kill them.

"Huh?"

Lei Hong, whose eyes were closed, did not detect anything unusual. Although he had released his Divine Consciousness, he did not find anything wrong. After all, the Divine Consciousness of a Triple Dao Merging powerhouse was much more powerful than that of an ordinary Dao Merging powerhouse; it was easy for a Triple Dao Merging like Duan Ling Tian to hide his and Duan Nian Tian's presence from Lei Hong, an ordinary Dao Merging powerhouse.

For this reason, Lei Hong did not notice anything until he heard Guo Li Li's cry of surprise. As soon as he opened his eyes, he saw two familiar faces: Duan Nian Tian, whom he considered trash, and Duan Ling Tian, who almost killed him in the past and was now a Dao Merging powerhouse.

'Duan Ling Tian?! How did he find this place?!

Lei Hong's expression changed immediately. Without any hesitation, he jumped up and fled. However, he soon found himself unable to move further. It was as though an invisible wall had been erected in front of him. His face turned ashen immediately.

"What... What's this? The law of space? N-no, it's the... Space Dao?"

While Lei Hong panicked and fell into despair, Duan Ling Tian said indifferently, "Lei Hong, it's been a while. Don't you think it's rude to run away without saying hello?"

#### Chapter 4715 The Deaths of Lei Hong and Yun Qing Yan

Lei Hong's face turned pale, and he broke out in cold sweat. However, his gaze was still filled with unwillingness as he looked at Duan Ling Tian and asked, "Duan Ling Tian, how did you find your way here?"

In Lei Hong's opinion, his whereabouts were very well hidden, so it should have been impossible for Duan Ling Tian to find him. Moreover, after saving Guo Li Li, he had always kept her under his surveillance, which made it impossible for her to act without him knowing. There was no way she could have leaked his whereabouts to Duan Ling Tian. Not only that, but she had no reason to leak his whereabouts to Duan Ling Tian. After all, she was also among Duan Ling Tian's enemies now, and doing such a thing was tantamount to seeking death.

"I know I'm not a match for you, but I hope that even if you kill me, you'll at least let me die with clarity!"

Lei Hong was very aware of the difference in strength between himself and Duan Ling Tian. He had no doubt that he would die today. However, he felt that he would not be able to rest in peace if he did not clear up his doubts today.

"To show you my sincerity, I'll kill this woman who harmed your son!"

As soon as he finished speaking, Lei Hong struck Guo Li Li, killing her in an instant. She fell to the ground with her eyes wide open. Even in death, she did not understand why the person who saved her previously would help Duan Ling Tian to kill her.

Lei Hong looked at Duan Ling Tian with bloodshot eyes and said in a lowered voice, "I'm begging you."

Duan Ling Tian looked at Lei Hong indifferently as he said, "Based on my character, I wouldn't bother explaining myself to you before your death..."

After a brief pause, Duan Ling Tian continued to say, "However, today, I'm willing to clear some of your doubts for you..."

Before becoming the new owner of the Life Creation Chart, Duan Ling Tian would not have bothered with an explanation. He would have killed Lei Hong directly. Whether Lei Hong died with clarity or not was none of his concern. However, after becoming the owner of the Life Creation Chart, his perspective and outlook on life had changed completely. Lei Hong was no longer his enemy, but he was just a tiny living being in the world under his control.

"I killed Yu Luo He, and I'm now the master of the Life Creation Chart. After breaking into the Triple Dao Merging realm, I'm able to control the Life Creation Chart better than Yu Luo He could. I managed to track you through your remnant aura in the chart..." Lei Hong's expression changed drastically upon hearing this. He looked at Duan Ling Tian with a frightened expression on his face as though he was looking at a terrible monster.

'Duan Ling Tian is now a Triple Dao Merging powerhouse?'

Although it sounded absurd, Lei Hong knew Duan Ling Tian had no reason to lie to him. At this moment, he felt regretful. If he had known Duan Ling Tian's ability was so heaven-defying, he would have backed down the first time they had a conflict. Why did he underestimate Duan Ling Tian just because Duan Ling Tian was younger than him?

"Do you have any more questions? Otherwise, I'll send you on your way," Duan Ling Tian said nonchalantly.

"No more," Lei Hong replied with a bitter smile.

Following that, a streak of light shot out of Lei Hong's body. He knew he was no match for Duan Ling Tian and that resistance was futile, but he was still unwilling to wait for death without doing anything.

Lei Hong was only a level-eight Dao Establishment powerhouse, after all. It was not surprising that Duan Ling Tian, a Triple Dao Merging powerhouse, easily deflected Lei Hong's attack with a casual wave of his hand.

In the next moment, Duan Ling Tian attacked, crushing Lei Hong's body and soul with a terrifying energy.

Just like that, an enemy who had been at odds with Duan Ling Tian for many years died. At the beginning, Lei Hong could still resist, but now, he was like an ant facing a giant.

At this moment, Duan Nian Tian said, "Father, now that Guo Li Li and Lei Hong are dead, please send me back. I also want to comprehend the Space Dao. I want to go back to the world within the Life Creation Chart to build my foundation first. After that, I'll return to the Divine Land to comprehend the Space Dao."

Duan Nian Tian was shocked by Duan Ling Tian's strength. Lei Hong, a top powerhouse in the Myriad Worlds, could easily kill him, but Lei Hong was no match for Duan Ling Tian at all. Although he knew it would be difficult for him to surpass Duan Ling Tian, he still wanted to try his best. He did not want others to look down on him or think that he only relied on his father. He wanted to become stronger too!

Duan Ling Tian nodded before he sent Duan Nian Tian into the Life Creation Chart. Previously, after he had familiarized himself with the chart and found the remnant auras of Lei Hong and Yun Qing Yan, he had a discussion with his family and friends. All of them agreed to return to the world within the Life Creation Chart.

They were all happy to return. Although the Divine Land was not bad, they still preferred their hometowns in the Myriad Worlds and the Outer Boundary. Now that the Life Creation Chart had been restored, the Myriad Worlds and the Outer Boundary had also been restored to their original state. The only thing was that many buildings had been destroyed and remained in ruins. Needless to say, this was not a problem since they could easily rebuild the buildings.

'After dealing with Yun Qing Yan, I'll visit the Surging River Divine Kingdom. If those from the Duan Residence and the Azure Cloud Mansion agree, I'll send them back to the Myriad Worlds and the Outer Boundary as well...'

Subsequently, Duan Ling Tian vanished into thin air.

...

When Yun Qing Yan saw Duan Ling Tian, he thought his eyes were playing tricks on him. Then, his expression changed drastically before he tried to escape. However, his attempt was quickly thwarted. After all, he had not even reached the fourth level of the Dao Establishment realm. Even Lei Hong could easily deal with him, let alone Duan Ling Tian.

"It's been a long time, Yun Qing Yan."

Duan Ling Tian looked at Yun Qing Yan.

Although Yun Qing Yan's physical appearance had changed due to the fusion of his soul with a member of the Soul Imprisonment Clan, he still retained some of his features. His eyes, in particular, did not change.

In just an instant, Duan Ling Tian's thoughts seemed to return to the past when he was still in the mundane realm. At that time, Yun Qing Yan had arrogantly trampled on him. Back then, Yun Qing Yan had been invincible in his eyes. After all, at that time, Yun Qing Yan could kill him with just a finger. However, now, the tables had turned.

"D-Duan... Duan Ling Tian, how did you find me?"

Yun Qing Yan was shocked. He had deliberately found a remote and hidden place so that no one would be able to find him. Not only that, but he had also kept a low profile, hiding his identity. He could not figure out how Duan Ling Tian had found him.

"I know you're curious," Duan Ling Tian said with a faint smile, "However, I'm not obliged to answer your question. Take this question with you to your grave."

Yun Qing Yang was petrified. His eyes widened as he watched Duan Ling Tian make a move.

Without wasting any words, Duan Ling Tian attacked. After all, his hatred toward Yun Qing Yan ran deeper compared to his hatred toward Lei Hong.

"It's done. After visiting the Surging River Divine Kingdom and sending everyone back, it's time for me to visit the Chen clan..." Duan Ling Tian muttered to himself as he made his way to the Surging River Divine Kingdom.

A few days ago, Feng Qing Yang had asked Duan Ling Tian when Duan Ling Tian would visit the Chen clan, seeming even more impatient than Duan Ling Tian. Now, the time was fast approaching.

#### Chapter 4716 Admit Defeat

The Myriad Mountains' Chen clan occupied a vast land surrounded by mountains and clear rivers, which made for a picturesque scenery. As one of the top forces in the Divine Land, apart from ordinary Dao Merging powerhouses, it also had a Triple Dao Merging powerhouse, who cemented the Chen clan's place in the Divine Land.

In the past, even when the Chen clan only had two ordinary Dao Merging powerhouses, no one dared to provoke the clan, let alone now when one of them had become a Triple Dao Merging powerhouse.

If anyone were to tell members of the Chen clan that someone was going to look for trouble with the Chen clan, they would have laughed dismissively and said, "Those who look for trouble with the Chen clan will die. Do you think our two ancestors are easy to deal with?"

Unexpectedly, two guests showed up at the Chen clan today.

Swoosh!

A terrifying Divine Consciousness swept out, enveloping the entire Chen clan. It quickly overwhelmed the members of the Chen clan, making them feel suffocated. Those with lower cultivation bases fell to the ground, trembling in fear.

"D-Dao Merging powerhouse?"

Many Dao Establishment powerhouses were shocked and puzzled; they could not figure out which Dao Merging powerhouse was so bold as to stir up trouble in the Chen clan. After all, one of their ancestors was a Triple Dao Merging powerhouse.

"Which Dao Merging powerhouse dares to provoke our Chen clan?!"

"Hmph! The more arrogant and domineering they are now, the more embarrassed they will be later! The Chen clan fears no one in the Divine Land!"

Most of the members of the Chen clan remained fearless and calm. After all, they knew they had the protection of two Dao Merging powerhouses. They knew their two ancestors would take action soon and drive the intruders away, forcing the intruders to flee in embarrassment.

"The Time Sword Dao?"

A voice tinged with anger echoed in the Chen clan. Not long after that, a figure appeared near the two visitors. The figure belonged to a green-clad old man who looked rather young for his age. He was none other than Chen Jiu Xiao, the Chen clan's Triple Dao Merging powerhouse. His expression was unsightly as he glared at Duan Ling Tian and Feng Qing Yang. After a moment, his gaze rested on Feng Qing Yang, and he said icily, "It seems like you're the mysterious person who became a Dao Merging powerhouse a thousand years ago."

After a pause, Chen Jiu Xiao continued to say, "The Time Sword Dao is indeed formidable... However, that alone isn't enough for you to stir up trouble in the Chen clan!"

Before Feng Qing Yang could respond, Chen Ming Hao arrived. He was the one who had comprehended the Limitless Sword Dao like Duan Ling Tian did in the past. He also stared at Feng Qing Yang with an icy gaze as soon as he arrived.

The Divine Consciousness that enveloped the Chen clan belonged to Feng Qing Yang. He had unleashed it earlier, fueled by the anger that arose in his heart when he recalled what Chen Ming Hao had done to Duan Ling Tian in the past.

"You're just a new Dao Merging powerhouse, but you dare to act arrogantly in the Chen clan? Do you think we're pushovers? Since you're so brave, don't run away later. Let's fight till death!" Chen Ming Hao said with a sneer.

"Fight till death?" Feng Qing Yang said with a smile as he looked at Chen Ming Hao disdainfully, "Chen Ming Hao, right? With your Limitless Sword Dao alone, you actually dared to say that? If it weren't for Chen Jiu Xiao, I wonder if you'd dare to say such words?"

Feng Qing Yang's words struck a nerve, and Chen Ming Hao's expression darkened immediately. He glared at Feng Qing Yang murderously.

At this time, the purple-clad Duan Ling Tian, who had been silent until now, calmly said, "Master, since he wants to fight to death, let's fulfill his wish."

As he spoke, Duan Ling Tian released his energy, which seemed like a primordial beast that had crossed through time and space from ancient times!

Whoosh!

The Divine Consciousness of a Triple Dao Merging powerhouse swept out in all directions. It caused Chen Jiu Xiao's Divine Consciousness, which had dispelled Feng Qing Yang's Divine Consciousness, to shake violently.

"A Triple Dao Merging powerhouse?!"

Chen Jiu Xiao's expression changed dramatically. As a Triple Dao Merging powerhouse himself, he was naturally quick to identify the three Daos that Duan Ling Tian had merged. In just a moment, he knew that the merged Dao, the Limitless Space Sword Dao, was a newly merged Dao that had never existed in the history of the Divine Land before. "You're Duan Ling Tian?!"

In the next moment, Chen Jiu Xiao immediately guessed the purple-clad young man in front of him was Duan Ling Tian from the world within the Life Creation Chart who had been forcefully transported to the Divine Land in the past.

Previously, Duan Ling Tian had comprehended the Limitless Sword Dao, which conflicted with his grandson, Chen Ming Hao. For that reason, they had gone to the Surging River Divine Kingdom to deal with Duan Ling Tian. It was from then that their grudge began.

Although Chen Jiu Xiao did not want to believe it, he knew that the other party, a Triple Dao Merging powerhouse who had mastered the Limitless Space Sword Dao, had to be Duan Ling Tian. Otherwise, there was no reason for the other party to come looking for trouble.

"Duan Ling Tian?!"

Chen Ming Hao's expression changed as soon as he heard his grandfather's words.

"How's this possible?! You only broke into the Dao Merging realm over a thousand years ago! How could you have merged your third Dao so quickly?!"

Chen Ming Hao hated Duan Ling Tian to the bones, wishing he could crush Duan Ling Tian into pieces. Previously, he could not do anything because Duan Ling Tian had gone into hiding. Unexpectedly, Duan Ling Tian came to the Chen clan. Not only that, but Duan Ling Tian was now among the few Triple Dao Merging powerhouses in the Divine Land. Most importantly, his merged Dao, the Limitless Space Sword Dao, was a new Dao.

Chen Ming Hao's Divine Consciousness was mercilessly crushed by Duan Ling Tian's Divine Consciousness. Even Chen Jiu Xiao's Divine Consciousness seemed feeble and vulnerable in front of Duan Ling Tian's domineering Divine Consciousness. "Duan Ling Tian, I was wrong regarding what happened in the past. I'm willing to apologize to you..."

Although reluctant, Chen Ming Hao set his pride aside and spoke humbly after being urged by Chen Jiu Xiao through Voice Transmission.

Chen Jiu Xiao knew they had to give in since they were no match for Duan Ling Tian and Feng Qing Yang.

Chen Ming Hao's Limitless Sword Dao was no match for Feng Qing Yang's Time Sword Dao.

As for Chen Jiu Xiao, he knew his Dao was no match for a new Dao like the Limitless Space Sword Dao.

At the same time, Chen Jiu Xiao cursed inwardly, thinking that Duan Ling Tian must have found a remote place before breaking into the Triple Dao Merging realm. Otherwise, even if he missed the phenomenon, he would have heard about it. After all, such news would spread very quickly in the Divine Land.

The range of the phenomenon of a breakthrough for a Triple Dao Merging powerhouse was similar to that of an ordinary Dao Merging powerhouse, but they looked different.

Meanwhile, after hearing Chen Ming Hao's words, Duan Ling Tian sneered and said, "If it were useful to apologize, why would I have worked so hard to merge the third Dao back then?"

## Chapter 4717 Duan Ling Tian Was Killed?

Chen Ming Hao and Chen Jiu Xiao's expressions changed upon hearing Duan Ling Tian's words.

Duan Ling Tian moved at lightning speed. A terrifying sword qi swept out above the Chen clan, and in just an instant, a raging spatial storm appeared, razing a large area of the Chen clan to the ground. A few mountains nearby were leveled and the rivers overflowed.

In the sky, the power of the Limitless Space Sword Dao rained down like a terrifying meteor shower. With this, one could see how terrifying the strength of a new Dao was.

Boom!

A series of explosions rang in the air before desperate cries echoed within the Chen clan's stronghold. The Dao Establishment powerhouses and some who had yet to enter the Dao Establishment but were slightly stronger managed to escape. However, the weaker members struggled to flee and were killed immediately, buried under the rubble.

"Duan Ling Tian, you've crossed the line!" Chen Jiu Xiao roared, unleashing his own Triple Dao. Alas, his Triple Dao was no match for that of Duan Ling Tian.

Swoosh!

At the same time, Feng Qing Yang and Chen Ming Hao made a move as well.

Chen Ming Hao's expression was fierce, but he could not hide the fear in his eyes. After all, he was not confident about defeating his opponent, who had comprehended the Time Sword Dao. Nonetheless, he was confident about his ability to escape, especially now that Duan Ling Tian no longer comprehended the Limitless Sword Dao like him. This thought did not bring him joy like he thought it would. If anything, he wished that Duan Ling Tian did not break through and that Duan Ling Tian still comprehended the Limitless Sword Dao.

'Damn it! How can Duan Ling Tian be so heaven-defying? In just over a thousand years, he broke into the Dao Merging realm and became a Triple Dao Merging powerhouse! Not only that, but he also comprehended a new Dao! Since when did merging three Daos become so easy? Does he have some sort of secret?'

Chen Ming Hao felt both resentful and jealous when he thought about Duan Ling Tian's good fortune.

At this time, Duan Ling Tian and Chen Jiu Xiao were in the midst of a confrontation. The collision of their powers reduced a large area near them into ruins.

Feng Qing Yang and Chen Ming Hao, who were engrossed in their own confrontation, were the only ones who were unaffected by the two Triple Dao Merging powerhouses' confrontation.

After a brief exchange, Duan Ling Tian quickly gained the upper hand.

Chen Jiu Xiao's expression turned grim, and his hands trembled slightly. Clearly, it had been easy for him to resist the previous strike.

On the contrary, Duan Ling Tian was calm and composed.

The disparity in strength was obvious.

'The power of a new Triple Dao is truly terrifying...' Chen Jiu Xiao thought to himself. Then, he quickly made up his mind to retreat, confident that Duan Ling Tian would not be able to stop him.

Chen Jiu Xiao quickly said through Voice Transmission, "Ming Hao, let's retreat! We won't gain anything by continuing to fight!"

Chen Ming Hao naturally had no objections. He was being pressured by Feng Qing Yang. The Time Sword Dao was much stronger than his Limitless Sword Dao, rendering him helpless and powerless. Due to the difference in their strength, he could barely defend against Feng Qing Yang's attacks. However, he did not think it would be easy for Feng Qing Yang to kill him.

In short, Chen Jiu Xiao and Chen Ming Hao were both confident about escaping unscathed.

However, what if Duan Ling Tian and Feng Qing Yang joined forces to deal with Chen Ming Hao first?

Boom!

A ground-shaking explosion rang in the air as Duan Ling Tian released a burst of energy without any warning. However, instead of Chen Jiu Xiao, who was standing across from him, it was directed at Chen Ming Hao.

Countless sword rays swept out in the sky, merging into a sword before it flew toward Chen Ming Hao and left spatial tears in its wake.

At the same time, Feng Qing Yang also made his move. The Time Sword Dao restrained Chen Ming Hao who was about to give up fighting and escape, slowing down Chen Ming Hao's speed significantly. "Ming Hao!"

Chen Jiu Xiao did not expect Duan Ling Tian to suddenly attack Chen Ming Hao, especially when he had just told Chen Ming Hao to retreat.

"No!" Chen Jiu Xiao roared as he desperately tried to save Chen Ming Hao. Alas, it was too late.

With Feng Qing Yang slowing down Chen Ming Hao, Duan Ling Tian went all out. In terms of strength, the Limitless Space Sword Dao was peerless in the Divine Land.

Boom!

A deafening explosion rang in the air.

Although Chen Ming Hao mustered up all his strength to resist, he was, unsurprisingly, no match for Duan Ling Tian. In just a blink of an eye, he was blasted away. After all, he was not even as powerful as Yu Luo He. How could he withstand Duan Ling Tian's attack?

With just a strike, Chen Ming Hao was killed by Duan Ling Tian.

It had to be said that it was all thanks to Feng Qing Yang that Duan Ling Tian was able to kill Chen Ming Hao so quickly. Without Feng Qing Yang, it would have taken a little longer.

Boom! Boom! Boom!

After a few moments, dark and crimson clouds converged in the air before blood rained down on the Chen clan, which was now in ruins.

...

The dark and crimson clouds soon spread further in the Divine Land, causing an uproar.

"What's this? Another Dao Merging powerhouse died?"

"Goodness! It's only been a few days since Yu Luo He, who comprehended the Sacrificial Dao, died, but now, another Dao Merging powerhouse died?"

"This... This is the Limitless Sword Dao! Did Duan Ling Tian, who broke through a thousand years ago, die?! Was he killed by the two powerhouses from the Chen clan?"

#### Chapter 4718 Quadruple Dao Merging Powerhouse (Grand Finale)

Currently, in the Divine Land, many people knew that there were two individuals who cultivated the Limitless Sword Dao. One was Chen Ming Hao, a native of the Divine Land from the Myriad Mountain's Chen clan, and the other was Duan Ling Tian, a foreign being from the world within the Life Creation Chart.

After coming to the Divine Land, Duan Ling Tian became a Dao Merging powerhouse. Coincidentally, he also comprehended the Limitless Dao Sword, making him directly oppose Chen Ming Hao.

Perhaps if it was just Chen Ming Hao, it would not have been an issue. After all, it would have been difficult for him to deal with Duan Ling Tian with his strength alone. However, Chen Ming Hao's grandfather was one of the few top powerhouses in the Divine Land, a Triple Dao Merging powerhouse. For this reason, many people thought that Duan Ling Tian was in deep trouble. Moreover, they had heard about Chen Ming Hao and his grandfather, Chen Jiu Xiao, going to the Surging River Divine Kingdom to look for Duan Ling Tian previously; clearly, they were planning to get rid of Duan Ling Tian and did not intend to let him go so easily.

For this reason, when everyone saw the phenomenon that heralded the death of a Dao Merging powerhouse who cultivated the Limitless Sword Dao, they assumed that Chen Ming Hao, not Duan Ling Tian, had died. After all, Chen Ming Hao had the support of Chen Jiu Xiao.

'Run!'

Although Chen Jiu Xiao was enraged by Chen Ming Hao's death, he knew there was nothing he could do about it. As such, he decisively chose to escape, fearing that he would die if he stayed any longer.

Although the Dao Chen Jiu Xiao comprehended was not new, he was still a Triple Dao Merging powerhouse after all. Naturally, Feng Qing Yang's Time Sword Dao did not affect him due to the disparity in their strength; the Triple Dao was naturally superior to the Double Dao. Unsurprisingly, Feng Qing Yang found it difficult to restrain him, and as a result, despite being stronger than Chen Jiu Xiao, Duan Ling Tian had a difficult time stopping Chen Jiu Xiao and killing Chen Jiu Xiao.

"What a pity that he got away..." Feng Qing Yang said with a regretful sigh.

On the contrary, Duan Ling Tian, who had anticipated this, smiled and said, "It's not surprising that he got away. After all, he's a Triple Dao Merging powerhouse. If we want to kill him, we'll have to wait until you become a Triple Dao powerhouse or I become a Quadruple Dao Merging powerhouse."

Upon hearing this, Feng Qing Yang quickly chimed in, "I'll definitely become a Triple Dao Merging powerhouse first!"

"That might not necessarily be the case," Duan Ling Tian said with a grin, "Master, after gaining control of the Life Creation Chart and understanding its rules, I've made some progress in my Mastery Dao. My Mastery Dao is now at the ninth stage, and I plan to try and use the Life Creation Chart to break into the Quadruple Dao Merging realm."

Needless to say, Duan Ling Tian would truly be invincible once he became a Quadruple Dao Merging powerhouse. At that time, even if all the Dao Merging powerhouses in the Divine Land joined forces and attacked Duan Ling Tian, they still would not stand a chance against him; it would not be difficult for him to escape unscathed, and he might even be able to kill a few ordinary Double Dao Merging powerhouses like Chen Ming Hao.

Feng Qing Yang fell silent upon hearing Duan Ling Tian's words. After a moment, he sighed and said, "Send me back to the Solitary Destructive Heaven."

"Master, why don't you leave your doppelganger in the Solitary Destructive Heaven while you continue to stay in the Divine Land? Don't you want to challenge the various Dao Merging powerhouses here?" Duan Ling Tian asked with a smile.

After returning to the world within the Life Creation Chart, they were naturally able to use the laws again to create doppelgangers.

"Perhaps another time... I'm a little tired now. You really know how to dampen a person's spirits," Feng Qing Yang said with a wave of his hand as he shook his head.

With this, Duan Ling Tian no longer persuaded Feng Qing Yang and sent Feng Qing Yang back to the world within the Life Creation Chart. As for himself, he rarely returned. He had left multiple doppelgangers back in the world within the Life Creation Chart to accompany his family.

After killing Chen Ming Hao, Duan Ling Tian felt a sense of emptiness. He had also killed his two old enemies, Lei Hong and Yun Qing Yan. As for Chen Jiu Xiao, he would go after Chen Jiu Xiao after becoming a Quadruple Dao Merging powerhouse. For a moment, he felt like he had lost his sense of purpose.

"I'll look for a few Triple Dao Merging powerhouses to spar with..."

In fact, Duan Ling Tian was confident that he was stronger than the other few Triple Dao Merging powerhouses even if they were stronger than Chen Jiu Xiao. He only wanted to see what they were capable of.

...

After Duan Ling Tian went to various forces to challenge the Triple Dao Merging powerhouses and defeat them, it stirred up a huge commotion in the Divine Land. Everyone was in an uproar when they learned that he had already become a Triple Dao Merging powerhouse.

"So the Dao Merging powerhouse, who comprehended the Limitless Sword Dao and died, isn't Duan Ling Tian!"

"Since Duan Ling Tian is now a Triple Dao Merging powerhouse, then it must have been Chen Ming Hao who died!"

"Didn't he just break into the Dao Merging realm about a thousand years ago? How did he manage to become a Triple Dao Merging powerhouse in such a short time?"

"Do you think it's possible that Duan Ling Tian was the one who killed Yu Luo He? If so, doesn't it mean that the Life Creation Chart is in his hands now?"

Many speculated that the Life Creation Chart was in Duan Ling Tian's possession now, and some Dao Merging powerhouses even considered joining forces against Duan Ling Tian. However, they were not confident about that, so they quickly dismissed the idea.

Do you think that Duan Ling Tian might have killed Yu Luo He, the master of the Creation Life Chart? If he did, then the Creation Life Chart must be in his hands now, right?"

...

Another three thousand years had passed when they saw a phenomenon that heralded the death of Chen Jiu Xiao, the Triple Dao Merging powerhouse from the Myriad Mountain's Chen clan.

Those who considered dealing with Duan Ling Tian in the past could not help but feel relieved that they did not provoke Duan Ling Tian.

At the same time, Duan Ling Tian did not need to say anything, but the Dao Merging powerhouses in the Divine Land had already guessed the significance behind Chen Jiu Xiao's death.

"He managed to kill Chen Jiu Xiao? Does it mean that he's now a Quadruple Dao Merging powerhouse?!"

"He could only kill Chen Jiu Xiao if he was a Quadruple Dao Merging powerhouse!"

...

In the Surging River Divine Kingdom.

Jiang Tian Zheng and the divine monk from the Temple of Bitter Sea exchanged a look. Their expressions were rather complicated.

"Unbelievable... He actually became a Quadruple Dao Merging powerhouse in such a short time..."

Jiang Tian Zheng, the Surging River Divine Kingdom's Dao Merging powerhouse, sighed. He really did not expect Duan Ling Tian to become a Quadruple Dao Merging powerhouse. He was already very shocked when he learned that Duan Ling Tian had become a Triple Dao Merging powerhouse three thousand years ago. At this moment, he felt as though he had lived in vain for so many years.

"That's right. In just a few thousand years, he went from a Dao Establishment cultivator to becoming invincible in the Divine Land," the divine monk said with a sigh as well.

...

After becoming a Quadruple Dao Merging powerhouse, Duan Ling Tian spent most of his time with his wives, and later on, he even had a few more children.

Feng Qing Yang's wives also gave birth to a son and a daughter respectively.

The master and disciple enjoyed their lives with their families, gradually forgetting about the Divine Land.

(The End)
